(3) For purposes of paragraph (3) of subdivision (b), judges, including justices of the Supreme Court and the Courts of Appeal, shall receive approval from the Chief Justice, or his or her designee.

(d) As used in this section, ''credible threat'' means a verbal or written statement or a threat implied by a pattern of conduct or a combination of verbal or written statements and conduct made with the intent and the apparent ability to carry out the threat so as to cause the person who is the target of the threat to reasonably fear for his or her safety or the safety of his or her immediate family.

(e) As used in this section, ''immediate family'' means the spouse, parents, siblings, and children residing with the peace officer, judge, court commissioner, or attorney employed by the Department of Justice, the State Public Defender, or a county office of a district attorney or public defender.

SEC. 2. Notwithstanding Section 17610 of the Government Code, if the Commission on State Mandates determines that this act contains costs mandated by the state, reimbursement to local agencies and school districts for those costs shall be made pursuant to Part 7 (commencing with Section 17500) of Division 4 of Title 2 of the Government Code. If the statewide cost of the claim for reimbursement does not exceed one million dollars ($1,000,000), reimbursement shall be made from the State Mandates Claims Fund.

CHAPTER 249

An act to amend Section 70357 of, and to add Section 70379 to, the Government Code, and to amend Section 366.28 of the Welfare and Institutions Code, relating to courts, making an appropriation therefor, and declaring the urgency thereof, to take effect immediately.

[Approved by Governor August 23, 2004. Filed with Secretary of State August 23, 2004.]

The people of the State of California do enact as follows:

SECTION 1. Section 70357 of the Government Code is amended to read:

70357. (a) The cost of utilities shall be included in the county facilities payment by calculating the average consumption of utilities for the fiscal years 1995–96 to 1999–2000, inclusive, multiplying the consumption averages by the 1999–2000 rates, and multiplying the value by the increase in the inflation index specified in Section 70355 from January 2000, to the month of the date of transfer of responsibility for the court facilities from the county to the state, inclusive. The consumption rates for 1999–2000 shall be the average of the rates for each month of that fiscal year.

(b) If the county states in its county facilities payment calculation under Section 70363 that either utility consumption amounts or rates are not reasonably available for any court facility for any or all of the 1995–96 to 1999–2000, inclusive, fiscal years after a good faith effort to obtain those consumption amounts or rates, then the cost of utilities for that facility shall be included in the county facilities payment by calculating the five-year average of the utility costs incurred in connection with the operation of the building for the 1995–96 to 1999-2000, inclusive, fiscal years. This amount shall be calculated by multiplying the yearly utility costs for each court facility for each of the five fiscal years from 1995–96 to 1999–2000, inclusive, by the change in the inflation index specified in Section 70355 from January of that fiscal year to the month of the date of transfer of responsibility for the court facility from the county to the state, inclusive, and then averaging the five inflation-adjusted yearly values.

(c) If the county states in its county facilities payment calculation under Section 70363 that the utility cost information described in subdivisions (a) and (b) is not reasonably available for any court facilities for any or all of the fiscal years 1995–96 to 1999–2000, inclusive, after a good faith effort to obtain that information, then the cost of utilities for those facilities shall be calculated using all relevant

information available to the county and to the Administrative Office of the Courts.

(d) For purposes of any good faith statement made pursuant to subdivision (b) or (c), the county shall include a detailed description of all activities it undertook to obtain the information and the results of each activity.

(e) If the county implemented a special improvement to increase energy efficiency during the 1995–96 fiscal year or thereafter, and that special improvement resulted in measurable and ongoing net cost savings, then the county may include a description of the special improvement and the resulting cost savings as part of its county facilities payment calculation under Section 70363. The amount of any reduction in the county facilities payment calculation shall be limited to the demonstrable ongoing cost savings to the state directly resulting from the special improvement only to the extent not already reflected in the cost or consumption data used to determine utilities costs. The county shall document or demonstrate the savings and the fact that the savings are not already reflected.

(f) As used in this section, ''utility costs'' include, but are not limited to, natural gas, heating oil, electricity, water, sewage, and garbage. Utility costs shall be included without regard to whether payment of the costs was made by the county, the court, or another entity except that the amount of specific utility costs may not be included in the county facilities payment if all of the following conditions are satisfied:

(1) A lease expressly provides that the utilities are to be paid by the lessor.

(2) There is no payment by the lessee for the utilities, except as part of the lease payment.

(3) The lease payment is included in the county facilities payment.

SEC. 2. Section 70379 is added to the Government Code, to read:

70379. (a) The Court Facilities Architecture Revolving Fund is hereby established in the State Treasury, and, notwithstanding Section 13340, the fund is continuously appropriated, without regard to fiscal years.

(1) With the approval of the Department of Finance, and except as otherwise specified in this section, there shall be transferred to, or deposited in, the fund all money appropriated, contributed, or made available from any source, including sources other than state appropriations, for the purposes described in paragraph (2).

(2) Moneys transferred to, or deposited in, the fund shall be those administered by the Administrative Office of the Courts under subdivision (b) of Section 70374 for the construction, alteration, repair, and improvement of trial and appellate court buildings, including, but not limited to, services, new construction, major construction, minor

construction, maintenance, improvements, and equipment, and other building and improvement projects.

(3) In addition to the approval of the Department of Finance, the transfer or deposit of moneys into the fund shall be authorized by the Administrative Office of the Courts, both with regard to funds appropriated for the purposes specified in paragraph (2) or, as to funds from sources other than state appropriations, subject to any written agreement between the contributor or contributors of funds and the Administrative Office of the Courts.

(b) Money from state sources transferred to, or deposited in, the fund for construction, services, equipment, repair, or improvement shall be an amount necessary based on the actual, known, or firm fixed price, upon approval of the Department of Finance.

Any amount available in the state appropriation that is in excess of the amount necessary based upon final actual costs of the completed contract shall be transferred immediately to the credit of the fund from which the appropriation was made.

(c) Money transferred or deposited in the fund pursuant to subdivision (a) shall be available for expenditure by the Administrative Office of the Courts for the purposes for which appropriated, contributed, or made available, without regard to fiscal years.

SEC. 3. Section 366.28 of the Welfare and Institutions Code is amended to read:

366.28. (a) The Legislature finds and declares that delays caused by appeals from court orders designating the specific placement of a dependent child after parental rights have been terminated may cause a substantial detriment to the child. The Legislature recognizes that the juvenile court intervenes in placement decisions after parental rights have been terminated only in exceptional circumstances, and this section is not intended to place additional authority or responsibility on the juvenile court.

(b) (1) After parental rights have been terminated pursuant to Section 366.26, an order by the court that a dependent child is to reside in, be retained in, or be removed from a specific placement, is not appealable at any time unless all of the following apply:

(A) A petition for extraordinary writ review was filed in a timely manner.

(B) The petition substantively addressed the specific issues to be challenged and supported that challenge by an adequate record.

(C) The petition was summarily denied or otherwise not decided on the merits.

(2) Failure to file a petition for extraordinary writ review within the period specified by rule of court, to substantively address the specific placement order that is challenged, or to support that challenge by an

adequate record shall preclude subsequent review by appeal of the findings and orders made pursuant to this section.

(c) This section does not affect the right of a parent, a legal guardian, or the child to appeal any order that is otherwise appealable and that is issued at a hearing held pursuant to Section 366.26.

(d) The Judicial Council shall adopt a rule of court on or before January 1, 2005, to implement this section. This section shall become operative after the rule of court is adopted.

SEC. 4. Notwithstanding Section 17610 of the Government Code, if the Commission on State Mandates determines that this act contains costs mandated by the state, reimbursement to local agencies and school districts for those costs shall be made pursuant to Part 7 (commencing with Section 17500) of Division 4 of Title 2 of the Government Code. If the statewide cost of the claim for reimbursement does not exceed one million dollars ($1,000,000), reimbursement shall be made from the State Mandates Claims Fund.

SEC. 5. This act is an urgency statute necessary for the immediate preservation of the public peace, health, or safety within the meaning of Article IV of the Constitution and shall go into immediate effect. The facts constituting the necessity are:

It is necessary that this act take effect immediately as an urgency statute for the following reasons:

(a) The recalculation of the cost of utilities to be included in the county facilities payment is necessary in order to recognize the proper shift of utility costs as a result of the transfer of court facilities to the state.

(b) The Architecture Revolving Fund (ARF) is necessary to allow funds to be expended beyond the budget year in which they are appropriated. Typically, capital projects have multiple phases such as acquisition, preliminary plans, working drawings, and construction. All phases cannot be completed in the budget year, so the funds must be encumbered through a transfer to the ARF, which will enable the Judicial Council to liquidate the funds beyond the budget year.

(c) The current deadline for adoption of court rules pursuant to Chapter 247 of the Statutes of 2003 will not be met. In order to avoid confusion about the effective date of those provisions, it is necessary that the deadline of July 1, 2004, be extended to January 1, 2005.

CHAPTER 250

An act to amend Sections 6240 and 6389 of the Family Code, and to amend Section 13700 of the Penal Code, relating to domestic violence.

[Approved by Governor August 23, 2004. Filed with
Secretary of State August 23, 2004.]

The people of the State of California do enact as follows:

SECTION 1. Section 6240 of the Family Code is amended to read:

6240. As used in this part:

(a) ''Judicial officer'' means a judge, commissioner, or referee designated under Section 6241.

(b) ''Law enforcement officer'' means one of the following officers who requests or enforces an emergency protective order under this part:

(1) A police officer.

(2) A sheriff's officer.

(3) A peace officer of the Department of the California Highway Patrol.

(4) A peace officer of the University of California Police Department.

(5) A peace officer of the California State University and College Police Departments.

(6) A peace officer of the Department of Parks and Recreation, as defined in subdivision (f) of Section 830.2 of the Penal Code.

(7) A peace officer of the Department of General Services of the City of Los Angeles, as defined in subdivision (c) of Section 830.31 of the Penal Code.

(8) A housing authority patrol officer, as defined in subdivision (d) of Section 830.31 of the Penal Code.

(9) A peace officer for a district attorney, as defined in Section 830.1 or 830.35 of the Penal Code.

(10) A parole officer, probation officer, or deputy probation officer, as defined in Section 830.5 of the Penal Code.

(11) A peace officer of a California Community College police department, as defined in subdivision (a) of Section 830.32.

(12) A peace officer employed by a police department of a school district, as defined in subdivision (b) of Section 830.32.

(c) ''Abduct'' means take, entice away, keep, withhold, or conceal.

SEC. 2. Section 6389 of the Family Code is amended to read:

6389. (a) A person subject to a protective order, as defined in Section 6218, shall not own, possess, purchase, or receive a firearm while that protective order is in effect. Every person who owns, possesses, purchases or receives, or attempts to purchase or receive a firearm while the protective order is in effect is punishable pursuant to subdivision (g) of Section 12021 of the Penal Code.

(b) On all forms providing notice that a protective order has been requested or granted, the Judicial Council, shall include a notice that, upon service of the order, the respondent shall be ordered to relinquish

possession or control of any firearms and not to purchase or receive or attempt to purchase or receive any firearms for a period not to exceed the duration of the restraining order.

(c) Upon issuance of a protective order, as defined in Section 6218, the court shall order the respondent to relinquish any firearm in that person's immediate possession or control, or subject to that person's immediate possession or control, within 24 hours of being served with the order, by either surrendering the firearm to the control of local law enforcement officials, or by selling the firearm to a licensed gun dealer, as specified in Section 12071 of the Penal Code. A person ordered to relinquish any firearm pursuant to this subdivision shall file with the court a receipt showing the firearm was surrendered to the local law enforcement agency or sold to a licensed gun dealer within 72 hours after receiving the order.

(d) If the respondent declines to relinquish possession of any firearm based upon the assertion of the right against self-incrimination, as provided by the Fifth Amendment to the United States Constitution and Section 15 of Article I of the California Constitution, the court may grant use immunity for the act of relinquishing the firearm required under this section.

(e) A local law enforcement agency may charge the respondent a fee for the storage of any firearm pursuant to this section. This fee shall not exceed the actual cost incurred by the local law enforcement agency for the storage of the firearm. For purposes of this subdivision, ''actual cost'' means expenses directly related to taking possession of a firearm, storing the firearm, and surrendering possession of the firearm to a licensed dealer as defined in Section 12071 of the Penal Code or to the respondent.

(f) The restraining order requiring a person to relinquish a firearm pursuant to subdivision (c) shall state on its face that the respondent is prohibited from owning, possessing, purchasing, or receiving a firearm while the protective order is in effect and that the firearm shall be relinquished to the local law enforcement agency for that jurisdiction or sold to a licensed gun dealer, and that proof of surrender or sale shall be filed with the court within a specified period of receipt of the order. The order shall also state on its face the expiration date for relinquishment. Nothing in this section shall limit a respondent's right under existing law to petition the court at a later date for modification of the order.

(g) The restraining order requiring a person to relinquish a firearm pursuant to subdivision (c) shall prohibit the person from possessing or controlling any firearm for the duration of the order. At the expiration of the order, the local law enforcement agency shall return possession of any surrendered firearm to the respondent, within five days after the expiration of the relinquishment order, unless the local law enforcement

agency determines that (1) the firearm has been stolen, (2) the respondent is prohibited from possessing a firearm because the respondent is in any prohibited class for the possession of firearms, as defined in Sections 12021 and 12021.1 of the Penal Code and Sections 8100 and 8103 of the Welfare and Institutions Code, or (3) another successive restraining order is used against the respondent under this section. If the local law enforcement agency determines that the respondent is the legal owner of any firearm deposited with the local law enforcement agency and is prohibited from possessing any firearm, the respondent shall be entitled to sell or transfer the firearm to a licensed dealer as defined in Section 12071 of the Penal Code. If the firearm has been stolen, the firearm shall be restored to the lawful owner upon his or her identification of the firearm and proof of ownership.

(h) The court may, as part of the relinquishment order, grant an exemption from the relinquishment requirements of this section for a particular firearm if the respondent can show that a particular firearm is necessary as a condition of continued employment and that the current employer is unable to reassign the respondent to another position where a firearm is unnecessary. If an exemption is granted pursuant to this subdivision, the order shall provide that the firearm shall be in the physical possession of the respondent only during scheduled work hours and during travel to and from his or her place of employment. In any case involving a peace officer who as a condition of employment and whose personal safety depends on the ability to carry a firearm, a court may allow the peace officer to continue to carry a firearm, either on duty or off duty, if the court finds by a preponderance of the evidence that the officer does not pose a threat of harm. Prior to making this finding, the court shall require a mandatory psychological evaluation of the peace officer and may require the peace officer to enter into counseling or other remedial treatment program to deal with any propensity for domestic violence.

(i) During the period of the relinquishment order, a respondent is entitled to make one sale of all firearms that are in the possession of a local law enforcement agency pursuant to this section. A licensed gun dealer, who presents a local law enforcement agency with a bill of sale indicating that all firearms owned by the respondent that are in the possession of the local law enforcement agency have been sold by the respondent to the licensed gun dealer, shall be given possession of those firearms, at the location where a respondent's firearms are stored, within five days of presenting the local law enforcement agency with a bill of sale.

(j) The disposition of any unclaimed property under this section shall be made pursuant to Section 1413 of the Penal Code.

(k) The return of a firearm to any person pursuant to subdivision (g) shall not be subject to the requirements of subdivision (d) of Section 12072 of the Penal Code.

(*l*) If the respondent notifies the court that he or she owns a firearm that is not in his or her immediate possession, the court may limit the order to exclude that firearm if the judge is satisfied the respondent is unable to gain access to that firearm while the protective order is in effect.

(m) Any respondent to a protective order who violates any order issued pursuant to this section shall be punished under the provisions of subdivision (g) of Section 12021 of the Penal Code.

SEC. 3. Section 13700 of the Penal Code is amended to read:

13700. As used in this title:

(a) ''Abuse'' means intentionally or recklessly causing or attempting to cause bodily injury, or placing another person in reasonable apprehension of imminent serious bodily injury to himself or herself, or another.

(b) ''Domestic violence'' means abuse committed against an adult or a minor who is a spouse, former spouse, cohabitant, former cohabitant, or person with whom the suspect has had a child or is having or has had a dating or engagement relationship. For purposes of this subdivision, ''cohabitant'' means two unrelated adult persons living together for a substantial period of time, resulting in some permanency of relationship. Factors that may determine whether persons are cohabiting include, but are not limited to, (1) sexual relations between the parties while sharing the same living quarters, (2) sharing of income or expenses, (3) joint use or ownership of property, (4) whether the parties hold themselves out as husband and wife, (5) the continuity of the relationship, and (6) the length of the relationship.

(c) ''Officer'' means any officer or employee of a local police department or sheriff's office, and any peace officer of the Department of the California Highway Patrol, the Department of Parks and Recreation, the University of California Police Department, or the California State University and College Police Departments, as defined in Section 830.2, a peace officer of the Department of General Services of the City of Los Angeles, as defined in subdivision (c) of Section 830.31, a housing authority patrol officer, as defined in subdivision (d) of Section 830.31, or a peace officer as defined in subdivisions (a) and (b) of Section 830.32.

(d) ''Victim'' means a person who is a victim of domestic violence.

SEC. 4. No reimbursement is required by this act pursuant to Section 6 of Article XIII B of the California Constitution for certain costs that may be incurred by a local agency or school district because in that regard this act creates a new crime or infraction, eliminates a

crime or infraction, or changes the penalty for a crime or infraction, within the meaning of Section 17556 of the Government Code, or changes the definition of a crime within the meaning of Section 6 of Article XIII B of the California Constitution.

For other costs imposed by this act, no reimbursement is required pursuant to Section 6 of Article XIII B of the California Constitution because the costs that may be incurred by a local agency or school district are the result of a program for which legislative authority was requested by that local agency or school district, within the meaning of Section 17556 of the Government Code and Section 6 of Article XIII B of the California Constitution.

CHAPTER 251

An act to add Section 8546.5 to the Government Code, relating to the State Auditor.

The people of the State of California do enact as follows:

8546.5. (a) The State Auditor may establish a high-risk government agency audit program for the purpose of identifying, auditing, and issuing reports on any agency of the state, whether created by the California Constitution or otherwise, that the State Auditor identifies as being at high risk for the potential of waste, fraud, abuse, and mismanagement or that has major challenges associated with its economy, efficiency, or effectiveness.

(b) In addition to identifying an agency as high risk on the basis of weaknesses identified in audit and investigative reports produced by the bureau, the State Auditor may consult with the Legislative Analyst, the Milton Marks ''Little Hoover'' Commission on California State Government Organization and Economy, the Office of Inspector General within the Department of Corrections, the Department of Finance, and other state agencies that have oversight responsibilities over any other agency of the state, in identifying state agencies that are at high risk.

(c) The State Auditor shall notify the Joint Legislative Audit Committee whenever it identifies a state agency as at high risk.

(d) The State Auditor may issue audit reports with recommendations for improvement in state agencies identified as at high risk not less than once every two years.

(e) The State Auditor may require state agencies identified as high risk to periodically report to the auditor regarding the status of recommendations for improvement made by the State Auditor or other state oversight agencies.

CHAPTER 252

An act to amend Sections 4450 and 4454 of the Government Code, relating to disability access, and making an appropriation therefor.

(b) The State Architect shall develop and submit proposed building standards to the California Building Standards Commission for approval and adoption pursuant to Chapter 4 (commencing with Section 18935) of Part 2.5 of Division 13 of the Health and Safety Code and shall develop other regulations for making buildings, structures, sidewalks, curbs, and related facilities accessible to and usable by persons with disabilities. The regulations and building standards relating to access for persons with disabilities shall be consistent with the standards for buildings and structures that are contained in pertinent provisions of the latest edition of the selected model code, as adopted by the California Building Standards Commission, and these regulations and building standards shall contain additional requirements relating to buildings, structures, sidewalks, curbs, and other related facilities the State Architect determines are necessary to assure access and usability for persons with disabilities. In developing and revising these additional requirements, the State Architect shall consult with the Department of Rehabilitation, the League of California Cities, the California State

Association of Counties, and at least one private organization representing and comprised of persons with disabilities.

(c) In no case shall the State Architect's regulations and building standards prescribe a lesser standard of accessibility or usability than provided by the Accessibility Guidelines prepared by the federal Access Board as adopted by the United States Department of Justice to implement the Americans with Disabilities Act of 1990 (Public Law 101-336).

SEC. 2. Section 4454 of the Government Code is amended to read:

4454. (a) Where state funds are utilized for any building or facility subject to this chapter, or where funds of counties, municipalities, or other political subdivisions are utilized for the construction of elementary school, secondary school, or community college buildings and facilities subject to this chapter, no contract shall be awarded until the Department of General Services has issued written approval stating that the plans and specifications comply with the intent of this chapter.

(c) The application shall be accompanied by a filing fee in amounts as determined by the Department of General Services. All fees shall be deposited into the Access for Handicapped Account, which is hereby renamed the Disability Access Account as of July 1, 2001, and established in the General Fund. Notwithstanding Section 13340, the account is continuously appropriated for expenditures for the use of the Department of General Services, in carrying out the department's responsibilities under this chapter.

(d) The Department of General Services shall consult with the Department of Rehabilitation in identifying the requirements necessary to comply with this chapter.

(e) The Department of General Services, Division of the State Architect, shall include the cost of carrying out the responsibilities identified in this chapter as part of the plan review costs in determining fees.

SECTION 1. Section 30503 of the Food and Agricultural Code, as amended by Section 2 of Chapter 747 of the Statutes of 1998, is amended to read:

30503. (a) (1) Except as otherwise provided in subdivision (b), no public animal control agency or shelter, society for the prevention of cruelty to animals shelter, humane society shelter, or rescue group shall sell or give away to a new owner any dog that has not been spayed or neutered.

(2) For the purposes of this section a ''rescue group'' is a for-profit or not-for-profit entity, or a collaboration of individuals with at least one of its purposes being the sale or placement of dogs that have been removed from a public animal control agency or shelter, society for the prevention of cruelty to animals shelter, or humane shelter or that have been previously owned by any person other than the original breeder of that dog.

(b) (1) If a veterinarian licensed to practice veterinary medicine in this state certifies that a dog is too sick or injured to be spayed or neutered, or that it would otherwise be detrimental to the health of the dog to be spayed or neutered, the adopter or purchaser shall pay the public animal control agency or shelter, society for the prevention of cruelty to animals shelter, humane society shelter, or rescue group a deposit of not less than forty dollars ($40), and not more than seventy-five dollars ($75).

(2) The entity shall establish the amount of the deposit at the level it determines is necessary to encourage the spaying or neutering of dogs.

(b) An animal control officer, humane officer, police officer, peace officer, or any agency authorized to enforce the Penal Code may write citations with a civil penalty stated in an amount corresponding to the violation as provided in subdivision (a). SEC. 7. Section 31751.3 of the Food and Agricultural Code, as added by Section 6 of Chapter 747 of the Statutes of 1998, is amended to read:

31751.3. (a) (1) Except as otherwise provided in subdivision (b), no public animal control agency or shelter, society for the prevention of cruelty to animals shelter, humane society shelter, or rescue group shall sell or give away to a new owner any cat that has not been spayed or neutered.

(2) For the purposes of this section, a ''rescue group'' is a for-profit or not-for-profit entity, or a collaboration of individuals with at least one of its purposes being the sale or placement of cats that have been removed from a public animal control agency or shelter, society for the prevention of cruelty to animals shelter, or humane shelter or that have been previously owned by any person other than the original breeder of that cat.

(b) (1) If a veterinarian licensed to practice veterinary medicine in this state certifies that a cat is too sick or injured to be spayed or neutered, or that it would otherwise be detrimental to the health of the cat to be spayed or neutered, the adopter or purchaser shall pay the public animal control agency or shelter, society for the prevention of cruelty to animals shelter, humane society shelter, or rescue group a deposit of not less than forty dollars ($40), and not more than seventy-five dollars ($75).

(2) The entity shall establish the amount of the deposit at the level it determines is necessary to encourage the spaying or neutering of cats.

(3) The deposit shall be temporary, and shall only be retained until the cat is healthy enough to be spayed or neutered, as certified by a veterinarian licensed to practice veterinary medicine in this state.

(4) The cat shall be spayed or neutered within 14 business days of that certification.

(5) The adopter or purchaser shall obtain written proof of spaying or neutering from the veterinarian performing the operation.

(6) If the adopter or purchaser presents proof of spaying or neutering to the entity from which the cat was obtained within 30 business days of obtaining the proof, the adopter or purchaser shall receive a full refund of the deposit.

(c) Public animal control agencies or shelters, society for the prevention of cruelty to animals shelters, humane society shelters, and rescue groups may enter into cooperative agreements with each other and with veterinarians in lieu of requiring spaying and neutering deposits to carry out this section.

(d) Any funds from unclaimed deposits made pursuant to this section, as it read on January 1, 1999, and any funds from deposits unclaimed after January 1, 2000, may be expended only for programs to spay or neuter cats and dogs, including agreements with a society for the prevention of cruelty to animals or a humane society or licensed veterinarian, to operate a program to spay or neuter cats and dogs.

(e) This section only applies to a county that has a population exceeding 100,000 persons as of January 1, 2000, and to cities within that county.

SEC. 8. Section 31751.3 of the Food and Agricultural Code, as added by Section 6.3 of Chapter 747 of the Statutes of 1998, is repealed.

SEC. 9. Section 31751.7 of the Food and Agricultural Code is amended to read:

31751.7. (a) The owner of a nonspayed or unneutered cat that is impounded once by a city or county animal control agency or shelter, society for the prevention of cruelty to animals, or humane society, shall be fined thirty-five dollars ($35) on the first occurrence, fifty dollars ($50) on the second occurrence, and one hundred dollars ($100) for the third or subsequent occurrence. These fines are for unneutered impounded animals only, and are not in lieu of any fines or impound fees imposed by any individual city, county, public animal control agency or shelter, society for the prevention of cruelty to animals shelter, or humane society shelter.

(b) An animal control officer, humane officer, police officer, peace officer, or any agency authorized to enforce the Penal Code may write citations with a civil penalty stated in an amount corresponding to the violation as provided in subdivision (a). The fines shall be paid to the local municipality or public animal control agency or shelter, society for the prevention of cruelty to animals shelter, or humane society shelter. Any funds collected under this section shall be expended for the purpose of humane education, programs for low cost spaying and neutering of cats, and any additional costs incurred by the animal shelter in the administration of the requirements of this division.

(c) Local ordinances concerning the adoption or placement procedures of any public animal control agency or shelter, society for the prevention of cruelty to animals shelter, humane society shelter, or rescue group shall be at least as restrictive as this division.

(d) This section applies to each county and cities within each county, regardless of population.

(e) No city or county, society for the prevention of cruelty to animals, or humane society is subject to any civil action by the owner of a cat that is spayed or neutered in accordance with this section.

SEC. 10. Section 31766 of the Food and Agricultural Code is repealed.

SEC. 11. No reimbursement is required by this act pursuant to Section 6 of Article XIII B of the California Constitution because a local agency or school district has the authority to levy service charges, fees, or assessments sufficient to pay for the program or level of service mandated by this act, within the meaning of Section 17556 of the Government Code.

CHAPTER 254

An act to amend Sections 8, 195, 307, 314, 600, 601, 603, 1500, 1501, 5079, 5211, 5215, 5510, 5511, 5513, 6320, 6321, 6322, 7211, 7215, 7510, 7511, 7513, 8320, 8321, 8322, 9211, 9215, 9411, 9413, 9510, 12254, 12351, 12355, 12460, 12461, 12463, 12590, 12591, 12592, 16101, 16403, 17001, 17058, 17104, and 17106 of, and to add Sections 20 and 21 to, the Corporations Code, relating to business organizations.

[Approved by Governor August 23, 2004. Filed with Secretary of State August 23, 2004.]

The people of the State of California do enact as follows:

SECTION 1. It is the intent of the Legislature in enacting this act to meet the requirements of Section 102(a)(2)(B) of the federal Electronic Signatures in Global and National Commerce Act (''E-Sign Act''), to the extent that any provision of this act may be deemed to modify, limit, or supercede the provisions of Section 101 of the E-Sign Act. It is further the intent of the Legislature that a meeting of a corporation or limited liability company shall include a physical location unless the corporation or limited liability company has obtained the consent of all of the shareholders or members of the corporation or limited liability company, as applicable, to conduct a meeting by electronic transmission.

SEC. 2. Section 8 of the Corporations Code is amended to read:

8. Writing includes any form of recorded message capable of comprehension by ordinary visual means; and when used to describe communications between a corporation, partnership, or limited liability company and its shareholders, members, partners, directors, or managers, writing shall include electronic transmissions by and to a

corporation (Sections 20 and 21), electronic transmissions by and to a partnership (subdivisions (4) and (5) of Section 16101), and electronic transmissions by and to a limited liability company (paragraphs (1) and (2) of subdivision (o) of Section 17001). Whenever any notice, report, statement, or record is required or authorized by this code, it shall be made in writing in the English language.

Wherever any notice or other communication is required by this code to be mailed by registered mail by or to any person or corporation, the mailing of such notice or other communication by certified mail shall be deemed to be a sufficient compliance with the requirements of law.

SEC. 3. Section 20 is added to the Corporations Code, to read:

20. ''Electronic transmission by the corporation'' means a communication (a) delivered by (1) facsimile telecommunication or electronic mail when directed to the facsimile number or electronic mail address, respectively, for that recipient on record with the corporation, (2) posting on an electronic message board or network which the corporation has designated for those communications, together with a separate notice to the recipient of the posting, which transmission shall be validly delivered upon the later of the posting or delivery of the separate notice thereof, or (3) other means of electronic communication, (b) to a recipient who has provided an unrevoked consent to the use of those means of transmission for communications under or pursuant to this code, and (c) that creates a record that is capable of retention, retrieval, and review, and that may thereafter be rendered into clearly legible tangible form. However, an electronic transmission by a corporation to an individual shareholder or member under this code is not authorized unless, in addition to satisfying the requirements of this section, the transmission satisfies the requirements applicable to consumer consent to electronic records as set forth in the Electronic Signatures in Global and National Commerce Act (15 U.S.C. Sec. 7001(c)(1)).

SEC. 4. Section 21 is added to the Corporations Code, to read:

21. ''Electronic transmission to the corporation'' means a communication (a) delivered by (1) facsimile telecommunication or electronic mail when directed to the facsimile number or electronic mail address, respectively, which the corporation has provided from time to time to shareholders or members and directors for sending communications to the corporation, (2) posting on an electronic message board or network which the corporation has designated for those communications, and which transmission shall be validly delivered upon the posting, or (3) other means of electronic communication, (b) as to which the corporation has placed in effect reasonable measures to verify that the sender is the shareholder or member (in person or by proxy) or director purporting to send the transmission, and (c) that

creates a record that is capable of retention, retrieval, and review, and that may thereafter be rendered into clearly legible tangible form.

SEC. 5. Section 195 of the Corporations Code is amended to read:

195. ''Written'' or ''in writing'' includes facsimile, telegraphic, and other electronic communication when authorized by this code, including an electronic transmission by a corporation that satisfies the requirements of Section 20.

SEC. 6. Section 307 of the Corporations Code is amended to read:

307. (a) Unless otherwise provided in the articles or, subject to paragraph (5) of subdivision (a) of Section 204, in the bylaws, all of the following apply:

(1) Meetings of the board may be called by the chair of the board or the president or any vice president or the secretary or any two directors.

(2) Regular meetings of the board may be held without notice if the time and place of the meetings are fixed by the bylaws or the board. Special meetings of the board shall be held upon four days' notice by mail or 48 hours' notice delivered personally or by telephone, including a voice messaging system or by electronic transmission by the corporation (Section 20). The articles or bylaws may not dispense with notice of a special meeting. A notice, or waiver of notice, need not specify the purpose of any regular or special meeting of the board.

(3) Notice of a meeting need not be given to a director who provides a waiver of notice or a consent to holding the meeting or an approval of the minutes thereof in writing, whether before or after the meeting, or who attends the meeting without protesting, prior thereto or at its commencement, the lack of notice to that director. These waivers, consents and approvals shall be filed with the corporate records or made a part of the minutes of the meeting.

(4) A majority of the directors present, whether or not a quorum is present, may adjourn any meeting to another time and place. If the meeting is adjourned for more than 24 hours, notice of an adjournment to another time or place shall be given prior to the time of the adjourned meeting to the directors who were not present at the time of the adjournment.

(5) Meetings of the board may be held at a place within or without the state that has been designated in the notice of the meeting or, if not stated in the notice or there is no notice, designated in the bylaws or by resolution of the board.

(6) Members of the board may participate in a meeting through use of conference telephone, electronic video screen communication, or electronic transmission by and to the corporation (Sections 20 and 21). Participation in a meeting through use of conference telephone or electronic video screen communication pursuant to this subdivision constitutes presence in person at that meeting as long as all members

participating in the meeting are able to hear one another. Participation in a meeting through electronic transmission by and to the corporation (other than conference telephone and electronic video screen communication), pursuant to this subdivision constitutes presence in person at that meeting if both of the following apply:

(A) Each member participating in the meeting can communicate with all of the other members concurrently.

(B) Each member is provided the means of participating in all matters before the board, including, without limitation, the capacity to propose, or to interpose an objection to, a specific action to be taken by the corporation.

(7) A majority of the authorized number of directors constitutes a quorum of the board for the transaction of business. The articles or bylaws may not provide that a quorum shall be less than one-third the authorized number of directors or less than two, whichever is larger, unless the authorized number of directors is one, in which case one director constitutes a quorum.

(8) An act or decision done or made by a majority of the directors present at a meeting duly held at which a quorum is present is the act of the board, subject to the provisions of Section 310 and subdivision (e) of Section 317. The articles or bylaws may not provide that a lesser vote than a majority of the directors present at a meeting is the act of the board. A meeting at which a quorum is initially present may continue to transact business notwithstanding the withdrawal of directors, if any action taken is approved by at least a majority of the required quorum for that meeting.

(b) An action required or permitted to be taken by the board may be taken without a meeting, if all members of the board shall individually or collectively consent in writing to that action. The written consent or consents shall be filed with the minutes of the proceedings of the board. The action by written consent shall have the same force and effect as a unanimous vote of the directors.

(c) This section applies also to committees of the board and incorporators and action by those committees and incorporators, mutatis mutandis.

SEC. 7. Section 314 of the Corporations Code is amended to read:

314. The original or a copy in writing or in any other form capable of being converted into clearly legible tangible form of the bylaws or of the minutes of any incorporators', shareholders', directors', committee or other meeting or of any resolution adopted by the board or a committee thereof, or shareholders, certified to be a true copy by a person purporting to be the secretary or an assistant secretary of the corporation, is prima facie evidence of the adoption of such bylaws or

resolution or of the due holding of such meeting and of the matters stated therein.

SEC. 8. Section 600 of the Corporations Code is amended to read:

600. (a) Meetings of shareholders may be held at such place within or without this state as may be stated in or fixed in accordance with the bylaws. If no other place is stated or so fixed, shareholder meetings shall be held at the principal executive office of the corporation. Unless prohibited by the bylaws of the corporation, if authorized by the board of directors in its sole discretion, and subject to the requirement of consent in clause (b) of Section 20 and those guidelines and procedures as the board of directors may adopt, shareholders not physically present in person or by proxy at a meeting of shareholders may, by electronic transmission by and to the corporation (Sections 20 and 21) or by electronic video screen communication, participate in a meeting of shareholders, be deemed present in person or by proxy, and vote at a meeting of shareholders whether that meeting is to be held at a designated place or in whole or in part by means of electronic transmission by and to the corporation or by electronic video screen communication, in accordance with subdivision (e).

(b) An annual meeting of shareholders shall be held for the election of directors on a date and at a time stated in or fixed in accordance with the bylaws. However, if the corporation is a regulated management company, as defined in Section 23701m of the Revenue and Taxation Code, a meeting of shareholders shall be held as required by the Federal Investment Company Act of 1940 (15 U.S.C. Sec. 80a-1, et seq.). Any other proper business may be transacted at the annual meeting.

(c) If there is a failure to hold the annual meeting for a period of 60 days after the date designated therefor or, if no date has been designated, for a period of 15 months after the organization of the corporation or after its last annual meeting, the superior court of the proper county may summarily order a meeting to be held upon the application of any shareholder after notice to the corporation giving it an opportunity to be heard. The shares represented at such meeting, either in person or by proxy, and entitled to vote thereat shall constitute a quorum for the purpose of such meeting, notwithstanding any provision of the articles or bylaws or in this division to the contrary. The court may issue such orders as may be appropriate, including, without limitation, orders designating the time and place of such meeting, the record date for determination of shareholders entitled to vote and the form of notice of such meeting.

(d) Special meetings of the shareholders may be called by the board, the chairman of the board, the president or the holders of shares entitled to cast not less than 10 percent of the votes at the meeting or such additional persons as may be provided in the articles or bylaws.

(e) A meeting of the shareholders may be conducted, in whole or in part, by electronic transmission by and to the corporation or by electronic video screen communication (1) if the corporation implements reasonable measures to provide shareholders (in person or by proxy) a reasonable opportunity to participate in the meeting and to vote on matters submitted to the shareholders, including an opportunity to read or hear the proceedings of the meeting concurrently with those proceedings, and (2) if any shareholder votes or takes other action at the meeting by means of electronic transmission to the corporation or electronic video screen communication, a record of that vote or action is maintained by the corporation. Any request by a corporation to a shareholder pursuant to clause (b) of Section 20 for consent to conduct a meeting of shareholders by electronic transmission by and to the corporation, shall include a notice that absent consent of the shareholder pursuant to clause (b) of Section 20, the meeting shall be held at a physical location in accordance with subdivision (a).

SEC. 9. Section 601 of the Corporations Code is amended to read:

601. (a) Whenever shareholders are required or permitted to take any action at a meeting a written notice of the meeting shall be given not less than 10 (or, if sent by third-class mail, 30) nor more than 60 days before the date of the meeting to each shareholder entitled to vote thereat. That notice shall state the place, date and hour of the meeting, the means of electronic transmission by and to the corporation (Sections 20 and 21) or electronic video screen communication, if any, by which shareholders may participate in that meeting, and (1) in the case of a special meeting, the general nature of the business to be transacted, and no other business may be transacted, or (2) in the case of the annual meeting, those matters that the board, at the time of the mailing of the notice, intends to present for action by the shareholders, but subject to the provisions of subdivision (f) any proper matter may be presented at the meeting for that action. The notice of any meeting at which directors are to be elected shall include the names of nominees intended at the time of the notice to be presented by the board for election.

(b) Notice of a shareholders' meeting or any report shall be given personally, by electronic transmission by the corporation, or by first-class mail, or, in the case of a corporation with outstanding shares held of record by 500 or more persons (determined as provided in Section 605) on the record date for the shareholders' meeting, notice may also be sent third-class mail, or other means of written communication, addressed to the shareholder at the address of that shareholder appearing on the books of the corporation or given by the shareholder to the corporation for the purpose of notice; or if no address appears or is given, at the place where the principal executive office of the corporation is located or by publication at least once in a newspaper

of general circulation in the county in which the principal executive office is located. The notice or report shall be deemed to have been given at the time when delivered personally, sent by electronic transmission by the corporation, deposited in the mail, or sent by other means of written communication. An affidavit of mailing or electronic transmission by the corporation of any notice or report in accordance with the provisions of this division, executed by the secretary, assistant secretary or any transfer agent, shall be prima facie evidence of the giving of the notice or report.

If any notice or report addressed to the shareholder at the address of that shareholder appearing on the books of the corporation is returned to the corporation by the United States Postal Service marked to indicate that the United States Postal Service is unable to deliver the notice or report to the shareholder at that address, all future notices or reports shall be deemed to have been duly given without further mailing if the same shall be available for the shareholder upon written demand of the shareholder at the principal executive office of the corporation for a period of one year from the date of the giving of the notice or report to all other shareholders.

Notice given by electronic transmission by the corporation under this subdivision shall be valid only if it complies with Section 20. Notwithstanding the foregoing, notice shall not be given by electronic transmission by the corporation under this subdivision after either of the following:

(1) The corporation is unable to deliver two consecutive notices to the shareholder by that means.

(2) The inability to so deliver the notices to the shareholder becomes known to the secretary, any assistant secretary, the transfer agent, or other person responsible for the giving of the notice.

(c) Upon request in writing to the corporation addressed to the attention of the chairperson of the board, president, vice president or secretary by any person (other than the board) entitled to call a special meeting of shareholders, the officer forthwith shall cause notice to be given to the shareholders entitled to vote that a meeting will be held at a time requested by the person or persons calling the meeting, not less than 35 nor more than 60 days after the receipt of the request. If the notice is not given within 20 days after receipt of the request, the persons entitled to call the meeting may give the notice or the superior court of the proper county shall summarily order the giving of the notice, after notice to the corporation giving it an opportunity to be heard. The procedure provided in subdivision (c) of Section 305 shall apply to that application. The court may issue orders as may be appropriate, including, without limitation, orders designating the time and place of

the meeting, the record date for determination of shareholders entitled to vote and the form of notice.

(d) When a shareholders' meeting is adjourned to another time or place, unless the bylaws otherwise require and except as provided in this subdivision, notice need not be given of the adjourned meeting if the time and place thereof (or the means of electronic transmission by and to the corporation or electronic video screen communication, if any, by which the shareholders may participate) are announced at the meeting at which the adjournment is taken. At the adjourned meeting the corporation may transact any business that might have been transacted at the original meeting. If the adjournment is for more than 45 days or if after the adjournment a new record date is fixed for the adjourned meeting, a notice of the adjourned meeting shall be given to each shareholder of record entitled to vote at the meeting.

(e) The transactions of any meeting of shareholders, however called and noticed, and wherever held, are as valid as though had at a meeting duly held after regular call and notice, if a quorum is present either in person or by proxy, and if, either before or after the meeting, each of the persons entitled to vote, not present in person or by proxy, provides a waiver of notice or consent to the holding of the meeting or an approval of the minutes thereof in writing. All those waivers, consents and approvals shall be filed with the corporate records or made a part of the minutes of the meeting. Attendance of a person at a meeting shall constitute a waiver of notice of and presence at the meeting, except when the person objects, at the beginning of the meeting, to the transaction of any business because the meeting is not lawfully called or convened and except that attendance at a meeting is not a waiver of any right to object to the consideration of matters required by this division to be included in the notice but not so included, if the objection is expressly made at the meeting. Neither the business to be transacted at nor the purpose of any regular or special meeting of shareholders need be specified in any written waiver of notice, consent to the holding of the meeting or approval of the minutes thereof, unless otherwise provided in the articles or bylaws, except as provided in subdivision (f).

(f) Any shareholder approval at a meeting, other than unanimous approval by those entitled to vote, pursuant to Section 310, 902, 1152, 1201, 1900 or 2007 shall be valid only if the general nature of the proposal so approved was stated in the notice of meeting or in any written waiver of notice.

SEC. 10. Section 603 of the Corporations Code is amended to read:

603. (a) Unless otherwise provided in the articles, any action that may be taken at any annual or special meeting of shareholders may be taken without a meeting and without prior notice, if a consent in writing, setting forth the action so taken, shall be signed by the holders of

outstanding shares having not less than the minimum number of votes that would be necessary to authorize or take that action at a meeting at which all shares entitled to vote thereon were present and voted.

(b) Unless the consents of all shareholders entitled to vote have been solicited in writing, both of the following shall apply:

(1) Notice of any shareholder approval pursuant to Section 310, 317, 1152, 1201 or 2007 without a meeting by less than unanimous written consent shall be given at least 10 days before the consummation of the action authorized by that approval. Notice shall be given as provided in subdivision (b) of Section 601.

(2) Prompt notice shall be given of the taking of any other corporate action approved by shareholders without a meeting by less than unanimous written consent, to those shareholders entitled to vote who have not consented in writing. Notice shall be given as provided in subdivision (b) of Section 601.

(c) Any shareholder giving a written consent, or the shareholder's proxyholders, or a transferee of the shares or a personal representative of the shareholder or their respective proxyholders, may revoke the consent personally or by proxy by a writing received by the corporation prior to the time that written consents of the number of shares required to authorize the proposed action have been filed with the secretary of the corporation, but may not do so thereafter. The revocation is effective upon its receipt by the secretary of the corporation.

(d) Notwithstanding subdivision (a), directors may not be elected by written consent except by unanimous written consent of all shares entitled to vote for the election of directors; provided that the shareholders may elect a director to fill a vacancy, other than a vacancy created by removal, by the written consent of a majority of the outstanding shares entitled to vote.

SEC. 11. Section 1500 of the Corporations Code is amended to read:

1500. Each corporation shall keep adequate and correct books and records of account and shall keep minutes of the proceedings of its shareholders, board and committees of the board and shall keep at its principal executive office, or at the office of its transfer agent or registrar, a record of its shareholders, giving the names and addresses of all shareholders and the number and class of shares held by each. Those minutes and other books and records shall be kept either in written form or in another form capable of being converted into clearly legible tangible form or in any combination of the foregoing. When minutes and other books and records are kept in a form capable of being converted into clearly legible paper form, the clearly legible paper form into which those minutes and other books and records are converted shall be admissible in evidence, and accepted for all other purposes, to the same

extent as an original paper record of the same information would have been, provided that the paper form accurately portrays the record.

SEC. 12. Section 1501 of the Corporations Code is amended to read:

1501. (a) The board shall cause an annual report to be sent to the shareholders not later than 120 days after the close of the fiscal year, unless in the case of a corporation with less than 100 holders of record of its shares (determined as provided in Section 605) this requirement is expressly waived in the bylaws. Unless otherwise provided by the articles or bylaws and if approved by the board of directors, that report and any accompanying material sent pursuant to this section may be sent by electronic transmission by the corporation (Section 20). This report shall contain a balance sheet as of the end of that fiscal year and an income statement and statement of changes in financial position for that fiscal year, accompanied by any report thereon of independent accountants or, if there is no such report, the certificate of an authorized officer of the corporation that the statements were prepared without audit from the books and records of the corporation.

Unless so waived, the report shall be sent to the shareholders at least 15 (or, if sent by third-class mail, 35) days prior to the annual meeting of shareholders to be held during the next fiscal year, but this requirement shall not limit the requirement for holding an annual meeting as required by Section 600.

Notwithstanding Section 114, the financial statements of any corporation with fewer than 100 holders of record of its shares (determined as provided in Section 605) required to be furnished by this subdivision and subdivision (c) are not required to be prepared in conformity with generally accepted accounting principles if they reasonably set forth the assets and liabilities and the income and expense of the corporation and disclose the accounting basis used in their preparation.

(b) In addition to the financial statements required by subdivision (a), the annual report of any corporation having 100 or more holders of record of its shares (determined as provided in Section 605) either not subject to the reporting requirements of Section 13 of the Securities Exchange Act of 1934, or exempted from those reporting requirements by Section 12(g)(2) of that act, shall also describe briefly both of the following:

(1) Any transaction (excluding compensation of officers and directors) during the previous fiscal year involving an amount in excess of forty thousand dollars ($40,000) (other than contracts let at competitive bid or services rendered at prices regulated by law) to which the corporation or its parent or subsidiary was a party and in which any director or officer of the corporation or of a subsidiary or (if known to the corporation or its parent or subsidiary) any holder of more than 10

percent of the outstanding voting shares of the corporation had a direct or indirect material interest, naming the person and stating the person's relationship to the corporation, the nature of the person's interest in the transaction and, where practicable, the amount of the interest; provided that in the case of a transaction with a partnership of which the person is a partner, only the interest of the partnership need be stated; and provided further that no such report need be made in the case of any transaction approved by the shareholders (Section 153).

(2) The amount and circumstances of any indemnification or advances aggregating more than ten thousand dollars ($10,000) paid during the fiscal year to any officer or director of the corporation pursuant to Section 317; provided that no such report need be made in the case of indemnification approved by the shareholders (Section 153) under paragraph (2) of subdivision (e) of Section 317.

(c) If no annual report for the last fiscal year has been sent to shareholders, the corporation shall, upon the written request of any shareholder made more than 120 days after the close of that fiscal year, deliver or mail to the person making the request within 30 days thereafter the financial statements required by subdivision (a) for that year. A shareholder or shareholders holding at least 5 percent of the outstanding shares of any class of a corporation may make a written request to the corporation for an income statement of the corporation for the three-month, six-month or nine-month period of the current fiscal year ended more than 30 days prior to the date of the request and a balance sheet of the corporation as of the end of the period and, in addition, if no annual report for the last fiscal year has been sent to shareholders, the statements referred to in subdivision (a) for the last fiscal year. The statements shall be delivered or mailed to the person making the request within 30 days thereafter. A copy of the statements shall be kept on file in the principal office of the corporation for 12 months and it shall be exhibited at all reasonable times to any shareholder demanding an examination of the statements or a copy shall be mailed to the shareholder.

(d) The quarterly income statements and balance sheets referred to in this section shall be accompanied by the report thereon, if any, of any independent accountants engaged by the corporation or the certificate of an authorized officer of the corporation that the financial statements were prepared without audit from the books and records of the corporation.

(e) In addition to the penalties provided for in Section 2200, the superior court of the proper county shall enforce the duty of making and mailing or delivering the information and financial statements required by this section and, for good cause shown, may extend the time therefor.

(f) In any action or proceeding under this section, if the court finds the failure of the corporation to comply with the requirements of this section to have been without justification, the court may award an amount sufficient to reimburse the shareholder for the reasonable expenses incurred by the shareholder, including attorneys' fees, in connection with the action or proceeding.

(g) This section applies to any domestic corporation and also to a foreign corporation having its principal executive office in this state or customarily holding meetings of its board in this state.

SEC. 13. Section 5079 of the Corporations Code is amended to read:

5079. ''Written'' or ''in writing'' includes facsimile, telegraphic, and other electronic communication as authorized by this code, including an electronic transmission by a corporation that satisfies the requirements of Section 20.

SEC. 14. Section 5211 of the Corporations Code is amended to read:

5211. (a) Unless otherwise provided in the articles or in the bylaws, all of the following apply:

(1) Meetings of the board may be called by the chair of the board or the president or any vice president or the secretary or any two directors.

(2) Regular meetings of the board may be held without notice if the time and place of the meetings are fixed by the bylaws or the board. Special meetings of the board shall be held upon four days' notice by first-class mail or 48 hours' notice delivered personally or by telephone, including a voice messaging system or by electronic transmission by the corporation (Section 20). The articles or bylaws may not dispense with notice of a special meeting. A notice, or waiver of notice, need not specify the purpose of any regular or special meeting of the board.

(3) Notice of a meeting need not be given to a director who provides a waiver of notice or consent to holding the meeting or an approval of the minutes thereof in writing, whether before or after the meeting, or who attends the meeting without protesting, prior thereto or at its commencement, the lack of notice to that director. These waivers, consents and approvals shall be filed with the corporate records or made a part of the minutes of the meetings.

(4) A majority of the directors present, whether or not a quorum is present, may adjourn any meeting to another time and place. If the meeting is adjourned for more than 24 hours, notice of an adjournment to another time or place shall be given prior to the time of the adjourned meeting to the directors who were not present at the time of the adjournment.

(5) Meetings of the board may be held at a place within or without the state that has been designated in the notice of the meeting or, if not stated in the notice or there is no notice, designated in the bylaws or by resolution of the board.

(6) Members of the board may participate in a meeting through use of conference telephone, electronic video screen communication or electronic transmission by and to the corporation (Sections 20 and 21). Participation in a meeting through use of conference telephone or electronic video screen communication pursuant to this subdivision constitutes presence in person at that meeting as long as all members participating in the meeting are able to hear one another. Participation in a meeting through use of electronic transmission by and to the corporation, other than conference telephone and electronic video screen communication, pursuant to this subdivision constitutes presence in person at that meeting if both of the following apply:

(A) Each member participating in the meeting can communicate with all of the other members concurrently.

(B) Each member is provided the means of participating in all matters before the board, including, without limitation, the capacity to propose, or to interpose an objection to, a specific action to be taken by the corporation.

(7) A majority of the number of directors authorized in the articles or bylaws constitutes a quorum of the board for the transaction of business. The articles or bylaws may not provide that a quorum shall be less than one-fifth the number of directors authorized in the articles or bylaws, or less than two, whichever is larger, unless the number of directors authorized in the articles or bylaws is one, in which case one director constitutes a quorum.

(8) Subject to the provisions of Sections 5212, 5233, 5234, 5235, and subdivision (e) of Section 5238, an act or decision done or made by a majority of the directors present at a meeting duly held at which a quorum is present is the act of the board. The articles or bylaws may not provide that a lesser vote than a majority of the directors present at a meeting is the act of the board. A meeting at which a quorum is initially present may continue to transact business notwithstanding the withdrawal of directors, if any action taken is approved by at least a majority of the required quorum for that meeting, or a greater number required by this division, the articles or bylaws.

(b) An action required or permitted to be taken by the board may be taken without a meeting, if all members of the board shall individually or collectively consent in writing to that action. The written consent or consents shall be filed with the minutes of the proceedings of the board. The action by written consent shall have the same force and effect as the unanimous vote of the directors. For the purposes of this section only, ''all members of the board'' does not include an ''interested director'' as defined in Section 5233.

(c) The provisions of this section apply also to incorporators, to committees of the board, and to action by those incorporators or committees mutatis mutandis.

SEC. 15. Section 5215 of the Corporations Code is amended to read:

5215. The original or a copy in writing or in any other form capable of being converted into clearly legible tangible form of the bylaws or of the minutes of any incorporators', members', directors', committee or other meeting or of any resolution adopted by the board or a committee thereof, or members, certified to be a true copy by a person purporting to be the secretary or an assistant secretary of the corporation, is prima facie evidence of the adoption of such bylaws or resolution or of the due holding of such meeting and of the matters stated therein.

SEC. 16. Section 5510 of the Corporations Code is amended to read:

5510. (a) Meetings of members may be held at a place within or without this state as may be stated in or fixed in accordance with the bylaws. If no other place is stated or so fixed, meetings of members shall be held at the principal executive office of the corporation. Unless prohibited by the bylaws of the corporation, if authorized by the board of directors in its sole discretion, and subject to the requirement of consent in clause (b) of Section 20 and those guidelines and procedures as the board of directors may adopt, members not physically present in person (or, if proxies are allowed, by proxy) at a meeting of members may, by electronic transmission by and to the corporation (Sections 20 and 21) or by electronic video screen communication, participate in a meeting of members, be deemed present in person (or, if proxies are allowed, by proxy), and vote at a meeting of members whether that meeting is to be held at a designated place or in whole or in part by means of electronic transmission by and to the corporation or by electronic video screen communication, in accordance with subdivision (f).

(b) A regular meeting of members shall be held on a date and time, and with the frequency stated in or fixed in accordance with the bylaws, but in any event in each year in which directors are to be elected at that meeting for the purpose of conducting such election, and to transact any other proper business which may be brought before the meeting.

(c) If a corporation with members is required by subdivision (b) to hold a regular meeting and fails to hold the regular meeting for a period of 60 days after the date designated therefor or, if no date has been designated, for a period of 15 months after the formation of the corporation, or after its last regular meeting, or if the corporation fails to hold a written ballot for a period of 60 days after the date designated therefor, then the superior court of the proper county may summarily order the meeting to be held or the ballot to be conducted upon the application of a member or the Attorney General, after notice to the corporation giving it an opportunity to be heard.

(d) The votes represented, either in person (or, if proxies are allowed, by proxy), at a meeting called or by written ballot ordered pursuant to subdivision (c), and entitled to be cast on the business to be transacted shall constitute a quorum, notwithstanding any provision of the articles or bylaws or in this part to the contrary. The court may issue such orders as may be appropriate including, without limitation, orders designating the time and place of the meeting, the record date for determination of members entitled to vote, and the form of notice of the meeting.

(e) Special meetings of members for any lawful purpose may be called by the board, the chairman of the board, the president, or such other persons, if any, as are specified in the bylaws. In addition, special meetings of members for any lawful purpose may be called by 5 percent or more of the members.

(f) A meeting of the members may be conducted, in whole or in part, by electronic transmission by and to the corporation or by electronic video screen communication (1) if the corporation implements reasonable measures to provide members in person (or, if proxies are allowed, by proxy) a reasonable opportunity to participate in the meeting and to vote on matters submitted to the members, including an opportunity to read or hear the proceedings of the meeting substantially concurrently with those proceedings, and (2) if any member votes or takes other action at the meeting by means of electronic transmission to the corporation or electronic video screen communication, a record of that vote or action is maintained by the corporation. Any request by a corporation to a member pursuant to clause (b) of Section 20 for consent to conduct a meeting of members by electronic transmission by and to the corporation, shall include a notice that absent consent of the member pursuant to clause (b) of Section 20, the meeting shall be held at a physical location in accordance with subdivision (a).

SEC. 17. Section 5511 of the Corporations Code is amended to read:

5511. (a) Whenever members are required or permitted to take any action at a meeting, a written notice of the meeting shall be given not less than 10 nor more than 90 days before the date of the meeting to each member who, on the record date for notice of the meeting, is entitled to vote thereat; provided, however, that if notice is given by mail, and the notice is not mailed by first-class, registered, or certified mail, that notice shall be given not less than 20 days before the meeting. Subject to subdivision (f), and subdivision (b) of Section 5512, that notice shall state the place, date and time of the meeting, the means of electronic transmission by and to the corporation (Sections 20 and 21) or electronic video screen communication, if any, by which members may participate in that meeting, and (1) in the case of a special meeting, the general nature of the business to be transacted, and no other business may be transacted, or (2) in the case of the regular meeting, those matters which

the board, at the time the notice is given, intends to present for action by the members, but, except as provided in subdivision (b) of Section 5512, any proper matter may be presented at the meeting for such action. The notice of any meeting at which directors are to be elected shall include the names of all those who are nominees at the time the notice is given to members.

(b) Notice of a members' meeting or any report shall be given personally, by electronic transmission by the corporation, or by mail or other means of written communication, addressed to the member at the address of such member appearing on the books of the corporation or given by the member to the corporation for purpose of notice; or if no such address appears or is given, at the place where the principal office of the corporation is located or by publication at least once in a newspaper of general circulation in the county in which the principal office is located. An affidavit of giving of any notice or report in accordance with the provisions of this part, executed by the secretary, assistant secretary or any transfer agent, shall be prima facie evidence of the giving of the notice or report.

If any notice or report addressed to a member at the address of such member appearing on the books of the corporation is returned to the corporation by the United States Postal Service marked to indicate that the United States Postal Service is unable to deliver the notice or report to the member at such address, all future notices or reports shall be deemed to have been duly given without further mailing if the same shall be available for the member upon written demand of the member at the principal office of the corporation for a period of one year from the date of the giving of the notice or report to all other members.

Notice given by electronic transmission by the corporation under this subdivision shall be valid only if it complies with Section 20. Notwithstanding the foregoing, notice shall not be given by electronic transmission by the corporation under this subdivision after either of the following:

(1) The corporation is unable to deliver two consecutive notices to the member by that means.

(2) The inability to so deliver the notices to the member becomes known to the secretary, any assistant secretary, the transfer agent, or other person responsible for the giving of the notice.

(c) Upon request in writing to the corporation addressed to the attention of the chairman of the board, president, vice president or secretary by any person (other than the board) entitled to call a special meeting of members, the officer forthwith shall cause notice to be given to the members entitled to vote that a meeting will be held at a time fixed by the board, not less than 35 nor more than 90 days after the receipt of the request. If the notice is not given within 20 days after receipt of the

request, the persons entitled to call the meeting may give the notice or the superior court of the proper county shall summarily order the giving of the notice, after notice to the corporation giving it an opportunity to be heard. The court may issue such orders as may be appropriate, including, without limitation, orders designating the time and place of the meeting, the record date for determination of members entitled to vote and the form of notice.

(d) When a members' meeting is adjourned to another time or place, unless the bylaws otherwise require and except as provided in this subdivision, notice need not be given of the adjourned meeting if the time and place thereof (or the means of electronic transmission by and to the corporation or electronic video screen communication, if any, by which members may participate) are announced at the meeting at which the adjournment is taken. No meeting may be adjourned for more than 45 days. At the adjourned meeting the corporation may transact any business which might have been transacted at the original meeting. If after the adjournment a new record date is fixed for notice or voting, a notice of the adjourned meeting shall be given to each member who, on the record date for notice of the meeting, is entitled to vote at the meeting.

(e) The transactions of any meeting of members, however called and noticed, and wherever held, are as valid as though had at a meeting duly held after regular call and notice, if a quorum is present either in person or by proxy, and if, either before or after the meeting, each of the persons entitled to vote, not present in person or by proxy, provides a waiver of notice or consent to the holding of the meeting or an approval of the minutes thereof in writing. All such waivers, consents and approvals shall be filed with the corporate records or made a part of the minutes of the meeting. Attendance of a person at a meeting shall constitute a waiver of notice of and presence at such meeting, except when the person objects, at the beginning of the meeting, to the transaction of any business because the meeting is not lawfully called or convened and except that attendance at a meeting is not a waiver of any right to object to the consideration of matters required by this part to be included in the notice but not so included, if such objection is expressly made at the meeting. Neither the business to be transacted at nor the purpose of any regular or special meeting of members need be specified in any written waiver of notice, consent to the holding of the meeting or approval of the minutes thereof, unless otherwise provided in the articles or bylaws, except as provided in subdivision (f).

(f) Any approval of the members required under Section 5222, 5224, 5812, or 6610, other than unanimous approval by those entitled to vote, shall be valid only if the general nature of the proposal so approved was stated in the notice of meeting or in any written waiver of notice.

(g) A court may find that notice not given in conformity with this section is still valid, if it was given in a fair and reasonable manner.

SEC. 18. Section 5513 of the Corporations Code is amended to read:

5513. (a) Subject to subdivision (e), and unless prohibited in the articles or bylaws, any action which may be taken at any regular or special meeting of members may be taken without a meeting if the corporation distributes a written ballot to every member entitled to vote on the matter. Unless otherwise provided by the articles or bylaws and if approved by the board of directors, that ballot and any related material may be sent by electronic transmission by the corporation (Section 20) and responses may be returned to the corporation by electronic transmission to the corporation (Section 21). That ballot shall set forth the proposed action, provide an opportunity to specify approval or disapproval of any proposal, and provide a reasonable time within which to return the ballot to the corporation.

(b) Approval by written ballot pursuant to this section shall be valid only when the number of votes cast by ballot within the time period specified equals or exceeds the quorum required to be present at a meeting authorizing the action, and the number of approvals equals or exceeds the number of votes that would be required to approve at a meeting at which the total number of votes cast was the same as the number of votes cast by ballot.

(c) Ballots shall be solicited in a manner consistent with the requirements of subdivision (b) of Section 5511, and Section 5514. All such solicitations shall indicate the number of responses needed to meet the quorum requirement and, with respect to ballots other than for the election of directors, shall state the percentage of approvals necessary to pass the measure submitted. The solicitation must specify the time by which the ballot must be received in order to be counted.

(d) Unless otherwise provided in the articles or bylaws, a written ballot may not be revoked.

(e) Directors may be elected by written ballot under this section, where authorized by the articles or bylaws, except that election by written ballot may not be authorized where the directors are elected by cumulative voting pursuant to Section 5616.

(f) When directors are to be elected by written ballot and the articles or bylaws prescribe a nomination procedure, the procedure may provide for a date for the close of nominations prior to the printing and distributing of the written ballots.

SEC. 19. Section 6320 of the Corporations Code is amended to read:

6320. (a) Each corporation shall keep:

(1) Adequate and correct books and records of account;

(2) Minutes of the proceedings of its members, board and committees of the board; and

(3) A record of its members giving their names and addresses and the class of membership held by each.

(b) Those minutes and other books and records shall be kept either in written form or in any other form capable of being converted into clearly legible tangible form or in any combination of the foregoing. When minutes and other books and records are kept in a form capable of being converted into clearly legible paper form, the clearly legible paper form into which those minutes and other books and records are converted shall be admissible in evidence, and accepted for all other purposes, to the same extent as an original paper record of the same information would have been, provided that the paper form accurately portrays the record.

SEC. 20. Section 6321 of the Corporations Code is amended to read:

6321. (a) Except as provided in subdivision (c), (d), or (f), the board shall cause an annual report to be sent to the members not later than 120 days after the close of the corporation's fiscal year. Unless otherwise provided by the articles or bylaws and if approved by the board of directors, that report and any accompanying material sent pursuant to this section may be sent by electronic transmission by the corporation (Section 20). That report shall contain in appropriate detail the following:

(1) The assets and liabilities, including the trust funds, of the corporation as of the end of the fiscal year.

(2) The principal changes in assets and liabilities, including trust funds, during the fiscal year.

(3) The revenue or receipts of the corporation, both unrestricted and restricted to particular purposes, for the fiscal year.

(4) The expenses or disbursements of the corporation, for both general and restricted purposes, during the fiscal year.

(5) Any information required by Section 6322.

(b) The report required by subdivision (a) shall be accompanied by any report thereon of independent accountants, or, if there is no such report, the certificate of an authorized officer of the corporation that such statements were prepared without audit from the books and records of the corporation.

(c) Subdivision (a) does not apply to any corporation which receives less than twenty-five thousand dollars ($25,000) in gross revenues or receipts during the fiscal year.

(d) Where a corporation has provided, pursuant to Section 5510, for regular meetings of members less often than annually, then the report required by subdivision (a) need be made to members only with the frequency with which regular membership meetings are required, unless the articles or bylaws require a report more often.

(e) Subdivisions (c) and (d) notwithstanding, a report with the information required by subdivision (a) shall be furnished annually to:

(1) All directors of the corporation; and

(2) Any member who requests it in writing.

(f) A corporation which in writing solicits contributions from 500 or more persons need not send the report otherwise required by subdivision (a) if it does all of the following:

(i) Includes with any written material used to solicit contributions a written statement that its latest annual report will be mailed upon request and that such request may be sent to the corporation at a name and address which is set forth in the statement.

The term ''annual report'' as used in this subdivision refers to the report required by subdivision (a).

(ii) Promptly mails a copy of its latest annual report to any person who requests a copy thereof; and

(iii) Causes its annual report to be published not later than 120 days after the close of its fiscal year in a newspaper of general circulation in the county in which its principal office is located.

SEC. 21. Section 6322 of the Corporations Code is amended to read:

6322. (a) Any provision of the articles or bylaws notwithstanding, every corporation shall furnish annually to its members and directors a statement of any transaction or indemnification of a kind described in subdivision (d) or (e), if any such transaction or indemnification took place. If the corporation issues an annual report to all members, this subdivision shall be satisfied by including the required information in the annual report. A corporation which does not issue an annual report to all members, pursuant to subdivision (c) or (d) of Section 6321, shall satisfy this section by mailing or delivering to its members the required statement within 120 days after the close of the corporation's fiscal year. Unless otherwise provided by the articles or bylaws and if approved by the board of directors, that statement may be sent by electronic transmission by the corporation (Section 20).

(b) Except as provided in subdivision (c), a covered transaction under this section is a transaction in which the corporation, its parent, or its subsidiary was a party, and in which either of the following had a direct or indirect material financial interest:

(1) Any director or officer of the corporation, or its parent or subsidiary.

(2) Any holder of more than 10 percent of the voting power of the corporation, its parent or its subsidiary.

For the purpose of subdivision (d), an ''interested person'' is any person described in paragraph (1) or (2) of this subdivision.

(c) For the purpose of subdivision (b), a mere common directorship is not a material financial interest.

(d) The statement required by subdivision (a) shall describe briefly:

(1) Any covered transaction during the previous fiscal year involving more than fifty thousand dollars ($50,000), or which was one of a number of covered transactions in which the same interested person had a direct or indirect material financial interest, and which transactions in the aggregate involved more than fifty thousand dollars ($50,000).

(2) The names of the interested persons involved in such transactions, stating such person's relationship to the corporation, the nature of such person's interest in the transaction and, where practicable, the amount of such interest; provided, that in the case of a transaction with a partnership of which such person is a partner, only the interest of the partnership need be stated.

(e) The statement required by subdivision (a) shall describe briefly the amount and circumstances of any indemnifications or advances aggregating more than ten thousand dollars ($10,000) paid during the fiscal year to any officer or director of the corporation pursuant to Section 5238; provided that no such report need be made in the case of indemnification approved by the members (Section 5034) under paragraph (2) of subdivision (e) of Section 5238.

SEC. 22. Section 7211 of the Corporations Code is amended to read:

7211. (a) Unless otherwise provided in the articles or in the bylaws, all of the following apply:

(1) Meetings of the board may be called by the chair of the board or the president or any vice president or the secretary or any two directors.

(2) Regular meetings of the board may be held without notice if the time and place of the meetings are fixed by the bylaws or the board. Special meetings of the board shall be held upon four days' notice by first-class mail or 48 hours' notice delivered personally or by telephone, including a voice messaging system or by electronic transmission by the corporation (Section 20). The articles or bylaws may not dispense with notice of a special meeting. A notice, or waiver of notice, need not specify the purpose of any regular or special meeting of the board.

(3) Notice of a meeting need not be given to a director who provided a waiver of notice or consent to holding the meeting or an approval of the minutes thereof in writing, whether before or after the meeting, or who attends the meeting without protesting, prior thereto or at its commencement, the lack of notice to that director. These waivers, consents and approvals shall be filed with the corporate records or made a part of the minutes of the meetings.

(4) A majority of the directors present, whether or not a quorum is present, may adjourn any meeting to another time and place. If the meeting is adjourned for more than 24 hours, notice of an adjournment to another time or place shall be given prior to the time of the adjourned meeting to the directors who were not present at the time of the adjournment.

(5) Meetings of the board may be held at a place within or without the state that has been designated in the notice of the meeting or, if not stated in the notice or if there is no notice, designated in the bylaws or by resolution of the board.

(6) Members of the board may participate in a meeting through use of conference telephone, electronic video screen communication, or electronic transmission by and to the corporation (Sections 20 and 21). Participation in a meeting through use of conference telephone or electronic video screen communication pursuant to this subdivision constitutes presence in person at that meeting as long as all members participating in the meeting are able to hear one another. Participation in a meeting through use of electronic transmission by and to the corporation, other than conference telephone and electronic video screen communication, pursuant to this subdivision constitutes presence in person at that meeting if both of the following apply:

(A) Each member participating in the meeting can communicate with all of the other members concurrently.

(B) Each member is provided the means of participating in all matters before the board, including, without limitation, the capacity to propose, or to interpose an objection to, a specific action to be taken by the corporation.

(7) A majority of the number of directors authorized in the articles or bylaws constitutes a quorum of the board for the transaction of business. The articles or bylaws may not provide that a quorum shall be less than one-fifth the number of directors authorized in the articles or bylaws, or less than two, whichever is larger, unless the number of directors authorized in the articles or bylaws is one, in which case one director constitutes a quorum.

(8) Subject to the provisions of Sections 7212, 7233, 7234, and subdivision (e) of Section 7237 and Section 5233, insofar as it is made applicable pursuant to Section 7238, an act or decision done or made by a majority of the directors present at a meeting duly held at which a quorum is present is the act of the board. The articles or bylaws may not provide that a lesser vote than a majority of the directors present at a meeting is the act of the board. A meeting at which a quorum is initially present may continue to transact business notwithstanding the withdrawal of directors, if any action taken is approved by at least a majority of the required quorum for that meeting, or a greater number required by this division, the articles or bylaws.

(b) An action required or permitted to be taken by the board may be taken without a meeting, if all members of the board shall individually or collectively consent in writing to that action. The written consent or consents shall be filed with the minutes of the proceedings of the board. The action by written consent shall have the same force and effect as a

unanimous vote of the directors. For the purposes of this section only, ''all members of the board'' does not include an ''interested director'' as defined in Section 5233, insofar as it is made applicable pursuant to Section 7238.

(c) This section applies also to incorporators, to committees of the board, and to action by those incorporators or committees mutatis mutandis.

SEC. 23. Section 7215 of the Corporations Code is amended to read:

7215. The original or a copy in writing or in any other form capable of being converted into clearly legible tangible form of the bylaws or of the minutes of any incorporators', members', directors', committee or other meeting or of any resolution adopted by the board or a committee thereof, or members, certified to be a true copy by a person purporting to be the secretary or an assistant secretary of the corporation, is prima facie evidence of the adoption of such bylaws or resolution or of the due holding of such meeting and of the matters stated therein.

SEC. 24. Section 7510 of the Corporations Code is amended to read:

7510. (a) Meetings of members may be held at a place within or without this state as may be stated in or fixed in accordance with the bylaws. If no other place is stated or so fixed, meetings of members shall be held at the principal executive office of the corporation. Unless prohibited by the bylaws of the corporation, if authorized by the board of directors in its sole discretion, and subject to the requirement of consent in clause (b) of Section 20 and those guidelines and procedures as the board of directors may adopt, members not physically present in person (or, if proxies are allowed, by proxy) at a meeting of members may, by electronic transmission by and to the corporation (Sections 20 and 21) or by electronic video screen communication, participate in a meeting of members, be deemed present in person (or, if proxies are allowed, by proxy), and vote at a meeting of members whether that meeting is to be held at a designated place or in whole or in part by means of electronic transmission by and to the corporation or by electronic video screen communication, in accordance with subdivision (f).

(b) A regular meeting of members shall be held on a date and time, and with the frequency stated in or fixed in accordance with the bylaws, but in any event in each year in which directors are to be elected at that meeting for the purpose of conducting such election, and to transact any other proper business which may be brought before the meeting.

(c) If a corporation with members is required by subdivision (b) to hold a regular meeting and fails to hold the regular meeting for a period of 60 days after the date designated therefor or, if no date has been designated, for a period of 15 months after the formation of the corporation or after its last regular meeting, or if the corporation fails to hold a written ballot for a period of 60 days after the date designated

therefor, then the superior court of the proper county may summarily order the meeting to be held or the ballot to be conducted upon the application of a member or the Attorney General, after notice to the corporation giving it an opportunity to be heard.

(d) The votes represented, either in person (or, if proxies are allowed, by proxy), at a meeting called or by written ballot ordered pursuant to subdivision (c), and entitled to be cast on the business to be transacted shall constitute a quorum, notwithstanding any provision of the articles or bylaws or in this part to the contrary. The court may issue such orders as may be appropriate including, without limitation, orders designating the time and place of the meeting, the record date for determination of members entitled to vote, and the form of notice of the meeting.

(e) Special meetings of members for any lawful purpose may be called by the board, the chairman of the board, the president, or such other persons, if any, as are specified in the bylaws. In addition, special meetings of members for any lawful purpose may be called by 5 percent or more of the members.

(f) A meeting of the members may be conducted, in whole or in part, by electronic transmission by and to the corporation or by electronic video screen communication (1) if the corporation implements reasonable measures to provide members in person (or, if proxies are allowed, by proxy) a reasonable opportunity to participate in the meeting and to vote on matters submitted to the members, including an opportunity to read or hear the proceedings of the meeting substantially concurrently with those proceedings, and (2) if any member votes or takes other action at the meeting by means of electronic transmission to the corporation or electronic video screen communication, a record of that vote or action is maintained by the corporation. Any request by a corporation to a member pursuant to clause (b) of Section 20 for consent to conduct a meeting of members by electronic transmission by and to the corporation, shall include a notice that absent consent of the member pursuant to clause (b) of Section 20, the meeting shall be held at a physical location in accordance with subdivision (a).

SEC. 25. Section 7511 of the Corporations Code is amended to read:

7511. (a) Whenever members are required or permitted to take any action at a meeting, a written notice of the meeting shall be given not less than 10 nor more than 90 days before the date of the meeting to each member who, on the record date for notice of the meeting, is entitled to vote thereat; provided, however, that if notice is given by mail, and the notice is not mailed by first-class, registered, or certified mail, that notice shall be given not less than 20 days before the meeting. Subject to subdivision (f), and subdivision (b) of Section 7512, the notice shall state the place, date and time of the meeting, the means of electronic transmission by and to the corporation (Sections 20 and 21) or electronic

video screen communication, if any, by which members may participate in that meeting, and (1) in the case of a special meeting, the general nature of the business to be transacted, and no other business may be transacted, or (2) in the case of the regular meeting, those matters which the board, at the time the notice is given, intends to present for action by the members, but, except as provided in subdivision (b) of Section 7512, any proper matter may be presented at the meeting for the action. The notice of any meeting at which directors are to be elected shall include the names of all those who are nominees at the time the notice is given to members.

(b) Notice of a members' meeting or any report shall be given personally, by electronic transmission by a corporation, or by mail or other means of written communication, addressed to a member at the address of the member appearing on the books of the corporation or given by the member to the corporation for purpose of notice; or if no such address appears or is given, at the place where the principal office of the corporation is located or by publication at least once in a newspaper of general circulation in the county in which the principal office is located. An affidavit of giving of any notice or report in accordance with the provisions of this part, executed by the secretary, assistant secretary or any transfer agent, shall be prima facie evidence of the giving of the notice or report.

If any notice or report addressed to the member at the address of the member appearing on the books of the corporation is returned to the corporation by the United States Postal Service marked to indicate that the United States Postal Service is unable to deliver the notice or report to the member at the address, all future notices or reports shall be deemed to have been duly given without further mailing if the same shall be available for the member upon written demand of the member at the principal office of the corporation for a period of one year from the date of the giving of the notice or report to all other members.

Notice given by electronic transmission by the corporation under this subdivision shall be valid only if it complies with Section 20. Notwithstanding the foregoing, notice shall not be given by electronic transmission by the corporation under this subdivision after either of the following:

(1) The corporation is unable to deliver two consecutive notices to the member by that means.

(2) The inability to so deliver the notices to the member becomes known to the secretary, any assistant secretary, the transfer agent, or other person responsible for the giving of the notice.

(c) Upon request in writing to the corporation addressed to the attention of the chairman of the board, president, vice president, or secretary by any person (other than the board) entitled to call a special

meeting of members, the officer forthwith shall cause notice to be given to the members entitled to vote that a meeting will be held at a time fixed by the board not less than 35 nor more than 90 days after the receipt of the request. If the notice is not given within 20 days after receipt of the request, the persons entitled to call the meeting may give the notice or the superior court of the proper county shall summarily order the giving of the notice, after notice to the corporation giving it an opportunity to be heard. The court may issue such orders as may be appropriate, including, without limitation, orders designating the time and place of the meeting, the record date for determination of members entitled to vote, and the form of notice.

(d) When a members' meeting is adjourned to another time or place, unless the bylaws otherwise require and except as provided in this subdivision, notice need not be given of the adjourned meeting if the time and place thereof (or the means of electronic transmission by and to the corporation or electronic video screen communication, if any, by which members may participate) are announced at the meeting at which the adjournment is taken. No meeting may be adjourned for more than 45 days. At the adjourned meeting the corporation may transact any business which might have been transacted at the original meeting. If after the adjournment a new record date is fixed for notice or voting, a notice of the adjourned meeting shall be given to each member who, on the record date for notice of the meeting, is entitled to vote at the meeting.

(e) The transactions of any meeting of members however called and noticed, and wherever held, are as valid as though had at a meeting duly held after regular call and notice, if a quorum is present either in person or by proxy, and if, either before or after the meeting, each of the persons entitled to vote, not present in person (or, if proxies are allowed, by proxy), provides a waiver of notice or consent to the holding of the meeting or an approval of the minutes thereof in writing. All such waivers, consents and approvals shall be filed with the corporate records or made a part of the minutes of the meeting. Attendance of a person at a meeting shall constitute a waiver of notice of and presence at the meeting, except when the person objects, at the beginning of the meeting, to the transaction of any business because the meeting is not lawfully called or convened and except that attendance at a meeting is not a waiver of any right to object to the consideration of matters required by this part to be included in the notice but not so included, if the objection is expressly made at the meeting. Neither the business to be transacted at nor the purpose of any regular or special meeting of members need be specified in any written waiver of notice, consent to the holding of the meeting or approval of the minutes thereof, unless otherwise provided in the articles or bylaws, except as provided in subdivision (f).

(f) Any approval of the members required under Section 7222, 7224, 7233, 7812, 8610, or 8719, other than unanimous approval by those entitled to vote, shall be valid only if the general nature of the proposal so approved was stated in the notice of meeting or in any written waiver of notice.

(g) A court may find that notice not given in conformity with this section is still valid, if it was given in a fair and reasonable manner.

SEC. 26. Section 7513 of the Corporations Code is amended to read:

7513. (a) Subject to subdivision (e), and unless prohibited in the articles or bylaws, any action which may be taken at any regular or special meeting of members may be taken without a meeting if the corporation distributes a written ballot to every member entitled to vote on the matter. Unless otherwise provided by the articles or bylaws and if approved by the board of directors, that ballot and any related material may be sent by electronic transmission by the corporation (Section 20) and responses may be returned to the corporation by electronic transmission to the corporation (Section 21). That ballot shall set forth the proposed action, provide an opportunity to specify approval or disapproval of any proposal, and provide a reasonable time within which to return the ballot to the corporation.

(b) Approval by written ballot pursuant to this section shall be valid only when the number of votes cast by ballot within the time period specified equals or exceeds the quorum required to be present at a meeting authorizing the action, and the number of approvals equals or exceeds the number of votes that would be required to approve at a meeting at which the total number of votes cast was the same as the number of votes cast by ballot.

(c) Ballots shall be solicited in a manner consistent with the requirements of subdivision (b) of Section 7511 and Section 7514. All such solicitations shall indicate the number of responses needed to meet the quorum requirement and, with respect to ballots other than for the election of directors, shall state the percentage of approvals necessary to pass the measure submitted. The solicitation must specify the time by which the ballot must be received in order to be counted.

(d) Unless otherwise provided in the articles or bylaws, a written ballot may not be revoked.

(e) Directors may be elected by written ballot under this section, where authorized by the articles or bylaws, except that election by written ballot may not be authorized where the directors are elected by cumulative voting pursuant to Section 7615.

(f) When directors are to be elected by written ballot and the articles or bylaws prescribe a nomination procedure, the procedure may provide for a date for the close of nominations prior to the printing and distributing of the written ballots.

SEC. 27. Section 8320 of the Corporations Code is amended to read:

8320. (a) Each corporation shall keep:

(1) Adequate and correct books and records of account:

(2) Minutes of the proceedings of its members, board and committees of the board; and

(3) A record of its members giving their names and addresses and the class of membership held by each.

(b) Those minutes and other books and records shall be kept either in written form or in any other form capable of being converted into clearly legible tangible form or in any combination of the foregoing. When minutes and other books and records are kept in a form capable of being converted into clearly legible paper form, the clearly legible paper form into which those minutes and other books and records are converted shall be admissible in evidence, and accepted for all other purposes, to the same extent as an original paper record of the same information would have been, provided that the paper form accurately portrays the record.

SEC. 28. Section 8321 of the Corporations Code is amended to read:

8321. (a) A corporation shall notify each member yearly of the member's right to receive a financial report pursuant to this subdivision. Except as provided in subdivision (c), upon written request of a member the board shall promptly cause the most recent annual report to be sent to the requesting member. An annual report shall be prepared not later than 120 days after the close of the corporation's fiscal year. Unless otherwise provided by the articles or bylaws and if approved by the board of directors, that report and any accompanying material may be sent by electronic transmission by the corporation (Section 20). That report shall contain in appropriate detail the following:

(1) A balance sheet as of the end of such fiscal year and an income statement and statement of changes in financial position for such fiscal year.

(2) A statement of the place where the names and addresses of the current members are located.

(3) Any information required by Section 8322.

(b) The report required by subdivision (a) shall be accompanied by any report thereon of independent accountants, or, if there is no such report, the certificate of an authorized officer of the corporation that such statements were prepared without audit from the books and records of the corporation.

(c) Subdivision (a) does not apply to any corporation which receives less than ten thousand dollars ($10,000) in gross revenues or receipts during the fiscal year.

SEC. 29. Section 8322 of the Corporations Code is amended to read:

8322. (a) Any provision of the articles or bylaws notwithstanding, every corporation shall furnish annually to its members and directors a

statement of any transaction or indemnification of a kind described in subdivision (d) or (e), if any such transaction or indemnification took place. If the corporation issues an annual report to all members, this subdivision shall be satisfied by including the required information in the annual report. A corporation which does not issue an annual report to all members, pursuant to subdivision (c) of Section 8321, shall satisfy this section by mailing or delivering to its members the required statement within 120 days after the close of the corporation's fiscal year. Unless otherwise provided by the articles or bylaws and if approved by the board of directors, that statement may be sent by electronic transmission by the corporation (Section 20).

(b) Except as provided in subdivision (c), a covered transaction under this section is a transaction in which the corporation, its parent, or its subsidiary was a party, and in which either of the following had a direct or indirect material financial interest:

(1) Any director or officer of the corporation, or its parent or subsidiary.

(2) Any holder of more than 10 percent of the voting power of the corporation, its parent or its subsidiary.

For the purpose of subdivision (d), an ''interested person'' is any person described in paragraph (1) or (2) of this subdivision.

(c) Transactions approved by the members of a corporation (Section 5034), under subdivision (a) of Section 7233, are not covered transactions. For the purpose of subdivision (b), a mere common directorship is not a material financial interest.

(d) The statement required by subdivision (a) shall describe briefly:

(1) Any covered transaction (excluding compensation of officers and directors) during the previous fiscal year involving more than fifty thousand dollars ($50,000), or which was one of a number of covered transactions in which the same interested person had a direct or indirect material financial interest, and which transactions in the aggregate involved more than fifty thousand dollars ($50,000).

(2) The names of the interested persons involved in such transactions, stating such person's relationship to the corporation, the nature of such person's interest in the transaction and, where practicable, the amount of such interest; provided, that in the case of a transaction with a partnership of which such person is a partner, only the interest of the partnership need be stated.

(e) The statement required by subdivision (a) shall describe briefly the amount and circumstances of any loans, guaranties, indemnifications or advances aggregating more than ten thousand dollars ($10,000) paid or made during the fiscal year to any officer or director of the corporation pursuant to Section 7237; provided that no such report need be made in the case of a loan, guaranty, or indemnification approved by the

members (Section 5034) or a loan or guaranty not subject to the provisions of subdivision (a) of Section 7235.

SEC. 30. Section 9211 of the Corporations Code is amended to read:

9211. (a) Unless otherwise provided in the articles or in the bylaws, all of the following apply:

(1) Meetings of the board may be called by the chair of the board or the president or any vice president or the secretary or any two directors.

(2) Regular meetings of the board may be held without notice if the time and place of the meetings are fixed by the bylaws or the board. Special meetings of the board shall be held upon four days' notice by first-class mail or 48 hours' notice delivered personally or by telephone, including a voice messaging system or by electronic transmission by a corporation (Section 20). The articles or bylaws may not dispense with notice of a special meeting. A notice, or waiver of notice, need not specify the purpose of any regular or special meeting of the board.

(3) Notice of a meeting need not be given to a director who provided a waiver of notice or consent to holding the meeting or an approval of the minutes thereof in writing, whether before or after the meeting, or who attends the meeting without protesting, prior thereto or at its commencement, the lack of notice to that director. These waivers, consents and approvals shall be filed with the corporate records or made a part of the minutes of the meetings.

(4) A majority of the directors present, whether or not a quorum is present, may adjourn any meeting to another time and place.

(5) Meetings of the board may be held at a place within or without the state that has been designated in the notice of the meeting or, if not stated in the notice or there is no notice, designated in the bylaws or by resolution of the board.

(6) Members of the board may participate in a meeting through use of conference telephone, electronic video screen communication, or electronic transmission by and to the corporation. Participation in a meeting through use of conference telephone or electronic video screen communication pursuant to this subdivision constitutes presence in person at that meeting as long as all members participating in the meeting are able to hear one another. Participation in a meeting through use of electronic transmission by and to the corporation, other than conference telephone and electronic video screen communication pursuant to this subdivision constitutes presence in person at that meeting, if both of the following apply:

(A) Each member participating in the meeting can communicate with all of the other members concurrently.

(B) Each member is provided the means of participating in all matters before the board, including, without limitation, the capacity to propose,

or to interpose an objection to, a specific action to be taken by the corporation.

(7) A majority of the number of directors authorized in the articles or bylaws constitutes a quorum of the board for the transaction of business.

(8) An act or decision done or made by a majority of the directors present at a meeting duly held at which a quorum is present is the act of the board. The articles or bylaws may not provide that a lesser vote than a majority of the directors present at a meeting is the act of the board. A meeting at which a quorum is initially present may continue to transact business notwithstanding the withdrawal of directors, if any action taken is approved by at least a majority of the required quorum for that meeting, or a greater number as is required by this division, the articles or bylaws.

(b) An action required or permitted to be taken by the board may be taken without a meeting, if all members of the board shall individually or collectively consent in writing to that action. The written consent or consents shall be filed with the minutes of the proceedings of the board. The action by written consent shall have the same force and effect as the unanimous vote of the directors.

(c) This section applies also to incorporators, to committees of the board, and to action by those incorporators or committees mutatis mutandis.

SEC. 31. Section 9215 of the Corporations Code is amended to read:

9215. The original or a copy in writing or in any other form capable of being converted into clearly legible tangible form of the bylaws or of the minutes of any incorporators', members', directors', committee or other meeting or of any resolution adopted by the board or a committee thereof, or members, certified to be a true copy by a person purporting to be the secretary or an assistant secretary of the corporation, is prima facie evidence of the adoption of such bylaws or resolution or of the due holding of such meeting and of the matters stated therein.

SEC. 32. Section 9411 of the Corporations Code is amended to read:

9411. (a) Subject to the provisions of this chapter, regular and special meetings of members shall be called, noticed and held as may be ordered by the board. Unless prohibited by the bylaws of the corporation, if authorized by the board of directors in its sole discretion, and subject to the requirement of consent in clause (b) of Section 20 and those guidelines and procedures as the board of directors may adopt, members not physically present in person (or, if proxies are allowed, by proxy) at a meeting of members may, by electronic transmission by and to the corporation (Sections 20 and 21) or by electronic video screen communication, participate in a meeting of members, be deemed present in person (or, if proxies are allowed, by proxy), and vote at a meeting of members whether that meeting is to be held at a designated place or in

whole or in part by means of electronic transmission by and to the corporation or by electronic video screen communication, in accordance with subdivision (f).

(b) Special meetings of members for any lawful purpose may be called by the board or the chairman of the board or the president. In addition, special meetings of members for any lawful purpose may be called by 5 percent or more of the members.

(c) Upon request in writing to the chairman of the board, president, vice president or secretary by any person (other than the board) entitled to call a special meeting of members, the board shall expeditiously set a reasonable time and place for the meeting and the officer forthwith shall cause notice to be given to the members entitled to vote of the time and place of the meeting. If the notice is not given within 20 days after receipt of the request, the persons entitled to call the meeting may give the notice or the superior court of the proper county shall summarily order the giving of the notice, after notice to the corporation giving it an opportunity to be heard. The court may issue such orders as may be appropriate, including, without limitation, orders designating the time and place of the meeting, the record date for determination of members entitled to vote and the form of notice.

(d) The transactions of any meeting of members, however called and noticed, and wherever held, are as valid as though had at a meeting duly held after regular call and notice, if a quorum is present either in person (or, if proxies are allowed, by proxy), and if, either before or after the meeting, each of the persons entitled to vote, not present in person or by proxy, signs a written waiver of notice or a consent to the holding of the meeting or an approval of the minutes thereof. All such waivers, consents and approvals shall be filed with the corporate records or made a part of the minutes of the meeting. Attendance of a person at a meeting shall constitute a waiver of notice of and presence at such meeting, except when the person objects, at the beginning of the meeting, to the transaction of any business because the meeting is not lawfully called or convened and except that attendance at a meeting is not a waiver of any right to object to the consideration of matters required by this part to be included in the notice but not so included, if such objection is expressly made at the meeting. Neither the business to be transacted at nor the purpose of any regular or special meeting of members need be specified in any written waiver of notice, consent to the holding of the meeting or approval of the minutes thereof except as provided in subdivision (e).

(e) Any member approval required under subdivision (b) of Section 9150, Section 9222, Section 5812 (made applicable pursuant to Section 9620), subdivision (a) of Section 9631, subdivision (c) of Section 9640, subdivision (a) of Section 6015 (made applicable pursuant to Section 9640), or subdivision (b) of Section 9680, other than unanimous

approval by those entitled to vote, shall be valid only if the general nature of the proposal so approved was stated in the notice of meeting or in any written waiver of notice.

(f) A meeting of the members may be conducted, in whole or in part, by electronic transmission by and to the corporation or by electronic video screen communication (1) if the corporation implements reasonable measures to provide members a reasonable opportunity to participate in the meeting and to vote on matters submitted to the members, including an opportunity to read or hear the proceedings of the meeting concurrently with those proceedings, and (2) if any member votes or takes other action at the meeting by means of electronic transmission to the corporation or electronic video screen communication, a record of that vote or action is maintained by the corporation. Any request by a corporation to a member pursuant to clause (b) of Section 20 for consent to conduct a meeting of members by electronic transmission by and to the corporation, shall include a notice that absent consent of the member pursuant to clause (b) of Section 20, the meeting shall be held at a physical location in accordance with subdivision (a).

SEC. 33. Section 9413 of the Corporations Code is amended to read:

9413. (a) Any action which may be taken at any regular or special meeting of members may be taken without a meeting if the written ballot of every member is solicited, if the required number of signed approvals in writing, setting forth the action so taken, is received, and if the requirements of subdivision (c) are satisfied. Unless otherwise provided by the articles or bylaws and if approved by the board of directors, that ballot and any related material may be sent by electronic transmission by the corporation (Section 20) and responses may be returned to the corporation by electronic transmission to the corporation (Section 21).

(b) All solicitations of ballots shall indicate the time by which the ballot must be returned to be counted.

(c) Approval by written ballot pursuant to this section shall be valid only when the number of ballots cast on or before the time the ballot must be returned to be counted equals or exceeds the quorum required to be present at a meeting authorizing the action, and the number of approvals equals or exceeds the number of votes that would be required to approve at a meeting at which the total number of votes cast was the same as the number of ballots cast.

(d) A written ballot may not be revoked.

(e) Directors may be elected by written ballot under this section, where authorized by the articles or bylaws, except that election by written ballot may not be authorized where the directors are elected by cumulative voting pursuant to Section 9415.

SEC. 34. Section 9510 of the Corporations Code is amended to read:

9510. (a) Each corporation shall keep:

(1) Adequate and correct books and records of account.

(2) Minutes of the proceedings of its members, board and committees of the board.

(3) A record of its members giving their names and addresses and the class of membership held by each.

(b) Those minutes and other books and records shall be kept either in written form or in any other form capable of being converted into clearly legible tangible form or in any combination of the foregoing. When minutes and other books and records are kept in a form capable of being converted into clearly legible paper form, the clearly legible paper form into which those minutes and other books and records are converted shall be admissible in evidence, and accepted for all other purposes, to the same extent as an original paper record of the same information would have been, provided that the paper form accurately portrays the record.

SEC. 35. Section 12254 of the Corporations Code is amended to read:

12254. ''Written'' or ''in writing'' includes facsimile, telegraphic, and other electronic communication as authorized by this code.

SEC. 36. Section 12351 of the Corporations Code is amended to read:

12351. (a) Unless otherwise provided in the articles or in the bylaws:

(1) Meetings of the board may be called by the chairman of the board or the president or any vice president or the secretary or any two directors.

(2) Regular meetings of the board may be held without notice if the time and place of such meetings are fixed by the bylaws or the board. Special meetings of the board shall be held upon four days' notice by first-class mail or 48 hours' notice delivered personally or by telephone, including a voice messaging system or by electronic transmission by the corporation (Section 20). The articles or bylaws may not dispense with notice of a special meeting. A notice, or waiver of notice, need not specify the purpose of any regular or special meeting of the board.

(3) Notice of a meeting need not be given to any director who provides a waiver of notice or consent to holding the meeting or an approval of the minutes thereof in writing, whether before or after the meeting, or who attends the meeting without protesting, prior thereto or at its commencement, the lack of notice to such director. All such waivers, consents and approvals shall be filed with the corporate records or made a part of the minutes of the meetings.

(4) A majority of the directors present, whether or not a quorum is present, may adjourn any meeting to another time and place. If the meeting is adjourned for more than 24 hours, notice of any adjournment

to another time or place shall be given prior to the time of the adjourned meeting to the directors who were not present at the time of the adjournment.

(5) Meetings of the board may be held at any place within or without the state which has been designated in the notice of the meeting or, if not stated in the notice or if there is no notice, designated in the bylaws or by resolution of the board.

(6) Members of the board may participate in a meeting through use of conference telephone, electronic video screen communication, or electronic transmission by and to the corporation (Sections 20 and 21). Participation in a meeting through use of conference telephone or electronic video screen communication pursuant to this subdivision constitutes presence in person at that meeting as long as all members participating in the meeting are able to hear one another. Participation in a meeting through use of electronic transmission by and to the corporation, other than conference telephone and electronic video screen communication pursuant to this subdivision constitutes presence in person at that meeting if both of the following apply:

(A) Each member participating in the meeting can communicate with all of the other members concurrently.

(B) Each member is provided the means of participating in all matters before the board, including, without limitation, the capacity to propose, or to interpose an objection to, a specific action to be taken by the corporation.

(7) A majority of the number of directors authorized in the articles or bylaws constitutes a quorum of the board for the transaction of business. The articles or bylaws may not provide that a quorum shall be less than one-fifth the number of directors authorized in the articles or bylaws, or less than two, whichever is larger.

(8) Subject to the provisions of Sections 12352, 12373, 12374 and subdivision (e) of Section 12377, every act or decision done or made by a majority of the directors present at a meeting duly held at which a quorum is present is the act of the board. The articles or bylaws may not provide that a lesser vote than a majority of the directors present at a meeting is the act of the board. A meeting at which a quorum is initially present may continue to transact business notwithstanding the withdrawal of directors, if any action taken is approved by at least a majority of the required quorum for such meeting, or such greater number as is required by this division, the articles or bylaws.

(b) Any action required or permitted to be taken by the board may be taken without a meeting, if all members of the board shall individually or collectively consent in writing to such action. Such written consent or consents shall be filed with the minutes of the proceedings of the

board. Such action by written consent shall have the same force and effect as a unanimous vote of such directors.

(c) The provisions of this section apply also to incorporators, to committees of the board, and to action by such incorporators or such committees mutatis mutandis.

SEC. 37. Section 12355 of the Corporations Code is amended to read:

12355. The original or a copy in writing or in any other form capable of being converted into clearly legible tangible form of the bylaws or of the minutes of any incorporators', members', directors', committee or other meeting or of any resolution adopted by the board or a committee thereof, or members, certified to be a true copy by a person purporting to be the secretary or an assistant secretary of the corporation, is prima facie evidence of the adoption of such bylaws or resolution or of the due holding of such meeting and of the matters stated therein.

SEC. 38. Section 12460 of the Corporations Code is amended to read:

12460. (a) Meetings of members may be held at a place within or without this state that is stated in or fixed in accordance with the bylaws. If no other place is so stated or fixed, meetings of members shall be held at the principal executive office of the corporation. Unless prohibited by the bylaws of the corporation, if authorized by the board of directors in its sole discretion, and subject to the requirement of consent in clause (b) of Section 20 and those guidelines and procedures as the board of directors may adopt, members not physically present in person at a meeting of members may, by electronic transmission by and to the corporation (Sections 20 and 21) or by electronic video screen communication, participate in a meeting of members, be deemed present in person, and vote at a meeting of members whether that meeting is to be held at a designated place or in whole or in part by means of electronic transmission by and to the corporation or by electronic video screen communication, in accordance with subdivision (f).

(b) A regular meeting of members shall be held annually. In any year in which directors are elected, the election shall be held at the regular meeting unless the directors are chosen in some other manner authorized by law. Any other proper business may be transacted at the meeting.

(c) If a corporation fails to hold the regular meeting for a period of 60 days after the date designated therefor or, if no date has been designated, for a period of 15 months after the formation of the corporation or after its last regular meeting, or if the corporation fails to hold a written ballot for a period of 60 days after the date designated therefor, then the superior court of the proper county may summarily order the meeting to be held or the ballot to be conducted upon the application of a member, after notice to the corporation giving it an opportunity to be heard.

(d) The votes represented at a meeting called or by written ballot ordered pursuant to subdivision (c) and entitled to be cast on the business to be transacted shall constitute a quorum, notwithstanding any provision of the articles or bylaws or in this part to the contrary. The court may issue such orders as may be appropriate including, without limitation, orders designating the time and place of the meeting, the record date for determination of members entitled to vote, and the form of notice of the meeting.

(e) Special meetings of members for any lawful purpose may be called by the board, the chairman of the board, the president, or such other persons, if any, as are specified in the bylaws. In addition, special meetings of members for any lawful purpose may be called by 5 percent or more of the members.

(f) A meeting of the members may be conducted, in whole or in part, by electronic transmission by and to the corporation or by electronic video screen communication (1) if the corporation implements reasonable measures to provide members a reasonable opportunity to participate in the meeting and to vote on matters submitted to the members, including an opportunity to read or hear the proceedings of the meeting concurrently with those proceedings, and (2) if any member votes or takes other action at the meeting by means of electronic transmission to the corporation or electronic video screen communication, a record of that vote or action is maintained by the corporation. Any request by a corporation to a member pursuant to clause (b) of Section 20 for consent to conduct a meeting of members by electronic transmission by and to the corporation, shall include a notice that absent consent of the member pursuant to clause (b) of Section 20, the meeting shall be held at a physical location in accordance with subdivision (a).

SEC. 39. Section 12461 of the Corporations Code is amended to read:

12461. (a) Whenever members are required or permitted to take any action at a meeting, a written notice of the meeting shall be given not less than 10 nor more than 90 days before the date of the meeting to each member who, on the record date for notice of the meeting, is entitled to vote thereat; provided, however, that if notice is given by mail, and the notice is not mailed by first-class, registered, or certified mail, that notice shall be given not less than 20 days before the meeting. Subject to subdivision (f), and subdivision (b) of Section 12462, that notice shall state the place, date and time of the meeting, the means of electronic transmission by and to the corporation (Sections 20 and 21) or electronic video screen communication, if any, by which members may participate in that meeting, and (1) in the case of a special meeting, the general nature of the business to be transacted, and no other business may be

transacted, or (2) in the case of the regular meeting, those matters which the board, at the time the notice is given, intends to present for action by the members, but, except as provided in subdivision (b) of Section 12462, any proper matter may be presented at the meeting for such action. The notice of any meeting at which directors are to be elected shall include the names of all those who are nominees at the time the notice is given to members.

(b) Notice of a members' meeting or any report shall be given personally, by electronic transmission by the corporation, or by mail or other means of written communication, addressed to a member at the address of such member appearing on the books of the corporation or given by the member to the corporation for purpose of notice; or if no such address appears or is given, at the place where the principal office of the corporation is located or by publication at least once in a newspaper of general circulation in the county in which the principal office is located. An affidavit of giving of any notice or report in accordance with the provisions of this part, executed by the secretary, assistant secretary or any transfer agent, shall be prima facie evidence of the giving of the notice or report.

If any notice or report addressed to the member at the address of such member appearing on the books of the corporation is returned to the corporation by the United States Postal Service marked to indicate the United States Postal Service is unable to deliver the notice or report to the member at such address, all future notices or reports shall be deemed to have been duly given without further mailing if the same shall be available for the member upon written demand of the member at the principal office of the corporation for a period of one year from the date of the giving of the notice or report to all other members.

Notice given by electronic transmission by the corporation under this subdivision shall be valid only if it complies with Section 20. Notwithstanding the foregoing, notice shall not be given by electronic transmission by the corporation under this subdivision after either of the following:

(1) The corporation is unable to deliver two consecutive notices to the member by that means.

(2) The inability to so deliver the notices to the member becomes known to the secretary, any assistant secretary, the transfer agent, or other person responsible for the giving of the notice.

(c) Upon request in writing to the corporation addressed to the attention of the chairman of the board, president, vice president or secretary by any person (other than the board) entitled to call a special meeting of members, the officer forthwith shall cause notice to be given to the members entitled to vote that a meeting will be held at a time fixed by the board not less than 35 nor more than 90 days after the receipt of

the request. If the notice is not given within 20 days after receipt of the request, the persons entitled to call the meeting may give the notice or the superior court of the proper county shall summarily order the giving of the notice, after notice to the corporation giving it an opportunity to be heard. The court may issue such orders as may be appropriate, including, without limitation, orders designating the time and place of the meeting, the record date for determination of members entitled to vote and the form of notice.

(d) When a members' meeting is adjourned to another time or place, unless the bylaws otherwise require and except as provided in this subdivision, notice need not be given of the adjourned meeting if the time and place thereof (or the means of electronic transmission by and to the corporation or electronic video screen communication, if any, by which members may participate) are announced at the meeting at which the adjournment is taken. At the adjourned meeting the corporation may transact any business which might have been transacted at the original meeting. If the adjournment is for more than 45 days or if after the adjournment a new record date is fixed for the adjourned meeting, a notice of the adjourned meeting shall be given to each member of record entitled to vote at the meeting.

(e) The transactions of any meeting of members however called and noticed, and wherever held, are as valid as though had at a meeting duly held after regular call and notice, if a quorum is present, and if, either before or after the meeting, each of the persons entitled to vote, not present in person, provides a waiver of notice or consent to the holding of the meeting or an approval of the minutes thereof in writing. All such waivers, consents and approvals shall be filed with the corporate records or made a part of the minutes of the meeting. Attendance of a person at a meeting shall constitute a waiver of notice of and presence at such meeting, except when the person objects, at the beginning of the meeting, to the transaction of any business because the meeting is not lawfully called or convened and except that attendance at a meeting is not a waiver of any right to object to the consideration of matters required by this part to be included in the notice but not so included, if such objection is expressly made at the meeting. Neither the business to be transacted at nor the purpose of any regular or special meeting of members need be specified in any written waiver of notice, consent to the holding of the meeting or approval of the minutes thereof, unless otherwise provided in the articles or bylaws, except as provided in subdivision (f).

(f) Any approval of the members required under Section 12362, 12364, 12373, 12502 or 12658 other than unanimous approval by those entitled to vote, shall be valid only if the general nature of the proposal

so approved was stated in the notice of meeting or in any written waiver of notice.

(g) A court may find that notice not given in conformity with this section is still valid, if it was given in a fair and reasonable manner.

(h) Subject to the provisions of subdivision (i), and unless prohibited by the articles or bylaws, prior to any regular or special meeting of members, the board may authorize distribution of a written ballot to every member entitled to vote at the meeting. Such ballot shall set forth the action proposed to be taken at the meeting, shall provide an opportunity to specify approval or disapproval of the proposed action, and shall state that unless revoked by the member voting in person at the meeting, the ballot will be counted if received by the corporation on or before the time of the meeting with respect to which it was sent. If ballots are so distributed with respect to a meeting, the number of members voting at the meeting by unrevoked written ballots shall be deemed present at the meeting for purposes of determining the existence of a quorum pursuant to subdivision (a) of Section 12462 but only with respect to the proposed action referred to in the ballots. These ballots shall be distributed in a manner consistent with the requirements of subdivision (b) and Section 12464.

(i) Unless prohibited by the articles or bylaws, written ballots may be distributed in a manner contemplated by subdivision (h) with respect to the election of directors, except that no ballots may be so distributed with respect to the election of directors if cumulative voting is permitted pursuant to Section 12484.

SEC. 40. Section 12463 of the Corporations Code is amended to read:

12463. (a) Subject to subdivision (e), and unless prohibited in the articles or bylaws any action which may be taken at any regular or special meeting of members may be taken without a meeting if the corporation distributes a written ballot to every member entitled to vote on the matter. Unless otherwise provided by the articles or bylaws and if approved by the board of directors, that ballot and any related material may be sent by electronic transmission by the corporation (Section 20) and responses may be returned to the corporation by electronic transmission to the corporation (Section 21). That ballot shall set forth the proposed action, provide an opportunity to specify approval or disapproval of any proposal, and provide a reasonable time within which to return the ballot to the corporation.

(b) Approval by written ballot pursuant to this section shall be valid only when the number of votes cast by ballot within the time period specified equals or exceeds the quorum required to be present at a meeting authorizing the action, and the number of approvals equals or exceeds the number of votes that would be required to approve at a

meeting at which the total number of votes cast was the same as the number of votes cast by ballot.

(c) Ballots shall be solicited in a manner consistent with the requirements of subdivision (b) of Section 12461 and Section 12464. All such solicitations shall indicate the number of responses needed to meet the quorum requirement and, with respect to ballots other than for the election of directors, shall state the percentage of approvals necessary to pass the measure submitted. The solicitation must specify the time by which the ballot must be received in order to be counted.

(d) Unless otherwise provided in the articles or bylaws, a written ballot may not be revoked.

(e) Directors may be elected by written ballot under this section, where authorized by the articles or bylaws, except that election by written ballot may not be authorized where the directors are elected by cumulative voting pursuant to Section 12484. When directors are to be elected by written ballot and the articles or bylaws prescribe a nomination procedure, the procedure may provide for a date for the close of nominations prior to printing and distributing of the written ballots.

(f) The secretary shall cause a vote to be taken by written ballot upon any action or recommendation proposed in writing by 20 percent of the members of the corporation.

(b) Those minutes and other books and records shall be kept either in written form or in any other form capable of being converted into clearly legible tangible form or in any combination of the foregoing. When minutes and other books and records are kept in a form capable of being converted into clearly legible paper form, the clearly legible paper form into which those minutes and other books and records are converted shall be admissible in evidence, and accepted for all other purposes, to the same extent as an original paper record of the same information would have been, provided that the paper form accurately portrays the record.

SEC. 42. Section 12591 of the Corporations Code is amended to read:

12591. (a) A corporation shall notify each member yearly of the member's right to receive a financial report pursuant to this subdivision. Except as provided in subdivision (c), upon written request of a member the board shall promptly cause the most recent annual report to be sent

to the requesting member. An annual report shall be prepared not later than 120 days after the close of the corporation's fiscal year. Unless otherwise provided by the articles or bylaws and if approved by the board of directors, that report and any accompanying material sent pursuant to this section may be sent by electronic transmission by the corporation (Section 20). A corporation which does not issue an annual report to all members, pursuant to subdivision (c) of Section 12591, shall satisfy this section by mailing or delivering to its members the required statement within 120 days after the close of the corporation's fiscal year. (a) Meetings of members may be held at any place, by electronic video screen communication or by electronic transmission by and to the limited liability company (paragraphs (1) and (2) of subdivision (o) of Section 17001), either within or without this state, selected by the person or persons calling the meeting or as may be stated in or fixed in accordance with the articles of organization or a written operating agreement. If no other place is stated or so fixed, all meetings shall be held at the principal executive office of the limited liability company. Unless prohibited by the articles of organization of the limited liability company, if authorized by the operating agreement, members not physically present in person or by proxy at a meeting of members may, by electronic transmission by and to the limited liability company (paragraphs (1) and (2) of subdivision (o) of Section 17001) or by electronic video screen communication, participate in a meeting of members, be deemed present in person or by proxy, and vote at a meeting of members whether that meeting is to be held at a designated place or

in whole or in part by means of electronic transmission by and to the limited liability company or by electronic video screen communication, in accordance with subdivision (*l*).

(b) A meeting of the members may be called by any manager or by any member or members representing more than 10 percent of the interests of members for the purpose of addressing any matters on which the members may vote.

(c) (1) Whenever members are required or permitted to take any action at a meeting, a written notice of the meeting shall be given not less than 10 days nor more than 60 days before the date of the meeting to each member entitled to vote at the meeting. The notice shall state the place, date, and hour of the meeting, the means of electronic transmission by and to the limited liability company or electronic video screen communication, if any, and the general nature of the business to be transacted. No other business may be transacted at this meeting.

(2) Any report or any notice of a members' meeting shall be given personally, by electronic transmission by the limited liability company, or by mail or other means of written communication, addressed to the member at the address of the member appearing on the books of the limited liability company or given by the member to the limited liability company for the purpose of notice, or, if no address appears or is given, at the place where the principal executive office of the limited liability company is located or by publication at least once in a newspaper of general circulation in the county in which the principal executive office is located. The notice or report shall be deemed to have been given at the time when delivered personally, or delivered by electronic transmission by the limited liability company, or deposited in the mail or sent by other means of written communication. An affidavit of mailing or delivered by electronic transmission by the limited liability company of any notice or report in accordance with the provisions of this article, executed by a manager, shall be prima facie evidence of the giving of the notice or report.

If any notice or report addressed to the member at the address of the member appearing on the books of the limited liability company is returned to the limited liability company by the United States Postal Service marked to indicate that the United States Postal Service is unable to deliver the notice or report to the member at the address, all future notices or reports shall be deemed to have been duly given without further mailing if they are available for the member at the principal executive office of the limited liability company for a period of one year from the date of the giving of the notice or report to all other members.

Notice given by electronic transmission by the limited liability company under this subdivision shall be valid only if it complies with paragraph (1) of subdivision (o) of Section 17001. Notwithstanding the

foregoing, notice shall not be given by electronic transmission by the limited liability company under this subdivision after either of the following:

(A) The limited liability company is unable to deliver two consecutive notices to the member by that means.

(B) The inability to so deliver the notices to the member becomes known to the secretary, any assistant secretary, the transfer agent, or other person responsible for the giving of the notice.

(3) Upon written request to a manager by any person entitled to call a meeting of members, the manager shall immediately cause notice to be given to the members entitled to vote that a meeting will be held at a time requested by the person calling the meeting, not less than 10 days nor more than 60 days after the receipt of the request. If the notice is not given within 20 days after receipt of the request, the person entitled to call the meeting may give the notice or, upon the application of that person, the superior court of the county in which the principal executive office of the limited liability company is located, or if the principal executive office is not in this state, the county in which the limited liability company's address in this state is located, shall summarily order the giving of the notice, after notice to the limited liability company affording it an opportunity to be heard. The procedure provided in subdivision (c) of Section 305 shall apply to the application. The court may issue any order as may be appropriate, including, without limitation, an order designating the time and place of the meeting, the record date for determination of members entitled to vote, and the form of notice.

(d) When a members' meeting is adjourned to another time or place, unless the articles of organization or a written operating agreement otherwise require and, except as provided in this subdivision, notice need not be given of the adjourned meeting if the time and place thereof or the means of electronic transmission by and to the limited liability company or electronic video screen communication, if any, are announced at the meeting at which the adjournment is taken. At the adjourned meeting, the limited liability company may transact any business that may have been transacted at the original meeting. If the adjournment is for more than 45 days, or if after the adjournment a new record date is fixed for the adjourned meeting, a notice of the adjourned meeting shall be given to each member of record entitled to vote at the meeting.

(e) The actions taken at any meeting of members, however called and noticed, and wherever held, have the same validity as if taken at a meeting duly held after regular call and notice, if a quorum is present either in person or by proxy, and if, either before or after the meeting, each of the members entitled to vote, not present in person or by proxy,

provides a waiver of notice or consents to the holding of the meeting or approves the minutes of the meeting in writing. All waivers, consents, and approvals shall be filed with the limited liability company records or made a part of the minutes of the meeting after conversion to the form in which those records or minutes are kept. Attendance of a person at a meeting shall constitute a waiver of notice of the meeting, except when the person objects, at the beginning of the meeting, to the transaction of any business because the meeting is not lawfully called or convened. Attendance at a meeting is not a waiver of any right to object to the consideration of matters required by this title to be included in the notice but not so included, if the objection is expressly made at the meeting. Neither the business to be transacted nor the purpose of any meeting of members need be specified in any written waiver of notice, unless otherwise provided in the articles of organization or operating agreement, except as provided in subdivision (g).

(f) Members may participate in a meeting of the limited liability company through the use of conference telephones or electronic video screen communication, as long as all members participating in the meeting can hear one another, or by electronic transmission by and to the limited liability company pursuant to paragraphs (1) and (2) of subdivision (o) of Section 17001. Participation in a meeting pursuant to this provision constitutes presence in person at that meeting.

(g) Any action approved at a meeting, other than by unanimous approval of those entitled to vote, shall be valid only if the general nature of the proposal so approved was stated in the notice of meeting or in any written waiver of notice.

(h) (1) A majority in interest of the members represented in person or by proxy shall constitute a quorum at a meeting of members.

(2) The members present at a duly called or held meeting at which a quorum is present may continue to transact business until adjournment, notwithstanding the loss of a quorum, if any action taken after loss of a quorum, other than adjournment, is approved by the requisite percentage of interests of members specified in this title or in the articles of organization or a written operating agreement.

(3) In the absence of a quorum, any meeting of members may be adjourned from time to time by the vote of a majority of the interests represented either in person or by proxy, but no other business may be transacted, except as provided in paragraph (2).

(i) (1) Any action that may be taken at any meeting of the members may be taken without a meeting if a consent in writing, setting forth the action so taken, is signed and delivered to the limited liability company within 60 days of the record date for that action by members having not less than the minimum number of votes that would be necessary to

authorize or take that action at a meeting at which all members entitled to vote thereon were present and voted.

(2) Unless the consents of all members entitled to vote have been solicited in writing, (A) notice of any member approval of an amendment to the articles of organization or operating agreement, a dissolution of the limited liability company as provided in Section 17350, or a merger of the limited liability company as provided in Section 17551, without a meeting by less than unanimous written consent shall be given at least 10 days before the consummation of the action authorized by such approval, and (B) prompt notice shall be given of the taking of any other action approved by members without a meeting by less than unanimous written consent, to those members entitled to vote who have not consented in writing.

(3) Any member giving a written consent, or the member's proxyholder, may revoke the consent personally or by proxy by a writing received by the limited liability company prior to the time that written consents of members having the minimum number of votes that would be required to authorize the proposed action have been filed with the limited liability company, but may not do so thereafter. This revocation is effective upon its receipt at the office of the limited liability company required to be maintained pursuant to Section 17057.

(j) The use of proxies in connection with this section will be governed in the same manner as in the case of corporations formed under the General Corporation Law.

(k) In order that the limited liability company may determine the members of record entitled to notices of any meeting or to vote, or entitled to receive any distribution or to exercise any rights in respect of any other lawful action, a manager, or members representing more than 10 percent of the interests of members, may fix, in advance, a record date, that is not more than 60 days nor less than 10 days prior to the date of the meeting and not more than 60 days prior to any other action. If no record date is fixed:

(1) The record date for determining members entitled to notice of or to vote at a meeting of members shall be at the close of business on the business day next preceding the day on which notice is given or, if notice is waived, at the close of business on the business day next preceding the day on which the meeting is held.

(2) The record date for determining members entitled to give consent to limited liability company action in writing without a meeting shall be the day on which the first written consent is given.

(3) The record date for determining members for any other purpose shall be at the close of business on the day on which the managers adopt the resolution relating thereto, or the 60th day prior to the date of the other action, whichever is later.

(4) The determination of members of record entitled to notice of or to vote at a meeting of members shall apply to any adjournment of the meeting unless a manager or the members who called the meeting fix a new record date for the adjourned meeting, but the manager or the members who called the meeting shall fix a new record date if the meeting is adjourned for more than 45 days from the date set for the original meeting.

(*l*) A meeting of the members may be conducted, in whole or in part, by electronic transmission by and to the limited liability company or by electronic video screen communication (1) if the limited liability company implements reasonable measures to provide members (in person or by proxy) a reasonable opportunity to participate in the meeting and to vote on matters submitted to the members, including an opportunity to read or hear the proceedings of the meeting substantially concurrently with those proceedings, and (2) if any member votes or takes other action at the meeting by means of electronic transmission to the limited liability company or electronic video screen communication, a record of that vote or action is maintained by the limited liability company.

(b) Each member, manager, and holder of an economic interest has the right upon reasonable request, for purposes reasonably related to the interest of that person as a member, manager, or holder of an economic interest, to each of the following:

The statement shall be delivered or mailed to the members within 30 days thereafter.

(3) The financial statements referred to in this section shall be accompanied by the report thereon, if any, of the independent accountants engaged by the limited liability company or, if there is no report, the certificate of a manager of the limited liability company that the financial statements were prepared without audit from the books and records of the limited liability company.

(d) A manager shall promptly furnish to a member a copy of any amendment to the articles of organization or operating agreement executed by a manager pursuant to a power of attorney from the member. The articles of organization or operating agreement may be sent by electronic transmission by the limited liability company.

(e) The limited liability company shall send or cause information to be sent in writing to each member or holder of an economic interest within 90 days after the end of each taxable year such information as is necessary to complete federal and state income tax or information returns, and, in the case of a limited liability company with 35 or fewer members, a copy of the limited liability company's federal, state, and local income tax or information returns for the year.

(f) In addition to any other remedies, a court of competent jurisdiction may enforce the duty of making and mailing or delivering the information and financial statements required by this section and, for good cause shown, may extend the time therefor.

(g) In any action under this section, if the court finds the failure of the limited liability company to comply with the requirements of this section is without justification, the court may award an amount sufficient to reimburse the person bringing the action for the reasonable expenses incurred by that person, including attorneys' fees, in connection with the action or proceeding.

(h) Any waiver of the rights provided in this section shall be unenforceable.

(i) Any request, inspection, or copying by a member or holder of an economic interest may be made by that person or by that person's agent or attorney.

(f) (1) The health care provider administering the immunization and any other agency possessing any patient or client information listed in subdivision (c), may inform the patient or client, or the parent or guardian of the patient or client, by ordinary mail, of the information in paragraphs (1) to (4), inclusive, of subdivision (e). The mailing must include a reasonable means for refusal, such as a return form or contact telephone number.

(2) The information in paragraphs (1) to (4) of subdivision (e) may also be presented to the parent or guardian of the patient or client during any hospitalization of the patient or client.

(g) If the patient or client, or parent or guardian of the patient or client, refuses to allow the information to be shared, pursuant to paragraph (4) of subdivision (e), the health care provider or other agency may not share this information in the manner described in subdivision (c), except as provided in subparagraph (D) of paragraph (1) of subdivision (d).

(h) Upon request of the patient or client, or the parent or guardian of the patient or client, in writing or by other means acceptable to the recipient, a local health department or the State Department of Health Services that has received information about a person pursuant to subdivision (c) shall do all of the following:

(1) Provide the name and address of other persons or agencies with whom the recipient has shared the information.

(2) Stop sharing the information in its possession after the date of the receipt of the request.

(i) Upon notification, in writing or by other means acceptable to the recipient, of an error in the information, a local health department or the State Department of Health Services that has information about a person pursuant to subdivision (c) shall correct the error. If the recipient is aware of a disagreement about whether an error exists, information to that effect may be included.

(j) (1) Any party authorized to make medical decisions for a patient or client, including, but not limited to, those authorized by Section 6922, 6926, or 6927 of, Part 1.5 (commencing with Section 6550), Chapter 2 (commencing with Section 6910) of Part 4, or Chapter 1 (commencing with Section 7000) of Part 6, of Division 11 of, the Family Code, Section 1530.6 of the Health and Safety Code, or Sections 727 and 1755.3 of, and Article 6 (commencing with Section 300) of Chapter 2 of Part 1 of

Division 2 of, the Welfare and Institutions Code, may permit sharing of the patient's or client's record with any of the immunization information systems authorized by this section.

(2) For a patient or client who is a dependent of a juvenile court, the court or a person or agency designated by the court may permit this recordsharing.

(3) For a patient or client receiving foster care, a person or persons licensed to provide residential foster care, or having legal custody, may permit this recordsharing.

(1) The provision of department records containing information about publicly funded immunizations.

(2) Supporting efforts for the reporting of publicly funded immunizations into immunization information systems by health care providers and health care plans.

(*l*) Section 120330 shall not apply to this section.

The people of the State of California do enact as follows:

SECTION 1. Section 14002.3 of the Education Code is amended to read:

14002.3. Notwithstanding any other law, for purposes of Sections 14002, 14004, and 41301, for the 2000–01 fiscal year and each fiscal year thereafter, the Superintendent of Public Instruction shall certify to the Controller amounts that do not exceed the amounts needed to fund the revenue limits of school districts, as determined pursuant to Section 42238, the revenue limits of county superintendents of schools, as determined pursuant to Section 2558, warrants issued pursuant to Section 41329.57, and the revenue limit portion of charter school operational funding, as determined pursuant to Section 47633.

SEC. 2. Section 41320 of the Education Code is amended to read:

41320. As a condition to any emergency apportionment to be made pursuant to Section 41320.2 the following requirements shall be met:

(a) The district requesting the apportionment shall submit to the county superintendent of schools having jurisdiction over the district a report issued by an independent auditor approved by the county superintendent of schools on the financial conditions and budgetary controls of the district, a written management review conducted by a qualified management consultant approved by the county superintendent of schools, and a fiscal plan adopted by the governing board to resolve the financial problems of the district.

(b) The county superintendent of schools shall review, and provide written comment on, the independent auditor's report, the management review, and the district plan. That written comment shall include the county superintendent's approval or disapproval of the district plan. In the event the county superintendent disapproves the plan, the governing board shall revise the district plan to respond to the concerns expressed by the county superintendent.

(c) Upon his or her approval of the district plan, the county superintendent of schools shall submit copies of the report, review, plan, and written comments specified in subdivision (b) to the Superintendent of Public Instruction, the Joint Legislative Audit Committee, the Joint Legislative Budget Committee, the Director of Finance, and the Controller.

(d) The Superintendent of Public Instruction shall review the reports and comments submitted to him or her by the county superintendent of

schools and shall certify to the Director of Finance that the action taken to correct the financial problems of the district is realistic and will result in placing the district on a sound financial basis.

(e) The district shall develop a schedule to repay the emergency loan, including any lease financing pursuant to Article 2.7 (commencing with Section 41329.50), and submit it to the county superintendent of schools. The county superintendent of schools shall review and comment on the repayment schedule and submit it to the Superintendent of Public Instruction for approval or disapproval. Upon the approval of the repayment schedule, and of the other reports, reviews, plans, and the appointment of the trustee required by this article, the Superintendent of Public Instruction shall request the Controller to disburse the proceeds of the emergency loan to the district.

(f) The district requesting the apportionment shall reimburse the county superintendent of schools for the costs incurred by the superintendent pursuant to this section.

SEC. 3. Section 41320.2 of the Education Code is amended to read:

41320.2. (a) The governing board of a school district that determines during a fiscal year that its revenues are less than the amount necessary to meet its current year expenditure obligations may request an emergency apportionment through the Superintendent of Public Instruction subject to the requirements and repayment provisions of this article and Article 2.7 (commencing with Section 41329.50).

(b) It is not the intent of the Legislature that this section authorize emergency loans to school districts for the purpose of meeting cashflow requirements pending the receipt of local taxes and other funds.

(c) It is the intent of the Legislature that emergency apportionments, as described in this section, not occur, unless funds have been specifically appropriated therefor by the Legislature.

SEC. 4. Section 41323 of the Education Code is repealed.

SEC. 5. Section 41324 of the Education Code is repealed.

SEC. 6. Section 41327 of the Education Code is amended to read:

(1) A management review and recovery plan.

(2) A multiyear financial recovery plan. The multiyear financial recovery plan shall include a plan, to be submitted annually on or before July 1, to repay to the state any and all loans owed by the district.

(3) During the period of service by the state-appointed administrator, an annual report on the financial condition of the district, including, but not necessarily limited to, all of the following information:

(A) Specific actions taken to reduce district expenditures or increase income to the district, and the amount of the resulting cost savings and increases in income.

(B) A copy of the adopted district budget for the current fiscal year.

(C) The amount of the district budgetary reserve.

(D) The status of employee contracts.

(E) Any obstacles to the implementation of the recovery plans described in paragraphs (1) and (2).

(b) Each of the reports or plans required under this section, or under any other law that requires the district to prepare reports or plans, shall be submitted to the Superintendent of Public Instruction for approval, after his or her consideration of comments and recommendations of the county superintendent of schools. The Superintendent of Public Instruction may accept and approve, for the purposes of this section, any reports or plans that were prepared by or for the district prior to the district's acceptance of a loan as described in subdivision (a) of Section 41326.

(c) With the approval of the Superintendent of Public Instruction, the state-appointed administrator may enter into agreements on behalf of the district and, subject to any contractual obligation of the district, change any existing district rules, regulations, policies, or practices as necessary for the effective implementation of the recovery plans referred to in subdivision (a).

SEC. 7. Section 41328 of the Education Code is amended to read:

41328. The qualifying district shall bear 100 percent of all costs associated with implementing this article, including the activities of the County Office Fiscal Crisis and Management Team or the regional team. The Superintendent of Public Instruction shall withhold from the apportionments to be made from the State School Fund to the district the amounts due pursuant to this section.

SEC. 8. Article 2.7 (commencing with Section 41329.50) is added to Chapter 3 of Part 24 of the Education Code, to read:

Article 2.7. Emergency Apportionment Financing

41329.50. The following definitions apply to this article, Article 2 (commencing with Section 41320), and Article 2.5 (commencing with Section 41325), unless the context clearly indicates or requires another or different meaning:

(a) ''Bank'' means the California Infrastructure and Economic Development Bank.

(b) ''Bonds'' has the same meaning specified in Section 63010 of the Government Code.

(c) ''Loan'' and ''emergency apportionments'' means the financing described in Sections 41329.51, 41329.52, and 41329.53. The financing does not constitute a borrowing but an advance payment of apportionments subject to repayment with interest as described in the article.

(d) ''School district'' means a school district that requests an emergency apportionment pursuant to Section 41320, including, as applicable, an administrator appointed pursuant to Article 2 (commencing with Section 41320) and a trustee appointed pursuant to Article 2.5 (commencing with Section 41325).

41329.51. Notwithstanding any other law, an emergency apportionment is a financing provided to a school district complying with the requirements contained in Article 2 (commencing with Section 41320) and Article 2.5 (commencing with Section 41325). The emergency apportionment shall be made pursuant to either Section 41329.52 or Section 41329.53, as determined by statute. The school district, the bank, and the Superintendent of Public Instruction shall promptly perform the duties specified in the statute making the emergency apportionment.

41329.52. (a) A school district may receive a two part financing designed to provide an advance of apportionments owed to the district from the State School Fund.

(b) The initial emergency apportionment shall be an interim loan from the General Fund to the school district. General Fund money shall not be advanced to a school district until that district agrees to obtain a lease financing as described in subdivision (c) and the bank adopts a reimbursement resolution governing the lease financing. The interim loan shall be repaid in full, with interest, from the proceeds of the lease financing pursuant to subdivision (c) within one year of the date the district receives the initial emergency apportionment disbursement. The interest rate on the interim loan shall be the rate earned by moneys in the Pooled Money Investment Account as of the date of the initial disbursement of emergency apportionments to the school district.

(c) The school district shall enter into a lease financing with the bank for the purpose of financing the emergency apportionment, including a repayment to the General Fund of the amount advanced pursuant to subdivision (b). In addition to the emergency apportionment, the lease financing may include funds necessary for reserves, capitalized interest, credit enhancements and costs of issuance. The bank shall issue bonds for that purpose pursuant to the powers granted pursuant to the Bergeson-Peace Infrastructure and Economic Development Bank Act as set forth in Division 1 (commencing with Section 63000) of Part 6.7 of the Government Code. The term of the lease shall not exceed 20 years.

41329.53. (a) As an alternative to the lease financing pursuant to Section 41329.52, a school district may receive an emergency apportionment from the General Fund designed to provide an advance of apportionments owed to the district from the State School Fund. The emergency apportionment shall be repaid within 20 years. The calculation of the amount of the apportionment, including implied costs, and the interest rate shall be calculated pursuant to subdivision (b). Each year the Superintendent of Public Instruction shall withhold from the apportionments to be made to the district from the State School Fund an amount equal to the emergency apportionment repayment that becomes due in the year.

(b) The determination by statute as to whether the emergency apportionment shall take the form of lease financing pursuant to Section 41329.52 or an emergency apportionment from the General Fund pursuant to this section shall be based upon the availability of funds within the General Fund and not on any cost differential between the two financing mechanisms. To ensure that the two alternatives are cost neutral, if the statute does not authorize a lease financing, the bank shall commission a cost study from financial advisers under contract with the bank to determine the interest rate, costs of issuance, and if it is more cost effective, credit enhancement costs likely if the financing was a lease financing rather than an emergency apportionment from the General Fund. These implied lease costs shall be included as the fixed interest rate on the repayment of the emergency apportionment to the General Fund, repayable over 20 years.

41329.54. In furtherance of the lease financing authorized pursuant to Section 41329.52, and notwithstanding any other law, the school district may lease any property of the school district to the bank or from the bank, in connection with the bonds issued by the bank. In each case, the lease shall include any rental provision or term and any transfer, assignment, payment, security, default, remedy, and other terms or provisions agreed to by the bank and the school district. In addition, the school district may enter into any agreement for liquidity or credit enhancement, with any reimbursement, payment, interest, security, default, remedy and other terms it deems necessary or appropriate in connection with entering into the lease financing. The school district may enter into any other agreements or execute any other documents necessary or desirable to carry out the purposes of this section. This section shall be deemed to provide a complete, additional, and alternative method for accomplishing the acts authorized by this article. Any agreement entered into in connection with the lease of any property of the district pursuant to a financing pursuant to Section 41329.52, including without limitation, any agreement for liquidity or credit enhancement, need not comply with the requirements of any other law

applicable to the purchase, sale, or lease of school district property or the granting of any pledge or encumbrance.

41329.55. (a) Simultaneous with the execution of the lease financing authorized pursuant to Section 41329.52, the school district shall provide to the Controller a notification of its lease financing. The notice shall include a schedule of rent payments to become due to the bank from the school district and identifying the bond trustee. The Controller shall make the apportionment to the bond trustee of those amounts on the dates shown on the schedule. The bank may further authorize that the apportionments be used to pay or reimburse the provider of any credit enhancement of bonds issued by the bank in connection with this article. The Controller shall make the apportionment only from moneys in the State School Fund designated for apportionment to the district pursuant to Section 42238.

(b) The amount apportioned for a school district pursuant to this section is an allocation to the district for purposes of subdivision (b) of Section 8 of Article XVI of the California Constitution. For purposes of computing revenue limits pursuant to Section 42238 for any school district, the revenue limit for any fiscal year in which funds are apportioned for the district pursuant to this section shall include any amounts apportioned by the Controller pursuant to subdivision (a) as well as Section 41329.54.

(c) No party, including the school district or any of its creditors, shall have any claim to the money apportioned or to be apportioned to the bond trustee by the Controller pursuant to this section.

41329.56. (a) Chapter 57 of the Statutes of 1993 consolidated several previous emergency apportionments and a loan to the West Contra Costa Unified School District and specified the repayment terms of that apportionment. Chapter 14 of the Statutes of 2003 authorized an emergency apportionment to the Oakland Unified School District and specified the repayment terms of that apportionment. Collectively these are referred to in this section as ''existing apportionments.''

(b) Promptly following the effective date of this article, the bank shall issue separate bonds for the West Contra Costa Unified School District and the Oakland Unified School District for lease financing pursuant to Section 41329.52. The school districts shall use the proceeds to repay the existing apportionments. The terms of the leases shall not exceed 20 years.

41329.57. (a) (1) The Controller shall annually transfer from Section A of the State School Fund the amount of funds necessary to pay the warrants issued pursuant to paragraph (2) so that the effective cost of the lease financing provided to the Oakland Unified School District, the Vallejo City Unified School District, and the West Contra Costa Unified School District pursuant to this article shall be equal to the cost

of the emergency loan made to each district at the annual rate paid on moneys in the Pooled Money Investment Account for the year immediately preceding the date each loan was funded.

(2) The executive director of the bank shall annually notify the Controller of the actual amount of the difference between the cost of the lease financing compared to the cost of the original emergency loan for each district for each year and the Controller shall annually issue a warrant to each school district in that amount. Payments to a district shall occur only during the term of the loan for that district and shall be made no sooner than the corresponding payments are made to bondholders under the lease financing for that district.

(3) For purposes of making the computations required by Section 8 of Article XVI of the California Constitution, the warrants issued pursuant to paragraph (2) are ''General Fund revenues appropriated to school districts,'' as defined in subdivision (c) of Section 41202 for the fiscal years in which the warrants are issued and included within the ''total allocations to school districts and community college districts from General Fund proceeds of taxes appropriated pursuant to Article XIII B'' as defined in subdivision (e) of Section 41202, for the fiscal years in which the warrants are issued.

(b) It is the intent of the Legislature that the financing cost subsidies funded in this section not be deemed precedent nor in conflict with Section 41329.53, as these districts requested loans prior to the enactment of this article.

SEC. 9. Article 9 (commencing with Section 63049.67) is added to Chapter 2 of Division 1 of Title 6.7 of the Government Code, to read:

Article 9. Financing of School District Emergency Apportionments

63049.67. (a) Notwithstanding any other provision of this division, a financing of emergency apportionments upon the request of a school district pursuant to Article 2.7 (commencing with Section 41329.50) of Chapter 3 of Part 24 of the Education Code, is deemed to be in the public interest and eligible for financing by the bank. Article 3 (commencing with Section 63041), Article 4 (commencing with Section 63042) and Article 5 (commencing with Section 63043) do not apply to the financing provided by the bank in connection with an emergency apportionment.

(b) The bank may issue bonds pursuant to Chapter 5 (commencing with Section 63070) and provide the proceeds to a school district pursuant to a lease agreement. The proceeds may be used as an emergency apportionment, to reimburse the interim emergency apportionment from the General Fund authorized pursuant to subdivision (b) of Section 41329.52 of the Education Code, or to refund

bonds previously issued under this section. Bond proceeds may also be used to fund necessary reserves, capitalized interest, credit enhancement costs, and costs of issuance.

(c) Bonds issued under this article are not deemed to constitute a debt or liability of the state or of any political subdivision of the state, other than a limited obligation of the bank, or a pledge of the faith and credit of the state or of any political subdivision. All bonds issued under this article shall contain on the face of the bonds a statement to the same effect.

(d) Any fund or account established in connection with the bonds shall be established outside of the centralized treasury system. Notwithstanding any other law, the bank shall select the financing team and the trustee for the bonds, and the trustee shall be a corporation or banking association authorized to exercise corporate trust powers.

(e) Pursuant to Section 41329.55 of the Education Code, the school district shall instruct the Controller to repay the lease from moneys in the State School Fund designated for apportionment to the school district.

(f) Notwithstanding any other law, as long as any bonds issued pursuant to this section are outstanding, the school district for which the bonds were issued is not eligible to be a debtor in a case under Chapter 9 of the United States Bankruptcy Code, as it may be amended from time to time, and no governmental officer or organization is or may be empowered to authorize the school district to be a debtor under that chapter.

CHAPTER 277

An act to amend Sections 4535.1, 7084, 7118, 14842, and 14842.5 of the Government Code, and to amend Sections 10303 and 12102 of the Public Contract Code, relating to public contracts.

[Approved by Governor August 23, 2004. Filed with Secretary of State August 23, 2004.]

The people of the State of California do enact as follows:

SECTION 1. Section 4535.1 of the Government Code is amended to read:

4535.1. A business that requests and is given the preference provided for in Section 4533, 4533.1, 4534, or 4534.1 by reason of having furnished a false certification, and which by reason of that certification has been awarded a contract to which it would not otherwise have been entitled, shall be subject to all of the following:

(a) Pay to the state any difference between the contract amount and what the state's cost would have been if the contract had been properly awarded.

(b) In addition to the amount specified in subdivision (a), be assessed a penalty in an amount of not more than 10 percent of the amount of the contract involved.

(c) Be ineligible to directly or indirectly transact any business with the state for a period of not less than six months and not more than 36 months.

Prior to the imposition of any sanction under this chapter, the contractor or vendor shall be entitled to a public hearing and to five days' notice of the time and place thereof. The notice shall state the reasons for the hearing.

SEC. 2. Section 7084 of the Government Code is amended to read:

7084. (a) Whenever the state prepares a solicitation for a contract for goods in excess of one hundred thousand dollars ($100,000), except a contract in which the worksite is fixed by the provisions of the contract, the state shall award a 5-percent preference to California-based companies that demonstrate and certify under penalty of perjury that of the total labor hours required to manufacture the goods and perform the contract, at least 50 percent of the hours shall be accomplished at an identified worksite or worksites located in an enterprise zone.

(b) In evaluating proposals for contracts for services in excess of one hundred thousand dollars ($100,000), except a contract in which the worksite is fixed by the provisions of the contract, the state shall award a 5-percent preference on the price submitted by California-based companies that demonstrate and certify under penalty of perjury that not less than 90 percent of the labor hours required to perform the contract shall be accomplished at an identified worksite or worksites located in an enterprise zone.

(c) Where a bidder complies with subdivision (a) or (b), the state shall award a 1-percent preference for bidders who certify under penalty of perjury to hire persons living within a targeted employment area or are enterprise zone eligible employees equal to 5 to 9 percent of its workforce during the period of contract performance; a 2-percent preference for bidders who shall agree to hire persons living within a targeted employment area or are enterprise zone eligible employees equal to 10 to 14 percent of its workforce during the period of contract performance; a 3-percent preference for bidders who shall agree to hire persons living within a targeted employment area or are enterprise zone eligible employees equal to 15 to 19 percent of its workforce during the period of contract performance; and a 4-percent preference for bidders who shall agree to hire persons living within a targeted employment area or are enterprise zone eligible employees equal to 20 or more percent of its workforce during the period of contract performance.

(d) The maximum preference a bidder may be awarded pursuant to this chapter and any other provision of law shall be 15 percent. However,

in no case shall the maximum preference cost under this section exceed fifty thousand dollars ($50,000) for any bid, nor shall the combined cost of preferences granted pursuant to this section and any other provision of law exceed one hundred thousand dollars ($100,000). In those cases where the 15-percent cumulated preference cost would exceed the one hundred thousand dollar ($100,000) maximum preference cost limit, the one hundred thousand dollar ($100,000) maximum preference cost limit shall apply.

(e) Notwithstanding any other provision of this section, small business bidders qualified in accordance with Section 14838 shall have precedence over nonsmall business bidders in that the application of any bidder preference for which nonsmall business bidders may be eligible, including the preference contained in this section, shall not result in the denial of the award to a small business bidder. This subdivision shall apply to those cases where the small business bidder is the lowest responsible bidder, as well as to those cases where the small business bidder is eligible for award as the result of application of the 5-percent small business bidder incentive.

(f) All state contracts issued to bidders who are awarded preferences under this section shall contain conditions to ensure that the contractor performs the contract at the location specified and meets any commitment to employ persons with high risk of unemployment.

(g) (1) A business that requests and is given the preference provided for in subdivision (a) or (b) by reason of having furnished a false certification, and that by reason of this certification has been awarded a contract to which it would not otherwise have been entitled, shall be subject to all of the following:

(A) Pay to the state any difference between the contract amount and what the state's cost would have been if the contract had been properly awarded.

(B) In addition to the amount specified in subparagraph (A), be assessed a penalty in an amount of not more than 10 percent of the amount of the contract involved.

(C) Be ineligible to directly or indirectly transact any business with the state for a period of not less than six months and not more than 36 months.

(2) Prior to the imposition of any sanction under this subdivision, the business shall be entitled to a public hearing and to five days' notice of the time and place thereof. The notice shall state the reasons for the hearing.

(h) In each instance in this section an enterprise zone shall also mean any enterprise zone or program area previously authorized under any other provision of state law.

(i) As used in this section, ''enterprise zone eligible employees'' means employees who meet any of the requirements of clause (iv) of subparagraph (A) of paragraph (4) of subdivision (b) of Section 17053.74, or clause (iv) of subparagraph (A) of paragraph (4) of subdivision (b) of Section 23622.5, of the Revenue and Taxation Code.

SEC. 3. Section 7118 of the Government Code is amended to read:

7118. (a) Whenever the state prepares a solicitation for a contract for goods in excess of one hundred thousand dollars ($100,000), except a contract in which the worksite is fixed by the provisions of the contract, the state shall award a 5-percent preference to California-based companies who demonstrate and certify under penalty of perjury that of the total labor hours required to manufacture the goods and perform the contract, at least 50 percent of the hours shall be accomplished at an identified worksite or worksites located in a local agency military base recovery area.

(b) In evaluating proposals for contracts for services in excess of one hundred thousand dollars ($100,000), except a contract in which the worksite is fixed by the provisions of the contract, the state shall award a 5-percent preference on the price submitted by California-based companies who demonstrate and certify under penalty of perjury that not less than 90 percent of the labor hours required to perform the contract shall be accomplished at an identified worksite or worksites located in a local agency military base recovery area.

(c) Where a bidder complies with subdivision (a) or (b), the state shall award a 1-percent preference for bidders who certify under penalty of perjury to hire persons living within a local agency military base recovery area equal to 5 to 9 percent of its workforce during the period of contract performance; a 2-percent preference for bidders who shall agree to hire persons living within a local agency military base recovery area equal to 10 to 14 percent of its workforce during the period of contract performance; a 3-percent preference for bidders who shall agree to hire persons living within a local agency military base recovery area equal to 15 to 19 percent of its workforce during the period of contract performance; and a 4-percent preference for bidders who shall agree to hire persons living within a local agency military base recovery area equal to 20 or more percent of its workforce during the period of contract performance.

(d) The maximum preference a bidder may be awarded pursuant to this chapter and any other provision of law shall be 15 percent. However, in no case shall the maximum preference cost under this section exceed fifty thousand dollars ($50,000) for any bid, nor shall the combined cost of preferences granted pursuant to this section and any other provision of law exceed one hundred thousand dollars ($100,000). In those cases where the 15-percent cumulated preference cost would exceed the one

hundred thousand dollar ($100,000) maximum preference cost limit, the one hundred thousand dollar ($100,000) maximum preference cost limit shall apply.

(e) Notwithstanding any other provision of this section, small business bidders qualified in accordance with Section 14838 shall have precedence over nonsmall business bidders in that the application of any bidder preference for which nonsmall business bidders may be eligible, including the preference contained in this section, shall not result in the denial of the award to a small business bidder. This subdivision shall apply to those cases where the small business bidder is the lowest responsible bidder, as well as to those cases where the small business bidder is eligible for award as the result of application of the 5-percent small business bidder preference.

(f) All state contracts issued to bidders who are awarded preferences under this section shall contain conditions to ensure that the contractor performs the contract at the location specified and meets any commitment to employ persons with high risk of unemployment.

(g) (1) A business that requests and is given the preference provided for in subdivision (a) or (b) by reason of having furnished a false certification, and that by reason of this certification has been awarded a contract to which it would not otherwise have been entitled, shall be subject to all of the following:

(A) Pay to the state any difference between the contract amount and what the state's cost would have been if the contract had been properly awarded.

(B) In addition to the amount specified in subparagraph (A), be assessed a penalty in an amount of not more than 10 percent of the amount of the contract involved.

(C) Be ineligible to directly or indirectly transact any business with the state for a period of not less than six months and not more than 36 months.

(2) Prior to the imposition of any sanction under this subdivision, the business shall be entitled to a public hearing and to five days' notice of the time and place thereof. The notice shall state the reasons for the hearing.

(h) In each instance in this section, a local agency military base recovery area shall also mean any local agency military base recovery area previously authorized under any other provision of state law.

SEC. 4. Section 14842 of the Government Code is amended to read:

14842. (a) A business that has obtained classification as a small business or microbusiness by reason of having furnished incorrect supporting information or by reason of having withheld information, and that knew, or should have known, the information furnished was incorrect or the information withheld was relevant to its request for

classification, and that by reason of that classification has been awarded a contract to which it would not otherwise have been entitled, shall do all of the following:

(1) Pay to the state any difference between the contract amount and what the state's costs would have been if the contract had been properly awarded.

(2) In addition to the amount described in subdivision (a), be assessed a penalty in an amount of not more than 10 percent of the amount of the contract involved.

(b) Suspend any person who violates subdivision (a) from transacting any business with the state either directly as a prime contractor or indirectly as a subcontractor, for a period of not less than six months and not more than 36 months. State agencies may reject the bid of a supplier offering goods, information technology, or services manufactured or provided by a subcontractor if that subcontractor has been declared ineligible to transact any business with the state under this chapter, even though the bidder is a business in good standing.

(c) All payments to the state pursuant to paragraph (1) of subdivision (a) shall be deposited in the fund out of which the contract involved was awarded.

(d) All payments to the state pursuant to paragraph (2) of subdivision (a) shall be deposited in the state General Fund.

(e) The small business certification of a business found to have violated subdivision (a) shall be revoked by the department for a period of not less than one year. For an additional or subsequent violation, the period of certification revocation or suspension shall be extended for a period of up to three years. The revocation shall apply to the principals of the business and any subsequent businesses formed by those principals.

(f) Prior to the imposition of any sanctions under this article, a business shall be entitled to a public hearing and to at least five working days' notice of the time and place thereof. The notice shall state the reasons for the hearing.

SEC. 5. Section 14842.5 of the Government Code is amended to read:

14842.5. (a) It shall be unlawful for a person to do any of the following:

(1) Knowingly and with intent to defraud, fraudulently obtain, retain, attempt to obtain or retain, or aid another in fraudulently obtaining or retaining or attempting to obtain or retain, certification as a small business or microbusiness enterprise for the purposes of this chapter.

(2) Willfully and knowingly make a false statement with the intent to defraud, whether by affidavit, report, or other representation, to a state official or employee for the purpose of influencing the certification or

denial of certification of any entity as a small business or microbusiness enterprise.

(3) Willfully and knowingly obstruct, impede, or attempt to obstruct or impede, any state official or employee who is investigating the qualifications of a business entity that has requested certification as a small business or microbusiness enterprise.

(4) Knowingly and with intent to defraud, fraudulently obtain, attempt to obtain, or aid another person in fraudulently obtaining or attempting to obtain, public moneys to which the person is not entitled under this chapter.

(5) Knowingly and with intent to defraud, fraudulently represent certified small business or microbusiness participation in order to obtain or retain a bid preference or a state contract.

(6) Knowingly and with intent to defraud, fraudulently represent that a commercially useful function is being performed by a certified small business or microbusiness in order to obtain or retain a bid preference or a state contract.

(b) Any person who is found by the department to have violated any of the provisions of subdivision (a) is subject to a civil penalty of not more than five thousand dollars ($5,000).

(c) The department shall revoke the small business or microbusiness certification of any person that violates subdivision (a) for a period of not more than one year, and shall, in addition to the penalties provided for in subdivision (b), be suspended from bidding on, or participating as a contractor, a subcontractor, or a supplier in, any state contract or project for a period of not less than six months nor more than 36 months. However, for an additional or subsequent violation, the period of certification revocation or suspension shall be extended for a period of up to three years. The certification revocation shall apply to the principals of the business and any subsequent businesses formed by those principals. Any business or person who fails to satisfy the penalties imposed pursuant to subdivisions (b) and (c) shall be prohibited from further contracting with the state until the penalties are satisfied.

(d) If a contractor, subcontractor, supplier, subsidiary, or affiliate thereof, has been found by the department to have violated subdivision (a) and that violation occurred within three years of another violation of subdivision (a) found by the department, the department shall prohibit that contractor, subcontractor, supplier, subsidiary, or affiliate thereof, from entering into a state project or state contract and from further bidding to a state entity, and from being a subcontractor to a contractor for a state entity and from being a supplier to a state entity.

SEC. 6. Section 10303 of the Public Contract Code is amended to read:

10303. The department shall adopt, publish and apply uniform standards of rating bidders, on the basis of questionnaires and required statements, with respect to contracts upon which each bidder is qualified to bid. The department may adopt and publish lists of qualified bidders. No list so adopted and published shall preclude a qualified bidder not on the list from submitting a bid or bids and from being awarded a contract or contracts as the successful bidder.

The department may remove a bidder who has demonstrated a lack of reliability in complying with and completing previously awarded contracts with the state, based upon his or her performance on contracts previously been awarded by the state. The department may remove the bidder from any list of qualified bidders prepared by the department for a period of not less than six months but not to exceed 36 months.

Any bidder temporarily removed under this section shall be returned to the list of qualified bidders at any time after the initial six months, upon demonstrating to the department's satisfaction that the problems that resulted in the bidder's previously demonstrated unreliability in complying with and completing state contracts have been corrected.

SEC. 7. Section 12102 of the Public Contract Code is amended to read:

12102. The Department of General Services shall maintain, in the State Administrative Manual, policies and procedures governing the acquisition and disposal of information technology goods and services.

(a) Acquisition of information technology goods and services shall be conducted through competitive means, except when the Director of General Services determines that (1) the goods and services proposed for acquisition are the only goods and services which can meet the state's need, or (2) the goods and services are needed in cases of emergency where immediate acquisition is necessary for the protection of the public health, welfare, or safety. The acquisition mode to be used and the procedure to be followed shall be approved by the Director of General Services. The Department of General Services shall maintain, in the State Administrative Manual, appropriate criteria and procedures to ensure compliance with the intent of this chapter. These criteria and procedures shall include acquisition and contracting guidelines to be followed by state agencies with respect to the acquisition of information technology goods and services. These guidelines may be in the form of standard formats or model formats.

(b) Contract awards for all large-scale systems integration projects shall be based on the proposal that provides the most value-effective solution to the state's requirements, as determined by the evaluation criteria contained in the solicitation document. Evaluation criteria for the acquisition of information technology goods and services, including

systems integration, shall provide for the selection of a contractor on an objective basis not limited to cost alone.

(1) The Department of General Services shall invite active participation, review, advice, comment, and assistance from the private sector and state agencies in developing procedures to streamline and to make the acquisition process more efficient, including, but not limited to, consideration of comprehensive statements in the request for proposals of the business needs and governmental functions, access to studies, planning documents, feasibility study reports and draft requests for proposals applicable to solicitations, minimizing the time and cost of the proposal submittal and selection process, and development of a procedure for submission and evaluation of a single proposal rather than multiple proposals.

(2) Solicitations for acquisitions based on evaluation criteria other than cost alone shall provide that sealed cost proposals shall be submitted and that they shall be opened at a time and place designated in the solicitation for bids and proposals. Evaluation of all criteria, other than cost, shall be completed prior to the time designated for public opening of cost proposals, and the results of the completed evaluation shall be published immediately before the opening of cost proposals. The state's contact person for administration of the solicitation shall be identified in the solicitation for bids and proposals, and that person shall execute a certificate under penalty of perjury, which shall be made a permanent part of the official contract file, that all cost proposals received by the state have been maintained sealed and under lock and key until the time cost proposals are opened.

(c) The acquisition of hardware acquired independently of a system integration project may be made on the basis of lowest cost meeting all other specifications.

(d) The 5 percent small business preference provided for in Chapter 6.5 (commencing with Section 14835) of Part 5.5 of Division 3 of Title 2 of the Government Code and the regulations implementing that chapter shall be accorded to all qualifying small businesses.

(e) For all transactions formally advertised, evaluation of bidders' proposals for the purpose of determining contract award for information technology goods shall provide for consideration of a bidder's best financing alternatives, including lease or purchase alternatives, if any bidder so requests, not less than 30 days prior to the date of final bid submission, unless the acquiring agency can prove to the satisfaction of the Department of General Services that a particular financing alternative should not be so considered.

(f) Acquisition authority may be delegated by the Director of General Services to any state agency that has been determined by the Department of General Services to be capable of effective use of that authority. This

authority may be limited by the Department of General Services. Acquisitions conducted under delegated authority shall be reviewed by the Department of General Services on a selective basis.

(g) To the extent practical, the solicitation documents shall provide for a contract to be written to enable acquisition of additional items to avoid essentially redundant acquisition processes when it can be determined that it is economical to do so.

Further, it is the intent of the Legislature that, if a state information technology advisory committee or a state telecommunications advisory committee is established by the Governor, or the Director of General Services, the policies and procedures developed by the Director of General Services in accordance with this chapter shall be submitted to that committee, including supplier representatives, for review and comment, and that the comment be considered by both departments prior to the adoption of any policy or procedure. It is also the intent of the Legislature that this section shall apply to the Department of General Services Information Technology Customer Council.

(h) Protest procedures shall be developed to provide bidders an opportunity to protest any formal, competitive acquisition conducted in accordance with this chapter. The procedures shall provide that protests must be filed no later than five working days after the issuance of an intent to award. Authority to protest may be limited to participating bidders. The Director of General Services, or a person designated by the director, may consider and decide on initial protests. A decision regarding an initial protest shall be final. If prior to the last day to protest, any bidder who has submitted an offer files a protest with the department against the awarding of the contract on the ground that his or her bid or proposal should have been selected in accordance with the selection criteria in the solicitation document, the contract shall not be awarded until either the protest has been withdrawn or the State Board of Control has made a final decision as to the action to be taken relating to the protest. Within 10 calendar days after filing a protest, the protesting bidder shall file with the State Board of Control a full and complete written statement specifying in detail the grounds of the protest and the facts in support thereof.

(i) Information technology goods that have been determined to be surplus to state needs shall be disposed of in a manner that will best serve the interests of the state. Procedures governing the disposal of surplus goods may include auction or transfer to local governmental entities.

(j) A supplier may be excluded from bid processes if the supplier's performance with respect to a previously awarded contract has been unsatisfactory, as determined by the state in accordance with established procedures that shall be maintained in the State Administrative Manual. This exclusion may not exceed 36 months for any one determination of

unsatisfactory performance. Any supplier excluded in accordance with this section shall be reinstated as a qualified supplier at any time during this 36-month period, upon demonstrating to the department's satisfaction that the problems that resulted in the supplier's exclusion have been corrected.

Notwithstanding subdivision (a), the commission shall issue district intern credentials authorizing participants in the approved programs to provide classroom instruction to pupils with disabilities in special education classes, in accordance with the requirements of Section 44830.3.

SEC. 2. Section 44329 of the Education Code is amended to read:

44329. (c) Nothing in this section shall be construed to prohibit the prosecutor from representing to the board the views of the victim, his or her immediate family members, or next of kin.

(d) In the event the board permits an audio or video statement or statement stored on a CD Rom, DVD, or other medium to be filed, the board shall not be responsible for providing any equipment or resources needed to assist the victim in preparing the statement.

1001.20. As used in this chapter:

(a) ''Cognitive Developmental Disability'' means any of the following:

(1) ''Mental retardation,'' meaning a condition of significantly subaverage general intellectual functioning existing concurrently with deficits in adaptive behavior and manifested during the developmental period.

(2) ''Autism,'' meaning a diagnosed condition of markedly abnormal or impaired development in social interaction, in communication, or in both, with a markedly restricted repertoire of activity and interests.

(3) Disabling conditions found to be closely related to mental retardation or autism, or that require treatment similar to that required for individuals with mental retardation or autism, and that would qualify an individual for services provided under the Lanterman Developmental Disabilities Services Act.

(b) ''Diversion-related treatment and habilitation'' means, but is not limited to, specialized services or special adaptations of generic services, directed towards the alleviation of cognitive developmental disability or towards social, personal, physical, or economic habilitation or rehabilitation of an individual with a cognitive developmental disability, and includes, but is not limited to, diagnosis, evaluation, treatment,

personal care, day care, domiciliary care, special living arrangements, physical, occupational, and speech therapy, training, education, sheltered employment, mental health services, recreation, counseling of the individual with this disability and of his or her family, protective and other social and socio-legal services, information and referral services, follow-along services, and transportation services necessary to assure delivery of services to persons with cognitive developmental disabilities.

(c) ''Regional center'' means a regional center for the developmentally disabled established under the Lanterman Developmental Disabilities Services Act that is organized as a private nonprofit community agency to plan, purchase, and coordinate the delivery of services which cannot be provided by state agencies to developmentally disabled persons residing in a particular geographic catchment area, and which is licensed and funded by the State Department of Developmental Services.

(d) ''Director of a regional center'' means the executive director of a regional center for the developmentally disabled or his or her designee.

(e) ''Agency'' means the prosecutor, the probation department, and the regional center involved in a particular defendant's case.

(f) ''Dual agency diversion'' means a treatment and habilitation program developed with court approval by the regional center, administered jointly by the regional center and by the probation department, which is individually tailored to the needs of the defendant as derived from the defendant's individual program plan pursuant to Section 4646 of the Welfare and Institutions Code, and which includes, but is not limited to, treatment specifically addressed to the criminal offense charged, for a specified period of time as prescribed in Section 1001.28.

(g) ''Single agency diversion'' means a treatment and habilitation program developed with court approval by the regional center, administered solely by the regional center without involvement by the probation department, which is individually tailored to the needs of the defendant as derived from the defendant's individual program plan pursuant to Section 4646 of the Welfare and Institutions Code, and which includes, but is not limited to, treatment specifically addressed to the criminal offense charged, for a specified period of time as prescribed in Section 1001.28.

SEC. 3. Section 1001.21 of the Penal Code is amended to read:

1001.21. (a) This chapter shall apply whenever a case is before any court upon an accusatory pleading at any stage of the criminal proceedings, for any person who has been evaluated by a regional center for the developmentally disabled and who is determined to be a person

with a cognitive developmental disability by the regional center, and who therefore is eligible for its services.

(b) This chapter applies to any offense which is charged as or reduced to a misdemeanor, except that diversion shall not be ordered when the defendant previously has been diverted under this chapter within two years prior to the present criminal proceedings.

(c) This chapter shall apply to persons who have a condition described in paragraph (2) or (3) of subdivision (a) of Section 1001.20 only if that person was a client of a regional center at the time of the offense for which he or she is charged.

SEC. 4. Section 1001.22 of the Penal Code is amended to read:

1001.22. The court shall consult with the prosecutor, the defense counsel, the probation department, and the appropriate regional center in order to determine whether a defendant may be diverted pursuant to this chapter. If the defendant is not represented by counsel, the court shall appoint counsel to represent the defendant. When the court suspects that a defendant may have a cognitive developmental disability, as defined in subdivision (a) of Section 1001.20, and the defendant consents to the diversion process and to his or her case being evaluated for eligibility for regional center services, and waives his or her right to a speedy trial, the court shall order the prosecutor, the probation department, and the regional center to prepare reports on specified aspects of the defendant's case. Each report shall be prepared concurrently.

(a) The regional center shall submit a report to the probation department within 25 judicial days of the court's order. The regional center's report shall include a determination as to whether the defendant has a cognitive developmental disability and is eligible for regional center diversion-related treatment and habilitation services, and the regional center shall also submit to the court a proposed diversion program, individually tailored to the needs of the defendant as derived from the defendant's individual program plan pursuant to Section 4646 of the Welfare and Institutions Code, which shall include, but not be limited to, treatment addressed to the criminal offense charged for a period of time as prescribed in Section 1001.28. The regional center's report shall also contain a statement whether such a proposed program is available for the defendant through the treatment and habilitation services of the regional centers pursuant to Section 4648 of the Welfare and Institutions Code.

(b) The prosecutor shall submit a report on specified aspects of the defendant's case, within 30 judicial days of the court's order, to the court, to each of the other agencies involved in the case, and to the defendant. The prosecutor's report shall include all of the following:

(1) A statement of whether the defendant's record indicates the defendant's diversion pursuant to this chapter within two years prior to the alleged commission of the charged divertible offense.

(2) If the prosecutor recommends that this chapter may be applicable to the defendant, he or she shall recommend either a dual or single agency diversion program and shall advise the court, the probation department, the regional center, and the defendant, in writing, of that determination within 20 judicial days of the court's order to prepare the report.

(3) If the prosecutor recommends against diversion, the prosecutor's report shall include a declaration in writing to state for the record the grounds upon which the recommendation was made, and the court shall determine, pursuant to Section 1001.23, whether the defendant shall be diverted.

(4) If dual agency diversion is recommended by the prosecutor, a copy of the prosecutor's report shall also be provided by the prosecutor to the probation department, the regional center, and the defendant within the above prescribed time period. This notification shall include all of the following:

(A) A full description of the proceedings for diversion and the prosecutor's investigation procedures.

(B) A general explanation of the role and authority of the probation department, the prosecutor, the regional center, and the court in the diversion program process.

(C) A clear statement that the court may decide in a hearing not to divert the defendant and that he or she may have to stand trial for the alleged offense.

(D) A clear statement that should the defendant fail in meeting the terms of his or her diversion, or if, during the period of diversion the defendant is subsequently charged with a felony, the defendant may be required, after a hearing, to stand trial for the original diverted offense.

(c) The probation department shall submit a report on specified aspects of the defendant's case within 30 judicial days of the court's order, to the court, to each of the other agencies involved in the case, and to the defendant. The probation department's report to the court shall be based upon an investigation by the probation department and consideration of the defendant's age, cognitive developmental disability, employment record, educational background, ties to community agencies and family, treatment history, criminal record if any, and demonstrable motivation and other mitigating factors in determining whether the defendant is a person who would benefit from a diversion-related treatment and habilitation program. The regional center's report in full shall be appended to the probation department's report to the court.

SEC. 5. Section 1001.23 of the Penal Code is amended to read:

1001.23. (a) Upon the court's receipt of the reports from the prosecutor, the probation department, and the regional center, and a determination by the regional center that the defendant does not have a cognitive developmental disability, the criminal proceedings for the offense charged shall proceed. If the defendant is found to have a cognitive developmental disability and to be eligible for regional center services, and the court determines from the various reports submitted to it that the proposed diversion program is acceptable to the court, the prosecutor, the probation department, and the regional center, and if the defendant consents to diversion and waives his or her right to a speedy trial, the court may order, without a hearing, that the diversion program be implemented for a period of time as prescribed in Section 1001.28.

(b) After consideration of the probation department's report, the report of the regional center, and the report of the prosecutor relating to his or her recommendation for or against diversion, and any other relevant information, the court shall determine if the defendant shall be diverted under either dual or single agency supervision, and referred for habilitation or rehabilitation diversion pursuant to this chapter. If the court does not deem the defendant a person who would benefit by diversion at the time of the hearing, the suspended criminal proceedings may be reinstituted, or any other disposition as authorized by law may be made, and diversion may be ordered at a later date.

(c) Where a dual agency diversion program is ordered by the court, the regional center shall submit a report to the probation department on the defendant's progress in the diversion program not less than every six months. Within five judicial days after receiving the regional center's report, the probation department shall submit its report on the defendant's progress in the diversion program, with the full report of the regional center appended, to the court and to the prosecutor. Where single agency diversion is ordered by the court, the regional center alone shall report the defendant's progress to the court and to the prosecutor not less than every six months.

SEC. 6. Notwithstanding Section 17610 of the Government Code, if the Commission on State Mandates determines that this act contains costs mandated by the state, reimbursement to local agencies and school districts for those costs shall be made pursuant to Part 7 (commencing with Section 17500) of Division 4 of Title 2 of the Government Code. If the statewide cost of the claim for reimbursement does not exceed one million dollars ($1,000,000), reimbursement shall be made from the State Mandates Claims Fund.

CHAPTER 291

An act to amend Section 25658 of the Business and Professions Code, relating to alcoholic beverages.

[Approved by Governor August 24, 2004. Filed with Secretary of State August 25, 2004.]

The people of the State of California do enact as follows:

SECTION 1. Section 25658 of the Business and Professions Code is amended to read:

25658. (a) Except as otherwise provided in subdivision (c), every person who sells, furnishes, gives, or causes to be sold, furnished, or given away, any alcoholic beverage to any person under the age of 21 years is guilty of a misdemeanor.

(b) Any person under the age of 21 years who purchases any alcoholic beverage, or any person under the age of 21 years who consumes any alcoholic beverage in any on-sale premises, is guilty of a misdemeanor.

(c) Any person who violates subdivision (a) by purchasing any alcoholic beverage for, or furnishing, giving, or giving away any alcoholic beverage to, a person under the age of 21 years, and the person under the age of 21 years thereafter consumes the alcohol and thereby proximately causes great bodily injury or death to himself, herself, or any other person, is guilty of a misdemeanor.

(d) Any on-sale licensee who knowingly permits a person under the age of 21 years to consume any alcoholic beverage in the on-sale premises, whether or not the licensee has knowledge that the person is under the age of 21 years, is guilty of a misdemeanor.

(e) (1) Except as otherwise provided in paragraph (2) or (3), any person who violates this section shall be punished by a fine of two hundred fifty dollars ($250), no part of which shall be suspended, or the person shall be required to perform not less than 24 hours or more than 32 hours of community service during hours when the person is not employed and is not attending school, or a combination of fine and community service as determined by the court. A second or subsequent violation of subdivision (b) shall be punished by a fine of not more than five hundred dollars ($500), or the person shall be required to perform not less than 36 hours or more than 48 hours of community service during hours when the person is not employed and is not attending school, or a combination of fine and community service as determined by the court. It is the intent of the Legislature that the community service requirements prescribed in this section require service at an alcohol or drug treatment program or facility or at a county coroner's office, if

available, in the area where the violation occurred or where the person resides.

(2) Except as provided in paragraph (3), any person who violates subdivision (a) by furnishing an alcoholic beverage, or causing an alcoholic beverage to be furnished, to a minor shall be punished by a fine of one thousand dollars ($1,000), no part of which shall be suspended, and the person shall be required to perform not less than 24 hours of community service during hours when the person is not employed and is not attending school.

(3) Any person who violates subdivision (c) shall be punished by imprisonment in a county jail for a minimum term of six months not to exceed one year, by a fine not exceeding one thousand dollars ($1,000), or by both imprisonment and fine.

(f) Persons under the age of 21 years may be used by peace officers in the enforcement of this section to apprehend licensees, or employees or agents of licensees, who sell alcoholic beverages to minors. Notwithstanding subdivision (b), any person under the age of 21 years who purchases or attempts to purchase any alcoholic beverage while under the direction of a peace officer is immune from prosecution for that purchase or attempt to purchase an alcoholic beverage. Guidelines with respect to the use of persons under the age of 21 years as decoys shall be adopted and published by the department in accordance with the rulemaking portion of the Administrative Procedure Act (Chapter 3.5 (commencing with Section 11340) of Part 1 of Division 3 of Title 2 of the Government Code). Law enforcement-initiated minor decoy programs in operation prior to the effective date of regulatory guidelines adopted by the department shall be authorized as long as the minor decoy displays to the seller of alcoholic beverages the appearance of a person under the age of 21 years. This subdivision shall not be construed to prevent the department from taking disciplinary action against a licensee who sells alcoholic beverages to a minor decoy prior to the department's final adoption of regulatory guidelines. After the completion of every minor decoy program performed under this subdivision, the law enforcement agency using the decoy shall notify licensees within 72 hours of the results of the program. When the use of a minor decoy results in the issuance of a citation, the notification required shall be given within 72 hours of the issuance of the citation. A law enforcement agency may comply with this requirement by leaving a written notice at the licensed premises addressed to the licensee, or by mailing a notice addressed to the licensee.

(g) The penalties imposed by this section do not preclude prosecution under any other provision of law, including, but not limited to, Section 272 of the Penal Code.

SEC. 2. No reimbursement is required by this act pursuant to Section 6 of Article XIII B of the California Constitution because the only costs that may be incurred by a local agency or school district will be incurred because this act creates a new crime or infraction, eliminates a crime or infraction, or changes the penalty for a crime or infraction, within the meaning of Section 17556 of the Government Code, or changes the definition of a crime within the meaning of Section 6 of Article XIII B of the California Constitution.

(3) Proof that the applicant has been in clinical practice as a registered dental hygienist or has been a full-time faculty member in an accredited dental hygiene education program for a minimum of 750 hours per year for at least five years preceding the date of his or her application under this section. The clinical practice requirement shall be deemed met if the applicant provides proof of at least three years of clinical practice and commits to completing the remaining two years of clinical practice by filing with the board a copy of a pending contract to practice dental hygiene in any of the following facilities:

(A) A primary care clinic licensed under subdivision (a) of Section 1204 of the Health and Safety Code.

(4) Proof that the applicant has not been subject to disciplinary action by any state in which he or she is or has been previously licensed as a registered dental hygienist or dentist. If the applicant has been subject

to disciplinary action, the board shall review that action to determine if it warrants refusal to issue a license to the applicant.

(5) Proof of graduation from a school of dental hygiene accredited by the Commission on Dental Accreditation.

(6) Proof of satisfactory completion of the Dental Hygiene National Board Examination and of a state or regional clinical licensure examination.

(7) Proof that the applicant has not failed the examination for licensure to practice dental hygiene under this chapter more than once or once within five years prior to the date of his or her application for a license under this section.

(8) Documentation of completion of a minimum of 25 units of continuing education earned in the two years preceding application, including completion of any continuing education requirements imposed by the board on registered dental hygienists licensed in this state at the time of application.

(9) Any other information as specified by the board to the extent that it is required of applicants for licensure by examination under this article.

(c) The board may periodically request verification of compliance with the requirements of paragraph (3) of subdivision (b), and may revoke the license upon a finding that the employment requirement or any other requirement of paragraph (3) has not been met.

(d) The board shall provide in the application packet to each out-of-state dental hygienist pursuant to this section the following information:

(1) The location of dental manpower shortage areas in the state.

(2) Any not-for-profit clinics, public hospitals, and accredited dental hygiene education programs seeking to contract with licensees for dental hygiene service delivery or training purposes.

(e) The board shall review the impact of this section on the availability of actively practicing dental hygienists in California and report to the appropriate policy and fiscal committees of the Legislature by January 1, 2006. The report shall include a separate section providing data specific to dental hygienists who intend to fulfill the alternative clinical practice requirements of subdivision (b). The report shall include, but not be limited to, the following:

(1) The number of applicants from other states who have sought licensure.

(2) The number of dental hygienists from other states licensed pursuant to this section, the number of licenses not granted under this section, and the reason why the license was not granted.

(3) The practice location of dental hygienists licensed pursuant to this section.

(4) The number of dental hygienists licensed pursuant to this section who establish a practice in a rural area or in an area designated as having a shortage of practicing dental hygienists or no dental hygienists or in a safety net facility identified in paragraph (3) of subdivision (b).

(5) The length of time dental hygienists licensed pursuant to this section practiced in the reported location.

(f) In identifying a dental hygienist's location of practice, the board shall use medical service study areas or other appropriate geographic descriptions for regions of the state.

(g) (1) The board shall license as a registered dental hygienist a third- or fourth-year dental student who is in good standing at an accredited California dental school and who satisfies the following requirements:

(A) Satisfactorily performs on an examination required by the board.

(B) Satisfactorily completes a national written dental hygiene examination approved by the board.

(2) A dental student who is granted a registered dental hygienist license pursuant to this subdivision may only practice in a dental practice that serves patients who are insured under Denti-Cal, the Healthy Families Program, or other government programs, or a dental practice that has a sliding scale fee system based on income.

(3) Upon receipt of a license to practice dentistry pursuant to Section 1634, a registered dental hygiene license issued pursuant to this subdivision is automatically revoked.

(4) The dental hygiene license is granted for two years upon passage of the dental hygiene examination, without the ability for renewal.

(5) Notwithstanding paragraph (4), if a dental student fails to remain in good standing at an accredited California dental school, or fails to graduate from the dental program, a registered dental hygiene license issued pursuant to this subdivision shall be revoked. The student shall be responsible for submitting appropriate verifying documentation to the board.

(6) The provisions of paragraphs (1) and (2) shall be reviewed pursuant to Division 1.2 (commencing with Section 473). However, the review shall be limited to the fiscal feasibility and impact on the board.

(7) This subdivision is inoperative as of January 1, 2009.

SEC. 3. The sum of one hundred thirty-eight thousand dollars ($138,000) in the 2004–05 fiscal year, and the sum of two hundred sixty-four thousand dollars ($264,000) in the 2005–06 fiscal year and subsequent fiscal years, is hereby appropriated from the State Dental Auxiliary Fund to the Committee on Dental Auxiliaries for operating expenses necessary to manage the dental hygiene licensing examination.

CHAPTER 295

An act to add Section 653y to the Penal Code, relating to public safety services.

[Approved by Governor August 24, 2004. Filed with Secretary of State August 25, 2004.]

The people of the State of California do enact as follows:

SECTION 1. The Legislature finds and declares the following:

(a) The purpose of this section is to ensure the availability of an enhanced ''911'' telephone system for the prime purpose of quick response to emergency situations, and to reduce false or nonemergency use of the system.

(b) The proper use of the 911 telephone system will allow the efficient use of available resources to respond to incidences of real emergency.

(c) The improper use of the 911 telephone system unnecessarily delays and obstructs public safety entities in the performance of their duties.

SEC. 2. Section 653y is added to the Penal Code, to read:

653y. (a) Any person who knowingly allows the use or who uses the 911 telephone system for any reason other than because of an emergency is guilty of an infraction, punishable as follows:

(1) For a first or second violation, a written warning shall be issued to the violator by the public safety entity originally receiving the call describing the punishment for subsequent violations. The written warning shall inform the recipient to notify the issuing agency that the warning was issued inappropriately if the recipient did not make, or knowingly allow the use of the 911 telephone system for, the nonemergency 911 call. The law enforcement agency may provide educational materials regarding the appropriate use of the 911 telephone system.

(2) For a third or subsequent violation, a citation may be issued by the public safety entity originally receiving the call pursuant to which the violator shall be subject to the following penalties that may be reduced by a court upon consideration of the violator's ability to pay:

(A) For a third violation, a fine of fifty dollars ($50).

(B) For a fourth violation, a fine of one hundred dollars ($100).

(C) For a fifth or subsequent violation, a fine of two hundred dollars ($200).

(b) The parent or legal guardian having custody and control of an unemancipated minor who violates this section shall be jointly and severally liable with the minor for the fine imposed pursuant to this section.

(c) For purposes of this section, ''emergency'' means any condition in which emergency services will result in the saving of a life, a reduction in the destruction of property, quicker apprehension of criminals, or assistance with potentially life-threatening medical problems, a fire, a need for rescue, an imminent potential crime, or a similar situation in which immediate assistance is required.

(d) Notwithstanding subdivision (a), this section shall not apply to a telephone corporation or any other entity for acts or omissions relating to the routine maintenance, repair, or operation of the 911 or 311 telephone system.

SEC. 3. No reimbursement is required by this act pursuant to Section 6 of Article XIII B of the California Constitution because the only costs that may be incurred by a local agency or school district will be incurred because this act creates a new crime or infraction, eliminates a crime or infraction, or changes the penalty for a crime or infraction, within the meaning of Section 17556 of the Government Code, or changes the definition of a crime within the meaning of Section 6 of Article XIII B of the California Constitution.

CHAPTER 296

An act to add Chapter 1.5 (commencing with Section 13995.150) to Part 4.7 of Division 3 of Title 2 of the Government Code, relating to tourism, making an appropriation therefor, and declaring the urgency thereof, to take effect immediately.

[Approved by Governor August 24, 2004. Filed with Secretary of State August 25, 2004.]

The people of the State of California do enact as follows:

SECTION 1. Chapter 1.5 (commencing with Section 13995.150) is added to Part 4.7 of Division 3 of Title 2 of the Government Code, to read:

CHAPTER 1.5. CALIFORNIA WELCOME CENTERS

13995.150. The Legislature finds and declares that a statewide network of visitor information centers, to be known as California Welcome Centers, that are readily accessible to and recognizable by tourists, would encourage tourism in California and provide benefits to the state economy.

13995.151. For the purpose of establishing and enhancing a statewide network of California Welcome Centers, the Office of Tourism shall perform the following functions and activities:

(a) Designate a statewide network of California Welcome Centers to be operated by one or more entities that include, but are not limited to, convention centers and visitor bureaus, chambers of commerce, local governments, state government, federal government, or private entities. The Office of Tourism may designate California Welcome Centers through the solicitation of offers to negotiate or proposals from interested entities. Only an entity that applies for designation as a California Welcome Center may be so designated by the Office of Tourism. Criteria for designation shall include, but not be limited to, accessibility, proximity to tourist attractions, size, appearance, and maintenance. The Office of Tourism may limit the number of designated California Welcome Centers within any geographic area of the state if necessary to prevent an excessive density of centers.

(b) Establish requirements for the operation of a designated California Welcome Center. These requirements shall be included in the written agreement with the operating entity and shall require, at a minimum, that the entity operate at hours convenient to visitors and display visitor information produced by government entities at no cost to those entities. The requirements may vary according to local conditions and needs. An agreement between the state and the operating entity pursuant to this section shall not be construed as an agreement for the provision of services to the state, or by the state. Nothing in this subdivision shall preclude a California Welcome Center from displaying visitor information produced by a tourism-related trade association or any other appropriate entity.

(c) Designate a logo for California Welcome Centers. The words ''California Welcome Center'' and the name of the location of the center, as designated by the Office of Tourism, shall be displayed prominently on the exterior of any California Welcome Center.

(d) Consult with the Department of Transportation in the design and placement of California Welcome Center highway signs to ensure that the design and placement of the highway signs are reasonably consistent with state and federal standards.

(e) (1) Except as provided in paragraph (3), prior to the costs being incurred, collect fees from any entity operating a California Welcome Center in an amount sufficient to cover the costs incurred by the state in administering this section. However, the Department of Transportation may charge centers directly for its initial and ongoing costs and fees related to highway sign production, construction, maintenance, and permitting, pursuant to Section 13995.152.

(2) Fees collected by the Office of Tourism pursuant to paragraph (1) shall be deposited in the Welcome Center Fund, which is hereby established in the State Treasury, to be available, upon appropriation by the Legislature, to the office to cover its costs in implementing this chapter.

(3) Notwithstanding paragraph (1), the office may, for the first 90 days after the effective date of this chapter, incur costs in administering its provisions prior to the collection of fees as described in paragraph (1). These costs shall be reimbursed by the appropriation of funds from the Welcome Center Fund.

13995.152. The Department of Transportation shall, to the maximum extent feasible, install and maintain California Welcome Center highway signs when requested by the Office of Tourism.

13995.153. Costs associated with the ongoing maintenance and operation of centers shall be borne by the entity operating a California Welcome Center.

13995.154. Every entity of state government shall cooperate with the Office of Tourism to further the provisions of this chapter.

13995.155. If the Office of Tourism drafts regulations to implement this chapter, the office shall submit the regulations to the California Tourism Commission for the commission's review prior to the adoption of the regulations.

SEC. 2. (a) The sum of fifty-five thousand dollars ($55,000) is hereby appropriated from the Welcome Center Fund to the Office of Tourism for the 2004–05 fiscal year, for the purposes of Section 13995.151 of the Government Code, including paragraph (3) of subdivision (e) of that section, as added by Section 1 of this act.

(b) Any unencumbered funds remaining from this appropriation as of June 30, 2005, shall revert to the Welcome Center Fund as of that date.

SEC. 3. This act is an urgency statute necessary for the immediate preservation of the public peace, health, or safety within the meaning of Article IV of the Constitution and shall go into immediate effect. The facts constituting the necessity are:

In order that the work of the Office of Tourism with respect to the designation of California Welcome Centers may continue at the earliest possible time, it is necessary that this act take effect immediately.

CHAPTER 297

An act to amend Sections 3412, 3417, 3418, and 3419 of the Penal Code, relating to prisoners.

[Approved by Governor August 24, 2004. Filed with
Secretary of State August 25, 2004.]

The people of the State of California do enact as follows:

SECTION 1. Section 3412 of the Penal Code is amended to read:

3412. (a) The Department of Corrections shall provide pediatric care consistent with medical standards and, to the extent feasible, shall be guided by the need to provide the following:

(1) A stable, caregiving, stimulating environment for the children as developed and supervised by professional guidance in the area of child development.

(2) Programs geared to assure the stability of the parent-child relationship during and after participation in the program, to be developed and supervised by appropriate professional guidance. These programs shall, at a minimum, be geared to accomplish the following:

(A) The mother's mental stability.

(B) The mother's familiarity with good parenting and housekeeping skills.

(C) The mother's ability to function in the community, upon parole or release, as a viable member.

(D) The securing of adequate housing arrangements after participation in the program.

(E) The securing of adequate child care arrangements after participation in the program.

(3) Utilization of the least restrictive alternative to incarceration and restraint possible to achieve the objectives of correction and of this chapter consistent with public safety and justice.

(b) (1) The Department of Corrections shall ensure that the children and mothers residing in a community treatment program have access to, and are permitted by the community treatment program to participate in, available local Head Start, Healthy Start, and programs for early childhood development pursuant to the California Children and Families Program (Division 108 (commencing with Section 130100) of the Health and Safety Code).

(2) The community treatment program shall provide each mother with written information about the available local programs, including the telephone numbers for enrolling a child in a program.

(3) The community treatment program shall also provide transportation to program services and otherwise assist and facilitate enrollment and participation for eligible children.

(4) Nothing in this subdivision shall be construed as granting or requiring preferential access or enrollment for children of incarcerated mothers to any of the programs specified in this subdivision.

SEC. 2. Section 3417 of the Penal Code is amended to read:

3417. (a) Subject to reasonable rules and regulations adopted pursuant to Section 3414, the Department of Corrections shall admit to the program any applicant whose child was born prior to the receipt of the inmate by the department, whose child was born after the receipt of the inmate by the department, or who is pregnant, if all of the following requirements are met:

(1) The applicant has a probable release or parole date with a maximum time to be served of six years, calculated after deduction of any possible good time credit.

(2) The applicant was the primary caretaker of the infant prior to incarceration. ''Primary caretaker'' as used in this chapter means a parent who has consistently assumed responsibility for the housing, health, and safety of the child prior to incarceration. A parent who, in the best interests of the child, has arranged for temporary care for the child in the home of a relative or other responsible adult shall not for that reason be excluded from the category, ''primary caretaker.''

(3) The applicant had not been found to be an unfit parent in any court proceeding. An inmate applicant whose child has been declared a dependent of the juvenile court pursuant to Section 300 of the Welfare and Institutions Code shall be admitted to the program only after the court has found that participation in the program is in the child's best interest and that it meets the needs of the parent and child pursuant to paragraph (3) of subdivision (e) of Section 361.5 of the Welfare and Institutions Code. The fact that an inmate applicant's child has been found to come within Section 300 of the Welfare and Institutions Code shall not, in and of itself, be grounds for denying the applicant the opportunity to participate in the program.

(b) The Department of Corrections shall deny placement in the community treatment program if it determines that an inmate would pose an unreasonable risk to the public, or if any one of the following factors exist, except in unusual circumstances or if mitigating circumstances exist, including, but not limited to, the remoteness in time of the commission of the offense:

(1) The inmate has been convicted of any of the following:

(A) A sex offense listed in Section 667.6.

(B) A sex offense requiring registration pursuant to Section 290.

(C) A violent offense listed in subdivision (c) of Section 667.5.

(D) Arson as defined in Sections 450 to 455, inclusive.

(E) The unlawful sale or possession for sale, manufacture, or transportation of controlled substances as defined in Chapter 6 (commencing with Section 11350) of Division 10 of the Health and Safety Code, if large scale for profit as defined by the department.

(2) There is probability the inmate may abscond from the program as evidenced by any of the following:

(A) A conviction of escape, of aiding another person to escape, or of an attempt to escape from a jail or prison.

(B) The presence of an active detainer from a law enforcement agency, unless the detainer is based solely upon warrants issued for failure to appear on misdemeanor Vehicle Code violations.

(3) It is probable the inmate's conduct in a community facility will be adverse to herself or other participants in the program, as determined by the Director of Corrections or as evidenced by any of the following:

(A) The inmate's removal from a community program which resulted from violation of state laws, rules, or regulations governing Department of Corrections' inmates.

(B) A finding of the inmate's guilt of a serious rule violation, as defined by the Director of Corrections, which resulted in a credit loss on one occasion of 91 or more days or in a credit loss on more than one occasion of 31 days or more and the credit has not been restored.

(C) A current written opinion of a staff physician or psychiatrist that the inmate's medical or psychiatric condition is likely to cause an adverse effect upon the inmate or upon other persons if the inmate is placed in the program.

(c) Nothing in this section shall be interpreted to limit the discretion of the Director of Corrections to deny or approve placement when subdivision (b) does not apply.

(d) The Department of Corrections shall determine if the applicant meets the requirements of this section within 30 days of the parent's application to the program. The department shall establish an appeal procedure for the applicant to appeal an adverse decision by the department.

SEC. 3. Section 3418 of the Penal Code is amended to read:

3418. (a) In the case of any inmate who gave birth to a child after the date of sentencing, and in the case of any inmate who gave birth to a child prior to that date and meets the requirements of Section 3417 but has not yet made application for admission to a program, the department shall, at the earliest possible date, but in no case later than the birth of the child, or the receipt of the inmate to the custody of the Department of Corrections, as the case may be, notify the inmate of the provisions of this chapter and provide her with a written application for the program described in this chapter.

(b) The notice provided by the department shall contain, but need not be limited to, guidelines for qualification for, and the timeframe for application to, the program and the process for appealing a denial of admittance.

SEC. 4. Section 3419 of the Penal Code is amended to read:

3419. (a) In the case of any inmate who gives birth after her receipt by the Department of Corrections, the department shall, subject to reasonable rules and regulations promulgated pursuant to Section 3414, provide notice of, and a written application for, the program described in this chapter, and upon her request, declare the inmate eligible to participate in a program pursuant to this chapter if all of the requirements of Section 3417 are met.

(b) The notice provided by the department shall contain, but need not be limited to, guidelines for qualification for, and the timeframe for application to, the program and the process for appealing a denial of admittance.

CHAPTER 298

An act to amend and repeal Section 361.4 of the Welfare and Institutions Code, relating to dependent children.

[Approved by Governor August 24, 2004. Filed with Secretary of State August 25, 2004.]

The people of the State of California do enact as follows:

SECTION 1. Section 361.4 of the Welfare and Institutions Code, as amended by Section 6 of Chapter 918 of the Statutes of 2002, is amended to read:

361.4. (a) Prior to placing a child in the home of a relative, or the home of any prospective guardian or other person who is not a licensed or certified foster parent, the county social worker shall visit the home to ascertain the appropriateness of the placement.

(b) Whenever a child may be placed in the home of a relative, or the home of any prospective guardian or other person who is not a licensed or certified foster parent, the court or county social worker placing the child shall cause a state and federal level criminal records check to be conducted by an appropriate governmental agency through the California Law Enforcement Telecommunications System pursuant to Section 16504.5. The criminal records check shall be conducted with regard to all persons over the age of 18 years living in the home, and on any other person over the age of 18 years, other than professionals providing professional services to the child, known to the placing entity who may have significant contact with the child, including any person who has a familial or intimate relationship with any person living in the home. A criminal records check may be conducted pursuant to this section on any person over the age of 14 years living in the home who

the county social worker believes may have a criminal record. Within five judicial days following the criminal records check conducted through the California Law Enforcement Telecommunications System, the social worker shall ensure that a fingerprint clearance check of the relative and any other person whose criminal record was obtained pursuant to this subdivision is initiated through the Department of Justice to ensure the accuracy of the criminal records check conducted through the California Law Enforcement Telecommunications System and shall review the results of any criminal records check to assess the safety of the home. The Department of Justice shall forward fingerprint requests for federal level criminal history information to the Federal Bureau of Investigation pursuant to this section.

(c) Whenever a child may be placed in the home of a relative, or a prospective guardian or other person who is not a licensed or certified foster parent, the county social worker shall cause a check of the Child Abuse Index pursuant to subdivision (a) of Section 11170 of the Penal Code to be requested from the Department of Justice. The Child Abuse Index check shall be conducted on all persons over the age of 18 years living in the home.

(d) (1) If the fingerprint clearance check indicates that the person has no criminal record, the county social worker and court may consider the home of the relative, prospective guardian, or other child who is not a licensed or certified foster parent for placement of a child.

(2) If the fingerprint clearance check indicates that the person has been convicted of a crime that would preclude licensure under Section 1522 of the Health and Safety Code, the child shall not be placed in the home, unless a criminal records exemption has been granted by the county, based on substantial and convincing evidence to support a reasonable belief that the person with the criminal conviction is of such good character as to justify the placement and not present a risk of harm to the child, pursuant to paragraph (3) of this subdivision.

(3) (A) A county may issue a criminal records exemption only if that county has been granted permission by the Director of Social Services to issue criminal records exemptions. The county may file a request with the Director of Social Services seeking permission for the county to establish a procedure to evaluate and grant appropriate individual criminal records exemptions for persons described in subdivision (b). The director shall grant or deny the county's request within 14 days of receipt. The county shall evaluate individual criminal records in accordance with the standards and limitations set forth in paragraph (1) of subdivision (g) of Section 1522 of the Health and Safety Code, and in no event shall the county place a child in the home of a person who is ineligible for an exemption under that provision.

(B) The department shall monitor county implementation of the authority to grant an exemption under this paragraph to ensure that the county evaluates individual criminal records and allows or disallows placements according to the standards set forth in paragraph (1) of subdivision (g) of Section 1522 of the Health and Safety Code.

(4) The department shall conduct an evaluation of the implementation of paragraph (3) through random sampling of county exemption decisions.

(5) The State Department of Social Services shall not evaluate or grant criminal record exemption requests for persons described in subdivision (b), unless the exemption request is made by an Indian tribe pursuant to subdivision (f).

(6) If a county has not requested, or has not been granted, permission by the State Department of Social Services to establish a procedure to evaluate and grant criminal records exemptions, the county may not place a child into the home of a person described in subdivision (b) if any person residing in the home has been convicted of a crime other than a minor traffic violation, except as provided in subdivision (f).

(e) Nothing in this section shall preclude a county from conducting a criminal background check that the county is otherwise authorized to conduct using fingerprints.

(f) Upon request from an Indian tribe, the State Department of Social Services shall evaluate an exemption request, if needed, to allow placement into an Indian home that the tribe has designated for placement under the Indian Child Welfare Act (25 U.S.C. Sec. 1901 et seq.) that would otherwise be barred under this section. However, if the county with jurisdiction over the child that is the subject of the tribe's request has established an approved procedure pursuant to paragraph (3) of subdivision (d), the tribe may request that the county evaluate the exemption request. Once a tribe has elected to have the exemption request reviewed by either the State Department of Social Services or the county, the exemption decision may only be made by that entity. Nothing in this subdivision limits the duty of a county social worker to evaluate the home for placement or to gather information needed to evaluate an exemption request.

(g) This section shall remain in effect only until January 1, 2010, and as of that date is repealed, unless a later enacted statute, that is enacted before January 1, 2010, deletes or extends that date.

SEC. 2. Section 361.4 of the Welfare and Institutions Code, as added by Section 5 of Chapter 918 of the Statutes of 2002, is repealed.

CHAPTER 299

An act to add Section 2603.5 to the Family Code, relating to domestic violence.

[Approved by Governor August 24, 2004. Filed with Secretary of State August 25, 2004.]

The people of the State of California do enact as follows:

SECTION 1. Section 2603.5 is added to the Family Code, to read:

2603.5. The court may, if there is a judgment for civil damages for an act of domestic violence perpetrated by one spouse against the other spouse, enforce that judgment against the abusive spouse's share of community property, if a proceeding for dissolution of marriage or legal separation of the parties is pending prior to the entry of final judgment.

CHAPTER 300

An act to amend Section 22348 of the Vehicle Code, relating to vehicles.

[Approved by Governor August 24, 2004. Filed with Secretary of State August 25, 2004.]

The people of the State of California do enact as follows:

SECTION 1. Section 22348 of the Vehicle Code is amended to read:

22348. (a) Notwithstanding subdivision (b) of Section 22351, a person shall not drive a vehicle upon a highway with a speed limit established pursuant to Section 22349 or 22356 at a speed greater than that speed limit.

(b) A person who drives a vehicle upon a highway at a speed greater than 100 miles per hour is guilty of an infraction punishable, as follows:

(1) Upon a first conviction of a violation of this subdivision, by a fine of not to exceed five hundred dollars ($500). The court may also suspend the privilege of the person to operate a motor vehicle for a period not to exceed 30 days pursuant to Section 13200.5.

(2) Upon a conviction under this subdivision of an offense that occurred within three years of a prior offense resulting in a conviction of an offense under this subdivision, by a fine of not to exceed seven hundred fifty dollars ($750). The person's privilege to operate a motor vehicle shall be suspended by the Department of Motor Vehicles pursuant to subdivision (a) of Section 13355.

(3) Upon a conviction under this subdivision of an offense that occurred within five years of two or more prior offenses resulting in convictions of offenses under this subdivision, by a fine of not to exceed one thousand dollars ($1,000). The person's privilege to operate a motor vehicle shall be suspended by the Department of Motor Vehicles pursuant to subdivision (b) of Section 13355.

(c) A vehicle subject to Section 22406 shall be driven in a lane designated pursuant to Section 21655, or if a lane has not been so designated, in the right-hand lane for traffic or as close as practicable to the right-hand edge or curb. When overtaking and passing another vehicle proceeding in the same direction, the driver shall use either the designated lane, the lane to the immediate left of the right-hand lane, or the right-hand lane for traffic as permitted under this code. If, however, specific lane or lanes have not been designated on a divided highway having four or more clearly marked lanes for traffic in one direction, a vehicle may also be driven in the lane to the immediate left of the right-hand lane, unless otherwise prohibited under this code. This subdivision does not apply to a driver who is preparing for a left- or right-hand turn or who is in the process of entering into or exiting from a highway or to a driver who is required necessarily to drive in a lane other than the right-hand lane to continue on his or her intended route.

CHAPTER 301

An act to add Section 3105 to the Family Code, and to add Section 1602 to the Probate Code, relating to visitation.

[Approved by Governor August 24, 2004. Filed with Secretary of State August 25, 2004.]

The people of the State of California do enact as follows:

SECTION 1. Section 3105 is added to the Family Code, to read:

3105. (a) The Legislature finds and declares that a parent's fundamental right to provide for the care, custody, companionship, and management of his or her children, while compelling, is not absolute. Children have a fundamental right to maintain healthy, stable relationships with a person who has served in a significant, judicially approved parental role.

(b) The court may grant reasonable visitation rights to a person who previously served as the legal guardian of a child, if visitation is determined to be in the best interest of the minor child.

(c) In the absence of a court order granting or denying visitation between a former legal guardian and his or her former minor ward, and if a dependency proceeding is not pending, a former legal guardian may maintain an independent action for visitation with his or her former minor ward. If the child does not have at least one living parent, visitation shall not be determined in a proceeding under the Family Code, but shall instead be determined in a guardianship proceeding which may be initiated for that purpose.

SEC. 2. Section 1602 is added to the Probate Code, to read:

1602. (a) The Legislature hereby finds and declares that guardians perform a critical and important role in the lives of minors, frequently assuming a parental role and caring for a child when the child's parent or parents are unable or unwilling to do so.

(b) Upon making a determination that a guardianship should be terminated pursuant to Section 1601, the court may consider whether continued visitation between the ward and the guardian is in the ward's best interest. As part of the order of termination, the court shall have jurisdiction to issue an order providing for ongoing visitation between a former guardian and his or her former minor ward after the termination of the guardianship. The order granting or denying visitation may not be modified unless the court determines, based upon evidence presented, that there has been a significant change of circumstances since the court issued the order and that modification of the order is in the best interest of the child.

(c) A copy of the visitation order shall be filed in any court proceeding relating to custody of the minor. If a prior order has not been filed, and a proceeding is not pending relating to the custody of the minor in the court of any county, the visitation order may be used as the sole basis for opening a file in the court of the county in which the custodial parent resides. While a parent of the child has custody of the child, proceedings for modification of the visitation order shall be determined in a proceeding under the Family Code.

CHAPTER 302

An act to amend Sections 798.16, 798.26, 798.37, and 799.1.5 of, to amend and renumber Section 798.285 of, and to add Section 799.2.5 to, the Civil Code, relating to mobilehome parks.

[Approved by Governor August 24, 2004. Filed with Secretary of State August 25, 2004.]

The people of the State of California do enact as follows:

SECTION 1. Section 798.16 of the Civil Code is amended to read:

(b) Management shall return an executed copy of the rental agreement to the homeowner within 15 business days after management has received the rental agreement signed by the homeowner.

SEC. 2. Section 798.26 of the Civil Code is amended to read:

798.26. (a) Except as provided in subdivision (b), the ownership or management of a park shall have no right of entry to a mobilehome without the prior written consent of the resident. The consent may be revoked in writing by the resident at any time. The ownership or management shall have a right of entry upon the land upon which a mobilehome is situated for maintenance of utilities, trees, and driveways, for maintenance of the premises in accordance with the rules and regulations of the park when the homeowner or resident fails to so maintain the premises, and protection of the mobilehome park at any reasonable time, but not in a manner or at a time that would interfere with the resident's quiet enjoyment.

(b) The ownership or management of a park may enter a mobilehome without the prior written consent of the resident in case of an emergency or when the resident has abandoned the mobilehome.

SEC. 3. Section 798.285 of the Civil Code is amended and renumbered to read:

798.28.5. (a) Except as otherwise provided in this section, the management may cause the removal, pursuant to Section 22658 of the Vehicle Code, of a vehicle other than a mobilehome that is parked in the park when there is displayed a sign at each entrance to the park as provided in paragraph (1) of subdivision (a) of Section 22658 of the Vehicle Code.

(b) (1) Management may not cause the removal of a vehicle from a homeowner's or resident's driveway or a homeowner's or resident's designated parking space except if management has first posted on the windshield of the vehicle a notice stating management's intent to remove the vehicle in seven days and stating the specific park rule that the vehicle has violated that justifies its removal. After the expiration of seven days following the posting of the notice, management may remove a vehicle that remains in violation of a rule for which notice has been posted upon the vehicle. If a vehicle rule violation is corrected within seven days after the rule violation notice is posted on the vehicle, the vehicle may not be removed. However, reasonable landscaping and maintenance requirements may be included in the park rules and regulations. The management may not require a homeowner or prospective homeowner to purchase, rent, or lease goods or services for landscaping, remodeling, or maintenance from any person, company, or corporation.

Any such person also may display a sign conforming to these requirements indicating that the mobilehome is on display for an ''open house,'' unless the park rules prohibit the display of an open house sign. The sign shall state the name, address, and telephone number of the owner of the mobilehome or his or her agent. The sign face may not exceed 24 inches from in width and 36 inches in height. Signs posted in from of a mobilehome pursuant to this section may be of an H-frame or A-frame design with the sign face perpendicular to, but not extending into, the street. At a minimum, these systems shall provide for the gathering of outcome data, staff and student perceptions of program effectiveness, and data on the implementation of the program and physical accessibility requirements of Section 794 of Title 29 of the Federal Rehabilitation Act of 1973.

(b) Commencing in January 1990, and every two years thereafter, the Board of Governors of the California Community Colleges and the Trustees of the California State University shall, for their respective systems, and the Regents of the University of California may, submit a report to the Governor, the education policy committees of the Legislature, and the California Postsecondary Education Commission on the evaluations developed pursuant to subdivision (a). [Approved by Governor August 24, 2004. Filed with Secretary of State August 25, 2004.]

The people of the State of California do enact as follows:

SECTION 1. Section 11571.1 of the Health and Safety Code is amended to read:

11571.1. (a) To effectuate the purposes of this article, the city prosecutor or city attorney may file, in the name of the people, an action for unlawful detainer against any person who is in violation of the nuisance or illegal purpose provisions of subdivision 4 of Section 1161 of the Code of Civil Procedure, with respect to a controlled substance purpose. In filing this action, which shall be based upon an arrest report or on another action or report by a regulatory or law enforcement agency, the city prosecutor or city attorney shall utilize the procedures set forth in Chapter 4 (commencing with Section 1159) of Title 3 of Part 3 of the Code of Civil Procedure, except that in cases filed under this section, the following also shall apply:

(1) (A) Prior to filing an action pursuant to this section, the city prosecutor or city attorney shall give 30-calendar days' written notice to the owner, requiring the owner to file an action for the removal of the person who is in violation of the nuisance or illegal purpose provisions of subdivision 4 of Section 1161 of the Code of Civil Procedure with respect to a controlled substance purpose.

(B) This notice shall include sufficient documentation establishing a violation of the nuisance or illegal purpose provisions of subdivision 4 of Section 1161 of the Code of Civil Procedure and shall be served upon the owner and the tenant in accordance with subdivision (e) of this section.

(C) The notice to the tenant shall also include on the bottom of its front page, in at least 14-point bold type, the following:

''Notice to Tenant: This notice is not a notice of eviction. However, you should know that an eviction action may soon be filed in court against you for suspected drug activity, as described above. You should call (insert name and telephone number of the city attorney or prosecutor pursuing the action) or legal aid to stop the eviction action if any of the following is applicable:

(i) You are not the person named in this notice.

(ii) The person named in the notice does not live with you.

(iii) The person named in the notice has permanently moved.

(iv) You do not know the person named in the notice.

(v) You have any other legal defense or legal reason to stop the eviction action.

A list of legal assistance providers is attached to this notice. Some provide free legal help if you are eligible.''

(D) The owner shall, within 30-calendar days of the mailing of the written notice, either provide the city prosecutor or city attorney with all relevant information pertaining to the unlawful detainer case, or provide a written explanation setting forth any safety-related reasons for noncompliance, and an assignment to the city prosecutor or city attorney of the right to bring an unlawful detainer action against the tenant.

(E) The assignment shall be on a form provided by the city prosecutor or city attorney and may contain a provision for costs of investigation, discovery, and reasonable attorney's fees, in an amount not to exceed six hundred dollars ($600).

(F) If the city prosecutor or city attorney accepts the assignment of the right of the owner to bring the unlawful detainer action, the owner shall retain all other rights and duties, including the handling of the tenant's personal property, following issuance of the writ of possession and its delivery to and execution by the appropriate agency.

(2) Upon the failure of the owner to file an action pursuant to this section, or to respond to the city prosecutor or city attorney as provided in paragraph (1), or having filed an action, if the owner fails to prosecute it diligently and in good faith, the city prosecutor or city attorney may file and prosecute the action, and join the owner as a defendant in the action. This action shall have precedence over any similar proceeding thereafter brought by the owner, or to one previously brought by the owner and not prosecuted diligently and in good faith. Service of the summons and complaint upon the defendant owner shall be in accordance with Sections 415.10, 415.20, 415.30, 415.40, and 415.50 of the Code of Civil Procedure.

(3) If a jury or court finds the defendant tenant guilty of unlawful detainer in a case filed pursuant to paragraph (2), the city prosecutor or city attorney may be awarded costs, including the costs of investigation and discovery and reasonable attorney's fees. These costs shall be

assessed against the defendant owner, to whom notice was directed pursuant to paragraph (1), and once an abstract of judgment is recorded, it shall constitute a lien on the subject real property.

(4) Nothing in this article shall prevent a local governing body from adopting and enforcing laws, consistent with this article relating to drug abatement. Where local laws duplicate or supplement this article, this article shall be construed as providing alternative remedies and not preempting the field.

(5) Nothing in this article shall prevent a tenant from receiving relief against a forfeiture of a lease pursuant to Section 1179 of the Code of Civil Procedure.

(b) In any proceeding brought under this section, the court may, upon a showing of good cause, issue a partial eviction ordering the removal of any person, including, but not limited to, members of the tenant's household if the court finds that the person has engaged in the activities described in subdivision (a). Persons removed pursuant to this section may be permanently barred from returning to or reentering any portion of the entire premises. The court may further order as an express condition of the tenancy that the remaining tenants shall not give permission to or invite any person who has been removed pursuant to this subdivision to return to or reenter any portion of the entire premises.

(c) For the purposes of this section, ''controlled substance purpose'' means the manufacture, cultivation, importation into the state, transportation, possession, possession for sale, sale, furnishing, administering, or giving away, or providing a place to use or fortification of a place involving, cocaine, phencyclidine, heroin, methamphetamine, or any other controlled substance, in a violation of subdivision (a) of Section 11350, Section 11351, 11351.5, 11352, or 11359, subdivision (a) of Section 11360, or Section 11366, 11366.6, 11377, 11378, 11378.5, 11379, 11379.5, 11379.6, or 11383, if the offense occurs on the subject real property and is documented by the observations of a peace officer.

(d) Notwithstanding subdivision (b) of Section 68097.2 of the Government Code, a public entity may waive all or part of the costs incurred in furnishing the testimony of a peace officer in an unlawful detainer action brought pursuant to this section.

(e) The notice and documentation described in paragraph (1) of subdivision (a) shall be given in writing and may be given either by personal delivery or by deposit in the United States mail in a sealed envelope, postage prepaid, addressed to the owner at the address known to the public entity giving the notice, or as shown on the last equalized assessment roll, if not known. Separate notice of not less than 30-calendar days and documentation shall be provided to the tenant in accordance with this subdivision. Service by mail shall be deemed to be completed at the time of deposit in the United States mail. Proof of

giving the notice may be made by a declaration signed under penalty of perjury by any employee of the public entity which shows service in conformity with this section.

(f) This section shall only apply to the following courts:

(1) In the County of Los Angeles, any court having jurisdiction over unlawful detainer cases involving real property situated in the City of Los Angeles or in the City of Long Beach.

(2) In the County of San Diego, any court having jurisdiction over unlawful detainer cases involving real property situated in the City of San Diego.

(3) In the County of Alameda, any court with jurisdiction over unlawful detainer cases involving real property situated in the City of Oakland.

(g) (1) The city attorney and city prosecutor of each participating jurisdiction shall provide to the Judicial Council the following information:

(A) The number of notices provided pursuant to paragraph (1) of subdivision (a).

(B) The number of cases filed by an owner, upon notice.

(C) The number of assignments executed by owners to the city attorney or city prosecutor.

(D) The number of three-day, 30-day, or 60-day notices issued by the city attorney or city prosecutor.

(E) The number of cases filed by the city attorney or city prosecutor.

(F) The number of times that an owner is joined as a defendant pursuant to this section.

(G) As to each case filed by an owner, the city attorney, or the city prosecutor, the following information:

(i) The number of judgments ordering an eviction or partial eviction (specify whether default, stipulated, or following trial).

(ii) The number of cases, listed by separate categories, in which the case was withdrawn or in which the tenant prevailed.

(iii) The number of other dispositions (specify disposition).

(iv) The number of defendants represented by counsel.

(v) Whether the case was a trial by the court or a trial by a jury.

(vi) Whether an appeal was taken, and, if so, the result of the appeal.

(h) This section shall remain in effect only until January 1, 2010, and as of that date is repealed unless a later enacted statute deletes or extends that date.

SEC. 2. The Legislature finds and declares that a special law is necessary and that a general law cannot be made applicable within the meaning of Section 16 of Article IV of the California Constitution because of the unique circumstances surrounding the drug problem in the jurisdictions specified in the bill. The facts constituting the special circumstances that distinguish these court jurisdictions in Los Angeles, San Diego, and Alameda Counties from other jurisdictions are the severity of the drug trafficking problem and the widespread use of rental housing to facilitate drug trafficking.

SEC. 3. Section 4009 of the Family Code is amended to read:

4009. An original order for child support may be made retroactive to the date of filing the petition, complaint, or other initial pleading. If the parent ordered to pay support was not served with the petition, complaint, or other initial pleading within 90 days after filing and the court finds that the parent was not intentionally evading service, the child support order shall be effective no earlier than the date of service.

SEC. 4. Section 4504 of the Family Code is amended to read:

4504. (a) If the noncustodial parent is receiving payments from the federal government pursuant to the Social Security Act or Railroad Retirement Act, or from the Department of Veterans Affairs because of the retirement or disability of the noncustodial parent and the noncustodial parent notifies the custodial person, or notifies the local child support agency in a case being enforced by the local child support agency pursuant to Title IV-D of the Social Security Act, then the custodial parent or other child support obligee shall contact the appropriate federal agency within 30 days of receiving notification that the noncustodial parent is receiving those payments to verify eligibility for each child to receive payments from the federal government because of the disability of the noncustodial parent. If the child is potentially eligible for those payments, the custodial parent or other child support obligee shall apply for and cooperate with the appropriate federal agency for the receipt of those benefits on behalf of each child. The noncustodial parent shall cooperate with the custodial parent or other child support obligee in making that application and shall provide any information necessary to complete the application.

(b) If the court has ordered a noncustodial parent to pay for the support of a child, payments for the support of the child made by the federal government pursuant to the Social Security Act or Railroad Retirement Act, or by the Department of Veterans Affairs because of the retirement or disability of the noncustodial parent and received by the custodial parent or other child support obligee shall be credited toward the amount ordered by the court to be paid by the noncustodial parent for support of the child unless the payments made by the federal government were taken into consideration by the court in determining the amount of support to be paid. Any payments shall be credited in the order set forth in Section 695.221 of the Code of Civil Procedure.

(c) If the custodial parent or other child support obligee refuses to apply for those benefits or fails to cooperate with the appropriate federal agency in completing the application but the child or children otherwise are eligible to receive those benefits, the noncustodial parent shall be credited toward the amount ordered by the court to be paid for that month by the noncustodial parent for support of the child or children in the amount of payment that the child or children would have received that month had the custodial parent or other child support obligee completed an application for the benefits if the noncustodial parent provides evidence to the local child support agency indicating the amount the child or children would have received. The credit for those payments shall continue until the child or children would no longer be eligible for those benefits or the order for child support for the child or children is no longer in effect, whichever occurs first.

SEC. 5. Section 17402 of the Family Code is amended to read:

17402. (a) In any case of separation or desertion of a parent or parents from a child or children that results in aid under Chapter 2 (commencing with Section 11200) of Part 3 of Division 9 of the Welfare and Institutions Code being granted to that family, the noncustodial parent or parents shall be obligated to the county for an amount equal to the amount specified in an order for the support and maintenance of the family issued by a court of competent jurisdiction.

(b) The local child support agency shall take appropriate action pursuant to this section as provided in subdivision (*l*) of Section 17400. The local child support agency may establish liability for child support as provided in subdivision (a) when public assistance was provided by another county or by other counties.

(c) The amount of the obligation established for each parent with a liability under subdivision (a) shall be determined by using the appropriate child support guideline currently in effect and shall be computed as follows:

(1) If one parent remains as a custodial parent, the support shall be computed according to the guideline.

(2) If the parents reside together and neither father nor mother remains as a custodial parent, the guideline support shall be computed by combining the noncustodial parents' incomes. The combined incomes shall be used as the high earner's net monthly disposable income in the guideline formula. Income shall not be attributed to the caretaker or governmental agency. The amount of guideline support resulting shall be proportionately shared between the noncustodial parents based upon their net monthly disposable incomes.

(3) If the parents reside apart and neither father nor mother remains as a custodial parent, the guideline support shall be computed separately

for each parent by treating each parent as a noncustodial parent. Income shall not be attributed to the caretaker or government agency.

(d) A parent shall pay the amount of support specified in the support order to the local child support agency.

CHAPTER 306

An act to amend Section 8700 of the Family Code, relating to adoption.

[Approved by Governor August 24, 2004. Filed with Secretary of State August 25, 2004.]

The people of the State of California do enact as follows:

SECTION 1. Section 8700 of the Family Code is amended to read:

8700. (a) Either birth parent may relinquish a child to the department or a licensed adoption agency for adoption by a written statement signed before two subscribing witnesses and acknowledged before an authorized official of the department or agency. The relinquishment, when reciting that the person making it is entitled to the sole custody of the child and acknowledged before the officer, is prima facie evidence of the right of the person making it to the sole custody of the child and the person's sole right to relinquish.

(b) A relinquishing parent who is a minor has the right to relinquish his or her child for adoption to the department or a licensed adoption agency, and the relinquishment is not subject to revocation by reason of the minority.

(c) If a relinquishing parent resides outside this state and the child is being cared for and is or will be placed for adoption by the department or a licensed adoption agency, the relinquishing parent may relinquish the child to the department or agency by a written statement signed by the relinquishing parent before a notary on a form prescribed by the department, and previously signed by an authorized official of the department or agency, that signifies the willingness of the department or agency to accept the relinquishment.

(d) If a relinquishing parent and child reside outside this state and the child will be cared for and will be placed for adoption by the department or a licensed adoption agency, the relinquishing parent may relinquish the child to the department or agency by a written statement signed by the relinquishing parent, after that parent has satisfied the following requirements:

(1) Prior to signing the relinquishment, the relinquishing parent shall have received, from a representative of an agency licensed or otherwise approved to provide adoption services under the laws of the relinquishing parent's state of residence, the same counseling and advisement services as if the relinquishing parent resided in this state.

(2) The relinquishment shall be signed before a representative of an agency licensed or otherwise approved to provide adoption services under the laws of the relinquishing parent's state of residence whenever possible or before a licensed social worker on a form prescribed by the department, and previously signed by an authorized official of the department or agency, that signifies the willingness of the department or agency to accept the relinquishment.

(e) The relinquishment authorized by this section has no effect until a certified copy is sent to, and filed with, the department. The licensed adoption agency shall send that copy by certified mail, return receipt requested, or by overnight courier or messenger, with proof of delivery, to the department no earlier than the end of the business day following the signing thereof. The relinquishment shall be final within 10 business days after receipt of the filing by the department, unless a longer period of time is necessary due to a pending court action or some other cause beyond the control of the department. After the relinquishment is filed and final, it may be rescinded only by the mutual consent of the department or licensed adoption agency to which the child was relinquished and the birth parent or parents relinquishing the child.

(f) The relinquishing parent may name in the relinquishment the person or persons with whom he or she intends that placement of the child for adoption be made by the department or licensed adoption agency.

(g) Notwithstanding subdivision (e), if the relinquishment names the person or persons with whom placement by the department or licensed adoption agency is intended and the child is not placed in the home of the named person or persons or the child is removed from the home prior to the granting of the adoption, the department or agency shall mail a notice by certified mail, return receipt requested, to the birth parent signing the relinquishment within 72 hours of the decision not to place the child for adoption or the decision to remove the child from the home.

(h) The relinquishing parent has 30 days from the date on which the notice described in subdivision (g) was mailed to rescind the relinquishment.

(1) If the relinquishing parent requests rescission during the 30-day period, the department or licensed adoption agency shall rescind the relinquishment.

(2) If the relinquishing parent does not request rescission during the 30-day period, the department or licensed adoption agency shall select adoptive parents for the child.

(3) If the relinquishing parent and the department or licensed adoption agency wish to identify a different person or persons during the 30-day period with whom the child is intended to be placed, the initial relinquishment shall be rescinded and a new relinquishment identifying the person or persons completed.

(i) If the parent has relinquished a child, who has been found to come within Section 300 of the Welfare and Institutions Code or is the subject of a petition for jurisdiction of the juvenile court under Section 300 of the Welfare and Institutions Code, to the department or a licensed adoption agency for the purpose of adoption, the department or agency accepting the relinquishment shall provide written notice of the relinquishment within five court days to all of the following:

(1) The juvenile court having jurisdiction of the child.

(2) The child's attorney, if any.

(3) The relinquishing parent's attorney, if any.

(j) The filing of the relinquishment with the department terminates all parental rights and responsibilities with regard to the child, except as provided in subdivisions (g) and (h).

(k) The department shall adopt regulations to administer the provisions of this section.

SEC. 2. It is the Legislature's intent, in enacting this act, to ensure that the process for the relinquishment for adoption of a child to the State Department of Social Services or a licensed adoption agency is expedited to the greatest extent possible while also ensuring that the interests of all parties are considered, especially the interests of the child.

CHAPTER 307

(A) Where the agent makes a specific agreement to pay the costs of disposition.

(B) Where, in the absence of a specific agreement, the agent makes decisions concerning disposition that incur costs, in which case the agent is liable only for the reasonable costs incurred as a result of the agent's decisions, to the extent that the decedent's estate or other appropriate fund is insufficient.

(2) The competent surviving spouse.

(3) The sole surviving competent adult child of the decedent, or if there is more than one competent adult child of the decedent, the majority of the surviving competent adult children. However, less than the majority of the surviving competent adult children shall be vested with the rights and duties of this section if they have used reasonable efforts to notify all other surviving competent adult children of their instructions and are not aware of any opposition to those instructions by the majority of all surviving competent adult children.

(4) The surviving competent parent or parents of the decedent. If one of the surviving competent parents is absent, the remaining competent parent shall be vested with the rights and duties of this section after reasonable efforts have been unsuccessful in locating the absent surviving competent parent.

(5) The sole surviving competent adult sibling of the decedent, or if there is more than one surviving competent adult sibling of the decedent, the majority of the surviving competent adult siblings. However, less than the majority of the surviving competent adult siblings shall be vested with the rights and duties of this section if they have used reasonable efforts to notify all other surviving competent adult siblings of their instructions and are not aware of any opposition to those instructions by the majority of all surviving competent adult siblings.

(6) The surviving competent adult person or persons respectively in the next degrees of kinship, or if there is more than one surviving competent adult person of the same degree of kinship, the majority of those persons. Less than the majority of surviving competent adult persons of the same degree of kinship shall be vested with the rights and duties of this section if those persons have used reasonable efforts to

(7) The public administrator when the deceased has sufficient assets.

(b) (1) If any person to whom the right of control has vested pursuant to subdivision (a) has been charged with first or second degree murder or voluntary manslaughter in connection with the decedent's death and those charges are known to the funeral director or cemetery authority, the right of control is relinquished and passed on to the next of kin in accordance with subdivision (a).

(2) If the charges against the person are dropped, or if the person is acquitted of the charges, the right of control is returned to the person.

(3) Notwithstanding this subdivision, no person who has been charged with first or second degree murder or voluntary manslaughter in connection with the decedent's death to whom the right of control has not been returned pursuant to paragraph (2) shall have any right to control disposition pursuant to subdivision (a) which shall be applied, to the extent the funeral director or cemetery authority know about the charges, as if that person did not exist.

(c) A funeral director or cemetery authority shall have complete authority to control the disposition of the remains, and to proceed under this chapter to recover usual and customary charges for the disposition, when both of the following apply:

(1) Either of the following applies:

(A) The funeral director or cemetery authority has knowledge that none of the persons described in paragraphs (1) to (6), inclusive, of subdivision (a) exists.

(B) None of the persons described in paragraphs (1) to (6), inclusive, of subdivision (a) can be found after reasonable inquiry, or contacted by reasonable means.

(2) The public administrator fails to assume responsibility for disposition of the remains within seven days after having been given written notice of the facts. Written notice may be delivered by hand, U.S. mail, facsimile transmission, or telegraph.

(d) The liability for the reasonable cost of final disposition devolves jointly and severally upon all kin of the decedent in the same degree of kinship and upon the estate of the decedent. However, if a person accepts the gift of an entire body under subdivision (a) of Section 7155.5, that person, subject to the terms of the gift, shall be liable for the reasonable cost of final disposition of the decedent.

(e) This section shall be administered and construed to the end that the expressed instructions of the decedent or the person entitled to control the disposition shall be faithfully and promptly performed.

(f) A funeral director or cemetery authority shall not be liable to any person or persons for carrying out the instructions of the decedent or the person entitled to control the disposition.

(g) For purposes of this section, ''adult'' means an individual who has attained 18 years of age, ''child'' means a natural or adopted child of the decedent, and ''competent'' means an individual who has not been declared incompetent by a court of law or who has been declared competent by a court of law following a declaration of incompetence.

SEC. 2. Section 7105 of the Health and Safety Code is amended to read:

7105. (a) If the person or persons listed in paragraphs (1), (3), (4), (5), and (6) of subdivision (a) of Section 7100 that would otherwise have the right to control the disposition and arrange for funeral goods and services fails to act, or fails to delegate his or her authority to act to some other person within seven days of the death, or in the case of a person listed in paragraph (2) of subdivision (a) of Section 7100, within 10 days of the death, the right to control the disposition and arrange for funeral goods and services shall be relinquished and passed on to the person or persons of the next degree of kinship in accordance with subdivision (a) of Section 7100.

(b) If the person or persons listed in paragraphs (1), (3), (4), (5), and (6) of subdivision (a) of Section 7100 that would otherwise have the right to control the disposition and arrange for funeral goods and services cannot be found within seven days of the death, or in the case of a person listed in paragraph (2) of subdivision (a) of Section 7100, within 10 days of the death, after reasonable inquiry, the right to control the disposition and arrange for funeral goods and services shall be relinquished and passed on to the person or persons of the next degree of kinship in accordance with subdivision (a) of Section 7100.

(c) If any persons listed in paragraphs (1) to (6), inclusive, of subdivision (a) of Section 7100 that would otherwise have equal rights to control the disposition and arrange for funeral goods and services fail to agree on disposition and funeral goods and services to be provided within seven days of the date on which the right and duty of disposition devolved upon the persons, a funeral establishment or a cemetery authority having possession of the remains, or any person who has equal right to control the disposition of the remains may file a petition in the superior court in the county in which the decedent resided at the time of his or her death, or in which the remains are located, naming as a party to the action those persons who would otherwise have equal rights to control the disposition and seeking an order of the court determining, as appropriate, who among those parties will have the control of disposition and to direct that person to make interment of the remains. The court, at the time of determining the person to whom the right of

disposition will vest, shall, from the remaining parties to the action, establish an alternate order to whom the right to control disposition will pass if the person vested with the right to control disposition fails to act within seven days.

(d) If the person vested with the duty of interment has criminal charges pending against him or her for the unlawful killing of the decedent, in violation of Section 187 of, or subdivision (a) or (b) of Section 192 of, the Penal Code, the person or persons with the next highest priority prescribed by Section 7100 may petition a court of competent jurisdiction for an order for control of the disposition of the decedent's remains. For this purpose, it shall be conclusively presumed that the petitioner is the person entitled to control the disposition of the remains if the petitioner is next in the order of priority specified in Section 7100.

SEC. 3. No reimbursement is required by this act pursuant to Section 6 of Article XIII B of the California Constitution because the only costs that may be incurred by a local agency or school district will be incurred because this act creates a new crime or infraction, eliminates a crime or infraction, or changes the penalty for a crime or infraction, within the meaning of Section 17556 of the Government Code, or changes the definition of a crime within the meaning of Section 6 of Article XIII B of the California Constitution.

(b) Notwithstanding subdivision (a), unless the owner of a building subject to subdivision (a) is in compliance with that subdivision on and after December 31, 2004, an owner who has received actual or constructive notice that a building located in seismic zone 4 is constructed of unreinforced masonry and has not been retrofitted in accordance with an adopted hazardous building ordinance or mitigation program shall post in a conspicuous place at the entrance of the building, on a sign not less than 8″ × 10″ the following statement, with the first two words printed in not less than 50-point bold type and the remainder in at least 30-point type:

CHAPTER 309

An act to amend Section 66801 of the Education Code, relating to community college attendance, and declaring the urgency thereof, to take effect immediately.

[Approved by Governor August 24, 2004. Filed with Secretary of State August 25, 2004.]

The people of the State of California do enact as follows:

SECTION 1. Section 66801 of the Education Code is amended to read:

66801. (a) The Board of Governors of the California Community Colleges is authorized to enter into an interstate attendance agreement with any statewide public agency of another state that is responsible for public institutions of postsecondary education providing the first two years of college instruction and that is an agency of a state that is a party to the Western Interstate Compact for Higher Education, for the exchange of residents, on a one-for-one basis, for the purposes of instruction.

(b) (1) As an alternative to the procedure established in subdivision (a), the board of governors may authorize the governing board of a community college district to enter into an interstate attendance agreement directly with the governing body of a public institution of postsecondary education providing the first two years of college instruction if the state in which the public institution is situated borders California, is a party to the Western Interstate Compact for Higher Education and the state is not represented by a statewide public agency that is responsible for public institutions of postsecondary education providing the first two years of college instruction.

(2) Each agreement entered into under this subdivision shall satisfy the requirements of subdivision (a), and shall become effective once fully executed and approved by the governing board of each participating district. There shall be no need to file a resolution as described in Section 66802 or for any further action by the board of governors. An interstate attendance agreement entered into under this subdivision may be effective on or after July 1, 2003.

(c) The agreement shall contain terms as the board of governors may adopt and that are consistent with the authority and responsibility of California community college districts and the community colleges they maintain. In no event shall an agreement permit or require the entry of California residents into institutions in another state on terms substantially different from those governing the admission of residents of the other state to California community colleges. These agreements shall contain the provision that no additional state funds shall be required to carry out the provisions of this chapter.

SEC. 2. This act is an urgency statute necessary for the immediate preservation of the public peace, health, or safety within the meaning of Article IV of the Constitution and shall go into immediate effect. The facts constituting the necessity are:

In order to allow the Board of Governors of the California Community Colleges to enter into interstate attendance agreements for the 2004–05 school year, it is necessary that this act take effect immediately.

CHAPTER 310

An act to add Section 6534 to the Government Code, relating to health care.

[Approved by Governor August 24, 2004. Filed with Secretary of State August 25, 2004.]

The people of the State of California do enact as follows:

SECTION 1. The Legislature finds and declares all of the following:

(a) California's prison inmate health care delivery system is in a state of disarray.

(b) Health care districts operate 32 rural public hospitals in California. Many of these hospitals are located within 10 miles of a state prison facility, and are able to provide all necessary health care services for the majority of prison inmates.

(c) California prison administrators frequently bypass health care district hospitals when seeking care for inmates, in favor of more distant and preferred hospitals.

(d) Health care districts operate public hospitals that provide more than 50 percent of all hospital care in rural California.

(e) California's rural district hospitals have struggled for financial survival for more than the past 10 years, posting net operating losses of more than $22,000,000 in 2002 according to the Office of Statewide Health Planning and Development.

(f) More extensive utilization of the rural public hospitals operated by health care districts for delivery of inmate health services leverages state inmate health care dollars to maximum effect ensuring the long-term survival of the state's rural health safety net while helping to reduce state General Fund expenditures for inmate health care.

(g) Health care district management expertise could significantly improve prison health facility management, health care utilization review, quality of health care review, and health care staff recruitment. This assistance would assist Department of Corrections staff in improving health care quality, access, and cost containment.

(h) More effective utilization of health care district hospitals could reduce the cost of outsourced inmate care by at least $20,000,000 annually, improve the quality of inmate health care, and improve the overall management of California's prison health care system.

(i) It is in the best interests of California's prison inmates, the State of California, and California's rural health safety net, that the Department of Corrections and health care districts form regional joint powers agencies to provide, arrange for, and assist in the provision of health care services to California prison inmates.

SEC. 2. Section 6534 is added to the Government Code, to read:

6534. (a) This section shall be known, and may be cited, as the California Prison Inmate Health Service Reform Act.

(b) The Department of Corrections may enter into joint powers agreements under this chapter with one or more health care districts established in accordance with Division 23 (commencing with Section 32000) of the Health and Safety Code, in order to establish regional inmate health service joint powers agencies.

(c) Inmate health service joint powers authorities may be utilized for any purpose related to the provision, acquisition, or coordination of inmate health care services, including, but not limited to, all of the following:

(1) The provision of district hospital-based surgical, diagnostic, emergency, trauma, acute care, skilled nursing, long-term, and inpatient psychiatric care.

(2) Health care utilization review services.

(3) Health facility management consultation services.

(4) Health care contract design, negotiation, management, and related consultation services.

(5) Health care quality monitoring, management, and oversight consulting services.

(6) Physician and health care staff recruitment services.

(7) The design, construction, and operation of dedicated, secure, community-based health care facilities for the provision of inmate health care services.

CHAPTER 311

An act to add Section 2051.5 to the Insurance Code, relating to fire insurance, and declaring the urgency thereof, to take effect immediately.

[Approved by Governor August 25, 2004. Filed with Secretary of State August 25, 2004.]

The people of the State of California do enact as follows:

SECTION 1. Section 2051.5 is added to the Insurance Code, to read:

2051.5. (a) Under an open policy that requires payment of the replacement cost for a loss, the measure of indemnity is the amount that it would cost the insured to repair, rebuild, or replace the thing lost or injured, without a deduction for physical depreciation, or the policy limit, whichever is less.

If the policy requires the insured to repair, rebuild, or replace the damaged property in order to collect the full replacement cost, the insurer shall pay the actual cash value of the damaged property, as defined in Section 2051, until the damaged property is repaired, rebuilt, or replaced. Once the property is repaired, rebuilt, or replaced, the insurer shall pay the difference between the actual cash value payment made and the full replacement cost reasonably paid to replace the damaged property, up to the limits stated in the policy.

(b) No time limit of less than 12 months from the date that the first payment toward the actual cash value is made shall be placed upon an insured in order to collect the full replacement cost of the loss, subject to the policy limit. Additional extensions of six months shall be provided to policyholders for good cause. In the event of a loss relating to a ''state of emergency,'' as defined in Section 8558 of the Government Code, no time limit of less than 24 months from the date that the first payment toward the actual cash value is made shall be placed upon the insured in order to collect the full replacement cost of the loss, subject to the policy limit. Nothing in this section shall prohibit the insurer from allowing the insured additional time to collect the full replacement cost.

(c) In the event of a total loss of the insured structure, no policy issued or delivered in this state may contain a provision that limits or denies payment of the replacement cost in the event the insured decides to rebuild or replace the property at a location other than the insured premises. However, the measure of indemnity shall be based upon the replacement cost of the insured property and shall not be based upon the cost to repair, rebuild, or replace at a location other than the insured premises.

(d) Nothing in this section shall prohibit an insurer from restricting payment in cases of suspected fraud.

(e) The changes made to this section by the act that added this subdivision shall be implemented by an insurer on and after the effective date of that act, except that an insurer shall not be required to modify policy forms to be consistent with those changes until July 1, 2005. On and after July 1, 2005, all policy forms used by an insurer shall reflect those changes.

SEC. 2. This act is an urgency statute necessary for the immediate preservation of the public peace, health, or safety within the meaning of Article IV of the Constitution and shall go into immediate effect. The facts constituting the necessity are:

In order to protect consumers of insurance who suffer the loss of their homes or other structures, it is necessary that this act take effect immediately.

CHAPTER 312

An act to amend Section 23057 of the Financial Code, relating to deferred deposit transactions.

[Approved by Governor August 25, 2004. Filed with Secretary of State August 25, 2004.]

The people of the State of California do enact as follows:

SECTION 1. Section 23057 of the Financial Code is amended to read:

23057. On December 1, 2007, the commissioner shall report to the Governor and the Legislature on its implementation of this division. The report shall include, at a minimum, information regarding the demand for deferred deposit transactions, the growth and trends in the industry, common practices for conducting the business of deferred deposit transactions, the advertising practices of the industry, including any violations of Section 23027, and any other information the commissioner deems necessary to inform the Governor and the Legislature regarding potential legislation that may be necessary to protect the people of the State of California. The commissioner's recommendations for future action may include, but are not limited to, changes in the fees charged to consumers, specifications regarding the length of time for deferred deposit transactions, maximum amount provided to consumers, additional regulation of advertising practices, and the implementation of an installment loan product in lieu of a deferred deposit transaction as described in this division.

As the commissioner conducts this study, licensees shall be required to supply all information the commissioner deems necessary. The study shall be made public and may not include any proprietary information.

CHAPTER 313

An act to amend Sections 17557, 17558, 17558.5, and 17561 of, and to add Section 17572 to, the Government Code, relating to state mandates.

[Approved by Governor August 25, 2004. Filed with Secretary of State August 25, 2004.]

The people of the State of California do enact as follows:

SECTION 1. Section 17557 of the Government Code is amended to read:

17557. (a) If the commission determines there are costs mandated by the state pursuant to Section 17555, it shall determine the amount to be subvened to local agencies and school districts for reimbursement. In so doing it shall adopt parameters and guidelines for reimbursement of any claims relating to the statute or executive order. The successful test claimants shall submit proposed parameters and guidelines within 30 days of adoption of a statement of decision on a test claim. At the request of a successful test claimant, the commission may provide for one or more extensions of this 30-day period at any time prior to its adoption of the parameters and guidelines. If proposed parameters and guidelines are not submitted within the 30-day period and the commission has not granted an extension, then the commission shall notify the test claimant that the amount of reimbursement the test claimant is entitled to for the first 12 months of incurred costs will be reduced by 20 percent, unless the test claimant can demonstrate to the commission why an extension of the 30-day period is justified.

(b) In adopting parameters and guidelines, the commission may adopt an allocation formula or uniform allowance that would provide for reimbursement of each local agency or school district of a specified amount each year.

(c) The parameters and guidelines adopted by the commission shall specify the fiscal years for which local agencies and school districts shall be reimbursed for costs incurred. However, the commission may not specify in the parameters and guidelines any fiscal year for which payment could be provided in the annual Budget Act.

(d) A local agency, school district, or the state may file a written request with the commission to amend, modify, or supplement the parameters or guidelines. The commission may, after public notice and hearing, amend, modify, or supplement the parameters and guidelines. A parameters and guidelines amendment submitted within 90 days of the claiming deadline for initial claims, as specified in the claiming instructions pursuant to Section 17561, shall apply to all years eligible for reimbursement as defined in the original parameters and guidelines. A parameters and guidelines amendment filed more than 90 days after the claiming deadline for initial claims, as specified in the claiming instructions pursuant to Section 17561, and on or before January 15 following a fiscal year, shall establish reimbursement eligibility for that fiscal year.

(e) A test claim shall be submitted on or before June 30 following a fiscal year in order to establish eligibility for reimbursement for that

fiscal year. The claimant may thereafter amend the test claim at any time prior to a commission hearing on the claim without affecting the original filing date if the amendment substantially relates to the original test claim.

SEC. 2. Section 17558 of the Government Code is amended to read:

17558. (a) The commission shall submit the adopted parameters and guidelines to the Controller. All claims relating to a statute or executive order that are filed after the adoption or amendment of parameters and guidelines pursuant to Section 17557 shall be transferred to the Controller who shall pay and audit the claims from funds made available for that purpose.

(b) Not later than 60 days after receiving the adopted parameters and guidelines from the commission, the Controller shall issue claiming instructions for each mandate that requires state reimbursement, to assist local agencies and school districts in claiming costs to be reimbursed. In preparing claiming instructions, the Controller may request the assistance of other state agencies. The claiming instructions shall be derived from the test claim decision and the parameters and guidelines adopted by the commission.

(c) The Controller shall, within 60 days after receiving revised adopted parameters and guidelines from the commission or other information necessitating a revision of the claiming instructions, prepare and issue revised claiming instructions for mandates that require state reimbursement that have been established by commission action pursuant to Section 17555 or after any decision or order of the commission pursuant to Section 17551. In preparing revised claiming instructions, the Controller may request the assistance of other state agencies.

SEC. 3. Section 17558.5 of the Government Code is amended to read:

17558.5. (a) A reimbursement claim for actual costs filed by a local agency or school district pursuant to this chapter is subject to the initiation of an audit by the Controller no later than three years after the date that the actual reimbursement claim is filed or last amended, whichever is later. However, if no funds are appropriated or no payment is made to a claimant for the program for the fiscal year for which the claim is filed, the time for the Controller to initiate an audit shall commence to run from the date of initial payment of the claim. In any case, an audit shall be completed no later than two years after the date that the audit is commenced.

(b) The Controller may conduct a field review of any claim after the claim has been submitted, prior to the reimbursement of the claim.

(c) The Controller shall notify the claimant in writing within 30 days after issuance of a remittance advice of any adjustment to a claim for

reimbursement that results from an audit or review. The notification shall specify the claim components adjusted, the amounts adjusted, interest charges on claims adjusted to reduce the overall reimbursement to the local agency or school district, and the reason for the adjustment. Remittance advices and other notices of payment action shall not constitute notice of adjustment from an audit or review.

(d) The interest rate charged by the Controller on reduced claims shall be set at the Pooled Money Investment Account rate and shall be imposed on the dollar amount of the overpaid claim from the time the claim was paid until overpayment is satisfied.

(e) Nothing in this section shall be construed to limit the adjustment of payments when inaccuracies are determined to be the result of the intent to defraud, or when a delay in the completion of an audit is the result of willful acts by the claimant or inability to reach agreement on terms of final settlement.

SEC. 4. Section 17561 of the Government Code is amended to read:

17561. (a) The state shall reimburse each local agency and school district for all ''costs mandated by the state,'' as defined in Section 17514.

(b) (1) For the initial fiscal year during which these costs are incurred, reimbursement funds shall be provided as follows:

(A) Any statute mandating these costs shall provide an appropriation therefor.

(B) Any executive order mandating these costs shall be accompanied by a bill appropriating the funds therefor, or alternatively, an appropriation for these costs shall be included in the Budget Bill for the next succeeding fiscal year. The executive order shall cite that item of appropriation in the Budget Bill or that appropriation in any other bill that is intended to serve as the source from which the Controller may pay the claims of local agencies and school districts.

(2) In subsequent fiscal years appropriations for these costs shall be included in the annual Governor's Budget and in the accompanying Budget Bill. In addition, appropriations to reimburse local agencies and school districts for continuing costs resulting from chaptered bills or executive orders for which claims have been awarded pursuant to subdivision (a) of Section 17551 shall be included in the annual Governor's Budget and in the accompanying Budget Bill subsequent to the enactment of the local government claims bill pursuant to Section 17600 that includes the amounts awarded relating to these chaptered bills or executive orders.

(c) The amount appropriated to reimburse local agencies and school districts for costs mandated by the state shall be appropriated to the Controller for disbursement.

(d) The Controller shall pay any eligible claim pursuant to this section within 60 days after the filing deadline for claims for reimbursement or 15 days after the date the appropriation for the claim is effective, whichever is later. The Controller shall disburse reimbursement funds to local agencies or school districts if the costs of these mandates are not payable to state agencies, or to state agencies that would otherwise collect the costs of these mandates from local agencies or school districts in the form of fees, premiums, or payments. When disbursing reimbursement funds to local agencies or school districts, the Controller shall disburse them as follows:

(1) For initial reimbursement claims, the Controller shall issue claiming instructions to the relevant local agencies and school districts pursuant to Section 17558. Issuance of the claiming instructions shall constitute a notice of the right of the local agencies and school districts to file reimbursement claims, based upon parameters and guidelines adopted by the commission.

(A) When claiming instructions are issued by the Controller pursuant to Section 17558 for each mandate determined pursuant to Section 17555 that requires state reimbursement, each local agency or school district to which the mandate is applicable shall submit claims for initial fiscal year costs to the Controller within 120 days of the issuance date for the claiming instructions.

(B) When the commission is requested to review the claiming instructions pursuant to Section 17571, each local agency or school district to which the mandate is applicable shall submit a claim for reimbursement within 120 days after the commission reviews the claiming instructions for reimbursement issued by the Controller.

(C) If the local agency or school district does not submit a claim for reimbursement within the 120-day period, or submits a claim pursuant to revised claiming instructions, it may submit its claim for reimbursement as specified in Section 17560. The Controller shall pay these claims from the funds appropriated therefor, provided that the Controller (i) may audit the records of any local agency or school district to verify the actual amount of the mandated costs, and (ii) may reduce any claim that the Controller determines is excessive or unreasonable.

(2) In subsequent fiscal years each local agency or school district shall submit its claims as specified in Section 17560. The Controller shall pay these claims from funds appropriated therefor, provided that the Controller (A) may audit the records of any local agency or school district to verify the actual amount of the mandated costs, (B) may reduce any claim that the Controller determines is excessive or unreasonable, and (C) shall adjust the payment to correct for any underpayments or overpayments which occurred in previous fiscal years.

(3) When paying a timely filed claim for initial reimbursement, the Controller shall withhold 20 percent of the amount of the claim until the claim is audited to verify the actual amount of the mandated costs. All initial reimbursement claims for all fiscal years required to be filed on their initial filing date for a state-mandated local program shall be considered as one claim for the purpose of computing any late claim penalty. Any claim for initial reimbursement filed after the filing deadline shall be reduced by 10 percent of the amount that would have been allowed had the claim been timely filed. The Controller may withhold payment of any late claim for initial reimbursement until the next deadline for funded claims unless sufficient funds are available to pay the claim after all timely filed claims have been paid. In no case may a reimbursement claim be paid if submitted more than one year after the filing deadline specified in the Controller's claiming instructions on funded mandates contained in a claims bill.

SEC. 5. Section 17572 is added to the Government Code, to read:

17572. (a) The commission shall amend the parameters and guidelines for the state-mandated local program contained in Chapter 752 of the Statutes of 1998, known as the Animal Adoption mandate (Case No. 98-TC-11), as specified below:

(1) Amend the formula for determining the reimbursable portion of acquiring or building additional shelter space that is larger than needed to comply with the increased holding period to specify that costs incurred to address preexisting shelter overcrowding or animal population growth are not reimbursable.

(2) Clarify how the costs for care and maintenance shall be calculated.

(3) Detail the documentation necessary to support reimbursement claims under this mandate, in consultation with the Bureau of State Audits and the Controller's office.

(b) The parameters and guidelines, as amended pursuant to this section, shall apply to claims for costs incurred in fiscal years commencing with the 2005–06 fiscal year in which Chapter 752 of the Statutes of 1998 is not suspended pursuant to Section 17581.

(c) Before funds are appropriated to reimburse local agencies for claims related to costs incurred in fiscal years commencing with the 2005–06 fiscal year pursuant to Sections 1834 and 1846 of the Civil Code, and Sections 31108, 31752, 31752.5, 31753, 32001, and 32003 of the Food and Agricultural Code, known as the Animal Adoption mandate, local agencies shall file reimbursement claims pursuant to the parameters and guidelines amended pursuant to this section, and the Controller's revised claiming instructions.

CHAPTER 314

An act to amend Sections 112685, 112845, and 112850 of the Health and Safety Code, relating to canneries.

[Approved by Governor August 25, 2004. Filed with Secretary of State August 25, 2004.]

The people of the State of California do enact as follows:

SECTION 1. Section 112685 of the Health and Safety Code is amended to read:

112685. There is in the state government a Cannery Inspection Board consisting of the following six members:

(a) The director of the state department, who shall act as chairperson.

(b) One person appointed by the director who shall have had at the time of his or her appointment at least 10 years experience in or with canning technology and has a degree in chemistry, bacteriology, or medicine.

(c) Four persons appointed by the director who are experienced, have substantial investments, and are actively engaged in the canning industry at the time of their appointment.

One of the four appointive members shall be engaged in the canning of animal food.

SEC. 2. Section 112845 of the Health and Safety Code is amended to read:

112845. The Cannery Inspection Fund is hereby established as a special fund in the State Treasury. All money received by the department under this chapter shall be deposited in the fund and expended by the department, upon appropriation by the Legislature, for the purpose of carrying out and implementing this chapter.

SEC. 3. Section 112850 of the Health and Safety Code is amended to read:

112850. Notwithstanding Section 112845, the department and the Department of Finance may authorize the deposit in the Special Deposit Fund of cash deposits received by the department under Section 112765; and in that event, upon the determination by the department that all or a part of any deposit is due the state for payment on account of the depositor's pro rata share of costs incurred by the state under this chapter, the amount so determined shall, on order of the Controller, be transferred from the Special Deposit Fund to the Cannery Inspection Fund.

All money deposited in the Special Deposit Fund under this section shall be subject to Article 2 (commencing with Section 16370) of Chapter 2 of Part 2 of Division 4 of Title 2 of the Government Code.

CHAPTER 315

An act to amend Section 17605 of the Welfare and Institutions Code, relating to social services.

[Approved by Governor August 25, 2004. Filed with Secretary of State August 25, 2004.]

The people of the State of California do enact as follows:

SECTION 1. Section 17605 of the Welfare and Institutions Code is amended to read:

17605. (a) For the 1992–93 fiscal year, the Controller shall deposit into the Caseload Subaccount of the Sales Tax Growth Account of the Local Revenue Fund, from revenues deposited into the Sales Tax Growth Account, an amount to be determined by the Department of Finance, that represents the sum of the shortfalls between the actual realignment revenues received by each county and each city and county from the Social Services Subaccount of the Local Revenue Fund in the 1991–92 fiscal year and the net costs incurred by each of those counties and cities and counties in the fiscal year for the programs described in Sections 10101, 10101.1, 11322, 11322.2, and 12306, subdivisions (a), (b), (c), and (d) of Section 15200, and Sections 15204.2 and 18906.5. The Department of Finance shall provide the Controller with an allocation schedule on or before August 15, 1993, that shall be used by the Controller to allocate funds deposited to the Caseload Subaccount under this subdivision. The Controller shall allocate these funds no later than August 27, 1993.

(b) (1) (A) For the 1993–94 fiscal year and fiscal years thereafter, the Controller shall deposit into the Caseload Subaccount of the Sales Tax Growth Account of the Local Revenue Fund, from revenues deposited into the Sales Tax Growth Account, an amount determined by the Department of Finance, in consultation with the appropriate state departments and the California State Association of Counties, that is sufficient to fund the net cost for the realigned portion of the county or city and county share of growth in social services caseloads, as specified in paragraph (2), and any share of growth from the previous year or years for which sufficient revenues were not available in the Caseload Subaccount. The Department of Finance shall provide the Controller

with an allocations schedule on or before March 15 of each year. The schedule shall be used by the Controller to allocate funds deposited into the Caseload Subaccount under this subdivision.

(B) It is the intent of the Legislature that counties shall receive allocations from the Caseload Subaccount as soon as possible after funds are received in the Sales Tax Growth Account. The Department of Finance shall recommend to the Legislature, by January 10, 2005, a procedure to expedite the preparation and provision of the allocations schedule described in subparagraph (A) and the allocation of funds by the Controller.

(2) For purposes of this subdivision, "growth" means the increase in the actual caseload expenditures for the prior fiscal year over the actual caseload expenditures for the fiscal year preceding the prior fiscal year for the programs described in Section 12306, subdivisions (a), (b), (c), and (d) of Section 15200, and Sections 10101, 15204.2 and 18906.5 of this code, and for which funds are allocated pursuant to subdivision (b) of Section 123940 of the Health and Safety Code.

(3) The difference in caseload expenditures between the fiscal years shall be multiplied by the factors that represent the change in county or city and county shares of the realigned programs. These products shall then be added or subtracted, taking into account whether the county's or city and county's share of costs was increased or decreased as a result of realignment, to yield each county's or city and county's allocation for caseload growth. Allocations for counties or cities and counties with allocations of less than zero shall be set at zero.

(c) On or before the 27th day of each month, the Controller shall allocate, to the local health and welfare trust fund social services account, the amounts deposited and remaining unexpended and unreserved on the 15th day of the month in the Caseload Subaccount, pursuant to the schedules of allocations of caseload growth described in subdivision (b). If there are insufficient funds to fully satisfy all caseload growth obligations, each county's or city and county's allocation for each program specified in subdivision (d) shall be prorated.

(d) Prior to allocating funds pursuant to subdivision (b), to the extent that funds are available from funds deposited in the Caseload Subaccount in the Sales Tax Growth Account in the Local Revenue Fund, the Controller shall allocate moneys to counties or cities and counties to correct any inequity or inequities in the computation of the child welfare services portion of the schedule required by subdivision (a) of Section 17602.

(e) (1) For the 2003–04 fiscal year, no Sales Tax Growth Account funds shall be allocated pursuant to this chapter until the caseload portion of the base of each county's social services account in the county's health and welfare trust fund is funded to the level of the

2001–02 fiscal year. Funds to meet this requirement shall be allocated from the Sales Tax Account of the Local Revenue Fund. If sufficient funds are not available in the Sales Tax Account of the Local Revenue Fund to achieve that funding level in the 2003–04 fiscal year, this requirement shall be funded in each succeeding fiscal year in which there are sufficient funds in the Sales Tax Account of the Local Revenue Fund until the caseload base funding level for which each county would have otherwise been eligible in accordance with subdivision (e) of Section 17602 for that year.

(2) The caseload portion of each county's social services account base shall be determined by subtracting its noncaseload portion of the base, as determined by the Department of Finance in its annual calculation of General Growth Account allocations, from the total base of each county's social services account for the 2001–02 fiscal year.

CHAPTER 316

An act to amend Section 17581.5 of the Government Code, relating to local mandate reimbursement, and declaring the urgency thereof, to take effect immediately.

[Approved by Governor August 25, 2004. Filed with Secretary of State August 25, 2004.]

The people of the State of California do enact as follows:

SECTION 1. Section 17581.5 of the Government Code is amended to read:

17581.5. (a) A school district may not be required to implement or give effect to the statutes, or portion thereof, identified in subdivision (b) during any fiscal year and for the period immediately following that fiscal year for which the Budget Act has not been enacted for the subsequent fiscal year if all of the following apply:

(1) The statute or portion thereof, has been determined by the Legislature, the commission, or any court to mandate a new program or higher level of service requiring reimbursement of school districts pursuant to Section 6 of Article XIII B of the California Constitution.

(2) The statute, or portion thereof, has been specifically identified by the Legislature in the Budget Act for the fiscal year as being one for which reimbursement is not provided for that fiscal year. For purposes of this paragraph, a mandate shall be considered to have been specifically identified by the Legislature only if it has been included within the schedule of reimbursable mandates shown in the Budget Act

and it is specifically identified in the language of a provision of the item providing the appropriation for mandate reimbursements.

(b) This section applies only to the following mandates:

(1) The School Bus Safety I (CSM-4433) and II (97-TC-22) mandates (Chapter 642 of the Statutes of 1992; Chapter 831 of the Statutes of 1994; and Chapter 739 of the Statutes of 1997).

(2) The School Crimes Reporting II mandate (97-TC-03; and Chapter 759 of the Statutes of 1992 and Chapter 410 of the Statutes of 1995).

(3) Investment reports (96-358-02; and Chapter 783 of the Statutes of 1995 and Chapters 156 and 749 of the Statutes of 1996).

(4) County treasury oversight committees (96-365-03; and Chapter 784 of the Statutes of 1995 and Chapter 156 of the Statutes of 1996).

SEC. 2. The Legislature hereby finds and declares that, notwithstanding a prior determination by the Board of Control, acting as the predecessor agency for the Commission on State Mandates, and pursuant to subdivision (d) of Section 17556 of the Government Code, the state-mandated local program imposed by Chapter 1131 of the Statutes of 1975 no longer constitutes a reimbursable mandate under Section 6 of Article XIII B of the California Constitution because subdivision (e) of Section 2207 of the Public Resources Code, as added by Chapter 1097 of the Statutes of 1990, confers on local agencies subject to that mandate authority to levy fees sufficient to pay for the mandated program.

SEC. 3. Notwithstanding any other provision of law, by January 1, 2006, the Commission on State Mandates shall reconsider whether each of the following statutes constitutes a reimbursable mandate under Section 6 of Article XIII B of the California Constitution in light of federal statutes enacted and federal and state court decisions rendered since these statutes were enacted:

(a) Sex offenders: disclosure by law enforcement officers (97-TC-15; and Chapters 908 and 909 of the Statutes of 1996, Chapters 17, 80, 817, 818, 819, 820, 821, and 822 of the Statutes of 1997, and Chapters 485, 550, 927, 928, 929, and 930 of the Statutes of 1998).

(b) Extended commitment, Youth Authority (98-TC-13; and Chapter 267 of the Statutes of 1998).

(c) Brown Act Reforms (CSM-4469; and Chapters 1136, 1137, and 1138 of the Statutes of 1993, and Chapter 32 of the Statutes of 1994).

(d) Photographic Record of Evidence (No. 98-TC-07; and Chapter 875 of the Statutes of 1985, Chapter 734 of the Statutes of 1986, and Chapter 382 of the Statutes of 1990).

SEC. 4. The Legislature hereby finds and declares that the following statutes no longer constitute a reimbursable mandate under Section 6 of Article XIII B of the California Constitution because provisions containing the reimbursable mandate have been repealed:

(a) Democratic Party presidential delegates (CSM-4131; and Chapter 1603 of the Statutes of 1982 and Chapter 8 of the Statutes of 1988, which enacted statutes that were repealed by Chapter 920 of the Statutes of 1994).

(b) Short-Doyle case management, Short-Doyle audits, and residential care services (CSM-4238; and Chapter 815 of the Statutes of 1979, Chapter 1327 of the Statutes of 1984, and Chapter 1352 of the Statutes of 1985, which enacted statutes that were repealed by Chapter 89 of the Statutes of 1991).

SEC. 5. This act is an urgency statute necessary for the immediate preservation of the public peace, health, or safety within the meaning of Article IV of the Constitution and shall go into immediate effect. The facts constituting the necessity are:

In order to make necessary statutory changes to fully implement the Budget Act of 2003 at the earliest possible time, it is necessary that this act take effect immediately.

CHAPTER 317

An act to amend Section 1936 of the Civil Code, relating to vehicle rental agreements.

[Approved by Governor August 25, 2004. Filed with Secretary of State August 25, 2004.]

The people of the State of California do enact as follows:

SECTION 1. Section 1936 of the Civil Code, as amended by Section 2 of Chapter 948 of the Statutes of 2002, is amended to read:

1936. (a) For the purpose of this section, the following definitions shall apply:

(1) ''Rental company'' means any person or entity in the business of renting passenger vehicles to the public.

(2) ''Renter'' means any person in any manner obligated under a contract for the lease or hire of a passenger vehicle from a rental company for a period of less than 30 days.

(3) ''Authorized driver'' means (A) the renter, (B) the renter's spouse if that person is a licensed driver and satisfies the rental company's minimum age requirement, (C) the renter's employer or coworker if they are engaged in business activity with the renter, are licensed drivers, and satisfy the rental company's minimum age requirement, and (D) any person expressly listed by the rental company on the renter's contract as an authorized driver.

(4) (A) ''Customer facility charge'' means a fee required by an airport to be collected by a rental company from a renter for any of the following purposes:

(i) The fee shall be used to finance, design, and construct consolidated airport car rental facilities.

(ii) The fee shall be used to finance, design, construct, and provide common use transportation systems that move passengers between airport terminals and those consolidated car rental facilities.

(B) The aggregate amount to be collected may not exceed the reasonable costs, as determined by an independent audit paid for by the airport, to finance, design, and construct those facilities. Copies of the audit shall be provided to the Assembly and Senate Committees on Judiciary and Committees on Transportation. In the case of a transportation system, the audit shall also consider the reasonable costs of providing the transit system or busing network. At the Burbank Airport, and at all other airports, the fees designated as a Customer Facility Charge may not be used to pay for terminal expansion, gate expansion, runway expansion, changes in hours of operation, or changes in the number of flights arriving or departing from the airport.

(C) The authorization given pursuant to this section for an airport to impose a customer facility charge shall become inoperative when the bonds used for financing are paid.

(5) ''Damage waiver'' means a rental company's agreement not to hold a renter liable for all or any portion of any damage or loss related to the rented vehicle, any loss of use of the rented vehicle, or any storage, impound, towing, or administrative charges.

(6) ''Electronic surveillance technology'' means a technological method or system used to observe, monitor, or collect information, including telematics, Global Positioning System (GPS), wireless technology, or location-based technologies. ''Electronic surveillance technology'' does not include event data recorders (EDR), sensing and diagnostic modules (SDM), or other systems that are used either:

(A) For the purpose of identifying, diagnosing, or monitoring functions related to the potential need to repair, service, or perform maintenance on the rental vehicle.

(B) As part of the vehicle's airbag sensing and diagnostic system in order to capture safety systems-related data for retrieval after a crash has occurred or in the event that the collision sensors are activated to prepare the decisionmaking computer to make the determination to deploy or not to deploy the airbag.

(7) ''Estimated time for replacement'' means the number of hours of labor, or fraction thereof, needed to replace damaged vehicle parts as set forth in collision damage estimating guides generally used in the vehicle repair business and commonly known as ''crash books.''

(8) ''Estimated time for repair'' means a good faith estimate of the reasonable number of hours of labor, or fraction thereof, needed to repair damaged vehicle parts.

(9) ''Membership program'' means a service offered by a rental company that permits customers to bypass the rental counter and go directly to the car previously reserved. A membership program shall meet all of the following requirements:

(A) The renter initiates enrollment by completing an application on which the renter can specify a preference for type of vehicle and acceptance or declination of optional services.

(B) The rental company fully discloses, prior to the enrollee's first rental as a participant in the program, all terms and conditions of the rental agreement as well as all required disclosures.

(C) The renter may terminate enrollment at any time.

(D) The rental company fully explains to the renter that designated preferences, as well as acceptance or declination of optional services, may be changed by the renter at any time for the next and future rentals.

(E) An employee designated to receive the form specified in subparagraph (C) of paragraph (1) of subdivision (r) is present at the lot where the renter takes possession of the car, to receive any change in the rental agreement from the renter.

(10) ''Passenger vehicle'' means a passenger vehicle as defined in Section 465 of the Vehicle Code.

(b) Except as limited by subdivision (c), a rental company and a renter may agree that the renter will be responsible for no more than all of the following:

(1) Physical or mechanical damage to the rented vehicle up to its fair market value, as determined in the customary market for the sale of that vehicle, resulting from collision regardless of the cause of the damage.

(2) Loss due to theft of the rented vehicle up to its fair market value, as determined in the customary market for the sale of that vehicle, provided that the rental company establishes by clear and convincing evidence that the renter or the authorized driver failed to exercise ordinary care while in possession of the vehicle. In addition, the renter shall be presumed to have no liability for any loss due to theft if (A) an authorized driver has possession of the ignition key furnished by the rental company or an authorized driver establishes that the ignition key furnished by the rental company was not in the vehicle at the time of the theft, and (B) an authorized driver files an official report of the theft with the police or other law enforcement agency within 24 hours of learning of the theft and reasonably cooperates with the rental company and the police or other law enforcement agency in providing information concerning the theft. The presumption set forth in this paragraph is a presumption affecting the burden of proof which the rental company

may rebut by establishing that an authorized driver committed, or aided and abetted the commission of, the theft.

(3) Physical damage to the rented vehicle up to its fair market value, as determined in the customary market for the sale of that vehicle, resulting from vandalism occurring after, or in connection with, the theft of the rented vehicle. However, the renter shall have no liability for any damage due to vandalism if the renter would have no liability for theft pursuant to paragraph (2).

(4) Physical damage to the rented vehicle up to a total of five hundred dollars ($500) resulting from vandalism unrelated to the theft of the rented vehicle.

(5) Actual charges for towing, storage, and impound fees paid by the rental company if the renter is liable for damage or loss.

(6) An administrative charge, which shall include the cost of appraisal and all other costs and expenses incident to the damage, loss, repair, or replacement of the rented vehicle.

(c) The total amount of the renter's liability to the rental company resulting from damage to the rented vehicle may not exceed the sum of the following:

(1) The estimated cost of parts which the rental company would have to pay to replace damaged vehicle parts. All discounts and price reductions or adjustments that are or will be received by the rental company shall be subtracted from the estimate to the extent not already incorporated in the estimate or otherwise promptly credited or refunded to the renter.

(2) The estimated cost of labor to replace damaged vehicle parts which may not exceed the product of (A) the rate for labor usually paid by the rental company to replace vehicle parts of the type that were damaged and (B) the estimated time for replacement. All discounts and price reductions or adjustments that are or will be received by the rental company shall be subtracted from the estimate to the extent not already incorporated in the estimate or otherwise promptly credited or refunded to the renter.

(3) (A) The estimated cost of labor to repair damaged vehicle parts, which may not exceed the lesser of the following:

(i) The product of the rate for labor usually paid by the rental company to repair vehicle parts of the type that were damaged and the estimated time for repair.

(ii) The sum of the estimated labor and parts costs determined under paragraphs (1) and (2) to replace the same vehicle parts.

(B) All discounts and price reductions or adjustments that are or will be received by the rental company shall be subtracted from the estimate to the extent not already incorporated in the estimate or otherwise promptly credited or refunded to the renter.

(4) For the purpose of converting the estimated time for repair into the same units of time in which the rental rate is expressed, a day shall be deemed to consist of eight hours.

(5) Actual charges for towing, storage, and impound fees paid by the rental company.

(6) The administrative charge described in paragraph (6) of subdivision (b) may not exceed (A) fifty dollars ($50) if the total estimated cost for parts and labor is more than one hundred dollars ($100) up to and including five hundred dollars ($500), (B) one hundred dollars ($100) if the total estimated cost for parts and labor exceeds five hundred dollars ($500) up to and including one thousand five hundred dollars ($1,500), and (C) one hundred fifty dollars ($150) if the total estimated cost for parts and labor exceeds one thousand five hundred dollars ($1,500). No administrative charge may be imposed if the total estimated cost of parts and labor is one hundred dollars ($100) or less.

(d) (1) The total amount of an authorized driver's liability to the rental company, if any, for damage occurring during the authorized driver's operation of the rented vehicle may not exceed the amount of the renter's liability under subdivision (c).

(2) A rental company may not recover from the renter or other authorized driver an amount exceeding the renter's liability under subdivision (c).

(3) A claim against a renter resulting from damage or loss, excluding loss of use, to a rental vehicle shall be reasonably and rationally related to the actual loss incurred. A rental company shall mitigate damages where possible and may not assert or collect any claim for physical damage which exceeds the actual costs of the repairs performed or the estimated cost of repairs, if the rental company chooses not to repair the vehicle, including all discounts and price reductions. However, if the vehicle is a total loss vehicle, the claim may not exceed the total loss vehicle value established in accordance with procedures that are customarily used by insurance companies when paying claims on total loss vehicles, less the proceeds from salvaging the vehicle, if those proceeds are retained by the rental company.

(4) If insurance coverage exists under the renter's applicable personal or business insurance policy and the coverage is confirmed during regular business hours, the renter may require that the rental company submit any claims to the renter's applicable personal or business insurance carrier. The rental company may not make any written or oral representations that it will not present claims or negotiate with the renter's insurance carrier. For purposes of this paragraph, confirmation of coverage includes telephone confirmation from insurance company representatives during regular business hours. Upon request of the renter and after confirmation of coverage, the amount of claim shall be resolved

between the insurance carrier and the rental company. The renter shall remain responsible for payment to the rental car company for any loss sustained that the renter's applicable personal or business insurance policy does not cover.

(5) A rental company may not recover from the renter or other authorized driver for any item described in subdivision (b) to the extent the rental company obtains recovery from any other person.

(6) This section applies only to the maximum liability of a renter or other authorized driver to the rental company resulting from damage to the rented vehicle and not to the liability of any other person.

(e) (1) Except as provided in subdivision (f), every damage waiver shall provide or, if not expressly stated in writing, shall be deemed to provide that the renter has no liability for any damage, loss, loss of use, or any cost or expense incident thereto.

(2) Except as provided in subdivision (f), every limitation, exception, or exclusion to any damage waiver is void and unenforceable.

(f) A rental company may provide in the rental contract that a damage waiver does not apply under any of the following circumstances:

(1) Damage or loss results from an authorized driver's (A) intentional, willful, wanton, or reckless conduct, (B) operation of the vehicle under the influence of drugs or alcohol in violation of Section 23152 of the Vehicle Code, (C) towing or pushing anything, or (D) operation of the vehicle on an unpaved road if the damage or loss is a direct result of the road or driving conditions.

(2) Damage or loss occurs while the vehicle is (A) used for commercial hire, (B) used in connection with conduct that could be properly charged as a felony, (C) involved in a speed test or contest or in driver training activity, (D) operated by a person other than an authorized driver, or (E) operated outside of the United States.

(3) Any authorized driver who has (A) provided fraudulent information to the rental company, or (B) provided false information and the rental company would not have rented the vehicle if it had instead received true information.

(g) (1) A rental company that offers or provides a damage waiver for any consideration in addition to the rental rate shall clearly and conspicuously disclose the following information in the rental contract or holder in which the contract is placed and, also, in signs posted at the place, such as the counter, where the renter signs the rental contract, and, for renters who are enrolled in the rental company's membership program, in a sign which shall be posted in a location clearly visible to those renters as they enter the location where their reserved rental cars are parked or near the exit of the bus or other conveyance that transports the enrollee to a reserved car: (A) the nature of the renter's liability, e.g., liability for all collision damage regardless of cause, (B) the extent of the

renter's liability, e.g., liability for damage or loss up to a specified amount, (C) the renter's personal insurance policy or the credit card used to pay for the car rental transaction may provide coverage for all or a portion of the renter's potential liability, (D) the renter should consult with his or her insurer to determine the scope of insurance coverage, including the amount of the deductible, if any, for which the renter is obligated, (E) the renter may purchase an optional damage waiver to cover all liability, subject to whatever exceptions the rental company expressly lists that are permitted under subdivision (f), and (F) the range of charges for the damage waiver.

(2) In addition to the requirements of paragraph (1), a rental company that offers or provides a damage waiver shall, orally disclose to all renters, except those who are participants in the rental company's membership program, that the damage waiver may be duplicative of coverage that the customer maintains under his or her own policy of motor vehicle insurance. The renter's receipt of the oral disclosure shall be demonstrated through the renter acknowledging receipt of the oral disclosure near that part of the contract where the renter indicates, by the renter's own initials, his or her acceptance or declination of the damage waiver. Adjacent to that same part, the contract shall also state that the damage waiver is optional.

(3) The following is an example, for purposes of illustration and not limitation, of a notice fulfilling the requirements of paragraph (1) for a rental company that imposes liability on the renter for collision damage to the full value of the vehicle:

NOTICE ABOUT YOUR FINANCIAL RESPONSIBILITY AND OPTIONAL DAMAGE WAIVER

You are responsible for all collision damage to the rented vehicle even if someone else caused it or the cause is unknown. You are responsible for the cost of repair up to the value of the vehicle, and towing, storage, and impound fees.

Your own insurance, or the issuer of the credit card you use to pay for the car rental transaction, may cover all or part of your financial responsibility for the rented vehicle. You should check with your insurance company, or credit card issuer, to find out about your coverage and the amount of the deductible, if any, for which you may be liable.

Further, if you use a credit card that provides coverage for your potential liability, you should check with the issuer to determine if you must first exhaust the coverage limits of your own insurance before the credit card coverage applies.

The rental company will not hold you responsible if you buy a damage waiver. But a damage waiver will not protect you if (list exceptions).

(A) When the above notice is printed in the rental contract or holder in which the contract is placed, the following shall be printed immediately following the notice:

''The cost of an optional damage waiver is $____ for every (day or week).''

(B) When the above notice appears on a sign, the following shall appear immediately adjacent to the notice:

''The cost of an optional damage waiver is $____ to $____ for every (day or week), depending upon the vehicle rented.''

(h) Notwithstanding any other provision of law, a rental company may sell a damage waiver subject to the following rate limitations for each full or partial 24-hour rental day for the damage waiver.

(1) For rental vehicles that the rental company designates as an ''economy car,'' ''subcompact car,'' ''compact car,'' or any other term having similar meaning when offered for rental, or any other vehicle having a manufacturer's suggested retail price of nineteen thousand dollars ($19,000) or less, the rate may not exceed nine dollars ($9).

(2) For rental vehicles that have a manufacturer's suggested retail price from nineteen thousand one dollars ($19,001) to thirty-four thousand nine hundred ninety-nine dollars ($34,999), inclusive, and that are also either vehicles of next year's model, or not older than the previous year's model, the rate may not exceed fifteen dollars ($15). For those rental vehicles older than the previous year's model year, the rate may not exceed nine dollars ($9).

(i) On or after January 1, 2003, the manufacturer's suggested retail prices described in subdivision (h) shall be adjusted annually to reflect changes from the previous year in the Consumer Price Index. For the purposes of this section, ''Consumer Price Index'' means the United States Consumer Price Index for All Urban Consumers, for all items.

(j) A rental company that disseminates in this state an advertisement containing a rental rate shall include in that advertisement a clearly readable statement of the charge for a damage waiver and a statement that a damage waiver is optional.

(k) (1) A rental company may not require the purchase of a damage waiver, optional insurance, or any other optional good or service.

(2) A rental company may not engage in any unfair, deceptive, or coercive conduct to induce a renter to purchase the damage waiver,

optional insurance, or any other optional good or service, including conduct such as, but not limited to, refusing to honor the renter's reservation, limiting the availability of vehicles, requiring a deposit, or debiting or blocking the renter's credit card account for a sum equivalent to a deposit if the renter declines to purchase the damage waiver, optional insurance, or any other optional good or service.

(*l*) (1) In the absence of express permission granted by the renter subsequent to damage to, or loss of, the vehicle, a rental company may not seek to recover any portion of any claim arising out of damage to, or loss of, the rented vehicle by processing a credit card charge or causing any debit or block to be placed on the renter's credit card account.

(2) A rental company may not engage in any unfair, deceptive, or coercive tactics in attempting to recover or in recovering on any claim arising out of damage to, or loss of, the rented vehicle.

(m) (1) A customer facility charge may be collected by a rental company under the following circumstances:

(A) Collection of the fee by the rental company is required by an airport operated by a city, a county, a city and county, a joint powers authority, or a special district.

(B) The fee is calculated on a per-contract basis.

(C) The fee is a user fee, not a tax imposed upon real property or an incidence of property ownership under Article XIII D of the California Constitution.

(D) Except as otherwise provided in subparagraph (E), the fee shall be ten dollars ($10) per contract.

(E) If the fee imposed by the airport is for both a consolidated rental car facility and a common-use transportation system, the fee collected from customers of on-airport rental car companies shall be ten dollars ($10), but the fee imposed on customers of off-airport rental car companies who are transported on the common-use transportation system is proportionate to the costs of the common-use transportation system only. The fee is uniformly applied to each class of on-airport or off-airport customers, provided the airport requires off-airport customers to use the common-use transportation system.

(F) Revenues collected from the fee do not exceed the reasonable costs of financing, designing, constructing, or operating the facility or services and may not be used for any other purpose.

(G) The fee is separately identified on the rental agreement.

(H) This paragraph does not apply to airports whose fees are governed by Section 1936.5 of the Civil Code, Section 50474.1 of the Government Code, or Section 57.5 of the San Diego Unified Port District Act.

(2) Notwithstanding any other provision of law, including, but not limited to, Part 1 (commencing with Section 6001) to Part 1.7 (commencing with Section 7280), inclusive, of Division 2 of the

Revenue and Taxation Code, the fees collected pursuant to this section, or any other law whereby a local agency operating an airport requires a rental car company to collect a facility financing fee from its customers, are not subject to sales, use, or transaction taxes.

(n) (1) A rental company shall only advertise, quote, and charge a rental rate that includes the entire amount except taxes, a customer facility charge, if any, and a mileage charge, if any, which a renter must pay to hire or lease the vehicle for the period of time to which the rental rate applies. A rental company may not charge in addition to the rental rate, taxes, a customer facility charge, if any, and a mileage charge, if any, any fee which must be paid by the renter as a condition of hiring or leasing the vehicle, such as, but not limited to, required fuel or airport surcharges other than customer facility charges, nor any fee for transporting the renter to the location where the rented vehicle will be delivered to the renter.

(2) In addition to the rental rate, taxes, customer facility charges, if any, and mileage charges, if any, a rental company may charge for an item or service provided in connection with a particular rental transaction if the renter could have avoided incurring the charge by choosing not to obtain or utilize the optional item or service. Items and services for which the rental company may impose an additional charge, include, but are not limited to, optional insurance and accessories requested by the renter, service charges incident to the renter's optional return of the vehicle to a location other than the location where the vehicle was hired or leased, and charges for refueling the vehicle at the conclusion of the rental transaction in the event the renter did not return the vehicle with as much fuel as was in the fuel tank at the beginning of the rental. A rental company also may impose an additional charge based on reasonable age criteria established by the rental company.

(3) A rental company may not charge any fee for authorized drivers in addition to the rental charge for an individual renter.

(4) If a rental company states a rental rate in print advertisement or in a telephonic, in-person, or computer-transmitted quotation, the rental company shall clearly disclose in that advertisement or quotation the terms of any mileage conditions relating to the advertised or quoted rental rate, including, but not limited to, to the extent applicable, the amount of mileage and gas charges, the number of miles for which no charges will be imposed, and a description of geographic driving limitations within the United States and Canada.

(5) (A) When a rental rate is stated in an advertisement, quotation, or reservation in connection with a car rental at an airport where a customer facility charge is imposed, the rental company shall clearly disclose the existence and amount of the customer facility charge. For the purposes of this subparagraph, advertisements include radio,

television, other electronic media, and print advertisements. For purposes of this subparagraph, quotations and reservations include those that are telephonic, in-person, and computer-transmitted. If the rate advertisement is intended to include transactions at more than one airport imposing a customer facility charge, a range of fees may be stated in the advertisement. However, all rate advertisements that include car rentals at airport destinations shall clearly and conspicuously include a toll-free telephone number whereby a customer can be told the specific amount of the customer facility charge to which the customer will be obligated.

(B) If any person or entity other than a rental car company, including a passenger carrier or a seller of travel services, advertises or quotes a rate for a car rental at an airport where a customer facility charge is imposed, that person or entity shall, provided they are provided with information about the existence and amount of the fee, to the extent not specifically prohibited by federal law, clearly disclose the existence and amount of the fee in any telephonic, in-person, or computer-transmitted quotation at the time of making an initial quotation of a rental rate and at the time of making a reservation of a rental car. If a rental car company provides the person or entity with rate and customer facility charge information, the rental car company is not responsible for the failure of that person or entity to comply with this subparagraph when quoting or confirming a rate to a third person or entity.

(6) If a rental company delivers a vehicle to a renter at a location other than the location where the rental company normally carries on its business, the rental company may not charge the renter any amount for the rental for the period before the delivery of the vehicle. If a rental company picks up a rented vehicle from a renter at a location other than the location where the rental company normally carries on its business, the rental company may not charge the renter any amount for the rental for the period after the renter notifies the rental company to pick up the vehicle.

(o) A rental company may not use, access, or obtain any information relating to the renter's use of the rental vehicle that was obtained using electronic surveillance technology, except in the following circumstances:

(1) (A) When the equipment is used by the rental company only for the purpose of locating a stolen, abandoned, or missing rental vehicle after one of the following:

(i) The renter or law enforcement has informed the rental company that the vehicle has been stolen, abandoned, or missing.

(ii) The rental vehicle has not been returned following one week after the contracted return date, or by one week following the end of an extension of that return date.

(iii) The rental company discovers the rental vehicle has been stolen or abandoned, and, if stolen, it shall report the vehicle stolen to law enforcement by filing a stolen vehicle report, unless law enforcement has already informed the rental company that the vehicle has been stolen, abandoned, or is missing.

(B) If electronic surveillance technology is activated pursuant to subparagraph (A) of paragraph (1), a rental company shall maintain a record, in either electronic or written form, of information relevant to the activation of such technology. That information shall include the rental agreement, including the return date, and the date and time the electronic surveillance technology was activated. The record shall also include, if relevant, a record of any written or other communication with the renter, including communications regarding extensions of the rental, police reports, or other written communication with law enforcement officials. The record shall be maintained for a period of at least 12 months from the time the record is created and shall be made available upon the renter's request. The rental company shall maintain and furnish any explanatory codes necessary to read the record. A rental company shall not be required to maintain a record if electronic surveillance technology is activated to recover a rental vehicle that is stolen or missing at a time other than during a rental period.

(2) In response to a specific request from law enforcement pursuant to a subpoena or search warrant.

(3) Nothing in this subdivision prohibits a rental company from equipping rental vehicles with GPS based technology that provides navigation assistance to the occupants of the rental vehicle, if the rental company does not use, access, or obtain any information relating to the renter's use of the rental vehicle that was obtained using that technology, except for the purposes of discovering or repairing a defect in the technology and the information may then be used only for that purpose.

(4) Nothing in this subdivision prohibits a rental company from equipping rental vehicles with electronic surveillance technology that allows for the remote locking or unlocking of the vehicle at the request of the renter, if the rental company does not use, access, or obtain any information relating to the renter's use of the rental vehicle that was obtained using that technology, except as necessary to lock or unlock the vehicle.

(5) Nothing in this subdivision prohibits a rental company from equipping rental vehicles with electronic surveillance technology that allows the company to provide roadside assistance, such as towing, flat tire or fuel services, at the request of the renter, if the rental company does not use, access or obtain any information relating to the renter's use of the rental vehicle that was obtained using that technology except as necessary to provide the requested roadside assistance.

(6) Nothing in this subdivision prohibits a rental company from obtaining, accessing, or using information from electronic surveillance technology for the sole purpose of determining the date and time the vehicle is returned to the rental company, and the total mileage driven and the vehicle fuel level of the returned vehicle. This paragraph, however, shall apply only after the renter has returned the vehicle to the rental company, and the information shall only be used for the purpose described in this paragraph.

(p) A rental company may not use electronic surveillance technology to track a renter in order to impose fines or surcharges relating to the renter's use of the rental vehicle.

(q) A renter may bring an action against a rental company for the recovery of damages and appropriate equitable relief for a violation of this section. The prevailing party shall be entitled to recover reasonable attorney's fees and costs.

(r) A rental company that brings an action against a renter for loss due to theft of the vehicle shall bring the action in the county in which the renter resides or, if the renter is not a resident of this state, in the jurisdiction in which the renter resides.

(s) Any waiver of any of the provisions of this section shall be void and unenforceable as contrary to public policy.

(t) (1) A rental company's disclosure requirements shall be satisfied for renters who are enrolled in the rental company's membership program if all of the following conditions are met:

(A) Prior to the enrollee's first rental as a participant in the program, the renter receives, in writing, the following:

(i) All of the disclosures required by paragraph (1) of subdivision (g) including the terms and conditions of the rental agreement then in effect.

(ii) A Web site address, as well as a contact number or address, where the enrollee can learn of any changes to the rental agreement or to the laws of this state governing rental agreements since the effective date of the rental company's most recent restatement of the rental agreement and distribution of that restatement to its members.

(B) At the commencement of each rental period, the renter is provided, on the rental record or the folder in which it is inserted, with a printed notice stating that he or she had either previously selected or declined an optional damage waiver and that the renter has the right to change preferences.

(C) At the commencement of each rental period, the rental company provides, on the rearview mirror, a hanger on which a statement is printed, in a box, in at least 12-point boldface type, notifying the renter that the collision damage waiver offered by the rental company may be duplicative of coverage that the customer maintains under his or her own policy of motor vehicle insurance. If it is not feasible to hang the

statement from the rearview mirror, it shall be hung from the steering wheel.

The hanger shall provide the renter a box to initial if he or she (not his or her employer) has previously accepted or declined the collision damage waiver and that he or she now wishes to change his or her decision to accept or decline the collision damage waiver, as follows:

''☐ If I previously accepted the collision damage waiver, I now decline it.

☐ If I previously declined the collision damage waiver, I now accept it.''

The hanger shall also provide a box for the enrollee to indicate whether this change applies to this rental transaction only or to all future rental transactions. The hanger shall also notify the renter that he or she may make such a change, prior to leaving the lot, by returning the form to an employee designated to receive the form who is present at the lot where the renter takes possession of the car, to receive any change in the rental agreement from the renter.

(2) (A) This subdivision is not effective unless the employee designated pursuant to subparagraph (E) of paragraph (8) of subdivision (a) is actually present at the required location.

(B) This subdivision does not relieve the rental company from those disclosures that are required to be made within the text of a contract or holder in which the contract is placed; in or on an advertisement containing a rental rate; or in a telephonic, in-person, or computer-transmitted quotation or reservation.

(u) The amendments made to this section during the 2001–02 Regular Session of the Legislature do not affect litigation pending on or before January 1, 2003, alleging a violation of Section 22325 of the Business and Professions Code as it read at the time the action was commenced.

(v) This section shall remain in effect only until January 1, 2006, and as of that date is repealed, unless a later enacted statute, that is enacted before January 1, 2006, deletes or extends that date.

SEC. 2. Section 1936 of the Civil Code, as added by Section 3 of Chapter 948 of the Statutes of 2002, as amended by Section 16 of Chapter 62 of the Statutes of 2003, is amended to read:

1936. (a) For the purpose of this section, the following definitions shall apply:

(1) ''Rental company'' means any person or entity in the business of renting passenger vehicles to the public.

(2) ''Renter'' means any person in any manner obligated under a contract for the lease or hire of a passenger vehicle from a rental company for a period of less than 30 days.

(3) ''Authorized driver'' means (A) the renter, (B) the renter's spouse if that person is a licensed driver and satisfies the rental company's minimum age requirement, (C) the renter's employer or coworker if they are engaged in business activity with the renter, are licensed drivers, and satisfy the rental company's minimum age requirement, and (D) any person expressly listed by the rental company on the renter's contract as an authorized driver.

(A) ''Customer facility charge'' means a fee required by an airport to be collected by a rental company from a renter for any of the following purposes:

(i) The fee shall be used to finance, design, and construct consolidated airport car rental facilities.

(ii) The fee shall be used to finance, design, construct, and provide common use transportation systems that move passengers between airport terminals and those consolidated car rental facilities.

(B) The aggregate amount to be collected may not exceed the reasonable costs, as determined by an independent audit paid for by the airport, to finance, design, and construct those facilities. Copies of the audit shall be provided to the Assembly and Senate Committees on Judiciary and Committees on Transportation. In the case of a transportation system, the audit shall also consider the reasonable costs of providing the transit system or busing network. At the Burbank Airport, and at all other airports, the fees designated as a customer facility charge may not be used to pay for terminal expansion, gate expansion, runway expansion, changes in hours of operation, or changes in the number of flights arriving or departing from the airport.

(C) The authorization given pursuant to this section for an airport to impose a customer facility charge shall become inoperative when the bonds used for financing are paid.

(4) ''Damage waiver'' means a rental company's agreement not to hold a renter liable for all or any portion of any damage or loss related to the rented vehicle, any loss of use of the rented vehicle, or any storage, impound, towing, or administrative charges.

(5) ''Electronic surveillance technology'' means a technological method or system used to observe, monitor, or collect information, including telematics, Global Positioning System (GPS), wireless technology, or location-based technologies. ''Electronic surveillance technology'' does not include event data recorders (EDR), sensing and diagnostic modules (SDM), or other systems that are used either:

(A) For the purpose of identifying, diagnosing, or monitoring functions related to the potential need to repair, service, or perform maintenance on the rental vehicle.

(B) As part of the vehicle's airbag sensing and diagnostic system in order to capture safety systems-related data for retrieval after a crash has occurred or in the event that the collision sensors are activated to prepare the decisionmaking computer to make the determination to deploy or not to deploy the airbag.

(6) ''Estimated time for replacement'' means the number of hours of labor, or fraction thereof, needed to replace damaged vehicle parts as set forth in collision damage estimating guides generally used in the vehicle repair business and commonly known as ''crash books.''

(7) ''Estimated time for repair'' means a good faith estimate of the reasonable number of hours of labor, or fraction thereof, needed to repair damaged vehicle parts.

(8) ''Passenger vehicle'' means a passenger vehicle as defined in Section 465 of the Vehicle Code.

(b) Except as limited by subdivision (c), a rental company and a renter may agree that the renter will be responsible for no more than all of the following:

(1) Physical or mechanical damage to the rented vehicle up to its fair market value, as determined in the customary market for the sale of that vehicle, resulting from collision regardless of the cause of the damage.

(2) Loss due to theft of the rented vehicle up to its fair market value, as determined in the customary market for the sale of that vehicle, provided that the rental company establishes by clear and convincing evidence that the renter or the authorized driver failed to exercise ordinary care while in possession of the vehicle. In addition, the renter shall be presumed to have no liability for any loss due to theft if (A) an authorized driver has possession of the ignition key furnished by the rental company or an authorized driver establishes that the ignition key furnished by the rental company was not in the vehicle at the time of the theft, and (B) an authorized driver files an official report of the theft with the police or other law enforcement agency within 24 hours of learning of the theft and reasonably cooperates with the rental company and the police or other law enforcement agency in providing information concerning the theft. The presumption set forth in this paragraph is a presumption affecting the burden of proof which the rental company may rebut by establishing that an authorized driver committed, or aided and abetted the commission of, the theft.

(3) Physical damage to the rented vehicle up to its fair market value, as determined in the customary market for the sale of that vehicle, resulting from vandalism occurring after, or in connection with, the theft of the rented vehicle; however, the renter shall have no liability for any

damage due to vandalism if the renter would have no liability for theft pursuant to paragraph (2).

(4) Physical damage to the rented vehicle up to a total of five hundred dollars ($500) resulting from vandalism unrelated to the theft of the rented vehicle.

(5) Actual charges for towing, storage, and impound fees paid by the rental company if the renter is liable for damage or loss.

(6) An administrative charge, which shall include the cost of appraisal and all other costs and expenses incidental to the damage, loss, repair, or replacement of the rented vehicle.

(c) The total amount of the renter's liability to the rental company resulting from damage to the rented vehicle may not exceed the sum of the following:

(1) The estimated cost of parts which the rental company would have to pay to replace damaged vehicle parts. All discounts and price reductions or adjustments that are or will be received by the rental company shall be subtracted from the estimate to the extent not already incorporated in the estimate or otherwise promptly credited or refunded to the renter.

(2) The estimated cost of labor to replace damaged vehicle parts which may not exceed the product of (A) the rate for labor usually paid by the rental company to replace vehicle parts of the type that were damaged and (B) the estimated time for replacement. All discounts and price reductions or adjustments that are or will be received by the rental company shall be subtracted from the estimate to the extent not already incorporated in the estimate or otherwise promptly credited or refunded to the renter.

(3) (A) The estimated cost of labor to repair damaged vehicle parts which may not exceed the lesser of the following:

(i) The product of the rate for labor usually paid by the rental company to repair vehicle parts of the type that were damaged and the estimated time for repair.

(ii) The sum of the estimated labor and parts costs determined under paragraphs (1) and (2) to replace the same vehicle parts.

(B) All discounts and price reductions or adjustments that are or will be received by the rental company shall be subtracted from the estimate to the extent not already incorporated in the estimate or otherwise promptly credited or refunded to the renter.

(4) For the purpose of converting the estimated time for repair into the same units of time in which the rental rate is expressed, a day shall be deemed to consist of eight hours.

(5) Actual charges for towing, storage, and impound fees paid by the rental company.

(6) The administrative charge described in paragraph (6) of subdivision (b) may not exceed (A) fifty dollars ($50) if the total estimated cost for parts and labor is more than one hundred dollars ($100) up to and including five hundred dollars ($500), (B) one hundred dollars ($100) if the total estimated cost for parts and labor exceeds five hundred dollars ($500) up to and including one thousand five hundred dollars ($1,500), and (C) one hundred fifty dollars ($150) if the total estimated cost for parts and labor exceeds one thousand five hundred dollars ($1,500). No administrative charge may be imposed if the total estimated cost of parts and labor is one hundred dollars ($100) or less.

(d) (1) The total amount of an authorized driver's liability to the rental company, if any, for damage occurring during the authorized driver's operation of the rented vehicle may not exceed the amount of the renter's liability under subdivision (c).

(2) A rental company may not recover from the renter or other authorized driver an amount exceeding the renter's liability under subdivision (c).

(3) A claim against a renter resulting from damage or loss, excluding loss of use, to a rental vehicle shall be reasonably and rationally related to the actual loss incurred. A rental company shall mitigate damages where possible and may not assert or collect any claim for physical damage which exceeds the actual costs of the repairs performed or the estimated cost of repairs, if the rental company chooses not to repair the vehicle, including all discounts and price reductions. However, if the vehicle is a total loss vehicle, the claim may not exceed the total loss vehicle value established in accordance with procedures that are customarily used by insurance companies when paying claims on total loss vehicles, less the proceeds from salvaging the vehicle, if those proceeds are retained by the rental company.

(4) If insurance coverage exists under the renter's applicable personal or business insurance policy and the coverage is confirmed during regular business hours, the renter may require that the rental company submit any claims to the renter's applicable personal or business insurance carrier. The rental company may not make any written or oral representations that it will not present claims or negotiate with the renter's insurance carrier. For purposes of this paragraph, confirmation of coverage includes telephone confirmation from insurance company representatives during regular business hours. Upon request of the renter and after confirmation of coverage, the amount of claim shall be resolved between the insurance carrier and the rental company. The renter shall remain responsible for payment to the rental car company for any loss sustained that the renter's applicable personal or business insurance policy does not cover.

(5) A rental company may not recover from the renter or other authorized driver for any item described in subdivision (b) to the extent the rental company obtains recovery from any other person.

(6) This section applies only to the maximum liability of a renter or other authorized driver to the rental company resulting from damage to the rented vehicle and not to the liability of any other person.

(e) (1) Except as provided in subdivision (f), every damage waiver shall provide or, if not expressly stated in writing, shall be deemed to provide that the renter has no liability for any damage, loss, loss of use, or any cost or expense incident thereto.

(2) Except as provided in subdivision (f), every limitation, exception, or exclusion to any damage waiver is void and unenforceable.

(f) A rental company may provide in the rental contract that a damage waiver does not apply under any of the following circumstances:

(1) Damage or loss results from an authorized driver's (A) intentional, willful, wanton, or reckless conduct, (B) operation of the vehicle under the influence of drugs or alcohol in violation of Section 23152 of the Vehicle Code, (C) towing or pushing anything, or (D) operation of the vehicle on an unpaved road if the damage or loss is a direct result of the road or driving conditions.

(2) Damage or loss occurs while the vehicle is (A) used for commercial hire, (B) used in connection with conduct that could be properly charged as a felony, (C) involved in a speed test or contest or in driver training activity, (D) operated by a person other than an authorized driver, or (E) operated outside of the United States.

(3) Any authorized driver who has (A) provided fraudulent information to the rental company, or (B) provided false information and the rental company would not have rented the vehicle if it had instead received true information.

(g) (1) A rental company that offers or provides a damage waiver for any consideration in addition to the rental rate shall clearly and conspicuously disclose the following information in the rental contract or holder in which the contract is placed and, also, in signs posted at the place, such as the counter, where the renter signs the rental contract: (A) the nature of the renter's liability, e.g., liability for all collision damage regardless of cause, (B) the extent of the renter's liability, e.g., liability for damage or loss up to a specified amount, (C) the renter's personal insurance policy or the credit card used to pay for the car rental transaction may provide coverage for all or a portion of the renter's potential liability, (D) the renter should consult with his or her insurer to determine the scope of insurance coverage, including the amount of the deductible, if any, for which the renter is obligated, (E) the renter may purchase an optional damage waiver to cover all liability, subject to whatever exceptions the rental company expressly lists that are

permitted under subdivision (f), and (F) the range of charges for the damage waiver.

(2) In addition to the requirements of paragraph (1), a rental company that offers or provides a damage waiver shall, on that part of the contract where the renter indicates his or her acceptance or declination of the damage waiver, indicate that the purchase of the damage waiver is optional.

(3) The following is an example, for purposes of illustration and not limitation, of a notice fulfilling the requirements of paragraph (1) for a rental company that imposes liability on the renter for collision damage to the full value of the vehicle:

''NOTICE ABOUT YOUR FINANCIAL RESPONSIBILITY AND OPTIONAL DAMAGE WAIVER

You are responsible for all collision damage to the rented vehicle even if someone else caused it or the cause is unknown. You are responsible for the cost of repair up to the value of the vehicle, and towing, storage, and impound fees.

Your own insurance, or the issuer of the credit card you use to pay for the car rental transaction, may cover all or part of your financial responsibility for the rented vehicle. You should check with your insurance company, or credit card issuer, to find out about your coverage and the amount of the deductible, if any, for which you may be liable.

Further, if you use a credit card that provides coverage for your potential liability, you should check with the issuer to determine if you must first exhaust the coverage limits of your own insurance before the credit card coverage applies.

The rental company will not hold you responsible if you buy a damage waiver. But a damage waiver will not protect you if (list exceptions).''

(A) When the above notice is printed in the rental contract or holder in which the contract is placed, the following shall be printed immediately following the notice:

''The cost of an optional damage waiver is $____ for every (day or week).''

(B) When the above notice appears on a sign, the following shall appear immediately adjacent to the notice:

''The cost of an optional damage waiver is $____ to $____ for every (day or week), depending upon the vehicle rented.''

(h) Notwithstanding any other provision of law, a rental company may sell a damage waiver subject to the following rate limitations for each full or partial 24-hour rental day for the damage waiver:

(1) For rental vehicles that the rental company designates as an ''economy car,'' ''subcompact car,'' ''compact car,'' or any other term having similar meaning when offered for rental, or any other vehicle having a manufacturer's suggested retail price of nineteen thousand dollars ($19,000) or less, the rate may not exceed nine dollars ($9).

(2) For rental vehicles that have a manufacturer's suggested retail price from nineteen thousand one dollars ($19,001) to thirty-four thousand nine hundred ninety-nine dollars ($34,999), inclusive, and that are also either vehicles of next year's model, or not older than the previous year's model, the rate may not exceed fifteen dollars ($15). For those rental vehicles older than the previous year's model, the rate may not exceed nine dollars ($9).

(i) On or after January 1, 2003, the manufacturer's suggested retail prices described in subdivision (h) shall be adjusted annually to reflect changes from the previous year in the Consumer Price Index. For the purposes of this section, ''Consumer Price Index'' means the United States Consumer Price Index for All Urban Consumers, for all items.

(j) A rental company that disseminates in this state an advertisement containing a rental rate shall include in that advertisement a clearly readable statement of the charge for a damage waiver and a statement that a damage waiver is optional.

(k) (1) A rental company may not require the purchase of a damage waiver, optional insurance, or any other optional good or service.

(2) A rental company may not engage in any unfair, deceptive, or coercive conduct to induce a renter to purchase the damage waiver, optional insurance, or any other optional good or service, including conduct such as, but not limited to, refusing to honor the renter's reservation, limiting the availability of vehicles, requiring a deposit, or debiting or blocking the renter's credit card account for a sum equivalent to a deposit if the renter declines to purchase the damage waiver, optional insurance, or any other optional good or service.

(*l*) (1) In the absence of express permission granted by the renter subsequent to damage to, or loss of, the vehicle, a rental company may not seek to recover any portion of any claim arising out of damage to, or loss of, the rented vehicle by processing a credit card charge or causing any debit or block to be placed on the renter's credit card account.

(2) A rental company may not engage in any unfair, deceptive, or coercive tactics in attempting to recover or in recovering on any claim arising out of damage to, or loss of, the rented vehicle.

(m) (1) A customer facility charge may be collected by a rental company under the following circumstances:

(A) Collection of the fee by the rental company is required by an airport operated by a city, a county, a city and county, a joint powers authority, or a special district.

(B) The fee is calculated on a per-contract basis.

(C) The fee is a user fee, not a tax imposed upon real property or an incidence of property ownership under Article XIII D of the California Constitution.

(D) Except as otherwise provided in subparagraph (E), the fee shall be ten dollars ($10) per contract.

(E) If the fee imposed by the airport is for both a consolidated rental car facility and a common-use transportation system, the fee collected from customers of on-airport rental car companies shall be ten dollars ($10), but the fee imposed on customers of off-airport rental car companies who are transported on the common-use transportation system is proportionate to the costs of the common-use transportation system only. The fee is uniformly applied to each class of on-airport or off-airport customers, provided the airport requires off-airport customers to use the common-use transportation system.

(F) Revenues collected from the fee do not exceed the reasonable costs of financing, designing, constructing, or operating the facility or services and may not be used for any other purpose.

(G) The fee is separately identified on the rental agreement.

(H) This paragraph does not apply to airports whose fees are governed by Section 1936.5 of the Civil Code, Section 50474.1 of the Government Code, or Section 57.5 of the San Diego Unified Port District Act.

(2) Notwithstanding any other provision of law, including, but not limited to, Part 1 (commencing with Section 6001) to Part 1.7 (commencing with Section 7280), inclusive, of Division 2 of the Revenue and Taxation Code, the fees collected pursuant to this section, or any other law whereby a local agency operating an airport requires a rental car company to collect a facility financing fee from its customers, are not subject to sales, use, or transaction taxes.

(n) (1) A rental company shall only advertise, quote, and charge a rental rate that includes the entire amount except taxes, a customer facility charge, if any, and a mileage charge, if any, which a renter must pay to hire or lease the vehicle for the period of time to which the rental rate applies. A rental company may not charge in addition to the rental rate, taxes, a customer facility charge, if any, and a mileage charge, if any, any fee which must be paid by the renter as a condition of hiring or leasing the vehicle, such as, but not limited to, required fuel or airport surcharges other than customer facility charges, nor any fee for transporting the renter to the location where the rented vehicle will be delivered to the renter.

(2) In addition to the rental rate, taxes, customer facility charges, if any, and mileage charges, if any, a rental company may charge for an item or service provided in connection with a particular rental transaction if the renter could have avoided incurring the charge by choosing not to obtain or utilize the optional item or service. Items and services for which the rental company may impose an additional charge include, but are not limited to, optional insurance and accessories requested by the renter, service charges incident to the renter's optional return of the vehicle to a location other than the location where the vehicle was hired or leased, and charges for refueling the vehicle at the conclusion of the rental transaction in the event the renter did not return the vehicle with as much fuel as was in the fuel tank at the beginning of the rental. A rental company also may impose an additional charge based on reasonable age criteria established by the rental company.

(3) A rental company may not charge any fee for authorized drivers in addition to the rental charge for an individual renter.

(4) If a rental company states a rental rate in print advertisement or in a telephonic, in-person, or computer-transmitted quotation, the rental company shall clearly disclose in that advertisement or quotation the terms of any mileage conditions relating to the advertised or quoted rental rate, including, but not limited to, to the extent applicable, the amount of mileage and gas charges, the number of miles for which no charges will be imposed, and a description of geographic driving limitations within the United States and Canada.

(5) (A) When a rental rate is stated in an advertisement, quotation, or reservation in connection with a car rental at an airport where a customer facility charge is imposed, the rental company shall clearly disclose the existence and amount of the customer facility charge. For the purposes of this subparagraph, advertisements include radio, television, other electronic media, and print advertisements. For purposes of this subparagraph, quotations and reservations include those that are telephonic, in-person, and computer-transmitted. If the rate advertisement is intended to include transactions at more than one airport imposing a customer facility charge, a range of fees may be stated in the advertisement. However, all rate advertisements that include car rentals at airport destinations shall clearly and conspicuously include a toll-free telephone number whereby a customer can be told the specific amount of the customer facility charge to which the customer will be obligated.

(B) If any person or entity other than a rental car company, including a passenger carrier or a seller of travel services, advertises or quotes a rate for a car rental at an airport where a customer facility charge is imposed, that person or entity shall, provided they are provided with information about the existence and amount of the fee, to the extent not specifically

prohibited by federal law, clearly disclose the existence and amount of the fee in any telephonic, in-person, or computer-transmitted quotation at the time of making an initial quotation of a rental rate and at the time of making a reservation of a rental car. If a rental car company provides the person or entity with rate and customer facility charge information, the rental car company is not responsible for the failure of that person or entity to comply with this subparagraph when quoting or confirming a rate to a third person or entity.

(6) If a rental company delivers a vehicle to a renter at a location other than the location where the rental company normally carries on its business, the rental company may not charge the renter any amount for the rental for the period before the delivery of the vehicle. If a rental company picks up a rented vehicle from a renter at a location other than the location where the rental company normally carries on its business, the rental company may not charge the renter any amount for the rental for the period after the renter notifies the rental company to pick up the vehicle.

(o) A rental company may not use, access, or obtain any information relating to the renter's use of the rental vehicle that was obtained using electronic surveillance technology, except in the following circumstances:

(1) (A) When the equipment is used by the rental company only for the purpose of locating a stolen, abandoned, or missing rental vehicle after one of the following:

(i) The renter or law enforcement has informed the rental company that the vehicle has been stolen, abandoned, or missing.

(ii) The rental vehicle has not been returned following one week after the contracted return date, or by one week following the end of an extension of that return date.

(iii) The rental company discovers the rental vehicle has been stolen or abandoned, and, if stolen, it shall report the vehicle stolen to law enforcement by filing a stolen vehicle report, unless law enforcement has already informed the rental company that the vehicle has been stolen, abandoned, or is missing.

(B) If electronic surveillance technology is activated pursuant to subparagraph (A) of paragraph (1), a rental company shall maintain a record, in either electronic or written form, of information relevant to the activation of such technology. That information shall include the rental agreement, including the return date, and the date and time the electronic surveillance technology was activated. The record shall also include, if relevant, a record of any written or other communication with the renter, including communications regarding extensions of the rental, police reports or other written communication with law enforcement officials. The record shall be maintained for a period of at least 12 months from

the time the record is created and shall be made available upon the renter's request. The rental company shall maintain and furnish any explanatory codes necessary to read the record. A rental company shall not be required to maintain a record if electronic surveillance technology is activated to recover a rental vehicle that is stolen or missing at a time other than during a rental period.

(2) In response to a specific request from law enforcement pursuant to a subpoena or search warrant.

(3) Nothing in this subdivision prohibits a rental company from equipping rental vehicles with GPS based technology that provides navigation assistance to the occupants of the rental vehicle, if the rental company does not use, access, or obtain any information relating to the renter's use of the rental vehicle that was obtained using that technology, except for the purposes of discovering or repairing a defect in the technology and the information may then be used only for that purpose.

(4) Nothing in this subdivision prohibits a rental company from equipping rental vehicles with electronic surveillance technology that allows for the remote locking or unlocking of the vehicle at the request of the renter, if the rental company does not use, access, or obtain any information relating to the renter's use of the rental vehicle that was obtained using that technology except as necessary to lock or unlock the vehicle.

(5) Nothing in this subdivision prohibits a rental company from equipping rental vehicles with electronic surveillance technology that allows the company to provide roadside assistance, such as towing, flat tire or fuel services, at the request of the renter, if the rental company does not use, access or obtain any information relating to the renter's use of the rental vehicle that was obtained using that technology, except as necessary to provide the requested roadside assistance.

(6) Nothing in this subdivision prohibits a rental company from obtaining, accessing, or using information from electronic surveillance technology for the sole purpose of determining the date and time the vehicle is returned to the rental company, and the total mileage driven and the vehicle fuel level of the returned vehicle. This paragraph, however, shall apply only after the renter has returned the vehicle to the rental company, and the information shall only be used for the purpose described in this paragraph.

(p) A rental company may not use electronic surveillance technology to track a renter in order to impose fines or surcharges relating to the renter's use of the rental vehicle.

(q) A renter may bring an action against a rental company for the recovery of damages and appropriate equitable relief for a violation of this section. The prevailing party shall be entitled to recover reasonable attorney's fees and costs.

(r) A rental company that brings an action against a renter for loss due to theft of the vehicle shall bring the action in the county in which the renter resides or, if the renter is not a resident of this state, in the jurisdiction in which the renter resides.

(s) Any waiver of any of the provisions of this section is void and unenforceable as contrary to public policy.

CHAPTER 318

An act to add Section 1353.7 to the Civil Code, and to amend Section 13132.7 of the Health and Safety Code, relating to roof covering materials.

SECTION 1. Section 49558 of the Education Code is amended to read:

49558. [Approved by Governor August 27, 2004. Filed with Secretary of State August 30, 2004.]

The people of the State of California do enact as follows:

SECTION 1. Section 365.6 of the Penal Code is amended to read:

365.6. (a) Any person who, with no legal justification, intentionally interferes with the use of a guide, signal, or service dog or mobility aid by harassing or obstructing the guide, signal, or service dog or mobility aid user or his or her guide, signal, or service dog, is guilty of a misdemeanor, punishable by imprisonment in a county jail not exceeding six months, or by a fine of not less than one thousand five hundred dollars ($1,500) nor more than two thousand five hundred dollars ($2,500), or both that fine and imprisonment.

(b) As used in this section, the following definitions shall apply:

(1) ''Mobility aid'' means any device enabling a person with a disability, as defined in subdivision (b) of Section 54 of the Civil Code, to travel independently, including, but not limited to, a guide, signal, or service dog, as defined in Section 54.1 of the Civil Code, a wheelchair, walker or white cane.

(2) ''Guide, signal, or service dog'' means any dog trained to do work or perform tasks for the benefit of an individual with a disability, including, but not limited to, guiding individuals with impaired vision, alerting individuals with impaired hearing to intruders or sounds, pulling a wheelchair, or fetching dropped items.

SEC. 2. Section 600.2 of the Penal Code is amended to read:

600.2. (a) It is a crime for any person to permit any dog which is owned, harbored, or controlled by him or her to cause injury to or the death of any guide, signal, or service dog, as defined by Section 54.1 of the Civil Code, while the guide, signal, or service dog is in discharge of its duties.

(b) A violation of this section is an infraction punishable by a fine not to exceed two hundred fifty dollars ($250) if the injury or death to any guide, signal, or service dog is caused by the person's failure to exercise ordinary care in the control of his or her dog.

(c) A violation of this section is a misdemeanor if the injury or death to any guide, signal, or service dog is caused by the person's reckless disregard in the exercise of control over his or her dog, under circumstances that constitute such a departure from the conduct of a reasonable person as to be incompatible with a proper regard for the safety and life of any guide, signal, or service dog. A violation of this subdivision shall be punishable by imprisonment in a county jail not exceeding one year, or by a fine of not less than two thousand five hundred dollars ($2,500) nor more than five thousand dollars ($5,000), or both. The court shall consider the costs ordered pursuant to subdivision (d) when determining the amount of any fines.

(d) In any case in which a defendant is convicted of a violation of this section, the defendant shall be ordered to make restitution to the person with a disability who has custody or ownership of the guide, signal, or service dog for any veterinary bills and replacement costs of the dog if it is disabled or killed, or other reasonable costs deemed appropriate by the court. The costs ordered pursuant to this subdivision shall be paid prior to any fines.

SEC. 4. No reimbursement is required by this act pursuant to Section 6 of Article XIII B of the California Constitution because the only costs that may be incurred by a local agency or school district will be incurred because this act creates a new crime or infraction, eliminates a crime or infraction, or changes the penalty for a crime or infraction, within the meaning of Section 17556 of the Government Code, or changes the definition of a crime within the meaning of Section 6 of Article XIII B of the California Constitution.

[Approved by Governor August 27, 2004. Filed with Secretary of State August 30, 2004.]

The people of the State of California do enact as follows:

SECTION 1. Section 1717.5 of the Civil Code is amended to read:

1717.5. (a) Except as otherwise provided by law or where waived by the parties to an agreement, in any action on a contract based on a book account, as defined in Section 337a of the Code of Civil Procedure, entered into on or after January 1, 1987, which does not provide for attorney's fees and costs, as provided in Section 1717, the party who is determined to be the party prevailing on the contract shall be entitled to reasonable attorney's fees, as provided below, in addition to other costs. The prevailing party on the contract shall be the party who recovered a greater relief in the action on the contract. The court may determine that there is no party prevailing on the contract for purposes of this section.

Reasonable attorney's fees awarded pursuant to this section for the prevailing party bringing the action on the book account shall be fixed by the court in an amount that shall not exceed the lesser of: (1) eight hundred dollars ($800) for book accounts based upon an obligation owing by a natural person for goods, moneys, or services which were primarily for personal, family, or household purposes; and one thousand

dollars ($1,000) for all other book accounts to which this section applies; or (2) 25 percent of the principal obligation owing under the contract.

For the party against whom the obligation on the book account was asserted in the action subject to this section, if that party is found to have no obligation owing on a book account, the court shall award that prevailing party reasonable attorney's fees not to exceed eight hundred dollars ($800) for book accounts based upon an obligation owing by a natural person for goods, moneys, or services which were primarily for personal, family, or household purposes, and one thousand dollars ($1,000) for all other book accounts to which this section applies. These attorney's fees shall be an element of the costs of the suit.

If there is a written agreement between the parties signed by the person to be charged, the fees provided by this section may not be imposed unless that agreement contains a statement that the prevailing party in any action between the parties is entitled to the fees provided by this section.

(b) The attorney's fees allowed pursuant to this section shall be the lesser of either the maximum amount allowed by this section, the amount provided by any default attorney's fee schedule adopted by the court applicable to the suit, or an amount as otherwise provided by the court. Any claim for attorney's fees pursuant to this section in excess of the amounts set forth in the default attorney's fee schedule shall be reasonable attorney's fees, as proved by the party, as actual and necessary for the claim that is subject to this section.

(c) This section does not apply to any action in which an insurance company is a party nor shall an insurance company, surety, or guarantor be liable under this section, in the absence of a specific contractual provision, for the attorney's fees and costs awarded a prevailing party against its insured.

This section does not apply to any action in which a bank, a savings association, a federal association, a state or federal credit union, or a subsidiary, affiliate, or holding company of any of those entities, or an authorized industrial loan company, a licensed consumer finance lender, or a licensed commercial finance lender, is a party.

SECTION 1. Section 369.5 of the Welfare and Institutions Code is amended to read:

369.5. (a) If a child is adjudged a dependent child of the court under Section 300 and the child has been removed from the physical custody of the parent under Section 361, only a juvenile court judicial officer shall have authority to make orders regarding the administration of psychotropic medications for that child. The juvenile court may issue a specific order delegating this authority to a parent upon making findings on the record that the parent poses no danger to the child and has the capacity to authorize psychotropic medications. Court authorization for the administration of psychotropic medication shall be based on a request from a physician, indicating the reasons for the request, a description of the child's diagnosis and behavior, the expected results of the medication, and a description of any side effects of the medication. On or before July 1, 2000, the Judicial Council shall adopt rules of court and develop appropriate forms for implementation of this section.

(b) (1) In counties in which the county child welfare agency completes the request for authorization for the administration of psychotropic medication, the agency is encouraged to complete the request within three business days of receipt from the physician of the information necessary to fully complete the request.

(2) Nothing in this subdivision is intended to change current local practice or local court rules with respect to the preparation and submission of requests for authorization for the administration of psychotropic medication.

(c) Within seven court days from receipt by the court of a completed request, the juvenile court judicial officer shall either approve or deny in writing a request for authorization for the administration of psychotropic medication to the child, or shall, upon a request by the parent, the legal guardian, or the child's attorney, or upon its own motion, set the matter for hearing.

(d) Psychotropic medication or psychotropic drugs are those medications administered for the purpose of affecting the central nervous system to treat psychiatric disorders or illnesses. These medications include, but are not limited to, anxiolytic agents, antidepressants, mood stabilizers, antipsychotic medications, anti-Parkinson agents, hypnotics, medications for dementia, and psychostimulants.

(e) Nothing in this section is intended to supersede local court rules regarding a minor's right to participate in mental health decisions.

CHAPTER 330

An act to repeal and add Section 1720.4 of the Labor Code, relating to public works, and declaring the urgency thereof, to take effect immediately.

[Approved by Governor August 27, 2004. Filed with Secretary of State August 30, 2004.]

The people of the State of California do enact as follows:

SECTION 1. Section 1720.4 of the Labor Code is repealed.

SEC. 2. Section 1720.4 is added to the Labor Code, to read:

1720.4. (a) This chapter shall not apply to any of the following work:

(1) Any work performed by a volunteer. For purposes of this section, ''volunteer'' means an individual who performs work for civic, charitable, or humanitarian reasons for a public agency or corporation qualified under Section 501(c)(3) of the Internal Revenue Code as a tax-exempt organization, without promise, expectation, or receipt of any compensation for work performed.

(A) An individual shall be considered a volunteer only when his or her services are offered freely and without pressure and coercion, direct or implied, from an employer.

(B) An individual may receive reasonable meals, lodging, transportation, and incidental expenses or nominal nonmonetary awards without losing volunteer status if, in the entire context of the situation, those benefits and payments are not a substitute form of compensation for work performed.

(C) An individual shall not be considered a volunteer if the person is otherwise employed for compensation at any time (i) in the construction, alteration, demolition, installation, repair, or maintenance work on the same project, or (ii) by a contractor, other than a corporation qualified under Section 501(c)(3) of the Internal Revenue Code as a tax-exempt organization, that is receiving payment to perform construction, alteration, demolition, installation, repair, or maintenance work on the same project.

(2) Any work performed by a volunteer coordinator. For purposes of this section, ''volunteer coordinator'' means an individual paid by a corporation qualified under Section 501(c)(3) of the Internal Revenue Code as a tax-exempt organization, to oversee or supervise volunteers. An individual may be considered a volunteer coordinator even if the individual performs some nonsupervisory work on a project alongside the volunteers, so long as the individual's primary responsibility on the

project is to oversee or supervise the volunteers rather than to perform nonsupervisory work.

(3) Any work performed by members of the California Conservation Corps or of Community Conservation Corps certified by the California Conservation Corps pursuant to Section 14507.5 of the Public Resources Code.

(b) This section shall apply retroactively to otherwise covered work concluded on or after January 1, 2002, to the extent permitted by law.

(c) This section shall remain in effect only until January 1, 2009, and as of that date is repealed, unless a later enacted statue, which is enacted before January 1, 2009, deletes or extends that date.

SEC. 3. This act is an urgency statute necessary for the immediate preservation of the public peace, health, or safety within the meaning of Article IV of the Constitution and shall go into immediate effect. The facts constituting the necessity are:

In order to encourage citizen initiative and volunteer action in state service and to eliminate all legal disincentives and impediments to volunteering on public works projects, it is necessary that this bill take effect immediately.

CHAPTER 331

An act to amend Section 1793.2 of the Civil Code, relating to consumer warranties.

[Approved by Governor August 27, 2004. Filed with Secretary of State August 30, 2004.]

The people of the State of California do enact as follows:

SECTION 1. Section 1793.2 of the Civil Code is amended to read:

1793.2. (a) Every manufacturer of consumer goods sold in this state and for which the manufacturer has made an express warranty shall:

(1) (A) Maintain in this state sufficient service and repair facilities reasonably close to all areas where its consumer goods are sold to carry out the terms of those warranties or designate and authorize in this state as service and repair facilities independent repair or service facilities reasonably close to all areas where its consumer goods are sold to carry out the terms of the warranties.

(B) As a means of complying with this paragraph, a manufacturer may enter into warranty service contracts with independent service and repair facilities. The warranty service contracts may provide for a fixed schedule of rates to be charged for warranty service or warranty repair

work. However, the rates fixed by those contracts shall be in conformity with the requirements of subdivision (c) of Section 1793.3. The rates established pursuant to subdivision (c) of Section 1793.3, between the manufacturer and the independent service and repair facility, do not preclude a good faith discount that is reasonably related to reduced credit and general overhead cost factors arising from the manufacturer's payment of warranty charges direct to the independent service and repair facility. The warranty service contracts authorized by this paragraph may not be executed to cover a period of time in excess of one year, and may be renewed only by a separate, new contract or letter of agreement between the manufacturer and the independent service and repair facility.

(2) In the event of a failure to comply with paragraph (1) of this subdivision, be subject to Section 1793.5.

(3) Make available to authorized service and repair facilities sufficient service literature and replacement parts to effect repairs during the express warranty period.

(b) Where those service and repair facilities are maintained in this state and service or repair of the goods is necessary because they do not conform with the applicable express warranties, service and repair shall be commenced within a reasonable time by the manufacturer or its representative in this state. Unless the buyer agrees in writing to the contrary, the goods shall be serviced or repaired so as to conform to the applicable warranties within 30 days. Delay caused by conditions beyond the control of the manufacturer or its representatives shall serve to extend this 30-day requirement. Where delay arises, conforming goods shall be tendered as soon as possible following termination of the condition giving rise to the delay.

(c) The buyer shall deliver nonconforming goods to the manufacturer's service and repair facility within this state, unless, due to reasons of size and weight, or method of attachment, or method of installation, or nature of the nonconformity, delivery cannot reasonably be accomplished. If the buyer cannot return the nonconforming goods for any of these reasons, he or she shall notify the manufacturer or its nearest service and repair facility within the state. Written notice of nonconformity to the manufacturer or its service and repair facility shall constitute return of the goods for purposes of this section. Upon receipt of that notice of nonconformity, the manufacturer shall, at its option, service or repair the goods at the buyer's residence, or pick up the goods for service and repair, or arrange for transporting the goods to its service and repair facility. All reasonable costs of transporting the goods when a buyer cannot return them for any of the above reasons shall be at the manufacturer's expense. The reasonable costs of transporting nonconforming goods after delivery to the service and repair facility

until return of the goods to the buyer shall be at the manufacturer's expense.

(d) (1) Except as provided in paragraph (2), if the manufacturer or its representative in this state does not service or repair the goods to conform to the applicable express warranties after a reasonable number of attempts, the manufacturer shall either replace the goods or reimburse the buyer in an amount equal to the purchase price paid by the buyer, less that amount directly attributable to use by the buyer prior to the discovery of the nonconformity.

(2) If the manufacturer or its representative in this state is unable to service or repair a new motor vehicle, as that term is defined in paragraph (2) of subdivision (e) of Section 1793.22, to conform to the applicable express warranties after a reasonable number of attempts, the manufacturer shall either promptly replace the new motor vehicle in accordance with subparagraph (A) or promptly make restitution to the buyer in accordance with subparagraph (B). However, the buyer shall be free to elect restitution in lieu of replacement, and in no event shall the buyer be required by the manufacturer to accept a replacement vehicle.

(A) In the case of replacement, the manufacturer shall replace the buyer's vehicle with a new motor vehicle substantially identical to the vehicle replaced. The replacement vehicle shall be accompanied by all express and implied warranties that normally accompany new motor vehicles of that specific kind. The manufacturer also shall pay for, or to, the buyer the amount of any sales or use tax, license fees, registration fees, and other official fees which the buyer is obligated to pay in connection with the replacement, plus any incidental damages to which the buyer is entitled under Section 1794, including, but not limited to, reasonable repair, towing, and rental car costs actually incurred by the buyer.

(B) In the case of restitution, the manufacturer shall make restitution in an amount equal to the actual price paid or payable by the buyer, including any charges for transportation and manufacturer-installed options, but excluding nonmanufacturer items installed by a dealer or the buyer, and including any collateral charges such as sales tax, license fees, registration fees, and other official fees, plus any incidental damages to which the buyer is entitled under Section 1794, including, but not limited to, reasonable repair, towing, and rental car costs actually incurred by the buyer.

(C) When the manufacturer replaces the new motor vehicle pursuant to subparagraph (A), the buyer shall only be liable to pay the manufacturer an amount directly attributable to use by the buyer of the replaced vehicle prior to the time the buyer first delivered the vehicle to the manufacturer or distributor, or its authorized service and repair facility for correction of the problem that gave rise to the nonconformity.

When restitution is made pursuant to subparagraph (B), the amount to be paid by the manufacturer to the buyer may be reduced by the manufacturer by that amount directly attributable to use by the buyer prior to the time the buyer first delivered the vehicle to the manufacturer or distributor, or its authorized service and repair facility for correction of the problem that gave rise to the nonconformity. The amount directly attributable to use by the buyer shall be determined by multiplying the actual price of the new motor vehicle paid or payable by the buyer, including any charges for transportation and manufacturer-installed options, by a fraction having as its denominator 120,000 and having as its numerator the number of miles traveled by the new motor vehicle prior to the time the buyer first delivered the vehicle to the manufacturer or distributor, or its authorized service and repair facility for correction of the problem that gave rise to the nonconformity. Nothing in this paragraph shall in any way limit the rights or remedies available to the buyer under any other law.

(e) (1) If the goods cannot practicably be serviced or repaired by the manufacturer or its representative to conform to the applicable express warranties because of the method of installation or because the goods have become so affixed to real property as to become a part thereof, the manufacturer shall either replace and install the goods or reimburse the buyer in an amount equal to the purchase price paid by the buyer, including installation costs, less that amount directly attributable to use by the buyer prior to the discovery of the nonconformity.

(2) With respect to claims arising out of deficiencies in the construction of a new residential dwelling, paragraph (1) shall not apply to either of the following:

(A) A product that is not a manufactured product, as defined in subdivision (g) of Section 896.

(B) A claim against a person or entity that is not the manufacturer that originally made the express warranty for that manufactured product.

CHAPTER 332

An act to amend Sections 636, 636.1, 11404, 16051.1, and 16506 of the Welfare and Institutions Code, relating to child welfare services.

[Approved by Governor August 27, 2004. Filed with Secretary of State August 30, 2004.]

The people of the State of California do enact as follows:

SECTION 1. Section 636 of the Welfare and Institutions Code is amended to read:

636. (a) If it appears upon the hearing that the minor has violated an order of the juvenile court or has escaped from a commitment of the juvenile court or that it is a matter of immediate and urgent necessity for the protection of the minor or reasonably necessary for the protection of the person or property of another that he or she be detained or that the minor is likely to flee to avoid the jurisdiction of the court, and that continuance in the home is contrary to the minor's welfare, the court may make its order that the minor be detained in the juvenile hall or other suitable place designated by the juvenile court for a period not to exceed 15 judicial days and shall enter said order together with its findings of fact in support thereof in the records of the court. The circumstances and gravity of the alleged offense may be considered, in conjunction with other factors, to determine whether it is a matter of immediate and urgent necessity for the protection of the minor or the person or property of another that the minor be detained.

(b) If the court finds that the criteria of Section 628.1 are applicable, the court shall place the minor on home supervision for a period not to exceed 15 judicial days, and shall enter the order together with its findings of fact in support thereof in the records of the court. If the court releases the minor on home supervision, the court may continue, modify, or augment any conditions of release previously imposed by the probation officer, or may impose new conditions on a minor released for the first time. If there are new or modified conditions, the minor shall be required to sign a written promise to obey those conditions pursuant to Section 628.1.

(c) If the probation officer is recommending that the minor be detained, the probation officer shall submit to the court documentation, as follows:

(1) Documentation that continuance in the home is contrary to the minor's welfare shall be submitted to the court as part of the detention report prepared pursuant to Section 635.

(2) Documentation that reasonable efforts were made to prevent or eliminate the need for removal of the minor from the home and documentation of the nature and results of the services provided shall be submitted to the court either as part of the detention report prepared pursuant to Section 635, or as part of a case plan prepared pursuant to Section 636.1, but in no case later than 60 days from the date of detention.

(d) Before detaining the minor, the court shall determine whether continuance in the home is contrary to the minor's welfare and whether

there are available services that would prevent the need for further detention. The court shall make that determination on a case-by-case basis and shall make reference to the documentation provided by the probation officer or other evidence relied upon in reaching its decision.

(1) If the minor can be returned to the custody of his or her parent or legal guardian at the detention hearing, through the provision of services to prevent removal, the court shall release the minor to the physical custody of his or her parent or legal guardian and order that those services shall be provided.

(2) If the minor cannot be returned to the custody of his or her parent or legal guardian at the detention hearing, the court shall state the facts upon which the detention is based. The court shall make the following findings on the record and reference the probation officer's report or other evidence relied upon to make its determinations:

(A) Whether continuance in the home of the parent or legal guardian is contrary to the minor's welfare.

(B) Whether reasonable efforts have been made to safely maintain the minor in the home of his or her parent or legal guardian and to prevent or eliminate the need for removal of the minor from his or her home. This finding shall be made at the detention hearing if possible, but in no case later than 60 days following the minor's removal from the home.

(3) If the minor cannot be returned to the custody of his or her parent or legal guardian at the detention hearing, the court shall make the following orders:

(A) The probation officer shall provide services as soon as possible which will enable the minor's parent or legal guardian to obtain such assistance as may be needed to enable the parent or guardian to effectively provide the care and control necessary for the minor to return to the home.

(B) The minor's placement and care shall be the responsibility of the probation department pending disposition or further order of the court.

(4) If the matter is set for rehearing pursuant to Section 637, or continued pursuant to Section 638, or continued for any other reason, the court shall find that the continuance of the minor in the parent's or guardian's home is contrary to the minor's welfare at the initial petition hearing or order the release of the minor from custody.

(e) Whether the minor is returned home or detained, the court shall order the minor's parent or guardian to cooperate with the probation officer in obtaining those services described in paragraph (1) or in subparagraph (A) of paragraph (3).

SEC. 2. Section 636.1 of the Welfare and Institutions Code is amended to read:

636.1. (a) When a minor is detained pursuant to Section 636 following a finding by the court that continuance in the home is contrary

to the minor's welfare and the minor is at risk of entering foster care, the probation officer shall, within 60 calendar days of initial removal, or by the date of the disposition hearing, whichever occurs first, complete a case plan.

(b) If the probation officer believes that reasonable efforts by the minor, his or her parent or legal guardian, and the probation officer will enable the minor to safely return home, the case plan shall focus on those issues and activities associated with those efforts, including a description of the strengths and needs of the minor and his or her family and identification of the services that will be provided to the minor and his or her family in order to reduce or eliminate the need for the minor to be placed in foster care and make it possible for the minor to safely return to his or her home.

(c) If, based on the information available to the probation officer, the probation officer believes that foster care placement is the most appropriate disposition, the case plan shall include all the information required by Section 706.6.

SEC. 3. Section 11404 of the Welfare and Institutions Code is amended to read:

11404. (a) Except as provided in Section 11405, a child is not eligible for AFDC-FC unless responsibility for placement and care of the child is with the county welfare department or Indian tribe that entered into an agreement pursuant to Section 10553.1, the county probation department which has an agreement with the county welfare department, or a licensed public adoption agency, licensed private adoption agency or the department.

(b) In order for the child to be eligible for AFDC-FC, the agency with responsibility for the child's placement and care shall in accordance with departmental regulations:

(1) For children removed after October 1, 1983, document that it provided preplacement preventive services to the child prior to the child's placement in foster care, and document why provisions of these services were not successful in maintaining the child in his or her home, unless it is documented that these services were not provided due to:

(A) Either the voluntary relinquishment of the child by one or both parents or court action declaring a child free from the custody and control of one or both parents.

(B) The child's residence with a nonrelated legal guardian.

(2) Develop a written assessment of the reasons necessitating the child's placement in foster care and the treatment needs of the child while in foster care to be updated by the agency no less frequently than once every six months. Where the child is a parent who has a child living with him or her in the same eligible facility, the assessment shall also address the needs of his or her child.

(3) Develop a case plan for the child within a maximum of 60 days of placement.

(4) Ensure that services are provided to return the child to his or her own home or establish an alternative permanent placement for the child if return home is not possible or is inappropriate.

SEC. 4. Section 16501.1 of the Welfare and Institutions Code is amended to read:

16501.1. (a) (1) The Legislature finds and declares that the foundation and central unifying tool in child welfare services is the case plan.

(2) The Legislature further finds and declares that a case plan ensures that the child receives protection and safe and proper care and case management, and that services are provided to the child and parents or other caretakers, as appropriate, in order to improve conditions in the parent's home, to facilitate the safe return of the child to a safe home or the permanent placement of the child, and to address the needs of the child while in foster care.

(b) (1) A case plan shall be based upon the principles of this section and shall document that a preplacement assessment of the service needs of the child and family, and preplacement preventive services, have been provided, and that reasonable efforts to prevent out-of-home placement have been made.

(2) In determining the reasonable services to be offered or provided, the child's health and safety shall be the paramount concerns.

(3) Reasonable services shall be offered or provided to make it possible for a child to return to a safe home environment, unless, pursuant to subdivisions (b) and (e) of Section 361.5, the court determines that reunification services shall not be provided.

(4) If reasonable services are not ordered, or are terminated, reasonable efforts shall be made to place the child in a timely manner in accordance with the permanent plan and to complete all steps necessary to finalize the permanent placement of the child.

(c) (1) If out-of-home placement is used to attain case plan goals, the decision regarding choice of placement shall be based upon selection of a safe setting that is the least restrictive or most familylike and the most appropriate setting that is available and in close proximity to the parent's home, proximity to the child's school, consistent with the selection of the environment best suited to meet the child's special needs and best interests, or both. The selection shall consider, in order of priority, placement with relatives, tribal members, and foster family, group care, and residential treatment pursuant to Section 7950 of the Family Code.

(2) In addition to the requirements of paragraph (1), and taking into account other statutory considerations regarding placement, the selection of the most appropriate home that will meet the child's special

needs and best interests shall also promote educational stability by taking into consideration proximity to the child's school attendance area.

(d) A written case plan shall be completed within a maximum of 60 days of the initial removal of the child or of the in-person response required under subdivision (f) of Section 16501 if the child has not been removed from his or her home, or by the date of the dispositional hearing pursuant to Section 358, whichever occurs first. The case plan shall be updated, as the service needs of the child and family dictate. At a minimum, the case plan shall be updated in conjunction with each status review hearing conducted pursuant to Section 366.21, and the hearing conducted pursuant to Section 366.26, but no less frequently than once every six months. Each updated case plan shall include a description of the services that have been provided to the child under the plan and an evaluation of the appropriateness and effectiveness of those services.

(1) It is the intent of the Legislature that extending the maximum time available for preparing a written case plan from 30 to 60 days will afford caseworkers time to actively engage families, and to solicit and integrate into the case plan the input of the child and the child's family, as well as the input of relatives and other interested parties.

(2) The extension of the maximum time available for preparing a written case plan from 30 to 60 days shall be effective 90 days after the date that the department gives counties written notice that necessary changes have been made to the Child Welfare Services Case Management System to account for the 60-day timeframe for preparing a written case plan.

(e) The child welfare services case plan shall be comprehensive enough to meet the juvenile court dependency proceedings requirements pursuant to Article 6 (commencing with Section 300) of Chapter 2 of Part 1 of Division 2.

(f) The case plan shall be developed as follows:

(1) The case plan shall be based upon an assessment of the circumstances that required child welfare services intervention.

(2) The case plan shall identify specific goals and the appropriateness of the planned services in meeting those goals.

(3) The case plan shall identify the original allegations of abuse or neglect, as defined in Article 2.5 (commencing with Section 11164) of Chapter 2 of Title 1 of Part 4 of the Penal Code, or the conditions cited as the basis for declaring the child a dependent of the court pursuant to Section 300, or all of these, and the other precipitating incidents that led to child welfare services intervention.

(4) The case plan shall include a description of the schedule of the social worker contacts with the child and the family or other caretakers. The frequency of these contacts shall be in accordance with regulations adopted by the State Department of Social Services. If the child has been

placed in foster care out of state, the county social worker or a social worker on the staff of the social services agency in the state in which the child has been placed shall visit the child in a foster family home or the home of a relative at least every 12 months and submit a report to the court on each visit. For children in out-of-state group home facilities, visits shall be conducted at least monthly, pursuant to Section 16516.5. At least once every six months, at the time of a regularly scheduled social worker contact with the foster child, the child's social worker shall inform the child of his or her rights as a foster child, as specified in Section 16001.9. The social worker shall provide the information to the child in a manner appropriate to the age or developmental level of the child.

(5) (A) When out-of-home services are used, the frequency of contact between the natural parents or legal guardians and the child shall be specified in the case plan. The frequency of those contacts shall reflect overall case goals, and consider other principles outlined in this section.

(B) Information regarding any court-ordered visitation between the child and the natural parents or legal guardians, and the terms and conditions needed to facilitate the visits while protecting the safety of the child, shall be provided to the child's out-of-home caregiver as soon as possible after the court order is made.

(6) When out-of-home placement is made, the case plan shall include provisions for the development and maintenance of sibling relationships as specified in subdivisions (b), (c), and (d) of Section 16002. If appropriate, when siblings who are dependents of the juvenile court are not placed together, the social worker for each child, if different, shall communicate with each of the other social workers and ensure that the child's siblings are informed of significant life events that occur within their extended family. Unless it has been determined that it is inappropriate in a particular case to keep siblings informed of significant life events that occur within the extended family, the social worker shall determine the appropriate means and setting for disclosure of this information to the child commensurate with the child's age and emotional well-being. These significant life events shall include, but shall not be limited to, the following:

(A) The death of an immediate relative.

(B) The birth of a sibling.

(C) Significant changes regarding a dependent child, unless the child objects to the sharing of the information with his or her siblings, including changes in placement, major medical or mental health diagnoses, treatments, or hospitalizations, arrests, and changes in the permanent plan.

(7) If out-of-home placement is made in a foster family home, group home or other child care institution that is either a substantial distance

from the home of the child's parent or out of state, the case plan shall specify the reasons why that placement is in the best interest of the child. When an out-of-state group home placement is recommended or made, the case plan shall, in addition, specify compliance with Section 7911.1 of the Family Code.

(8) (A) If out-of-home services are used, or if parental rights have been terminated and the case plan is placement for adoption, the case plan shall include a recommendation regarding the appropriateness of unsupervised visitation between the child and any of the child's siblings. This recommendation shall include a statement regarding the child's and the siblings' willingness to participate in unsupervised visitation. If the case plan includes a recommendation for unsupervised sibling visitation, the plan shall also note that information necessary to accomplish this visitation has been provided to the child or to the child's siblings.

(B) Information regarding the schedule and frequency of the visits between the child and siblings, as well as any court-ordered terms and conditions needed to facilitate the visits while protecting the safety of the child, shall be provided to the child's out-of-home caregiver as soon as possible after the court order is made.

(9) If out-of-home services are used and the goal is reunification, the case plan shall describe the services to be provided to assist in reunification and the services to be provided concurrently to achieve legal permanency if efforts to reunify fail. The plan shall also consider the importance of developing and maintaining sibling relationships pursuant to Section 16002, and the desire and willingness of the caregiver to provide legal permanency for the child if reunification is unsuccessful.

(10) If out-of-home services are used, the child has been in care for at least 12 months, and the goal is not adoptive placement, the case plan shall include documentation of the compelling reason or reasons why termination of parental rights is not in the child's best interest. A determination completed or updated within the past 12 months by the department when it is acting as an adoption agency or by a licensed adoption agency that it is unlikely that the child will be adopted, or that one of the conditions described in paragraph (1) of subdivision (c) of Section 366.26 applies, shall be deemed a compelling reason.

(11) (A) Parents and legal guardians shall have an opportunity to review the case plan, and to sign it whenever possible, and then shall receive a copy of the plan. In any voluntary service or placement agreement, the parents or legal guardians shall be required to review and sign the case plan. Whenever possible, parents and legal guardians shall participate in the development of the case plan.

(B) Parents and legal guardians shall be advised that, pursuant to Section 1228.1 of the Evidence Code, neither their signature on the child welfare services case plan nor their acceptance of any services prescribed in the child welfare services case plan shall constitute an admission of guilt or be used as evidence against the parent or legal guardian in a court of law. However, they shall also be advised that the parent's or guardian's failure to cooperate, except for good cause, in the provision of services specified in the child welfare services case plan may be used in any hearing held pursuant to Section 366.21 or 366.22 as evidence.

(12) The case plan shall be included in the court report and shall be considered by the court at the initial hearing and each review hearing. Modifications to the case plan made during the period between review hearings need not be approved by the court if the casework supervisor for that case determines that the modifications further the goals of the plan. If out-of-home services are used with the goal of family reunification, the case plan shall consider and describe the application of subdivision (b) of Section 11203.

(13) If the case plan has as its goal for the child a permanent plan of adoption or placement in another permanent home, it shall include documentation of the steps the agency is taking to find an adoptive family or other permanent living arrangements for the child; to place the child with an adoptive family, an appropriate and willing relative, a legal guardian, or in another planned permanent living arrangement; and to finalize the adoption or legal guardianship. At a minimum, the documentation shall include child specific recruitment efforts, such as the use of state, regional, and national adoption exchanges, including electronic exchange systems, when the child has been freed for adoption.

(14) When appropriate, for a child who is 16 years of age or older, the case plan shall include a written description of the programs and services that will help the child prepare for the transition from foster care to independent living. The case plan shall be developed with the child and individuals identified as important to the child, and shall include steps the agency is taking to ensure that the child has a connection to a caring adult.

(g) If the court finds, after considering the case plan, that unsupervised sibling visitation is appropriate and has been consented to, the court shall order that the child or the child's siblings, the child's current caregiver, and the child's prospective adoptive parents, if applicable, be provided with information necessary to accomplish this visitation. This section does not require or prohibit the social worker's facilitation, transportation, or supervision of visits between the child and his or her siblings.

(h) The case plan documentation on sibling placements required under this section shall not require modification of existing case plan

forms until the Child Welfare Services Case Management System is implemented on a statewide basis.

(i) When a child who is 10 years of age or older has been in out-of-home placement in a group home for six months or longer from the date the child entered foster care, the case plan shall include an identification of individuals, other than the child's siblings, who are important to the child and actions necessary to maintain the child's relationship with those individuals, provided that those relationships are in the best interest of the child. The social worker shall ask every child who is 10 years of age or older who is not placed in a group home to identify any individuals other than the child's siblings who are important to the child, and may ask any child who is younger than 10 years of age to provide that information, as appropriate. The social worker shall make efforts to identify other individuals who are important to the child, consistent with the child's best interests.

(j) The child's caregiver shall be provided a copy of a plan outlining the child's needs and services.

(k) The department, in consultation with the County Welfare Directors Association and other advocates, shall develop standards and guidelines for a model relative placement search and assessment process based on the criteria established in Section 361.3. These guidelines shall be incorporated in the training described in Section 16206. These model standards and guidelines shall be developed by March 1, 1999.

SEC. 5. Section 16506 of the Welfare and Institutions Code is amended to read:

16506. Family maintenance services shall be provided or arranged for by county welfare department staff in order to maintain the child in his or her own home. These services shall be limited to six months, and may be extended in periods of six-month increments if it can be shown that the objectives of the service plan can be achieved within the extended time periods, and provided within the county's allocation. Family maintenance services shall be available without regard to income and shall only be provided to any of the following:

(a) Families whose child or children have been adjudicated a dependent of the court under Section 300, and where the court has ordered the county welfare department to supervise while the child remains in the child's home.

(b) Families whose child is in potential danger of abuse, neglect, or exploitation, who are willing to accept services and participate in corrective efforts, and where it is safe for the child to remain in the child's home only with the provision of services.

(c) Families in which the child is in the care of a previously noncustodial parent, under the supervision of the juvenile court.

(d) Family maintenance services shall be provided to any individual and child who are referred pursuant to Section 11254 and who are not placed in foster care and who meet any of the criteria of subdivision (b) of Section 11254. The services shall be provided until the individual reaches 18 years of age.

CHAPTER 333

An act to amend Section 810 of the Business and Professions Code, relating to health care.

[Approved by Governor August 27, 2004. Filed with Secretary of State August 30, 2004.]

The people of the State of California do enact as follows:

SECTION 1. Section 810 of the Business and Professions Code is amended to read:

810. (a) It shall constitute unprofessional conduct and grounds for disciplinary action, including suspension or revocation of a license or certificate, for a health care professional to do any of the following in connection with his or her professional activities:

(1) Knowingly present or cause to be presented any false or fraudulent claim for the payment of a loss under a contract of insurance.

(2) Knowingly prepare, make, or subscribe any writing, with intent to present or use the same, or to allow it to be presented or used in support of any false or fraudulent claim.

(b) It shall constitute cause for revocation or suspension of a license or certificate for a health care professional to engage in any conduct prohibited under Section 1871.4 of the Insurance Code or Section 549 or 550 of the Penal Code.

(c) (1) It shall constitute cause for automatic suspension of a license or certificate issued pursuant to Chapter 4 (commencing with Section 1600), Chapter 5 (commencing with Section 2000), Chapter 6.6 (commencing with Section 2900), Chapter 7 (commencing with Section 3000), or Chapter 9 (commencing with Section 4000), or pursuant to the Chiropractic Act or the Osteopathic Act, if a licensee or certificate holder has been convicted of any felony involving fraud committed by the licensee or certificate holder in conjunction with providing benefits covered by worker's compensation insurance, or has been convicted of any felony involving Medi-Cal fraud committed by the licensee or certificate holder in conjunction with the Medi-Cal program, including the Denti-Cal element of the Medi-Cal program, pursuant to Chapter 7

(commencing with Section 14000), or Chapter 8 (commencing with Section 14200), of Part 3 of Division 9 of the Welfare and Institutions Code. The board shall convene a disciplinary hearing to determine whether or not the license or certificate shall be suspended, revoked, or some other disposition shall be considered, including, but not limited to, revocation with the opportunity to petition for reinstatement, suspension, or other limitations on the license or certificate as the board deems appropriate.

(2) It shall constitute cause for automatic suspension and for revocation of a license or certificate issued pursuant to Chapter 4 (commencing with Section 1600), Chapter 5 (commencing with Section 2000), Chapter 6.6 (commencing with Section 2900), Chapter 7 (commencing with Section 3000), or Chapter 9 (commencing with Section 4000), or pursuant to the Chiropractic Act or the Osteopathic Act, if a licensee or certificate holder has more than one conviction of any felony arising out of separate prosecutions involving fraud committed by the licensee or certificate holder in conjunction with providing benefits covered by worker's compensation insurance, or in conjunction with the Medi-Cal program, including the Denti-Cal element of the Medi-Cal program pursuant to Chapter 7 (commencing with Section 14000), or Chapter 8 (commencing with Section 14200), of Part 3 of Division 9 of the Welfare and Institutions Code. The board shall convene a disciplinary hearing to revoke the license or certificate and an order of revocation shall be issued unless the board finds mitigating circumstances to order some other disposition.

(3) It is the intent of the Legislature that paragraph (2) apply to a licensee or certificate holder who has one or more convictions prior to January 1, 2004, as provided in this subdivision.

(4) Nothing in this subdivision shall preclude a board from suspending or revoking a license or certificate pursuant to any other provision of law.

(5) ''Board,'' as used in this subdivision, means the Dental Board of California, the Medical Board of California, the Board of Psychology, the State Board of Optometry, the California State Board of Pharmacy, the Osteopathic Medical Board of California, and the State Board of Chiropractic Examiners.

(6) ''More than one conviction,'' as used in this subdivision, means that the licensee or certificate holder has one or more convictions prior to January 1, 2004, and at least one conviction on or after that date, or the licensee or certificate holder has two or more convictions on or after January 1, 2004. However, a licensee or certificate holder who has one or more convictions prior to January 1, 2004, but who has no convictions and is currently licensed or holds a certificate after that date, does not have ''more than one conviction'' for the purposes of this subdivision.

(d) As used in this section, health care professional means any person licensed or certified pursuant to this division, or licensed pursuant to the Osteopathic Initiative Act, or the Chiropractic Initiative Act.

CHAPTER 334

An act to amend Section 17204 of the Probate Code, relating to trusts.

[Approved by Governor August 27, 2004. Filed with Secretary of State August 30, 2004.]

The people of the State of California do enact as follows:

SECTION 1. Section 17204 of the Probate Code is amended to read:

17204. (a) If proceedings involving a trust are pending, a beneficiary of the trust may, in person or by attorney, file with the court clerk where the proceedings are pending a written request stating that the beneficiary desires special notice of the filing of petitions in the proceeding relating to any or all of the purposes described in Section 17200 and giving an address for receiving notice by mail. A copy of the request shall be personally delivered or mailed to the trustee or the trustee's attorney. If personally delivered, the request is effective when it is delivered. If mailed, the request is effective when it is received. When the original of the request is filed with the court clerk, it shall be accompanied by a written admission or proof of service. A request for special notice may be modified or withdrawn in the same manner as provided for the making of the initial request.

(b) (1) An interested person may request special notice in the same manner as a beneficiary under subdivision (a), for the purpose set forth in paragraph (9) of subdivision (b) of Section 17200. The request for special notice shall be accompanied by a verified statement of the person's interest.

(2) For purposes set forth in paragraphs (2), (4) to (6), inclusive, (8), (12), (16), (20), and (21) of subdivision (b) of Section 17200, an interested person may petition the court for an order for special notice of proceedings involving a trust. The petition shall include a verified statement of the creditor's interest and may be served on the trustee or the trustee's attorney by personal delivery or in the manner required by Section 1215. The petition may be made by ex parte application.

(3) For purposes of this subdivision, an ''interested person'' means only a creditor of a trust or, if the trust has become irrevocable upon the death of a trustor, a creditor of the trustor.

(4) This section does not confer standing on an interested person if standing does not otherwise exist.

(c) Except as provided in subdivision (d), after serving and filing a request and proof of service pursuant to subdivision (a) or paragraph (1) of subdivision (b), the beneficiary or the interested person is entitled to notice pursuant to Section 17203. If the petition of an interested person filed pursuant to paragraph (2) of subdivision (b) is granted by the court, the interested person is entitled to notice pursuant to Section 17203.

(d) A request for special notice made by a beneficiary whose right to notice is restricted by Section 15802 is not effective.

CHAPTER 335

An act to amend Section 24045.5 of the Business and Professions Code, relating to alcoholic beverages.

[Approved by Governor August 27, 2004. Filed with Secretary of State August 30, 2004.]

The people of the State of California do enact as follows:

SECTION 1. Section 24045.5 of the Business and Professions Code is amended to read:

24045.5. The department in its discretion may issue a temporary permit to the transferee of any license to continue the operation of the premises during the period a transfer application for the license from person to person at the same premises is pending and when all the following conditions exist:

(a) The premises shall have been operated under a license within 30 days of the date of filing the application for a temporary permit.

(b) The license for the premises shall have been surrendered pursuant to rules of the department.

(c) The applicant for the temporary permit shall have filed with the department an application for transfer of the license at the premises to himself or herself.

(d) The application for the temporary permit shall be accompanied by a temporary permit fee of one hundred dollars ($100).

A temporary permit issued by the department pursuant to this section shall be for a period not to exceed four calendar months. A temporary permit may be extended at the discretion of the department for an additional four calendar months upon payment of an additional fee of one hundred dollars ($100) and upon compliance with all conditions required herein. A temporary permit is a conditional permit and

authorizes the holder thereof to sell the alcoholic beverages as would be permitted to be sold under the privileges of the license for which the transfer application has been filed with the department.

Purchase of beer, wine, and distilled spirits by the holder of a temporary permit shall be made only upon payment before or at the time of delivery in currency or by check. However, the holder of a temporary retail permit who also holds one or more retail licenses and is operating under the retail license or licenses in addition to the temporary permit, and who is not delinquent under the provisions of Section 25509 as to any retail license under which he or she operates, may purchase alcoholic beverages on credit under the temporary permit.

All checks received by a seller for alcoholic beverages purchased by the holder of a temporary retail permit shall be deposited not later than the second business day following the date the alcoholic beverages are delivered.

A check dishonored on presentation shall not be deemed payment. The receipt by the seller or his or her agent in good faith from a holder of a temporary permit of a check dishonored on presentation shall not be cause for disciplinary action against the seller.

Transfer of the license for which the holder of a temporary permit has filed an application shall not be approved by the department until the holder of the temporary permit has filed with the department a statement executed under penalty of perjury that all current obligations have been discharged, and that all outstanding checks issued by him or her in payment for alcoholic beverages will be honored on presentation.

It shall not be a violation of this section or otherwise grounds for disciplinary action for any licensee to extend credit to the holder of a temporary permit or to receive payment from the permittee in a manner other than authorized herein unless the seller had knowledge of the fact that the purchaser was operating under a temporary permit. Knowledge of the fact may be established by evidence, including, but not limited to, evidence that, at the time of receipt of payment or the extension of credit, the premises operated under a temporary permit were posted with the notice required by Section 23985, or the holder of the temporary permit had recorded notice as required by Section 24073, or the holder of the temporary permit had published notice as required by Section 23986, or the holder of the temporary permit had recorded and published notice pursuant to Division 6 (commencing with Section 6101) of the Commercial Code.

Refusal by the department to issue or extend a temporary permit shall not entitle the applicant to petition for the permit pursuant to Section 24011, or to a hearing pursuant to Section 24012. Articles 2 (commencing with Section 23985) and 3 (commencing with Section 24011) shall not apply to temporary permits.

Notwithstanding any other provision of law, a temporary permit may be canceled or suspended summarily at anytime if the department determines that good cause for the cancellation or suspension exists. Chapter 8 (commencing with Section 24300) shall not apply to temporary permits.

Application for a temporary permit shall be on any form the department shall prescribe. If an application for temporary permit is withdrawn before issuance or is refused by the department, the fee which accompanied the application shall be refunded in full, and Section 23959 shall not apply. Fees received by the department for issuance of temporary permits shall be deposited in the Alcohol Beverage Control Fund as provided in Section 25761.

(3) (A) The simplified answer form shall be written in simple English and shall permit a defendant to answer and raise defenses by checking applicable boxes. The answer form shall include instructions for completion of the form and instructions for proper filing of the answer.

(B) The answer form shall be accompanied by a blank income and expense declaration or simplified financial statement and instructions on how to complete the financial forms. The answer form shall direct the defendant to file the completed income and expense declaration or simplified financial statement with the answer, but shall state that the answer will be accepted by a court without the income and expense declaration or simplified financial statement.

(C) The clerk of the court shall accept and file answers, income and expense declarations, and simplified financial statements that are completed by hand provided they are legible.

(4) (A) The simplified complaint form prepared pursuant to this subdivision shall be used by the local child support agency or the Attorney General in all cases brought under this section or Section 17404.

(B) The simplified answer form prepared pursuant to this subdivision shall be served on all defendants with the simplified complaint. Failure to serve the simplified answer form on all defendants shall not invalidate any judgment obtained. However, failure to serve the answer form may be used as evidence in any proceeding under Section 17432 of this code or Section 473 of the Code of Civil Procedure.

(C) The Judicial Council shall add language to the governmental summons, for use by the local child support agency with the governmental complaint to establish parental relationship and child support, informing defendants that a blank answer form should have been received with the summons and additional copies may be obtained from either the local child support agency or the superior court clerk.

(e) In any action brought or enforcement proceedings instituted by the local child support agency pursuant to this section for payment of child or spousal support, an action to recover an arrearage in support payments may be maintained by the local child support agency at any time within the period otherwise specified for the enforcement of a support judgment, notwithstanding the fact that the child has attained the age of majority.

(f) The county shall undertake an outreach program to inform the public that the services described in subdivisions (a) to (c), inclusive, are available to persons not receiving public assistance. There shall be prominently displayed in every public area of every office of the agencies established by this section a notice, in clear and simple language prescribed by the Director of Child Support Services, that the services provided in subdivisions (a) to (c), inclusive, are provided to all individuals, whether or not they are recipients of public assistance.

(g) (1) In any action to establish a child support order brought by the local child support agency in the performance of duties under this section, the local child support agency may make a motion for an order effective during the pendency of that action, for the support, maintenance, and education of the child or children that are the subject of the action. This order shall be referred to as an order for temporary support. This order has the same force and effect as a like or similar order under this code.

(2) The local child support agency shall file a motion for an order for temporary support within the following time limits:

(A) If the defendant is the mother, a presumed father under Section 7611, or any father where the child is at least six months old when the

defendant files his or her answer, the time limit is 90 days after the defendant files an answer.

(B) In any other case where the defendant has filed an answer prior to the birth of the child or not more than six months after the birth of the child, then the time limit is nine months after the birth of the child.

(3) If more than one child is the subject of the action, the limitation on reimbursement shall apply only as to those children whose parental relationship and age would bar recovery were a separate action brought for support of that child or those children.

(4) If the local child support agency fails to file a motion for an order for temporary support within time limits specified in this section, the local child support agency shall be barred from obtaining a judgment of reimbursement for any support provided for that child during the period between the date the time limit expired and the motion was filed, or, if no motion is filed, when a final judgment is entered.

(5) Except as provided in Section 17304, nothing in this section prohibits the local child support agency from entering into cooperative arrangements with other county departments as necessary to carry out the responsibilities imposed by this section pursuant to plans of cooperation with the departments approved by the Department of Child Support Services.

(6) Nothing in this section otherwise limits the ability of the local child support agency from securing and enforcing orders for support of a spouse or former spouse as authorized under any other provision of law.

(h) As used in this article, ''enforcing obligations'' includes, but is not limited to, any of the following:

(1) The use of all interception and notification systems operated by the department for the purposes of aiding in the enforcement of support obligations.

(2) The obtaining by the local child support agency of an initial order for child support that may include medical support or that is for medical support only, by civil or criminal process.

(3) The initiation of a motion or order to show cause to increase an existing child support order, and the response to a motion or order to show cause brought by an obligor parent to decrease an existing child support order, or the initiation of a motion or order to show cause to obtain an order for medical support, and the response to a motion or order to show cause brought by an obligor parent to decrease or terminate an existing medical support order, without regard to whether the child is receiving public assistance.

(4) The response to a notice of motion or order to show cause brought by an obligor parent to decrease an existing spousal support order when the child or children are residing with the obligee parent and the local

child support agency is also enforcing a related child support obligation owed to the obligee parent by the same obligor.

(5) The referral of child support delinquencies to the Franchise Tax Board under subdivision (c) of Section 17500 in support of the local child support agency.

(i) As used in this section, ''out of wedlock'' means that the biological parents of the child were not married to each other at the time of the child's conception.

(j) (1) The local child support agency is the public agency responsible for administering wage withholding for current support for the purposes of Title IV-D of the Social Security Act (42 U.S.C. Sec. 651 et seq.).

(2) Nothing in this section limits the authority of the local child support agency granted by other sections of this code or otherwise granted by law.

(k) In the exercise of the authority granted under this article, the local child support agency may intervene, pursuant to subdivision (b) of Section 387 of the Code of Civil Procedure, by ex parte application, in any action under this code, or other proceeding in which child support is an issue or a reduction in spousal support is sought. By notice of motion, order to show cause, or responsive pleading served upon all parties to the action, the local child support agency may request any relief that is appropriate that the local child support agency is authorized to seek.

(*l*) The local child support agency shall comply with all regulations and directives established by the department that set time standards for responding to requests for assistance in locating noncustodial parents, establishing paternity, establishing child support awards, and collecting child support payments.

(m) As used in this article, medical support activities that the local child support agency is authorized to perform are limited to the following:

(1) The obtaining and enforcing of court orders for health insurance coverage.

(2) Any other medical support activity mandated by federal law or regulation.

(n) (1) Notwithstanding any other law, venue for an action or proceeding under this division shall be determined as follows:

(A) Venue shall be in the superior court in the county that is currently expending public assistance.

(B) If public assistance is not currently being expended, venue shall be in the superior court in the county where the child who is entitled to current support resides or is domiciled.

(C) If current support is no longer payable through, or enforceable by, the local child support agency, venue shall be in the superior court in the county that last provided public assistance for actions to enforce arrearages assigned pursuant to Section 11477 of the Welfare and Institutions Code.

(D) If subparagraphs (A), (B), and (C) do not apply, venue shall be in the superior court in the county of residence of the support obligee.

(E) If the support obligee does not reside in California, and subparagraphs (A), (B), (C), and (D) do not apply, venue shall be in the superior court of the county of residence of the obligor.

(2) Notwithstanding paragraph (1), if the child becomes a resident of another county after an action under this part has been filed, venue may remain in the county where the action was filed until the action is completed.

(o) The local child support agency of one county may appear on behalf of the local child support agency of any other county in an action or proceeding under this part.

SEC. 7. Section 17406 of the Family Code is amended to read:

17406. (a) In all actions involving paternity or support, including, but not limited to, other proceedings under this code, and under Division 9 (commencing with Section 10000) of the Welfare and Institutions Code, the local child support agency and the Attorney General represent the public interest in establishing, modifying, and enforcing support obligations. No attorney-client relationship shall be deemed to have been created between the local child support agency or Attorney General and any person by virtue of the action of the local child support agency or the Attorney General in carrying out these statutory duties.

(b) Subdivision (a) is declaratory of existing law.

(c) In all requests for services of the local child support agency or Attorney General pursuant to Section 17400 relating to actions involving paternity or support, not later than the same day an individual makes a request for these services in person, and not later than five working days after either (1) a case is referred for services from the county welfare department, (2) receipt of a request by mail for an application for services, or (3) an individual makes a request for services by telephone, the local child support agency or Attorney General shall give notice to the individual requesting services or on whose behalf services have been requested that the local child support agency or Attorney General does not represent the individual or the children who are the subject of the case, that no attorney-client relationship exists between the local child support agency or Attorney General and those persons, and that no such representation or relationship shall arise if the local child support agency or Attorney General provides the services requested. Notice shall be in bold print and in plain English and shall be

translated into the language understandable by the recipient when reasonable. The notice shall include the advice that the absence of an attorney-client relationship means that communications from the recipient are not privileged and that the local child support agency or Attorney General may provide support enforcement services to the other parent in the future.

(d) The local child support agency or Attorney General shall give the notice required pursuant to subdivision (c) to all recipients of services under Section 17400 who have not otherwise been provided that notice, not later than the date of the next annual notice required under Section 11476.2 of the Welfare and Institutions Code. This notice shall include notification to the recipient of services under Section 17400 that the recipient may inspect the clerk's file at the office of the clerk of the court, and that, upon request, the local child support agency, or, if appropriate, the Attorney General, will furnish a copy of the most recent order entered in the case.

(e) The local child support agency or, if appropriate, the Attorney General shall serve a copy of the complaint for paternity or support, or both, on recipients of support services under Section 17400, as specified in paragraph (2) of subdivision (e) of Section 17404. A notice shall accompany the complaint that informs the recipient that the local child support agency or Attorney General may enter into a stipulated order resolving the complaint, and that the recipient shall assist the prosecuting attorney, by sending all information on the noncustodial parent's earnings and assets to the prosecuting attorney.

(f) (1) (A) The local child support agency or Attorney General shall provide written notice to recipients of services under Section 17400 of the initial date and time, and purpose of every hearing in a civil action for paternity or support.

(B) Once the parent who has requested or is receiving support enforcement services becomes a party to the action pursuant to subdivision (e) of Section 17404, in lieu of the above, the local child support agency or Attorney General shall serve on a parent all pleadings relating to paternity or support that have been served on the local child support agency by the other parent. The pleading shall be accompanied by a notice.

(C) The notice provided subject to subparagraphs (A) and (B) shall include the following language:

IMPORTANT NOTICE

It may be important that you attend the hearing. The local child support agency does not represent you or your children. You may have information about the other parent, such as information about

his or her income or assets that will not be presented to the court unless you attend the hearing. You have the right to attend the hearing and to be heard in court and tell the court what you think the court should do with the child support order. This hearing could change your rights or your children's rights to support.

(2) The notice shall state the purpose of the hearing or be attached to the motion or other pleading which caused the hearing to be scheduled.

(3) The notice shall be provided separate from all other material and shall be in at least 14-point type. The failure of the local child support agency or Attorney General to provide the notice required pursuant to subparagraph (A) of paragraph (1) does not affect the validity of any order.

(4) (A) The notice required pursuant to subparagraph (A) of paragraph (1) shall be provided not later than seven calendar days prior to the hearing, or, if the local child support agency or Attorney General receives notice of the hearing less than seven days prior to the hearing, within two days of the receipt by the local child support agency or Attorney General of the notice of the hearing.

(B) Service of the notice and the pleadings required pursuant to subparagraph (B) of paragraph (1) shall be completed not later than five days after receipt of the pleadings served on the local child support agency by the parent.

(5) The local child support agency or Attorney General shall, in order to implement this subdivision, make reasonable efforts to ensure that the local child support agency or Attorney General has current addresses for all parties to the child support action.

(g) The local child support agency or Attorney General shall give notice to recipients of services under Section 17400 of every order obtained by the local child support agency or Attorney General that establishes or modifies the support obligation for the recipient or the children who are the subject of the order, by sending a copy of the order to the recipient. The notice shall be made within the time specified by federal law after the order has been filed. The local child support agency or Attorney General shall also give notice to these recipients of every order obtained in any other jurisdiction that establishes or modifies the support obligation for the recipient or the children who are the subject of the order, and which is received by the local child support agency or Attorney General, by sending a copy of the order to the recipient within the timeframe specified by federal law after the local child support agency or Attorney General has received a copy of the order. In any action enforced under Chapter 6 (commencing with Section 4900) of Part 5 of Division 9, the notice shall be made in compliance with the requirements of that chapter. The failure of the local child support

agency or Attorney General to comply with this subdivision does not affect the validity of any order.

(h) The local child support agency or Attorney General shall give notice to the noncustodial parent against whom a civil action is filed that the local child support agency or Attorney General is not the attorney representing any individual, including, but not limited to, the custodial parent, the child, or the noncustodial parent.

(i) Nothing in this section shall be construed to preclude any person who is receiving services under Section 17400 from filing and prosecuting an independent action to establish, modify, and enforce an order for current support on behalf of himself or herself or a child if that person is not receiving public assistance.

(j) A person who is receiving services under Section 17400 but who is not currently receiving public assistance on his or her own behalf or on behalf of a child shall be asked to execute, or consent to, any stipulation establishing or modifying a support order in any action in which that person is named as a party, before the stipulation is filed. The local child support agency or Attorney General may not submit to the court for approval a stipulation to establish or modify a support order in the action without first obtaining the signatures of all parties to the action, their attorneys of record, or persons authorized to act on their behalf. Any stipulation approved by the court in violation of this subdivision shall be void.

(k) The local child support agency or Attorney General may not enter into a stipulation that reduces the amount of past due support, including interest and penalties accrued pursuant to an order of current support, on behalf of a person who is receiving support enforcement services under Section 17400 and who is owed support arrearages that exceed unreimbursed public assistance paid to the recipient of the support enforcement services, without first obtaining the consent of the person who is receiving services under Section 17400 on his or her own behalf or on behalf of the child.

(*l*) The notices required in this section shall be provided in the following manner:

(1) In all cases in which the person receiving services under Section 17400 resides in California, notice shall be provided by mailing the item by first-class mail to the last known address of, or personally delivering the item to, that person.

(2) In all actions enforced under Chapter 6 (commencing with Section 4900) of Part 5 of Division 9, unless otherwise specified, notice shall be provided by mailing the item by first-class mail to the initiating court.

(m) Notwithstanding any other provision of this section, the notices provided for pursuant to subdivisions (c) to (g), inclusive, are not required in foster care cases.

SEC. 8. Section 17432 of the Family Code is amended to read:

17432. (a) In any action filed by the local child support agency pursuant to Section 17400, 17402, or 17404, the court may, on any terms that may be just, set aside that part of the judgment or order concerning the amount of child support to be paid. This relief may be granted after the six-month time limit of Section 473 of the Code of Civil Procedure has elapsed, based on the grounds, and within the time limits, specified in this section.

(b) This section shall apply only to judgments or orders for support that were based upon presumed income as specified in subdivision (d) of Section 17400 and that were entered after the entry of the default of the defendant under Section 17430. This section shall apply only to the amount of support ordered and not that portion of the judgment or order concerning the determination of parentage.

(c) The court may set aside the child support order contained in a judgment described in subdivision (b) if the defendant's income was substantially different for the period of time during which judgment was effective compared with the income the defendant was presumed to have. A ''substantial difference'' means that amount of income that would result in an order for support that deviates from the order entered by default by 10 percent or more.

(d) Application for relief under this section shall be filed together with an income and expense declaration or simplified financial statement or other information concerning income for any relevant years. The Judicial Council may combine the application for relief under this section and the proposed answer into a single form.

(e) The burden of proving that the actual income of the defendant deviated substantially from the presumed income shall be on the party seeking to set aside the order.

(f) A motion for relief under this section shall be filed within one year of the first collection of money by the local child support agency or the obligee. The one-year time period shall run from the date that the local child support agency receives the first collection.

(g) Within three months from the date the local child support agency receives the first collection for any order established using presumed income, the local child support agency shall check all appropriate sources for income information, and if income information exists, the local child support agency shall make a determination whether the order qualifies for set aside under this section. If the order qualifies for set aside, the local child support agency shall bring a motion for relief under this section.

(h) In all proceedings under this section, before granting relief, the court shall consider the amount of time that has passed since the entry of the order, the circumstances surrounding the defendant's default, the relative hardship on the child or children to whom the duty of support is owed, the caretaker parent, and the defendant, and other equitable factors that the court deems appropriate.

(i) If the court grants the relief requested, the court shall issue a new child support order using the appropriate child support guidelines currently in effect. The new order shall have the same commencement date as the order set aside.

(j) The Judicial Council shall review and modify any relevant forms for purposes of this section. Any modifications to the forms shall be effective July 1, 2005. Prior to the implementation of any modified Judicial Council forms, the local child support agency or custodial parent may file any request to set aside a default judgment under this section using Judicial Council Form FL-680 entitled ''Notice of Motion (Governmental)'' and form FL-684 entitled ''Request for Order and Supporting Declaration (Governmental).''

SEC. 9. Section 17500 of the Family Code is amended to read:

17500. (a) In carrying out its obligations under Title IV-D of the Social Security Act (42 U.S.C. Sec. 651 et seq.), the local child support agency shall have the responsibility for promptly and effectively collecting and enforcing child support obligations.

(b) The local child support agency is the public agency responsible for administering wage withholding for the purposes of Title IV-D of the Social Security Act (42 U.S.C. Sec. 651 et seq.).

(c) Except as provided in paragraph (3) of subdivision (e) of Section 19271 of the Revenue and Taxation Code, the local child support agency shall refer child support delinquencies to the Franchise Tax Board for collection purposes in the form and manner and at the time prescribed by the Franchise Tax Board. Collection shall be made by the Franchise Tax Board in accordance with Section 19271 of the Revenue and Taxation Code. For purposes of this subdivision, ''child support delinquency'' means an arrearage or otherwise past due amount that accrues when an obligor fails to make any court-ordered support payment when due, which is more than 60 days past due, and the aggregate amount of which exceeds one hundred dollars ($100).

(1) If a child support delinquency exists at the time a case is opened by the local child support agency, the responsibility for the collection of the child support delinquency shall be referred to the Franchise Tax Board no later than 30 days after receipt of the case by the local child support agency.

(2) The referral of child support delinquencies required by this subdivision is for the purposes of supplementing the collection efforts

of the local child support agency and for purposes of efficient and effective child support enforcement and shall not in any manner transfer any responsibilities the local child support agency may have and any responsibilities the Department of Child Support Services may have as the Title IV-D agency.

SEC. 10. Section 27282 of the Government Code is amended to read:

27282. (a) The following documents may be recorded without acknowledgment, certificate of acknowledgment, or further proof:

(1) A judgment affecting the title to or possession of real property, authenticated by the certificate of the clerk of the court in which the judgment was rendered.

(2) A notice of support judgment, an interstate lien, a release of lien, or any other document completed and recorded by a local child support agency or a state agency acting pursuant to Title IV-D of the Social Security Act (42 U.S.C. Sec. 651 et seq.).

(3) A notice of location of mining claim.

(4) Certificates of amounts of taxes, interest and penalties due, notices of state tax liens and extensions thereof executed by the state, county, or city taxing agencies or officials pursuant to Chapter 14 (commencing with Section 7150) of Division 7 of Title 1 of the Government Code, and Sections 2191.3, 2191.4, and 11495 of the Revenue and Taxation Code, and releases, partial releases, and subordinations executed pursuant to Chapter 14 (commencing with Section 7150) of Division 7 of Title 1 of the Government Code, and Sections 2191.4, 11496, 14307, and 14308 of the Revenue and Taxation Code.

(5) Notices of lien for postponed property taxes executed pursuant to Section 16182.

(6) A release, discharge, or subordination of a lien for postponed property taxes as authorized by Chapter 6 (commencing with Section 16180) of Part 1 of Division 4 of Title 2.

(7) A fixture filing as defined by paragraph (40) of subdivision (a) of Section 9102 of the Commercial Code.

(8) An order affecting title to or possession of real property issued by a court in an action subject to Section 12527, authenticated by the certificate of the clerk of the court in which the order was issued or a copy of that order authenticated by a declaration under penalty of perjury by the Attorney General or by an assistant or deputy of the Attorney General attesting that the contents of the copy are the same as the original order issued by the court.

(9) A court certified copy of a satisfaction of judgment.

(10) A certificate of correction filed pursuant to Sections 66470 and 66472.1.

(b) Any document described in this section, from the time it is filed with the recorder for record, is constructive notice of the contents thereof to subsequent purchasers and mortgagees.

SEC. 11. Section 19271.6 of the Revenue and Taxation Code is amended to read:

19271.6. (a) The Franchise Tax Board, through a cooperative agreement with the Department of Child Support Services, and in coordination with financial institutions doing business in this state, shall operate a Financial Institution Match System utilizing automated data exchanges to the maximum extent feasible. The Financial Institution Match System shall be implemented pursuant to guidelines prescribed by the Department of Child Support Services and the Franchise Tax Board. These guidelines shall include a structure by which financial institutions, or their designated data-processing agents, shall receive from the Franchise Tax Board the file or files of past-due support obligors compiled in accordance with subdivision (c), that the institution shall match with its own list of accountholders to identify past-due support obligor accountholders at the institution. To the extent allowed by the federal Personal Responsibility and Work Opportunity Reconciliation Act of 1996, the guidelines shall include an option by which financial institutions without the technical ability to process the data exchange, or without the ability to employ a third-party data processor to process the data exchange, may forward to the Franchise Tax Board a list of all accountholders and their social security numbers, so that the Franchise Tax Board shall match that list with the file or files of past-due support obligors compiled in accordance with subdivision (c).

(b) The Financial Institution Match System shall not be subject to any limitation set forth in Chapter 20 (commencing with Section 7460) of Division 7 of Title 1 of the Government Code. However, any use of the information provided pursuant to this section for any purpose other than the enforcement and collection of a child support delinquency, as set forth in Section 19271, shall be a violation of Section 19542.

(c) (1) Each county shall compile a file of support obligors with judgments and orders that are being enforced by local child support agencies pursuant to Section 17400 of the Family Code, and who are past due in the payment of their support obligations. The file shall be compiled, updated, and forwarded to the Franchise Tax Board, in accordance with the guidelines prescribed by the Department of Child Support Services and the Franchise Tax Board.

(2) The Department of Child Support Services, shall compile a file of obligors with support arrearages from requests made by other states for administrative enforcement in interstate cases, in accordance with federal requirements (42 U.S.C. Sec. 666(a)(14)). This file shall be

compiled and forwarded to the Franchise Tax Board in accordance with the guidelines prescribed by the Department of Child Support Services and the Franchise Tax Board. The file shall include, to the extent possible, the obligor's address.

(d) To effectuate the Financial Institution Match System, financial institutions subject to this section shall do all of the following:

(1) Provide to the Franchise Tax Board on a quarterly basis the name, record address and other addresses, social security number or other taxpayer identification number, and other identifying information for each noncustodial parent who maintains an account at the institution and who owes past-due support, as identified by the Franchise Tax Board by name and social security number or other taxpayer identification number.

(2) Except as provided in subdivision (j), in response to a notice or order to withhold issued by the Franchise Tax Board, withhold from any accounts of the obligor the amount of any past-due support stated on the notice or order and transmit the amount to the Franchise Tax Board in accordance with Section 18670 or 18670.5.

(e) Unless otherwise required by applicable law, a financial institution furnishing a report or providing information to the Franchise Tax Board pursuant to this section shall not disclose to a depositor or an accountholder, or a codepositor or coaccountholder, that the name, address, social security number, or other taxpayer identification number or other identifying information of that person has been received from or furnished to the Franchise Tax Board.

(f) A financial institution shall incur no obligation or liability to any person arising from any of the following:

(1) Furnishing information to the Franchise Tax Board as required by this section.

(2) Failing to disclose to a depositor or accountholder that the name, address, social security number, or other taxpayer identification number or other identifying information of that person was included in the data exchange with the Franchise Tax Board required by this section.

(3) Withholding or transmitting any assets in response to a notice or order to withhold issued by the Franchise Tax Board as a result of the data exchange. This paragraph shall not preclude any liability that may result if the financial institution does not comply with subdivision (b) of Section 18674.

(4) Any other action taken in good faith to comply with the requirements of this section.

(g) Information required to be submitted to the Franchise Tax Board pursuant to this section shall only be used by the Franchise Tax Board to collect past-due support pursuant to Section 19271. If the Franchise Tax Board has issued an earnings withholding order and the condition

described in subparagraph (C) of paragraph (1) of subdivision (i) exists with respect to the obligor, the Franchise Tax Board shall not use the information it receives under this section to collect the past-due support from that obligor.

(1) With respect to files compiled under paragraph (1) of subdivision (c), the Franchise Tax Board shall forward to the counties, in accordance with guidelines prescribed by the Department of Child Support Services and the Franchise Tax Board, information obtained from the financial institutions pursuant to this section. No county shall use this information for directly levying on any account. Each county shall keep the information confidential as provided by Section 17212 of the Family Code.

(2) With respect to files compiled under paragraph (2) of subdivision (c), the amount collected by the Franchise Tax Board shall be deposited and distributed to the referring state in accordance with Section 19272.

(h) For those noncustodial parents owing past-due support for which there is a match under paragraph (1) of subdivision (d), the amount past due as indicated on the file or files compiled pursuant to subdivision (c) at the time of the match shall be a delinquency under this article for the purposes of the Franchise Tax Board taking any collection action pursuant to Section 18670 or 18670.5.

(i) A child support delinquency need not be referred to the Franchise Tax Board for collection if a jurisdiction outside this state is enforcing the support order.

(j) (1) Each county shall notify the Franchise Tax Board upon the occurrence of the circumstances described in the following subparagraphs with respect to an obligor of past-due support:

(A) A court has ordered an obligor to make scheduled payments on a child support arrearages obligation and the obligor is in compliance with that order.

(B) An earnings assignment order or an order/notice to withhold income that includes an amount for past-due support has been served on the obligated parent's employer and earnings are being withheld pursuant to the earnings assignment order or an order/notice to withhold income.

(C) At least 50 percent of the obligated parent's earnings are being withheld for support.

(2) Notwithstanding Section 704.070 of the Code of Civil Procedure, if any of the conditions set forth in paragraph (1) exist, the assets of an obligor held by a financial institution are subject to levy as provided by paragraph (2) of subdivision (d). However, the first three thousand five hundred dollars ($3,500) of an obligor's assets are exempt from collection under this subdivision without the obligor having to file a claim of exemption.

(3) If any of the conditions set forth in paragraph (1) exist, an obligor may apply for a claim of exemption pursuant to Article 2 (commencing with Section 703.510) of Chapter 4 of Division 2 of Title 9 of Part 2 of the Code of Civil Procedure for an amount that is less than or equal to the total amount levied. The sole basis for a claim of exemption under this subdivision shall be the financial hardship for the obligor and the obligor's dependents.

(4) For the purposes of a claim of exemption made pursuant to paragraph (3), Section 688.030 of the Code of Civil Procedure shall not apply.

(5) For claims of exemption made pursuant to paragraph (3), the local child support agency responsible for enforcement of the obligor's child support order shall be the levying officer for the purpose of compliance with the provisions set forth in Article 2 (commencing with Section 703.510) of Chapter 4 of Division 2 of Title 9 of Part 2 of the Code of Civil Procedure except for the release of property required by subdivision (e) of Section 703.580 of the Code of Civil Procedure.

(6) The local child support agency shall notify the Franchise Tax Board within two business days of the receipt of a claim of exemption from an obligor. The Franchise Tax Board shall direct the financial institution subject to the order to withhold to hold any funds subject to the order pending notification by the Franchise Tax Board to remit or release the amounts held.

(7) The superior court in the county in which the local child support agency enforcing the support obligation is located shall have jurisdiction to determine the amount of exemption to be allowed. The court shall consider the needs of the obligor, the obligee, and all persons the obligor is required to support, and all other relevant circumstances in determining whether to allow any exemption pursuant to this subdivision. The court shall give effect to its determination by an order specifying the extent to which the amount levied is exempt.

(8) Within two business days of receipt of an endorsed copy of a court order issued pursuant to subdivision (e) of Section 703.580 of the Code of Civil Procedure, the local child support agency shall provide the Franchise Tax Board with a copy of the order. (2) ''Financial institution'' has the same meaning as defined in Section 669A(d)(1) of Title 42 of the United States Code.

(3) ''Past-due support'' means any child support obligation that is unpaid on the due date for payment.

(*l*) Out of any money received from the federal government for the purpose of reimbursing financial institutions for their actual and reasonable costs incurred in complying with this section, the state shall reimburse those institutions. To the extent that money is not provided by the federal government for that purpose, the state shall not reimburse financial institutions for their costs in complying with this section.

(H) The State Department of Social Services to carry out its duties pursuant to Division 9 (commencing with Section 10000), and Part 5 (commencing with Section 7900) of Division 12 of the Family Code to oversee and monitor county child welfare agencies, children in foster care or receiving foster care assistance, and out-of-state placements.

(I) To authorized legal staff or special investigators who are peace officers who are employed by, or who are authorized representatives of, the State Department of Social Services, as necessary to the performance of their duties to inspect, license, and investigate community care facilities, and to ensure that the standards of care and services provided in those facilities are adequate and appropriate and to ascertain compliance with the rules and regulations to which the facilities are subject. The confidential information shall remain confidential except for purposes of inspection, licensing, or investigation pursuant to Chapter 3 (commencing with Section 1500) and Chapter 3.4 (commencing with Section 1596.70) of Division 2 of the Health and Safety Code, or a criminal, civil, or administrative proceeding in relation thereto. The confidential information may be used by the State Department of Social Services in a criminal, civil, or administrative

proceeding. The confidential information shall be available only to the judge or hearing officer and to the parties to the case. Names that are confidential shall be listed in attachments separate to the general pleadings. The confidential information shall be sealed after the conclusion of the criminal, civil, or administrative hearings, and shall not subsequently be released except in accordance with this subdivision. If the confidential information does not result in a criminal, civil, or administrative proceeding, it shall be sealed after the State Department of Social Services decides that no further action will be taken in the matter of suspected licensing violations. Except as otherwise provided in this subdivision, confidential information in the possession of the State Department of Social Services shall not contain the name of the minor.

(J) Members of children's multidisciplinary teams, persons or agencies providing treatment or supervision of the minor.

(K) A judge, commissioner, or other hearing officer assigned to a family law case with issues concerning custody or visitation, or both, involving the minor, and the following persons, if actively participating in the family law case: a family court mediator assigned to a case involving the minor pursuant to Article 1 (commencing with Section 3160) of Chapter 11 of Part 2 of Division 8 of the Family Code, a court-appointed evaluator or a person conducting a court-connected child custody evaluation, investigation, or assessment pursuant to Section 3118 of the Family Code, and counsel appointed for the minor in the family law case pursuant to Section 3150 of the Family Code. Prior to allowing counsel appointed for the minor in the family law case to inspect the file, the court clerk may require counsel to provide a certified copy of the court order appointing him or her as the minor's counsel.

(L) A local child support agency for the purpose of establishing paternity and establishing and enforcing child support orders.

(M) Juvenile justice commissions as established under Section 225. The confidentiality provisions of Section 10850 shall apply to a juvenile justice commission and its members.

(N) Any other person who may be designated by court order of the judge of the juvenile court upon filing a petition.

(2) Notwithstanding any other law and subject to subparagraph (A) of paragraph (3), juvenile case files, except those relating to matters within the jurisdiction of the court pursuant to Section 601 or 602, which pertain to a deceased child who was within the jurisdiction of the juvenile court pursuant to Section 300, shall be released to the public pursuant to an order by the juvenile court after a petition has been filed and interested parties have been afforded an opportunity to file an objection. Any information relating to another child or which could identify another child, except for information about the deceased, shall

be redacted from the juvenile case file prior to release, unless a specific order is made by the juvenile court to the contrary. Except as provided in this paragraph, the presiding judge of the juvenile court may issue an order prohibiting or limiting access to the juvenile case file, or any portion thereof, of a deceased child only upon a showing that release of the juvenile case file or any portion thereof is detrimental to the safety, protection, or physical, or emotional well-being of another child who is directly or indirectly connected to the juvenile case that is the subject of the petition.

(3) Access to juvenile case files pertaining to matters within the jurisdiction of the juvenile court pursuant to Section 300 shall be limited as follows:

(A) If a juvenile case file, or any portion thereof, is privileged or confidential pursuant to any other state law or federal law or regulation, the requirements of that state law or federal law or regulation prohibiting or limiting release of the juvenile case file or any portions thereof shall prevail. Unless a person is listed in subparagraphs (A) to (L), inclusive, of paragraph (1) and is entitled to access under the other state law or federal law or regulation without a court order, all those seeking access, pursuant to other authorization, to portions of, or information relating to the contents of, juvenile case files protected under another state law or federal law or regulation, shall petition the juvenile court. The juvenile court may only release the portion of, or information relating to the contents of, juvenile case files protected by another state law or federal law or regulation if disclosure is not detrimental to the safety, protection, or physical or emotional well-being of a child who is directly or indirectly connected to the juvenile case that is the subject of the petition. This paragraph shall not be construed to limit the ability of the juvenile court to carry out its duties in conducting juvenile court proceedings.

(B) Prior to the release of the juvenile case file or any portion thereof, the court shall afford due process, including a notice of and an opportunity to file an objection to the release of the record or report to all interested parties.

(4) A juvenile case file, any portion thereof, and information relating to the content of the juvenile case file, shall not be disseminated by the receiving agencies to any persons or agencies, other than those persons or agencies authorized to receive documents pursuant to this section. Further, a juvenile case file, any portion thereof, and information relating to the content of the juvenile case file, shall not be made as an attachment to any other documents without the prior approval of the presiding judge of the juvenile court, unless it is used in connection with and in the course of a criminal investigation or a proceeding brought to declare a person a dependent child or ward of the juvenile court.

(b) (1) While the Legislature reaffirms its belief that juvenile court records, in general, should be confidential, it is the intent of the Legislature in enacting this subdivision to provide for a limited exception to juvenile court record confidentiality to promote more effective communication among juvenile courts, family courts, law enforcement agencies, and schools to ensure the rehabilitation of juvenile criminal offenders as well as to lessen the potential for drug use, violence, other forms of delinquency, and child abuse.

(2) Notwithstanding subdivision (a), written notice that a minor enrolled in a public school, kindergarten to grade 12, inclusive, has been found by a court of competent jurisdiction to have committed any felony or any misdemeanor involving curfew, gambling, alcohol, drugs, tobacco products, carrying of weapons, a sex offense listed in Section 290 of the Penal Code, assault or battery, larceny, vandalism, or graffiti shall be provided by the court, within seven days, to the superintendent of the school district of attendance. Written notice shall include only the offense found to have been committed by the minor and the disposition of the minor's case. This notice shall be expeditiously transmitted by the district superintendent to the principal at the school of attendance. The principal shall expeditiously disseminate the information to those counselors directly supervising or reporting on the behavior or progress of the minor. In addition, the principal shall disseminate the information to any teacher or administrator directly supervising or reporting on the behavior or progress of the minor whom the principal believes needs the information to work with the pupil in an appropriate fashion, to avoid being needlessly vulnerable or to protect other persons from needless vulnerability.

Any information received by a teacher, counselor, or administrator under this subdivision shall be received in confidence for the limited purpose of rehabilitating the minor and protecting students and staff, and shall not be further disseminated by the teacher, counselor, or administrator, except insofar as communication with the juvenile, his or her parents or guardians, law enforcement personnel, and the juvenile's probation officer is necessary to effectuate the juvenile's rehabilitation or to protect students and staff.

An intentional violation of the confidentiality provisions of this paragraph is a misdemeanor punishable by a fine not to exceed five hundred dollars ($500).

(3) If a minor is removed from public school as a result of the court's finding described in subdivision (b), the superintendent shall maintain the information in a confidential file and shall defer transmittal of the information received from the court until the minor is returned to public school. If the minor is returned to a school district other than the one from which the minor came, the parole or probation officer having jurisdiction

over the minor shall so notify the superintendent of the last district of attendance, who shall transmit the notice received from the court to the superintendent of the new district of attendance.

(c) Each probation report filed with the court concerning a minor whose record is subject to dissemination pursuant to subdivision (b) shall include on the face sheet the school at which the minor is currently enrolled. The county superintendent shall provide the court with a listing of all of the schools within each school district, within the county, along with the name and mailing address of each district superintendent.

(d) Each notice sent by the court pursuant to subdivision (b) shall be stamped with the instruction: ''Unlawful Dissemination Of This Information Is A Misdemeanor.'' Any information received from the court shall be kept in a separate confidential file at the school of attendance and shall be transferred to the minor's subsequent schools of attendance and maintained until the minor graduates from high school, is released from juvenile court jurisdiction, or reaches the age of 18, whichever occurs first. After that time the confidential record shall be destroyed. At any time after the date by which a record required to be destroyed by this section should have been destroyed, the minor or his or her parent or guardian shall have the right to make a written request to the principal of the school that the minor's school records be reviewed to ensure that the record has been destroyed. Upon completion of any requested review and no later than 30 days after the request for the review was received, the principal or his or her designee shall respond in writing to the written request and either shall confirm that the record has been destroyed or, if the record has not been destroyed, shall explain why destruction has not yet occurred.

Except as provided in paragraph (2) of subdivision (b), no liability shall attach to any person who transmits or fails to transmit any notice or information required under subdivision (b).

(e) For purposes of this section, a ''juvenile case file'' means a petition filed in any juvenile court proceeding, reports of the probation officer, and all other documents filed in that case or made available to the probation officer in making his or her report, or to the judge, referee, or other hearing officer, and thereafter retained by the probation officer, judge, referee, or other hearing officer.

SEC. 13. Section 827 of the Welfare and Institutions Code is amended to read:

827. (a) (1) Except as provided in Section 828, a case file may be inspected only by the following:

(B) The district attorney, a city attorney, or city prosecutor authorized to prosecute criminal or juvenile cases under state law.

(C) The minor who is the subject of the proceeding.

(D) His or her parents or guardian.

(E) The attorneys for the parties, and judges, referees, other hearing officers, probation officers and law enforcement officers who are actively participating in criminal or juvenile proceedings involving the minor.

(F) The superintendent or designee of the school district where the minor is enrolled or attending school.

(G) Members of the child protective agencies as defined in Section 11165.9 of the Penal Code.

(H) The State Department of Social Services to carry out its duties pursuant to Division 9 (commencing with Section 10000), and Part 5 (commencing with Section 7900) of Division 12 of the Family Code to oversee and monitor county child welfare agencies, children in foster care or receiving foster care assistance, and out-of-state placements.

(I) To authorized legal staff or special investigators who are peace officers who are employed by, or who are authorized representatives of, the State Department of Social Services, as necessary to the performance of their duties to inspect, license, and investigate community care facilities, and to ensure that the standards of care and services provided in those facilities are adequate and appropriate and to ascertain compliance with the rules and regulations to which the facilities are subject. The confidential information shall remain confidential except for purposes of inspection, licensing, or investigation pursuant to Chapter 3 (commencing with Section 1500) and Chapter 3.4 (commencing with Section 1596.70) of Division 2 of the Health and Safety Code, or a criminal, civil, or administrative proceeding in relation thereto. The confidential information may be used by the State Department of Social Services in a criminal, civil, or administrative proceeding. The confidential information shall be available only to the judge or hearing officer and to the parties to the case. Names that are confidential shall be listed in attachments separate to the general pleadings. The confidential information shall be sealed after the conclusion of the criminal, civil, or administrative hearings, and may not subsequently be released except in accordance with this subdivision. If the confidential information does not result in a criminal, civil, or administrative proceeding, it shall be sealed after the State Department of Social Services decides that no further action will be taken in the matter of suspected licensing violations. Except as otherwise provided in this subdivision, confidential information in the possession of the State Department of Social Services may not contain the name of the minor.

(J) Members of children's multidisciplinary teams, persons or agencies providing treatment or supervision of the minor.

(K) A judge, commissioner, or other hearing officer assigned to a family law case with issues concerning custody or visitation, or both, involving the minor, and the following persons, if actively participating in the family law case: a family court mediator assigned to a case involving the minor pursuant to Article 1 (commencing with Section 3160) of Chapter 11 of Part 2 of Division 8 of the Family Code, a court-appointed evaluator or a person conducting a court-connected child custody evaluation, investigation, or assessment pursuant to Section 3111 or 3118 of the Family Code, and counsel appointed for the minor in the family law case pursuant to Section 3150 of the Family Code. Prior to allowing counsel appointed for the minor in the family law case to inspect the file, the court clerk may require counsel to provide a certified copy of the court order appointing him or her as the minor's counsel.

(L) A court-connected evaluator, court-appointed evaluator, or court-appointed investigator who is actively participating in a guardianship case involving a minor pursuant to Part 2 (commencing with Section 1500) of Division 4 of the Probate Code and acting within the scope of his or her duties in that case.

(M) A local child support agency for the purpose of establishing paternity and establishing and enforcing child support orders.

(N) Juvenile justice commissions as established under Section 225. The confidentiality provisions of Section 10850 shall apply to a juvenile justice commission and its members.

(O) Any other person who may be designated by court order of the judge of the juvenile court upon filing a petition.

(2) Notwithstanding any other law and subject to subparagraph (A) of paragraph (3), juvenile case files, except those relating to matters within the jurisdiction of the court pursuant to Section 601 or 602, that pertain to a deceased child who was within the jurisdiction of the juvenile court pursuant to Section 300, shall be released to the public pursuant to an order by the juvenile court after a petition has been filed and interested parties have been afforded an opportunity to file an objection. Any information relating to another child or which could identify another child, except for information about the deceased, shall be redacted from the juvenile case file prior to release, unless a specific order is made by the juvenile court to the contrary. Except as provided in this paragraph, the presiding judge of the juvenile court may issue an order prohibiting or limiting access to the juvenile case file, or any portion thereof, of a deceased child only upon a showing that release of the juvenile case file or any portion thereof is detrimental to the safety, protection, or physical, or emotional well-being of another child who is directly or indirectly connected to the juvenile case that is the subject of the petition.

(3) Access to juvenile case files pertaining to matters within the jurisdiction of the juvenile court pursuant to Section 300 shall be limited as follows:

(A) If a juvenile case file, or any portion thereof, is privileged or confidential pursuant to any other state law or federal law or regulation, the requirements of that state law or federal law or regulation prohibiting or limiting release of the juvenile case file or any portions thereof shall prevail. Unless a person is listed in subparagraphs (A) to (N), inclusive, of paragraph (1) and is entitled to access under the other state law or federal law or regulation without a court order, all those seeking access, pursuant to other authorization, to portions of, or information relating to the contents of, juvenile case files protected under another state law or federal law or regulation, shall petition the juvenile court. The juvenile court may only release the portion of, or information relating to the contents of, juvenile case files protected by another state law or federal law or regulation if disclosure is not detrimental to the safety, protection, or physical or emotional well-being of a child who is directly or indirectly connected to the juvenile case that is the subject of the petition. This paragraph shall not be construed to limit the ability of the juvenile court to carry out its duties in conducting juvenile court proceedings.

(B) Prior to the release of the juvenile case file or any portion thereof, the court shall afford due process, including a notice of and an opportunity to file an objection to the release of the record or report to all interested parties.

(4) A juvenile case file, any portion thereof, and information relating to the content of the juvenile case file, may not be disseminated by the receiving agencies to any persons or agencies, other than those persons or agencies authorized to receive documents pursuant to this section. Further, a juvenile case file, any portion thereof, and information relating to the content of the juvenile case file, may not be made as an attachment to any other documents without the prior approval of the presiding judge of the juvenile court, unless it is used in connection with and in the course of a criminal investigation or a proceeding brought to declare a person a dependent child or ward of the juvenile court.

(b) (1) While the Legislature reaffirms its belief that juvenile court records, in general, should be confidential, it is the intent of the Legislature in enacting this subdivision to provide for a limited exception to juvenile court record confidentiality to promote more effective communication among juvenile courts, family courts, law enforcement agencies, and schools to ensure the rehabilitation of juvenile criminal offenders as well as to lessen the potential for drug use, violence, other forms of delinquency, and child abuse.

(2) Notwithstanding subdivision (a), written notice that a minor enrolled in a public school, kindergarten to grade 12, inclusive, has been

found by a court of competent jurisdiction to have committed any felony or any misdemeanor involving curfew, gambling, alcohol, drugs, tobacco products, carrying of weapons, a sex offense listed in Section 290 of the Penal Code, assault or battery, larceny, vandalism, or graffiti shall be provided by the court, within seven days, to the superintendent of the school district of attendance. Written notice shall include only the offense found to have been committed by the minor and the disposition of the minor's case. This notice shall be expeditiously transmitted by the district superintendent to the principal at the school of attendance. The principal shall expeditiously disseminate the information to those counselors directly supervising or reporting on the behavior or progress of the minor. In addition, the principal shall disseminate the information to any teacher or administrator directly supervising or reporting on the behavior or progress of the minor whom the principal believes needs the information to work with the pupil in an appropriate fashion, to avoid being needlessly vulnerable or to protect other persons from needless vulnerability.

Any information received by a teacher, counselor, or administrator under this subdivision shall be received in confidence for the limited purpose of rehabilitating the minor and protecting students and staff, and shall not be further disseminated by the teacher, counselor, or administrator, except insofar as communication with the juvenile, his or her parents or guardians, law enforcement personnel, and the juvenile's probation officer is necessary to effectuate the juvenile's rehabilitation or to protect students and staff.

An intentional violation of the confidentiality provisions of this paragraph is a misdemeanor punishable by a fine not to exceed five hundred dollars ($500).

(3) If a minor is removed from public school as a result of the court's finding described in subdivision (b), the superintendent shall maintain the information in a confidential file and shall defer transmittal of the information received from the court until the minor is returned to public school. If the minor is returned to a school district other than the one from which the minor came, the parole or probation officer having jurisdiction over the minor shall so notify the superintendent of the last district of attendance, who shall transmit the notice received from the court to the superintendent of the new district of attendance.

(c) Each probation report filed with the court concerning a minor whose record is subject to dissemination pursuant to subdivision (b) shall include on the face sheet the school at which the minor is currently enrolled. The county superintendent shall provide the court with a listing of all of the schools within each school district, within the county, along with the name and mailing address of each district superintendent.

(d) Each notice sent by the court pursuant to subdivision (b) shall be stamped with the instruction: ''Unlawful Dissemination Of This Information Is A Misdemeanor.'' Any information received from the court shall be kept in a separate confidential file at the school of attendance and shall be transferred to the minor's subsequent schools of attendance and maintained until the minor graduates from high school, is released from juvenile court jurisdiction, or reaches the age of 18, whichever occurs first. After that time the confidential record shall be destroyed. At any time after the date by which a record required to be destroyed by this section should have been destroyed, the minor or his or her parent or guardian shall have the right to make a written request to the principal of the school that the minor's school records be reviewed to ensure that the record has been destroyed. Upon completion of any requested review and no later than 30 days after the request for the review was received, the principal or his or her designee shall respond in writing to the written request and either shall confirm that the record has been destroyed or, if the record has not been destroyed, shall explain why destruction has not yet occurred.

Except as provided in paragraph (2) of subdivision (b), no liability shall attach to any person who transmits or fails to transmit any notice or information required under subdivision (b).

(e) For purposes of this section, a ''juvenile case file'' means a petition filed in any juvenile court proceeding, reports of the probation officer, and all other documents filed in that case or made available to the probation officer in making his or her report, or to the judge, referee, or other hearing officer, and thereafter retained by the probation officer, judge, referee, or other hearing officer.

SEC. 14. Section 13 of this bill incorporates amendments to Section 827 of the Welfare and Institutions Code proposed by both this bill and AB 2228. It shall only become operative if (1) both bills are enacted and become effective on or before January 1, 2005, (2) each bill amends Section 827 of the Welfare and Institutions Code, and (3) this bill is enacted after AB 2228, in which case Section 12 of this bill shall not become operative.

SEC. 15. Notwithstanding Section 17610 of the Government Code, if the Commission on State Mandates determines that this act contains costs mandated by the state, reimbursement to local agencies and school districts for those costs shall be made pursuant to Part 7 (commencing with Section 17500) of Division 4 of Title 2 of the Government Code. If the statewide cost of the claim for reimbursement does not exceed one million dollars ($1,000,000), reimbursement shall be made from the State Mandates Claims Fund.

CHAPTER 340

An act to amend Section 1569.616 of the Health and Safety Code, relating to residential care facilities for the elderly.

[Approved by Governor August 27, 2004. Filed with Secretary of State August 30, 2004.]

The people of the State of California do enact as follows:

SECTION 1. Section 1569.616 of the Health and Safety Code is amended to read:

1569.616. (a) (1) An administrator of a residential care facility for the elderly shall be required to successfully complete a department approved certification program prior to employment.

(2) In those cases where the individual is both the licensee and the administrator of a facility, or a licensed nursing home administrator, the individual shall comply with the requirements of this section unless he or she qualifies for one of the exemptions provided for in subdivision (b).

(3) Failure to comply with this section shall constitute cause for revocation of the license of the facility where an individual is functioning as the administrator.

(4) The licensee shall notify the department within 30 days of any change in administrators.

(b) Individuals seeking exemptions under paragraph (2) of subdivision (a) shall meet the following criteria and fulfill the required portions of the certification program, as the case may be:

(1) An individual designated as the administrator of a residential care facility for the elderly who holds a valid license as a nursing home administrator issued in accordance with Chapter 2.35 (commencing with Section 1416) of Division 2 of the Health and Safety Code shall be required to complete the areas in the uniform core of knowledge required by this section that pertain to the law, regulations, policies, and procedural standards that impact the operations of residential care facilities for the elderly, the use, misuse, and interaction of medication commonly used by the elderly in a residential setting, and resident admission, retention, and assessment procedures, equal to 12 hours of classroom instruction. An individual meeting the requirements of this paragraph shall not be required to take a written test.

(2) In those cases where the individual was both the licensee and administrator on or before July 1, 1991, the individual shall be required to complete all the areas specified for the certification program, but shall not be required to take the written test required by this section. Those individuals exempted from the written test shall be issued a conditional

certification that is valid only for the administrator of the facility for which the exemption was granted.

(A) As a condition to becoming an administrator of another facility, the individual shall be required to pass the written test provided for in this section.

(B) As a condition to applying for a new facility license, the individual shall be required to pass the written test provided for in Section 1569.23.

(c) (1) The administrator certification program shall require a minimum of 40 hours of classroom instruction that provides training on a uniform core of knowledge in each of the following areas:

(A) Laws, regulations, and policies and procedural standards that impact the operations of residential care facilities for the elderly.

(B) Business operations.

(C) Management and supervision of staff.

(D) Psychosocial needs of the elderly.

(E) Community and support services.

(F) Physical needs for elderly persons.

(G) Use, misuse, and interaction of medication commonly used by the elderly.

(H) Resident admission, retention, and assessment procedures.

(I) Training focused specifically on serving clients with dementia. This training shall be for at least four hours.

(2) Individuals applying for certification under this section shall successfully complete an approved certification program, pass a written test administered by the department within 60 days of completing the program, and submit the documentation required by subdivision (d) to the department within 30 days of being notified of having passed the test. The department may extend these time deadlines for good cause. The department shall notify the applicant of his or her test results within 30 days of administering the test.

(d) The department shall not begin the process of issuing a certificate until receipt of all of the following:

(1) A certificate of completion of the administrator training required pursuant to this chapter.

(2) The fee required for issuance of the certificate. A fee of one hundred dollars ($100) shall be charged by the department to cover the costs of processing the application for certification.

(3) Documentation of passing the written test or of qualifying for an exemption pursuant to subdivision (b).

(4) Submission of fingerprints. The department and the Department of Justice shall expedite the criminal record clearance for holders of certificates of completion. The department may waive the submission for those persons who have a current criminal record clearance on file.

(e) It shall be unlawful for any person not certified under this section to hold himself or herself out as a certified administrator of a residential care facility for the elderly. Any person willfully making any false representation as being a certified administrator is guilty of a misdemeanor.

(f) (1) Certificates issued under this section shall be renewed every two years and renewal shall be conditional upon the certificate holder submitting documentation of completion of 40 hours of continuing education related to the core of knowledge specified in paragraph (1) of subdivision (c). No more than one-half of the required 40 hours of continuing education necessary to renew the certificate may be satisfied through online courses. For purposes of this section, individuals who hold a valid license as a nursing home administrator issued in accordance with Chapter 2.35 (commencing with Section 1416) of Division 2 of the Health and Safety Code and meet the requirements of paragraph (1) of subdivision (b) shall only be required to complete 20 hours of continuing education.

(2) Every certified administrator of a residential care facility for the elderly is required to renew his or her certificate and shall complete the continuing education requirements of this subdivision whether he or she is certified according to subdivision (a) or (b). At least eight hours of the 40-hour continuing education requirement for a certified administrator of a residential care facility for the elderly shall include instruction on serving clients with dementia, including, but not limited to, instruction related to direct care, physical environment, and admissions procedures and assessment.

(3) Certificates issued under this section shall expire every two years, on the anniversary date of the initial issuance of the certificate, except that any administrator receiving his or her initial certification on or after January 1, 1999, shall make an irrevocable election to have his or her recertification date for any subsequent recertification either on the date two years from the date of issuance of the certificate or on the individual's birthday during the second calendar year following certification. The department shall send a renewal notice to the certificate holder 90 days prior to the expiration date of the certificate. If the certificate is not renewed prior to its expiration date, reinstatement shall only be permitted after the certificate holder has paid a delinquency fee equal to three times the renewal fee and has provided evidence of completion of the continuing education required.

(4) To renew a certificate, the certificate holder shall, on or before the certificate expiration date, request renewal by submitting to the department documentation of completion of the required continuing education courses and pay the renewal fee of one hundred dollars ($100), irrespective of receipt of the department's notification of the renewal. A

renewal request postmarked on or before the expiration of the certificate is proof of compliance with this paragraph.

(5) A suspended or revoked certificate is subject to expiration as provided for in this section. If reinstatement of the certificate is approved by the department, the certificate holder, as a condition precedent to reinstatement, shall pay a fee in an amount equal to the renewal fee, plus the delinquency fee, if any, accrued at the time of its revocation or suspension.

(6) A certificate that is not renewed within four years after its expiration shall not be renewed, restored, reissued, or reinstated except upon completion of a certification program, passing any test that may be required of an applicant for a new certificate at that time, and paying the appropriate fees provided for in this section.

(7) A fee of twenty-five dollars ($25) shall be charged for the reissuance of a lost certificate.

(8) A certificate holder shall inform the department of his or her employment status within 30 days of any change.

(g) The department may revoke a certificate issued under this section for any of the following:

(1) Procuring a certificate by fraud or misrepresentation.

(2) Knowingly making or giving any false statement or information in conjunction with the application for issuance of a certificate.

(3) Criminal conviction unless an exemption is granted pursuant to Section 1569.17.

(h) The certificate shall be considered forfeited under either of the following conditions:

(1) The administrator has had a license revoked, suspended, or denied as authorized under Section 1569.50.

(2) The administrator has been denied employment, residence, or presence in a facility based on action resulting from an administrative hearing pursuant to Section 1569.58.

(b) Notwithstanding subdivision (a), a pharmacy inspector may inspect or examine a physician's office or clinic that does not have a permit under Section 4180 or 4190 only to the extent necessary to determine compliance with and to enforce either Section 4080 or 4081.

(B) If the violation is a felony, or if the arresting officer has reasonable cause to believe that the person to be arrested has violated any provision that is declared to be a felony, although no felony has in fact been committed, he or she may make an arrest although the violation or suspected violation did not occur in his or her presence.

(2) In any case in which an arrest authorized by this subdivision is made for an offense declared to be a misdemeanor, and the person arrested does not demand to be taken before a magistrate, the arresting inspector may, instead of taking the person before a magistrate, follow the procedure prescribed by Chapter 5C (commencing with Section 853.5) of Title 3 of Part 2 of the Penal Code. (d) There shall be no civil liability on the part of, and no cause of action shall arise against, a person, acting pursuant to subdivision (a) within the scope of his or her authority, for false arrest or false imprisonment arising out of an arrest that is lawful, or that the arresting officer, at the time of the arrest, had reasonable cause to believe was lawful. An inspector shall not be deemed an aggressor or lose his or her right to self-defense by the use of reasonable force to effect the arrest, to prevent escape, or to overcome resistance.

(e) Any inspector may serve all processes and notices throughout the state.

(2) Drugs that a prescriber has ordered for a patient on an as-needed basis, if the utilization and retrieval of those drugs are subject to ongoing review by a pharmacist.

(3) Drugs designed by the patient care policy committee or pharmaceutical service committee of the facility as emergency drugs or acute onset drugs. These drugs may be retrieved from an automated drug delivery system pursuant to the order of a prescriber for emergency or immediate administration to a patient of the facility. (g) The stocking of an automated drug delivery system shall be performed by a pharmacist. If the automated drug delivery system utilizes removable pockets or drawers, or similar technology, the stocking system may be done outside of the facility and be delivered to the facility if all of the following conditions are met:

(7) Section 1366.1.

(8) Section 1368.

(9) Section 1378.

(b) The Legislature finds that the provisions listed in subdivision (a) are appropriate to protect purchasers in residential common interest developments, however, the provisions may not be necessary to protect purchasers in commercial or industrial developments since the application of those provisions could result in unnecessary burdens and costs for these types of developments.

SEC. 3. Section 1378 is added to the Civil Code, to read:

1378. (a) This section applies if an association's governing documents require association approval before an owner of a separate interest may make a physical change to the owner's separate interest or to the common area. (1) The association shall provide a fair, reasonable, and expeditious procedure for making its decision. The procedure shall be included in the association's governing documents. The procedure shall provide for prompt deadlines. The procedure shall state the maximum time for response to an application or a request for reconsideration by the board of directors.

(2) A decision on a proposed change shall be made in good faith and may not be unreasonable, arbitrary, or capricious.

(3) A decision on a proposed change shall be consistent with any governing provision of law, including, but not limited to, the Fair Employment and Housing Act (Part 2.8 (commencing with Section 12900) of Division 3 of Title 2 of the Government Code.

(b) Nothing in this section authorizes a physical change to the common area in a manner that is inconsistent with an association's governing documents or governing law.

(c) An association shall annually provide its members with notice of any requirements for association approval of physical changes to property. The notice shall describe the types of changes that require association approval and shall include a copy of the procedure used to review and approve or disapprove a proposed change.

This paragraph does not require reconsideration of a decision that is made by the board of directors or a body that has the same membership as the board of directors, at a meeting that satisfies the requirements of Section 1363.05. Reconsideration by the board does not constitute dispute resolution within the meaning of Section 1363.820.

(c) An association shall annually provide its members with notice of any requirements for association approval of physical changes to property. The people of the State of California do enact as follows:

SECTION 1. Section 1625.1 is added to the Business and Professions Code, to read:

(1) A primary care clinic that is licensed pursuant to subdivision (a) of Section 1204 of the Health and Safety Code.

(2) A primary care clinic that is exempt from licensure pursuant to subdivision (b), (c), or (h) of Section 1206 of the Health and Safety Code.

(3) A clinic owned or operated by a public hospital or health system.

(4) A clinic owned and operated by a hospital that maintains the primary contract with a county government to fill the county's role under Section 17000 of the Welfare and Institutions Code.

(b) The entities described in subdivision (a) shall not interfere with, control, or otherwise direct the professional judgment of a licensee or dental assistant acting within his or her scope of practice as defined in this chapter. A requirement that licensees shall constitute all or a percentage of the governing body of the entity shall not be applicable to these entities.

SEC. 2. Section 1657 of the Business and Professions Code is amended to read:

1657. (a) A licensed dentist may operate one mobile dental clinic or unit registered as a dental office or facility. The mobile dental clinic or unit shall be registered and operated in accordance with regulations established by the board, provided these regulations are not designed to prevent or lessen competition in service areas. A mobile dental clinic or unit registered and operated in accordance with the board's regulations and that has paid the fees established by the board, including a mobile

dental unit registered for the purpose specified in subdivision (d), shall otherwise be exempted from this article and Article 3.5 (commencing with Section 1658).

(b) A mobile service unit, as defined in subdivision (b) of Section 1765.105 of the Health and Safety Code, and a mobile unit operated by an entity that is exempt from licensure pursuant to subdivision (b), (c), or (h) of Section 1206 of the Health and Safety Code, are exempt from this article and Article 3.5 (commencing with Section 1658). Notwithstanding this exemption, the owner or operator of the mobile unit shall notify the board within 60 days of the date on which dental services are first delivered in the mobile unit, or the date on which the mobile unit's application pursuant to Section 1765.130 of the Health and Safety Code is approved, whichever is earlier.

(c) A licensee practicing in a mobile unit described in subdivision (b) is not subject to subdivision (a) as to that mobile unit.

(d) Notwithstanding Section 1625, a licensed dentist shall be permitted to operate a mobile dental unit provided by his or her property and casualty insurer as a temporary substitute site for the practice registered by him or her pursuant to Section 1650 as long as both of the following apply:

(1) The licensed dentist's registered place of practice has been rendered and remains unusable due to loss or calamity.

(2) The licensee's insurer registers the unit with the board in compliance with subdivision (a).

SEC. 3. Section 1658 of the Business and Professions Code is amended to read:

1658. (a) When a licensee desires to have more than one place of practice, he or she shall, prior to the opening of the additional office, apply to the board, pay the fee required by this chapter, and receive permission in writing from the board to have the additional place of practice.

''Place of practice'' means any dental office where any act of dentistry is practiced as defined by Section 1625, and includes a place of practice in which the applicant holds any proprietary interest of any nature whatsoever, or in which he holds any right to participate in the management or control thereof. A dentist who is the lessor of a dental office shall not be deemed to hold a proprietary interest in that place of practice, unless he is entitled to participate in the management or control of the dentistry practiced there.

(b) This section shall not apply to a licensee who practices dentistry outside his or her registered place of practice in any of the following places:

(1) Facilities licensed by the State Department of Health Services.

(2) Licensed health facilities as defined in Section 1250 of the Health and Safety Code.

SEC. 4. Section 1658.2 of the Business and Professions Code is amended to read:

1658.2. (a) ''Additional place of practice,'' as used in this article, means any place of practice that increases the number of places of practice of the applicant, and includes an additional office that the applicant proposes to originally establish, either individually or in association with another, as well as an established place of practice that the applicant acquires or proposes to acquire, in whole or in part, by purchase, repossession, reassignment, gift, devise, bequest, or operation of law, except as otherwise provided in this article.

(b) A practice location described in subdivision (b) of Section 1658 does not constitute an additional place of practice.

CHAPTER 348

An act to amend Section 1375.7 of the Health and Safety Code, relating to health care service plans.

[Approved by Governor August 27, 2004. Filed with Secretary of State August 30, 2004.]

The people of the State of California do enact as follows:

SECTION 1. Section 1375.7 of the Health and Safety Code is amended to read:

1375.7. (a) This section shall be known and may be cited as the Health Care Providers' Bill of Rights.

(b) No contract issued, amended, or renewed on or after January 1, 2003, between a plan and a health care provider for the provision of health care services to a plan enrollee or subscriber shall contain any of the following terms:

(1) (A) Authority for the plan to change a material term of the contract, unless the change has first been negotiated and agreed to by the provider and the plan or the change is necessary to comply with state or federal law or regulations or any accreditation requirements of a private sector accreditation organization. If a change is made by amending a manual, policy, or procedure document referenced in the contract, the plan shall provide 45 business days' notice to the provider, and the provider has the right to negotiate and agree to the change. If the plan and the provider cannot agree to the change to a manual, policy, or procedure document, the provider has the right to terminate the contract prior to the implementation of the change. In any event, the plan shall provide at least 45 business days' notice of its intent to change a material term, unless a change in state or federal law or regulations or any accreditation requirements of a private sector accreditation organization requires a shorter timeframe for compliance. However, if the parties mutually agree, the 45-business day notice requirement may be waived. Nothing in this subparagraph limits the ability of the parties to mutually agree to the proposed change at any time after the provider has received notice of the proposed change.

(B) If a contract between a provider and a plan provides benefits to enrollees or subscribers through a preferred provider arrangement, the contract may contain provisions permitting a material change to the contract by the plan if the plan provides at least 45 business days' notice to the provider of the change and the provider has the right to terminate the contract prior to the implementation of the change.

(C) If a contract between a noninstitutional provider and a plan provides benefits to enrollees or subscribers covered under the Medi-Cal or Healthy Families program and compensates the provider on a fee-for-service basis, the contract may contain provisions permitting a material change to the contract by the plan, if the following requirements are met:

(i) The plan gives the provider a minimum of 90 business days' notice of its intent to change a material term of the contract.

(ii) The plan clearly gives the provider the right to exercise his or her intent to negotiate and agree to the change within 30 business days of the provider's receipt of the notice described in clause (i).

(iii) The plan clearly gives the provider the right to terminate the contract within 90 business days from the date of the provider's receipt

of the notice described in clause (i) if the provider does not exercise the right to negotiate the change or no agreement is reached, as described in clause (ii).

(iv) The material change becomes effective 90 business days from the date of the notice described in clause (i) if the provider does not exercise his or her right to negotiate the change, as described in clause (ii), or to terminate the contract, as described in clause (iii).

(2) A provision that requires a health care provider to accept additional patients beyond the contracted number or in the absence of a number if, in the reasonable professional judgment of the provider, accepting additional patients would endanger patients' access to, or continuity of, care.

(3) A requirement to comply with quality improvement or utilization management programs or procedures of a plan, unless the requirement is fully disclosed to the health care provider at least 15 business days prior to the provider executing the contract. However, the plan may make a change to the quality improvement or utilization management programs or procedures at any time if the change is necessary to comply with state or federal law or regulations or any accreditation requirements of a private sector accreditation organization. A change to the quality improvement or utilization management programs or procedures shall be made pursuant to paragraph (1).

(4) A provision that waives or conflicts with any provision of this chapter. A provision in the contract that allows the plan to provide professional liability or other coverage or to assume the cost of defending the provider in an action relating to professional liability or other action is not in conflict with, or in violation of, this chapter.

(5) A requirement to permit access to patient information in violation of federal or state laws concerning the confidentiality of patient information.

(c) (1) When a contracting agent sells, leases, or transfers a health provider's contract to a payor, the rights and obligations of the provider shall be governed by the underlying contract between the health care provider and the contracting agent.

(2) For purposes of this subdivision, the following terms shall have the following meanings:

(A) ''Contracting agent'' has the meaning set forth in paragraph (2) of subdivision (d) of Section 1395.6.

(B) ''Payor'' has the meaning set forth in paragraph (3) of subdivision (d) of Section 1395.6.

(d) Any contract provision that violates subdivision (b) or (c) shall be void, unlawful, and unenforceable.

(e) The department shall compile the information submitted by plans pursuant to subdivision (h) of Section 1367 into a report and submit the

report to the Governor and the Legislature by March 15 of each calendar year.

(f) Nothing in this section shall be construed or applied as setting the rate of payment to be included in contracts between plans and health care providers.

(g) For purposes of this section the following definitions apply:

(1) ''Health care provider'' means any professional person, medical group, independent practice association, organization, health care facility, or other person or institution licensed or authorized by the state to deliver or furnish health services.

(2) ''Material'' means a provision in a contract to which a reasonable person would attach importance in determining the action to be taken upon the provision.

SEC. 2. No reimbursement is required by this act pursuant to Section 6 of Article XIII B of the California Constitution because the only costs that may be incurred by a local agency or school district will be incurred because this act creates a new crime or infraction, eliminates a crime or infraction, or changes the penalty for a crime or infraction, within the meaning of Section 17556 of the Government Code, or changes the definition of a crime within the meaning of Section 6 of Article XIII B of the California Constitution.

(2) If, pursuant to an agreement as described in paragraph (1), a community college district recruits within the boundaries of another community college district, it shall recruit from all high schools within that other district, and may not favor any high schools over other high schools within that other district unless it is intended to improve the racial balance of the recruiting community college district.

(d) The board of governors shall authorize the Chancellor of the California Community Colleges to retain in any fiscal year an amount of up to 5 percent of the appropriation calculated under Chapter 5 (commencing with Section 84700) of Part 50 as a penalty applicable to any community college district that violates this article, including, but not necessarily limited to, any restriction imposed by the board of governors under this section. SECTION 1. Section 7057 of the Revenue and Taxation Code is repealed.

SEC. 2. Section 18533 of the Revenue and Taxation Code, as amended by Section 1 of Chapter 370 of the Statutes of 2003, is amended to read:

18533. (a) (1) Notwithstanding subdivision (a) and the first sentence of subdivision (b) of Section 19006:

(A) An individual who has made a joint return may elect to seek relief under the procedures prescribed under subdivision (b), and

(B) If the individual is eligible to elect the application of subdivision (c), the individual may, in addition to any election under subparagraph (A), elect to limit the individual's liability for any deficiency with respect to the joint return in the manner prescribed under subdivision (c).

(2) Any determination under this section shall be made without regard to community property laws.

(b) (1) Under procedures prescribed by the Franchise Tax Board, if—

(A) A joint return has been made under this chapter for a taxable year,

(B) On that return there is an understatement of tax attributable to erroneous items of one individual filing the joint return,

(C) The other individual filing the joint return establishes that in signing the return he or she did not know of, and had no reason to know of, that understatement,

(D) Taking into account all facts and circumstances, it is inequitable to hold the other individual liable for the deficiency in tax for that taxable year attributable to that understatement, and

(E) The other individual elects (in the form and manner as the Franchise Tax Board may prescribe) the benefits of this subdivision not later than the date that is two years after the date the Franchise Tax Board has begun collection activities with respect to the individual making the election, then the other individual shall be relieved of liability for tax (including interest, penalties, and other amounts) for that taxable year to the extent that the liability is attributable to that understatement.

(2) If an individual who, but for subparagraph (C) of paragraph (1), would be relieved of liability under paragraph (1), establishes that in signing the return the individual did not know, and had no reason to know, the extent of the understatement, then the individual shall be relieved of liability for tax (including interest, penalties, and other amounts) for that taxable year to the extent that the liability is attributable to the portion of the understatement of which that individual did not know and had no reason to know.

(3) For purposes of this subdivision, the term ''understatement'' has the meaning given to that term by Section 6662(d)(2)(A) of the Internal Revenue Code.

(c) (1) Except as provided in this subdivision, if an individual who has made a joint return for any taxable year elects the application of this subdivision, the individual's liability for any deficiency that is assessed with respect to the return may not exceed the portion of the deficiency properly allocable to the individual under subdivision (d).

(2) Except as provided in clause (ii) of subparagraph (A) of paragraph (3) or subparagraph (C) of paragraph (3), each individual who elects the application of this subdivision shall have the burden of proof with respect to establishing the portion of any deficiency allocable to that individual.

(3) (A) (i) An individual shall only be eligible to elect the application of this subdivision if—

(I) At the time the election is filed, that individual is no longer married to, or is legally separated from, the individual with whom that individual filed the joint return to which the election relates, or

(II) That individual was not a member of the same household as the individual with whom the joint return was filed at any time during the 12-month period ending on the date the election is filed.

(ii) If the Franchise Tax Board demonstrates that assets were transferred between individuals filing a joint return as part of a fraudulent scheme by those individuals, an election under this subdivision by either individual shall be invalid (and subdivision (a) and the first sentence of subdivision (b) of Section 19006 shall apply to the joint return).

(B) An election under this subdivision for any taxable year shall be made not later than two years after the date on which the Franchise Tax Board has begun collection activities with respect to the individual making the election.

(C) If the Franchise Tax Board demonstrates that an individual making an election under this subdivision had actual knowledge, at the time the individual signed the return, of any item giving rise to a deficiency (or portion thereof) that is not allocable to the individual under subdivision (d), that election may not apply to that deficiency (or portion). This subparagraph does not apply where the individual with actual knowledge establishes that the individual signed the return under duress.

(4) (A) Notwithstanding any other provision of this subdivision, the portion of the deficiency for which the individual electing the application of this subdivision is liable (without regard to this paragraph) shall be increased by the value of any disqualified asset transferred to the individual.

(B) For purposes of this paragraph—

(i) The term ''disqualified asset'' means any property or right to property transferred to an individual making the election under this subdivision with respect to a joint return by the other individual filing the joint return if the principal purpose of the transfer was the avoidance of tax or payment of tax.

(ii) (I) For purposes of clause (i), except as provided in subclause (II), any transfer that is made after the date that is one year before the date on which the first notice of proposed assessment under Article 3 (commencing with Section 19031) of Chapter 4 is sent shall be presumed to have as its principal purpose the avoidance of tax or payment of tax.

(II) Subclause (I) does not apply to any transfer pursuant to a decree of divorce or separate maintenance or a written instrument incident to that decree or to any transfer that an individual establishes did not have as its principal purpose the avoidance of tax or payment of tax.

(d) For purpose of subdivision (c)—

(1) The portion of any deficiency on a joint return allocated to an individual shall be the amount that bears the same ratio to the deficiency as the net amount of items taken into account in computing the deficiency and allocable to the individual under paragraph (3) bears to the net amount of all items taken into account in computing the deficiency.

(2) If a deficiency (or portion thereof) is attributable to—

(A) The disallowance of a credit, or

(B) Any tax (other than tax imposed by Section 17041 or 17062) required to be included with the joint return, and the item is allocated to

one individual under paragraph (3), that deficiency (or portion) shall be allocated to that individual. Any item so allocated may not be taken into account under paragraph (1).

(3) For purposes of this subdivision—

(A) Except as provided in paragraphs (4) and (5), any item giving rise to a deficiency on a joint return shall be allocated to individuals filing the return in the same manner as it would have been allocated if the individuals had filed separate returns for the taxable year.

(B) Under rules prescribed by the Franchise Tax Board, an item otherwise allocable to an individual under subparagraph (A) shall be allocated to the other individual filing the joint return to the extent the item gave rise to a tax benefit on the joint return to the other individual.

(C) The Franchise Tax Board may provide for an allocation of any item in a manner not prescribed by subparagraph (A) if the Franchise Tax Board establishes that the allocation is appropriate due to fraud of one or both individuals.

(4) If an item of deduction or credit is disallowed in its entirety solely because a separate return is filed, the disallowance shall be disregarded and the item shall be computed as if a joint return had been filed and then allocated between the spouses appropriately.

(5) If the liability of a child of a taxpayer is included on a joint return, that liability shall be disregarded in computing the separate liability of either spouse and that liability shall be allocated appropriately between the spouses.

(e) (1) In the case of an individual who elects to have subdivision (b) or (c) apply—

(A) (i) The determination of the Franchise Tax Board as to whether the liability is to be revised as to one individual filing the joint return shall be made not less than 30 days after notification of the other individual filing the joint return.

(ii) Any action taken under this section shall be treated as though it were action on a protest taken under Section 19044 and shall become final upon the expiration of 30 days from the date that notice of the action is mailed to both individuals filing the joint return, unless, within that 30-day period, the individual making the election under subdivision (b) or (c) appeals the determination to the board as provided in clause (iii) or the other individual filing the joint return appeals the determination to the board as provided in Section 19045.

(iii) The individual making the election under subdivision (b) or (c) may appeal the determination of the Franchise Tax Board of the appropriate relief available to the individual under this section if that appeal is filed during the 30-day period prescribed in clause (ii) and the appeal shall be treated as an appeal to the board under Section 19045. Notwithstanding the preceding sentence, the individual making the

election under subdivision (b) or (c) may appeal to the board at any time after the date that is six months after the date the election is filed with the Franchise Tax Board and before the close of the 30-day period prescribed in clause (ii).

(B) Except as otherwise provided in Section 19081 or 19082, no levy or proceeding in court shall be made, begun, or prosecuted against the individual making an election under subdivision (b) or (c) for collection of any assessment to which the election relates until the expiration of the 30-day period described in clause (ii) of subparagraph (A), or, if an appeal to the board has been filed under clause (iii) or Section 19045, until the decision of the board has become final.

(2) The running of the period of limitations in Section 19371 on the collection of the assessment to which the petition under subparagraph (A) of paragraph (1) relates shall be suspended for the period during which the Franchise Tax Board is prohibited by subparagraph (B) of paragraph (1) from collecting by levy or a proceeding in court and for 60 days thereafter.

(3) (A) Except as provided in subparagraph (B), notwithstanding any other law or rule of law (other than Article 6 (commencing with Section 19441) of Chapter 6), a credit or refund shall be allowed or made to the extent attributable to the application of this section.

(B) In the case of any election under subdivision (b) or (c), if a decision of the board in any prior proceeding for the same taxable year has become final, that decision shall be conclusive except with respect to the qualification of the individual for relief that was not an issue in that proceeding. The exception contained in the preceding sentence does not apply if the board determines that the individual participated meaningfully in the prior proceeding.

(f) Under procedures prescribed by the Franchise Tax Board, if taking into account all the facts and circumstances, it is inequitable to hold the individual liable for any unpaid tax or any deficiency (or any portion of either), and relief is not available to the individual under subdivision (b) or (c), the Franchise Tax Board may relieve the individual of that liability.

(g) (1) The Franchise Tax Board may prescribe regulations providing methods for allocation of items other than the methods under paragraph (3) of subdivision (d).

(2) It is the intent of the Legislature that, in construing this section and any other sections that are specifically cross-referenced in this section, any regulations that may be promulgated by the Secretary of the Treasury under Section 6015 of the Internal Revenue Code, as amended by Public Law 105-206, shall apply to the extent that those regulations do not conflict with this section or with any regulations that may be promulgated by the Franchise Tax Board.

(h) (1) Except as provided in paragraph (2), the amendments made by Section 5 of Chapter 931 of the Statutes of 1999, shall apply to any liability for tax arising after October 10, 1999, and any liability for tax arising on or before that date but remaining unpaid as of that date.

(2) The period specified under subparagraph (E) of paragraph (1) of subdivision (b) or subparagraph (B) of paragraph (3) of subdivision (c) does not expire before the date that is four years after the date of the first collection activity after October 10, 1999.

(i) (1) An individual who has made a joint return and has been granted relief under Section 6015 of the Internal Revenue Code, relating to joint and several liability with respect to a federal joint income tax return, shall be eligible for relief under this section if all of the following conditions are satisfied:

(A) The individual requests relief under this section.

(B) The facts and circumstances that apply to the understatement and liabilities for which the relief is requested are the same facts and circumstances that applied to the understatement and liabilities for which that individual was granted relief under Section 6015 of the Internal Revenue Code.

(C) The individual requesting relief under this subdivision furnishes the Franchise Tax Board with a copy of the federal determination granting that individual relief under Section 6015 of the Internal Revenue Code. If the federal determination does not clearly identify the issues and liabilities for which the individual was granted relief under Section 6015 of the Internal Revenue Code, the Franchise Tax Board may request, from the individual requesting relief, any supporting documentation reasonably necessary to substantiate that the issues and liabilities for which relief is requested under this section are the same as the issues and liabilities for which the individual received relief under Section 6015 of the Internal Revenue Code.

(2) This subdivision does not apply if, prior to the expiration of the 30-day period described in clause (i) of subparagraph (A) of paragraph (1) of subdivision (e), the other individual that filed the joint return for which the relief is requested under this subdivision submits information to the Franchise Tax Board that indicates that relief should not be granted. For purposes of this paragraph, ''information that indicates that relief should not be granted'' is limited to the following:

(A) Information that indicates that the facts and circumstances that apply to the understatement and liabilities for which the relief is requested are not the same facts and circumstances that applied to the understatement and liabilities for which that individual was granted relief under Section 6015 of the Internal Revenue Code.

(B) Information that indicates that there has not been a federal determination granting relief under Section 6015 of the Internal Revenue

Code or that the federal determination granting relief under Section 6015 of the Internal Revenue Code has been modified, altered, withdrawn, canceled, or rescinded.

(C) Information indicating that the other individual, as described in the first sentence of this paragraph, did not have the opportunity to participate, within the meaning of Section 6015 of the Internal Revenue Code and the regulations thereunder, in the federal administrative or judicial proceeding that resulted in relief under Section 6015 of the Internal Revenue Code.

(j) If, prior to the date the Franchise Tax Board issues its determination with respect to a request for relief under this section, the individual requesting relief demonstrates to the Franchise Tax Board that a request for relief has been filed with the Internal Revenue Service pursuant to Section 6015 of the Internal Revenue Code and demonstrates that the request for relief involves the same facts and circumstances as the request for relief that is pending before the Franchise Tax Board, the Franchise Tax Board may not deny relief with respect to that request, in whole or in part, until federal action on the request for relief under Section 6015 of the Internal Revenue Code is final.

(k) The provisions of subdivisions (i) and (j) shall apply to both of the following:

(1) Any tax liability that becomes final on or after the effective date of the act adding subdivisions (i) and (j) to this section.

(2) Any unpaid tax liability that became final prior to the effective date of the act adding subdivisions (i) and (j) to this section.

(*l*) An individual may not be granted relief under this section if a court has revised the tax liability in a proceeding for dissolution of the marriage in accordance with subdivision (b) of Section 19006.

(m) This section shall cease to be operative on January 1, 2009, and as of that date is repealed.

SEC. 3. Section 18533 of the Revenue and Taxation Code, as added by Section 2 of Chapter 370 of the Statutes of 2003, is amended to read:

18533. (a) (1) Notwithstanding subdivision (a) and the first sentence of subdivision (b) of Section 19006:

(A) An individual who has made a joint return may elect to seek relief under the procedures prescribed under subdivision (b), and

(B) If the individual is eligible to elect the application of subdivision (c), the individual may, in addition to any election under subparagraph (A), elect to limit the individual's liability for any deficiency with respect to the joint return in the manner prescribed under subdivision (c).

(2) Any determination under this section shall be made without regard to community property laws.

(b) (1) Under procedures prescribed by the Franchise Tax Board, if—

(A) A joint return has been made under this chapter for a taxable year,

(B) On that return there is an understatement of tax attributable to erroneous items of one individual filing the joint return,

(C) The other individual filing the joint return establishes that in signing the return he or she did not know of, and had no reason to know of, that understatement,

(D) Taking into account all facts and circumstances, it is inequitable to hold the other individual liable for the deficiency in tax for that taxable year attributable to that understatement, and

(E) The other individual elects (in the form and manner as the Franchise Tax Board may prescribe) the benefits of this subdivision not later than the date that is two years after the date the Franchise Tax Board has begun collection activities with respect to the individual making the election, then the other individual shall be relieved of liability for tax (including interest, penalties, and other amounts) for that taxable year to the extent that the liability is attributable to that understatement.

(2) If an individual who, but for subparagraph (C) of paragraph (1), would be relieved of liability under paragraph (1), establishes that in signing the return the individual did not know, and had no reason to know, the extent of the understatement, then the individual shall be relieved of liability for tax (including interest, penalties, and other amounts) for that taxable year to the extent that the liability is attributable to the portion of the understatement of which that individual did not know and had no reason to know.

(3) For purposes of this subdivision, the term ''understatement'' has the meaning given to that term by Section 6662(d)(2)(A) of the Internal Revenue Code.

(c) (1) Except as provided in this subdivision, if an individual who has made a joint return for any taxable year elects the application of this subdivision, the individual's liability for any deficiency that is assessed with respect to the return may not exceed the portion of the deficiency properly allocable to the individual under subdivision (d).

(2) Except as provided in clause (ii) of subparagraph (A) of paragraph (3) or subparagraph (C) of paragraph (3), each individual who elects the application of this subdivision shall have the burden of proof with respect to establishing the portion of any deficiency allocable to that individual.

(3) (A) (i) An individual shall only be eligible to elect the application of this subdivision if—

(I) At the time the election is filed, that individual is no longer married to, or is legally separated from, the individual with whom that individual filed the joint return to which the election relates, or

(II) That individual was not a member of the same household as the individual with whom the joint return was filed at any time during the 12-month period ending on the date the election is filed.

(ii) If the Franchise Tax Board demonstrates that assets were transferred between individuals filing a joint return as part of a fraudulent scheme by those individuals, an election under this subdivision by either individual shall be invalid (and subdivision (a) and the first sentence of subdivision (b) of Section 19006 shall apply to the joint return).

(B) An election under this subdivision for any taxable year shall be made not later than two years after the date on which the Franchise Tax Board has begun collection activities with respect to the individual making the election.

(C) If the Franchise Tax Board demonstrates that an individual making an election under this subdivision had actual knowledge, at the time the individual signed the return, of any item giving rise to a deficiency (or portion thereof) that is not allocable to the individual under subdivision (d), that election does not apply to that deficiency (or portion). This subparagraph does not apply where the individual with actual knowledge establishes that the individual signed the return under duress.

(4) (A) Notwithstanding any other provision of this subdivision, the portion of the deficiency for which the individual electing the application of this subdivision is liable (without regard to this paragraph) shall be increased by the value of any disqualified asset transferred to the individual.

(B) For purposes of this paragraph—

(i) The term ''disqualified asset'' means any property or right to property transferred to an individual making the election under this subdivision with respect to a joint return by the other individual filing the joint return if the principal purpose of the transfer was the avoidance of tax or payment of tax.

(ii) (I) For purposes of clause (i), except as provided in subclause (II), any transfer that is made after the date that is one year before the date on which the first notice of proposed assessment under Article 3 (commencing with Section 19031) of Chapter 4 is sent shall be presumed to have as its principal purpose the avoidance of tax or payment of tax.

(II) Subclause (I) does not apply to any transfer pursuant to a decree of divorce or separate maintenance or a written instrument incident to that decree or to any transfer that an individual establishes did not have as its principal purpose the avoidance of tax or payment of tax.

(d) For purpose of subdivision (c)—

(1) The portion of any deficiency on a joint return allocated to an individual shall be the amount that bears the same ratio to the deficiency as the net amount of items taken into account in computing the deficiency and allocable to the individual under paragraph (3) bears to the net amount of all items taken into account in computing the deficiency.

(2) If a deficiency (or portion thereof) is attributable to—

(A) The disallowance of a credit, or

(B) Any tax (other than tax imposed by Section 17041 or 17062) required to be included with the joint return, and the item is allocated to one individual under paragraph (3), that deficiency (or portion) shall be allocated to that individual. Any item so allocated may not be taken into account under paragraph (1).

(3) For purposes of this subdivision—

(A) Except as provided in paragraphs (4) and (5), any item giving rise to a deficiency on a joint return shall be allocated to individuals filing the return in the same manner as it would have been allocated if the individuals had filed separate returns for the taxable year.

(B) Under rules prescribed by the Franchise Tax Board, an item otherwise allocable to an individual under subparagraph (A) shall be allocated to the other individual filing the joint return to the extent the item gave rise to a tax benefit on the joint return to the other individual.

(C) The Franchise Tax Board may provide for an allocation of any item in a manner not prescribed by subparagraph (A) if the Franchise Tax Board establishes that the allocation is appropriate due to fraud of one or both individuals.

(4) If an item of deduction or credit is disallowed in its entirety solely because a separate return is filed, the disallowance shall be disregarded and the item shall be computed as if a joint return had been filed and then allocated between the spouses appropriately.

(5) If the liability of a child of a taxpayer is included on a joint return, that liability shall be disregarded in computing the separate liability of either spouse and that liability shall be allocated appropriately between the spouses.

(e) (1) In the case of an individual who elects to have subdivision (b) or (c) apply—

(A) (i) The determination of the Franchise Tax Board as to whether the liability is to be revised as to one individual filing the joint return shall be made not less than 30 days after notification of the other individual filing the joint return.

(ii) Any action taken under this section shall be treated as though it were action on a protest taken under Section 19044 and shall become final upon the expiration of 30 days from the date that notice of the action is mailed to both individuals filing the joint return, unless, within that

30-day period, the individual making the election under subdivision (b) or (c) appeals the determination to the board as provided in clause (iii) or the other individual filing the joint return appeals the determination to the board as provided in Section 19045.

(iii) The individual making the election under subdivision (b) or (c) may appeal the determination of the Franchise Tax Board of the appropriate relief available to the individual under this section if that appeal is filed during the 30-day period prescribed in clause (ii) and the appeal shall be treated as an appeal to the board under Section 19045. Notwithstanding the preceding sentence, the individual making the election under subdivision (b) or (c) may appeal to the board at any time after the date that is six months after the date the election is filed with the Franchise Tax Board and before the close of the 30-day period prescribed in clause (ii).

(B) Except as otherwise provided in Section 19081 or 19082, no levy or proceeding in court shall be made, begun, or prosecuted against the individual making an election under subdivision (b) or (c) for collection of any assessment to which the election relates until the expiration of the 30-day period described in clause (ii) of subparagraph (A), or, if an appeal to the board has been filed under clause (iii) or Section 19045, until the decision of the board has become final.

(2) The running of the period of limitations in Section 19371 on the collection of the assessment to which the petition under subparagraph (A) of paragraph (1) relates shall be suspended for the period during which the Franchise Tax Board is prohibited by subparagraph (B) of paragraph (1) from collecting by levy or a proceeding in court and for 60 days thereafter.

(3) (A) Except as provided in subparagraph (B), notwithstanding any other law or rule of law (other than Article 6 (commencing with Section 19441) of Chapter 6), a credit or refund shall be allowed or made to the extent attributable to the application of this section.

(B) In the case of any election under subdivision (b) or (c), if a decision of the board in any prior proceeding for the same taxable year has become final, that decision shall be conclusive except with respect to the qualification of the individual for relief that was not an issue in that proceeding. The exception contained in the preceding sentence does not apply if the board determines that the individual participated meaningfully in the prior proceeding.

(f) Under procedures prescribed by the Franchise Tax Board, if taking into account all the facts and circumstances, it is inequitable to hold the individual liable for any unpaid tax or any deficiency (or any portion of either), and relief is not available to the individual under subdivision (b) or (c), the Franchise Tax Board may relieve the individual of that liability.

(g) (1) The Franchise Tax Board may prescribe regulations providing methods for allocation of items other than the methods under paragraph (3) of subdivision (d).

(2) It is the intent of the Legislature that, in construing this section and any other sections that are specifically cross-referenced in this section, any regulations that may be promulgated by the Secretary of the Treasury under Section 6015 of the Internal Revenue Code, as amended by Public Law 105-206, shall apply to the extent that those regulations do not conflict with this section or with any regulations that may be promulgated by the Franchise Tax Board.

(h) (1) Except as provided in paragraph (2), the amendments made by Section 5 of Chapter 931 of the Statutes of 1999 shall apply to any liability for tax arising after October 10, 1999, and any liability for tax arising on or before that date but remaining unpaid as of that date.

(2) The period specified under subparagraph (E) of paragraph (1) of subdivision (b) or subparagraph (B) of paragraph (3) of subdivision (c) does not expire before the date that is four years after the date of the first collection activity after October 10, 1999.

(i) An individual may not be granted relief under this section if a court has revised the tax liability in a proceeding for dissolution of the marriage in accordance with subdivision (b) of Section 19006.

(j) This section shall become operative on January 1, 2009.

SEC. 4. Section 23802 of the Revenue and Taxation Code is amended to read:

23802. (a) Section 1363(a) of the Internal Revenue Code, relating to the taxability of an ''S'' corporation does not apply.

(b) Corporations that are ''S'' corporations under this chapter shall continue to be subject to the taxes imposed under Chapter 2 (commencing with Section 23101) and Chapter 3 (commencing with Section 23501), except as follows:

(1) The tax imposed under Section 23151 or 23501 shall be imposed at a rate of $1^1/_2$ percent rather than the rate specified in those sections.

(2) In the case of an ''S'' corporation that is also a financial corporation, the rate of tax specified in paragraph (1) shall be increased by the excess of the rate imposed under Section 23183 over the rate imposed under Section 23151.

(c) An ''S'' corporation shall be subject to the minimum franchise tax imposed under Section 23153.

(d) (1) For purposes of subdivision (b), an ''S'' corporation shall be allowed a deduction under Section 24416 or 24416.1 (relating to net operating loss deductions), but only with respect to losses incurred during periods in which the corporation is an ''S'' corporation for purposes of this part.

(2) Section 1371(b) of the Internal Revenue Code, relating to denial of carryovers between ''C'' years and ''S'' years, shall apply for purposes of the tax imposed under subdivision (b), except as provided in paragraph (1).

(3) The provisions of this subdivision do not affect the amount of any item of income or loss computed in accordance with the provisions of Section 1366 of the Internal Revenue Code, relating to pass-thru of items to shareholders.

(4) For purposes of subdivision (b) of Section 17276, relating to limitations on loss carryovers, losses passed through to shareholders of an''S'' corporation, to the extent otherwise allowable without application of that subdivision, shall be fully included in the net operating loss of that shareholder and then that subdivision shall be applied to the entire net operating loss.

(e) For purposes of computing the taxes specified in subdivision (b), an''S'' corporation shall be allowed a deduction from income for built-in gains and passive investment income for which a tax has been imposed under this part in accordance with the provisions of Section 1374 of the Internal Revenue Code, relating to tax imposed on certain built-in gains, or Section 1375 of the Internal Revenue Code, relating to tax imposed on passive investment income.

(f) For purposes of computing taxes imposed under this part, as provided in subdivision (b):

(1) An ''S'' corporation shall compute its deductions for amortization and depreciation in accordance with the provisions of Part 10 (commencing with Section 17001) of Division 2.

(2) Section 465 of the Internal Revenue Code, relating to limitation of deductions to the amount at risk, shall be applied in the same manner as in the case of an individual.

(3) (A) Section 469 of the Internal Revenue Code, relating to limitations on passive activity losses and credits, shall be applied in the same manner as in the case of an individual. For purposes of the tax imposed under Section 23151 or 23501, as modified by this section, material participation shall be determined in accordance with Section 469(h) of the Internal Revenue Code, relating to certain closely held ''C'' corporations and personal service corporations.

(B) For purposes of this paragraph, the ''adjusted gross income'' of the''S'' corporation shall be equal to its ''net income,'' as determined under Section 24341 with the modifications required by this subdivision, except that no deduction shall be allowed for contributions allowed by Section 24357.

(4) The exclusion provided under Section 18152.5 may not be allowed to an ''S'' corporation.

(5) The deduction for bad debts under paragraph (2) of subdivision (a) of Section 24348 may not be allowed to an ''S'' corporation.

(g) (1) The provisions of Section 1363(d) of the Internal Revenue Code, relating to recapture of LIFO benefits, shall be modified for purposes of this part to refer to Section 19101 in lieu of Section 6601 of the Internal Revenue Code.

(2) For purposes of Section 19023, relating to the definition of ''estimated tax,'' and Section 19142, relating to an addition to tax for underpayment of estimated tax, the tax imposed pursuant to this subdivision is not a tax imposed by this part.

SEC. 5. The amendments made to paragraph (2) of subdivision (h) of Section 18533 in both Section 1 and Section 2 of this act are technical in nature and are declaratory of existing statutory law.

CHAPTER 354

An act to amend Section 17002 of the Corporations Code, and to amend Sections 69.4, 214, 214.01, 214.02, 214.5, 214.8, 214.14, 17076, 19191, 19192, and 19194 of, and to add Section 17049 to, the Revenue and Taxation Code, relating to taxation, to take effect immediately, tax levy.

[Approved by Governor August 27, 2004. Filed with Secretary of State August 30, 2004.]

The people of the State of California do enact as follows:

SECTION 1. Section 17002 of the Corporations Code is amended to read:

17002. Subject to any limitations contained in the articles of organization and to compliance with any other applicable laws, a limited liability company may engage in any lawful business activity, whether or not for profit, except the banking business, the business of issuing policies of insurance and assuming insurance risks, or the trust company business.

SEC. 1.5. Section 69.4 of the Revenue and Taxation Code is amended to read:

69.4. (a) (1) Notwithstanding any other provision of law, pursuant to the authority of subdivision (i) of Section 2 of Article XIII A of the California Constitution, the base year value of qualified contaminated property may be transferred, subject to the conditions and limitations of that subdivision and this section, to a comparable replacement property of equal or lesser value that is located in the same county and is acquired

or newly constructed as a replacement for the contaminated property, pursuant to subparagraph (A) of paragraph (1) of that subdivision.

(2) The limitation in paragraph (1) requiring that the qualified contaminated property and the replacement property be located in the same county does not apply in a county in which the county board of supervisors adopts a resolution making the provisions of this section applicable to replacement properties acquired to replace qualified contaminated properties located in another county within this state. The resolution shall specify the date on and after which its provisions are applicable. The specified date may be a date earlier than the date on which the county adopts the ordinance, but no earlier than November 3, 1998.

(b) The replacement property shall be acquired or newly constructed within five years after the original property is sold or otherwise transferred.

(c) (1) Upon the sale or transfer of the original property, the assessor shall determine a new base year value for that property in accordance with subdivision (a) of Section 2 of Article XII A of the California Constitution and Section 110.1.

(2) This section does not apply unless the sale or transfer of the original property is a change in ownership that does either of the following:

(A) Subjects the original property to reappraisal at its current fair market value in accordance with Section 110.1 or 5803.

(B) Results in a base year value determined in accordance with this section, Section 69, Section 69.3, or Section 69.5 because the property qualifies under this section, Section 69, Section 69.3, or Section 69.5 as a replacement dwelling or property.

(d) Property tax relief under this section is not available for a replacement property if the owner or owners of the original property do either of the following:

(1) Receive property tax relief under Section 74.7.

(2) Sign a claim under Section 63.1 allowing the base year value to stay with the original property.

(e) For purposes of this section:

(1) The ''original property'' means the qualified contaminated property.

(2) ''Equal or lesser value'' means the amount of the full cash value of a replacement property that does not exceed one of the following:

(A) One hundred five percent of the amount of the full cash value of the original property, if the replacement property is purchased or newly constructed within the first year following the date of the sale of the original property.

(B) One hundred ten percent of the amount of the full cash value of the original property, if the replacement property is purchased or newly constructed within the second year following the date of the sale of the original property.

(C) One hundred fifteen percent of the amount of the full cash value of the original property, if the replacement property is purchased or newly constructed within the third year following the date of the sale of the original property.

(D) One hundred twenty percent of the amount of the full cash value of the original property, if the replacement property is purchased or newly constructed within the fourth year following the date of the sale of the original property.

(E) One hundred twenty-five percent of the amount of the full cash value of the original property, if the replacement property is purchased or newly constructed within the fifth year following the date of the sale of the original property.

For purposes of this paragraph, if the replacement property is, in part, purchased and, in part, newly constructed, the date the replacement property is ''acquired or newly constructed'' is the date of acquisition or the date of completion of construction, whichever is later.

(3) The base year value of the original property shall be the base year value of the original property as determined in accordance with Section 110.1, with the inflation factor adjustments permitted by subdivision (f) of Section 110.1. The base year value of the original property shall also include any inflation factor adjustments permitted by subdivision (f) of Section 110.1 up to the date the replacement property is acquired or newly constructed, regardless of whether the claimant continued to own the original property during this entire period. The base year or years used to compute the base year value of the original property shall be deemed to be the base year or years of any property to which that base year value is transferred pursuant to this section.

(4) ''Fair market value of the replacement property'' means the full cash value of the replacement property determined in accordance with Section 110.1 as of the date on which that property was acquired or new construction was completed. If the replacement property is, in part, acquired and, in part, newly constructed, ''fair market value of the replacement property'' means the fair market value of the land and the improvements as of the date of completion.

(5) ''Fair market value of the qualified contaminated property'' means the full cash value of the qualified contaminated property, as if that property was not contaminated, determined in accordance with Section 110.1, as of the date of its sale or transfer by the claimant.

(6) ''Claimant'' means any owner of qualified contaminated property claiming the property tax relief provided by this section.

(7) ''Comparable replacement property'' means a property that is similar in utility and function to the property that it replaces. Property is similar in function and utility if it is, or is intended to be, used in the same manner as the qualified contaminated property.

(f) (1) A claimant is not eligible for the property tax relief provided by this section unless a claim is filed within three years of the date the replacement property was purchased or the new construction of the replacement property was completed.

(2) The claimant shall provide to the assessor the following information:

(A) Proof that the claimant did not participate or acquiesce in any act or omission that rendered the real property uninhabitable or unusable, as applicable, or is related to any individual or entity that committed that act or omission.

(B) Proof that the qualified contaminated property has been designated as a toxic or environmental hazard or as an environmental cleanup site by an agency of the State of California or the federal government.

(3) The State Board of Equalization shall design the form for claiming eligibility.

(g) (1) Upon the timely filing of a claim, the assessor shall adjust the new base year value as of the date the replacement property is acquired or the date the new construction of the replacement property is completed, whichever is later.

(2) Any taxes that were levied on the replacement property prior to the filing of the claim on the basis of the replacement property's new base year value, and any allowable annual adjustments thereto, shall be canceled or refunded to the claimant to the extent that the taxes exceed the amount that would be due when determined on the basis of the adjusted new base year value.

(3) Notwithstanding Section 75.10, Chapter 3.5 (commencing with Section 75) of Part 0.5 of Division 1 shall be utilized for purposes of implementing this subdivision, including adjustments of the new base year value of replacement properties acquired prior to the sale or transfer of the qualified contaminated property.

(h) This section applies only to replacement property that is acquired or newly constructed on or after January 1, 1995.

(a) Property used exclusively for religious, hospital, scientific, or charitable purposes owned and operated by community chests, funds, foundations, limited liability companies, or corporations organized and operated for religious, hospital, scientific, or charitable purposes is exempt from taxation, including ad valorem taxes to pay the

interest and redemption charges on any indebtedness approved by the voters prior to July 1, 1978, or any bonded indebtedness for the acquisition or improvement of real property approved on or after July 1, 1978, by two-thirds of the votes cast by the voters voting on the proposition, if:

(1) The owner is not organized or operated for profit. However, in the case of hospitals, the organization shall not be deemed to be organized or operated for profit if, during the immediately preceding fiscal year, operating revenues, exclusive of gifts, endowments and grants-in-aid, did not exceed operating expenses by an amount equivalent to 10 percent of those operating expenses. As used herein, operating expenses include depreciation based on cost of replacement and amortization of, and interest on, indebtedness.

(2) No part of the net earnings of the owner inures to the benefit of any private shareholder or individual.

(3) The property is used for the actual operation of the exempt activity, and does not exceed an amount of property reasonably necessary to the accomplishment of the exempt purpose.

(A) For the purposes of determining whether the property is used for the actual operation of the exempt activity, consideration shall not be given to use of the property for either or both of the following described activities if that use is occasional:

(i) The owner conducts fundraising activities on the property and the proceeds derived from those activities are not unrelated business taxable income, as defined in Section 512 of the Internal Revenue Code, of the owner and are used to further the exempt activity of the owner.

(ii) The owner permits any other organization that meets all of the requirements of this subdivision, other than ownership of the property, to conduct fundraising activities on the property and the proceeds derived from those activities are not unrelated business taxable income, as defined in Section 512 of the Internal Revenue Code, of the organization, are not subject to the tax on unrelated business taxable income that is imposed by Section 511 of the Internal Revenue Code, and are used to further the exempt activity of the organization.

(B) For purposes of subparagraph (A):

(i) ''Occasional use'' means use of the property on an irregular or intermittent basis by the qualifying owner or any other qualifying organization described in clause (ii) of subparagraph (A) that is incidental to the primary activities of the owner or the other organization.

(ii) ''Fundraising activities'' means both activities involving the direct solicitation of money or other property and the anticipated exchange of goods or services for money between the soliciting organization and the organization or person solicited.

(C) Subparagraph (A) shall have no application in determining whether paragraph (3) has been satisfied unless the owner of the property and any other organization using the property as provided in subparagraph (A) have filed with the assessor a valid organizational clearance certificate issued pursuant to Section 254.6.

(D) For the purposes of determining whether the property is used for the actual operation of the exempt activity, consideration shall not be given to the use of the property for meetings conducted by any other organization if the meetings are incidental to the other organization's primary activities, are not fundraising meetings or activities as defined in subparagraph (B), are held no more than once per week, and the other organization and its use of the property meet all other requirements of paragraphs (1) to (5), inclusive. The owner of the other organization also shall file with the assessor a valid organizational clearance certificate issued pursuant to Section 254.6.

(E) Nothing in subparagraph (A), (B), (C), or (D) shall be construed to either enlarge or restrict the exemption provided for in subdivision (b) of Section 4 and Section 5 of Article XIII of the California Constitution and this section.

(4) The property is not used or operated by the owner or by any other person so as to benefit any officer, trustee, director, shareholder, member, employee, contributor, or bondholder of the owner or operator, or any other person, through the distribution of profits, payment of excessive charges or compensations, or the more advantageous pursuit of their business or profession.

(5) The property is not used by the owner or members thereof for fraternal or lodge purposes, or for social club purposes except where that use is clearly incidental to a primary religious, hospital, scientific, or charitable purpose.

(6) The property is irrevocably dedicated to religious, charitable, scientific, or hospital purposes and upon the liquidation, dissolution, or abandonment of the owner will not inure to the benefit of any private person except a fund, foundation, or corporation organized and operated for religious, hospital, scientific, or charitable purposes.

(7) The property, if used exclusively for scientific purposes, is used by a foundation or institution that, in addition to complying with the foregoing requirements for the exemption of charitable organizations in general, has been chartered by the Congress of the United States (except that this requirement shall not apply when the scientific purposes are medical research), and whose objects are the encouragement or conduct of scientific investigation, research, and discovery for the benefit of the community at large.

The exemption provided for herein shall be known as the ''welfare exemption.'' This exemption shall be in addition to any other exemption

now provided by law, and the existence of the exemption provision in paragraph (2) of subdivision (a) of Section 202 shall not preclude the exemption under this section for museum or library property. Except as provided in subdivision (e), this section shall not be construed to enlarge the college exemption.

(b) Property used exclusively for school purposes of less than collegiate grade and owned and operated by religious, hospital, or charitable funds, foundations, limited liability companies, or corporations, which property and funds, foundations, limited liability companies, or corporations meet all of the requirements of subdivision (a), shall be deemed to be within the exemption provided for in subdivision (b) of Section 4 and Section 5 of Article XIII of the California Constitution and this section.

(c) Property used exclusively for nursery school purposes and owned and operated by religious, hospital, or charitable funds, foundations, limited liability companies, or corporations, which property and funds, foundations, limited liability companies, or corporations meet all the requirements of subdivision (a), shall be deemed to be within the exemption provided for in subdivision (b) of Section 4 and Section 5 of Article XIII of the California Constitution and this section.

(d) Property used exclusively for a noncommercial educational FM broadcast station or an educational television station, and owned and operated by religious, hospital, scientific, or charitable funds, foundations, limited liability companies, or corporations meeting all of the requirements of subdivision (a), shall be deemed to be within the exemption provided for in subdivision (b) of Section 4 and Section 5 of Article XIII of the California Constitution and this section.

(e) Property used exclusively for religious, charitable, scientific, or hospital purposes and owned and operated by religious, hospital, scientific, or charitable funds, foundations, limited liability companies, or corporations or educational institutions of collegiate grade, as defined in Section 203, which property and funds, foundations, limited liability companies, corporations, or educational institutions meet all of the requirements of subdivision (a), shall be deemed to be within the exemption provided for in subdivision (b) of Section 4 and Section 5 of Article XIII of the California Constitution and this section. As to educational institutions of collegiate grade, as defined in Section 203, the requirements of paragraph (6) of subdivision (a) shall be deemed to be met if both of the following are met:

(1) The property of the educational institution is irrevocably dedicated in its articles of incorporation to charitable and educational purposes, to religious and educational purposes, or to educational purposes.

(2) The articles of incorporation of the educational institution provide for distribution of its property upon its liquidation, dissolution, or abandonment to a fund, foundation, or corporation organized and operated for religious, hospital, scientific, charitable, or educational purposes meeting the requirements for exemption provided by Section 203 or this section.

(f) Property used exclusively for housing and related facilities for elderly or handicapped families and financed by, including, but not limited to, the federal government pursuant to Section 202 of Public Law 86-372 (12 U.S.C. Sec. 1701q), as amended, Section 231 of Public Law 73-479 (12 U.S.C. Sec. 1715v), Section 236 of Public Law 90-448 (12 U.S.C. Sec. 1715z), or Section 811 of Public Law 101-625 (42 U.S.C. The amendment of this paragraph made by Chapter 1102 of the Statutes of 1984 does not constitute a change in, but is declaratory of, the existing law. However, no refund of property taxes shall be required as a result of this amendment for any fiscal year prior to the fiscal year in which the amendment takes effect.

Property used exclusively for housing and related facilities for elderly or handicapped families at which supplemental care or services designed to meet the special needs of elderly or handicapped residents are not provided, or that is not financed by the federal government pursuant to Section 202 of Public Law 86-372 (12 U.S.C. Sec. 1701q), as amended, Section 231 of Public Law 73-479 (12 U.S.C. Sec. 1715v), Section 236 of Public Law 90-448 (12 U.S.C. Sec. 1715z), or Section 811 of Public Law 101-625 (42 U.S.C. Sec. 8013), shall not be entitled to exemption pursuant to this subdivision unless the property is used for housing and related facilities for low- and moderate-income elderly or handicapped families. Property that would otherwise be exempt pursuant to this subdivision, except that it includes some housing and related facilities for other than low- or moderate-income elderly or handicapped families, shall be entitled to a partial exemption. The partial exemption shall be equal to that percentage of the value of the property that is equal to the percentage that the number of low- and moderate-income elderly and handicapped families occupying the property represents of the total number of families occupying the property.

As used in this subdivision, ''low and moderate income'' has the same meaning as the term ''persons and families of low or moderate income'' as defined by Section 50093 of the Health and Safety Code.

(g) (1) Property used exclusively for rental housing and related facilities and owned and operated by religious, hospital, scientific, or charitable funds, foundations, limited liability companies, or corporations, including limited partnerships in which the managing general partner or eligible limited liability company, is an eligible nonprofit corporation, meeting all of the requirements of this section, or by veterans' organizations, as described in Section 215.1, meeting all the requirements of paragraphs (1) to (7), inclusive, of subdivision (a), shall be deemed to be within the exemption provided for in subdivision (b) of Section 4 and Section 5 of Article XIII of the California Constitution and this section and shall be entitled to a partial exemption equal to that percentage of the value of the property that the portion of the property serving lower income households represents of the total property in any year in which either of the following criteria applies:

(A) The acquisition, rehabilitation, development, or operation of the property, or any combination of these factors, is financed with tax-exempt mortgage revenue bonds or general obligation bonds, or is financed by local, state, or federal loans or grants and the rents of the occupants who are lower income households do not exceed those prescribed by deed restrictions or regulatory agreements pursuant to the terms of the financing or financial assistance.

(B) The owner of the property is eligible for and receives low-income housing tax credits pursuant to Section 42 of the Internal Revenue Code of 1986, as added by Public Law 99-514.

(C) In the case of a claim, other than a claim with respect to property owned by a limited partnership in which the managing general partner is an eligible nonprofit corporation, that is filed for the 2000–01 fiscal year or any fiscal year thereafter, 90 percent or more of the occupants of the property are lower income households whose rent does not exceed the rent prescribed by Section 50053 of the Health and Safety Code. The total exemption amount allowed under this subdivision to a taxpayer, with respect to a single property or multiple properties for any fiscal year on the sole basis of the application of this subparagraph, may not exceed twenty thousand dollars ($20,000) of tax.

(2) In order to be eligible for the exemption provided by this subdivision, the owner of the property shall do both of the following:

(A) (i) For any claim filed for the 2000–01 fiscal year or any fiscal year thereafter, certify and ensure, subject to the limitation in clause (ii), that there is an enforceable and verifiable agreement with a public agency, a recorded deed restriction, or other legal document that restricts the project's usage and that provides that the units designated for use by lower income households are continuously available to or occupied by lower income households at rents that do not exceed those prescribed by Section 50053 of the Health and Safety Code, or, to the extent that the

terms of federal, state, or local financing or financial assistance conflicts with Section 50053, rents that do not exceed those prescribed by the terms of the financing or financial assistance.

(ii) In the case of a limited partnership in which the managing general partner is an eligible nonprofit corporation, the restriction and provision specified in clause (i) shall be contained in an enforceable and verifiable agreement with a public agency, or in a recorded deed restriction to which the limited partnership certifies.

(B) Certify that the funds that would have been necessary to pay property taxes are used to maintain the affordability of, or reduce rents otherwise necessary for, the units occupied by lower income households.

(3) As used in this subdivision, ''lower income households'' has the same meaning as the term ''lower income households'' as defined by Section 50079.5 of the Health and Safety Code.

(h) Property used exclusively for an emergency or temporary shelter and related facilities for homeless persons and families and owned and operated by religious, hospital, scientific, or charitable funds, foundations, limited liability companies, or corporations meeting all of the requirements of this section shall be deemed to be within the exemption provided for in subdivision (b) of Section 4 and Section 5 of Article XIII of the California Constitution and this section. Property that otherwise would be exempt pursuant to this subdivision, except that it includes housing and related facilities for other than an emergency or temporary shelter, shall be entitled to a partial exemption.

As used in this subdivision, ''emergency or temporary shelter'' means a facility that would be eligible for funding pursuant to Chapter 11 (commencing with Section 50800) of Part 2 of Division 31 of the Health and Safety Code.

(i) Property used exclusively for housing and related facilities for employees of religious, charitable, scientific, or hospital organizations that meet all the requirements of subdivision (a) and owned and operated by funds, foundations, limited liability companies, or corporations that meet all the requirements of subdivision (a) shall be deemed to be within the exemption provided for in subdivision (b) of Sections 4 and 5 of Article XIII of the California Constitution and this section to the extent the residential use of the property is institutionally necessary for the operation of the organization.

(j) For purposes of this section, charitable purposes include educational purposes. For purposes of this subdivision, ''educational purposes'' means those educational purposes and activities for the benefit of the community as a whole or an unascertainable and indefinite portion thereof, and do not include those educational purposes and activities that are primarily for the benefit of an organization's shareholders. Educational activities include the study of relevant

information, the dissemination of that information to interested members of the general public, and the participation of interested members of the general public.

(k) In the case of property used exclusively for the exempt purposes specified in this section, owned and operated by limited liability companies that are organized and operated for those purposes, the State Board of Equalization shall adopt regulations to specify the ownership, organizational, and operational requirements for those companies to qualify for the exemption provided by this section.

(*l*) The amendments made by the act adding this subdivision shall apply with respect to lien dates occurring on and after January 1, 2005.

SEC. 3. Section 214.01 of the Revenue and Taxation Code is amended to read:

214.01. (a) For the purpose of Section 214, property shall be deemed irrevocably dedicated to religious, charitable, scientific, or hospital purposes only if a statement of irrevocable dedication to only these purposes is found in the articles of incorporation of the corporation, or in the case of any other fund or foundation, limited liability company, or corporation chartered by an act of Congress, in the bylaws, articles of association, articles of organization, constitution, or regulations thereof, as determined by the State Board of Equalization.

(b) If, when performing the duties specified by Section 254.6, the board finds that an applicant for the welfare exemption is ineligible for an organizational clearance certificate, because at the time of the filing of the claim required by Section 254.6, the applicant's articles of incorporation, or in the case of any noncorporate fund or foundation, its bylaws, articles of association, articles of organization, constitution or regulations, did not comply with the provisions of this section, the board shall notify the applicant in writing. The applicant shall have until the next succeeding lien date to amend its articles of incorporation, or in the case of any noncorporate fund or foundation, its bylaws, articles of association, articles of organization, constitution or regulations, and to file a certified copy of these amendments that conform to the provisions of this section with the board, and the board shall make a finding that the applicant, if otherwise qualified, is eligible for an organizational clearance certificate and forward that finding to the assessor.

(c) The amendments made by the act adding this subdivision shall apply with respect to lien dates occurring on and after January 1, 2005.

SEC. 4. Section 214.02 of the Revenue and Taxation Code is amended to read:

and for the enjoyment of scenic beauty, is open to the general public subject to reasonable restrictions concerning the needs of the land, and is owned and operated by a scientific or charitable fund, foundation, limited liability company, or corporation, the primary interest of which is to preserve those natural areas, and that meets all the requirements of Section 214, shall be deemed to be within the exemption provided for in subdivision (b) of Sections 4 and 5 of Article XIII of the Constitution of the State of California and Section 214.

(b) The exemption provided by this section shall not apply to any property of an organization that owns in the aggregate 30,000 acres or more in one county that were exempt under this section prior to March 1, 1983, or that are proposed to be exempt, unless the nonprofit organization that holds the property is fully independent of the owner of any taxable real property that is adjacent to the property otherwise qualifying for tax exemption under this section. (c) The exemption provided by this section shall not apply to property that is reserved for future development.

(d) This section shall be operative from the lien date in 1983 to and including the lien date in 2012, after which date this section shall become inoperative, and as of January 1, 2013, this section is repealed.

17049. (a) If an item of income was included in the California adjusted gross income of an individual for a preceding taxable year or years because it appeared that the individual had an unrestricted right to that item, and, based on the repayment of the item by the individual during the taxable year, that individual properly determines his or her federal income tax liability for the taxable year under Section 1341(a)(4) or (5) of the Internal Revenue Code, then the tax imposed by this chapter for the taxable year on that individual shall be an amount equal to (1) the tax for the taxable year computed without regard to this section, minus (2) the decrease in tax under this chapter for the preceding taxable year or years which would result solely from the exclusion of the item or portion thereof from the adjusted gross income required to be shown on the California return of that individual for the preceding taxable year or years. This section does not apply if the repayment is properly deductible in determining the individual's federal adjusted gross income for the taxable year, and that individual properly determines his or her federal

income tax liability for the taxable year under Section 1341(a)(4) of the Internal Revenue Code by deducting that repayment.

(b) In determining the decrease in tax under this chapter for the preceding taxable year or years that would result solely from the exclusion of the item or portion thereof from the California adjusted gross income of that individual for the preceding taxable year or years, any item excluded from the California adjusted gross income of an individual for a preceding year or years in which the individual was a nonresident individual or part-year resident individual, shall, to the extent that the item is derived from or connected with sources within this state, be excluded from California adjusted gross income derived from or connected with sources within this state for that preceding year or years.

(c) If the decrease in tax under this chapter for the preceding taxable year or years, that would result solely from the exclusion of the item or portion thereof from the adjusted gross income required to be shown on the California return of that individual for the preceding taxable year or years, exceeds the tax for the taxable year computed without regard to this section, that excess shall be considered to be a payment of tax on the last day prescribed for the payment of tax for the taxable year, and shall be refunded or credited in the same manner as if it were an overpayment for the taxable year.

SEC. 9. Section 17076 of the Revenue and Taxation Code is amended to read:

17076. (a) Section 67 of the Internal Revenue Code, relating to the 2-percent floor on miscellaneous itemized deductions, shall apply, except as otherwise provided.

(b) A deduction allowable under this part that exceeds three thousand dollars ($3,000) and is described in Section 17049, relating to computation of tax where taxpayer restores a substantial amount held under claim of right, may not be treated as a miscellaneous itemized deduction under Section 67 of the Internal Revenue Code, as applicable for purposes of this part.

SEC. 10. Section 19191 of the Revenue and Taxation Code is amended to read:

19191. (2) Accept applications on an anonymous basis from qualified entities and their qualified shareholders, qualified members, or qualified beneficiaries for voluntary disclosure agreements.

(3) Implement procedures for accepting applications for voluntary disclosure agreements through the National Nexus Program administered by the Multistate Tax Commission.

(4) For purposes of considering offers from qualified entities and their qualified shareholders, qualified members, or qualified beneficiaries to enter into voluntary disclosure agreements, take into account the following criteria:

(A) The nature and magnitude of the qualified entity's previous presence and activity in this state and the facts and circumstances by which the nexus of the qualified entity or qualified shareholder, qualified member, or qualified beneficiary's was established.

(B) The extent to which the weight of the factual circumstances demonstrates that a prudent business person exercising reasonable care would conclude that the previous activities and presence in this state were or were not immune from taxation by this state by reason of Public Law 86-272 or otherwise.

(C) Reasonable reliance on the advice of a person in a fiduciary position or other competent advice that the qualified entity or qualified shareholder, qualified member, or qualified beneficiary activities were immune from taxation by this state.

(D) Lack of evidence of willful disregard or neglect of the tax laws of this state on the part of the qualified entity or qualified shareholder, qualified member, or qualified beneficiary.

[Approved by Governor August 27, 2004. Filed with Secretary of State August 30, 2004.]

Final appointment to fill the vacancy may not be made by the appointing body for at least 10 working days after the posting of the notice.

SEC. 2. Section 56036 of the Government Code is amended to read:

56036. (a) ''District'' or ''special district'' means an agency of the state, formed pursuant to general law or special act, for the local performance of governmental or proprietary functions within limited boundaries. (9) An air pollution control district or an air quality maintenance district.

(10) A zone of any of the following:

(A) A fire protection district.

(B) A mosquito abatement and vector control district.

(C) A public cemetery district.

(D) A recreation and park district.

(b) Except as otherwise provided in paragraph (1), each of the entities listed in paragraph (1) is a ''district'' or a ''special district'' for the purposes of this division.

(1) For the purposes of Chapter 1 (commencing with Section 57000) to Chapter 7 (commencing with Section 57175), inclusive, of Part 4 or Part 5 (commencing with Section 57300), none of the following entities is a ''district'' or a ''special district:''

(A) A unified or union high school library district.

(B) A bridge and highway district.

(C) A joint highway district.

(D) A transit or rapid transit district.

(E) A metropolitan water district.

(F) A separation of grade district.

(2) Any proceedings pursuant to Part 4 (commencing with Section 57000) for a change of organization involving an entity described in paragraph (1) shall be conducted pursuant to the principal act authorizing the establishment of that entity.

(c) Except as otherwise provided in paragraph (1), each of the entities listed in paragraph (1) is a ''district'' or ''special district'' for purposes of this division.

(1) For the purposes of Chapter 1 (commencing with Section 57000) to Chapter 7 (commencing with Section 57175), inclusive, of Part 4 or Part 5 (commencing with Section 57300), none of the following entities is a ''district'' or ''special district'' if the commission of the principal county determines, in accordance with Sections 56127 and 56128, that the entity is not a ''district'' or ''special district.''

(A) A flood control district.

(B) A flood control and floodwater conservation district.

(C) A flood control and water conservation district.

(D) A conservation district.

(E) A water conservation district.

(F) A water replenishment district.

(G) The Orange County Water District.

(H) A California water storage district.

(I) A water agency.

(J) A county water authority or a water authority.

(2) If the commission determines that an entity described in paragraph (1) is not a ''district'' or ''special district,'' any proceedings pursuant to Part 4 (commencing with Section 57000) for a change of organization involving the entity shall be conducted pursuant to the principal act authorizing the establishment of that entity.

SEC. 3. Section 56077 of the Government Code is amended to read:

56077. ''Subject agency'' means each district or city for which a change of organization or reorganization is proposed or provided in a plan of reorganization.

SEC. 4. Section 56132 of the Government Code is amended to read:

56132. (a) This section shall only apply to any change of organization or reorganization that includes detachment of territory from the Broadmoor Police Protection District in the County of San Mateo and that includes or accommodates, or is intended to facilitate, an annexation of territory to another local agency that has initiated the change of organization or reorganization. This section does not, however, apply to any territory comprising real property owned by the San Francisco Bay Area Rapid Transit District.

If the commission adopts a resolution approving such a change of organization or reorganization, the board of commissioners of the

district may, within 15 days thereafter, adopt a resolution finding either that the proposed detachment may or will not adversely affect the district's ability to efficiently provide its law enforcement services in the remainder of the district. The district shall, if it adopts a resolution, file a certified copy of its resolution with the local agency to which the affected territory is proposed to be annexed and the commission. If that resolution finds that the proposed detachment may have an adverse financial effect, then the reorganization shall not become effective unless a majority of the voters voting at a special election of the district called for that purpose approve the detachment. The Broadmoor Police Protection District shall pay the costs of the election. For purposes of this section, it shall be conclusively presumed that any affected local agency that adopts a resolution under Section 56654 requesting a detachment of contiguous territory from the Broadmoor Police Protection District and that could have concurrently requested annexation of the affected territory, intends to do so.

(b) The Legislature finds and declares that a special law is necessary and that a general law cannot be made applicable within the meaning of Section 16 of Article IV of the California Constitution because of the following special circumstances:

The Broadmoor Police Protection District consists primarily of suburban residential properties which have long enjoyed an urban level of police services. The threat of continued piecemeal detachments of territory from the district threatens its ability to continue providing that level of service on an economically efficient basis.

(c) This section shall remain in effect only until January 1, 2006, and as of that date is repealed, unless a later enacted statute, that is enacted prior to January 1, 2006, deletes or extends that date.

SEC. 4.5. Section 56337 of the Government Code is amended to read:

56337. A city, county, or district officer may serve as a member of the commission while holding office as a city, county, or district officer. If a member who is a city, county, or district officer ceases to be an officer of a city, county, or district during his or her term, his or her membership on the commission shall be considered vacant.

SEC. 5. Section 56375.5 of the Government Code is amended to read:

56375.5. Every determination made by a commission regarding the matters provided for by subdivisions (a), (m), and (n) of Section 56375 and by subdivision (a) of Section 56375.3 shall be consistent with the spheres of influence of the local agencies affected by those determinations.

SEC. 6. Section 56810 of the Government Code is amended to read:

56810. (a) (1) If the proposal includes the incorporation of a city, as defined in Section 56043, the commission shall determine the amount of property tax revenue to be exchanged by the affected local agency pursuant to this section and Section 56815.

(2) If the proposal includes the formation of a district, as defined in Section 2215 of the Revenue and Taxation Code, the commission shall determine the amount of property tax to be exchanged by the affected local agency pursuant to this section.

(b) The commission shall notify the county auditor of the proposal and the services which the new jurisdiction proposes to assume within the area, and identify for the auditor the existing service providers within the area subject to the proposal.

(c) If the proposal would not transfer all of an affected agency's service responsibilities to the proposed city or district, the commission and the county auditor shall do all of the following:

(1) The county auditor shall determine the proportion that the amount of property tax revenue derived by each affected local agency pursuant to subdivision (b) of Section 93 of the Revenue and Taxation Code bears to the total amount of revenue from all sources, available for general purposes, received by each affected local agency in the prior fiscal year. For purposes of making this determination and the determination required by paragraph (3), ''total amount of revenue from all sources available for general purposes'' means the total amount of revenue which an affected local agency may use on a discretionary basis for any purpose and does not include any of the following:

(A) Revenue which, by statute, is required to be used for a specific purpose.

(B) Revenue from fees, charges, or assessments which are levied to specifically offset the cost of particular services and do not exceed the cost reasonably borne in providing these services.

(C) Revenue received from the federal government which is required to be used for a specific purpose.

(2) The commission shall determine, based on information submitted by each affected local agency, an amount equal to the total net cost to each affected local agency during the prior fiscal year of providing those services which the new jurisdiction will assume within the area subject to the proposal. For purposes of this paragraph, ''total net cost'' means the total direct and indirect costs that were funded by general purpose revenues of the affected local agency and excludes any portion of the total cost that was funded by any revenues of that agency that are specified in subparagraphs (A), (B), and (C) of paragraph (1).

(3) The commission shall multiply the amount determined pursuant to paragraph (2) for each affected local agency by the corresponding proportion determined pursuant to paragraph (1) to derive the amount of

property tax revenue used to provide services by each affected local agency during the prior fiscal year within the area subject to the proposal. The county auditor shall adjust the amount described in the previous sentence by the annual tax increment according to the procedures set forth in Chapter 6 (commencing with Section 95) of Part 0.5 of Division 1 of the Revenue and Taxation Code, to the fiscal year in which the new city or district receives its initial allocation of property taxes.

(4) For purposes of this subdivision, in any county in which, prior to the adoption of Article XIII A of the California Constitution, and continuing thereafter, a separate fund or funds were established consisting of revenues derived from the unincorporated area of the county and from which fund or funds services rendered in the unincorporated area have been paid, the amount of property tax revenues derived pursuant to paragraph (3), may, at the discretion of the commission, be transferred to the proposed city over a period not to exceed 12 fiscal years following its incorporation. In determining whether the transfer of the amount of property tax revenues determined pursuant to paragraph (3) shall occur entirely within the fiscal year immediately following the incorporation of the proposed city or shall be phased in over a period not to exceed 12 full fiscal years following the incorporation, the commission shall consider each of the following:

(A) The total amount of revenue from all sources available to the proposed city.

(B) The fiscal impact of the proposed transfer on the transferring agency.

(C) Any other relevant facts which interested parties to the exchange may present to the commission in written form.

The decision of the commission shall be supported by written findings setting forth the basis for its decision.

(d) If the proposal would transfer all of an affected agency's service responsibilities to the proposed city or district, the commission shall request the auditor to determine the property tax revenue generated for the affected service providers by tax rate area, or portion thereof, and transmit that information to the commission.

(e) The executive officer shall notify the auditor of the amount determined pursuant to paragraph (3) of subdivision (c) or subdivision (d), as the case may be, and, where applicable, the period of time within which and the procedure by which the transfer of property tax revenues will be effected pursuant to paragraph (4) of subdivision (c), at the time the executive officer records a certificate of completion pursuant to Section 57203 for any proposal described in subdivision (a), and the auditor shall transfer that amount to the new jurisdiction.

(f) The amendments to this section enacted during the 1985–86 Regular Session of the Legislature shall apply to any proposal described

in subdivision (a) for which a certificate of completion is recorded with the county recorder on or after January 1, 1987.

(g) For purposes of this section, ''prior fiscal year'' means the most recent fiscal year for which data on actual direct and indirect costs and revenues needed to perform the calculations required by this section are available preceding the issuance of the certificate of filing.

(h) An action brought by a city or district to contest any determinations of the county auditor or the commission with regard to the amount of property tax revenue to be exchanged by the affected local agency pursuant to this section shall be commenced within three years of the effective date of the city's incorporation or the district's formation. These actions may be brought by any city that incorporated or by any district that formed on or after January 1, 1986.

(i) This section applies to any city that incorporated or district that formed on or after January 1, 1986.

(j) The calculations and procedures specified in this section shall be made prior to and shall be incorporated into the calculations specified in Section 56815.

SEC. 7. Section 57025 of the Government Code is amended to read:

57025. (a) The executive officer of the commission shall give notice of the protest hearing to be held on the proposal by publication pursuant to Sections 56153 and 56154 and by posting pursuant to Sections 56158 and 56159.

(b) The executive officer shall give mailed notice to all landowners owning land within any affected territory, consistent with Sections 56155 to 56157, inclusive.

(c) If the subject territory is inhabited, the executive officer shall also give mailed notice to all registered voters residing within any affected territory, consistent with Sections 56155 to 56157, inclusive.

(d) The executive officer shall also give mailed notice to each affected city, affected district, or affected county, the proponents, if any, and to persons requesting special notice, consistent with Sections 56155 to 56157, inclusive.

(e) In the case of a proposed change of organization or reorganization that would result in the extension of any previously authorized special tax or benefit assessment to the affected territory, the executive officer of the commission shall give mailed notice to each landowner within the affected territory.

SEC. 8. Section 57120 of the Government Code is amended to read:

57120. In addition to any other requirements, any resolution of the commission ordering a change of organization or reorganization that includes a formation or an incorporation subject to an election shall provide for the establishment of the appropriations limit determined pursuant to Section 56811 or 56812.

SEC. 9. Section 57125 of the Government Code is amended to read:

57125. (a) Special elections called within all or any part of a city or registered-voter district shall be governed by the general election provisions and the local election provisions of the Elections Code, so far as they may be applicable, relating to the qualifications of voters, the manner of voting, the form of the ballot, the duties of precinct and election officers, the canvassing of returns, and all other particulars. If the commission determines that there is any inconsistency:

(1) Between the general elections provisions and the local elections provisions of the Elections Code, the local elections provisions shall control.

(2) Between this division and the Elections Code, this division shall control.

(b) Notwithstanding any other provision of law, special elections pursuant to this division may be conducted wholly by mailed ballot on any date other than an established election date authorized by the elections official of the county or counties affected by the use of mailed ballots.

SEC. 10. Section 57126 of the Government Code is amended to read:

57126. (a) Special elections called within all or any part of a landowner-voter district shall be governed by the general elections provisions of the principal act, so far as they may be applicable, relating to the qualifications of voters, the manner of voting, the form of the ballot, the duties of precinct and election officers, the canvassing of returns, and all other particulars. To the extent of any inconsistency between the provisions of this division and the principal act as determined by the commission, the provisions of this division shall control.

(b) Notwithstanding any other provision of law, special elections held pursuant to this division may be conducted wholly by mailed ballot on any date other than an established election date authorized by the elections official of the county or counties affected by the use of mailed ballots.

SEC. 11. Section 99 of the Revenue and Taxation Code is amended to read:

99. (a) For the purposes of the computations required by this chapter:

(1) In the case of a jurisdictional change, other than a city incorporation or a formation of a district as defined in Section 2215, the auditor shall adjust the allocation of property tax revenue determined pursuant to Section 96 or 96.1, or the annual tax increment determined pursuant to Section 96.5, for local agencies whose service area or service

responsibility would be altered by the jurisdictional change, as determined pursuant to subdivision (b) or (c).

(2) In the case of a city incorporation, the auditor shall assign the allocation of property tax revenues determined pursuant to Section 56810 of the Government Code and the adjustments in tax revenues that may occur pursuant to Section 56815 of the Government Code to the newly formed city or district and shall make the adjustment as determined by Section 56810 in the allocation of property tax revenue determined pursuant to Section 96 or 96.1 for each local agency whose service area or service responsibilities would be altered by the incorporation.

(3) In the case of a formation of a district as defined in Section 2215, the auditor shall assign the allocation of property tax revenues determined pursuant to Section 56810 of the Government Code to the district and shall make the adjustment as determined by Section 56810 in the allocation of property tax revenue determined pursuant to Section 96 or 96.1 for each local agency whose service area or service responsibilities would be altered by the formation.

(b) Upon the filing of an application or a resolution pursuant to the Cortese-Knox-Hertzberg Local Government Reorganization Act of 2000 (Division 3 (commencing with Section 56000) of Title 5 of the Government Code), but prior to the issuance of a certificate of filing, the executive officer shall give notice of the filing to the assessor and auditor of each county within which the territory subject to the jurisdictional change is located. This notice shall specify each local agency whose service area or responsibility will be altered by the jurisdictional change.

(1) (A) The county assessor shall provide to the county auditor, within 30 days of the notice of filing, a report which identifies the assessed valuations for the territory subject to the jurisdictional change and the tax rate area or areas in which the territory exists.

(B) The auditor shall estimate the amount of property tax revenue generated within the territory that is the subject of the jurisdictional change during the current fiscal year.

(2) The auditor shall estimate what proportion of the property tax revenue determined pursuant to paragraph (1) is attributable to each local agency pursuant to Section 96.1 and Section 96.5.

(3) Within 45 days of notice of the filing of an application or resolution, the auditor shall notify the governing body of each local agency whose service area or service responsibility will be altered by the amount of, and allocation factors with respect to, property tax revenue estimated pursuant to paragraph (2) that is subject to a negotiated exchange.

(4) Upon receipt of the estimates pursuant to paragraph (3) the local agencies shall commence negotiations to determine the amount of

property tax revenues to be exchanged between and among the local agencies. This negotiation period shall not exceed 60 days.

The exchange may be limited to an exchange of property tax revenues from the annual tax increment generated in the area subject to the jurisdictional change and attributable to the local agencies whose service area or service responsibilities will be altered by the proposed jurisdictional change. The final exchange resolution shall specify how the annual tax increment shall be allocated in future years.

(5) In the event that a jurisdictional change would affect the service area or service responsibility of one or more special districts, the board of supervisors of the county or counties in which the districts are located shall, on behalf of the district or districts, negotiate any exchange of property tax revenues. Prior to entering into negotiation on behalf of a district for the exchange of property tax revenue, the board shall consult with the affected district. The consultation shall include, at a minimum, notification to each member and executive officer of the district board of the pending consultation and provision of adequate opportunity to comment on the negotiation.

(6) Notwithstanding any other provision of law, the executive officer shall not issue a certificate of filing pursuant to Section 56658 of the Government Code until the local agencies included in the property tax revenue exchange negotiation, within the 60-day negotiation period, present resolutions adopted by each such county and city whereby each county and city agrees to accept the exchange of property tax revenues.

(7) In the event that the commission modifies the proposal or its resolution of determination, any local agency whose service area or service responsibility would be altered by the proposed jurisdictional change may request, and the executive officer shall grant, 15 days for the affected agencies, pursuant to paragraph (4) to renegotiate an exchange of property tax revenues. Notwithstanding the time period specified in paragraph (4), if the resolutions required pursuant to paragraph (6) are not presented to the executive officer within the 15-day period, all proceedings of the jurisdictional change shall automatically be terminated.

(8) In the case of a jurisdictional change that consists of a city's qualified annexation of unincorporated territory, an exchange of property tax revenues between the city and the county shall be determined in accordance with subdivision (e) if that exchange of revenues is not otherwise determined pursuant to either of the following:

(A) Negotiations completed within the applicable period or periods as prescribed by this subdivision.

(B) A master property tax exchange agreement among those local agencies, as described in subdivision (d).

For purposes of this paragraph, a qualified annexation of unincorporated territory means an annexation, as so described, for which proceedings before the relevant local agency formation commission are initiated, as provided in Section 56651 of the Government Code, on or after January 1, 1998, and on or before January 1, 2005.

(9) No later than the date on which the certificate of completion of the jurisdictional change is recorded with the county recorder, the executive officer shall notify the auditor or auditors of the exchange of property tax revenues and the auditor or auditors shall make the appropriate adjustments as provided in subdivision (a).

(c) Whenever a jurisdictional change is not required to be reviewed and approved by a local agency formation commission, the local agencies whose service area or service responsibilities would be altered by the proposed change, shall give notice to the State Board of Equalization and the assessor and auditor of each county within which the territory subject to the jurisdictional change is located. This notice shall specify each local agency whose service area or responsibility will be altered by the jurisdictional change and request the auditor and assessor to make the determinations required pursuant to paragraphs (1) and (2) of subdivision (b). Upon notification by the auditor of the amount of, and allocation factors with respect to, property tax subject to exchange, the local agencies, pursuant to the provisions of paragraphs (4) and (6) of subdivision (b), shall determine the amount of property tax revenues to be exchanged between and among the local agencies. Notwithstanding any other provision of law, no such jurisdictional change shall become effective until each county and city included in these negotiations agrees, by resolution, to accept the negotiated exchange of property tax revenues. The exchange may be limited to an exchange of property tax revenue from the annual tax increment generated in the area subject to the jurisdictional change and attributable to the local agencies whose service area or service responsibilities will be altered by the proposed jurisdictional change. The final exchange resolution shall specify how the annual tax increment shall be allocated in future years. Upon the adoption of the resolutions required pursuant to this section, the adopting agencies shall notify the auditor who shall make the appropriate adjustments as provided in subdivision (a). Adjustments in property tax allocations made as the result of a city or library district withdrawing from a county free library system pursuant to Section 19116 of the Education Code shall be made pursuant to Section 19116 of the Education Code, and this subdivision shall not apply.

(d) With respect to adjustments in the allocation of property taxes pursuant to this section, a county and any local agency or agencies within the county may develop and adopt a master property tax transfer

agreement. The agreement may be revised from time to time by the parties subject to the agreement.

(e) (1) An exchange of property tax revenues that is required by paragraph (8) of subdivision (b) to be determined pursuant to this subdivision shall be determined in accordance with all of the following:

(A) The city and the county shall mutually select a third-party consultant to perform a comprehensive, independent fiscal analysis, funded in equal portions by the city and the county, that specifies estimates of all tax revenues that will be derived from the annexed territory and the costs of city and county services with respect to the annexed territory. The analysis shall be completed within a period not to exceed 30 days, and shall be based upon the general plan or adopted plans and policies of the annexing city and the intended uses for the annexed territory. If, upon the completion of the analysis period, no exchange of property tax revenues is agreed upon by the city and the county, subparagraph (B) shall apply.

(B) The city and the county shall mutually select a mediator, funded in equal portions by those agencies, to perform mediation for a period of not to exceed 30 days. If, upon the completion of the mediation period, no exchange of property tax revenues is agreed upon by the city and the county, subparagraph (C) shall apply.

(C) The city and the county shall mutually select an arbitrator, funded in equal portions by those agencies, to conduct an advisory arbitration with the city and the county for a period of not to exceed 30 days. At the conclusion of this arbitration period, the city and the county shall each present to the arbitrator its last and best offer with respect to the exchange of property tax revenues. The arbitrator shall select one of the offers and recommend that offer to the governing bodies of the city and the county. If the governing body of the city or the county rejects the recommended offer, it shall do so during a public hearing, and shall, at the conclusion of that hearing, make written findings of fact as to why the recommended offer was not accepted.

(2) Proceedings under this subdivision shall be concluded no more than 150 days after the auditor provides the notification pursuant to paragraph (3) of subdivision (b), unless one of the periods specified in this subdivision is extended by the mutual agreement of the city and the county. Notwithstanding any other provision of law, except for those conditions that are necessary to implement an exchange of property tax revenues determined pursuant to this subdivision, the local agency formation commission shall not impose any fiscal conditions upon a city's qualified annexation of unincorporated territory that is subject to this subdivision.

(f) Except as otherwise provided in subdivision (g), for the purpose of determining the amount of property tax to be allocated in the 1979–80

fiscal year and each fiscal year thereafter for those local agencies that were affected by a jurisdictional change which was filed with the State Board of Equalization after January 1, 1978, but on or before January 1, 1979. The local agencies shall determine by resolution the amount of property tax revenues to be exchanged between and among the affected agencies and notify the auditor of the determination.

(g) For the purpose of determining the amount of property tax to be allocated in the 1979–80 fiscal year and each fiscal year thereafter, for a city incorporation that was filed pursuant to Sections 54900 to 54904 after January 1, 1978, but on or before January 1, 1979, the amount of property tax revenue considered to have been received by the jurisdiction for the 1978–79 fiscal year shall be equal to two-thirds of the amount of property tax revenue projected in the final local agency formation commission staff report pertaining to the incorporation multiplied by the proportion that the total amount of property tax revenue received by all jurisdictions within the county for the 1978–79 fiscal year bears to the total amount of property tax revenue received by all jurisdictions within the county for the 1977–78 fiscal year. Except, however, in the event that the final commission report did not specify the amount of property tax revenue projected for that incorporation, the commission shall by October 10, determine pursuant to Section 54790.3 of the Government Code the amount of property tax to be transferred to the city.

The provisions of this subdivision shall also apply to the allocation of property taxes for the 1980–81 fiscal year and each fiscal year thereafter for incorporations approved by the voters in June 1979.

(h) For the purpose of the computations made pursuant to this section, in the case of a district formation that was filed pursuant to Sections 54900 to 54904, inclusive, of the Government Code after January 1, 1978, but before January 1, 1979, the amount of property tax to be allocated to the district for the 1979–80 fiscal year and each fiscal year thereafter shall be determined pursuant to Section 54790.3 of the Government Code.

(i) For the purposes of the computations required by this chapter, in the case of a jurisdictional change, other than a change requiring an adjustment by the auditor pursuant to subdivision (a), the auditor shall adjust the allocation of property tax revenue determined pursuant to Section 96 or 96.1 or its predecessor section, or the annual tax increment determined pursuant to Section 96.5 or its predecessor section, for each local school district, community college district, or county superintendent of schools whose service area or service responsibility would be altered by the jurisdictional change, as determined as follows:

(1) The governing body of each district, county superintendent of schools, or county whose service areas or service responsibilities would be altered by the change shall determine the amount of property tax

revenues to be exchanged between and among the affected jurisdictions. This determination shall be adopted by each affected jurisdiction by resolution. For the purpose of negotiation, the county auditor shall furnish the parties and the county board of education with an estimate of the property tax revenue subject to negotiation.

(2) In the event that the affected jurisdictions are unable to agree, within 60 days after the effective date of the jurisdictional change, and if all the jurisdictions are wholly within one county, the county board of education shall, by resolution, determine the amount of property tax revenue to be exchanged. If the jurisdictions are in more than one county, the State Board of Education shall, by resolution, within 60 days after the effective date of the jurisdictional change, determine the amount of property tax to be exchanged.

(3) Upon adoption of any resolution pursuant to this subdivision, the adopting jurisdictions or State Board of Education shall notify the county auditor who shall make the appropriate adjustments as provided in subdivision (a).

(j) For purposes of subdivision (i), the annexation by a community college district of territory within a county not previously served by a community college district is an alteration of service area. The community college district and the county shall negotiate the amount, if any, of property tax revenues to be exchanged. In these negotiations, there shall be taken into consideration the amount of revenue received from the timber yield tax and forest reserve receipts by the community college district in the area not previously served. In no event shall the property tax revenue to be exchanged exceed the amount of property tax revenue collected prior to the annexation for the purposes of paying tuition expenses of residents enrolled in the community college district, adjusted each year by the percentage change in population and the percentage change in the cost of living, or per capita personal income, whichever is lower, less the amount of revenue received by the community college district in the annexed area from the timber yield tax and forest reserve receipts.

(k) At any time after a jurisdictional change is effective, any of the local agencies party to the agreement to exchange property tax revenue may renegotiate the agreement with respect to the current fiscal year or subsequent fiscal years, subject to approval by all local agencies affected by the renegotiation.

SEC. 12. Notwithstanding Section 17610 of the Government Code, if the Commission on State Mandates determines that this act contains costs mandated by the state, reimbursement to local agencies and school districts for those costs shall be made pursuant to Part 7 (commencing with Section 17500) of Division 4 of Title 2 of the Government Code. If the statewide cost of the claim for reimbursement does not exceed one

million dollars ($1,000,000), reimbursement shall be made from the State Mandates Claims Fund.

CHAPTER 356

An act to amend Section 6001 of the Business and Professions Code, relating to attorneys.

[Approved by Governor August 27, 2004. Filed with Secretary of State August 30, 2004.]

SECTION 1. Section 6001 of the Business and Professions Code is amended to read:

6001. The State Bar of California is a public corporation. It is hereinafter designated as the State Bar.

The State Bar has perpetual succession and a seal and it may sue and be sued. It may, for the purpose of carrying into effect and promoting its objectives:

(b) Borrow money, contract debts, issue bonds, notes and debentures and secure the payment or performance of its obligations.

(c) Own, hold, use, manage and deal in and with real and personal property.

(d) Construct, alter, maintain and repair buildings and other improvements to real property.

(e) Purchase, lease, obtain options upon, acquire by gift, bequest, devise or otherwise, any real or personal property or any interest therein.

Pursuant to those powers enumerated in subdivisions (a) to (g), inclusive, it is recognized that the State Bar has authority to raise revenue in addition to that provided for in Section 6140 and other statutory provisions. The State Bar is empowered to raise that additional revenue by any lawful means, including, but not limited to, the creation of foundations or not-for-profit corporations.

The State Bar shall conspicuously publicize to its members in the annual dues statement and other appropriate communications, including its Web site and electronic communications, that its members have the right to limit the sale or disclosure of member information not reasonably related to regulatory purposes. In those communications the State Bar shall note the location of the State Bar's privacy policy, and shall also note the simple procedure by which a member may exercise his or her right to prohibit or restrict, at the member's option, the sale or disclosure of member information not reasonably related to regulatory purposes. On or before May 1, 2005, the State Bar shall report to the Assembly and Senate Committees on Judiciary regarding the procedures that it has in place to ensure that members can appropriately limit the use of their member information not reasonably related to regulatory purposes, and the number of members choosing to utilize these procedures.

No law of this state restricting, or prescribing a mode of procedure for the exercise of powers of state public bodies or state agencies, or classes thereof, including, but not by way of limitation, the provisions contained in Division 3 (commencing with Section 11000), Division 4 (commencing with Section 16100), and Part 1 (commencing with Section 18000) and Part 2 (commencing with Section 18500) of Division 5, of Title 2 of the Government Code, shall be applicable to the State Bar, unless the Legislature expressly so declares.

CHAPTER 357

An act to amend the heading of Chapter 8.9 (commencing with Section 10089.70) of Part 1 of Division 2 of, and to amend Sections 10089.70, 10089.71, 10089.72, 10089.79, 10089.80, 10089.82, and 10089.84 of, the Insurance Code, relating to homeowners' insurance, and declaring the urgency thereof, to take effect immediately.

[Approved by Governor August 27, 2004. Filed with Secretary of State August 30, 2004.]

The people of the State of California do enact as follows:

SECTION 1. The heading of Chapter 8.9 (commencing with Section 10089.70) of Part 1 of Division 2 of the Insurance Code is amended to read:

CHAPTER 8.9. INSURANCE MEDIATION

SEC. 2. Section 10089.70 of the Insurance Code is amended to read:

10089.70. (a) The department shall establish a program for the mediation of the disputes between insured complainants and insurers arising out of the Northridge earthquake of 1994 or any subsequent earthquake, and disputes arising under automobile collision coverage or automobile physical damage coverage, in a policy as defined in Section 660. The program, with respect to the mediation of earthquake insurance claims, shall only apply to personal lines of insurance related to residential coverage. The goal of the program shall be to favorably resolve a statistically significant number of disputes sent to mediation under the program. This subdivision shall not apply to any dispute that turns on a question of major insurance coverage or a purely legal interpretation, or any dispute involving the actions of an agent or broker in which the insurer is not alleged to have been responsible for the conduct, or any complaint the commissioner finds to be frivolous, or any dispute in which a party is alleged to have committed fraud.

(b) The department shall also establish a program for the mediation of disputes arising from claims under policies between insured complainants and insurers regarding residential property insurance losses, other than earthquake losses, occurring after September 30, 2003, and for which the Governor has declared a state of emergency pursuant to Section 8558 of the Government Code. This subdivision shall not apply to any complaint that the commissioner finds to be frivolous, or any dispute that turns on a question of major insurance coverage or a purely legal interpretation, or any dispute involving the actions of an agent or broker in which the insurer is not alleged to have been responsible for the conduct, or any complaint the commissioner finds to be frivolous, or any dispute in which a party is alleged to have committed fraud. The department may refer to mediation any dispute covered by this subdivision in which the parties to the contract wish to discuss possible payments beyond policy limits.

SEC. 3. Section 10089.71 of the Insurance Code is amended to read:

10089.71. Any insured having a dispute with an insurer under a policy that qualifies for this program may file a written complaint with the department. The complaint shall indicate that the complainant has not been able to reach a satisfactory settlement of a claim with the insurer. The department shall, if deemed appropriate, notify the insurer against whom the complaint is made of the nature of the complaint, may request appropriate relief for the complainant, and may meet and confer with the complainant and the insurer in order to attempt resolution of the dispute.

SEC. 4. Section 10089.72 of the Insurance Code is amended to read:

10089.72. (a) If, after the department's intervention, the insurer and the insured do not reach agreement, the department may notify the insurer that in order to avoid referral to mediation, the insurer shall have 28 calendar days to resolve the dispute, unless the department, for good cause, extends the period by an additional 7 calendar days.

(b) The department may not refer a claim or dispute to mediation unless the amount claimed by the insured exceeds seven thousand five hundred dollars ($7,500) and the amount in dispute exceeds two thousand dollars ($2,000).

SEC. 5. Section 10089.79 of the Insurance Code is amended to read:

10089.79. (a) The costs of mediation shall be reasonable, and shall be borne by the insurer, except as provided in Section 10089.81. The commissioner may set a fee not to exceed seven hundred dollars ($700) for each dispute mediated pursuant to subdivision (a) of Section 10089.70, and one thousand five hundred dollars ($1,500) for each dispute mediated pursuant to subdivision (b) of that section.

(b) The administrative expenses for the mediation program shall be paid from existing resources available to the department. If additional resources are required by the department, those resources shall be made available by an annual appropriation in the Budget Act.

SEC. 6. Section 10089.80 of the Insurance Code is amended to read:

10089.80. (a) The representatives of the insurer shall know the facts of the case and be familiar with the allegations of the complainant. The insurer or the insurer's representative shall produce at the settlement conference a copy of the policy and all documents from the claims file relevant to the degree of loss, value of the claim, and the fact or extent of damage. For disputes mediated pursuant to subdivision (b) of Section 10089.70, the department shall refer to mediation issues related to the settlement of the claim. The insured and insurer shall produce, to the extent available, documents relevant to the successful mediation of the claim, including documents related to the degree of loss, the value of the claim, and the fact or extent of damage.

The mediator may also order production of other documents that the mediator determines to be relevant to the issues under mediation. If a party declines to comply with that order, the mediator may appeal to the commissioner for a determination of whether the documents requested should be produced. The commissioner shall make a determination within 21 days. However, the party ordered to produce the documents shall not be required to produce while the issue is before the commissioner in this 21-day period. If the ruling is in favor of production, any insurer that is subject to an order to participate in mediation issued under subdivision (a) of Section 10089.75 shall comply with the order to produce. Insureds, and those insurers that are not subject to an order to participate in mediation, shall produce the

documents or decline to participate further in the mediation after a ruling by the commissioner requiring the production of those other documents. Declination of mediation by the insurer under this section may be considered by the commissioner in exercising authority under subdivision (a) of Section 10089.75.

The mediator shall have the authority to protect from disclosure information that the mediator determines to be privileged, including, but not limited to, information protected by the attorney-client or work-product privileges, or to be otherwise confidential.

(b) The mediator shall determine prior to the mediation conference whether the insured will be represented by counsel at the mediation. The mediator shall inform the insurer whether the insured will be represented by counsel at the mediation conference. If the insured is represented by counsel at the mediation conference, the insurer's counsel may be present. If the insured is not represented by counsel at the mediation conference, then no counsel may be present.

(c) Section 703.5 and Chapter 2 (commencing with Section 1115) of Division 9 of the Evidence Code apply to a mediation conducted under this chapter.

(d) The statements made by the parties, negotiations between the parties, and documents produced at the mediation are confidential. However, this confidentiality shall not restrict the access of the department to documents or other information the department seeks in order to evaluate the mediation program or to comply with reporting requirements. This subdivision does not affect the discoverability or admissibility of documents that are otherwise discoverable or admissible.

SEC. 7. Section 10089.82 of the Insurance Code is amended to read:

10089.82. (a) An insured may not be required to use the department's mediation process. An insurer may not be required to use the department's mediation process, except as provided in Section 10089.75.

(b) Neither the insurer nor the insured is required to accept an agreement proposed during the mediation.

(c) If the parties agree to a settlement agreement, the insured will have three business days to rescind the agreement. Notwithstanding Chapter 2 (commencing with Section 1115) of Division 9 of the Evidence Code, if the insured rescinds the agreement, it may not be admitted in evidence or disclosed unless the insured and all other parties to the agreement expressly agree to its disclosure. If the agreement is not rescinded by the insured, it is binding on the insured and the insurer, and acts as a release of all specific claims for damages known at the time of the mediation presented and agreed upon in the mediation conference. If counsel for the insured is present at the mediation conference and a settlement is

agreed upon that is signed by the insured's counsel, the agreement is immediately binding on the insured and may not be rescinded.

(d) This section does not affect rights under existing law for claims for damage that were undetected at the time of the settlement conference.

(e) All settlements reached as a result of department-referred mediation shall address only those issues raised for the purpose of resolution. Settlements and any accompanying releases are not effective to settle or resolve any claim or dispute not addressed by the mediator for the purpose of resolution, nor any claim that the insured may have related to the insurer's conduct in handling the claim. However, for mediations conducted pursuant to subdivision (b) of Section 10089.70, the insurer and insured may agree to a complete settlement and release of all disputes related to the claim, including any claim the insured may have related to the insurer's conduct in handling the claim, provided the legal effect of the release is disclosed and fully explained to the claimant by the mediator.

Referral to mediation or the pendency of a mediation under this article is not a basis to prevent or stay the filing of civil litigation arising in whole or in part out of the same facts. Any applicable statute of limitations is tolled for the number of days beginning from the notification date to the insurer pursuant to Section 10089.72, until the date on which the mediation is either completed or declined, or the date on which the insured fails to appear for a scheduled mediation for the second time, or, in the event that a settlement is completed, the expiration of any applicable three business day cooling off period.

SEC. 8. Section 10089.84 of the Insurance Code is amended to read:

10089.84. This chapter shall remain in effect until January 1, 2008, and as of that date is repealed, unless a later enacted statute, which is enacted before January 1, 2008, deletes or extends that date. The department shall not refer to mediation any case that arises from a claim under earthquake or automobile coverage when that claim is made to an insurer on or after January 1, 2006, unless a later enacted statute, which is enacted before January 1, 2006, deletes or extends that date, but any case arising from a claim for earthquake or automobile coverage received prior to January 1, 2006, may be mediated beyond that date. Any case arising from fire damage and covered under a policy of homeowners' insurance that is referred to mediation by the department prior to January 1, 2008, shall be mediated under this chapter whether or not the mediation has been completed prior to January 1, 2008. No later than October 1, 2004, the commissioner shall report to the Governor and to the Legislature on whether the program of mediating earthquake and auto damage claims should be extended, expanded, terminated, or otherwise modified, and shall include specific findings regarding the use of the program by insureds and insurers.

SEC. 9. This act is an urgency statute necessary for the immediate preservation of the public peace, health, or safety within the meaning of Article IV of the Constitution and shall go into immediate effect. The facts constituting the necessity are:

In order to allow victims of disasters to resolve disputes over claims and thereby recover from their losses, it is necessary that this act take effect immediately.

CHAPTER 358

An act to amend Sections 8212 and 8226 of the Education Code, and to amend Section 1596.853 of, and to add Sections 1596.773 and 1596.8555 to, the Health and Safety Code, relating to child care.

[Approved by Governor August 27, 2004. Filed with Secretary of State August 30, 2004.]

The people of the State of California do enact as follows:

(a) Identification of the full range of existing child care services through information provided by all relevant public and private agencies in the areas of service, and the development of a resource file of those services which shall be maintained and updated at least quarterly. These services shall include, but not be limited to, family day care homes, public and private day care programs, full-time and part-time programs, and infant, preschool, and extended care programs.

The resource file shall include, but not be limited to, the following information:

(b) (1) Establishment of a referral process which responds to parental need for information and which is provided with full recognition of the confidentiality rights of parents. Resource and referral programs shall make referrals to licensed child day care facilities. Referrals shall be made to unlicensed care facilities only if there is no requirement that the

facility be licensed. The referral process shall afford parents maximum access to all referral information. This access shall include, but is not limited to, telephone referrals to be made available for at least 30 hours per week as part of a full week of operation. Every effort shall be made to reach all parents within the defined geographic area, including, but not limited to, any of the following:

Each child care resource and referral program shall publicize its services through all available media sources, agencies, and other appropriate methods.

(2) (A) Provision of information to any person who requests a child care referral of his or her right to view the licensing information of a licensed child day care facility required to be maintained at the facility pursuant to Section 1596.859 of the Health and Safety Code and to access any public files pertaining to the facility that are maintained by the State Department of Social Services Community Care Licensing Division.

(B) A written or oral advisement in substantially the following form will comply with the requirements of subparagraph (A):

''State law requires licensed child day care facilities to make accessible to the public a copy of any licensing report pertaining to the facility that documents a facility visit or a substantiated complaint investigation. In addition, a more complete file regarding a child care licensee may be available at an office of the State Department of Social Services Community Care Licensing Division. You have the right to access any public information in these files.''

(c) Maintenance of ongoing documentation of requests for service tabulated through the internal referral process. The following documentation of requests for service shall be maintained by all child care resource and referral programs:

(2) Nothing in this subdivision affects the definition or applicability of any evidentiary privilege.

(3) This subdivision shall not apply where a court finds that the grand jury subpoena was issued or caused to be issued in bad faith.

(k) As used in subdivisions (f) and (g), Section 289.5 refers to the statute enacted by Chapter 293 of the Statutes of 1991 relating to penetration by an unknown object.

SEC. 3. Section 803.6 is added to the Penal Code, to read:

803.6. (a) If more than one time period described in this chapter applies, the time for commencing an action shall be governed by that period that expires the latest in time.

(b) Any change in the time period for the commencement of prosecution described in this chapter applies to any crime if prosecution for the crime was not barred on the effective date of the change by the statute of limitations in effect immediately prior to the effective date of the change.

(c) This section is declaratory of existing law.

SEC. 4. Section 805.5 of the Penal Code is repealed.

CHAPTER 369

An act to amend Section 5290 of the Family Code, relating to assignment orders.

[Approved by Governor August 27, 2004. Filed with Secretary of State August 30, 2004.]

The people of the State of California do enact as follows:

SECTION 1. Section 5290 of the Family Code is amended to read:

5290. No employer shall use an assignment order authorized by this chapter as grounds for refusing to hire a person, or for discharging, taking disciplinary action against, denying a promotion to, or for taking any other action adversely affecting the terms and conditions of employment of, an employee. An employer who engages in the conduct prohibited by this section may be assessed a civil penalty of a maximum of five hundred dollars ($500).

CHAPTER 370

An act to amend Sections 18761 and 18766 of the Revenue and Taxation Code, relating to taxation.

[Approved by Governor August 27, 2004. Filed with Secretary of State August 30, 2004.]

The people of the State of California do enact as follows:

SECTION 1. Section 18761 of the Revenue and Taxation Code is amended to read:

18761. The Legislature finds and declares all of the following:

(a) Alzheimer's disease and related dementia disorders are devastating health conditions that cause a loss of intellectual functioning so severe that they interfere with an individual's daily functioning and eventually result in death. These conditions affect 10 percent of Californians over the age of 65 years and 50 percent of Californians who are 85 years of age or older. They cause serious financial, social, and emotional hardships on those affected and on their family caregivers.

(b) The total annual cost of caring for individuals with Alzheimer's disease and other dementia disorders in California is over $10 billion. These conditions cost California businesses $3.3 billion annually, most of which is due to the lost productivity of family caregivers. Approximately 50 percent of all nursing home admissions in California are attributable to Alzheimer's disease and related dementia disorders.

(c) While scientists have made great strides in understanding Alzheimer's disease and other causes of dementia, there is no known prevention or cure at this time.

(d) It is the intent of the Legislature, in enacting this article, to establish a systematic program for the conduct of research regarding the cause, prevention, diagnosis, cure, and treatment of Alzheimer's disease and related disorders. The outcome of this research may have direct effects and consequences on the development of a comprehensive system that will provide diagnoses and treatment to victims of those health problems. This program shall award grants to eligible physicians, hospitals, laboratories, educational institutions, and other organizations and persons for the purpose of enabling those organizations and persons to conduct research.

SEC. 2. Section 18766 of the Revenue and Taxation Code is amended to read:

18766. (a) This article shall remain in effect only until January 1, 2010, and as of that date is repealed, unless a later enacted statute, which is enacted before January 1, 2010, deletes that date.

(b) If, in any calendar year, the Franchise Tax Board estimates by September 1 that contributions described in this article made on returns filed in that calendar year will be less than two hundred fifty thousand dollars ($250,000) for taxable years beginning in 2000, or the adjusted amount specified in subdivision (c) for subsequent taxable years, as may be applicable, then this article is repealed with respect to taxable years beginning on and after January 1 of that calendar year. The Franchise Tax Board shall estimate the annual contribution amount by September 1 of each year using the actual amounts known to be contributed and an estimate of the remaining year's contributions.

(c) For each calendar year, beginning with calendar year 1992, the Franchise Tax Board shall adjust, on or before September 1 of that calendar year, the minimum estimated contribution amount specified in subdivision (b) as follows:

(1) The minimum estimated contribution amount for the calendar year shall be an amount equal to the product of the minimum estimated contribution amount for the prior September 1 multiplied by the inflation factor adjustment as specified in paragraph (2) of subdivision (h) of Section 17041, rounded off to the nearest dollar.

(2) The inflation factor adjustment used for the calendar year shall be based on the figures for the percentage change in the California Consumer Price Index received on or before August 1 of the calendar year pursuant to paragraph (1) of subdivision (h) of Section 17041.

(d) Notwithstanding the repeal of this article, any contribution amounts designated pursuant to this article prior to its repeal shall continue to be transferred and disbursed in accordance with this article as in effect immediately prior to that repeal.

CHAPTER 371

An act to add Section 22651.05 to the Vehicle Code, relating to vehicles.

[Approved by Governor August 27, 2004. Filed with Secretary of State August 30, 2004.]

The people of the State of California do enact as follows:

SECTION 1. Section 22651.05 is added to the Vehicle Code, to read:

22651.05. (a) A trained volunteer of a state or local law enforcement agency, who is engaged in directing traffic or enforcing parking laws and regulations, of a city, county, or jurisdiction of a state

agency in which a vehicle is located, may remove or authorize the removal of a vehicle located within the territorial limits in which an officer or employee of that agency may act, under any of the following circumstances:

(1) When a vehicle is parked or left standing upon a highway for 72 or more consecutive hours in violation of a local ordinance authorizing the removal.

(2) When a vehicle is illegally parked or left standing on a highway in violation of a local ordinance forbidding standing or parking and the use of a highway, or a portion thereof, is necessary for the cleaning, repair, or construction of the highway, or for the installation of underground utilities, and signs giving notice that the vehicle may be removed are erected or placed at least 24 hours prior to the removal by local authorities pursuant to the ordinance.

(3) Wherever the use of the highway, or a portion thereof, is authorized by local authorities for a purpose other than the normal flow of traffic or for the movement of equipment, articles, or structures of unusual size, and the parking of a vehicle would prohibit or interfere with that use or movement, and signs giving notice that the vehicle may be removed are erected or placed at least 24 hours prior to the removal by local authorities pursuant to the ordinance.

(4) Whenever a vehicle is parked or left standing where local authorities, by resolution or ordinance, have prohibited parking and have authorized the removal of vehicles. A vehicle may not be removed unless signs are posted giving notice of the removal.

(5) Whenever a vehicle is parked for more than 24 hours on a portion of highway that is located within the boundaries of a common interest development, as defined in subdivision (c) of Section 1351 of the Civil Code, and signs, as required by Section 22658.2, have been posted on that portion of highway providing notice to drivers that vehicles parked thereon for more than 24 hours will be removed at the owner's expense, pursuant to a resolution or ordinance adopted by the local authority.

(b) The provisions of this chapter that apply to a vehicle removed pursuant to Section 22651 apply to a vehicle removed pursuant to subdivision (a).

(c) For purposes of subdivision (a), a ''trained volunteer'' is a person who, of his or her own free will, provides services, without any financial gain, to a local or state law enforcement agency, and who is duly trained and certified to remove a vehicle by a local or state law enforcement agency.

CHAPTER 372

An act to add Section 1536.5 to the Penal Code, relating to business records.

[Approved by Governor August 27, 2004. Filed with Secretary of State August 30, 2004.]

The people of the State of California do enact as follows:

SECTION 1. Section 1536.5 is added to the Penal Code, to read:

1536.5. (a) If a government agency seizes business records from an entity pursuant to a search warrant, the entity from which the records were seized may file a demand on that government agency to produce copies of the business records that have been seized. The demand for production of copies of business records shall be supported by a declaration, made under penalty of perjury, that denial of access to the records in question will either unduly interfere with the entity's ability to conduct its regular course of business or obstruct the entity from fulfilling an affirmative obligation that it has under the law. Unless the government agency objects pursuant to subdivision (d), this declaration shall suffice if it makes a prima facie case that specific business activities or specific legal obligations faced by the entity would be impaired or impeded by the ongoing loss of records.

(b) (1) Except as provided in paragraph (2), when a government agency seizes business records from an entity and is subsequently served with a demand for copies of those business records pursuant to subdivision (a), the government agency in possession of those records shall make copies of those records available to the entity within 10 court days of the service of the demand to produce copies of the records.

(2) In the alternative, the agency in possession of the original records, may in its discretion, make the original records reasonably available to the entity within 10 court days following the service of the demand to produce records, and allow the entity reasonable time to copy the records.

(3) No agency shall be required to make records available at times other than normal business hours.

(4) If data is recorded in a tangible medium, copies of the data may be provided in that same medium, or any other medium of which the entity may make reasonable use. If the data is stored electronically, electromagnetically, or photo-optically, the entity may obtain either a copy made by the same process in which the data is stored, or in the alternative, by any other tangible medium through which the entity may make reasonable use of the data.

(5) A government agency granting the entity access to the original records for the purpose of making copies of the records, may take reasonable steps to ensure the integrity and chain of custody of the business records.

(6) If the seized records are too voluminous to be reviewed or be copied in the time period required by subdivision (a), the government agency that seized the records may file a written motion with the court for additional time to review the records or make the copies. This motion shall be made within 10 court days of the service of the demand for the records. An extension of time under this paragraph shall not be granted unless the agency establishes that reviewing or producing copies of the records within the 10 court day time period, would create a hardship on the agency. If the court grants the motion, it shall make an order designating a timeframe for the review and the duplication and return of the business records, deferring to the entity the priority of the records to be reviewed, duplicated, and returned first.

(c) If a court finds that a declaration made by an entity as provided in subdivision (a) is adequate to establish the specified prima facie case, a government agency may refuse to produce copies of the business records or to grant access to the original records only under one or both of the following circumstances:

(1) The court determines by the preponderance of the evidence standard that denial of access to the business records or copies of the business records will not unduly interfere with the entity's ability to conduct its regular course of business or obstruct the entity from fulfilling an affirmative obligation that it has under the law.

(2) The court determines by the preponderance of the evidence standard that possession of the business records by the entity will pose a significant risk of ongoing criminal activity, or that the business records are contraband, evidence of criminal conduct by the entity from which the records were seized, or depict a person under the age of 18 years personally engaging in or simulating sexual conduct, as defined in subdivision (d) of Section 311.4.

(d) A government agency that desires not to produce copies of, or grant access to, seized business records shall file a motion with the court requesting an order denying the entity copies of and access to the records. A motion under this paragraph shall be in writing, and filed and served upon the entity prior to the expiration of 10 court days following the service of the demand to produce records specified in subdivision (a), within any extension of that time period granted under paragraph (6) of subdivision (b), or as soon as reasonably possible after discovery of the risk of harm.

(e) A hearing on a motion under subdivision (d) shall be held within two court days of the filing of the motion, except upon agreement of the parties.

(f) (1) Upon filing a motion under subdivision (d) opposing a demand for copies of records, the government agency may file a request in writing, served upon the demanding entity, that any showings of why the material should not be copied and released occur in an ex parte, in camera hearing. If the government agency alleges in its request for an in camera hearing that the demanding entity is, or is likely to become, a target of the investigation resulting in the seizure of records, the court shall hold this hearing outside of the presence of the demanding entity, and any representatives or counsel of the demanding entity. If the government agency does not allege in its request for an in camera hearing that the demanding entity is, or is likely to become, a target of the investigation resulting in the seizure of records, the court shall hold the hearing in camera only upon a particular factual showing by the government agency in its pleadings that a hearing in open court would impede or interrupt an ongoing criminal investigation.

(2) At the in camera hearing, any evidence that the government agency may offer that the release of the material would pose a significant risk of ongoing criminal activity, impede or interrupt an ongoing criminal investigation, or both, shall be offered under oath. A reporter shall be present at the in camera hearing to transcribe the entirety of the proceedings.

(3) Any transcription of the proceedings at the in camera hearing, as well as any physical evidence presented at the hearing, shall be ordered sealed by the court, and only a court may have access to its contents, unless a court determines that the failure to disclose the contents of the hearing would deprive the defendant or the people of a fair trial.

(4) Following the conclusion of the in camera hearing, the court shall make its ruling in open court, after notice to the demanding entity.

(g) The reasonable and necessary costs of producing copies of business records under this section shall be borne by the entity requesting copies of the records. Either party may request the court to resolve any dispute regarding these costs.

(h) Any motion under this section shall be filed in the court that issued the search warrant.

(i) For purposes of this section, the following terms are defined as follows:

(1) ''Seize'' means obtaining actual possession of any property alleged by the entity to contain business records.

(2) ''Business'' means an entity, sole proprietorship, partnership, or corporation operating legally in the State of California, that sells, leases,

distributes, creates, or otherwise offers products or services to customers.

(3) ''Business records'' means computer data, data compilations, accounts, books, reports, contracts, correspondence, inventories, lists, personnel files, payrolls, vendor and client lists, documents, or papers of the person or business normally used in the regular course of business, or any other material item of business recordkeeping that may become technologically feasible in the future.

SEC. 2. No reimbursement is required by this act pursuant to Section 6 of Article XIII B of the California Constitution for certain costs that may be incurred by a local agency or school district because in that regard this act creates a new crime or infraction, eliminates a crime or infraction, or changes the penalty for a crime or infraction, within the meaning of Section 17556 of the Government Code, or changes the definition of a crime within the meaning of Section 6 of Article XIII B of the California Constitution.

However, notwithstanding Section 17610 of the Government Code, if the Commission on State Mandates determines that this act contains other costs mandated by the state, reimbursement to local agencies and school districts for those costs shall be made pursuant to Part 7 (commencing with Section 17500) of Division 4 of Title 2 of the Government Code. If the statewide cost of the claim for reimbursement does not exceed one million dollars ($1,000,000), reimbursement shall be made from the State Mandates Claims Fund.

CHAPTER 373

An act to amend Section 319 of, to amend and repeal Section 309 of, and to repeal and amend Section 361.4 of, the Welfare and Institutions Code, relating to foster care.

[Approved by Governor August 27, 2004. Filed with Secretary of State August 30, 2004.]

The people of the State of California do enact as follows:

SECTION 1. Section 309 of the Welfare and Institutions Code, as amended by Section 3 of Chapter 918 of the Statutes of 2002, is amended to read:

309. (a) Upon delivery to the social worker of a child who has been taken into temporary custody under this article, the social worker shall immediately investigate the circumstances of the child and the facts surrounding the child's being taken into custody and attempt to maintain

the child with the child's family through the provision of services. The social worker shall immediately release the child to the custody of the child's parent, guardian, or responsible relative unless one or more of the following conditions exist:

(1) The child has no parent, guardian, or responsible relative; or the child's parent, guardian, or responsible relative is not willing to provide care for the child.

(2) Continued detention of the child is a matter of immediate and urgent necessity for the protection of the child and there are no reasonable means by which the child can be protected in his or her home or the home of a responsible relative.

(3) There is substantial evidence that a parent, guardian, or custodian of the child is likely to flee the jurisdiction of the court.

(4) The child has left a placement in which he or she was placed by the juvenile court.

(5) The parent or other person having lawful custody of the child voluntarily surrendered physical custody of the child pursuant to Section 1255.7 of the Health and Safety Code and did not reclaim the child within the 14-day period specified in subdivision (e) of that section.

(b) In any case in which there is reasonable cause for believing that a child who is under the care of a physician or surgeon or a hospital, clinic, or other medical facility and cannot be immediately moved is a person described in Section 300, the child shall be deemed to have been taken into temporary custody and delivered to the social worker for the purposes of this chapter while the child is at the office of the physician or surgeon or the medical facility.

(c) If the child is not released to his or her parent or guardian, the child shall be deemed detained for purposes of this chapter.

(d) (1) If an able and willing relative, as defined in Section 319, or an able and willing nonrelative extended family member, as defined in Section 362.7, is available and requests temporary placement of the child pending the detention hearing, the county welfare department shall initiate an assessment of the relative's or nonrelative extended family member's suitability, which shall include an in-home inspection to assess the safety of the home and the ability of the relative or nonrelative extended family member to care for the child's needs, and a consideration of the results of a criminal records check conducted pursuant to Section 16504.5 and a check of allegations of prior child abuse or neglect concerning the relative or nonrelative extended family member and other adults in the home. Upon completion of this assessment, the child may be placed in the assessed home. For purposes of this paragraph, and except for the criminal records check conducted pursuant to Section 16504.5, the standards used to determine suitability

shall be the same standards set forth in the regulations for the licensing of foster family homes.

(2) Immediately following the placement of a child in the home of a relative or a nonrelative extended family member, the county welfare department shall evaluate and approve or deny the home for purposes of AFDC-FC eligibility pursuant to Section 11402. The standards used to evaluate and grant or deny approval of the home of the relative and of the home of a nonrelative extended family member, as described in Section 362.7, shall be the same standards set forth in regulations for the licensing of foster family homes which prescribe standards of safety and sanitation for the physical plant and standards for basic personal care, supervision, and services provided by the caregiver.

(3) If a relative or nonrelative extended family member meets all other conditions for approval, except for the receipt of the Federal Bureau of Investigation's criminal history information for the relative or nonrelative extended family member, and other adults in the home, as indicated, the county welfare department may approve the home and document that approval, if the relative or nonrelative extended family member, and each adult in the home, has signed and submitted a statement that he or she has never been convicted of a crime in the United States, other than a traffic infraction as defined in paragraph (1) of subdivision (a) of Section 42001 of the Vehicle Code. If, after the approval has been granted, the department determines that the relative or nonrelative extended family member or other adult in the home has a criminal record, the approval may be terminated.

SEC. 2. Section 309 of the Welfare and Institutions Code, as amended by Section 4 of Chapter 918 of the Statutes of 2002, is repealed.

SEC. 3. Section 319 of the Welfare and Institutions Code is amended to read:

319. (a) At the initial petition hearing, the court shall examine the child's parents, guardians, or other persons having relevant knowledge and hear the relevant evidence as the child, the child's parents or guardians, the petitioner, or their counsel desires to present. The court may examine the child, as provided in Section 350.

(b) The social worker shall report to the court on the reasons why the child has been removed from the parent's custody; the need, if any, for continued detention; the available services and the referral methods to those services that could facilitate the return of the child to the custody of the child's parents or guardians; and whether there are any relatives who are able and willing to take temporary custody of the child. The court shall order the release of the child from custody unless a prima facie showing has been made that the child comes within Section 300, the court finds that continuance in the parent's or guardian's home is

contrary to the child's welfare, and any of the following circumstances exist:

(1) There is a substantial danger to the physical health of the child or the child is suffering severe emotional damage, and there are no reasonable means by which the child's physical or emotional health may be protected without removing the child from the parents' or guardians' physical custody.

(2) There is substantial evidence that a parent, guardian, or custodian of the child is likely to flee the jurisdiction of the court.

(3) The child has left a placement in which he or she was placed by the juvenile court.

(4) The child indicates an unwillingness to return home, if the child has been physically or sexually abused by a person residing in the home.

(c) If the matter is continued pursuant to Section 322 or for any other reason, the court shall find that the continuance of the child in the parent's or guardian's home is contrary to the child's welfare at the initial petition hearing or order the release of the child from custody.

(d) (1) The court shall also make a determination on the record, referencing the social worker's report or other evidence relied upon, as to whether reasonable efforts were made to prevent or eliminate the need for removal of the child from his or her home, pursuant to subdivision (b) of Section 306, and whether there are available services that would prevent the need for further detention. Services to be considered for purposes of making this determination are case management, counseling, emergency shelter care, emergency in-home caretakers, out-of-home respite care, teaching and demonstrating homemakers, parenting training, transportation, and any other child welfare services authorized by the State Department of Social Services pursuant to Chapter 5 (commencing with Section 16500) of Part 4 of Division 9. The court shall also review whether the social worker has considered whether a referral to public assistance services pursuant to Chapter 2 (commencing with Section 11200) and Chapter 7 (commencing with Section 14000) of Part 3, Chapter 1 (commencing with Section 17000) of Part 5, and Chapter 10 (commencing with Section 18900) of Part 6 of Division 9 would have eliminated the need to take temporary custody of the child or would prevent the need for further detention.

(2) If the child can be returned to the custody of his or her parent or guardian through the provision of those services, the court shall place the child with his or her parent or guardian and order that the services shall be provided. If the child cannot be returned to the custody of his or her parent or guardian, the court shall determine if there is a relative who is able and willing to care for the child, and has been assessed pursuant to paragraph (1) of subdivision (d) of Section 309.

(e) Whenever a court orders a child detained, the court shall state the facts on which the decision is based, shall specify why the initial removal was necessary, shall reference the social worker's report or other evidence relied upon to make its determination whether continuance in the home of the parent or legal guardian in contrary to the child's welfare, shall order temporary placement and care of the child to be vested with the county child welfare department pending the hearing held pursuant to Section 355 or further order of the court, and shall order services to be provided as soon as possible to reunify the child and his or her family if appropriate.

(f) When the child is not released from custody, the court may order that the child shall be placed in the assessed home of a relative, in an emergency shelter or other suitable licensed place, in a place exempt from licensure designated by the juvenile court, or in the assessed home of a nonrelative extended family member as defined in Section 362.7 for a period not to exceed 15 judicial days.

As used in this section, "relative" means an adult who is related to the child by blood, adoption, or affinity within the fifth degree of kinship, including stepparents, stepsiblings, and all relatives whose status is preceded by the words "great," "great-great," or "grand," or the spouse of any of these persons, even if the marriage was terminated by death or dissolution. However, only the following relatives shall be given preferential consideration for placement of the child: an adult who is a grandparent, aunt, uncle, or sibling of the child.

The court shall consider the recommendations of the social worker based on the assessment pursuant to paragraph (1) of subdivision (d) of Section 309 of the relative's home, including the results of a criminal records check and prior child abuse allegations, if any, prior to ordering that the child be placed with a relative. The court shall order the parent to disclose to the social worker the names, residences, and any known identifying information of any maternal or paternal relatives of the child. The social worker shall initiate the assessment pursuant to Section 361.3 of any relative to be considered for continuing placement.

SEC. 4. Section 361.4 of the Welfare and Institutions Code, as amended by Section 5 of Chapter 918 of the Statutes of 2002, is repealed.

SEC. 5. Section 361.4 of the Welfare and Institutions Code, as amended by Section 6 of Chapter 918 of the Statutes of 2002, is amended to read:

361.4. (a) Prior to placing a child in the home of a relative, or the home of any prospective guardian or other person who is not a licensed or certified foster parent, the county social worker shall visit the home to ascertain the appropriateness of the placement.

(b) Whenever a child may be placed in the home of a relative, or the home of any prospective guardian or other person who is not a licensed

or certified foster parent, the court or county social worker placing the child shall cause a state and federal level criminal records check to be conducted by an appropriate governmental agency through the California Law Enforcement Telecommunications System (CLETS) pursuant to Section 16504.5. The criminal records check shall be conducted with regard to all persons over the age of 18 years living in the home, and on any other person over the age of 18 years, other than professionals providing professional services to the child, known to the placing entity who may have significant contact with the child, including any person who has a familial or intimate relationship with any person living in the home. A criminal records check may be conducted pursuant to this section on any person over the age of 14 years living in the home who the county social worker believes may have a criminal record. Within five judicial days following the criminal records check conducted through the California Law Enforcement Telecommunications System, the social worker shall ensure that a fingerprint clearance check of the relative and any other person whose criminal record was obtained pursuant to this subdivision is initiated through the Department of Justice to ensure the accuracy of the criminal records check conducted through the California Law Enforcement Telecommunications System and shall review the results of any criminal records check to assess the safety of the home. The Department of Justice shall forward fingerprint requests for federal level criminal history information to the Federal Bureau of Investigation pursuant to this section.

(c) Whenever a child may be placed in the home of a relative, or a prospective guardian or other person who is not a licensed or certified foster parent, the county social worker shall cause a check of the Child Abuse Index pursuant to subdivision (a) of Section 11170 of the Penal Code to be requested from the Department of Justice. The Child Abuse Index check shall be conducted on all persons over the age of 18 years living in the home.

(d) (1) If the criminal records check indicates that the person has no criminal record, the county social worker and court may consider the home of the relative, prospective guardian, or other person who is not a licensed or certified foster parent for placement of a child.

(2) If the criminal records check indicates that the person has been convicted of a crime that would preclude licensure under Section 1522 of the Health and Safety Code, the child may not be placed in the home, unless a criminal records exemption has been granted by the county, based on substantial and convincing evidence to support a reasonable belief that the person with the criminal conviction is of such good character as to justify the placement and not present a risk of harm to the child pursuant to paragraph (3).

(3) (A) A county may issue a criminal records exemption only if that county has been granted permission by the Director of Social Services to issue criminal records exemptions. The county may file a request with the Director of Social Services seeking permission for the county to establish a procedure to evaluate and grant appropriate individual criminal records exemptions for persons described in subdivision (b). The director shall grant or deny the county's request within 14 days of receipt. The county shall evaluate individual criminal records in accordance with the standards and limitations set forth in paragraph (1) of subdivision (g) of Section 1522 of the Health and Safety Code, and in no event shall the county place a child in the home of a person who is ineligible for an exemption under that provision.

(B) The department shall monitor county implementation of the authority to grant an exemption under this paragraph to ensure that the county evaluates individual criminal records and allows or disallows placements according to the standards set forth in paragraph (1) of subdivision (g) of Section 1522 of the Health and Safety Code.

(4) The department shall conduct an evaluation of the implementation of paragraph (3) through random sampling of county exemption decisions.

(5) The State Department of Social Services shall not evaluate or grant criminal record exemption requests for persons described in subdivision (b), unless the exemption request is made by an Indian tribe pursuant to subdivision (f).

(6) If a county has not requested, or has not been granted, permission by the State Department of Social Services to establish a procedure to evaluate and grant criminal records exemptions, the county may not place a child into the home of a person described in subdivision (b) if any person residing in the home has been convicted of a crime other than a minor traffic violation, except as provided in subdivision (f).

(e) Nothing in this section shall preclude a county from conducting a criminal background check that the county is otherwise authorized to conduct using fingerprints.

(f) Upon request from an Indian tribe, the State Department of Social Services shall evaluate an exemption request, if needed, to allow placement into an Indian home that the tribe has designated for placement under the Indian Child Welfare Act (25 U.S.C. Sec. 1901 et seq.) that would otherwise be barred under this section. However, if the county with jurisdiction over the child that is the subject of the tribe's request has established an approved procedure pursuant to paragraph (3) of subdivision (d), the tribe may request that the county evaluate the exemption request. Once a tribe has elected to have the exemption request reviewed by either the State Department of Social Services or the county, the exemption decision may only be made by that entity. Nothing

in this subdivision limits the duty of a county social worker to evaluate the home for placement or to gather information needed to evaluate an exemption request.

(g) This section shall remain in effect only until January 1, 2010, and as of that date is repealed, unless a later enacted statute, that is enacted before January 1, 2010, deletes or extends that date.

SEC. 6. Notwithstanding Section 17610 of the Government Code, if the Commission on State Mandates determines that this act contains costs mandated by the state, reimbursement to local agencies and school districts for those costs shall be made pursuant to Part 7 (commencing with Section 17500) of Division 4 of Title 2 of the Government Code. If the statewide cost of the claim for reimbursement does not exceed one million dollars ($1,000,000), reimbursement shall be made from the State Mandates Claims Fund.

CHAPTER 374

An act to amend Section 115825 of, and to add and repeal Section 115843.3 of, the Health and Safety Code, relating to drinking water.

[Approved by Governor August 27, 2004. Filed with Secretary of State August 30, 2004.]

The people of the State of California do enact as follows:

SECTION 1. Section 115825 of the Health and Safety Code is amended to read:

115825. (a) It is hereby declared to be the policy of this state that multiple use should be made of all public water within the state, to the extent that multiple use is consistent with public health and public safety.

(b) Except as provided in this article, recreational uses shall not, with respect to a reservoir in which water is stored for domestic use, include recreation in which there is bodily contact with the water by any participant.

SEC. 2. Section 115843.3 is added to the Health and Safety Code, to read:

115843.3. (a) In the Bear Lake Reservoir, recreational uses shall not include recreation in which any participant has bodily contact with the water, unless all of the following conditions are satisfied:

(1) The water shall receive ongoing complete water treatment, including coagulation, flocculation, sedimentation, filtration, and disinfection, or an alternative filtration system that provides an equivalent degree of pathogen removal in compliance with all applicable

department regulations before being used for domestic purposes. The disinfection shall include, but is not limited to, ozonation or ultraviolet disinfection capable of inactivating organisms including virus, cryptosporidium, and giardia, to levels that comply with department regulations.

(2) The Lake Alpine Water Company conducts a monitoring program for total coliform bacteria, which includes E. coli and fecal coliform, at the reservoir intake at a frequency determined by the department.

(3) The reservoir is operated in compliance with regulations of the department.

(b) The recreational use of that reservoir shall be subject to additional conditions and restrictions adopted by the entity operating the water supply reservoir, or required by the department, that are required to further protect or enhance the public health and safety and do not conflict with regulations of the department. The department shall, prior to requiring any additional conditions and restrictions, consult with the entity operating the water supply reservoir regarding the proposed conditions and restrictions at least 60 days prior to the effective date of those conditions and restrictions.

(c) The Lake Alpine Water Company shall file, on or before January 1, 2006, with the Legislature and the department, a report on the recreational uses at Bear Lake Reservoir and the water treatment program for that reservoir. That report shall include, but is not limited to, providing all of the following information:

(1) The estimated levels and types of recreational uses at the reservoir on a monthly basis.

(2) The levels of methyl tertiary butyl ether taken at various reservoir locations on a monthly basis, unless the use of watercraft with gasoline-powered engines is prohibited.

(3) A summary of monitoring in the Bear Lake Reservoir watershed for giardia and cryptosporidium.

(4) The sanitary survey of the watershed and water quality monitoring plan.

(5) An evaluation of recommendations relating to removal and inactivation of cryptosporidium and giardia.

(6) Annual reports provided to the department as required by the water permit issued by the department.

(7) An evaluation of the impact on source water quality due to recreational activities on Bear Lake Reservoir, including any microbiological monitoring.

(8) A summary of any activities for operation of recreational uses and facilities in a manner that optimizes the water quality.

(9) The reservoir management plan and the operations plan.

(10) The annual water reports submitted to the consumers each year.

(d) If there is a change in operation of the treatment facility or a change in the quantity of water to be treated at the treatment facility, the department may require the entity operating the water supply reservoir to file a report that includes, but is not limited to, the information required pursuant to subdivision (c), and the entity shall demonstrate to the satisfaction of the department that water quality will not be adversely affected.

(e) This section shall remain in effect only until January 1, 2007, and as of that date is repealed, unless a later enacted statute, that is enacted before January 1, 2007, deletes or extends that date.

SEC. 3. The Legislature finds and declares that a special law is necessary and that a general law cannot be made applicable within the meaning of Section 16 of Article IV of the California Constitution because of the unique circumstances in the Bear Lake Reservoir. The facts constituting the special circumstances are:

Recreational activities have occurred at Bear Lake Reservoir but ceased due to the requirements of Section 115825, the Lake Alpine Water District will significantly increase water treatment through new water treatment projects at the reservoir before bodily contact can resume, and the district will provide information to the Legislature regarding certain issues to ensure that any recreational uses at the reservoir do not affect the provision of domestic water to district customers.

CHAPTER 375

An act to amend Section 740 of the Welfare and Institutions Code, relating to wards.

[Approved by Governor August 27, 2004. Filed with Secretary of State August 30, 2004.]

The people of the State of California do enact as follows:

SECTION 1. Section 740 of the Welfare and Institutions Code is amended to read:

740. (a) Any minor adjudged to be a ward of the court on the basis that he or she is a person described in Section 602 and who is placed in a community care facility shall be placed in a community care facility within his or her county of residence, unless both of the following apply:

(1) He or she has identifiable needs requiring specialized care that cannot be provided in a local facility, or his or her needs dictate physical separation from his or her family.

(2) The county of residence agrees to pay the placement county the costs of providing services to the minor, pursuant to Section 1566.25 of the Health and Safety Code.

(b) (1) Before the placement of a minor adjudged to be a ward of the court on the basis that he or she is a person described in Section 602 in any community care facility outside the ward's county of residence, the probation officer of the county making the placement, or in the case of a Youth Authority ward, the parole officer in charge of his or her case, shall send written notice of the placement, including the name of the ward, the juvenile record of the ward (including any known prior offenses), and the ward's county of residence, to the probation officer of the county in which the community care facility is located; with regard to this requirement, it is the intention of the Legislature that the probation officer of the county making the placement, or in the case of a Youth Authority ward, the parole officer in charge of his or her case, shall make his or her best efforts to send, or to hand deliver, the notice at the same time the placement is made. When such a placement is terminated, the probation officer of the county making the placement, or in the case of a Youth Authority ward, the parole officer in charge of his or her case, shall send notice thereof to any person or agency receiving notification of the placement.

(2) When it has been determined that it is necessary for a ward whose board and care is funded through the Aid to Families with Dependent Children-Foster Care program, to be placed in a county other than the ward's parents' or guardians' county of residence, the specific reason the out-of-county placement is necessary shall be documented in the ward's case plan. If the reason is lack of resources in the sending county to meet the specific needs of the ward, those specific resources needs shall be documented in the case plan.

(3) When it has been determined that a ward whose board and care is funded through the Aid to Families with Dependent Children-Foster Care program, is to be placed out-of-county and that the sending county is to maintain responsibility for supervision and visitation of the ward, the sending county shall develop a plan of supervision and visitation activities to be performed, and shall specify that the sending county is responsible for performing those activities. The sending county shall send to the receiving county a copy of the plan of supervision and visitation, in addition to the notice of placement required in paragraph (1), prior to placement of the ward. If placement occurs on a holiday or weekend, the plan of supervision and visitation and the notice of placement shall be provided to the receiving county on or before the end of the next business day.

(4) When it has been determined that a ward whose placement is funded through the Aid to Families with Dependent Children-Foster

The formal agreement shall specify the supervision and visitation to be provided the ward, and shall specify that the receiving county is responsible for providing the supervision and visitation. The formal agreement shall be approved and signed by the sending and receiving counties prior to placement of the ward in the receiving county. Additionally, the notice of placement required by paragraph (1) shall be provided to the receiving county prior to placement of the ward in that county. Upon completion of the case plan, the sending county shall provide a copy of the completed case plan to the receiving county.

(5) The probation department of a receiving county that has a group home in which a minor is placed by the probation department of another county, after adjudication of the minor for any felony offense, may disclose to the sheriff of the receiving county or to the municipal police department of the city in which the group home is located, the name of the minor, the felony offense or offenses for which the minor has been adjudicated, and the address of the group home. This information shall be utilized only for law enforcement purposes and may not be utilized in any manner that is inconsistent with the rehabilitative program in which the minor has been placed or with the progress the minor may be making in the placement program. Notwithstanding any other provision of law, the information provided by the probation department to a law enforcement agency under this paragraph may be provided to other law enforcement personnel for the limited law enforcement purposes described in this paragraph, but shall otherwise remain confidential.

(c) A minor, the parent or guardian of any minor, and counsel representing a minor or the parent or guardian of a minor may petition the juvenile court for the review of any placement decision concerning the minor made by the probation officer pursuant to subdivision (a). The petition shall state the petitioner's relationship to the minor and shall set forth in concise language the grounds on which the review is sought. The court shall order that a hearing shall be held on the petition and shall give prior notice, or cause prior notice to be given, to the persons and by the means as prescribed by Section 776, and, in instances in which the means of giving notice is not prescribed by that section, then by any means as the court prescribes.

(d) If a minor is placed in a community care facility out of his or her county of residence and is then arrested and placed in juvenile hall pending a jurisdictional hearing, the county of residence shall pay to the probation department of the county of placement all reasonable costs

resulting directly from the minor's stay in the juvenile hall, provided that these costs exceed one hundred dollars ($100).

(e) If, as a result of the hearing in subdivision (d), the minor is remanded back to his or her county of residence, the county of residence shall pay to the probation department of the county of placement, in addition to any payment made pursuant to subdivision (d), all reasonable costs resulting directly from transporting the minor to the county of residency, provided that these costs exceed one hundred dollars ($100).

(f) Claims made by the probation department in the county of placement, to the county of residence, pursuant to subdivisions (d) and (e), shall be paid within 30 days of the submission of these claims and the probation department in the county of placement shall bear the remaining expense.

(g) As used in this section:

SECTION 1. The Legislature authorizes, pursuant to paragraph (2) of subdivision (a) of Section 5919 of the Public Resources Code, the

County of San Bernardino to sell property it owns within the Chino Agricultural Preserve that was purchased with grant funds from the California Wildlife, Coastal, and Park Land Conservation Act (Division 5.8 (commencing with Section 5900) of the Public Resources Code), provided that the sale meets the conditions of subdivision (b) of Section 5919 of the Public Resources Code and all of the following conditions:

(c) The land plan and environmental review demonstrate that there is no net loss in acreage or habitat value as a result of implementation of the plan. If the sale of properties that were acquired with the grant funds, and the acquisition of replacement land as authorized by this subdivision, results in any net loss in acreage or habitat value of protected land, the County of San Bernardino shall acquire or dedicate additional land within the boundaries of the 14,000-acre Chino Agricultural Preserve, as it existed on June 8, 1988, including property surrounding the Chino airport, to make up for that loss and shall conserve all the land acquired or dedicated as authorized by this subdivision in perpetuity for agricultural purposes, including community gardens, agricultural heritage projects, agricultural and wildlife education, or wildlife habitat.

The hearing shall be scheduled for a specific time during a regularly scheduled meeting of the board, and shall be separately noticed and publicized.

(e) The County of San Bernardino, prior to closing any real property transactions with respect to the land plan, submits independent appraisals of the land to be sold and the land to be acquired to the Department of Parks and Recreation for concurrence with state appraisal standards. These appraisals shall be made available to the public.

(f) All land acquired or dedicated, including land previously acquired with the grant funds, other than land identified for sale pursuant to the land plan, shall be protected in perpetuity by recordation of agricultural use deed restrictions or agricultural conservation easements at the time of purchase or dedication, and, in the case of properties previously acquired with the grant funds, within 60 days of approval of the land plan by the County of San Bernardino. The County of San Bernardino shall not sell or acquire land pursuant to this section unless and until the San

Bernardino County Board of Supervisors approves the land plan specified in subdivision (b).

(g) All transactions that occur pursuant to this section shall comply with the California Environmental Quality Act (Division 13 (commencing with Section 21000) of the Public Resources Code).

The people of the State of California do enact as follows:

CHAPTER 379

An act to amend Section 31725.6 of, and to add Section 31725.65 to, the Government Code, relating to county employees' retirement, and declaring the urgency thereof, to take effect immediately.

[Approved by Governor August 27, 2004. Filed with Secretary of State August 30, 2004.]

The people of the State of California do enact as follows:

SECTION 1. Section 31725.6 of the Government Code is amended to read:

31725.6. (a) When the board finds, based on medical advice, that a member in county service is incapacitated for the performance of the member's duties, the board shall determine, based upon that medical advice, whether the member is capable of performing other duties. If the board determines that a member, although incapacitated for the performance of the member's duties, is capable of performing other duties, the board shall inform the appropriate agency in county service of its findings and request that the agency immediately initiate a suitable rehabilitation program for the member pursuant to Section 139.5 of the Labor Code, whereby the member could become qualified for assignment to a position in county service consistent with the rehabilitation program.

(b) When the appropriate agency in county service receives such a request from the board, the agency shall immediately refer the member to a qualified rehabilitation representative for vocational evaluation. During the course of the evaluation, the rehabilitation representative shall consult with the appropriate agency in county service to determine what position, if any, in county service would be compatible with the member's aptitudes, interests, and abilities and whether rehabilitation services will enable the member to become qualified to perform the duties of the position.

(c) Upon completion of the vocational evaluation of the member, the rehabilitation representative shall develop a suitable rehabilitation plan and submit the plan for concurrence by the member and the appropriate agency in county service and, thereafter, the agency shall forward the plan to the Division of Industrial Accidents for approval pursuant to Section 139.5 of the Labor Code.

(d) Upon receipt of approval of the rehabilitation plan, the appropriate agency in county service shall notify the board that the agency is either proceeding to implement an approved rehabilitation plan that will qualify the member for a position in county service specified in the plan or is unable to provide a position in county service compatible with the approved rehabilitation plan.

(e) Upon commencement of service by the member in the position specified in the approved rehabilitation plan, the member shall not be paid the disability retirement allowance to which the member would otherwise be entitled during the entire period that the member remains in county service. However, if the compensation rate of the position specified in the approved rehabilitation plan is less than the compensation rate of the position for which the member was incapacitated, the board shall, in lieu of the disability retirement allowance, pay to the member a supplemental disability allowance in an amount equal to the difference between the compensation rate of the position for which the member was incapacitated, applicable on the date of the commencement of service by the member in the position specified in the approved rehabilitation plan, and the compensation rate of the position specified in the plan, applicable on the same date. The supplemental disability allowance shall be adjusted annually to equal the difference between the current compensation rate of the position for which the member was incapacitated and the current compensation of the position specified in the approved rehabilitation plan. The supplemental disability allowance payments shall commence upon suspension of the disability retirement allowance and the amount of the payments shall not be greater than the disability retirement allowance to which the member would otherwise be entitled. Supplemental disability allowance payments made pursuant to this section shall be considered

as a charge against the county advance reserve for current service, and all of these payments received by a member shall be considered as a part of the member's compensation within the meaning of Section 31460.

(f) From the time that the member is eligible to receive a disability retirement allowance until the appropriate agency is able to provide the position in county service specified in the approved rehabilitation plan, and the member has commenced service in that position, the disability retirement allowance to which the member is entitled under this article shall be paid. Upon commencement of service by the member in the position specified in the approved rehabilitation plan, the period during which the member was receiving disability retirement payments shall not be considered as breaking the continuity of the member's service, and the rate of the member's contributions shall continue to be based on the same age at entrance into the retirement system as the member's rates were based on prior to the date of the member's disability. The member's accumulated contributions shall not be reduced as a result of the member receiving the disability retirement payments, but shall be increased by the amount of interest that would have accrued had the member not been retired.

(g) Notwithstanding Section 31560, a member whose principal duties, while serving in the position for which the member was incapacitated, consisted of activities defined in Section 31469.3 shall, upon commencement of service by the member in the position specified in the approved rehabilitation plan, continue to be considered as satisfying the requirements of Section 31560, notwithstanding the actual duties performed during the entire period that the member remains in county service.

(h) If, within one year from the date that the member has been eligible for a disability retirement allowance, the appropriate agency in county service has offered to the member, in writing, the position specified in the rehabilitation plan which had previously been concurred, in writing, by the member and approved by the Division of Industrial Accidents pursuant to Section 139.5 of the Labor Code, the member shall, within 30 days of receipt of the notice, report for duty at the location specified in the notice. If the member refuses to report for duty within the time specified, the appropriate agency in county service may apply to the board to have the member's allowance discontinued. The board shall be authorized to discontinue the member's disability retirement allowance if based upon substantial evidence of the refusal of the member to report to work without reasonable cause. However, the board shall not be authorized to impair any other of the rights or retirement benefits to which the member would otherwise be entitled.

(i) This section shall apply only to members who were incapacitated for the performance of the member's duties prior to January 1, 2004, and who are eligible to retire for service-connected disability.

SEC. 2. Section 31725.65 is added to the Government Code, to read:

31725.65. (a) When the board finds, based on medical advice, that a member in county service is incapacitated for the performance of the member's duties, the board shall determine, based upon that medical advice, whether the member may be capable of performing other duties. If the board determines that a member, although incapacitated for the performance of the member's duties, is capable of performing other duties, the board shall notify the appropriate agency in county service of its findings.

(b) When the appropriate agency in county service receives that notification from the board, the agency shall immediately inform the member of any vacant county positions that may be suitable for the member, consistent with his or her disability, and shall consult with the member in an effort to develop a reemployment plan that shall identify what position, if any, in county service would be compatible with the member's aptitudes, interests, and abilities.

(c) Upon approval by the member of the reemployment plan, the appropriate agency in county service shall notify the board that the agency is proceeding to implement the approved reemployment plan.

(d) Upon commencement of service by the member in the position specified in the approved reemployment plan, the member shall not be paid the disability retirement allowance to which the member would otherwise be entitled during the entire period that the member remains in county service. However, if the compensation rate of the position specified in the approved reemployment plan is less than the compensation rate of the position for which the member was incapacitated, the board shall, in lieu of the disability retirement allowance, pay to the member a supplemental disability allowance in an amount equal to the difference between the compensation rate of the position for which the member was incapacitated, applicable on the date of the commencement of service by the member in the position specified in the approved reemployment plan, and the compensation rate of the position specified in the plan, applicable on the same date. The supplemental disability allowance shall be adjusted annually to equal the difference between the current compensation rate of the position for which the member was incapacitated and the current compensation of the position specified in the approved reemployment plan. The supplemental disability allowance payments shall commence upon suspension of the disability retirement allowance and the amount of the payments shall not be greater than the disability retirement allowance to which the member would otherwise be entitled. Supplemental disability

allowance payments made pursuant to this section shall be considered as a charge against the county advance reserve for current service, and all of these payments received by a member shall be considered as a part of the member's compensation within the meaning of Section 31460.

(e) From the time that the member is eligible to receive a disability retirement allowance until the appropriate agency is able to provide the position in county service specified in the approved reemployment plan, and the member has commenced service in that position, the disability retirement allowance to which the member is entitled under this article shall be paid. Upon commencement of service by the member in the position specified in the approved reemployment plan, the period during which the member was receiving disability retirement payments shall not be considered as breaking the continuity of the member's service, and the rate of the member's contributions shall continue to be based on the same age at entrance into the retirement system as the member's rates were based on prior to the date of the member's disability. The member's accumulated contributions shall not be reduced as a result of the member receiving the disability retirement payments, but shall be increased by the amount of interest that would have accrued had the member not been retired.

(f) Notwithstanding Section 31560, a member whose principal duties, while serving in the position for which the member was incapacitated, consisted of activities defined in Section 31469.3 shall, upon commencement of service by the member in the position specified in the approved reemployment plan, continue to be considered as satisfying the requirements of Section 31560, notwithstanding the actual duties performed during the entire period that the member remains in county service.

(g) This section shall apply only to members who are incapacitated for the performance of the member's duties on or after January 1, 2004, and who are eligible to retire for service-connected disability.

SEC. 3. This act is an urgency statute necessary for the immediate preservation of the public peace, health, or safety within the meaning of Article IV of the Constitution and shall go into immediate effect. The facts constituting the necessity are:

In order to provide counties with new procedures to provide disabled workers with alternate work in conjunction with disability retirement benefits, in light of the recent repeal of the former procedures, it is necessary for this act to take effect immediately.

(f) If any credit or debit card draft is not paid following due presentment to a card issuer or draft purchaser or is charged back to the court, city, county, city and county, or other public agency for any reason, any record of payment made by the court, city, or other public agency honoring the credit or debit card shall be void. If any electronic funds

transfer request is not completed with transfer to the agency requesting the transfer or is charged back to the agency for any reason, any record of payment made by the agency processing the electronic funds transfer shall be void. Any receipt issued in acknowledgment of payment shall also be void. The obligation of the cardholder or accountholder shall continue as an outstanding obligation as if no payment had been attempted.

(g) Notwithstanding Title 1.3 (commencing with Section 1747) of Part 4 of Division 3 of the Civil Code, a court, city, county, city and county, or any other public agency may impose a fee for the use of a credit or debit card or electronic funds transfer, not to exceed the costs incurred by the agency in providing for payment by credit or debit card or electronic funds transfer. These costs may include, but shall not be limited to, the payment of fees or discounts as specified in paragraph (3) of subdivision (d). Any fee imposed by a court pursuant to this subdivision shall be approved by the Judicial Council. Any fee imposed by any other public agency pursuant to this subdivision for the use of a credit or debit card or electronic funds transfer shall be approved by the governing body responsible for the fiscal decisions of the public agency.

(h) Fees or discounts provided for under paragraph (3) of subdivision (d) shall be deducted or accounted for prior to any statutory or other distribution of funds received from the card issuer, funds processor, or draft purchaser to the extent not recovered from the cardholder or accountholder pursuant to subdivision (g).

(i) The Judicial Council may enter into a master agreement with one or more credit or debit card issuers, funds processors, or draft purchasers for the acceptance and payment of credit or debit card drafts and electronic funds transfer requests received by the courts. Any court may join in any of these master agreements or may enter into a separate agreement with a credit or debit card issuer, funds processor, or draft purchaser.

10102. (a) The disclosure required by Section 10101 shall be in no less than 10-point type face and shall be provided prior to, or concurrent with, the application for or initial renewal of a policy of residential property insurance. In the event that an application is made by telephone, an insurer that mails a copy of the disclosure within three business days shall be in compliance with this section. For policies issued on or after July 1, 1993, at the time of the original application, the agent or insurer shall obtain the applicant's signature acknowledging receipt of the disclosure form within 60 days of the date of the application. When the insurer or agent establishes delivery of the disclosure form by obtaining the signature of the applicant or insured, or when an insurer or agent provides the applicant with the disclosure form and the applicant does not return a signed acknowledgment of receipt within 60 days of the date it was provided, there shall be a conclusive presumption that the insurer or agent has complied with the disclosure requirement of this chapter. The insurer or agent shall have the burden of demonstrating in accordance with California Rules of Evidence that the disclosure was provided to the applicant or insured. A signature shall not be required at the time of renewal.

If the disclosure is mailed to the named insured or applicant, it shall be mailed to the mailing address shown on the policy of residential property insurance or to the address requested by the applicant. First-class mail shall be deemed adequate for proof of mailing. The insurer shall have the burden of demonstrating in accordance with California Rules of Evidence that the disclosure was mailed to the applicant or insured.

The disclosure shall contain the following language:

CALIFORNIA RESIDENTIAL PROPERTY INSURANCE DISCLOSURE

This disclosure is required by California law (Section 10102 of the Insurance Code). It describes the principal forms of insurance coverage in California for residential dwellings. It also identifies the form of dwelling coverage you have purchased or selected.

This disclosure form contains only a general description of coverages and is not part of your residential property insurance policy. Only the specific provisions of your policy will determine whether a particular loss is covered and, if so, the amount payable. Regardless of which type of coverage you purchase, your policy may exclude or limit certain risks.

READ YOUR POLICY CAREFULLY. If you do not understand any part of it or have questions about what it covers, contact your insurance agent or company. You may also call the California Department of Insurance consumer information line at (____).

The cost to rebuild your home may be very different from the market value of your home since reconstruction is based primarily on the cost of labor and materials. Many factors can affect the cost to rebuild your home, including the size of your home, the type of construction, and any unique features. Please review the following coverages carefully. If you have questions regarding the level of coverage in your policy, please contact your insurance agent or company. Additional coverage may be available for an additional premium.

FORMS OF COVERAGE FOR DWELLINGS	Dwelling Coverage selected or purchased
GUARANTEED REPLACEMENT COST COVERAGE WITH FULL BUILDING CODE UPGRADE PAYS REPLACEMENT COSTS WITHOUT REGARD TO POLICY LIMITS, AND INCLUDES COSTS RESULTING FROM CODE CHANGES. In the event of any covered loss to your home, the insurance company will pay the full amount needed to repair or replace the damaged or destroyed dwelling with like or equivalent construction regardless of policy limits. Your policy will specify whether you must actually repair or replace the damaged or destroyed dwelling in order to recover guaranteed replacement cost. The amount of recovery will be reduced by any deductible you have agreed to pay. This coverage includes all additional costs of repairing or replacing your damaged or destroyed dwelling to comply with any new building standards (such as building codes or zoning laws) required by government agencies and in effect at the time of rebuilding. To be eligible to recover full guaranteed replacement costs with building code upgrade, you must insure the dwelling to its full replacement cost at the time the policy is issued, with possible periodic increases in the amount of coverage to adjust for inflation and increases in building costs; you must permit inspections of the dwelling by the insurance company; and you must notify the insurance company about any alterations that increase the value of the insured dwelling by a certain amount (see your policy for that amount).	
GUARANTEED REPLACEMENT COST COVERAGE WITH LIMITED OR NO BUILDING CODE UPGRADE PAYS REPLACEMENT COSTS WITHOUT REGARD TO POLICY LIMITS BUT LIMITS OR EXCLUDES COSTS RESULTING FROM CODE CHANGES. In the event of any covered loss to your home, the insurance company will pay the full amount needed to repair or replace the damaged or destroyed dwelling with like or equivalent construction regardless of policy limits. Your policy will specify whether you must actually repair or replace the damaged or destroyed dwelling in order to recover guaranteed replacement cost. The amount of recovery will be reduced by any deductible you have agreed to pay. This coverage does not include all additional costs of repairing or replacing your damaged or destroyed dwelling to comply with any new building standards (such as building codes or zoning laws) required by government agencies and in effect at the time of rebuilding. Consult your policy for the applicable exclusions or limits with respect to these costs. To be eligible to recover full guaranteed replacement cost with limited or no building code upgrade, you must insure the dwelling to its full replacement cost at the time the policy is issued, with possible periodic increases in the amount of coverage to adjust for inflation and increases in building costs; you must permit an inspection of the dwelling by the insurance company; and you must notify the insurance company about any alterations that increase the value of the insured dwelling by a certain amount (see your policy for that amount).	
LIMITED REPLACEMENT COST COVERAGE WITH AN ADDITIONAL PERCENTAGE PAYS REPLACEMENT COSTS UP TO A SPECIFIED AMOUNT ABOVE THE POLICY LIMIT. In the event of any covered loss to your home, the insurance company will pay to repair or replace the damaged or destroyed dwelling with like or equivalent construction up to a specified percentage over the policy's limits. See the	

FORMS OF COVERAGE FOR DWELLINGS	Dwelling Coverage selected or purchased
declarations page of your policy for the limit that applies to your dwelling. Your policy will specify whether you must actually repair or replace the damaged or destroyed dwelling in order to recover this benefit. The amount of recovery will be reduced by any deductible you have agreed to pay. To be eligible for this coverage, you must insure the dwelling to its full replacement cost at the time the policy is issued, with possible periodic increases in the amount of coverage to adjust for inflation; you must permit an inspection of the dwelling by the insurance company; and you must notify the insurance company about any alterations that increase the value of the insured dwelling by a certain amount (see your policy for that amount). Read your declaration page to determine whether your policy includes coverage for building code upgrades.	
LIMITED REPLACEMENT COST COVERAGE WITH NO ADDITIONAL PERCENTAGE PAYS REPLACEMENT COSTS UP TO POLICY LIMITS ONLY. In the event of any covered loss to your home, the insurance company will pay to repair or replace the damaged or destroyed dwelling with like or equivalent construction only up to the policy's limit. See the declarations page of your policy for the limit that applies to your dwelling. Your policy will specify whether you must actually repair or replace the damaged or destroyed dwelling in order to recover this benefit. The amount of recovery will be reduced by any deductible you have agreed to pay. To be eligible to recover this benefit, you must insure the dwelling to [company shall denote percentage] [ ] percent of its replacement cost at the time of loss. Read your declaration page to determine whether your policy includes coverage for building code upgrades.	
ACTUAL CASH VALUE COVERAGE PAYS THE FAIR MARKET VALUE OF THE DWELLING AT THE TIME OF THE LOSS, OR THE COST TO REPAIR, REBUILD, OR REPLACE THE DAMAGED OR DESTROYED DWELLING WITH LIKE KIND AND QUALITY CONSTRUCTION, UP TO THE POLICY LIMIT. In the event of any covered loss to your home, the insurance company will pay either the fair market value of the damaged or destroyed dwelling (excluding the value of land) at the time of the loss or the cost to repair, rebuild, or replace the damaged or destroyed dwelling with like kind and quality construction up to the policy limit, with possible consideration of physical depreciation. The amount of recovery will be reduced by any deductible you have agreed to pay. Read your declaration page to determine whether your policy includes coverage for building code upgrades.	
BUILDING CODE UPGRADE—ORDINANCE AND LAW COVERAGE PAYS, UP TO LIMITS SPECIFIED IN YOUR POLICY, ADDITIONAL COSTS REQUIRED TO BRING THE DWELLING "UP TO CODE." In the event of any covered loss, the insurance company will pay any additional costs, up to the stated limits, of repairing or replacing a damaged or destroyed dwelling to conform with any building standards such as building codes or zoning laws required by government agencies and in effect at the time of the loss or rebuilding (see your policy).	

(b) The agent or insurer shall indicate on the disclosure form which category of coverage the applicant or insured has selected or purchased.

(c) The disclosure statement may contain additional provisions not in conflict with or in derogation of the foregoing.

(d) Following the issuance or initial renewal of the policy of residential property insurance, the insurer shall provide the disclosure statement to the insured on an every-other-year basis at the time of renewal. The disclosure required by this section may be transmitted with the material required by Section 10086.1.

(e) No policy of residential property insurance may be initially issued on and after January 1, 1993, as guaranteed replacement cost coverage if it contains any maximum limitation of coverage based on any set dollar limits, percentage amounts, construction cost limits, indexing, or any other preset maximum limitation for covered damage to the insured dwelling. The limitations referred to in this section are solely applicable to dwelling structure coverages. Endorsements covering additional risks to the insurer's dwelling structure coverage may have internal limits as long as those endorsements are not called guaranteed replacement cost coverage.

(f) On and after July 1, 1993, no policy of residential property insurance may be renewed as guaranteed replacement cost coverage if it contains any maximum limitation of coverage based on any set dollar limits, percentage amounts, construction cost limits, indexing, or any other preset maximum limitation for covered damage to the insured dwelling. The limitations referred to in this section are solely applicable to dwelling structure coverages. Endorsements covering additional risks to the insurer's dwelling structure coverage may have internal limits as long as those endorsements are not called guaranteed replacement cost coverage.

(g) Coverage provided for building code upgrades by a policy of residential property insurance shall be applicable to building codes, ordinances, standards, or laws only to the extent that those codes, ordinances, standards, or laws do not impose stricter standards on the property on the basis of the level of insurance coverage applicable to the property.

(h) The disclosure required by Section 10101 shall also be provided to the mortgagor in the event that a policy is forced placed by an insurer at the request of a mortgagee. In such cases, neither the insurer nor the mortgagee shall be required to obtain a signature from the mortgagor. No disclosure shall be required to be provided with respect to blanket policies issued to a mortgagee, and designed to provide interim coverage for losses occurring prior to the mortgagee obtaining knowledge of the lapse of the policy and prior to placement of a policy on behalf of the mortgagor.

(i) On and after July 1, 1994, insurers shall add to the disclosure, in no less than 10-point type the following statement:

This disclosure form does not explain the types of contents coverage (furniture, clothing, etc.) provided by your policy. Some policies do not replace contents with new items, but instead, only pay for the current market value of an item. If you have any questions, contact your insurer or agent.

(j) No later than December 1, 2005, the commissioner shall report to the Governor and the Legislature on the status of the issues regarding residential property insurance and the effectiveness of the California Residential Property Insurance Disclosure.

SEC. 2. Section 10103 of the Insurance Code is amended to read:

10103. (a) No policy of residential property insurance may be issued or renewed in this state unless it provides the following information on the declarations page of the policy:

(1) The limits of liability for the structure.

(2) The following statement regarding the valuation of the structure: ''The limit of liability for this structure (Coverage A) is based on an estimate of the cost to rebuild your home, including an approximate cost for labor and materials in your area, and specific information that you have provided about your home.''

(3) Limits of liability for personal property.

(4) Deductibles.

(5) Whether the policy provides coverage for the increased costs of repairing or replacing damage to the insured dwelling caused by a covered loss because of building ordinances or laws regulating the repair. In the event that no coverage is provided for repairs that result from new building ordinances or laws, the insurer shall include in no less than 10-point typeface the following statement: ''THIS POLICY DOES NOT INCLUDE BUILDING CODE UPGRADE COVERAGE.''

(b) In the event that the policy does include code upgrade coverage, it shall either:

(1) State this on the declaration page, and denote any applicable limits.

(2) State this on a separate disclosure form attached to the declarations page, if the separate disclosure form meets the following standards:

(A) It is printed in not less than 10-point typeface.

(B) It denotes any applicable limits on the amount of coverage.

(C) It denotes restrictions, if any, on coverage for compliance with applicable building codes which take effect after the date of loss but prior to the issuance of required building permits.

SEC. 3. Section 10103.5 is added to the Insurance Code, to read:

10103.5. (a) Every California Residential Property Insurance Disclosure shall be accompanied by a California Residential Property Insurance Bill of Rights. If the insurer provides the insured with an electronic copy of a policy, the bill of rights may also be transmitted electronically.

(b) The California Residential Property Insurance Bill of Rights shall be plainly printed in no less than 10-point type. The bill of rights shall contain the following:

"California Residential Property Insurance Bill of Rights

The largest single investment most consumers make is their home and related property. In order to best protect these assets, it is wise for consumers to understand the homeowner's insurance market. Consumers should consider the following:

Read your policy carefully and understand the coverage and limits provided. Homeowner's insurance policies contain sublimits for various coverages such as personal property, debris removal, additional living expense, detached fences, garages, etc.

Keep accurate records of renovations and improvements to the structure of your home, as it could affect your need to increase your coverage.

Maintaining a list of all personal property, pictures, and video equipment may help in the case of a loss. The list should be stored away from your home.

Comparison shop for insurance, as not all policies are the same and coverage and prices vary.

Take time to determine the cost to rebuild or replace your property in today's market. You can seek an independent evaluation of this cost.

You may select a licensed contractor or vendor to repair, replace, or rebuild damaged property covered by the insurance policy.

An agent or insurance company may help you establish policy limits that are adequate to rebuild your home.

Once the policy is in force, contact your agent or insurance company immediately if you believe your policy limits may be inadequate.

A consumer is entitled to receive information regarding homeowner's insurance. The following is a limited overview of information that your insurance company can provide:

The California Residential Property Insurance Disclosure.

An explanation of how your policy limits were established.

The insurance company's customer service telephone number for underwriting, rating, and claims inquiries.

An explanation for any cancellation or nonrenewal of your policy.

A copy of your policy.

The toll-free telephone number and Internet address for reporting complaints and concerns about homeowner's insurance issues to the department's consumer services unit.

In the event of a claim, an itemized, written scope of loss report prepared by the insurer or its adjuster within a reasonable time period.

In the event of a claim, notification of a consumer's rights with respect to the appraisal process for resolving claims disputes.

In the event of a claim, a copy of the Unfair Practices Act and a copy of the Fair Claims Practices Regulations.

The information provided herein is not all inclusive and does not negate or preempt existing California law. If you have any concerns or questions, the officers at our Consumer Hotline are there to help you. Please call them at 1-800-927-HELP (4357) or contact us at www.insurance.ca.gov.''

(c) The bill of rights shall be distributed by all insurers licensed to sell residential property insurance in this state.

CHAPTER 387

An act to amend Section 65585.1 of the Government Code, relating to housing.

[Approved by Governor September 9, 2004. Filed with Secretary of State September 9, 2004.]

The people of the State of California do enact as follows:

SECTION 1. Section 65585.1 of the Government Code is amended to read:

65585.1. (a) The San Diego Association of Governments (SANDAG), if it approves a resolution agreeing to participate in the self-certification process, and in consultation with the cities and county within its jurisdiction, its housing element advisory committee, and the department, shall work with a qualified consultant to determine the maximum number of housing units that can be constructed, acquired, rehabilitated, and preserved as defined in paragraph (11) of subdivision (e) of Section 33334.2 of the Health and Safety Code, and the maximum number of units or households that can be provided with rental or ownership assistance, by each jurisdiction during the third and fourth

housing element cycles to meet the existing and future housing needs for low- and very low income households as defined in Sections 50079.5, 50093, and 50105 of the Health and Safety Code, and extremely low income households. The methodology for determining the maximum number of housing units that can be provided shall include a recognition of financial resources and regulatory measures that local jurisdictions can use to provide additional affordable lower income housing. This process is intended to identify the available resources that can be used to determine the maximum number of housing units each jurisdiction can provide. The process acknowledges that the need to produce housing for low-, very low, and extremely low income households may exceed available resources. The department and SANDAG, with input from its housing element advisory committee, the consultant, and local jurisdictions, shall agree upon definitions for extremely low income households and their affordable housing costs, the methodology for the determination of the maximum number of housing units and the number each jurisdiction can produce at least one year before the due date of each housing element revision, pursuant to paragraph (4) of subdivision (e) of Section 65588. If SANDAG fails to approve a resolution agreeing to participate in this pilot program, or SANDAG and the department fail to agree upon the methodology by which the maximum number of housing units is determined, then local jurisdictions may not self-certify pursuant to this section.

(1) The ''housing element advisory committee'' should include representatives of the local jurisdictions, nonprofit affordable housing development corporations and affordable housing advocates, and representatives of the for-profit building, real estate and banking industries.

(2) The determination of the ''maximum number of housing units'' that the jurisdiction can provide assumes that the needs for low-, very low, and extremely low income households, including those with special housing needs, will be met in approximate proportion to their representation in the region's population.

(3) A ''qualified consultant'' for the purposes of this section means an expert in the identification of financial resources and regulatory measures for the provision of affordable housing for lower income households.

(b) A city or county within the jurisdiction of the San Diego Association of Governments that elects not to self-certify, or is ineligible to do so, shall submit its housing element or amendment to the department, pursuant to Section 65585.

(c) A city or county within the jurisdiction of the San Diego Association of Governments that elects to self-certify shall submit a self-certification of compliance to the department with its adopted

housing element or amendment. In order to be eligible to self-certify, the legislative body, after holding a public hearing, shall make findings, based on substantial evidence, that it has met the following criteria for self-certification:

(1) The jurisdiction's adopted housing element or amendment substantially complies with the provisions of this article, including addressing the needs of all income levels.

(2) For the third housing element revision, pursuant to Section 65588, the jurisdiction met its fair share of the regional housing needs for the second housing element revision cycle, as determined by the San Diego Association of Governments.

In determining whether a jurisdiction has met its fair share, the jurisdiction may count each additional lower income household provided with affordable housing costs. Affordable housing costs are defined in Section 6918 for renters, and in Section 6925 for purchasers, of Title 25 of the California Code of Regulations, and in Sections 50052.5 and 50053 of the Health and Safety Code, or by the applicable funding source or program.

(3) For subsequent housing element revisions, pursuant to Section 65588, the jurisdiction has provided the maximum number of housing units as determined pursuant to subdivision (a), within the previous planning period.

(A) The additional units provided at affordable housing costs as defined in paragraph (2) in satisfaction of a jurisdiction's maximum number of housing units shall be provided by one or more of the following means:

(i) New construction.

(ii) Acquisition.

(iii) Rehabilitation.

(iv) Rental or ownership assistance.

(v) Preservation of the availability to lower income households of affordable housing units in developments which are assisted, subsidized, or restricted by a public entity and which are threatened with imminent conversion to market rate housing.

(B) The additional affordable units shall be provided in approximate proportion to the needs defined in paragraph (2) of subdivision (a).

(4) The city or county provides a statement regarding how its adopted housing element or amendment addresses the dispersion of lower income housing within its jurisdiction, documenting that additional affordable housing opportunities will not be developed only in areas where concentrations of lower income households already exist, taking into account the availability of necessary public facilities and infrastructure.

(5) No local government actions or policies prevent the development of the identified sites pursuant to Section 65583, or accommodation of the jurisdiction's share of the total regional housing need, pursuant to Section 65584.

(d) When a city or county within the jurisdiction of the San Diego Association of Governments duly adopts a self-certification of compliance with its adopted housing element or amendment pursuant to subdivision (c), all of the following shall apply:

(1) Section 65585 shall not apply to the city or county.

(2) In any challenge of a local jurisdiction's self-certification, the court's review shall be limited to determining whether the self-certification is accurate and complete as to the criteria for self-certification. Where there has not been a successful challenge of the self-certification, there shall be a rebuttable presumption of the validity of the housing element or amendment.

(3) Within six months after the completion of the revision of all housing elements in the region, the council of governments, with input from the cities and county within its jurisdiction, the housing element advisory committee, and qualified consultant shall report to the Legislature on the use and results of the self-certification process by local governments within its jurisdiction. This report shall contain data for the last planning period regarding the total number of additional affordable housing units provided by income category, the total number of additional newly constructed housing units, and any other information deemed useful by SANDAG in the evaluation of the pilot program.

(e) This section shall become inoperative on June 30, 2010, and as of January 1, 2011, is repealed, unless a later enacted statute that is enacted before January 1, 2011, deletes or extends the dates on which it becomes inoperative and is repealed.

CHAPTER 388

An act to repeal and add Section 17140.5 of the Revenue and Taxation Code, relating to taxation, to take effect immediately, tax levy.

[Approved by Governor September 9, 2004. Filed with Secretary of State September 9, 2004.]

The people of the State of California do enact as follows:

SECTION 1. Section 17140.5 of the Revenue and Taxation Code is repealed.

SEC. 2. Section 17140.5 is added to the Revenue and Taxation Code, to read:

17140.5. (a) Pursuant to Section 206 of the Servicemembers Civil Relief Act (50 U.S.C. Appen. Sec. 526), the period of a servicemember's military service may not be included in computing any period limited by law, regulation, or order for the bringing of any action or proceeding under this part, Part 10.2 (commencing with Section 18401), or Part 11 (commencing with Section 23001), by or against the servicemember or the servicemember's heirs, executors, administrators, or assigns.

(b) Section 19521 is modified to provide that, pursuant to Section 207 of the Servicemembers Civil Relief Act (50 U.S.C. Appen. Sec. 527), the maximum rate of interest on any underpayment incurred by a servicemember, or the servicemember and the servicemember's spouse jointly, before the servicemember enters military service may not bear interest at a rate in excess of 6 percent per year during the period of military service.

(c) Pursuant to Section 511 of the Servicemembers Civil Relief Act (50 U.S.C. Appen. Sec. 571):

(1) A servicemember not domiciled in this state does not become a resident of this state by reason of being present in this state solely in compliance with military orders.

(2) Compensation for military service of a servicemember not domiciled in this state is not income for services performed or from sources within this state.

(3) The military compensation of a servicemember not domiciled in this state may not be used to increase the tax liability imposed on other income of that servicemember or that servicemember's spouse.

(4) A Native American servicemember whose legal residence or domicile is a federal Indian reservation shall be treated as living on the federal Indian reservation and the compensation of that servicemember for military service shall be deemed to be income derived wholly from federal Indian reservation sources.

(d) For purposes of this part and Part 10.2 (commencing with Section 18401), in the case of a servicemember not domiciled in this state, all of the following shall apply:

(1) Compensation for military service shall not be included in any of the following:

(A) Gross income of that servicemember or the spouse of that servicemember.

(B) ''Entire taxable income'' for purposes of computing the tax imposed under subdivision (b) or (d) of Section 17041.

(C) ''Alternative minimum taxable income'' for purposes of computing tax imposed under subparagraph (B) of paragraph (3) of subdivision (b) of Section 17062.

(2) Paragraph (2) of subdivision (h) of Section 17024.5 is modified to provide that references to ''adjusted gross income'' for purposes of computing limitations based upon adjusted gross income, shall mean the amount required to be shown as adjusted gross income on the federal tax return for the same taxable year reduced by the amount of the compensation for military service for that taxable year of a servicemember not domiciled in this state.

(e) (1) ''Federal Indian reservation,'' ''servicemember,'' ''military service,'' ''period of military service,'' and ''compensation for military service'' shall have the same meanings as applicable for purposes of the Servicemembers Civil Relief Act (50 U.S.C. Appen. Sec. 501 et seq.).

(2) ''Native American'' has the same meaning as the term ''Indian'' for purposes of applying Section 511(e) of the Servicemembers Civil Relief Act (50 U.S.C. Appen. Sec. 571(e)) for federal purposes.

(f) The amendments made to this section by the act adding this subdivision shall apply to any taxable year for which the period for making assessments or allowing a claim for refund or credit has not expired as of December 19, 2003.

SEC. 3. The Legislature declares that this act is necessary for the public purpose of making state law compatible with recently enacted federal law on December 19, 2003 (the Servicemembers Civil Relief Act (Public Law 108-189)), that specifically provides rules for servicemembers.

SEC. 4. This act provides for a tax levy within the meaning of Article IV of the Constitution and shall go into immediate effect.

CHAPTER 389

An act to add Section 14016.51 to the Welfare and Institutions Code, relating to Medi-Cal.

[Approved by Governor September 9, 2004. Filed with Secretary of State September 9, 2004.]

The people of the State of California do enact as follows:

SECTION 1. Section 14016.51 is added to the Welfare and Institutions Code, to read:

14016.51. Upon the availability of federal funding, the department shall modify the Medi-Cal program mail-in application form, and other appropriate materials, and the single point-of-entry application form to allow applicants in counties served by managed care plans to contact the enrollment contractor by using the Health Care Options toll-free

telephone number to request and receive enrollment materials before a Medi-Cal eligibility determination has been made.

CHAPTER 390

An act relating to state property.

[Approved by Governor September 9, 2004. Filed with Secretary of State September 9, 2004.]

The people of the State of California do enact as follows:

SECTION 1. (a) The Legislature finds and declares all of the following:

(1) The Martini Creek Devil's Slide bypass right-of-way for the realignment of Route 1, from the northern boundary of the town of Montara to past the alignment summit over Montara Mountain, bisects the McNee Ranch Acquisition area of Montara State Beach, is an environmentally sensitive Coastal Mountain Habitat area of undeveloped land within a scenic corridor viewed from the coast and Route 1, and is popular for a variety of recreational pursuits, including hiking and biking.

(2) An overwhelming majority of San Mateo County voters passed Measure T in 1996, proclaiming that the construction of a surface bypass in this area would seriously damage the watersheds, wildlife habitats, and parks of Montara and San Pedro Mountains, and directing the amendment of their local coastal program to provide for a tunnel alternative to such a bypass.

(3) With the Department of Transportation's determination that a freeway bypass over Montara Mountain is not currently viable, the property located in the existing Martini Creek Devil's Slide bypass right-of-way for the realignment of Route 1 from the northern boundary of the town of Montara (State Parcel Number 39874) to past the alignment summit over Montara Mountain (State Parcel Number 39873 and a large portion of State Parcel Number 39872), hereinafter ''the Martini Creek Bypass Alignment,'' is surplus state property located within the coastal zone, as defined in Section 30103 of the Public Resources Code, as that zone was described on January 1, 1977, and subject to Section 9 of Article XIX of the California Constitution. It is, therefore, fitting and proper, and in furtherance of the public interest, that the Department of Transportation sell its ownership interest in the Martini Creek Bypass Alignment for the purpose of adding to the McNee Ranch Acquisition area of Montara State Beach.

(b) It is the intent of the Legislature that:

(1) The sale of the property in the Martini Creek Bypass Alignment by the Department of Transportation for conversion to state park purposes will not adversely impact any mitigation credits that may be additionally factored into the sale price and that the Department of Transportation may be entitled to by making this property transfer.

(2) The Department of Parks and Recreation shall include this area in the management of the McNee Ranch Acquisition area of Montara State Beach for park purposes that are consistent with the San Mateo County Local Coastal Program.

(c) The Department of Transportation shall declare that the Martini Creek Bypass Alignment right-of-way is surplus state property and provide for the sale and transfer of this property to the Department of Parks and Recreation for state park purposes as provided under Section 9 of Article XIX of the California Constitution.

CHAPTER 391

An act to amend Sections 21464 and 42001 of the Vehicle Code, relating to vehicles.

[Approved by Governor September 9, 2004. Filed with Secretary of State September 9, 2004.]

The people of the State of California do enact as follows:

SECTION 1. Section 21464 of the Vehicle Code is amended to read:

21464. (a) A person, without lawful authority, may not deface, injure, attach any material or substance to, knock down, or remove, nor may a person shoot at, any official traffic control device, traffic guidepost, traffic signpost, motorist callbox, or historical marker placed or erected as authorized or required by law, nor may a person without lawful authority deface, injure, attach any material or substance to, or remove, nor may a person shoot at, any inscription, shield, or insignia on any device, guide, or marker.

(b) A person may not use, and a vehicle, other than an authorized emergency vehicle or a public transit passenger vehicle, may not be equipped with, any device, including, but not limited to, a mobile infrared transmitter, that is capable of sending a signal that interrupts or changes the sequence patterns of an official traffic control signal unless that device or use is authorized by the Department of Transportation pursuant to Section 21350 or by local authorities pursuant to Section 21351.

(c) A person may not buy, possess, manufacture, install, sell, offer for sale, or otherwise distribute a device described in subdivision (b), including, but not limited to, a mobile infrared transmitter (MIRT), unless the purchase, possession, manufacture, installation, sale, offer for sale, or distribution is for the use of the device by a peace officer or other person authorized to operate an authorized emergency vehicle or a public transit passenger vehicle, in the scope of his or her duties.

(d) Any willful violation of subdivision (a), (b), or (c) that results in injury to, or the death of, a person is punishable by imprisonment in the state prison, or by imprisonment in a county jail for a period of not more than six months, and by a fine of not less than five thousand dollars ($5,000) nor more than ten thousand dollars ($10,000).

(e) Any willful violation of subdivision (a), (b), or (c) that does not result in injury to, or the death of, a person is punishable by a fine of not more than five thousand dollars ($5,000).

(f) The court shall allow the offender to perform community service designated by the court in lieu of all or part of any fine imposed under this section.

SEC. 2. Section 42001 of the Vehicle Code is amended to read:

42001. (a) Except as provided in subdivision (e) of Section 21464, or Section 42000.5, 42001.1, 42001.2, 42001.3, 42001.5, 42001.7, 42001.8, 42001.9, 42001.11, 42001.12, 42001.13, 42001.14, 42001.15, 42001.16, or subdivision (a) of Section 42001.17, or Section 42001.18, or subdivision (b), (c), or (d) of this section, or Article 2 (commencing with Section 42030), every person convicted of an infraction for a violation of this code or of any local ordinance adopted pursuant to this code shall be punished as follows:

(1) By a fine not exceeding one hundred dollars ($100).

(2) For a second infraction occurring within one year of a prior infraction which resulted in a conviction, a fine not exceeding two hundred dollars ($200).

(3) For a third or any subsequent infraction occurring within one year of two or more prior infractions which resulted in convictions, a fine not exceeding two hundred fifty dollars ($250).

(b) Every person convicted of a misdemeanor violation of Section 2800, 2801, or 2803, insofar as they affect failure to stop and submit to inspection of equipment or for an unsafe condition endangering any person, shall be punished as follows:

(1) By a fine not exceeding fifty dollars ($50) or imprisonment in the county jail not exceeding five days.

(2) For a second conviction within a period of one year, a fine not exceeding one hundred dollars ($100) or imprisonment in the county jail not exceeding 10 days, or both that fine and imprisonment.

(3) For a third or any subsequent conviction within a period of one year, a fine not exceeding five hundred dollars ($500) or imprisonment in the county jail not exceeding six months, or both that fine and imprisonment.

(c) A pedestrian convicted of an infraction for a violation of this code or any local ordinance adopted pursuant to this code shall be punished by a fine not exceeding fifty dollars ($50).

(d) A person convicted of a violation of subdivision (a) or (b) of Section 27150.3 shall be punished by a fine of two hundred fifty dollars ($250), and a person convicted of a violation of subdivision (c) of Section 27150.3 shall be punished by a fine of one thousand dollars ($1,000).

(e) Notwithstanding any other provision of law, any local public entity that employs peace officers, as designated under Chapter 4.5 (commencing with Section 830) of Title 3 of Part 2 of the Penal Code, the California State University, and the University of California may, by ordinance or resolution, establish a schedule of fines applicable to infractions committed by bicyclists within its jurisdiction. Any fine, including all penalty assessments and court costs, established pursuant to this subdivision shall not exceed the maximum fine, including penalty assessment and court costs, otherwise authorized by this code for that violation. If a bicycle fine schedule is adopted, it shall be used by the courts having jurisdiction over the area within which the ordinance or resolution is applicable instead of the fines, including penalty assessments and court costs, otherwise applicable under this code.

SEC. 3. No reimbursement is required by this act pursuant to Section 6 of Article XIII B of the California Constitution because the only costs that may be incurred by a local agency or school district will be incurred because this act creates a new crime or infraction, eliminates a crime or infraction, or changes the penalty for a crime or infraction, within the meaning of Section 17556 of the Government Code, or changes the definition of a crime within the meaning of Section 6 of Article XIII B of the California Constitution.

SEC. 4. This act shall become operative only if AB 340 of the 2003–04 Regular Session is chaptered.

CHAPTER 392

An act to amend Sections 2331, 2333, and 2333.5 of, the Streets and Highways Code, relating to highways.

[Approved by Governor September 9, 2004. Filed with Secretary of State September 9, 2004.]

The people of the State of California do enact as follows:

SECTION 1. Section 2331 of the Streets and Highways Code, as amended by Section 1 of Chapter 600 of the Statutes of 2001, is amended to read:

2331. (a) The Highway Safety Act of 1973 (23 U.S.C. Sec. 401 et seq.) has authorized appropriations for a number of programs relating to projects for the improvement of highway safety and the reduction of traffic congestion. These programs consist of the rail-highway crossings program (Section 203 of the Highway Safety Act of 1973), the pavement marking demonstration program (23 U.S.C. Sec. 151), projects for high-hazard locations, including, but not limited to, projects for bicycle and pedestrian safety and traffic calming measures in those locations (23 U.S.C. Sec. 152), program for the elimination of roadside obstacles (23 U.S.C. Sec. 153), and the federal-aid safer roads demonstration program (23 U.S.C. Sec. 405). The purpose of this chapter is to implement these programs in this state. The commission, the department, boards of supervisors, and city councils are authorized to do all things necessary in their respective jurisdictions to secure and expend federal funds in accordance with the intent of that federal act and this chapter, and to coordinate with local law enforcement agencies' community policing efforts.

(b) This section shall remain in effect only until January 1, 2008, and as of that date is repealed, unless a later enacted statute, that is enacted before January 1, 2008, deletes or extends that date.

SEC. 2. Section 2331 of the Streets and Highways Code, as added by Section 3 of Chapter 600 of the Statutes of 2001, is amended to read:

2331. (a) The Highway Safety Act of 1973 (21 U.S.C. Sec. 401 et seq.) has authorized appropriations for a number of programs relating to projects for the improvement of highway safety and the reduction of traffic congestion. These programs consist of the rail-highway crossings program (Section 203 of the Highway Safety Act of 1973), the pavement marking demonstration program (23 U.S.C. Sec. 151), projects for high-hazard locations (23 U.S.C. Sec. 152), program for the elimination of roadside obstacles (23 U.S.C. Sec. 153), and the federal-aid safer roads demonstration program (23 U.S.C. Sec. 405). The purpose of this chapter is to implement these programs in this state. The commission, the department, boards of supervisors, and city councils are authorized to do all things necessary in their respective jurisdictions to secure and expend those federal funds in accordance with the intent of the federal act and of this chapter.

(b) This section shall become operative on January 1, 2008.

SEC. 3. Section 2333 of the Streets and Highways Code, as amended by Section 4 of Chapter 600 of the Statutes of 2001, is amended to read:

2333. (a) In each annual proposed budget prepared pursuant to Section 165, there shall be included an amount equal to the estimated apportionment available from the federal government for the programs described in Sections 2331 and 2333.5. The commission may allocate a portion of those funds each year for use on city streets and county roads. For projects authorized under Section 2333.5 and receiving funding under this section, the department may substitute State Highway Account funds in accordance with the department's policy for state funding in place at the time of the project fund allocation, if those federal funds are directed to projects on state highways that are eligible for funding under Section 152 of Title 23 of the United States Code. It is the intent of the Legislature that the commission allocate the total amount received from the federal government for all of the programs described in Sections 2331 and 2333.5 in a manner that, over a period of five years, makes not less than one million dollars ($1,000,000) of those funds available for use pursuant to Section 2333.5 and the remaining funds available for use in approximately equal amounts on state highways, local roads, and the program established under Section 2333.5. In addition, it is the intent of the Legislature that the commission shall apportion for use, in financing the railroad grade separation program described in Section 190, a substantial portion of the funds received pursuant to the federal rail-highway crossings program. Notwithstanding any other provision of law, the share of any railroad of the cost of maintaining railroad crossing protection facilities funded, in whole or in part, by funds described in Section 2331 shall be the same share it would be if no federal funds were involved and the crossing protection facilities were funded pursuant to an order of the Public Utilities Commission pursuant to Section 1202 of the Public Utilities Code; and in case of dispute, the Public Utilities Commission shall determine that share pursuant to this section.

(b) This section shall remain in effect only until January 1, 2008, and as of that date is repealed, unless a later enacted statute, that is enacted before January 1, 2008, deletes or extends that date.

SEC. 4. Section 2333 of the Streets and Highways Code, as added by Section 6 of Chapter 600 of the Statutes of 2001, is amended to read:

2333. (a) In each annual proposed budget prepared pursuant to Section 165, there shall be included an amount equal to the estimated apportionment available from the federal government for the programs described in Section 2331. The commission may allocate a portion of such funds each year for use on city streets and county roads. It is the intent of the Legislature that the commission allocate the total amount

received from the federal government for all of the programs described in Section 2331 in such a manner that, over a period of five years, such funds are made available for use in approximately equal amounts on state highways and on local roads. In addition, it is the intent of the Legislature that the commission shall apportion for use, in financing the railroad grade separation program described in Section 190, a substantial portion of the funds received pursuant to the federal rail-highway crossings program. Notwithstanding any other provision of law, the share of any railroad of the cost of maintaining railroad crossing protection facilities funded, in whole or in part, by funds described in Section 2331 shall be the same share it would be if no federal funds were involved and the crossing protection facilities were funded pursuant to an order of the Public Utilities Commission pursuant to Section 1202 of the Public Utilities Code, and in case of dispute, the Public Utilities Commission shall determine such share pursuant to this section.

(b) This section shall become operative on January 1, 2008.

SEC. 5. Section 2333.5 of the Streets and Highways Code is amended to read:

2333.5. (a) The department, in consultation with the Department of the California Highway Patrol, shall establish and administer a ''Safe Routes to School'' construction program pursuant to the authority granted under Section 152 of Title 23 of the United States Code and shall use federal transportation funds for construction of bicycle and pedestrian safety and traffic calming projects.

(b) The department shall make grants available to local governmental agencies under the program based on the results of a statewide competition that requires submission of proposals for funding and rates those proposals on all of the following factors:

(1) Demonstrated needs of the applicant.

(2) Potential of the proposal for reducing child injuries and fatalities.

(3) Potential of the proposal for encouraging increased walking and bicycling among students.

(4) Identification of safety hazards.

(5) Identification of current and potential walking and bicycling routes to school.

(6) Consultation and support for projects by school-based associations, local traffic engineers, local elected officials, law enforcement agencies, school officials, and other relevant community stakeholders.

(c) With respect to the use of funds provided in subdivision (a), prior to the award of any construction grant or the department's use of those funds for a ''Safe Routes to School'' construction project encompassing a freeway, state highway or county road, the department shall consult with, and obtain approval from, the Department of the California

Highway Patrol, ensuring that the ''Safe Routes to School'' proposal compliments the California Highway Patrol's Pedestrian Corridor Safety Program and is consistent with its statewide pedestrian safety statistical analysis.

(d) The department shall continue to study the effectiveness of the program established under this section, and shall submit, on or before March 1, 2007, a report of its findings to the Legislature. The report shall include, but need not be limited to, the following elements:

(1) An evaluation of the program's impact on accident, injury, and fatality rates involving pedestrians or bicycles in the vicinity of the projects. As a subset, this element shall specifically address impacts on rates of fatalities and injuries to children.

(2) An evaluation of the program's impact on rates of bicycling and walking as modes of transportation to or from schools located in the vicinity of the projects.

(3) An evaluation of the potential safety effects of spending the program funds on other state and local safety programs, including a comparison of the relative safety effects of spending the available funds on the ''Safe Routes to School'' construction program or on the state and local highway safety programs and, to the extent possible within that comparison, the impacts on rates of fatalities and injuries to children.

(e) The department is encouraged to coordinate with local law enforcement agencies' community policing efforts in establishing and maintaining the ''Safe Routes to School'' construction program.

(f) This section shall remain in effect only until January 1, 2008, and as of that date is repealed, unless a later enacted statute, that is enacted before January 1, 2008, deletes or extends that date.

CHAPTER 393

The people of the State of California do enact as follows:

SECTION 1. Section 5074 of the Vehicle Code is amended to read:

5074. (a) This section shall be known and may be cited as the Polanco-Bates License Plates for the Arts Act of 1993. The California Arts Council shall participate in the special interest license plate program.

(b) In addition to the regular fees for an original registration or renewal of registration, the following additional fees shall be paid for the issuance, transfer, or renewal of license plates bearing, notwithstanding Section 5060, a full-plate graphic design, depicting a significant feature or quality of the State of California, approved by the department in consultation with the California Arts Council:

(1) For the original issuance of the plates, fifty dollars ($50).

(2) For a renewal of registration of the plates, forty dollars ($40).

(3) For the transfer of the special plates to another vehicle, fifteen dollars ($15).

(4) In addition, for the issuance of an environmental license plate, as defined in Section 5103, with a full-plate graphic design, the additional fees prescribed in Sections 5106 and 5108. The additional fees prescribed in Sections 5106 and 5108 shall be deposited in the Environmental License Plate Fund.

(c) Except as provided in paragraph (4) of subdivision (b), all fees collected under this section, after deduction of the department's costs in administering this section, shall be deposited in the Graphic Design License Plate Account, which is hereby established in the General Fund. The funds in the account shall be used by the California Arts Council, upon appropriation by the Legislature, for arts education and local arts programming.

(d) The California Arts Council shall use the revenue derived from the fee increases authorized by amendment of this section during the 2003–04 Regular Session exclusively for arts education and local arts programming. The council shall not use that revenue for its administrative costs.

CHAPTER 394

An act to add Section 14107.13 to the Welfare and Institutions Code, relating to Medi-Cal.

[Approved by Governor September 9, 2004. Filed with Secretary of State September 9, 2004.]

The people of the State of California do enact as follows:

SECTION 1. Section 14107.13 is added to the Welfare and Institutions Code, to read:

14107.13. (a) (1) The department, in conjunction with the Department of Justice, shall identify those areas of the fee-for-service Medi-Cal program that are at greatest risk of fraud or abuse.

(2) In an effort to curb the fraud and abuse, the department shall do one or both of the following:

(A) Request confirmation of service from beneficiaries that services or goods were actually received.

(B) Request confirmation of service from referring and rendering providers that the referring providers actually authorized and the rendering providers actually delivered services or goods underlying claims for reimbursement.

(3) For purposes of this section, ''areas'' includes, but is not limited to, provider types, services, aid code categories, and geographic areas.

(b) For any fee-for-service benefit, the department shall provide a notice to confirm service to the following:

(1) The recipient of the benefits.

(A) Notices under this paragraph shall be provided no more frequently than once per calendar month and shall detail all benefits reportedly received that are relevant to the suspected fraudulent or abusive activity identified in paragraph (1) of subdivision (a).

(B) Notwithstanding subparagraph (A), a notice shall not be provided to a beneficiary who has not received benefits that are relevant to the suspected fraudulent or abusive activity identified in paragraph (1) of subdivision (a).

(2) The referring and rendering providers of benefits.

(A) Notices under this paragraph shall be provided no more frequently than one per calendar month and shall detail all referrals for benefits and all benefits rendered that are relevant to the suspected fraudulent or abusive activity identified in paragraph (1) of subdivision (a).

(C) Notwithstanding subparagraph (A), a notice shall not be sent to a provider who receives a remittance advice from the state.

(D) Subject to subdivision (e), notices under this paragraph shall be sent to the provider's mailing address, facsimile number, or electronic mail address, of record with the appropriate licensing agency.

(c) The notices required by this section shall be sent for as long as the department, in conjunction with the Department of Justice, deems it necessary for fraud control purposes.

(d) The notices required by this section shall be adopted jointly by the department and the Department of Justice.

(f) Notices sent to beneficiaries pursuant to paragraph (1) of subdivision (b) shall comply with the Medi-Cal threshold language requirements that apply to Medi-Cal managed care plans.

CHAPTER 395

An act to add Section 14107.12 to the Welfare and Institutions Code, relating to Medi-Cal.

[Approved by Governor September 9, 2004. Filed with Secretary of State September 9, 2004.]

The people of the State of California do enact as follows:

SECTION 1. Section 14107.12 is added to the Welfare and Institutions Code, to read:

14107.12. (a) The Department of Justice may pay, pursuant to subdivision (d), from funds recovered by the Department of Justice, and only to the extent that the money may be used for this purpose, a reward to any person who furnishes information leading to the recovery of not less than one hundred dollars ($100) of public funds paid for services or goods rendered under the Medi-Cal program due to an act or omission by a individual or entity from which recovery is sought and that is the basis of a conviction of a Medi-Cal provider of services or goods in violation of any statutory criminal prohibition within the jurisdiction of the Bureau of Medi-Cal Fraud and Elder Abuse pursuant to Section 12528 of the Government Code.

(b) No reward shall be paid for information under this section unless the information relates to the specific activities of a specific individual or entity, and specifies the time period during which the prohibited activities occurred.

(c) No reward shall be paid under this section to a federal, state, or local public employee or any individual contracting with a state or local agency for information discovered by the employee during the course of his or her duties as a federal, state, or local agency employee or pursuant to a contract with that agency.

(d) The amount of a reward under this section shall be determined by the Department of Justice, and shall not exceed 10 percent of the restitution recovered or one thousand dollars ($1,000), whichever is less. No reward shall be paid until all recoverable funds have been collected

from the individual or entity convicted of a violation of statutory prohibitions listed in subdivision (a).

(e) A determination by the Department of Justice of the eligibility of an individual to receive a reward, the amount and appropriateness of a reward under this section, and the timing of the payment of the reward shall be deemed to be final and shall not be subject to administrative appeal or judicial review.

(f) Subject to subdivision (g), payments made under authority of this section shall be disregarded for purposes of determining eligibility for any Medi-Cal program, for the CalWORKs program, for the Food Stamp Program, for the County Medical Services Program, and for any other means-tested public benefit program for which California has authority to establish the rules for determining eligibility.

(g) The income disregard described in subdivision (f) shall not be effective, with respect to an identified program, until the first day of the third month from the month in which any necessary federal approval is obtained. The income disregard provided for in subdivision (f) shall only be implemented to the extent that federal financial participation is obtained.

CHAPTER 396

An act to amend Section 464 of the Streets and Highways Code, relating to transportation.

[Approved by Governor September 9, 2004. Filed with Secretary of State September 9, 2004.]

The people of the State of California do enact as follows:

SECTION 1. Section 464 of the Streets and Highways Code is amended to read:

464. (a) Route 164 is Rosemead Boulevard from:

(1) Gallatin Road near Pico Rivera to the northern city limit of Temple City in the vicinity of Callita Street and Sultana Avenue.

(2) The northern city limit of Temple City in the vicinity of Callita Street and Sultana Avenue to the southern city limit of the City of Pasadena.

(b) (1) Notwithstanding subdivision (a), the commission may relinquish to the County of Los Angeles that portion of Route 164 described in paragraph (2) of subdivision (a), pursuant to the terms of a cooperative agreement between the county and the department, upon a

determination by the commission that the relinquishment is in the best interests of the state.

(2) A relinquishment under this subdivision shall become effective immediately following the recordation by the county recorder of the relinquishment resolution containing the commission's approval of the terms and conditions of the relinquishment.

(3) On and after the effective date of the relinquishment, both of the following shall apply:

(A) The portion of Route 164 relinquished under this subdivision shall cease to be a state highway.

(B) The portion of Route 164 relinquished under this subdivision may not be considered for future adoption under Section 81.

(4) For the portion of Route 164 that is relinquished under this subdivision, the County of Los Angeles shall maintain within its jurisdiction signs directing motorists to the continuation of Route 164.

CHAPTER 397

An act to add Chapter 5.5 (commencing with Section 60660) to Part 33 of the Education Code, relating to education, and declaring the urgency thereof, to take effect immediately.

[Approved by Governor September 9, 2004. Filed with Secretary of State September 9, 2004.]

The people of the State of California do enact as follows:

SECTION 1. The Legislature finds and declares all of the following:

(a) The purpose of the public school accountability system is to improve the learning and academic achievement of all California public school pupils.

(b) The Standardized Testing and Reporting (STAR) achievement test and the California Standards Tests provide a wealth of data about individual pupil achievement in different academic content clusters. Currently, this assessment data does not sufficiently reach most principals and teachers so they can efficiently utilize it in recognizing the level of achievement of each pupil and designing a program that is best tailored to meet the needs and improve the achievement of each pupil.

(c) This information can and should be disaggregated to provide teachers and principals all relevant data regarding individual pupil learning and achievement so they make better decisions and design more individualized learning and instructional programs for each pupil.

(d) Many public school pupils transfer schools each school year, making it difficult for principals and teachers to obtain and utilize the available data regarding the status and level of academic preparedness of each incoming pupil.

(e) The use of data to inform and to determine decisionmaking is revolutionizing public and private entities worldwide by putting formerly centralized information at the fingertips of educators so they can make informed decisions with regard to improving the academic achievement of their pupils.

(f) Many schools need assistance to utilize information technology to craft appropriate programs that strive to improve the learning and achievement of their pupils.

(g) Easy-to-use electronic learning assessment resources are now available to provide educators with increased capacity to determine the achievement status of their pupils and to better design programs tailored toward their improvement.

(h) Putting easy-to-use electronic learning assessment resources in the hands of principals and teachers would allow them to monitor pupil academic achievement over time and use that data to effectively design instructional strategies to improve pupil performance.

(i) The federal No Child Left Behind Act of 2001 mandates that all programs and interventions be quantitatively evaluated using reliable pupil data and that technology be used whenever possible to collect, analyze, and report findings. The burden of this mandate may be partially relieved by the use of electronic learning assessment resources to save time and money.

SEC. 2. Chapter 5.5 (commencing with Section 60660) is added to Part 33 of the Education Code, to read:

CHAPTER 5.5. REVIEW OF ELECTRONIC RESOURCES CAPABLE OF ANALYZING PUPIL ASSESSMENT DATA

60660. The Superintendent of Public Instruction shall require the California Learning Resource Network to establish, by December 31, 2004, review criteria and a review process for the identification and review of electronic learning assessment resources.

60661. (a) The review performed by the California Learning Resource Network shall identify new and existing electronic learning assessment resources capable of assisting schools and school districts to analyze assessment information for the purpose of designing instructional plans to improve pupil achievement and shall include a descriptive model for use by administrators and teachers that differentiates and compares the capabilities of the different types of identified electronic learning assessment resources.

(b) The descriptive model shall include, but not be limited to, all of the following criteria:

(1) The ability to report the results of the statewide pupil assessment programs in aggregate and disaggregate forms for analysis by administrators and teachers to plan for improved pupil achievement.

(2) The ability to quickly identify achievement gaps.

(3) The ability to link results of assessment to instructional strategies that are aligned to state adopted content standards and the curriculum frameworks.

(4) The extent to which information can be tailored to individual pupil level, classroom level, school level, school district level, and state level data.

(5) The ability to reduce the overhead and additional cost of assisting teachers and school administrators to plan and align instruction to address academic deficiencies identified by both standardized and criterion referenced academic assessments.

(c) In performing its review, the California Learning Resource Network may not make subjective evaluations of the electronic learning assessment resources under review and shall limit its review to the factual capabilities of those resources.

(d) The existing external evaluation of the California Learning Resource Network will determine the overall cost and benefits of providing statewide assessment information resources as described in this chapter and the extent to which school administrators and teachers access and use the information provided to accomplish all of the following:

(1) Make use of state assessment information to inform instructional planning.

(2) Link instruction to the state-adopted content standards.

(3) Save time and financial resources related to instructional planning.

(4) Target instruction to the academic needs of pupils.

(e) The Superintendent of Public Instruction shall provide a written report of the results of the external evaluation of the ongoing review process to the Director of Finance, the Legislative Analyst, the State Board of Education, and the appropriate policy and fiscal committees of the Legislature by January 1, 2006.

60662. In its review of electronic learning assessment resources, the California Learning Resource Network shall explore the feasibility of creating, implementing, and maintaining an online customer feedback system that would allow purchasers of electronic learning assessment resources identified and reviewed to document the extent to which these electronic learning assessment resources contribute to improved instructional planning.

60663. The Superintendent of Public Instruction shall direct the California Learning Resource Network to implement the provisions of this chapter by prioritizing the use of existing budgeted resources available to the network.

SEC. 3. This act is an urgency statute necessary for the immediate preservation of the public peace, health, or safety within the meaning of Article IV of the Constitution and shall go into immediate effect. The facts constituting the necessity are:

In order to provide school districts, at the earliest possible time, with access to information on electronic learning assessment resources that will assist them in monitoring pupil achievement, designing instructional strategies to improve pupil performance, and meeting the reporting requirements of the federal No Child Left Behind Act, it is necessary that this act take effect immediately.

CHAPTER 398

An act to amend Section 21224 of the Government Code, relating to public employees' retirement.

[Approved by Governor September 9, 2004. Filed with Secretary of State September 9, 2004.]

The people of the State of California do enact as follows:

SECTION 1. The Legislature finds and declares as follows:

(a) Existing provisions of the Public Employees' Retirement Law authorize retired members of the Public Employees' Retirement System to return to work for limited appointments, of up to 960 hours in a calendar year, with one or more state agencies or other employers under the system, without reinstatement from retirement or loss or interruption of benefits.

(b) This provision of existing law provides state agencies and other public employers with the ability to utilize the unique skills of those retired members and to address emergency workflow situations for a limited time. This provision also provides an advantage to retired members in that a retired member may return to work, receive compensation for that work, and continue to receive his or her retirement allowance.

(c) Administration of this program has, in the past, been subject to abuse. Among these abuses has been the practice, by certain retired members, of collecting unemployment insurance compensation after the retired member has worked 960 hours in a calendar year. As a result, in

a given year, a retired member of the system may collect three public stipends: a retirement allowance, a salary for up to 960 hours of work in a calendar year, and unemployment insurance compensation after that 960-hour limit has been reached. The Legislature believes that this ''triple dipping'' process is inappropriate and a violation of the public trust.

(d) It is the intent of the Legislature that managers of state agencies and departments and other public employers shall be responsible for this abuse by retired members of the system. Appointing powers of state agencies and other employers under the Public Employees' Retirement System, whose retired appointees have abused the system, should not be permitted to appoint any retired members in the immediate term.

SEC. 2. Section 21224 of the Government Code is amended to read:

21224. (a) A retired person may serve without reinstatement from retirement or loss or interruption of benefits provided by this system upon appointment by the appointing power of a state agency or any other employer either during an emergency to prevent stoppage of public business or because the retired employee has skills needed in performing work of limited duration. These appointments shall not exceed a total for all employers of 960 hours in any calendar year, and the rate of pay for the employment shall not be less than the minimum, nor exceed that paid by the employer to other employees ma performing comparable duties.

(b) (1) This section shall not apply to any retired person otherwise eligible if during the 12-month period prior to an appointment described in this section the retired person received any unemployment insurance compensation arising out of prior employment subject to this section with the same employer.

(2) A retired person who accepts an appointment after receiving unemployment insurance compensation as described in this subdivision shall terminate that employment on the last day of the current pay period and shall not be eligible for reappointment subject to this section for a period of 12 months following the last day of employment. The retired person shall not be subject to Section 21202 or subdivision (b) of Section 21220.

CHAPTER 399

An act to amend Section 339 of the Streets and Highways Code, relating to highways.

[Approved by Governor September 9, 2004. Filed with Secretary of State September 9, 2004.]

The people of the State of California do enact as follows:

SECTION 1. Section 339 of the Streets and Highways Code is amended to read:

339. Route 39 is from:

(a) Route 1 near Huntington Beach to Route 72 in La Habra via Beach Boulevard.

(b) Beach Boulevard to Harbor Boulevard in La Habra via Whittier Boulevard.

(c) Whittier Boulevard in La Habra to Route 2 via Harbor Boulevard to the vicinity of Fullerton Road, then to Azusa Avenue, Azusa Avenue to San Gabriel Canyon Road, San Gabriel Avenue southbound between Azusa Avenue and San Gabriel Canyon Road, and San Gabriel Canyon Road, other than the portion of the segment described by this subdivision that is within the city limits of Azusa and Covina.

The relinquished former portions of Route 39 within the city limits of Azusa and Covina are not a state highway and are not eligible for adoption under Section 81.

(d) (1) Notwithstanding subdivision (c), the commission may relinquish to the City of West Covina any portion of Route 39 that is located within the city limits of West Covina, pursuant to the terms of a cooperative agreement between the city and the department, upon a determination by the commission that the relinquishment is in the best interests of the state.

(2) A relinquishment under this subdivision shall become effective immediately following the recordation by the county recorder of the relinquishment resolution containing the commission's approval of the terms and conditions of the relinquishment.

(3) On and after the effective date of the relinquishment, both of the following shall apply:

(A) The portion of Route 39 relinquished under this subdivision shall cease to be a state highway.

(B) The portion of Route 39 relinquished under this subdivision may not be considered for future adoption under Section 81.

(4) For the portion of Route 39 relinquished under this subdivision, the City of West Covina shall maintain within its jurisdiction signs directing motorists to the continuation of Route 39.

CHAPTER 400

An act to amend the heading of Article 8.7 (commencing with Section 6047.60) of Chapter 9 of Part 1 of Division 4 of, and to amend Sections

6047.60, 6047.61, 6047.62, 6047.63, 6047.64, 6047.68, 6047.69, 6047.70, 6047.74, 6047.76, 6047.78, 6047.79, 6047.80, 6047.82, 6047.87, 6047.88, 6047.89, 6047.92, 6047.94, 6047.96, 6047.97, 6047.101, 6047.105, 6047.109, 6047.112, 6047.113, 6047.118, and 6047.124 of, and to repeal Sections 6047.77 and 6047.93 of, the Food and Agricultural Code, relating to pest control, and declaring the urgency thereof, to take effect immediately.

[Approved by Governor September 9, 2004. Filed with Secretary of State September 9, 2004.]

The people of the State of California do enact as follows:

SECTION 1. The heading of Article 8.7 (commencing with Section 6047.60) of Chapter 9 of Part 1 of Division 4 of the Food and Agricultural Code is amended to read:

Article 8.7. Table Grape Pest and Disease District

SEC. 1.5. Section 6047.60 of the Food and Agricultural Code is amended to read:

6047.60. The Legislature hereby finds and declares the following:

(a) California is the leading producer of table grapes in the United States, accounting for 97 percent of table grapes grown in this country.

(b) Table grapes are grown in 15 counties located throughout the state.

(c) California grows more than 170,000 acres of table grapes producing over 700,000 tons of table grapes per year, valued at more than eight hundred sixty million dollars ($860,000,000) with a direct and indirect impact on the state's economy that totals more than four billion dollars ($4,000,000,000).

(d) The plant killing bacterium, Xylella fastidiosa, and the resulting plant disease known as Pierce's disease, and its vectors, present a clear and present danger to California's nearly three billion dollar ($3,000,000,000) grape industry, as well as to many other commodities and plant life.

(e) Pierce's disease and its vector the glassy-winged sharpshooter have spread into the southern San Joaquin Valley, which, if left unabated, places grapes and other commodities throughout California in immediate peril.

(f) In addition to the research funds and program provisions set forth in Article 8 (commencing with Section 6045) of Chapter 9 of Part 1 of Division 4, dealing with wine grapes, the table grape industry is at substantial risk for Pierce's disease and other pests and recognizes the need for additional specific control programs.

(g) Additional programs may include field treatments similar to, or the expansion of, the successful United States Department of Agriculture and California Department of Food and Agriculture General Beale area pilot program in Kern County. The expansion of those programs may require industry assessments from the table grape industry through the creation of a pest abatement district.

(h) The state has an interest in protecting its agricultural products from further destruction by the glassy-winged sharpshooter and Pierce's disease, and other designated pests and diseases.

(i) As a known vector for Pierce's disease, the glassy-winged sharpshooter has been determined to carry and spread Pierce's disease to many forms of California agriculture, usually with complete destruction to the infected crop. This destructive effect of the disease has been determined by experts in the viticulture field to be especially true with respect to infected table grapes. To avoid a potentially catastrophic loss to one of California's most important industries, the Legislature declares that this article is in the interest of the public health and welfare.

(j) This article shall not establish a precedent for, or supercede, reduce, or in any way alter, government funding from any source related to Pierce's disease and other designated pests and diseases in this state.

(k) The Legislature further declares that it is in the interest of the public health and welfare that the districts authorized to be created by this article not duplicate existing services already being provided by the University of California, state, counties, or the county agricultural commissioners to eradicate the glassy-winged sharpshooter and Pierce's disease, and other designated pests and diseases.

SEC. 2. Section 6047.61 of the Food and Agricultural Code is amended to read:

6047.61. This article shall be known and may be cited as the Table Grape Pest and Disease District Law.

SEC. 2.5. Section 6047.62 of the Food and Agricultural Code is amended to read:

6047.62. (a) It is the purpose of this article to make available a procedure for the organization, operation, and dissolution of districts to respond to the effects of the spread of the glassy-winged sharpshooter and Pierce's disease, and other designated pests and diseases that attack table grape plants, and to collect and disseminate to table grape producers in the district all relevant information and scientific studies concerning the pest or pests, as well as to chart and determine the extent and location of any infestations.

(b) Division 3 (commencing with Section 56000) of Title 5 of the Government Code does not apply to districts organized pursuant to this article.

SEC. 3. Section 6047.63 of the Food and Agricultural Code is amended to read:

6047.63. Unless the context otherwise requires, the definitions in this section govern the construction of this article.

(a) ''Board'' or ''board of directors'' means the board of directors of a district.

(b) ''District'' means a table grape pest district organized pursuant to this article.

(c) ''Owner'' includes joint owner, coowner, guardian, executor, administrator, or any other person that holds property in a trust capacity under court appointment.

(d) ''Pierce's disease'' is the disease of grapevines caused by the bacterium Xylella fastidiosa.

(e) ''Table grapes'' means all table grape varieties specified in the report issued pursuant to Section 55601.5. ''Table grapes'' also means all raisin varieties specified in the report issued pursuant to Section 55601.5 that are intended to be marketed in their fresh form.

(f) ''Table grape acreage'' means any parcel of real property with more than one acre of table grape plants.

(g) ''Grower'' or ''producer'' means any person who is engaged within this state in the business of producing, or causing to be produced, table grapes for market.

(h) ''Other designated pests and diseases'' means pests and diseases designated by the district as serious pests and diseases warranting district action.

SEC. 4. Section 6047.64 of the Food and Agricultural Code is amended to read:

6047.64. (a) Proceedings for the formation of a district within any county shall be commenced by a petition signed by the owners of 15 percent of the table grape acreage.

(b) The petition shall be addressed to, and filed with, the board of supervisors of the county.

SEC. 5. Section 6047.68 of the Food and Agricultural Code is amended to read:

6047.68. (a) The petition shall be accompanied by a fee in an amount established by the board of supervisors as is necessary to reimburse the county for all costs incurred by it in connection with the proposed organization of the district and subsequent election. The board of supervisors may charge the district for actual expenses incurred by the county in connection with the proceedings for the formation of the district.

(b) Upon the establishment of the district, the district shall reimburse those who provided the funds specified in subdivision (a) from assessments collected pursuant to this article.

SEC. 6. Section 6047.69 of the Food and Agricultural Code is amended to read:

6047.69. (a) Upon the presentation and filing of a petition, the board of supervisors shall refer the petition to the county agricultural commissioner for the preparation of a register of owners of table grape acreage within the proposed district, and for an investigation and report.

(b) The county agricultural commissioner shall create a register of all table grape acreage owners within the proposed district and specifically describe the net acreage of land devoted to the growing of table grapes by each owner. The county agricultural commissioner shall file with the register of table grape acreage owners a report to the board of supervisors describing the present condition of the glassy-winged sharpshooter and Pierce's disease infestations, or infestation of other designated pests and diseases, and any proposed program that may warrant the board of supervisors proceeding with the organization of the district and recommendation as to the advisability of creating the district.

SEC. 7. Section 6047.70 of the Food and Agricultural Code is amended to read:

6047.70. (a) The board of supervisors shall fix a time and place for a hearing of the petition.

(b) The hearing shall not be less than 20 days, or more than 40 days, after the filing of the petition with the board of supervisors.

(c) The board of supervisors shall order the clerk of the board of supervisors to give notice of the hearing that will do the following:

(1) State the time and place for the hearing that was fixed by the board of supervisors.

(2) State that at the hearing protests will be considered by the board of supervisors.

(3) State that requests in writing for the exclusion of acreage from, or the inclusion of acreage in, the proposed district, will be heard and considered by the board of supervisors.

(4) State that the petition is available for inspection at the office of the clerk of the board of supervisors.

(5) Designate the boundaries of the proposed district in substantially the same way that they are described in the petition.

SEC. 8. Section 6047.74 of the Food and Agricultural Code is amended to read:

6047.74. At the hearing, any owner of table grape acreage in the proposed district may present to the board of supervisors a request, in writing, for the exclusion of that acreage or any part of that acreage from the proposed district upon a showing that the acreage or part of that acreage will not be benefited by the activities of the proposed district. However, if the excluded acreage is planted with table grapes, the owner of the acreage shall inform the district, in writing, within 30 days of

planting. Factors that the board of supervisors may consider in its determination for exclusion, as set forth in an affidavit from the owner of the acreage, shall include the following:

(a) That the acreage is not planted to table grapes and will not be so planted in the foreseeable future, as evidenced by an affidavit from the owner of the acreage so stating.

(b) That the table grape plants have been removed from the acreage and that no living table grape plants remain on the acreage.

(c) That exclusion of the acreage, or any part of the acreage, from the district will not present a risk of glassy-winged sharpshooter infestation or infestation by other designated pests or diseases because of the acreage's distance or isolation from infested geographical regions.

SEC. 9. Section 6047.76 of the Food and Agricultural Code is amended to read:

6047.76. The ordinance or resolution relating to parking between the hours of 2 a.m. and 6 a.m. may provide for a system of permits for the purpose of exempting from the prohibition or restriction of the ordinance or resolution disabled persons, residents, and guests of residents of residential areas, including, but not limited to, high-density and multiple-family dwelling areas, lacking adequate offstreet parking facilities. The ordinance or resolution relating to the parking or standing of commercial vehicles, or trailer component thereof, in a residential district, however, shall not be effective with respect to any commercial vehicle making pickups or deliveries of goods, wares, and merchandise

from or to any building or structure located on the restricted streets or highways or for the purpose of delivering materials to be used in the actual and bona fide repair, alteration, remodeling, or construction of any building or structure upon the restricted streets or highways for which a building permit has previously been obtained.

(b) Subdivision (a) of this section is applicable to vehicles specified in subdivision (a) of Section 31303, except that an ordinance or resolution adopted pursuant to subdivision (a) of this section may not permit the parking of those vehicles which is otherwise prohibited under this code.

(c) For the purpose of implementing this section, each local authority may, by ordinance, define the term ''residential district'' in accordance with its zoning ordinance. 22511.55. (a) (1) A disabled person or disabled veteran may apply to the department for the issuance of a distinguishing placard. The placard may be used in lieu of the special license plate or plates issued

under Section 5007 for parking purposes described in Section 22511.5 when suspended from the rear view mirror or, if there is no rear view mirror, when displayed on the dashboard of a vehicle. It is the intent of the Legislature to encourage the use of these distinguishing placards because they provide law enforcement officers with a more readily recognizable symbol for distinguishing vehicles qualified for the parking privilege. The placard shall be the size, shape, and color determined by the department and shall bear the International Symbol of Access adopted pursuant to Section 3 of Public Law 100-641, commonly known as the ''wheelchair symbol.'' The department shall incorporate instructions for the lawful use of a placard, and a summary of the penalties for the unlawful use of a placard, into the identification card issued to the placard owner.

(2) (A) The department may establish procedures for the issuance and renewal of the placards. The placards shall have a fixed expiration date of June 30 every two years. A portion of the placard shall be printed in a contrasting color that shall be changed every two years. The size and color of this contrasting portion of the placard shall be large and distinctive enough to be readily identifiable by a law enforcement officer in a passing vehicle.

(B) As used in this section, ''year'' means the period between the inclusive dates of July 1 through June 30.

(C) Prior to the end of each year, the department shall, for the most current three years available, compare its record of disability placards issued against the records of the Bureau of Vital Statistics of the State Department of Health Services, or its successor, and withhold any renewal notices that otherwise would have been sent, for any placardholders identified as deceased.

(3) Except as provided in paragraph (4), a person is not eligible for more than one placard at any time.

(4) Organizations and agencies involved in the transportation of disabled persons or disabled veterans may apply for a placard for each vehicle used for the purpose of transporting disabled persons or disabled veterans.

(b) (1) Prior to issuing an original distinguishing placard to a disabled person or disabled veteran, the department shall require the submission of a certificate, in accordance with paragraph (2), signed by the physician or surgeon substantiating the disability, unless the applicant's disability is readily observable and uncontested. The disability of any person who has lost, or has lost use of, one or more lower extremities or one hand, for a disabled veteran, or both hands, for a disabled person, or who has significant limitation in the use of lower extremities, may also be certified by a licensed chiropractor. The blindness of any applicant shall be certified by a licensed physician or

surgeon who specializes in diseases of the eye or a licensed optometrist. The physician, surgeon, chiropractor, or optometrist certifying the qualifying disability shall provide a full description of the illness or disability on the form submitted to the department.

(2) The physician, surgeon, chiropractor, or optometrist who signs a certificate submitted under this subdivision shall retain information sufficient to substantiate that certificate and, upon request of the department, shall make that information available for inspection by the Medical Board of California or the appropriate regulatory board.

(3) The department shall maintain in its records all information on an applicant's certification of permanent disability and shall make that information available to eligible law enforcement or parking control agencies upon a request pursuant to Section 22511.58.

(c) A person who is issued a distinguishing placard pursuant to subdivision (a) may apply to the department for a substitute placard without recertification of eligibility, if that placard is lost or stolen.

(d) The distinguishing placard shall be returned to the department not later than 60 days after the death of the disabled person or disabled veteran to whom the placard was issued.

(e) The department shall print on any distinguishing placard issued on or after January 1, 2005, the maximum penalty that may be imposed for a violation of Section 4461. For the purposes of this subdivision, the ''maximum penalty'' is the amount derived from adding all of the following:

(3) The penalty required to be levied under Section 76000 of the Government Code.

SEC. 14. Section 22511.57 of the Vehicle Code is amended to read:

22511.57. Local authorities may, by ordinance or resolution, prohibit or restrict the parking or standing of a vehicle on streets or highways or from a disabled person's parking stall or space of a privately or publicly owned or operated offstreet parking facility within their jurisdiction when the vehicle displays, in order to obtain special parking privileges, a distinguishing placard issued pursuant to Section 22511.55, and the record of the Department of Motor Vehicles for the identification number assigned to the placard indicates that the placard has been reported as lost, stolen, surrendered, cancelled, revoked, or expired, or

During the period for which it is valid, the temporary distinguishing placard may be used for the parking purposes described in Section 22511.5 in the same manner as a distinguishing placard issued pursuant to Section 22511.55.

(b) (1) Any person who is temporarily disabled for a period of not more than six months may apply to the department for the issuance of the temporary distinguishing placard described in subdivision (a).

(2) Prior to issuing a placard pursuant to this subdivision, the department shall require the submission of a certificate signed by a physician, surgeon, chiropractor, or optometrist, as described in subdivision (b) of Section 22511.55, substantiating the temporary disability and stating the date upon which the disability is expected to terminate.

(3) The physician, surgeon, chiropractor, or optometrist who signs a certificate submitted under this subdivision shall maintain information sufficient to substantiate that certificate and, upon request of the department, shall make that information available for inspection by the Medical Board of California or the appropriate regulatory board.

(b) In a privately or publicly owned or operated offstreet parking facility, this section applies only to those stalls and spaces if the posting requirements under subdivisions (a) and (d) of Section 22511.8 have been complied with and if the stalls or spaces are clearly signed or marked.

(c) Notwithstanding Section 1708 of the Civil Code, the association is not liable for any damages incurred by the vehicle owner because of the removal of a vehicle in compliance with this section or for any damage to the vehicle caused by the removal. However, the owner of a vehicle removed pursuant to this section may recover for any damage to the vehicle which results from any intentional or negligent act of the association or any person causing the removal of, or removing, the vehicle.

(d) Notwithstanding any other provision of law, subdivisions (f) to (k), inclusive, of Section 22658 apply to the removal of vehicles pursuant to this section.

SEC. 20. No reimbursement is required by this act pursuant to Section 6 of Article XIII B of the California Constitution because the only costs that may be incurred by a local agency or school district will be incurred because this act creates a new crime or infraction, eliminates a crime or infraction, or changes the penalty for a crime or infraction, within the meaning of Section 17556 of the Government Code, or changes the definition of a crime within the meaning of Section 6 of Article XIII B of the California Constitution.

CHAPTER 405

An act to amend Section 912 of the Evidence Code, to amend Sections 3304 and 68115 of the Government Code, to amend Section 11100 of the Health and Safety Code, to amend Sections 266h, 266i, 290.01, 337j, 629.61, 666.7, 836, 1170.11, 1337, 1341, 1372, 1405, 4501, 11171, 13010, 13014, 13022, 13510.7, 13823.9, and 13879.81 of the Penal Code, and to amend Sections 285 and 15763 of the Welfare and Institutions Code, relating to public safety.

[Approved by Governor September 9, 2004. Filed with Secretary of State September 9, 2004.]

The people of the State of California do enact as follows:

SECTION 1. Section 912 of the Evidence Code is amended to read:

912. (a) Except as otherwise provided in this section, the right of any person to claim a privilege provided by Section 954 (lawyer-client privilege), 980 (privilege for confidential marital communications), 994 (physician-patient privilege), 1014 (psychotherapist-patient privilege), 1033 (privilege of penitent), 1034 (privilege of clergyman), 1035.8 (sexual assault counselor-victim privilege), or 1037.5 (domestic violence counselor-victim privilege) is waived with respect to a communication protected by the privilege if any holder of the privilege, without coercion, has disclosed a significant part of the communication or has consented to disclosure made by anyone. Consent to disclosure is manifested by any statement or other conduct of the holder of the privilege indicating consent to the disclosure, including failure to claim the privilege in any proceeding in which the holder has the legal standing and opportunity to claim the privilege.

(b) Where two or more persons are joint holders of a privilege provided by Section 954 (lawyer-client privilege), 994 (physician-patient privilege), 1014 (psychotherapist-patient privilege), 1035.8 (sexual assault counselor-victim privilege), or 1037.5 (domestic

violence counselor-victim privilege), a waiver of the right of a particular joint holder of the privilege to claim the privilege does not affect the right of another joint holder to claim the privilege. In the case of the privilege provided by Section 980 (privilege for confidential marital communications), a waiver of the right of one spouse to claim the privilege does not affect the right of the other spouse to claim the privilege.

(c) A disclosure that is itself privileged is not a waiver of any privilege.

(d) A disclosure in confidence of a communication that is protected by a privilege provided by Section 954 (lawyer-client privilege), 994 (physician-patient privilege), 1014 (psychotherapist-patient privilege), 1035.8 (sexual assault counselor-victim privilege), or 1037.5 (domestic violence counselor-victim privilege), when disclosure is reasonably necessary for the accomplishment of the purpose for which the lawyer, physician, psychotherapist, sexual assault counselor, or domestic violence counselor was consulted, is not a waiver of the privilege.

SEC. 2. Section 3304 of the Government Code is amended to read:

3304. (a) No public safety officer shall be subjected to punitive action, or denied promotion, or be threatened with any such treatment, because of the lawful exercise of the rights granted under this chapter, or the exercise of any rights under any existing administrative grievance procedure.

Nothing in this section shall preclude a head of an agency from ordering a public safety officer to cooperate with other agencies involved in criminal investigations. If an officer fails to comply with such an order, the agency may officially charge him or her with insubordination.

(b) No punitive action, nor denial of promotion on grounds other than merit, shall be undertaken by any public agency against any public safety officer who has successfully completed the probationary period that may be required by his or her employing agency without providing the public safety officer with an opportunity for administrative appeal.

(c) No chief of police may be removed by a public agency, or appointing authority, without providing the chief of police with written notice and the reason or reasons therefor and an opportunity for administrative appeal.

For purposes of this subdivision, the removal of a chief of police by a public agency or appointing authority, for the purpose of implementing the goals or policies, or both, of the public agency or appointing authority, for reasons including, but not limited to, incompatibility of management styles or as a result of a change in administration, shall be sufficient to constitute ‘‘reason or reasons.’’

Nothing in this subdivision shall be construed to create a property interest, where one does not exist by rule or law, in the job of Chief of Police.

(d) Except as provided in this subdivision and subdivision (g), no punitive action, nor denial of promotion on grounds other than merit, shall be undertaken for any act, omission, or other allegation of misconduct if the investigation of the allegation is not completed within one year of the public agency's discovery by a person authorized to initiate an investigation of the allegation of an act, omission, or other misconduct. This one-year limitation period shall apply only if the act, omission, or other misconduct occurred on or after January 1, 1998. In the event that the public agency determines that discipline may be taken, it shall complete its investigation and notify the public safety officer of its proposed disciplinary action within that year, except in any of the following circumstances:

(1) If the act, omission, or other allegation of misconduct is also the subject of a criminal investigation or criminal prosecution, the time during which the criminal investigation or criminal prosecution is pending shall toll the one-year time period.

(2) If the public safety officer waives the one-year time period in writing, the time period shall be tolled for the period of time specified in the written waiver.

(3) If the investigation is a multijurisdictional investigation that requires a reasonable extension for coordination of the involved agencies.

(4) If the investigation involves more than one employee and requires a reasonable extension.

(5) If the investigation involves an employee who is incapacitated or otherwise unavailable.

(6) If the investigation involves a matter in civil litigation where the public safety officer is named as a party defendant, the one-year time period shall be tolled while that civil action is pending.

(7) If the investigation involves a matter in criminal litigation where the complainant is a criminal defendant, the one-year time period shall be tolled during the period of that defendant's criminal investigation and prosecution.

(8) If the investigation involves an allegation of workers' compensation fraud on the part of the public safety officer.

(e) Where a predisciplinary response or grievance procedure is required or utilized, the time for this response or procedure shall not be governed or limited by this chapter.

(f) If, after investigation and any predisciplinary response or procedure, the public agency decides to impose discipline, the public agency shall notify the public safety officer in writing of its decision to

impose discipline, including the date that the discipline will be imposed, within 30 days of its decision, except if the public safety officer is unavailable for discipline.

(g) Notwithstanding the one-year time period specified in subdivision (d), an investigation may be reopened against a public safety officer if both of the following circumstances exist:

(1) Significant new evidence has been discovered that is likely to affect the outcome of the investigation.

(2) One of the following conditions exist:

(A) The evidence could not reasonably have been discovered in the normal course of investigation without resorting to extraordinary measures by the agency.

(B) The evidence resulted from the public safety officer's predisciplinary response or procedure.

(h) For those members listed in subdivision (a) of Section 830.2 of the Penal Code, the 30-day time period provided for in subdivision (f) shall not commence with the service of a preliminary notice of adverse action, should the public agency elect to provide the public safety officer with such a notice.

SEC. 3. Section 68115 of the Government Code is amended to read:

68115. When war, insurrection, pestilence, or other public calamity, or the danger thereof, or the destruction of or danger to the building appointed for holding the court, renders it necessary, or when a large influx of criminal cases resulting from a large number of arrests within a short period of time threatens the orderly operation of a superior court location or locations within a county, the presiding judge may request and the Chair of the Judicial Council may, notwithstanding any other provision of law, by order authorize the court to do one or more of the following:

(a) Hold sessions anywhere within the county.

(b) Transfer civil cases pending trial in the court to a superior court in an adjacent county. No transfer may be made pursuant to this subdivision except with the consent of all parties to the case or upon a showing by a party that extreme or undue hardship would result unless the case is transferred for trial. Any civil case so transferred shall be integrated into the existing caseload of the court to which it is transferred pursuant to rules to be provided by the Judicial Council.

(c) Declare that a date or dates on which an emergency condition, as described in this section, substantially interfered with the public's ability to file papers in a court facility or facilities be deemed a holiday for purposes of computing the time for filing papers with the court under Sections 12 and 12a of the Code of Civil Procedure. This subdivision shall apply to the fewest days necessary under the circumstances of the emergency, as determined by the Chair of the Judicial Council.

(d) Declare that a date on which an emergency condition, as described in this section, prevented the court from conducting proceedings governed by Section 825 of the Penal Code, or Section 313, 315, 631, 632, 637, or 657 of the Welfare and Institutions Code, be deemed a holiday for purposes of computing time under those statutes. This subdivision shall apply to the fewest days necessary under the circumstances of the emergency, as determined by the Chair of the Judicial Council.

(e) Within the affected county during a state of emergency resulting from a natural or human-made disaster proclaimed by the President of the United States or by the Governor pursuant to Section 8625 of the Government Code, extend the time period provided in Section 825 of the Penal Code within which a defendant charged with a felony offense shall be taken before a magistrate from 48 hours to not more than seven days, with the number of days to be designated by the Chair of the Judicial Council. This authorization shall be effective for 30 days unless it is extended by a new request and a new order.

(f) Extend the time period provided in Section 859b of the Penal Code for the holding of a preliminary examination from 10 court days to not more than 15 days.

(g) Extend the time period provided in Section 1382 of the Penal Code within which the trial must be held by not more than 30 days, but the trial of a defendant in custody whose time is so extended shall be given precedence over all other cases.

(h) Within the affected area of a county during a state of emergency resulting from a natural or human-made disaster proclaimed by the President of the United States or by the Governor pursuant to Section 8625 of the Government Code, extend the time period provided in Sections 313, 315, 632, and 637 of the Welfare and Institutions Code within which a minor shall be given a detention hearing, with the number of days to be designated by the Chair of the Judicial Council. The extension of time shall be for the shortest period of time necessary under the circumstances of the emergency, but in no event shall the time period within which a detention hearing must be given be extended to more than seven days. This authorization shall be effective for 30 days unless it is extended by a new request and a new order. This subdivision shall apply only where the minor has been charged with a felony.

(i) Within the affected county during a state of emergency resulting from a natural or human-made disaster proclaimed by the President of the United States or by the Governor pursuant to Section 8625 of the Government Code, extend the time period provided in Sections 334 and 657 of the Welfare and Institutions Code within which an adjudication on a juvenile court petition shall be held by not more than 15 days, with the number of days to be designated by the Chair of the Judicial Council.

This authorization shall be effective for 30 days unless it is extended by a new request and a new order. This subdivision shall apply only where the minor has been charged with a felony.

However, this section shall apply to preparations in solid or liquid dosage form, except pediatric liquid forms, as defined, containing ephedrine, pseudoephedrine, norpseudoephedrine, or phenylpropanolamine where the individual transaction involves more than three packages or nine grams of ephedrine, pseudoephedrine, norpseudoephedrine, or phenylpropanolamine.

SEC. 15. Section 1372 of the Penal Code is amended to read:

1372. (a) (1) If the medical director of the state hospital or other facility to which the defendant is committed, or the community program director, county mental health director, or regional center director providing outpatient services, determines that the defendant has regained mental competence, the director shall immediately certify that fact to the court by filing a certificate of restoration with the court by certified mail, return receipt requested. For purposes of this section, the date of filing shall be the date on the return receipt.

(2) The court's order committing an individual to a state hospital or other treatment facility pursuant to Section 1370 shall include direction that the sheriff shall redeliver the patient to the court without any further order from the court upon receiving from the state hospital or treatment facility a copy of the certificate of restoration.

(3) The defendant shall be returned to the committing court in the following manner:

(A) A patient who remains confined in a state hospital or other treatment facility shall be redelivered to the sheriff of the county from which the patient was committed. The sheriff shall immediately return the person from the state hospital or other treatment facility to the court for further proceedings.

(B) The patient who is on outpatient status shall be returned by the sheriff to court through arrangements made by the outpatient treatment supervisor.

(C) In all cases, the patient shall be returned to the committing court no later than 10 days following the filing of a certificate of restoration. The state shall only pay for 10 hospital days for patients following the filing of a certificate of restoration of competency. The State Department of Mental Health shall report to the fiscal and appropriate policy committees of the Legislature on an annual basis in February, on the number of days that exceed the 10-day limit prescribed in this subparagraph. This report shall include, but not be limited to, a data sheet that itemizes by county the number of days that exceed this 10-day limit during the preceding year.

(b) If the defendant becomes mentally competent after a conservatorship has been established pursuant to the applicable provisions of the Lanterman-Petris-Short Act, Part 1 (commencing with Section 5000) of Division 5 of the Welfare and Institutions Code, and Section 1370, the conservator shall certify that fact to the sheriff and district attorney of the county in which the defendant's case is pending, defendant's attorney of record, and the committing court.

(c) When a defendant is returned to court with a certification that competence has been regained, the court shall notify either the community program director, the county mental health director, or the regional center director and the Director of Developmental Services, as appropriate, of the date of any hearing on the defendant's competence and whether or not the defendant was found by the court to have recovered competence.

(d) If the committing court approves the certificate of restoration to competence as to a person in custody, the court shall hold a hearing to determine whether the person is entitled to be admitted to bail or released on own recognizance status pending conclusion of the proceedings. If the superior court approves the certificate of restoration to competence regarding a person on outpatient status, unless it appears that the person has refused to come to court, that person shall remain released either on own recognizance status, or, in the case of a developmentally disabled person, either on the defendant's promise or on the promise of a responsible adult to secure the person's appearance in court for further proceedings. If the person has refused to come to court, the court shall set bail and may place the person in custody until bail is posted.

(e) A defendant subject to either subdivision (a) or (b) who is not admitted to bail or released under subdivision (d) may, at the discretion of the court, upon recommendation of the director of the facility where the defendant is receiving treatment, be returned to the hospital or facility of his or her original commitment or other appropriate secure facility approved by the community program director, the county mental health director, or the regional center director. The recommendation submitted to the court shall be based on the opinion that the person will need continued treatment in a hospital or treatment facility in order to maintain competence to stand trial or that placing the person in a jail environment would create a substantial risk that the person would again become incompetent to stand trial before criminal proceedings could be resumed.

(f) Notwithstanding subdivision (e), if a defendant is returned by the court to a hospital or other facility for the purpose of maintaining competency to stand trial and that defendant is already under civil commitment to that hospital or facility from another county pursuant to the Lanterman-Petris-Short Act (Part 1 (commencing with Section 5000) of Division 5 of the Welfare and Institutions Code) or as a developmentally disabled person committed pursuant to Article 2 (commencing with Section 6500) of Chapter 2 of Part 2 of Division 6 of the Welfare and Institutions Code, the costs of housing and treating the defendant in that facility following return pursuant to subdivision (e) shall be the responsibility of the original county of civil commitment.

1405. (a) A person who was convicted of a felony and is currently serving a term of imprisonment may make a written motion before the trial court that entered the judgment of conviction in his or her case, for performance of forensic deoxyribonucleic acid (DNA) testing.

(b) (1) An indigent convicted person may request appointment of counsel to prepare a motion under this section by sending a written request to the court. The request shall include the person's statement that he or she was not the perpetrator of the crime and that DNA testing is relevant to his or her assertion of innocence. The request also shall include the person's statement as to whether he or she previously has had counsel appointed under this section.

(2) If any of the information required in paragraph (1) is missing from the request, the court shall return the request to the convicted person and advise him or her that the matter cannot be considered without the missing information.

(3) (A) Upon a finding that the person is indigent, he or she has included the information required in paragraph (1), and counsel has not previously been appointed pursuant to this subdivision, the court shall appoint counsel to investigate and, if appropriate, to file a motion for DNA testing under this section and to represent the person solely for the purpose of obtaining DNA testing under this section.

(B) Upon a finding that the person is indigent, and counsel previously has been appointed pursuant to this subdivision, the court may, in its discretion, appoint counsel to investigate and, if appropriate, to file a motion for DNA testing under this section and to represent the person solely for the purpose of obtaining DNA testing under this section.

(4) Nothing in this section shall be construed to provide for a right to the appointment of counsel in a postconviction collateral proceeding, or to set a precedent for any such right, in any context other than the representation being provided an indigent convicted person for the limited purpose of filing and litigating a motion for DNA testing pursuant to this section.

(c) (1) The motion shall be verified by the convicted person under penalty of perjury and shall do all of the following:

(A) Explain why the identity of the perpetrator was, or should have been, a significant issue in the case.

(B) Explain, in light of all the evidence, how the requested DNA testing would raise a reasonable probability that the convicted person's verdict or sentence would be more favorable if the results of DNA testing had been available at the time of conviction.

(C) Make every reasonable attempt to identify both the evidence that should be tested and the specific type of DNA testing sought.

(D) Reveal the results of any DNA or other biological testing that was conducted previously by either the prosecution or defense, if known.

(E) State whether any motion for testing under this section previously has been filed and the results of that motion, if known.

(2) Notice of the motion shall be served on the Attorney General, the district attorney in the county of conviction, and, if known, the governmental agency or laboratory holding the evidence sought to be tested. Responses, if any, shall be filed within 60 days of the date on which the Attorney General and the district attorney are served with the motion, unless a continuance is granted for good cause.

(d) If the court finds evidence was subjected to DNA or other forensic testing previously by either the prosecution or defense, it shall order the party at whose request the testing was conducted to provide all parties and the court with access to the laboratory reports, underlying data, and laboratory notes prepared in connection with the DNA or other biological evidence testing.

(e) The court, in its discretion, may order a hearing on the motion. The motion shall be heard by the judge who conducted the trial, or accepted the convicted person's plea of guilty or nolo contendre, unless the presiding judge determines that judge is unavailable. Upon request of either party, the court may order, in the interest of justice, that the convicted person be present at the hearing of the motion.

(f) The court shall grant the motion for DNA testing if it determines all of the following have been established:

(1) The evidence to be tested is available and in a condition that would permit the DNA testing requested in the motion.

(2) The evidence to be tested has been subject to a chain of custody sufficient to establish it has not been substituted, tampered with, replaced or altered in any material aspect.

(3) The identity of the perpetrator of the crime was, or should have been, a significant issue in the case.

(4) The convicted person has made a prima facie showing that the evidence sought to be tested is material to the issue of the convicted person's identity as the perpetrator of, or accomplice to, the crime, special circumstance, or enhancement allegation that resulted in the conviction or sentence.

(5) The requested DNA testing results would raise a reasonable probability that, in light of all the evidence, the convicted person's verdict or sentence would have been more favorable if the results of DNA testing had been available at the time of conviction. The court in its discretion may consider any evidence whether or not it was introduced at trial.

(6) The evidence sought to be tested meets either of the following conditions:

(A) The evidence was not tested previously.

(B) The evidence was tested previously, but the requested DNA test would provide results that are reasonably more discriminating and probative of the identity of the perpetrator or accomplice or have a reasonable probability of contradicting prior test results.

(7) The testing requested employs a method generally accepted within the relevant scientific community.

(8) The motion is not made solely for the purpose of delay.

(g) (1) If the court grants the motion for DNA testing, the court order shall identify the specific evidence to be tested and the DNA technology to be used.

(2) The testing shall be conducted by a laboratory mutually agreed upon by the district attorney in a noncapital case, or the Attorney General in a capital case, and the person filing the motion. If the parties cannot agree, the court shall designate the laboratory to conduct the testing and shall consider designating a laboratory accredited by the American Society of Crime Laboratory Directors Laboratory Accreditation Board (ASCLD/LAB).

(h) The result of any testing ordered under this section shall be fully disclosed to the person filing the motion, the district attorney, and the Attorney General. If requested by any party, the court shall order production of the underlying laboratory data and notes.

(i) (1) The cost of DNA testing ordered under this section shall be borne by the state or the applicant, as the court may order in the interests of justice, if it is shown that the applicant is not indigent and possesses the ability to pay. However, the cost of any additional testing to be conducted by the district attorney or Attorney General shall not be borne by the convicted person.

(2) In order to pay the state's share of any testing costs, the laboratory designated in subdivision (g) shall present its bill for services to the superior court for approval and payment. It is the intent of the Legislature to appropriate funds for this purpose in the 2000–01 Budget Act.

(j) An order granting or denying a motion for DNA testing under this section shall not be appealable, and shall be subject to review only through petition for writ of mandate or prohibition filed by the person seeking DNA testing, the district attorney, or the Attorney General. The petition shall be filed within 20 days after the court's order granting or denying the motion for DNA testing. In a noncapital case, the petition for writ of mandate or prohibition shall be filed in the court of appeal. In a capital case, the petition shall be filed in the California Supreme Court. The court of appeal or California Supreme Court shall expedite its review of a petition for writ of mandate or prohibition filed under this subdivision.

(k) DNA testing ordered by the court pursuant to this section shall be done as soon as practicable. However, if the court finds that a miscarriage

of justice will otherwise occur and that it is necessary in the interests of justice to give priority to the DNA testing, a DNA laboratory shall be required to give priority to the DNA testing ordered pursuant to this section over the laboratory's other pending casework.

(*l*) DNA profile information from biological samples taken from a convicted person pursuant to a motion for postconviction DNA testing is exempt from any law requiring disclosure of information to the public.

(m) Notwithstanding any other provision of law, the right to file a motion for postconviction DNA testing provided by this section is absolute and shall not be waived. This prohibition applies to, but is not limited to, a waiver that is given as part of an agreement resulting in a plea of guilty or nolo contendre.

(n) The provisions of this section are severable. If any provision of this section or its application is held invalid, that invalidity shall not affect other provisions or applications that can be given effect without the invalid provision or application.

The resolution shall remain effective until rescinded by the city council.

(c) If the tax, penalty, or costs, are collected more than four years following the enrollment of the tax bill, the cancellation authorized pursuant to subdivision (a) may be performed if the cancellation action is initiated within 120 days of the payment.

SEC. 13. Section 20583 of the Revenue and Taxation Code is amended to read:

20583. (a) ''Residential dwelling'' means a dwelling occupied as the principal place of residence of the claimant, and so much of the land surrounding it as is reasonably necessary for use of the dwelling as a home, owned by the claimant, the claimant and spouse, or by the claimant and either another individual eligible for postponement under

this chapter or an individual described in subdivision (a), (b) or (c) of Section 20511 and located in this state. It shall include condominiums and mobilehomes that are assessed as realty for local property tax purposes. It also includes part of a multidwelling or multipurpose building and a part of the land upon which it is built. In the case of a mobilehome not assessed as real property that is located on land owned by the claimant, residential ''dwelling'' includes the land on which the mobilehome is situated and so much of the land surrounding it as reasonably necessary for use of the mobilehome as a home.

(b) As used in this chapter in reference to ownership interests in residential dwellings, ''owned'' includes (1) the interest of a vendee in possession under a land sale contract provided that the contract or memorandum thereof is recorded and only from the date of recordation of the contract or memorandum thereof in the office of the county recorder where the residential dwelling is located, (2) the interest of the holder of a life estate provided that the instrument creating the life estate is recorded and only from the date of recordation of the instrument creating the life estate in the office of the county recorder where the residential dwelling is located, but ''owned'' does not include the interest of the holder of any remainder interest or the holder of a reversionary interest in the residential dwelling, (3) the interest of a joint tenant or a tenant in common in the residential dwelling or the interest of a tenant where title is held in tenancy by the entirety or a community property interest where title is held as community property, and (4) the interest in the residential dwelling in which the title is held in trust, as described in subdivision (d) of Section 62, provided that the Controller determines that the state's interest is adequately protected.

(c) For purposes of this chapter, the registered owner of a mobilehome shall be deemed to be the owner of the mobilehome.

(d) Except as provided in subdivision (c), and Chapter 3 (commencing with Section 20625), ownership must be evidenced by an instrument duly recorded in the office of the county where the residential dwelling is located.

(e) ''Residential dwelling'' does not include any of the following:

(1) Any residential dwelling in which the owners do not have an equity of at least 20 percent of the full value of the property as determined for purposes of property taxation or at least 20 percent of the fair market value as determined by the Controller and where the Controller determines that the state's interest is adequately protected. The 20 percent equity requirement shall be met at the time the claimant or authorized agent files an initial postponement claim and tenders to the tax collector the initial certificate of eligibility described in Sections 20602, 20639.6, and 20640.6.

(2) Any residential dwelling in which the claimant's interest is held pursuant to a contract of sale or under a life estate, unless the claimant obtains the written consent of the vendor under the contract of sale, or the holder of the reversionary interest upon termination of the life estate for the postponement of taxes and the creation of a lien on the real property in favor of the state for amounts postponed pursuant to this act.

(3) Any residential dwelling on which the claimant does not receive a secured tax bill.

(4) Any residential dwelling in which the claimant's interest is held as a possessory interest, except as provided in Chapter 3.5 (commencing with Section 20640).

(5) (A) Except as provided in this section, any residential dwelling on which the property taxes, as defined in Section 20584, are delinquent at the time the application for postponement under this chapter is made or on which any other property tax or special assessment imposed by a special district or other tax code area is delinquent at the time the application for postponement under this chapter is made.

(B) Any taxes or assessments described in subparagraph (A) that are delinquent on July 1, 1977, will not disqualify an otherwise eligible dwelling for postponement under this chapter. An application for postponement under this chapter to postpone the payment of property taxes for the 1977–78 fiscal year, shall also constitute an application for the postponement of all those delinquent taxes and assessments, together with any penalties, interest, fees, or other charges resulting from that delinquency and those amounts shall, unless otherwise paid by the claimant, be paid out of the amount appropriated by Section 16100 of the Government Code and shall be added to and become part of the obligation secured by the lien provided by Section 16182 of the Government Code; provided, however, that upon payment of delinquent taxes and assessments for fiscal year 1976–77 out of the amount appropriated by Section 16100, any delinquent penalties, interest, fees or other charges resulting from the delinquency of those taxes and assessments for fiscal year 1976–77 shall be canceled.

(C) For 1978–79 and thereafter, any taxes or assessments described in subparagraph (A) that became delinquent after the claimant was 62 and before the claimant first has established a lien pursuant to Section 16182 of the Government Code will not disqualify an otherwise eligible dwelling for postponement under this chapter. An application to postpone taxes for 1978–79 or thereafter shall also constitute an application for the postponement of all delinquent taxes and assessments, together with any penalties, interest, fees, or other charges resulting from the delinquency and those amounts shall, unless otherwise paid by the claimant, be paid out of the amount appropriated by Section 16100 of the Government Code and shall be added to and

become part of the obligation secured by the lien provided by Section 16182 of the Government Code.

(6) All taxes or assessments described in subparagraph (A) of paragraph (5) that are delinquent on the date this bill takes effect will not disqualify an otherwise eligible blind or disabled applicant's dwelling from postponement under this chapter. A blind or disabled citizen's application for postponement of property taxes will not constitute an application for the postponement of any delinquent taxes and assessments, or any penalties, interest, fees or other charges resulting from delinquency. Delinquent taxes of blind or disabled applicants are not subject to postponement under this chapter.

CHAPTER 408

An act to amend Sections 56505 and 56505.2 of the Education Code, relating to special education.

[Approved by Governor September 9, 2004. Filed with Secretary of State September 9, 2004.]

The people of the State of California do enact as follows:

SECTION 1. Section 56505 of the Education Code is amended to read:

56505. (a) The state hearing shall be conducted in accordance with regulations adopted by the board.

(b) The hearing shall be held at a time and place reasonably convenient to the parent or guardian and the pupil.

(c) The hearing shall be conducted by a person knowledgeable in the laws and regulations governing special education and administrative hearings pursuant to Section 56504.5, and who has satisfactorily completed training pursuant to this subdivision. The Superintendent shall establish standards for the training of hearing officers, the degree of specialization of the hearing officers, and the quality control mechanisms to be used to ensure that the hearings are fair and the decisions are accurate. A due process hearing may not be conducted by any individual listed in subsection (a) of Section 300.508 of Title 34 of the Code of Federal Regulations. Pursuant to subsection (b) of Section 300.508 of the Title 34 of the Code of Federal Regulations, a person who is qualified to conduct a hearing is not an employee of the agency solely because he or she is paid by the agency to serve as a hearing officer. The hearing officer shall encourage the parties to a hearing to consider the option of mediation as an alternative to a hearing.

(d) Pursuant to subsection (a) of Section 300.514 of Title 34 of the Code of Federal Regulations, during the pendency of the hearing proceedings, including the actual state-level hearing, or judicial proceeding regarding a due process hearing, the pupil shall remain in his or her present placement, except as provided in Section 300.526 of Title 34 of the Code of Federal Regulations, unless the public agency and the parent or guardian agree otherwise. A pupil applying for initial admission to a public school shall, with the consent of his or her parent or guardian, be placed in the public school program until all proceedings have been completed. As provided in subsection (c) of Section 300.514 of Title 34 of the Code of Federal Regulations, if the decision of a hearing officer in a due process hearing or a state review official in an administrative appeal agrees with the parent or guardian of the pupil that a change of placement is appropriate, that placement shall be treated as an agreement between the state or local agency and the parent or guardian.

(e) Any party to the hearing held pursuant to this section shall be afforded the following rights consistent with state and federal statutes and regulations:

(1) The right to be accompanied and advised by counsel and by individuals with special knowledge or training relating to the problems of individuals with exceptional needs.

(2) The right to present evidence, written arguments, and oral arguments.

(3) The right to confront, cross-examine, and compel the attendance of, witnesses.

(4) The right to a written, or, at the option of the parents or guardians, electronic verbatim record of the hearing.

(5) The right to written, or, at the option of the parent or guardian, electronic findings of fact and decisions. The record of the hearing and the findings of fact and decisions shall be provided at no cost to parents or guardians in accordance with paragraph (2) of subsection (c) of Section 300.509 of Title 34 of the Code of Federal Regulations. The findings and decisions shall be made available to the public after any personally identifiable information has been deleted consistent with the confidentiality requirements of subsection (c) of Section 1417 of Title 20 of the United States Code and shall also be transmitted to the Advisory Commission on Special Education pursuant to paragraph (4) of subsection (h) of Section 1415 of Title 20 of the United States Code.

(6) The right to be informed by the other parties to the hearing, at least 10 days prior to the hearing, as to what those parties believe are the issues to be decided at the hearing and their proposed resolution of those issues. Upon the request of a parent who is not represented by an attorney, the agency responsible for conducting hearings shall provide a mediator to

assist the parent in identifying the issues and the proposed resolution of the issues.

(7) The right to receive from other parties to the hearing, at least five business days prior to the hearing, a copy of all documents and a list of all witnesses and their general area of testimony that the parties intend to present at the hearing. Included in the material to be disclosed to all parties at least five business days prior to a hearing shall be all assessments completed by that date and recommendations based on the assessments that the parties intend to use at the hearing.

(8) The right, pursuant to paragraph (3) of subsection (a) of Section 300.509 of Title 34 of the Code of Federal Regulations, to prohibit the introduction of any evidence at the hearing that has not been disclosed to that party at least five business days before the hearing.

(f) The hearing conducted pursuant to this section shall be completed and a written, reasoned decision, including the reasons for any nonpublic, nonsectarian school placement, the provision of nonpublic, nonsectarian agency services, or the reimbursement for such placement or services, taking into account the requirements of subdivision (a) of Section 56365, shall be mailed to all parties to the hearing within 45 days from the receipt by the Superintendent of the request for a hearing. Either party to the hearing may request the hearing officer to grant an extension. The extension shall be granted upon a showing of good cause. Any extension shall extend the time for rendering a final administrative decision for a period only equal to the length of the extension.

(g) Subdivision (f) does not alter the burden of proof required in a due process hearing, or prevent a hearing officer from ordering a compensatory remedy for an individual with exceptional needs.

(h) The hearing conducted pursuant to this section shall be the final administrative determination and binding on all parties.

(i) In decisions relating to the placement of individuals with exceptional needs, the person conducting the state hearing shall consider cost, in addition to all other factors that are considered.

(j) In a hearing conducted pursuant to this section, the hearing officer may not base a decision solely on nonsubstantive procedural errors, unless the hearing officer finds that the nonsubstantive procedural errors resulted in the loss of an educational opportunity to the pupil or interfered with the opportunity of the parent or guardian of the pupil to participate in the formulation process of the individualized education program.

(k) This chapter does not preclude a party aggrieved by the findings and decisions in a hearing under this section from exercising the right to appeal the decision to a state court of competent jurisdiction. An aggrieved party may also exercise the right to bring a civil action in a district court of the United States without regard to the amount in

controversy, pursuant to Section 300.512 of Title 34 of the Code of Federal Regulations. An appeal shall be made within 90 days of receipt of the hearing decision. During the pendency of any administrative or judicial proceeding conducted pursuant to Chapter 5 (commencing with Section 56500), the child involved in the hearing shall remain in his or her present educational placement, unless the public education agency and the parent or guardian of the child agree otherwise. Any action brought under this subdivision shall adhere to the provisions of subsection (b) of Section 300.512 of Title 34 of the Code of Federal Regulations.

(*l*) Any request for a due process hearing arising under subdivision (a) of Section 56501 shall be filed within three years from the date the party initiating the request knew or had reason to know of the facts underlying the basis for the request.

(m) Pursuant to subsection (c) of Section 300.508 of Title 34 of the Code of Federal Regulations, each public education agency shall keep a list of the persons who serve as due process hearing officers, in accordance with Section 56504.5, and the list shall include a statement of the qualifications of each of those persons. The list of hearing officers shall be provided to the public education agencies by the organization or entity under contract with the department to conduct due process hearings.

SEC. 2. Section 56505.2 of the Education Code is amended to read:

56505.2. (a) A hearing officer may not render a decision that results in the placement of an individual with exceptional needs in a nonpublic, nonsectarian school, or that results in a service for an individual with exceptional needs provided by a nonpublic, nonsectarian agency, if the school or agency has not been certified pursuant to Section 56366.1.

(b) A hearing officer shall consider Sections 56365, 56366, and 56366.1 during a due process hearing concerning an issue of placement of an individual with exceptional needs in a nonpublic, nonsectarian school, or services for an individual with exceptional needs provided by a nonpublic, nonsectarian agency.

SEC. 3. No reimbursement is required by this act pursuant to Section 6 of Article XIII B of the California Constitution because this act implements a federal law or regulation and results only in costs mandated by the federal government, within the meaning of Section 17556 of the Government Code.

Taxation Code and become due after the date of the assumption of tax liability.

(5) That the final tax return has been filed with the Franchise Tax Board, as required under Part 10.2 (commencing with Section 18401) of Division 2 of the Revenue and Taxation Code.

(6) That the known assets of the limited liability company remaining after payment of, or adequately providing for, known debts and liabilities have been distributed to the persons entitled thereto or that the limited liability company acquired no known assets, as the case may be.

(b) A certificate of cancellation executed and acknowledged pursuant to subdivision (a) shall be filed with the Secretary of State within 12 months from the date that the articles of organization were filed. (c) Upon filing a certificate of cancellation pursuant to subdivision (a), a limited liability company shall be cancelled and its powers, rights, and privileges shall cease.

(d) A domestic limited liability company that filed articles of organization on or after January 1, 2004, and that meets all of the conditions described in subdivision (a) may file a certificate of cancellation under this section.

SEC. 2. Section 17941 of the Revenue and Taxation Code is amended to read:

(b) (1) In addition to any limited liability company that is doing business in this state and is therefore subject to the tax imposed by subdivision (a), for each taxable year beginning on or after January 1, 1997, a limited liability company shall pay annually the tax prescribed

in subdivision (a) if articles of organization have been accepted, or a certificate of registration has been issued, by the office of the Secretary of State. The tax shall be paid for each taxable year, or part thereof, until a certificate of cancellation of registration or of articles of organization is filed on behalf of the limited liability company with the office of the Secretary of State.

(2) If a taxpayer files a return with the Franchise Tax Board that is designated as its final return, the Franchise Tax Board shall notify the taxpayer that the annual tax shall continue to be due annually until a certificate of cancellation is filed with the Secretary of State pursuant to Section 17356 or 17455 of the Corporations Code.

17945. No decree of dissolution, withdrawal, or cancellation shall be made and entered by any court, nor shall the county clerk of any county or the Secretary of State file any decree of dissolution, withdrawal, or cancellation or any other document by which the term of existence of the limited liability company shall be reduced or terminated, except as provided in subdivision (b) of Section 17350.5 of the Corporations Code, nor shall the Secretary of State file any certificate of the surrender or cancellation by a foreign limited liability company of its rights to do intrastate business in this state unless the limited liability company obtains from the Franchise Tax Board and files with the court, county clerk, or Secretary of State, as the case may be, a tax clearance certificate indicating that the Franchise Tax Board is satisfied from the available evidence that all taxes and fees imposed by this

chapter or all taxes imposed by Part 11 (commencing with Section 23001) have been paid or are secured by bond, deposit, or otherwise. Within 30 days after receiving a request for a certificate, the Franchise Tax Board shall either issue the certificate or notify the person requesting the certificate of the amount of tax or fees that must be paid or the amount of bond, deposit, or other security that must be furnished as a condition of issuing the certificate. The issuance of the certificate shall not relieve the taxpayer or any individual, bank, or corporation from liability for any taxes, fees, penalties, or interest imposed by this part or Part 11 (commencing with Section 23001). The Franchise Tax Board shall furnish a copy of the tax clearance certificate to the Secretary of State.

CHAPTER 418

An act to add Sections 149.4, 149.5, and 149.6 to the Streets and Highways Code, relating to transportation.

[Approved by Governor September 9, 2004. Filed with Secretary of State September 9, 2004.]

The people of the State of California do enact as follows:

SECTION 1. The Legislature finds and declares all of the following:

(a) High-occupancy toll (HOT) lanes allow single-occupant vehicles to access a high-occupancy vehicle (HOV) lane during peak congestion periods in exchange for paying an electronically collected fee. HOT lane facilities have been implemented and proven successful on freeways in California and elsewhere.

(b) HOT lanes provide an additional choice for users on occasions when saving time is of value to them. Research has illustrated that utilizing an HOV lane for a fee with assured reliable time savings is valuable to persons across the income spectrum. The income profile of HOT lane users does not differ greatly from that of adjacent mixed-flow lanes.

(c) HOT lanes create an alternative mechanism for financing transportation projects. Revenue generated from HOT lanes is used for transit services, highway maintenance, and other improvement within the HOT lane corridor.

(d) By providing the consumer a choice of paying a direct user fee for utilizing the unused capacity of the transportation system during peak periods, HOT lanes establish an equitable means of assessing a fee that is directly related to the burden placed on the transportation system.

(e) Toll collection for HOT lanes should be entirely by electronic means, and in accordance with Section 27565 of the Streets and Highways Code, which requires the use of equipment that is interoperable with electronic toll collection systems currently operating in California.

(f) HOT lanes increase the efficiency of the transportation system by taking advantage of existing capacity without forfeiting the congestion mitigation and air quality benefits provided by HOV lanes.

(g) Revenue from HOT lane operations would be reinvested in projects and services that provide traffic congestion relief in the HOT lane corridor.

SEC. 2. Section 149.4 is added to the Streets and Highways Code, to read:

149.4. (a) (1) Notwithstanding Sections 149 and 30800 of this code, and Section 21655.5 of the Vehicle Code, the San Diego Association of Governments (SANDAG) may conduct, administer, and operate a value pricing and transit development demonstration program on a maximum of two transportation corridors in San Diego County.

(2) The program, under the circumstances described in subdivision (b), may direct and authorize the entry and use of high-occupancy vehicle lanes in corridors identified in paragraph (1) by single-occupant vehicles during peak periods, as defined by SANDAG, for a fee. The amount of the fee shall be established from time to time by SANDAG, and collected in a manner determined by SANDAG. A high-occupancy vehicle lane may only be operated as a high-occupancy toll (HOT) lane during the hours that the lane is otherwise restricted to use by high-occupancy vehicles.

(b) Implementation of the program shall ensure that Level of Service C, as measured by the most recent issue of the Highway Capacity Manual, as adopted by the Transportation Research Board, is maintained at all times in the high-occupancy vehicle lanes, except that subject to a written agreement between the department and SANDAG that is based on operating conditions of the high-occupancy vehicle lanes, Level of Service D shall be permitted on the high-occupancy vehicle lanes. If Level of Service D is permitted, the department and SANDAG shall evaluate the impacts of these levels of service of the high-occupancy vehicle lanes, and indicate any effects on the mixed-flow lanes. Continuance of Level of Service D operating conditions shall be subject to the written agreement between the department and SANDAG. Unrestricted access to the lanes by high-occupancy vehicles shall be available at all times. At least annually, the department shall audit the level of service during peak traffic hours and report the results of that audit at meetings of the program management team.

(c) Single-occupant vehicles that are certified or authorized by SANDAG for entry into, and use of, the high-occupancy vehicle lanes identified in paragraph (1) of subdivision (a) are exempt from Section 21655.5 of the Vehicle Code, and the driver shall not be in violation of the Vehicle Code because of that entry and use.

(d) SANDAG shall carry out the program in cooperation with the department pursuant to a cooperative agreement that addresses all matters related to design, construction, maintenance, and operation of state highway system facilities in connection with the value pricing and

transit development demonstration program. With the assistance of the department, SANDAG shall establish appropriate traffic flow guidelines for the purpose of ensuring optimal use of the express lanes by high-occupancy vehicles without adversely affecting other traffic on the state highway system.

(e) (1) Agreements between SANDAG, the department, and the Department of the California Highway Patrol shall identify the respective obligations and liabilities of those entities and assign them responsibilities relating to the program. The agreements entered into pursuant to this section shall be consistent with agreements between the department and the United States Department of Transportation relating to this program and shall include clear and concise procedures for enforcement by the Department of the California Highway Patrol of laws prohibiting the unauthorized use of the high-occupancy vehicle lanes. The agreements shall provide for reimbursement of state agencies, from revenues generated by the program, federal funds specifically allocated to SANDAG for the program by the federal government, or other funding sources that are not otherwise available to state agencies for transportation-related projects, for costs incurred in connection with the implementation or operation of the program.

(2) The revenue generated from the program shall be available to SANDAG for the direct expenses related to the operation (including collection and enforcement), maintenance, and administration of the demonstration program. Administrative expenses shall not exceed 3 percent of the revenues.

(3) All remaining revenue generated by the demonstration program shall be used in the corridor from which the revenue was generated exclusively for preconstruction, construction, and other related costs of high-occupancy vehicle facilities and the improvement of transit service, including, but not limited to, support for transit operations pursuant to an expenditure plan adopted by SANDAG.

(f) Not later than three years after SANDAG first collects revenues from any of the projects described in paragraph (1) of subdivision (a), SANDAG shall submit a report to the Legislature on its findings, conclusions, and recommendations concerning the demonstration program authorized by this section. The report shall include an analysis of the effect of the HOT lanes on the adjacent mixed-flow lanes and any comments submitted by the department and the Department of the California Highway Patrol regarding operation of the lane.

(g) The authority of SANDAG to conduct, administer, and operate a value pricing and transit development program on a transportation corridor pursuant to this section shall terminate on that corridor four years after SANDAG first collects revenues from the HOT lane project

on that corridor. SANDAG shall notify the department by letter of the date that revenues are first collected on that corridor.

SEC. 3. Section 149.5 is added to the Streets and Highways Code, to read:

149.5. (a) (1) Notwithstanding Sections 149 and 30800 of this code, and Section 21655.5 of the Vehicle Code, the Sunol Smart Carpool Lane Joint Powers Authority (SSCLJPA), consisting of the Alameda County Congestion Management Agency, Alameda County Transportation Improvement Authority, and the Santa Clara Valley Transportation Authority, may conduct, administer, and operate a value pricing high-occupancy vehicle program on the Sunol Grade segment of State Highway Route 680 (Interstate 680) in Alameda and Santa Clara Counties and the Alameda County Congestion Management Agency may conduct, administer, and operate a program on a corridor within Alameda County for a maximum of two transportation corridors in Alameda County pursuant to this section in coordination with the Metropolitan Transportation Commission and consistent with Section 21655.6 of the Vehicle Code.

(2) The program, under the circumstances described in subdivision (b), may direct and authorize the entry and use of the high-occupancy vehicle lanes in the corridors identified in paragraph (1) by single-occupant vehicles for a fee. The fee structure for each corridor shall be established from time to time by the administering agency. A high-occupancy vehicle lane may only be operated as a high-occupancy toll (HOT) lane during the hours that the lane is otherwise restricted to use by high-occupancy vehicles.

(3) The administering agency for each corridor shall enter into a cooperative agreement with the Bay Area Toll Authority to operate and manage the electronic toll collection system.

(b) Implementation of the program shall ensure that Level of Service C, as measured by the most recent issue of the Highway Capacity Manual, as adopted by the Transportation Research Board, is maintained at all times in the high-occupancy vehicle lanes, except that subject to a written agreement between the department and the administering agency that is based on operating conditions of the high-occupancy vehicle lanes, Level of Service D shall be permitted on the high-occupancy vehicle lanes. If Level of Service D is permitted, the department and the administering agency shall evaluate the impacts of these levels of service of the high-occupancy vehicle lanes, and indicate any effects on the mixed-flow lanes. Continuance of Level of Service D operating conditions shall be subject to the written agreement between the department and the administering agency. Unrestricted access to the lanes by high-occupancy vehicles shall be available at all times. At least annually, the department shall audit the level of service during peak

traffic hours and report the results of that audit at meetings of the administering agency.

(c) Single-occupant vehicles that are certified or authorized by the administering agency for entry into, and use of, the high-occupancy vehicle lanes identified in paragraph (1) of subdivision (a) are exempt from Section 21655.5 of the Vehicle Code, and the driver shall not be in violation of the Vehicle Code because of that entry and use.

(d) The administering agency shall carry out the program in cooperation with the department pursuant to a cooperative agreement that addresses all matters related to design, construction, maintenance, and operation of state highway system facilities in connection with the value pricing high-occupancy vehicle program. With the assistance of the department, the administering agency shall establish appropriate traffic flow guidelines for the purpose of ensuring optimal use of the express lanes by high-occupancy vehicles without adversely affecting other traffic on the state highway system.

(e) (1) Agreements between the administering agency, the department, and the Department of the California Highway Patrol shall identify the respective obligations and liabilities of those entities and assign them responsibilities relating to the program. The agreements entered into pursuant to this section shall be consistent with agreements between the department and the United States Department of Transportation relating to programs of this nature. The agreements shall include clear and concise procedures for enforcement by the Department of the California Highway Patrol of laws prohibiting the unauthorized use of the high-occupancy vehicle lanes, which may include the use of video enforcement. The agreements shall provide for reimbursement of state agencies, from revenues generated by the program, or other funding sources that are not otherwise available to state agencies for transportation-related projects, for costs incurred in connection with the implementation or operation of the program.

(2) The revenue generated from the program shall be available to the administering agency for the direct expenses related to the operation (including collection and enforcement), maintenance, and administration of the demonstration program. Administrative expenses shall not exceed 3 percent of the revenues.

(3) All net revenue generated by the program that remains after payment of direct expenses pursuant to paragraph (2) shall be allocated pursuant to an expenditure plan adopted biennially by the administering agency for transportation purposes within the program area. The expenditure plan may include funding for the following:

(A) The construction of high-occupancy vehicle facilities, including the design, preconstruction, construction, and other related costs of the northbound Interstate 680 Sunol Smart Carpool Lane project.

(B) Transit capital and operations that directly serve the authorized corridors.

(f) Not later than three years after the administering agency first collects revenues from the program authorized by this section, the administering agency shall submit a report to the Legislature on its findings, conclusions, and recommendations concerning the demonstration program authorized by this section. The report shall include an analysis of the effect of the HOT lanes on the adjacent mixed-flow lanes and any comments submitted by the department and the Department of the California Highway Patrol regarding operation of the lane.

(g) The authority of the administering agency to conduct, administer, and operate a value pricing high-occupancy vehicle program pursuant to this section shall terminate on that corridor four years after the administering agency first collects revenues from the HOT lane project on that corridor. The administering agency shall notify the department by letter of the date that revenues are first collected on that corridor.

SEC. 4. Section 149.6 is added to the Streets and Highways Code, to read:

149.6. (a) Notwithstanding Sections 149 and 30800, and Section 21655.5 of the Vehicle Code, the Santa Clara Valley Transportation Authority (VTA) created by Part 12 (commencing with Section 100000) of the Public Utilities Code may conduct, administer, and operate a value pricing program on any two of the transportation corridors included in the high-occupancy vehicle lane system in Santa Clara County in coordination with the Metropolitan Transportation Commission and consistent with Section 21655.6 of the Vehicle Code.

(1) VTA, under the circumstances described in subdivision (b), may direct and authorize the entry and use of those high-occupancy vehicle lanes by single-occupant vehicles for a fee. The fee structure shall be established from time to time by the authority. The fee shall be collected in a manner determined by the authority. A high-occupancy vehicle lane may only be operated as a high-occupancy toll (HOT) lane during the hours that the lane is otherwise restricted to use by high-occupancy vehicles.

(2) VTA shall enter into a cooperative agreement with the Bay Area Toll Authority to operate and manage the electronic toll collection system.

(b) Implementation of the program shall ensure that Level of Service C, as measured by the most recent issue of the Highway Capacity Manual, as adopted by the Transportation Research Board, is maintained at all times in the high-occupancy vehicle lanes, except that subject to a written agreement between the department and VTA that is based on operating conditions of the high-occupancy vehicle lanes, Level of

Service D shall be permitted on the high-occupancy vehicle lanes. If Level of Service D is permitted, the department and VTA shall evaluate the impacts of these levels of service of the high-occupancy vehicle lanes, and indicate any effects on the mixed-flow lanes. Continuance of Level of Service D operating conditions shall be subject to the written agreement between the department and VTA. Unrestricted access to the lanes by high-occupancy vehicles shall be available at all times. At least annually, the department shall audit the level of service during peak traffic hours and report the results of that audit at meetings of the program management team.

(c) Single-occupant vehicles that are certified or authorized by the authority for entry into, and use of, the high-occupancy vehicle lanes in Santa Clara County are exempt from Section 21655.5 of the Vehicle Code, and the driver shall not be in violation of the Vehicle Code because of that entry and use.

(d) VTA shall carry out the program in cooperation with the department pursuant to a cooperative agreement that addresses all matters related to design, construction, maintenance, and operation of state highway system facilities in connection with the value pricing program. With the assistance of the department, VTA shall establish appropriate traffic flow guidelines for the purpose of ensuring optimal use of the express lanes by high-occupancy vehicles without adversely affecting other traffic on the state highway system.

(e) (1) Agreements between VTA, the department, and the Department of the California Highway Patrol shall identify the respective obligations and liabilities of those entities and assign them responsibilities relating to the program. The agreements entered into pursuant to this section shall be consistent with agreements between the department and the United States Department of Transportation relating to this program. The agreements shall include clear and concise procedures for enforcement by the Department of the California Highway Patrol of laws prohibiting the unauthorized use of the high-occupancy vehicle lanes, which may include the use of video enforcement. The agreements shall provide for reimbursement of state agencies, from revenues generated by the program, federal funds specifically allocated to the authority for the program by the federal government, or other funding sources that are not otherwise available to state agencies for transportation-related projects, for costs incurred in connection with the implementation or operation of the program.

(2) The revenues generated by the program shall be available to VTA for the direct expenses related to the operation (including collection and enforcement), maintenance, and administration of the program. The VTA's administrative costs in the operation of the program shall not exceed 3 percent of the revenues.

(3) All remaining revenue generated by the demonstration program shall be used in the corridor from which the revenues were generated exclusively for the preconstruction, construction, and other related costs of high-occupancy vehicle facilities and the improvement of transit service, including, but not limited to, support for transit operations pursuant to an expenditure plan adopted by the VTA.

(f) Not later than three years after VTA first collects revenues from any of the projects described in paragraph (1) of subdivision (a), VTA shall submit a report to the Legislature on its findings, conclusions, and recommendations concerning the demonstration program authorized by this section. The report shall include an analysis of the effect of the HOT lanes on adjacent mixed-flow lanes and any comments submitted by the department and the Department of the California Highway Patrol regarding operation of the lanes.

(g) The authority of VTA to conduct, administer, and operate a value pricing high-occupancy vehicle program on a transportation corridor pursuant to this section shall terminate on that corridor four years after VTA first collects revenues from the HOT lane project on that corridor. VTA shall notify the department by letter of the date that revenues are first collected on that corridor.

CHAPTER 420

An act to amend Sections 27315, 27360, 27360.5, 27361, 27362, and 27365 of the Vehicle Code, relating to vehicles.

[Approved by Governor September 9, 2004. Filed with Secretary of State September 9, 2004.]

The people of the State of California do enact as follows:

SECTION 1. Section 27315 of the Vehicle Code is amended to read:

27315. (a) The Legislature finds that a mandatory seatbelt law will contribute to reducing highway deaths and injuries by encouraging greater usage of existing manual seatbelts, that automatic crash protection systems which require no action by vehicle occupants offer the best hope of reducing deaths and injuries, and that encouraging the use of manual safety belts is only a partial remedy for addressing this major cause of death and injury. The Legislature declares that the enactment of this section is intended to be compatible with support for federal safety standards requiring automatic crash protection systems and should not be used in any manner to rescind federal requirements for installation of automatic restraints in new cars.

(b) This section shall be known and may be cited as the Motor Vehicle Safety Act.

(c) (1) As used in this section, ''motor vehicle'' means a passenger vehicle, a motortruck, or a truck tractor, but does not include a motorcycle.

(2) For purposes of this section, a ''motor vehicle'' also means any farm labor vehicle, regardless of the date of certification under Section 31401.

(d) (1) A person may not operate a motor vehicle on a highway unless that person and all passengers 16 years of age or over are properly restrained by a safety belt. This paragraph does not apply to the operator of a taxicab, as defined in Section 27908, when the taxicab is driven on a city street and is engaged in the transportation of a fare-paying passenger. The safety belt requirement established by this paragraph is the minimum safety standard applicable to employees being transported in a motor vehicle. This paragraph does not preempt any more stringent or restrictive standards imposed by the Labor Code or any other state or federal regulation regarding the transportation of employees in a motor vehicle.

(2) The operator of a limousine for hire or the operator of an authorized emergency vehicle, as defined in subdivision (a) of Section 165, may not operate the limousine for hire or authorized emergency vehicle unless the operator and any passengers six years of age or over or weighing 60 pounds or more, in the front seat are properly restrained by a safety belt.

(3) The operator of a taxicab may not operate the taxicab unless any passengers six years of age or over or weighing 60 pounds or more, in the front seat are properly restrained by a safety belt.

(e) A person 16 years of age or over may not be a passenger in a motor vehicle on a highway unless that person is properly restrained by a safety belt. This subdivision does not apply to a passenger in a sleeper berth, as defined in subdivision (v) of Section 1201 of Title 13 of the California Code of Regulations.

(f) Every owner of a motor vehicle, including every owner or operator of a taxicab, as defined in Section 27908, or a limousine for hire, operated on a highway shall maintain safety belts in good working order for the use of occupants of the vehicle. The safety belts shall conform to motor vehicle safety standards established by the United States Department of Transportation. This subdivision does not, however, require installation or maintenance of safety belts where not required by the laws of the United States applicable to the vehicle at the time of its initial sale.

(g) This section does not apply to a passenger or operator with a physically disabling condition or medical condition which would prevent appropriate restraint in a safety belt, if the condition is duly certified by a licensed physician and surgeon or by a licensed chiropractor who shall state the nature of the condition, as well as the reason the restraint is inappropriate. This section also does not apply to a public employee, when in an authorized emergency vehicle as defined in paragraph (1) of subdivision (b) of Section 165, or to any passenger in any seat behind the front seat of an authorized emergency vehicle as defined in paragraph (1) of subdivision (b) of Section 165 operated by the public employee, unless required by the agency employing the public employee.

(h) Notwithstanding subdivision (a) of Section 42001, any violation of subdivision (d), (e), or (f) is an infraction punishable by a fine of not more than twenty dollars ($20) for a first offense, and a fine of not more than fifty dollars ($50) for each subsequent offense. In lieu of the fine and any penalty assessment or court costs, the court, pursuant to Section 42005, may order that a person convicted of a first offense attend a school for traffic violators or any other court-approved program in which the proper use of safety belts is demonstrated.

(i) In a civil action, a violation of subdivision (d), (e), or (f) or information of a violation of subdivision (h) does not establish negligence as a matter of law or negligence per se for comparative fault purposes, but negligence may be proven as a fact without regard to the violation.

(j) If the United States Secretary of Transportation fails to adopt safety standards for manual safety belt systems by September 1, 1989, no motor vehicle manufactured after that date for sale or sold in this state shall be registered unless it contains a manual safety belt system which meets the performance standards applicable to automatic crash protection devices adopted by the Secretary of Transportation pursuant to Federal Motor Vehicle Safety Standard No. 208 (49 C.F.R. 571.208) as in effect on January 1, 1985.

(k) Each motor vehicle offered for original sale in this state which has been manufactured on or after September 1, 1989, shall comply with the

automatic restraint requirements of Section S4.1.2.1 of Federal Motor Vehicle Safety Standard No. 208 (49 C.F.R. 571.208), as published in Volume 49 of the Federal Register, No. 138, page 29009. (m) This section does not apply to a person actually engaged in delivery of newspapers to customers along the person's route if the person is properly restrained by a safety belt prior to commencing and subsequent to completing delivery on the route.

(n) This section does not apply to a person actually engaged in collection and delivery activities as a rural delivery carrier for the United States Postal Service if the person is properly restrained by a safety belt prior to stopping at the first box and subsequent to stopping at the last box on the route.

(o) This section does not apply to a driver actually engaged in the collection of solid waste or recyclable materials along that driver's collection route if the driver is properly restrained by a safety belt prior to commencing and subsequent to completing the collection route.

(p) Subdivisions (d), (e), (f), (g), and (h) shall become inoperative immediately upon the date that the United States Secretary of Transportation, or his or her delegate, determines to rescind the portion of the Federal Motor Vehicle Safety Standard No. 208 (49 C.F.R. 571.208) which requires the installation of automatic restraints in new motor vehicles, except that those subdivisions shall not become inoperative if the secretary's decision to rescind that Standard No. 208 is not based, in any respect, on the enactment or continued operation of those subdivisions.

SEC. 2. Section 27360 of the Vehicle Code, as added by Section 2 of Chapter 524 of the Statutes of 2003, is amended to read:

27360. (a) A parent or legal guardian, when present in a motor vehicle, as defined in Section 27315, may not permit his or her child or ward to be transported upon a highway in the motor vehicle without properly securing the child or ward in a rear seat in a child passenger restraint system meeting applicable federal motor vehicle safety standards, unless the child or ward is one of the following:

(2) Sixty pounds or more.

(b) (1) A driver may not transport on a highway a child in a motor vehicle, as defined in Section 27315, without properly securing the child

in a rear seat in a child passenger restraint system meeting applicable federal motor vehicle safety standards, unless the child is one of the following:

(A) Six years of age or older.

(B) Sixty pounds or more.

(2) This subdivision does not apply to a driver if the parent or legal guardian of the child is also present in the vehicle and is not the driver.

(c) (1) For purposes of subdivisions (a) and (b), and except as provided in paragraph (2), a child or ward under the age of six years who weighs less than 60 pounds may ride in the front seat of a motor vehicle, if properly secured in a child passenger restraint system that meets applicable federal motor vehicle safety standards, under any of the following circumstances:

(C) The rear seats are rear-facing seats.

(D) The child passenger restraint system cannot be installed properly in the rear seat.

(F) Medical reasons necessitate that the child or ward not ride in the rear seat. The court may require satisfactory proof of the child's medical condition.

(2) A child or ward may not ride in the front seat of a motor vehicle with an active passenger airbag if the child or ward is one of the following:

(A) Under one year of age.

(B) Less than 20 pounds.

(C) Riding in a rear-facing child passenger restraint system.

(d) (1) (A) A first offense under this section is punishable by a fine of one hundred dollars ($100), except that the court may reduce or waive the fine if the defendant establishes to the satisfaction of the court that he or she is economically disadvantaged, and the court, instead, refers the defendant to a community education program that includes, but is not limited to, education on the proper installation and use of a child passenger restraint system for children of all ages, and provides certification to the court of completion of that program. Upon completion of the program, the defendant shall provide proof of participation in the program. If an education program on the proper installation and use of a child passenger restraint system is not available within 50 miles of the residence of the defendant, the requirement to participate in that program shall be waived. If the fine is paid, waived, or reduced, the court shall report the conviction to the department pursuant to Section 1803.

The court may require a defendant described under this section to attend an education program that includes demonstration of proper installation and use of a child passenger restraint system and provides certification to the court that the defendant has presented for inspection a child passenger restraint system that meets applicable federal safety standards.

(2) A second or subsequent offense under this section is punishable by a fine of two hundred fifty dollars ($250), no part of which may be waived by the court, except that the court may reduce or waive the fine if the defendant establishes to the satisfaction of the court that he or she is economically disadvantaged, and the court, instead refers the defendant to a community education program that includes, but is not limited to, education on the proper installation and use of child passenger restraint systems for children of all ages, and provides certification to the court of completion of that program. Upon completion of the program, the defendant shall provide proof of participation in the program. If an education program on the proper installation and use of a child passenger restraint system is not available within 50 miles of the residence of the defendant, the requirement to participate in that program shall be waived. If the fine is paid, waived, or reduced, the court shall report the conviction to the department pursuant to Section 1803.

The court may require a defendant described under this section to attend an education program that includes demonstration of proper installation and use of a child passenger restraint system and provides certification to the court that the defendant has presented for inspection a child passenger restraint system that meets applicable federal safety standards.

(e) Notwithstanding any other provision of law, the fines collected for a violation of this section shall be allocated as follows:

(1) Sixty percent to health departments of local jurisdictions where the violation occurred, to be used for a community education program that includes, but is not limited to, demonstration of the installation of a child passenger restraint system for children of all ages and also assists an economically disadvantaged family in obtaining a restraint system through a low-cost purchase or loan. The county or city health department shall designate a coordinator to facilitate the creation of a special account and to develop a relationship with the court system to facilitate the transfer of funds to the program. The county or city may contract for the implementation of the program. Prior to obtaining possession of a child passenger restraint system pursuant to this section, a person shall attend an education program that includes demonstration of proper installation and use of a child passenger restraint system.

As the proceeds from fines become available, county or city health departments shall prepare and maintain a listing of all child passenger

restraint low-cost purchase or loaner programs in their counties, including a semiannual verification that all programs listed are in existence. Each county or city shall forward the listing to the Office of Traffic Safety in the Business, Transportation and Housing Agency and the courts, birthing centers, community child health and disability prevention programs, county clinics, prenatal clinics, women, infants, and children programs, and county hospitals in that county, who shall make the listing available to the public. The Office of Traffic Safety shall maintain a listing of all of the programs in the state.

(2) Twenty-five percent to the county or city for the administration of the program.

(3) Fifteen percent to the city, to be deposited in its general fund except that, if the violation occurred in an unincorporated area, this amount shall be allocated to the county for purposes of paragraph (1).

This subdivision does not apply to a driver if the parent or legal guardian of the child is also present in the vehicle and is not the driver.

(c) (1) A first offense under this section is punishable by a fine of one hundred dollars ($100), except that the court may reduce or waive the fine if the defendant establishes to the satisfaction of the court that he or she is economically disadvantaged, and the court, instead, refers the defendant to a child restraint education program that includes, but is not limited to, demonstration of the proper installation and use of child passenger restraint systems for children of all ages, and provides economically disadvantaged families with a child passenger restraint low-cost purchase or loaner program. Upon completion of the program, the defendant shall provide proof of participation in the program that includes an inspection of a child passenger restraint system that meets applicable federal safety standards. If an education program on the proper installation and use of a child passenger restraint system is not available within 50 miles of the residence of the defendant, the

requirement to participate in that program shall be waived. If the fine is paid, waived, or reduced, the court shall report the conviction to the department pursuant to Section 1803.

The court may, at its discretion, require any defendant described under this section to attend an education program that includes demonstration of proper installation and use of child passenger restraint systems and provides certification to the court that the defendant has presented for inspection a child passenger restraint system that meets applicable federal safety standards.

(2) A second or subsequent offense under this section is punishable by a fine of two hundred fifty dollars ($250), no part of which may be waived by the court, except that the court may reduce or waive the fine if the defendant establishes to the satisfaction of the court that he or she is economically disadvantaged, and the court, instead refers the defendant to a community education program that includes, but is not limited to, education on the proper installation and use of child passenger restraint systems for children of all ages, and provides certification to the court of completion of that program. Upon completion of the program, the defendant shall provide proof of participation in the program. If an education program on the proper installation and use of a child passenger restraint system is not available within 50 miles of the residence of the defendant, the requirement to participate in that program shall be waived. If the fine is paid, waived, or reduced, the court shall report the conviction to the department pursuant to Section 1803.

The court may at its discretion, require any defendant described under this section to attend an education program that includes demonstration of proper installation and use of child passenger restraint systems and provides certification to the court that the defendant has presented for inspection a child passenger restraint system that meets applicable federal safety standards.

(d) Notwithstanding any other provision of law, the fines collected for a violation of this section shall be allocated as follows:

(1) Sixty percent to county or city health departments where the violation occurred, to be used for an education program that includes, but is not limited to, the demonstration of proper installation and use of child passenger restraint systems for children of all ages and provides child restraints for loan or low-cost purchase.

A law enforcement officer reasonably suspecting a violation of Section 27360 or 27360.5, or both of those sections, may stop a vehicle transporting a child appearing to the officer to be within the age or weight specified in Section 27360 or 27360.5. The officer may issue a notice to appear for a violation of Section 27360 or 27360.5.

SEC. 5. Section 27362 of the Vehicle Code is amended to read:

27362. (a) A manufacturer, wholesaler, or retailer shall not sell, offer for sale, or install in a motor vehicle, a child passenger restraint system that does not conform to all applicable federal motor vehicle safety standards on the date of manufacture. Responsibility for compliance with this section shall rest with the individual selling the system, offering the system for sale, or installing the system. A person who violates this section is guilty of a misdemeanor and shall be punished as follows:

(1) Upon a first conviction, by a fine not exceeding four hundred dollars ($400), or by imprisonment in the county jail for a period of not more than 90 days, or both.

(a) (1) Every car rental agency in California shall inform each of its customers of Section 27360 by posting, in a place conspicuous to the public in each established place of business of the agency, a notice not smaller than 15 by 20 inches which states the following: ''CALIFORNIA LAW REQUIRES ALL CHILDREN UNDER 6 YEARS OF AGE WHO WEIGH LESS THAN 60 POUNDS TO BE TRANSPORTED IN THE BACK SEAT OF THE VEHICLE IN A CHILD RESTRAINT SYSTEM. THIS AGENCY IS REQUIRED TO PROVIDE FOR RENTAL A CHILD RESTRAINT SYSTEM IF YOU DO NOT HAVE A CHILD RESTRAINT SYSTEM YOURSELF.''

(2) The posted notice specified in paragraph (1) is not required if the car rental agency's place of business is located in a hotel that has a business policy prohibiting the posting of signs or notices in any area of the hotel. In that case, a car rental agency shall furnish a written notice to each customer that contains the same information as required for the posted notice.

(b) Every car rental agency in California shall have available for, and shall, upon request, provide for rental to, adults traveling with children under six years of age, child passenger restraint systems that are certified by the manufacturer to meet applicable federal motor vehicle safety standards for use by children weighing 60 pounds or less, are in good and safe condition, with no missing original parts, and are not older than five years.

[Approved by Governor September 9, 2004. Filed with Secretary of State September 9, 2004.]

The people of the State of California do enact as follows:

SECTION 1. Chapter 7 (commencing with Section 1963) is added to Division 2.5 of the Streets and Highways Code, to read:

CHAPTER 7. NEIGHBORHOOD ELECTRIC VEHICLE TRANSPORTATION PLAN

1963. It is the intent of the Legislature, in enacting this chapter, to authorize the City of Lincoln and the City of Rocklin in the County of Placer to establish a neighborhood electric vehicle (NEV) transportation plan for a plan area in the city. It is the further intent of the Legislature that this transportation plan be designed and developed to best serve the functional travel needs of the plan area, to have the physical safety of the NEV driver's person and property as a major planning component, and to have the capacity to accommodate NEV drivers of every legal age and range of skills. It is the intent of the Legislature, in enacting this chapter, to encourage discussions between the Legislature, the Department of Motor Vehicles, and the California Highway Patrol regarding the adoption of a new classification for licensing motorists who use neighborhood electric vehicles.

1963.1. The following definitions apply to this chapter:

(a) ''Plan area'' means that territory under the jurisdiction of the City of Lincoln or the City of Rocklin designated by the city for a NEV transportation plan, including the privately owned land of any owner that consents to its inclusion in the plan.

(b) ''Neighborhood electric vehicle'' or ''NEV'' means a low-speed vehicle as defined by Section 385.5 of the Vehicle Code.

(c) ''NEV lanes'' means all publicly owned facilities that provide for NEV travel including roadways designated by signs or permanent markings which are shared with pedestrians, bicyclists, and other motorists in the plan area.

(d) ''Speed-modified golf cart'' means a golf cart that is modified to meet the safety requirements of Section 571.500 of Title 49 of the Code of Federal Regulations.

1963.2. (a) The City of Lincoln and the City of Rocklin may, by ordinance or resolution, adopt a NEV transportation plan.

(b) The transportation plan shall have received a prior review and the comments of the appropriate transportation planning agency designated under subdivision (a) or (b) of Section 29532 of the Government Code and any agency having traffic law enforcement responsibilities in the City of Lincoln or the City of Rocklin.

(c) The transportation plan may include the use of a state highway, or any crossing of the highway, subject to the approval of the Department of Transportation.

1963.3. The transportation plan shall include, but is not limited to, all of the following elements:

(a) Route selection, which includes a finding that the route will accommodate NEVs without an adverse impact upon traffic safety, and will consider, among other things, the travel needs of commuters and other users.

(b) Transportation interfacing, which shall include, but not be limited to, coordination with other modes of transportation so that a NEV driver may employ multiple modes of transportation in reaching a destination in the plan area.

(c) Citizens and community involvement in planning.

(d) Flexibility and coordination with long-range transportation planning.

(e) Provision for NEV related facilities including, but not limited to, special access points and NEV crossings.

(f) Provisions for parking facilities, including, but not limited to, community commercial centers, golf courses, public areas, parks, and other destination locations.

(g) Provisions for special paving, road markings, signage and striping for NEV travel lanes, road crossings, parking, and circulation.

(h) Provisions for NEV electrical charging stations.

(i) NEV lanes for the purposes of the transportation plan shall be classified as follows:

(1) Class I NEV routes provide for a completely separate right-of-way for the use of NEVs.

(2) Class II NEV routes provide for a separate striped lane adjacent to roadways with speed limits of 55 miles per hour or less.

(3) Class III NEV routes provide for shared use by NEVs with conventional vehicle traffic on streets with a posted speed limit of 35 miles per hour or less.

1963.4. If the City of Lincoln or the City of Rocklin adopts a NEV transportation plan, it shall do both of the following:

(a) Establish minimum general design criteria for the development, planning, and construction of separated NEV lanes, including, but not limited to, the design speed of the facility, the space requirements of the NEV, and roadway design criteria.

(b) In cooperation with the department, establish uniform specifications and symbols for signs, markers, and traffic control devices to control NEV traffic; to warn of dangerous conditions, obstacles, or hazards; to designate the right-of-way as between NEVs, other vehicles, and bicycles; to state the nature and destination of the NEV lane; and to warn pedestrians, bicyclists, and motorists of the presence of NEV traffic.

1963.5. If the City of Lincoln or the City of Rocklin adopts a NEV transportation plan, each city may do the following:

(a) Acquire, by dedication, purchase, or condemnation, real property, including easements or rights-of-way, to establish NEV lanes.

(b) Establish a NEV transportation plan as authorized by this chapter.

1963.6. If the City of Lincoln or the City of Rocklin adopts a NEV transportation plan, each city shall also adopt all of the following as part of the plan:

(a) NEVs eligible to use NEV lanes shall meet the safety requirements for low-speed vehicles as set forth in Section 571.500 of Title 49 of the Code of Federal Regulations.

(b) A permit process for golf carts that requires speed-modified golf carts to meet minimum design criteria adopted pursuant to subdivision (a). The permit process may include, but not be limited to, permit posting, permit renewal, operator education, and other related matters.

(c) Minimum safety criteria for NEV operators, including, but not limited to, requirements relating to NEV maintenance and NEV safety. Operators shall be required to possess a valid California driver's license and to comply with the financial responsibility requirements established pursuant to Chapter 1 (commencing with Section 16000) of Division 7.

(d) (1) Restrictions limiting the operation of NEVs to separated NEV lanes on those roadways identified in the transportation plan, and

allowing only those NEVs and speed-modified golf carts that meet the safety equipment requirements specified in the plan to be operated on separated NEV lanes of approved roadways in the plan area.

(2) Any person operating a NEV in the plan area in violation of this subdivision is guilty of an infraction punishable by a fine not exceeding one hundred dollars ($100).

1963.7. (a) If the City of Lincoln or the City of Rocklin adopts a NEV transportation plan pursuant to this chapter, the cities shall jointly submit a report to the Legislature on or before January 1, 2008, in consultation with the Department of Transportation, the Department of the California Highway Patrol, and local law enforcement agencies.

(b) The report shall include all of the following:

(1) A description of all NEV transportation plans and their elements that have been authorized up to that time.

(2) An evaluation of the effectiveness of the NEV transportation plans, including their impact on traffic flows and safety.

(3) A recommendation as to whether this chapter should be terminated, continued in existence applicable solely to the City of Lincoln and the City of Rocklin in the County of Placer, or expanded statewide.

1963.8. This chapter shall remain in effect only until January 1, 2009, and as of that date is repealed, unless a later enacted statute, that is enacted before January 1, 2009, deletes or extends that date.

SEC. 2. Section 385.5 of the Vehicle Code is amended to read:

385.5. A ''low-speed vehicle'' is a motor vehicle, other than a motor truck, having four wheels on the ground and an unladen weight of 1,800 pounds or less, that is capable of propelling itself at a minimum speed of 20 miles per hour and a maximum speed of 25 miles per hour, on a paved level surface. For the purposes of this section, a ''low-speed vehicle'' is not a golf cart, except when operated pursuant to Section 21115 or 21115.1. A ''low-speed vehicle'' is also known as a ''neighborhood electric vehicle.''

SEC. 3. Section 21250 of the Vehicle Code is amended to read:

21250. For the purposes of this article, a low-speed vehicle means a vehicle as defined in Section 385.5. A ''low-speed vehicle'' is also known as a ''neighborhood electric vehicle.''

SEC. 4. Section 21251 of the Vehicle Code is amended to read:

21251. Except as provided in Sections 1963 to 1963.8, inclusive, of the Streets and Highways Code, and Sections 4023, 21115, and 21115.1, a low-speed vehicle is subject to all the provisions applicable to a motor vehicle, and the driver of a low-speed vehicle is subject to all the provisions applicable to the driver of a motor vehicle or other vehicle, when applicable, by this code or any other code, with the exception of those provisions which, by their very nature, can have no application.

SEC. 5. Section 21260 of the Vehicle Code is amended to read:

21260. (a) Except as provided in paragraph (1) of subdivision (b), or in an area where a neighborhood electric vehicle transportation plan has been adopted pursuant to Chapter 7 (commencing with Section 1963) of Division 2.5 of the Streets and Highways Code, the operator of a low-speed vehicle shall not operate the vehicle on any roadway with a speed limit in excess of 35 miles per hour.

(b) (1) The operator of a low-speed vehicle may cross a roadway with a speed limit in excess of 35 miles per hour if the crossing begins and ends on a roadway with a speed limit of 35 miles per hour or less and occurs at an intersection of approximately 90 degrees.

(2) Notwithstanding paragraph (1), the operator of a low-speed vehicle shall not traverse an uncontrolled intersection with any state highway unless that intersection has been approved and authorized by the agency having primary traffic enforcement responsibilities for that crossing by a low-speed vehicle.

SEC. 6. No reimbursement is required by this act pursuant to Section 6 of Article XIII B of the California Constitution because the only costs that may be incurred by a local agency or school district will be incurred because this act creates a new crime or infraction, eliminates a crime or infraction, or changes the penalty for a crime or infraction, within the meaning of Section 17556 of the Government Code, or changes the definition of a crime within the meaning of Section 6 of Article XIII B of the California Constitution.

(4) The expansion area is contiguous to the targeted tax area.

(5) The expansion meets the criteria established in paragraphs (1), (2), and (3) of subdivision (b) of Section 7074.

(b) The department shall respond in writing to any application for a proposed expansion of the targeted tax area within 90 days of the date on which the application is deemed complete.

The people of the State of California do enact as follows:

SECTION 1. Section 6609.1 of the Welfare and Institutions Code is amended to read:

6609.1. (a) (1) When the State Department of Mental Health makes a recommendation to the court for community outpatient treatment for any person committed as a sexually violent predator, or when a person who is committed as a sexually violent predator pursuant to this article has petitioned a court pursuant to Section 6608 for conditional release under supervision and treatment in the community pursuant to a conditional release program, or has petitioned a court pursuant to Section 6608 for subsequent unconditional discharge, and the department is notified, or is aware, of the filing of the petition, and when a community placement location is recommended or proposed, the department shall notify the sheriff or chief of police, or both, the district attorney, or the county's designated counsel, that have jurisdiction over the following locations:

(A) The community in which the person may be released for community outpatient treatment.

(B) The community in which the person maintained his or her last legal residence as defined by Section 3003 of the Penal Code.

(C) The county that filed for the person's civil commitment pursuant to this article.

(2) The department shall also notify the Sexually Violent Predator Parole Coordinator of the Department of Corrections, if the person is otherwise subject to parole pursuant to Article 1 (commencing with Section 3000) of Chapter 8 of Title 1 of Part 3 of the Penal Code. The department shall also notify the Department of Justice.

(3) The notice shall be given when the department or its designee makes a recommendation under subdivision (e) of Section 6608 or proposes a placement location without making a recommendation, or when any other person proposes a placement location to the court and the department or its designee is made aware of the proposal.

(4) The notice shall be given at least 15 days prior to the department's submission of its recommendation to the court in those cases in which the department recommended community outpatient treatment under Section 6607, or in which the department or its designee is recommending or proposing a placement location, or in the case of a petition or placement proposal by someone other than the department or its designee, within 48 hours after becoming aware of the petition or placement proposal.

(5) The notice shall state that it is being made under this section and include all of the following information concerning each person committed as a sexually violent predator who is proposed or is petitioning to receive outpatient care in a conditional release program in that city or county:

(A) The name, proposed placement address, date of commitment, county from which committed, proposed date of placement in the conditional release program, fingerprints, and a glossy photograph no smaller than $3\ 1/8$ X $3\ 1/8$ inches in size, or clear copies of the fingerprints and photograph.

(B) The date, place, and time of the court hearing at which the location of placement is to be considered and a proof of service attesting to the notice's mailing in accordance with this subdivision.

(C) A list of agencies that are being provided this notice and the addresses to which the notices are being sent.

(b) Those agencies receiving the notice referred to in paragraphs (1) and (2) of subdivision (a) may provide written comment to the department and the court regarding the impending release, placement, location, and conditions of release. All community agency comments shall be combined and consolidated. In addition, a single agency in the community of the specific proposed or recommended placement address may suggest appropriate, alternative locations for placement within that community. The State Department of Mental Health shall issue a written statement to the commenting agencies and to the court within 10 days of receiving the written comments with a determination as to whether to adjust the release location or general terms and conditions, and explaining the basis for its decision. In lieu of responding to the individual community agencies or individuals, the department's statement responding to the community comment shall be in the form of a public statement.

(c) The agencies' comments and department's statements shall be considered by the court which shall, based on those comments and statements, approve, modify, or reject the department's recommendation or proposal regarding the community or specific address to which the person is scheduled to be released or the conditions that shall apply to the release if the court finds that the department's recommendation or proposal is not appropriate.

(d) (1) When the State Department of Mental Health makes a recommendation to pursue recommitment, makes a recommendation not to pursue recommitment, or seeks a judicial review of commitment status pursuant to subdivision (f) of Section 6605, of any person committed as a sexually violent predator, it shall provide written notice of that action to the sheriff or chief of police, or both, and to the district attorney, that have jurisdiction over the following locations:

(A) The community in which the person maintained his or her last legal residence as defined by Section 3003 of the Penal Code.

(B) The community in which the person will probably be released, if recommending not to pursue recommitment.

(C) The county that filed for the person's civil commitment pursuant to this article.

(2) The State Department of Mental Health shall also notify the Sexually Violent Predator Parole Coordinator of the Department of Corrections, if the person is otherwise subject to parole pursuant to Article 1 (commencing with Section 3000) of Chapter 8 of Title 1 of Part 3 of the Penal Code. The State Department of Mental Health shall also notify the Department of Justice. The notice shall be made at least 15 days prior to the department's submission of its recommendation to the court.

(3) Those agencies receiving the notice referred to in this subdivision shall have 15 days from receipt of the notice to provide written comment to the department regarding the impending release. Those comments shall be considered by the department, which may modify its decision regarding the community in which the person is scheduled to be released, based on those comments.

(e) (1) If the court orders the release of a sexually violent predator, the court shall notify the Sexually Violent Predator Parole Coordinator of the Department of Corrections. The Department of Corrections shall notify the Department of Justice, the State Department of Mental Health, the sheriff or chief of police or both, and the district attorney, that have jurisdiction over the following locations:

(A) The community in which the person is to be released.

(B) The community in which the person maintained his or her last legal residence as defined in Section 3003 of the Penal Code.

(2) The Department of Corrections shall make the notifications required by this subdivision regardless of whether the person released will be serving a term of parole after release by the court.

(f) If the person is otherwise subject to parole pursuant to Article 1 (commencing with Section 300) of Chapter 8 of Title 1 of Part 3 of the Penal Code, to allow adequate time for the Department of Corrections to make appropriate parole arrangements upon release of the person, the person shall remain in physical custody for a period not to exceed 72 hours or until parole arrangements are made by the Sexually Violent Predator Parole Coordinator of the Department of Corrections, whichever is sooner. To facilitate timely parole arrangements, notification to the Sexually Violent Predator Parole Coordinator of the Department of Corrections of the pending release shall be made by telephone or facsimile and, to the extent possible, notice of the possible

release shall be made in advance of the proceeding or decision determining whether to release the person.

(g) The notice required by this section shall be made whether or not a request has been made pursuant to Section 6609.

(h) The time limits imposed by this section are not applicable when the release date of a sexually violent predator has been advanced by a judicial or administrative process or procedure that could not have reasonably been anticipated by the State Department of Mental Health and where, as the result of the time adjustments, there is less than 30 days remaining on the commitment before the inmate's release, but notice shall be given as soon as practicable.

(i) In the case of any subsequent community placement or change of community placement of a conditionally released sexually violent predator, notice required by this section shall be given under the same terms and standards as apply to the initial placement, except in the case of an emergency where the sexually violent predator must be moved to protect the public safety or the safety of the sexually violent predator. In the case of an emergency, the notice shall be given as soon as practicable, and the affected communities may comment on the placement as described in subdivision (b).

(j) The provisions of this section are severable. If any provision of this section or its application is held invalid, that invalidity shall not affect other provisions or applications that can be given effect without the invalid provision or application.

However, the board may issue written permits authorizing an individual optometrist or an optometric group or optometric corporation to use a name specified in the permit in connection with its practice if, and only if, the board finds to its satisfaction that:

(a) The place or establishment, or the portion thereof, in which the applicant or applicants practice, is owned or leased by the applicant or applicants, and the practice conducted at that place or establishment, or portion thereof, is wholly owned and entirely controlled by the applicant or applicants; provided, however, that where the applicant or applicants

are practicing optometry in a community clinic, as defined in subdivision (a) of Section 1204 of the Health and Safety Code, this subdivision shall not apply.

(b) The name under which the applicant or applicants propose to operate is in the judgment of the board not deceptive or inimical to enabling a rational choice for the consumer public and contains at least one of the following designations: ''optometry'' or ''optometric''; provided, however, that where the applicant or applicants are practicing optometry in a community clinic, as defined in subdivision (a) of Section 1204 of the Health and Safety Code, this subdivision shall not apply. Proceedings for revocation or suspension shall be governed by the Administrative Procedure Act.

In the event the board revokes or suspends the certificate to practice optometry of an individual optometrist or any member of a corporation or group to whom a permit has been issued under this section, the revocation or suspension shall also constitute revocation or suspension, as the case may be, of the permit.

SEC. 46. No reimbursement is required by this act pursuant to Section 6 of Article XIII B of the California Constitution because the only costs that may be incurred by a local agency or school district will be incurred because this act creates a new crime or infraction, eliminates a crime or infraction, or changes the penalty for a crime or infraction, within the meaning of Section 17556 of the Government Code, or

SEC. 3. Article 16.3 (commencing with Section 1758.7) is added to Chapter 5 of Part 2 of Division 1 of the Insurance Code, to read:

Article 16.3. Self-Service Storage Agents

1758.7. (a) No self-service storage facility, or franchisee of a self-service storage facility, shall offer or sell insurance unless it has

complied with the requirements of this article and has been issued a license by the commissioner as provided in this article.

(b) The commissioner may issue to a self-service storage facility, or its franchisee, that has complied with the requirements of this article, a license that authorizes the self-service storage facility or its franchisee to offer or sell the types of insurance specified in Section 1758.75 in connection with and incidental to rental agreements on behalf of any insurer authorized to write those types of insurance policies in this state.

(c) (1) The license period shall be a two-year period beginning as described in subparagraph (A) or (B) of paragraph (2), as applicable, and ending on the second succeeding year on the last calendar day of the month in which the initial license was issued.

(2) The commencement of a license period shall be determined for each self-service storage facility or franchisee of a self-service storage facility, as follows:

(A) Upon initial licensing, the license period begins on the date the license is issued.

(B) Upon license renewal, the license period begins on the first day of the month following the month in which the initial license was issued.

(3) (A) Not less than 60 days before a permanent license will expire, the commissioner may mail, to the latest address appearing on his or her records, an application to the licensee to renew the license for the appropriate succeeding license period. It is the licensee's responsibility to renew whether or not a renewal application is received. The commissioner may accept a late renewal without penalty, provided that the licensee's failure to comply is due to clerical error or inadvertence on the part of the department.

(B) The application for renewal of a license shall be filed on or before the expiration date.

(C) The application for renewal of an expired license may be filed after the expiration date and until the same month and day of the next succeeding year. A licensee who files the renewal application after the license has expired shall be charged, in addition to the renewal fee, a penalty of 50 percent of the renewal fee.

(d) The applicant for a license pursuant to this section shall submit an application fee upon initial application and upon renewal application in the amount or amounts determined by the department as sufficient to defray its actual cost of processing the applications and implementing this article.

(e) Costs associated with any enforcement action or investigation shall be paid for by the person or organization licensed pursuant to this article.

1758.71. (a) An applicant for a self-service storage agent license shall file the following documents with the commissioner:

(1) A written application for licensure signed by the applicant or an officer of the applicant in the form prescribed by the commissioner.

(2) A certificate by the insurer that is to be named in the self-service storage agent license stating that the insurer has satisfied itself that the named applicant is trustworthy and competent to act as its agent for the limited purpose of offering or selling the types of insurance specified in Section 1758.75 in connection with, and incidental to, self-service storage rental agreements and that the insurer will appoint the applicant to act as its agent in reference to offering or selling those types of insurance if the applicant is licensed by the commissioner. The certification shall be subscribed by an officer or managing agent of the insurer on a form prescribed by the commissioner.

(b) Notwithstanding any other provision of law, Sections 1667, 1668, 1668.5, 1669, 1670, 1738, and 1739 apply to any application for or issuance of a license pursuant to this article.

1758.72. (a) Each self-service storage agent shall provide an insurance training program for its employees that shall meet the following minimum standards:

(1) Each employee shall receive instruction about the types of insurance specified in Section 1758.75 that are offered for sale to prospective renters.

(2) Each employee shall receive training about ethical sales practices.

(3) Each employee shall receive training about the disclosures to be given to prospective renters pursuant to subdivision (b) of Section 1758.76.

(b) Training materials used by or on behalf of the self-service storage facility to train its endorsee shall be submitted to the department at the time the applicant applies for a license under this article and whenever modified thereafter. Any changes to previously submitted training materials shall be submitted to the department with the changes highlighted 30 days prior to their use by the licensee. Training materials and changes in those materials submitted to the department pursuant to this subdivision shall be deemed approved for use by the company unless the company is notified by the department to the contrary. Failure by a self-service storage facility to submit training materials or changes for department review, or use of unapproved or disapproved training materials shall constitute grounds for the denial of an application for license, nonrenewal of a license, or a suspension of a license, as appropriate.

(c) An employee may not be endorsed to a self-service storage agent license unless that employee is 18 years of age or older.

(d) The self-service storage facility, at the time it submits its self-service storage agent license application pursuant to Section 1758.71, shall establish a list of the names of all endorsees to its

self-service storage agent license. The list shall be maintained by the self-service storage facility in a form prescribed by, or format acceptable to, the commissioner, and shall be updated annually. The list shall be retained by the self-service storage facility for three years and made available to the commissioner for review and inspection.

1758.73. Any employee of a licensee who has been trained pursuant to Section 1758.72 may act on behalf and under the supervision of the self-service storage facility agent in matters relating to the conduct of business under that agent's license. The conduct of an employee or agent of a licensee acting within the scope of employment or agency shall be deemed the conduct of the self-service storage facility agent for the purposes of this article.

1758.74. (a) If a licensee violates any provision of this article, the commissioner may do any of the following:

(1) After notice and hearing, revoke or suspend the self-service storage facility's license.

(2) After notice and hearing, impose other penalties, including suspending the transaction of insurance at specific self-service storage facilities where violations of this article have occurred.

(3) Impose fines and penalties on the self-service storage agent for its conduct or that of its employees.

(b) If any person sells insurance in connection with, or incidental to, self-service storage rental agreements, or holds himself or herself or an organization out as a self-service storage agent without obtaining the license required by this article, the commissioner may issue a cease and desist order pursuant to Section 12921.8.

(c) Notwithstanding any other provision of law, the provisions of Section 1748.5 are applicable to a self-service storage facility or its franchisee issued a license pursuant to this article.

1758.75. A self-service storage facility or its franchisee licensed under this article may act as a self-service storage agent for an authorized insurer only with respect to the following types of insurance and only in connection with, and incidental to, self-service storage rental agreements:

(a) Insurance that provides hazard insurance coverage to renters for the loss of, or damage to, tangible personal property in storage or in transit during the rental period.

(b) Any other coverage the commissioner may approve as meaningful and appropriate in connection with the rental of storage space.

1758.76. A licensee shall not sell insurance pursuant to this article unless all of the following conditions are satisfied:

(a) The self-service storage agent provides brochures or other written material to the prospective renter that does all of the following:

(1) Summarizes the material terms and conditions of coverage offered to renters, including the identity of the insurer.

(2) Describes the process for filing a claim, including a toll-free telephone number to report a claim.

(3) Discloses any additional information on the price, benefits, exclusions, conditions, or other limitations of the types of insurance specified in Section 1758.75 that the commissioner may by rule prescribe.

(4) Provide the licensee's name, address, telephone number, and license number and the availability of the department's toll-free consumer hotline.

(b) The self-service storage agent makes all of the following disclosures to the renter, which shall be acknowledged in writing by the renter, or displayed by clear and conspicuous signs that are posted at every location where rental agreements are executed, such as the counter where a renter would sign a rental agreement:

(1) That the purchase by the renter of the insurance is not required in order to rent storage space. However, the licensee's employees may advise the renter that the self-service storage facility's rental agreement may contain provisions requiring the renter to provide insurance on his or her property in the storage unit.

(2) That the insurance policies offered by the self-service storage agent may provide a duplication of coverage already provided by a renter's homeowners insurance policy or by another source of coverage.

(3) That the self-service storage facility and its employees are not qualified or authorized to evaluate the adequacy of the purchaser's existing insurance coverage.

(c) If a renter elects to purchase the coverage, evidence of coverage is stated on the face of the rental agreement or is provided to the renter.

(d) The insurance is provided under an individual, a group, or a master policy issued to the self-service storage agent by an insurer authorized to write the types of insurance specified in Section 1758.75 in this state.

1758.77. A licensee shall not be required to treat moneys collected from renters purchasing insurance pursuant to this article as funds received in a fiduciary capacity if the insurer represented by the licensee has provided in writing that the funds need not be segregated from funds received by the self-service storage agent if the charges for insurance coverage are itemized and incorporated as part of the rental agreement.

1758.78. A self-service storage agent shall not do any of the following:

(a) Offer to sell insurance except in conjunction with, and incidental to, authorized rental agreements.

(b) Advertise, represent, or otherwise portray itself or its employees as licensed insurers, insurance agents, or insurance brokers.

1758.79. Any insurer that provides insurance to be sold by a self-service storage facility or its franchisee under this article shall file a copy of the policy with the commissioner, who shall make that policy available to the public.

1758.791. As used in this article:

(a) ''Self-service storage facility'' means a person or organization engaged in the business of providing leased or rented storage space to the public.

(b) ''Storage space'' means a room, unit, locker, or open space offered for rental to the public for temporary storage of personal belongings or light commercial goods.

1758.792. The commissioner shall adopt rules to implement the provisions of this article which may include fee differentials for smaller, self-service storage facilities. The rules shall be adopted as emergency regulations in accordance with Chapter 3.5 (commencing with Section 11340) of Division 3 of Title 2 of the Government Code, and for the purposes of that chapter, including Section 11349.6 of the Government Code, the adoption of rules shall be considered by the Office of Administrative Law to be necessary for the immediate preservation of the public peace, health and safety, and general welfare.

(B) If the person who is registering has more than one residence address at which he or she regularly resides, he or she shall register in accordance with subparagraph (A) in each of the jurisdictions in which he or she regularly resides. If all of the addresses are within the same jurisdiction, the person shall provide the registering authority with all of the addresses where he or she regularly resides.

(C) Every person described in paragraph (2), for the rest of his or her life while living as a transient in California shall be required to register, as follows:

(i) A transient must register, or reregister if the person has previously registered, within five working days from release from incarceration, placement or commitment, or release on probation, pursuant to paragraph (1) of subdivision (a), except that if the person previously registered as a transient less than 30 days from the date of his or her release from incarceration, he or she does not need to reregister as a transient until his or her next required 30-day update of registration. If a transient is not physically present in any one jurisdiction for five consecutive working days, he or she must register in the jurisdiction in which he or she is physically present on the fifth working day following release, pursuant to paragraph (1) of subdivision (a). The transient shall inform that registering agency of his or her planned destination, residence or transient location out of state, and any plans he or she has to return to California, if known. The law enforcement agency shall, within three days after receipt of this information, forward a copy of the change of location information to the Department of Justice. The department shall

of the school attended in California, and his or her address or location in his or her state of residence. The registration requirement for persons subject to this subparagraph shall become operative on November 25, 2000. (2) The following persons shall be required to register pursuant to paragraph (1):

(B) Any person who, since July 1, 1944, has been or hereafter is released, discharged, or paroled from a penal institution where he or she was confined because of the commission or attempted commission of one of the offenses described in subparagraph (A).

(C) Any person who, since July 1, 1944, has been or hereafter is determined to be a mentally disordered sex offender under Article 1 (commencing with Section 6300) of Chapter 2 of Part 2 of Division 6 of the Welfare and Institutions Code or any person who has been found guilty in the guilt phase of a trial for an offense for which registration is required by this section but who has been found not guilty by reason of insanity in the sanity phase of the trial.

(D) Any person who, since July 1, 1944, has been, or is hereafter convicted in any other court, including any state, federal, or military court, of any offense that, if committed or attempted in this state, would have been punishable as one or more of the offenses described in subparagraph (A) or any person ordered by any other court, including any state, federal, or military court, to register as a sex offender for any offense, if the court found at the time of conviction or sentencing that the

person committed the offense as a result of sexual compulsion or for purposes of sexual gratification.

(E) Any person ordered by any court to register pursuant to this section for any offense not included specifically in this section if the court finds at the time of conviction or sentencing that the person committed the offense as a result of sexual compulsion or for purposes of sexual gratification. The court shall state on the record the reasons for its findings and the reasons for requiring registration.

(F) (i) Notwithstanding any other subdivision, a person who was convicted before January 1, 1976, under subdivision (a) of Section 286, or Section 288a, shall not be required to register pursuant to this section for that conviction if the conviction was for conduct between consenting adults that was decriminalized by Chapter 71 of the Statutes of 1975 or Chapter 1139 of the Statutes of 1976. The Department of Justice shall remove that person from the Sex Offender Registry, and the person is discharged from his or her duty to register pursuant to the following procedure:

(I) The person submits to the Department of Justice official documentary evidence, including court records or police reports, that demonstrate that the person's conviction pursuant to either of those sections was for conduct between consenting adults that was decriminalized; or

(II) The person submits to the department a declaration stating that the person's conviction pursuant to either of those sections was for consensual conduct between adults that has been decriminalized. The declaration shall be confidential and not a public record, and shall include the person's name, address, telephone number, date of birth, and a summary of the circumstances leading to the conviction, including the date of the conviction and county of the occurrence.

(III) The department shall determine whether the person's conviction was for conduct between consensual adults that has been decriminalized. If the conviction was for consensual conduct between adults that has been decriminalized, and the person has no other offenses for which he or she is required to register pursuant to this section, the department shall, within 60 days of receipt of those documents, notify the person that he or she is relieved of the duty to register, and shall notify the local law enforcement agency with which the person is registered that he or she has been relieved of the duty to register. The local law enforcement agency shall remove the person's registration from its files within 30 days of receipt of notification. If the documentary or other evidence submitted is insufficient to establish the person's claim, the department shall, within 60 days of receipt of those documents, notify the person that his or her claim cannot be established, and that the person shall continue to register pursuant to this section. The department shall provide, upon the

person's request, any information relied upon by the department in making its determination that the person shall continue to register pursuant to this section. Any person whose claim has been denied by the department pursuant to this clause may petition the court to appeal the department's denial of the person's claim.

(ii) On or before July 1, 1998, the department shall make a report to the Legislature concerning the status of persons who may come under the provisions of this subparagraph, including the number of persons who were convicted before January 1, 1976, under subdivision (a) of Section 286 or Section 288a and are required to register under this section, the average age of these persons, the number of these persons who have any subsequent convictions for a registerable sex offense, and the number of these persons who have sought successfully or unsuccessfully to be relieved of their duty to register under this section.

(b) (1) Any person who is released, discharged, or paroled from a jail, state or federal prison, school, road camp, or other institution where he or she was confined because of the commission or attempted commission of one of the offenses specified in subdivision (a) or is released from a state hospital to which he or she was committed as a mentally disordered sex offender under Article 1 (commencing with Section 6300) of Chapter 2 of Part 2 of Division 6 of the Welfare and Institutions Code, shall, prior to discharge, parole, or release, be informed of his or her duty to register under this section by the official in charge of the place of confinement or hospital, and the official shall require the person to read and sign any form that may be required by the Department of Justice, stating that the duty of the person to register under this section has been explained to the person. The official in charge of the place of confinement or hospital shall obtain the address where the person expects to reside upon his or her discharge, parole, or release and shall report the address to the Department of Justice. The official shall at the same time forward a current photograph of the person to the Department of Justice.

(2) The official in charge of the place of confinement or hospital shall give one copy of the form to the person and shall send one copy to the Department of Justice and one copy to the appropriate law enforcement agency or agencies having jurisdiction over the place the person expects to reside upon discharge, parole, or release. If the conviction that makes the person subject to this section is a felony conviction, the official in charge shall, not later than 45 days prior to the scheduled release of the person, send one copy to the appropriate law enforcement agency or agencies having local jurisdiction where the person expects to reside upon discharge, parole, or release; one copy to the prosecuting agency that prosecuted the person; and one copy to the Department of Justice.

The official in charge of the place of confinement or hospital shall retain one copy.

If the court finds that it is in the interest of the efficiency of the court, the court may assign the bailiff to require the person to read and sign forms under this section. The court shall obtain the address where the person expects to reside upon release or discharge and shall report within three days the address to the Department of Justice. The court shall give one copy of the form to the person, send one copy to the Department of Justice, and forward one copy to the appropriate law enforcement agency or agencies having local jurisdiction where the person expects to reside upon his or her discharge, parole, or release.

(d) (1) Any person who, on or after January 1, 1986, is discharged or paroled from the Department of the Youth Authority to the custody of which he or she was committed after having been adjudicated a ward of the juvenile court pursuant to Section 602 of the Welfare and Institutions Code because of the commission or attempted commission of any offense described in paragraph (3) shall be subject to registration under the procedures of this section.

(2) Any person who is discharged or paroled from a facility in another state that is equivalent to the Department of the Youth Authority, to the

custody of which he or she was committed because of an offense which, if committed or attempted in this state, would have been punishable as one or more of the offenses described in paragraph (3), shall be subject to registration under the procedures of this section.

(4) Prior to discharge or parole from the Department of the Youth Authority, any person who is subject to registration under this subdivision shall be informed of the duty to register under the procedures set forth in this section. Department of the Youth Authority officials shall transmit the required forms and information to the Department of Justice.

(5) All records specifically relating to the registration in the custody of the Department of Justice, law enforcement agencies, and other agencies or public officials shall be destroyed when the person who is required to register has his or her records sealed under the procedures set forth in Section 781 of the Welfare and Institutions Code. This subdivision shall not be construed as requiring the destruction of other criminal offender or juvenile records relating to the case that are maintained by the Department of Justice, law enforcement agencies, the juvenile court, or other agencies and public officials unless ordered by a court under Section 781 of the Welfare and Institutions Code.

(e) (1) On or after January 1, 1998, upon incarceration, placement, or commitment, or prior to release on probation, any person who is required to register under this section shall preregister. The preregistering official shall be the admitting officer at the place of incarceration, placement, or commitment, or the probation officer if the person is to be released on probation. The preregistration shall consist of all of the following:

(E) Copies of adequate proof of residence, which shall be limited to a California driver's license, California identification card, recent rent or utility receipt, printed personalized checks or other recent banking documents showing that person's name and address, or any other information that the registering official believes is reliable. If the person has no residence and no reasonable expectation of obtaining a residence in the foreseeable future, the person shall so advise the registering official and shall sign a statement provided by the registering official stating that fact. Upon presentation of proof of residence to the registering official or a signed statement that the person has no residence, the person shall be allowed to register. If the person claims that he or she has a residence but does not have any proof of residence, he or she shall be allowed to register but shall furnish proof of residence within 30 days of the date he or she is allowed to register.

(3) Within three days thereafter, the preregistering official or the registering law enforcement agency or agencies shall forward the statement, fingerprints, photograph, and vehicle license plate number, if any, to the Department of Justice.

(f) (1) If any person who is required to register pursuant to this section and who has a residence address changes his or her residence address, whether within the jurisdiction in which he or she is currently registered or to a new jurisdiction inside or outside the state, the person shall inform, in writing within five working days, the law enforcement agency or agencies with which he or she last registered of the new address or transient location and any plans he or she has to return to California, if known. The law enforcement agency or agencies shall, within three working days after receipt of this information, forward a

copy of the change of address information to the Department of Justice. The Department of Justice shall forward appropriate registration data to the law enforcement agency or agencies having local jurisdiction of the new place of residence.

(2) If the person's new address is in a Department of the Youth Authority facility or a state prison or state mental institution, an official of the place of incarceration, placement, or commitment shall, within 90 days of receipt of the person, forward the registrant's change of address information to the Department of Justice. The agency need not provide a physical address for the registrant but shall indicate that he or she is serving a period of incarceration or commitment in a facility under the agency's jurisdiction. This paragraph shall apply to persons received in a Department of the Youth Authority facility or a state prison or state mental institution on or after January 1, 1999. The Department of Justice shall forward the change of address information to the agency with which the person last registered.

(3) If any person who is required to register pursuant to this section changes his or her name, the person shall inform, in person, the law enforcement agency or agencies with which he or she is currently registered within five working days. If probation is granted or if the imposition or execution of sentence is suspended, it shall be a condition of the probation or suspension that the person serve at least 90 days in a county jail. The penalty described in this paragraph shall apply whether or not the person has been released on parole or has been discharged from parole.

(3) Any person determined to be a mentally disordered sex offender or who has been found guilty in the guilt phase of trial for an offense for which registration is required under this section, but who has been found not guilty by reason of insanity in the sanity phase of the trial, or who

For any second or subsequent willful violation of any requirement of this section, the person is guilty of a felony and shall be punished by imprisonment in the state prison for 16 months, or two or three years.

(4) If, after discharge from parole, the person is convicted of a felony or suffers a juvenile adjudication as specified in this subdivision, he or she shall be required to complete parole of at least one year, in addition to any other punishment imposed under this subdivision. A person convicted of a felony as specified in this subdivision may be granted probation only in the unusual case where the interests of justice would best be served. When probation is granted under this paragraph, the court shall specify on the record and shall enter into the minutes the circumstances indicating that the interests of justice would best be served by the disposition.

(5) Any person who has ever been adjudicated a sexually violent predator, as defined in Section 6600 of the Welfare and Institutions Code, and who fails to verify his or her registration every 90 days as required pursuant to subparagraph (E) of paragraph (1) of subdivision (a), shall be punished by imprisonment in the state prison, or in a county jail not exceeding one year.

A person who willfully fails to comply with the requirement that he or she reregister no less than every 30 days shall not be charged with this violation more often than once for a failure to register in any period of 90 days. Any person who willfully commits a third or subsequent violation of the requirements of subparagraph (C) of paragraph (1) of subdivision (a) that he or she reregister no less than every 30 days shall be punished in accordance with either paragraph (1) or (2) of this subdivision.

(7) Any person who fails to provide proof of residence as required by subparagraph (E) of paragraph (2) of subdivision (e), regardless of the offense upon which the duty to register is based, is guilty of a misdemeanor punishable by imprisonment in a county jail not exceeding six months.

(8) Any person who is required to register under this section who willfully violates any requirement of this section is guilty of a continuing offense.

(9) In addition to any other penalty imposed under this subdivision, the failure to provide information required on registration and reregistration forms of the Department of Justice, or the provision of false information, is a crime punishable by imprisonment in a county jail for a period not exceeding one year.

(h) Whenever any person is released on parole or probation and is required to register under this section but fails to do so within the time prescribed, the parole authority, the Youthful Offender Parole Board, or the court, as the case may be, shall order the parole or probation of the person revoked. For purposes of this subdivision, ''parole authority'' has the same meaning as described in Section 3000.

(i) Except as provided in Sections 290.4 and 290.45, the statements, photographs, and fingerprints required by this section shall not be open to inspection by the public or by any person other than a regularly employed peace officer or other law enforcement officer.

(j) In any case in which a person who would be required to register pursuant to this section for a felony conviction is to be temporarily sent outside the institution where he or she is confined on any assignment within a city or county including firefighting, disaster control, or of whatever nature the assignment may be, the local law enforcement agency having jurisdiction over the place or places where the assignment shall occur shall be notified within a reasonable time prior to removal from the institution. (*l*) (1) Every person who, prior to January 1, 1997, is required to register under this section, shall be notified whenever he or she next reregisters of the reduction of the registration period from 14 to 5 working days. This notice shall be provided in writing by the registering agency or agencies. Failure to receive this notification shall be a defense against the penalties prescribed by subdivision (g) if the person did register within 14 days.

(2) Every person who, as a sexually violent predator, as defined in Section 6600 of the Welfare and Institutions Code, is required to verify his or her registration every 90 days, shall be notified wherever he or she next registers of his or her increased registration obligations. This notice

shall be provided in writing by the registering agency or agencies. Failure to receive this notice shall be a defense against the penalties prescribed by paragraph (5) of subdivision (g).

(m) The registration provisions of this section are applicable to every person described in this section, without regard to when his or her crime or crimes were committed or his or her duty to register pursuant to this section arose, and to every offense described in this section, regardless of when it was committed.

(B) If the person who is registering has more than one residence address at which he or she regularly resides, he or she shall register in accordance with subparagraph (A) in each of the jurisdictions in which he or she regularly resides. If all of the addresses are within the same jurisdiction, the person shall provide the registering authority with all of the addresses where he or she regularly resides.

(C) Every person described in paragraph (2), for the rest of his or her life while living as a transient in California shall be required to register, as follows:

(i) A transient must register, or reregister if the person has previously registered, within five working days from release from incarceration, placement or commitment, or release on probation, pursuant to paragraph (1) of subdivision (a), except that if the person previously registered as a transient less than 30 days from the date of his or her release from incarceration, he or she does not need to reregister as a transient until his or her next required 30-day update of registration. If a transient is not physically present in any one jurisdiction for five consecutive working days, he or she must register in the jurisdiction in which he or she is physically present on the fifth working day following release, pursuant to paragraph (1) of subdivision (a). Beginning on or before the 30th day following initial registration upon release, a transient must reregister no less than once every 30 days thereafter. A transient must reregister no less than once every 30 days regardless of the length of time he or she has been physically present in the particular jurisdiction in which he or she reregisters. If a transient fails to reregister within any 30-day period, he or she may be prosecuted in any jurisdiction in which he or she is physically present.

(ii) A transient who moves to a residence shall have five working days within which to register at that address, in accordance with subparagraph (A) of paragraph (1) of subdivision (a). A person registered at a residence address in accordance with subparagraph (A) of paragraph (1) of subdivision (a), who becomes transient shall have five working days within which to reregister as a transient in accordance with clause (i).

(iii) Beginning on his or her first birthday following registration, a transient shall register annually, within five working days of his or her birthday, to update his or her registration with the entities described in clause (i). A transient shall register in whichever jurisdiction he or she is physically present on that date. At the 30-day updates and the annual update, a transient shall provide current information as required on the Department of Justice annual update form, including the information described in subparagraphs (A) to (C), inclusive, of paragraph (2) of subdivision (e), and the information specified in clause (iv).

(iv) A transient shall, upon registration and reregistration, provide current information as required on the Department of Justice registration forms, and shall also list the places where he or she sleeps, eats, works, frequents, and engages in leisure activities. If a transient changes or adds to the places listed on the form during the 30-day period, he or she does not need to report the new place or places until the next required reregistration.

(v) Failure to comply with the requirement of reregistering every 30 days following initial registration pursuant to clause (i) of this subparagraph shall be punished in accordance with paragraph (6) of subdivision (g). Failure to comply with any other requirement of this section, shall be punished in accordance with either paragraph (1) or (2) of subdivision (g).

(vi) A transient who moves out of state shall inform, in person or in writing, the chief of police in the city in which he or she is physically present, or the sheriff of the county, if he or she is physically present in an unincorporated area or city that has no police department, within five working days of his or her move out of state. The transient shall inform

that registering agency of his or her planned destination, residence or transient location out of state, and any plans he or she has to return to California, if known. The law enforcement agency shall, within three days after receipt of this information, forward a copy of the change of location information to the Department of Justice. (D) (i) Any person who, since July 1, 1944, has been, or is hereafter convicted in any other court, including any state, federal, or military

court, of any offense that, if committed or attempted in this state, would have been punishable as one or more of the offenses described in subparagraph (A).

(ii) Any person ordered by any other court, including any state, federal, or military court, to register as a sex offender for any offense, if the court found at the time of conviction or sentencing that the person committed the offense as a result of sexual compulsion or for purposes of sexual gratification.

(iii) Except as provided in clause (iv), any person who would be required to register while residing in the state of conviction for a sex offense committed in that state.

(iv) Clause (iii) shall not apply to a person required to register in the state of conviction if the conviction was for the equivalent of one of the following offenses, and the person is not subject to clause (i):

(E) Any person ordered by any court to register pursuant to this section for any offense not included specifically in this section if the court finds at the time of conviction or sentencing that the person committed the offense as a result of sexual compulsion or for purposes of sexual gratification. (F) (i) Notwithstanding any other subdivision, a person who was convicted before January 1, 1976, under subdivision (a) of Section 286, or Section 288a, shall not be required to register pursuant to this section for that conviction if the conviction was for conduct between consenting adults that was decriminalized by Chapter 71 of the Statutes of 1975 or Chapter 1139 of the Statutes of 1976. The Department of Justice shall remove that person from the Sex Offender Registry, and the person is discharged from his or her duty to register pursuant to the following procedure:

The declaration shall be confidential and not a public record, and shall include the person's name, address, telephone number, date of birth, and a summary of the circumstances leading to the conviction, including the date of the conviction and county of the occurrence.

(III) The department shall determine whether the person's conviction was for conduct between consensual adults that has been decriminalized. The local law enforcement agency shall remove the person's registration from its files within 30 days of receipt of notification. If the documentary or other evidence submitted is insufficient to establish the person's claim, the department shall, within 60 days of receipt of those documents, notify the person that his or her claim cannot be established, and that the person shall continue to register pursuant to this section. The department shall provide, upon the person's request, any information relied upon by the department in making its determination that the person shall continue to register pursuant to this section. Any person whose claim has been denied by the department pursuant to this clause may petition the court to appeal the department's denial of the person's claim.

(b) (1) Any person who is released, discharged, or paroled from a jail, state or federal prison, school, road camp, or other institution where he or she was confined because of the commission or attempted commission of one of the offenses specified in subdivision (a) or is released from a state hospital to which he or she was committed as a mentally disordered sex offender under Article 1 (commencing with Section 6300) of Chapter 2 of Part 2 of Division 6 of the Welfare and Institutions Code, shall, prior to discharge, parole, or release, be

informed of his or her duty to register under this section by the official in charge of the place of confinement or hospital, and the official shall require the person to read and sign any form that may be required by the Department of Justice, stating that the duty of the person to register under this section has been explained to the person. The official shall at the same time forward a current photograph of the person to the Department of Justice.

(2) The official in charge of the place of confinement or hospital shall give one copy of the form to the person and shall send one copy to the Department of Justice and one copy to the appropriate law enforcement agency or agencies having jurisdiction over the place the person expects to reside upon discharge, parole, or release. If the conviction that makes the person subject to this section is a felony conviction, the official in charge shall, not later than 45 days prior to the scheduled release of the person, send one copy to the appropriate law enforcement agency or agencies having local jurisdiction where the person expects to reside upon discharge, parole, or release; one copy to the prosecuting agency that prosecuted the person; and one copy to the Department of Justice. the person to read and sign any form that may be required by the Department of Justice, stating that the duty of the person to register under this section has been explained to him or her. If the court finds that it is in the interest of the efficiency of the court, the court may assign the bailiff to require the person to read and sign forms under this section. The court shall obtain the address where the person expects to reside upon release or discharge and shall report within three days the address to the Department of Justice. The court shall give one copy of the form to the person, send one copy to the Department of Justice, and forward one copy to the appropriate law enforcement agency or agencies having local jurisdiction where the person expects to reside upon his or her discharge, parole, or release.

(2) Any person who is discharged or paroled from a facility in another state that is equivalent to the Department of the Youth Authority, to the custody of which he or she was committed because of an offense which, if committed or attempted in this state, would have been punishable as one or more of the offenses described in paragraph (3), shall be subject to registration under the procedures of this section.

Department of the Youth Authority officials shall transmit the required forms and information to the Department of Justice.

(5) All records specifically relating to the registration in the custody of the Department of Justice, law enforcement agencies, and other agencies or public officials shall be destroyed when the person who is required to register has his or her records sealed under the procedures set forth in Section 781 of the Welfare and Institutions Code. This subdivision shall not be construed as requiring the destruction of other criminal offender or juvenile records relating to the case that are maintained by the Department of Justice, law enforcement agencies, the juvenile court, or other agencies and public officials unless ordered by a court under Section 781 of the Welfare and Institutions Code.

(e) (1) On or after January 1, 1998, upon incarceration, placement, or commitment, or prior to release on probation, any person who is required to register under this section shall preregister. Upon presentation of proof of residence to the registering official or a signed statement that the person has no residence, the person shall be allowed to register. If the person claims that he or she has a residence but does not have any proof of residence, he or she shall be allowed to register but shall furnish proof of residence within 30 days of the date he or she is allowed to register.

(3) Within three days thereafter, the preregistering official or the registering law enforcement agency or agencies shall forward the statement, fingerprints, photograph, and vehicle license plate number, if any, to the Department of Justice.

(f) (1) If any person who is required to register pursuant to this section and who has a residence address changes his or her residence address, whether within the jurisdiction in which he or she is currently registered or to a new jurisdiction inside or outside the state, the person shall inform, in writing within five working days, the law enforcement agency or agencies with which he or she last registered of the new address or transient location and any plans he or she has to return to California, if known. The law enforcement agency or agencies shall, within three working days after receipt of this information, forward a copy of the change of address information to the Department of Justice. The Department of Justice shall forward appropriate registration data to the law enforcement agency or agencies having local jurisdiction of the new place of residence.

(2) If the person's new address is in a Department of the Youth Authority facility or a state prison or state mental institution, an official of the place of incarceration, placement, or commitment shall, within 90 days of receipt of the person, forward the registrant's change of address information to the Department of Justice. Any person who willfully commits a third or subsequent violation of the requirements of subparagraph (C) of paragraph (1) of subdivision (a) that he or she reregister no less than every 30 days shall be punished in accordance with either paragraph (1) or (2) of this subdivision.

(7) Any person who fails to provide proof of residence as required by subparagraph (E) of paragraph (2) of subdivision (e), regardless of the offense upon which the duty to register is based, is guilty of a misdemeanor punishable by imprisonment in a county jail not exceeding six months.

(8) Any person who is required to register under this section who willfully violates any requirement of this section is guilty of a continuing offense.

(2) Every person who, as a sexually violent predator, as defined in Section 6600 of the Welfare and Institutions Code, is required to verify his or her registration every 90 days, shall be notified wherever he or she next registers of his or her increased registration obligations. accordance with subparagraph (A) in each of the jurisdictions in which he or she regularly resides, regardless of the number of days or nights spent there. If all of the addresses are within the same jurisdiction, the person shall provide the registering authority with all of the addresses where he or she regularly resides.

(C) Every person described in paragraph (2), for the rest of his or her life while living as a transient in California shall be required to register, as follows:

(i) A transient must register, or reregister if the person has previously registered, within five working days from release from incarceration, placement or commitment, or release on probation, pursuant to paragraph (1) of subdivision (a), except that if the person previously registered as a transient less than 30 days from the date of his or her release from incarceration, he or she does not need to reregister as a transient until his or her next required 30-day update of registration. If a transient is not physically present in any one jurisdiction for five consecutive working days, he or she must register in the jurisdiction in which he or she is physically present on the fifth working day following release, pursuant to paragraph (1) of subdivision (a). A transient must reregister no less than once every 30 days regardless of the length of time he or she has been physically present in the particular jurisdiction in which he or she reregisters. If a transient fails to reregister within any 30-day period, he or she may be prosecuted in any jurisdiction in which he or she is physically present.

(ii) A transient who moves to a residence shall have five working days within which to register at that address, in accordance with subparagraph (A) of paragraph (1) of subdivision (a). A transient shall register in whichever jurisdiction he or she is physically present on that date. At the 30-day updates and the annual

If a transient changes or adds to the places listed on the form during the 30-day period, he or she does not need to report the new place or places until the next required reregistration.

(v) Failure to comply with the requirement of reregistering every 30 days following initial registration pursuant to clause (i) of this subparagraph shall be punished in accordance with paragraph (6) of subdivision (g). Failure to comply with any other requirement of this section, shall be punished in accordance with either paragraph (1) or (2) of subdivision (g).

The transient shall inform that registering agency of his or her planned destination, residence, or transient location out of state, and any plans he or she has to return to California, if known. The law enforcement agency shall, within three days after receipt of this information, forward a copy of the change of location information to the Department of Justice. (B) Any person who, since July 1, 1944, has been or hereafter is released, discharged, or paroled from a penal institution where he or she was confined because of the commission or attempted commission of one of the offenses described in subparagraph (A).

(C) Any person who, since July 1, 1944, has been or hereafter is determined to be a mentally disordered sex offender under Article 1 (commencing with Section 6300) of Chapter 2 of Part 2 of Division 6 of the Welfare and Institutions Code or any person who has been found guilty in the guilt phase of a trial for an offense for which registration is required by this section but who has been found not guilty by reason of insanity in the sanity phase of the trial.

(D) Any person who, since July 1, 1944, has been, or is hereafter convicted in any other court, including any state, federal, or military court, of any offense that, if committed or attempted in this state, would have been punishable as one or more of the offenses described in subparagraph (A) or any person ordered by any other court, including any state, federal, or military court, to register as a sex offender for any offense, if the court found at the time of conviction or sentencing that the person committed the offense as a result of sexual compulsion or for purposes of sexual gratification.

(E) Any person ordered by any court to register pursuant to this section for any offense not included specifically in this section if the court finds at the time of conviction or sentencing that the person committed the offense as a result of sexual compulsion or for purposes of sexual gratification. The court shall state on the record the reasons for its findings and the reasons for requiring registration.

(F) (i) Notwithstanding any other subdivision, a person who was convicted before January 1, 1976, under subdivision (a) of Section 286, or Section 288a, shall not be required to register pursuant to this section for that conviction if the conviction was for conduct between consenting adults that was decriminalized by Chapter 71 of the Statutes of 1975 or Chapter 1139 of the Statutes of 1976. The Department of Justice shall remove that person from the Sex Offender Registry, and the person is discharged from his or her duty to register pursuant to the following procedure:

(I) The person submits to the Department of Justice official documentary evidence, including court records or police reports, that demonstrate that the person's conviction pursuant to either of those sections was for conduct between consenting adults that was decriminalized; or

(III) The department shall determine whether the person's conviction was for conduct between consensual adults that has been decriminalized. If the conviction was for consensual conduct between adults that has been decriminalized, and the person has no other offenses for which he or she is required to register pursuant to this section, the department shall, within 60 days of receipt of those documents, notify the person that he or she is relieved of the duty to register, and shall notify the local law enforcement agency with which the person is registered that he or she has been relieved of the duty to register. The local law enforcement agency shall remove the person's registration from its files within 30 days of receipt of notification. If the documentary or other evidence submitted is insufficient to establish the person's claim, the department shall, within 60 days of receipt of those documents, notify the person that his or her claim cannot be established, and that the person shall continue to register pursuant to this section. The department shall provide, upon the person's request, any information relied upon by the department in making its determination that the person shall continue to register pursuant to this section. Any person whose claim has been denied by the department pursuant to this clause may petition the court to appeal the department's denial of the person's claim.

(b) (1) Any person who is released, discharged, or paroled from a jail, state or federal prison, school, road camp, or other institution where he or she was confined because of the commission or attempted

commission of one of the offenses specified in subdivision (a) or is released from a state hospital to which he or she was committed as a mentally disordered sex offender under Article 1 (commencing with Section 6300) of Chapter 2 of Part 2 of Division 6 of the Welfare and Institutions Code, shall, prior to discharge, parole, or release, be informed of his or her duty to register under this section by the official in charge of the place of confinement or hospital, and the official shall require the person to read and sign any form that may be required by the Department of Justice, stating that the duty of the person to register under this section has been explained to the person. The official shall at the same time forward a current photograph of the person to the Department of Justice.

(2) The official in charge of the place of confinement or hospital shall give one copy of the form to the person and shall send one copy to the Department of Justice and one copy to the appropriate law enforcement agency or agencies having jurisdiction over the place the person expects to reside upon discharge, parole, or release. If the conviction that makes the person subject to this section is a felony conviction, the official in charge shall, not later than 45 days prior to the scheduled release of the person, send one copy to the appropriate law enforcement agency or agencies having local jurisdiction where the person expects to reside upon discharge, parole, or release; one copy to the prosecuting agency that prosecuted the person; and one copy to the Department of Justice. The official in charge of the place of confinement or hospital shall retain one copy.

The probation officer shall give one copy of the form to the person, send one copy to the Department of Justice, and forward one copy to the appropriate law enforcement agency or agencies having local jurisdiction where the person expects to reside upon his or her discharge, parole, or release.

(2) Any person who is convicted in this state of the commission or attempted commission of any of the offenses specified in subdivision (a) and who is granted conditional release without supervised probation, or discharged upon payment of a fine, shall, prior to release or discharge, be informed of the duty to register under this section in open court by the court in which the person has been convicted, and the court shall require the person to read and sign any form that may be required by the Department of Justice, stating that the duty of the person to register under this section has been explained to him or her. If the court finds that it is in the interest of the efficiency of the court, the court may assign the bailiff to require the person to read and sign forms under this section. The court shall obtain the address where the person expects to reside upon release or discharge and shall report within three days the address to the Department of Justice. The court shall give one copy of the form to the person, send one copy to the Department of Justice, and forward one copy to the appropriate law enforcement agency or agencies having local jurisdiction where the person expects to reside upon his or her discharge, parole, or release.

(d) (1) Any person who, on or after January 1, 1986, is discharged or paroled from the Department of the Youth Authority to the custody of which he or she was committed after having been adjudicated a ward of the juvenile court pursuant to Section 602 of the Welfare and Institutions Code because of the commission or attempted commission of any offense described in paragraph (3) shall be subject to registration under the procedures of this section.

(2) Any person who is discharged or paroled from a facility in another state that is equivalent to the Department of the Youth Authority, to the custody of which he or she was committed because of an offense which, if committed or attempted in this state, would have been punishable as one or more of the offenses described in paragraph (3), shall be subject to registration under the procedures of this section.

(3) Any person described in this subdivision who committed an offense in violation of any of the following provisions shall be required to register pursuant to this section:

(4) Prior to discharge or parole from the Department of the Youth Authority, any person who is subject to registration under this subdivision shall be informed of the duty to register under the procedures set forth in this section. Department of the Youth Authority officials shall transmit the required forms and information to the Department of Justice.

(5) All records specifically relating to the registration in the custody of the Department of Justice, law enforcement agencies, and other agencies or public officials shall be destroyed when the person who is required to register has his or her records sealed under the procedures set forth in Section 781 of the Welfare and Institutions Code. This subdivision shall not be construed as requiring the destruction of other criminal offender or juvenile records relating to the case that are maintained by the Department of Justice, law enforcement agencies, the juvenile court, or other agencies and public officials unless ordered by a court under Section 781 of the Welfare and Institutions Code.

(e) (1) On or after January 1, 1998, upon incarceration, placement, or commitment, or prior to release on probation, any person who is required to register under this section shall preregister. The preregistering official shall be the admitting officer at the place of incarceration, placement, or commitment, or the probation officer if the person is to be released on probation. The preregistration shall consist of all of the following:

(E) Copies of adequate proof of residence, which shall be limited to a California driver's license, California identification card, recent rent or utility receipt, printed personalized checks or other recent banking documents showing that person's name and address, or any other information that the registering official believes is reliable. If the person has no residence and no reasonable expectation of obtaining a residence in the foreseeable future, the person shall so advise the registering official and shall sign a statement provided by the registering official stating that fact. Upon presentation of proof of residence to the registering official or a signed statement that the person has no residence, the person shall be allowed to register. If the person claims that he or she has a residence but does not have any proof of residence, he or she shall be allowed to register but shall furnish proof of residence within 30 days of the date he or she is allowed to register.

(3) Within three days thereafter, the preregistering official or the registering law enforcement agency or agencies shall forward the statement, fingerprints, photograph, and vehicle license plate number, if any, to the Department of Justice.

(f) (1) If any person who is required to register pursuant to this section and who has a residence address changes his or her residence address, whether within the jurisdiction in which he or she is currently registered or to a new jurisdiction inside or outside the state, the person shall inform, in writing within five working days, the law enforcement agency or agencies with which he or she last registered of the new address or transient location and any plans he or she has to return to California, if known. If the person does not know the new residence address, the registrant shall inform the last registering agency or agencies that he or she is moving within five working days of the move, and shall later notify the agency or agencies of the new address within five working days of moving into the new residence address, whether temporary or permanent. The law enforcement agency or agencies shall, within three working days after receipt of this information, forward a copy of the change of address information to the Department of Justice. The Department of Justice shall forward appropriate registration data to the law enforcement agency or agencies having local jurisdiction of the new place of residence.

(2) If the person's new address is in a Department of the Youth Authority facility or a state prison or state mental institution, an official of the place of incarceration, placement, or commitment shall, within 90 days of receipt of the person, forward the registrant's change of address information to the Department of Justice. The agency need not provide

a physical address for the registrant but shall indicate that he or she is serving a period of incarceration or commitment in a facility under the agency's jurisdiction. This paragraph shall apply to persons received in a Department of the Youth Authority facility or a state prison or state mental institution on or after January 1, 1999. The Department of Justice shall forward the change of address information to the agency with which the person last registered.

The penalty described in this paragraph shall apply whether or not the person has been released on parole or has been discharged from parole.

(3) Any person determined to be a mentally disordered sex offender or who has been found guilty in the guilt phase of trial for an offense for which registration is required under this section, but who has been found not guilty by reason of insanity in the sanity phase of the trial, or who has had a petition sustained in a juvenile adjudication for an offense for which registration is required under this section pursuant to subdivision (d), but who has been found not guilty by reason of insanity, who willfully violates any requirement of this section is guilty of a misdemeanor and shall be punished by imprisonment in a county jail not exceeding one year. (4) If, after discharge from parole, the person is convicted of a felony or suffers a juvenile adjudication as specified in this subdivision, he or she shall be required to complete parole of at least one year, in addition to any other punishment imposed under this subdivision. A person convicted of a felony as specified in this subdivision may be granted probation only in the unusual case where the interests of justice would best be served. A person who willfully fails to comply with the requirement that he or she reregister no less than every 30 days shall not be charged with this violation more often than once for a failure to register in any period of 90 days. Any person who willfully commits a third or subsequent violation of the requirements of subparagraph (C) of paragraph (1) of subdivision (a) that he or she reregister no less than every 30 days shall be punished in accordance with either paragraph (1) or (2) of this subdivision.

(7) Any person who fails to provide proof of residence as required by subparagraph (E) of paragraph (2) of subdivision (e), regardless of the offense upon which the duty to register is based, is guilty of a misdemeanor punishable by imprisonment in a county jail not exceeding six months.

(8) Any person who is required to register under this section who willfully violates any requirement of this section is guilty of a continuing offense as to each requirement he or she violated.

(9) In addition to any other penalty imposed under this subdivision, the failure to provide information required on registration and reregistration forms of the Department of Justice, or the provision of false information, is a crime punishable by imprisonment in a county jail for a period not exceeding one year.

(B) If the person who is registering has more than one residence address at which he or she regularly resides, he or she shall register in accordance with subparagraph (A) in each of the jurisdictions in which he or she regularly resides, regardless of the number of days or nights spent there. If all of the addresses are within the same jurisdiction, the person shall provide the registering authority with all of the addresses where he or she regularly resides.

(C) Every person described in paragraph (2), for the rest of his or her life while living as a transient in California shall be required to register, as follows:

(i) A transient must register, or reregister if the person has previously registered, within five working days from release from incarceration, placement or commitment, or release on probation, pursuant to paragraph (1) of subdivision (a), except that if the person previously registered as a transient less than 30 days from the date of his or her release from incarceration, he or she does not need to reregister as a transient until his or her next required 30-day update of registration. If a transient is not physically present in any one jurisdiction for five consecutive working days, he or she must register in the jurisdiction in which he or she is physically present on the fifth working day following release, pursuant to paragraph (1) of subdivision (a). Beginning on or before the 30th day following initial registration upon release, a transient must reregister no less than once every 30 days thereafter. A transient must reregister no less than once every 30 days regardless of the length of time he or she has been physically present in the particular jurisdiction in which he or she

reregisters. If a transient fails to reregister within any 30-day period, he or she may be prosecuted in any jurisdiction in which he or she is physically present.

(ii) A transient who moves to a residence shall have five working days within which to register at that address, in accordance with subparagraph (A) of paragraph (1) of subdivision (a). (iii) Beginning on his or her first birthday following registration, a transient shall register annually, within five working days of his or her birthday, to update his or her registration with the entities described in clause (i). A transient shall register in whichever jurisdiction he or she is physically present on that date. At the 30-day updates and the annual update, a transient shall provide current information as required on the Department of Justice annual update form, including the information described in subparagraphs (A) to (C), inclusive, of paragraph (2) of subdivision (e), and the information specified in clause (iv).

If a transient changes or adds to the places listed on the form during the 30-day period, he or she does not need to report the new place or places until the next required reregistration.

(v) Failure to comply with the requirement of reregistering every 30 days following initial registration pursuant to clause (i) of this subparagraph shall be punished in accordance with paragraph (6) of subdivision (g). Failure to comply with any other requirement of this section, shall be punished in accordance with either paragraph (1) or (2) of subdivision (g).

(vi) A transient who moves out of state shall inform, in person or in writing, the chief of police in the city in which he or she is physically present, or the sheriff of the county, if he or she is physically present in an unincorporated area or city that has no police department, within five working days of his or her move out of state. The transient shall inform that registering agency of his or her planned destination, residence or transient location out of state, and any plans he or she has to return to California, if known. The law enforcement agency shall, within three days after receipt of this information, forward a copy of the change of location information to the Department of Justice. The department shall forward appropriate registration data to the law enforcement agency having local jurisdiction of the new place of residence or location.

(B) Any person who, since July 1, 1944, has been or hereafter is released, discharged, or paroled from a penal institution where he or she was confined because of the commission or attempted commission of one of the offenses described in subparagraph (A).

(C) Any person who, since July 1, 1944, has been or hereafter is determined to be a mentally disordered sex offender under Article 1 (commencing with Section 6300) of Chapter 2 of Part 2 of Division 6 of the Welfare and Institutions Code or any person who has been found guilty in the guilt phase of a trial for an offense for which registration is required by this section but who has been found not guilty by reason of insanity in the sanity phase of the trial.

(D) (i) Any person who, since July 1, 1944, has been, or is hereafter convicted in any other court, including any state, federal, or military court, of any offense that, if committed or attempted in this state, would have been punishable as one or more of the offenses described in subparagraph (A).

(ii) Any person ordered by any other court, including any state, federal, or military court, to register as a sex offender for any offense, if the court found at the time of conviction or sentencing that the person

committed the offense as a result of sexual compulsion or for purposes of sexual gratification.

(iii) Except as provided in clause (iv), any person who would be required to register while residing in the state of conviction for a sex offense committed in that state.

(iv) Clause (iii) shall not apply to a person required to register in the state of conviction if the conviction was for the equivalent of one of the following offenses, and the person is not subject to clause (i):

(E) Any person ordered by any court to register pursuant to this section for any offense not included specifically in this section if the court finds at the time of conviction or sentencing that the person committed the offense as a result of sexual compulsion or for purposes of sexual gratification. The court shall state on the record the reasons for its findings and the reasons for requiring registration.

(F) (i) Notwithstanding any other subdivision, a person who was convicted before January 1, 1976, under subdivision (a) of Section 286, or Section 288a, shall not be required to register pursuant to this section for that conviction if the conviction was for conduct between consenting adults that was decriminalized by Chapter 71 of the Statutes of 1975 or Chapter 1139 of the Statutes of 1976. The Department of Justice shall remove that person from the Sex Offender Registry, and the person is discharged from his or her duty to register pursuant to the following procedure:

(I) The person submits to the Department of Justice official documentary evidence, including court records or police reports, that demonstrate that the person's conviction pursuant to either of those sections was for conduct between consenting adults that was decriminalized; or

(II) The person submits to the department a declaration stating that the person's conviction pursuant to either of those sections was for consensual conduct between adults that has been decriminalized. The declaration shall be confidential and not a public record, and shall include the person's name, address, telephone number, date of birth, and a summary of the circumstances leading to the conviction, including the date of the conviction and county of the occurrence.

(III) The department shall determine whether the person's conviction was for conduct between consensual adults that has been decriminalized. If the conviction was for consensual conduct between adults that has been decriminalized, and the person has no other offenses for which he or she is required to register pursuant to this section, the department shall, within 60 days of receipt of those documents, notify the person that he or she is relieved of the duty to register, and shall notify the local law enforcement agency with which the person is registered that he or she has been relieved of the duty to register. The local law enforcement agency shall remove the person's registration from its files within 30 days of receipt of notification. If the documentary or other evidence submitted is insufficient to establish the person's claim, the department shall, within 60 days of receipt of those documents, notify the person that his or her claim cannot be established, and that the person shall continue to register pursuant to this section. The department shall provide, upon the person's request, any information relied upon by the department in making its determination that the person shall continue to register pursuant to this section. Any person whose claim has been denied by the department pursuant to this clause may petition the court to appeal the department's denial of the person's claim.

(ii) On or before July 1, 1998, the department shall make a report to the Legislature concerning the status of persons who may come under the provisions of this subparagraph, including the number of persons who were convicted before January 1, 1976, under subdivision (a) of Section 286 or Section 288a and are required to register under this section, the average age of these persons, the number of these persons who have any subsequent convictions for a registerable sex offense, and the number of these persons who have sought successfully or unsuccessfully to be relieved of their duty to register under this section.

(b) (1) Any person who is released, discharged, or paroled from a jail, state or federal prison, school, road camp, or other institution where he or she was confined because of the commission or attempted commission of one of the offenses specified in subdivision (a) or is released from a state hospital to which he or she was committed as a mentally disordered sex offender under Article 1 (commencing with Section 6300) of Chapter 2 of Part 2 of Division 6 of the Welfare and Institutions Code, shall, prior to discharge, parole, or release, be informed of his or her duty to register under this section by the official in charge of the place of confinement or hospital, and the official shall require the person to read and sign any form that may be required by the Department of Justice, stating that the duty of the person to register under this section has been explained to the person. The official in charge of the place of confinement or hospital shall obtain the address where the person expects to reside upon his or her discharge, parole, or release and

shall report the address to the Department of Justice. The official shall at the same time forward a current photograph of the person to the Department of Justice.

(2) The official in charge of the place of confinement or hospital shall give one copy of the form to the person and shall send one copy to the Department of Justice and one copy to the appropriate law enforcement agency or agencies having jurisdiction over the place the person expects to reside upon discharge, parole, or release. If the conviction that makes the person subject to this section is a felony conviction, the official in charge shall, not later than 45 days prior to the scheduled release of the person, send one copy to the appropriate law enforcement agency or agencies having local jurisdiction where the person expects to reside upon discharge, parole, or release; one copy to the prosecuting agency that prosecuted the person; and one copy to the Department of Justice. The official in charge of the place of confinement or hospital shall retain one copy.

(c) (1) Any person who is convicted in this state of the commission or attempted commission of any of the offenses specified in subdivision (a) and who is released on probation, shall, prior to release or discharge, be informed of the duty to register under this section by the probation department, and a probation officer shall require the person to read and sign any form that may be required by the Department of Justice, stating that the duty of the person to register under this section has been explained to him or her. The probation officer shall obtain the address where the person expects to reside upon release or discharge and shall report within three days the address to the Department of Justice. The probation officer shall give one copy of the form to the person, send one copy to the Department of Justice, and forward one copy to the appropriate law enforcement agency or agencies having local jurisdiction where the person expects to reside upon his or her discharge, parole, or release.

(2) Any person who is convicted in this state of the commission or attempted commission of any of the offenses specified in subdivision (a) and who is granted conditional release without supervised probation, or discharged upon payment of a fine, shall, prior to release or discharge, be informed of the duty to register under this section in open court by the court in which the person has been convicted, and the court shall require the person to read and sign any form that may be required by the Department of Justice, stating that the duty of the person to register under this section has been explained to him or her. If the court finds that it is in the interest of the efficiency of the court, the court may assign the bailiff to require the person to read and sign forms under this section. The court shall obtain the address where the person expects to reside upon release or discharge and shall report within three days the address to the

Department of Justice. The court shall give one copy of the form to the person, send one copy to the Department of Justice, and forward one copy to the appropriate law enforcement agency or agencies having local jurisdiction where the person expects to reside upon his or her discharge, parole, or release.

(d) (1) Any person who, on or after January 1, 1986, is discharged or paroled from the Department of the Youth Authority to the custody of which he or she was committed after having been adjudicated a ward of the juvenile court pursuant to Section 602 of the Welfare and Institutions Code because of the commission or attempted commission of any offense described in paragraph (3) shall be subject to registration under the procedures of this section.

(2) Any person who is discharged or paroled from a facility in another state that is equivalent to the Department of the Youth Authority, to the custody of which he or she was committed because of an offense which, if committed or attempted in this state, would have been punishable as one or more of the offenses described in paragraph (3), shall be subject to registration under the procedures of this section.

(3) Any person described in this subdivision who committed an offense in violation of any of the following provisions shall be required to register pursuant to this section:

Department of the Youth Authority officials shall transmit the required forms and information to the Department of Justice.

(5) All records specifically relating to the registration in the custody of the Department of Justice, law enforcement agencies, and other agencies or public officials shall be destroyed when the person who is required to register has his or her records sealed under the procedures set forth in Section 781 of the Welfare and Institutions Code. This subdivision shall not be construed as requiring the destruction of other criminal offender or juvenile records relating to the case that are maintained by the Department of Justice, law enforcement agencies, the

juvenile court, or other agencies and public officials unless ordered by a court under Section 781 of the Welfare and Institutions Code.

(e) (1) On or after January 1, 1998, upon incarceration, placement, or commitment, or prior to release on probation, any person who is required to register under this section shall preregister. The preregistering official shall be the admitting officer at the place of incarceration, placement, or commitment, or the probation officer if the person is to be released on probation. The preregistration shall consist of all of the following:

(A) A preregistration statement in writing, signed by the person, giving information that shall be required by the Department of Justice.

(C) Any person who is preregistered pursuant to this subdivision is required to be preregistered only once.

(2) A person described in paragraph (2) of subdivision (a) shall register, or reregister if the person has previously registered, upon release from incarceration, placement, or commitment, or release on probation, pursuant to paragraph (1) of subdivision (a). The registration shall consist of all of the following:

(C) The license plate number of any vehicle owned by, regularly driven by, or registered in the name of the person.

(D) Notice to the person that, in addition to the requirements of paragraph (4), he or she may have a duty to register in any other state where he or she may relocate.

(E) Copies of adequate proof of residence, which shall be limited to a California driver's license, California identification card, recent rent or utility receipt, printed personalized checks or other recent banking documents showing that person's name and address, or any other information that the registering official believes is reliable. If the person has no residence and no reasonable expectation of obtaining a residence in the foreseeable future, the person shall so advise the registering official and shall sign a statement provided by the registering official stating that fact. Upon presentation of proof of residence to the registering official or a signed statement that the person has no residence, the person shall be allowed to register. If the person claims that he or she has a residence but does not have any proof of residence, he or she shall

be allowed to register but shall furnish proof of residence within 30 days of the date he or she is allowed to register.

(3) Within three days thereafter, the preregistering official or the registering law enforcement agency or agencies shall forward the statement, fingerprints, photograph, and vehicle license plate number, if any, to the Department of Justice.

(f) (1) If any person who is required to register pursuant to this section and who has a residence address changes his or her residence address, whether within the jurisdiction in which he or she is currently registered or to a new jurisdiction inside or outside the state, the person shall inform, in writing within five working days, the law enforcement agency or agencies with which he or she last registered of the new address or transient location and any plans he or she has to return to California, if known. If the person does not know the new residence address, the registrant shall inform the last registering agency or agencies that he or she is moving within five working days of the move, and shall later notify the agency or agencies of the new address within five working days of moving into the new residence address, whether temporary or permanent. The law enforcement agency or agencies shall, within three working days after receipt of this information, forward a copy of the change of address information to the Department of Justice. The Department of Justice shall forward appropriate registration data to the law enforcement agency or agencies having local jurisdiction of the new place of residence.

(2) If the person's new address is in a Department of the Youth Authority facility or a state prison or state mental institution, an official of the place of incarceration, placement, or commitment shall, within 90 days of receipt of the person, forward the registrant's change of address information to the Department of Justice. The agency need not provide a physical address for the registrant but shall indicate that he or she is serving a period of incarceration or commitment in a facility under the agency's jurisdiction. This paragraph shall apply to persons received in a Department of the Youth Authority facility or a state prison or state mental institution on or after January 1, 1999. The Department of Justice shall forward the change of address information to the agency with which the person last registered.

(3) If any person who is required to register pursuant to this section changes his or her name, the person shall inform, in person, the law enforcement agency or agencies with which he or she is currently registered within five working days. The penalty described in this paragraph shall apply whether or not the person has been released on parole or has been discharged from parole.

(3) Any person determined to be a mentally disordered sex offender or who has been found guilty in the guilt phase of trial for an offense for which registration is required under this section, but who has been found not guilty by reason of insanity in the sanity phase of the trial, or who has had a petition sustained in a juvenile adjudication for an offense for which registration is required under this section pursuant to subdivision (d), but who has been found not guilty by reason of insanity, who willfully violates any requirement of this section is guilty of a misdemeanor and shall be punished by imprisonment in a county jail not exceeding one year. For any second or subsequent willful violation of any requirement of this section, the person is guilty of a felony and shall be punished by imprisonment in the state prison for 16 months, or two or three years.

(4) If, after discharge from parole, the person is convicted of a felony or suffers a juvenile adjudication as specified in this subdivision, he or she shall be required to complete parole of at least one year, in addition to any other punishment imposed under this subdivision. A person convicted of a felony as specified in this subdivision may be granted probation only in the unusual case where the interests of justice would best be served. When probation is granted under this paragraph, the court shall specify on the record and shall enter into the minutes the circumstances indicating that the interests of justice would best be served by the disposition.

(5) Any person who has ever been adjudicated a sexually violent predator, as defined in Section 6600 of the Welfare and Institutions Code, and who fails to verify his or her registration every 90 days as required pursuant to subparagraph (E) of paragraph (1) of subdivision

(a), shall be punished by imprisonment in the state prison, or in a county jail not exceeding one year.

(6) Except as otherwise provided in paragraph (5), any person who is required to register or reregister pursuant to clause (i) of subparagraph (C) of paragraph (1) of subdivision (a) and willfully fails to comply with the requirement that he or she reregister no less than every 30 days is guilty of a misdemeanor and shall be punished by imprisonment in a county jail at least 30 days, but not exceeding six months. A person who willfully fails to comply with the requirement that he or she reregister no less than every 30 days shall not be charged with this violation more often than once for a failure to register in any period of 90 days. Any person who willfully commits a third or subsequent violation of the requirements of subparagraph (C) of paragraph (1) of subdivision (a) that he or she reregister no less than every 30 days shall be punished in accordance with either paragraph (1) or (2) of this subdivision.

(7) Any person who fails to provide proof of residence as required by subparagraph (E) of paragraph (2) of subdivision (e), regardless of the offense upon which the duty to register is based, is guilty of a misdemeanor punishable by imprisonment in a county jail not exceeding six months.

(8) Any person who is required to register under this section who willfully violates any requirement of this section is guilty of a continuing offense as to each requirement he or she violated.

(9) In addition to any other penalty imposed under this subdivision, the failure to provide information required on registration and reregistration forms of the Department of Justice, or the provision of false information, is a crime punishable by imprisonment in a county jail for a period not exceeding one year.

(h) Whenever any person is released on parole or probation and is required to register under this section but fails to do so within the time prescribed, the parole authority, the Youthful Offender Parole Board, or the court, as the case may be, shall order the parole or probation of the person revoked. For purposes of this subdivision, ''parole authority'' has the same meaning as described in Section 3000.

(i) Except as provided in Sections 290.01, 290.4, and 290.45, the statements, photographs, and fingerprints required by this section shall not be open to inspection by the public or by any person other than a regularly employed peace officer or other law enforcement officer.

(j) In any case in which a person who would be required to register pursuant to this section for a felony conviction is to be temporarily sent outside the institution where he or she is confined on any assignment within a city or county including firefighting, disaster control, or of whatever nature the assignment may be, the local law enforcement agency having jurisdiction over the place or places where the assignment

shall occur shall be notified within a reasonable time prior to removal from the institution. This subdivision shall not apply to any person who is temporarily released under guard from the institution where he or she is confined.

(k) As used in this section, ''mentally disordered sex offender'' includes any person who has been determined to be a sexual psychopath or a mentally disordered sex offender under any provision which, on or before January 1, 1976, was contained in Division 6 (commencing with Section 6000) of the Welfare and Institutions Code.

(*l*) (1) Every person who, prior to January 1, 1997, is required to register under this section, shall be notified whenever he or she next reregisters of the reduction of the registration period from 14 to 5 working days. This notice shall be provided in writing by the registering agency or agencies. Failure to receive this notification shall be a defense against the penalties prescribed by subdivision (g) if the person did register within 14 days.

(2) Every person who, as a sexually violent predator, as defined in Section 6600 of the Welfare and Institutions Code, is required to verify his or her registration every 90 days, shall be notified wherever he or she next registers of his or her increased registration obligations. Failure to receive this notice shall be a defense against the penalties prescribed by paragraph (5) of subdivision (g).

(m) The registration provisions of this section are applicable to every person described in this section, without regard to when his or her crime or crimes were committed or his or her duty to register pursuant to this section arose, and to every offense described in this section, regardless of when it was committed.

The people of the State of California do enact as follows:

SECTION 1. Section 4466 of the Vehicle Code is amended to read:

4466. (a) The department shall not issue a duplicate or substitute certificate of title or license plate if, after a search of the records of the department, the registered owner's address, as submitted on the application, is different from that which appears in the records of the department, unless the registered owner applies in person and presents all of the following:

(1) Proof of ownership of the vehicle that is acceptable to the department. Proof of ownership may be the certificate of title, registration certificate, or registration renewal notice, or a facsimile of any of those documents, if the facsimile matches the vehicle record of the department.

(2) A driver's license or identification card containing a picture of the licensee or cardholder issued to the registered owner by the department pursuant to Chapter 1 (commencing with Section 12500) of Division 6. The department shall conduct a search of its records to verify the authenticity of any document submitted under this paragraph.

If a resident of another state is unable to present the required photo identification, the department shall verify the authenticity of the driver's license or identification card by contacting the state that issued the driver's license or identification card.

(B) If the registered owner is not an individual, the person submitting the application shall submit the photo identification required under this paragraph, as well as documentation acceptable to the department that demonstrates that the person is employed by an officer of the registered owner.

(b) Subdivision (a) does not apply if either of the following apply:

CHAPTER 432

An act to amend Section 130054.1 of the Public Utilities Code, relating to transportation, and declaring the urgency thereof, to take effect immediately.

[Approved by Governor September 9, 2004. Filed with Secretary of State September 9, 2004.]

The people of the State of California do enact as follows:

SECTION 1. Section 130054.1 of the Public Utilities Code is amended to read:

130054.1. The Ventura County Transportation Commission shall consist of the following members:

(1) Five members of the Ventura County Board of Supervisors.

(2) One member from each incorporated city within Ventura County who shall be the mayor of the city or a member of its city council. The term of a member under this subdivision terminates when he or she ceases to hold that office or when replaced by the city council.

(3) One citizen member appointed by the Ventura County Board of Supervisors, who shall not be an elected official, but who shall be a resident of Ventura County.

(4) One citizen member appointed by the Ventura County City Selection Committee, who shall not be an elected official, but who shall be a resident of Ventura County.

(5) One nonvoting member appointed by the Governor.

SEC. 2. No reimbursement is required by this act pursuant to Section 6 of Article XIII B of the California Constitution because the only costs that may be incurred by a local agency or school district are the result of a program for which legislative authority was requested by

that local agency or school district, within the meaning of Section 17556 of the Government Code and Section 6 of Article XIII B of the California Constitution.

SEC. 3. This act is an urgency statute necessary for the immediate preservation of the public peace, health, or safety within the meaning of Article IV of the Constitution and shall go into immediate effect. The facts constituting the necessity are:

The Ventura County Transportation Commission faces a significant financial shortfall in funding from the State Highway Account resulting from the suspension of allocations for projects in the county. This financial shortfall will have a significant impact on the commission's ability to meet its responsibilities to the general public to provide funding for safe and efficient transportation systems and projects. To adequately address this issue in a timely and efficient manner, the County of Ventura and every city in the county must be represented on the commission to consider and act on alternative funding strategies to meet the countywide transportation priorities and needs. Therefore, it is necessary that this act take effect immediately to provide this membership on the commission.

CHAPTER 433

An act to amend Sections 3237 and 3258 of the Public Resources Code, relating to natural resources.

[Approved by Governor September 9, 2004. Filed with Secretary of State September 9, 2004.]

The people of the State of California do enact as follows:

SECTION 1. Section 3237 of the Public Resources Code is amended to read:

3237. (a) (1) The supervisor or district deputy may order the plugging and abandonment of a well that has been deserted whether or not any damage is occurring or threatened by reason of that deserted well. The supervisor or district deputy shall determine from credible evidence whether a well is deserted.

(2) For purposes of paragraph (1), ''credible evidence'' includes, but is not limited to, the operational history of the well, the response or lack of response of the operator to inquiries and requests from the supervisor or district deputy, the extent of compliance by the operator with the requirements of this chapter, and other actions of the operator with regard to the well.

(3) A rebuttable presumption of desertion arises in any of the following situations:

(A) If a well has not been completed to production or injection and drilling machinery have been removed from the well site for at least six months.

(B) If a well's production or injection equipment has been removed from the well site for at least two years.

(C) If an operator has failed to comply with an order of the supervisor within the time provided by the order or has failed to challenge the order on a timely basis.

(D) If an operator fails to designate an agent as required by Section 3200.

(E) If a person who is to acquire a well that is subject to a purchase, transfer, assignment, conveyance, exchange, or other disposition fails to comply with Section 3202.

(F) If an operator has failed to maintain the access road to a well site passable to oilfield and emergency vehicles.

(4) The operator may rebut the presumptions of desertion set forth in paragraph (3) by demonstrating with credible evidence compliance with this division and that the well has the potential for commercial production, including specific and detailed plans for future operations, and by providing a reasonable timetable for putting those plans into effect. The operator may rebut the presumption set forth in subparagraph (F) of paragraph (3) by repairing the access road.

(b) An order to plug and abandon a deserted well may be appealed to the director pursuant to the procedures specified in Article 6 (commencing with Section 3350).

(c) (1) The current operator, as determined by the records of the supervisor, of a deserted well that produced oil, gas, or other hydrocarbons or was used for injection is responsible for the proper plugging and abandonment of the well. If the supervisor determines that the current operator does not have the financial resources to fully cover the cost of plugging and abandoning the well, the immediately preceding operator shall be responsible for the cost of plugging and abandoning the well.

(2) The supervisor may continue to look seriatim to previous operators until an operator is found that the supervisor determines has the financial resources to cover the cost of plugging and abandoning the well. However, the supervisor may not hold an operator responsible that made a valid transfer of ownership of the well prior to January 1, 1996.

(3) For purposes of this subdivision, ''operator'' includes a mineral interest owner who shall be held jointly liable for the well if the mineral interest owner has or had leased or otherwise conveyed the working interest in the well to another person, if in the lease or other conveyance,

the mineral interest owner retained a right to control the well operations that exceeds the scope of an interest customarily reserved in a lease or other conveyance in the event of a default.

(4) No prior operator is liable for any of the costs of plugging and abandoning a well by a subsequent operator if those costs are necessitated by the subsequent operator's illegal operation of a well.

(5) If the supervisor is unable to determine that an operator that acquired ownership of a well after January 1, 1996, has the financial resources to fully cover the costs of plugging and abandonment, the supervisor may undertake plugging and abandonment pursuant to Article 4.2 (commencing with Section 3250).

(d) (1) Notwithstanding any other provision of this chapter, the supervisor or district deputy, at his or her sole discretion, may determine that a well that has been idle for 25 years or more and that fails to meet either of the following conditions is conclusive evidence of desertion, and may order the well abandoned:

(A) The operator is operating in compliance with a valid idle well management plan that is on file with the supervisor pursuant to paragraph (4) of subdivision (a) of Section 3206 or is covered by an indemnity bond provided under Section 3204, subdivision (c) of Section 3205, or subdivision (a) of Section 3205.2.

(B) The well meets the relevant testing standards required by the district's Idle Well Planning and Testing Program and Section 1723.9 of Title 14 of the California Code of Regulations.

(2) The supervisor or district deputy shall provide the operator a 90-day notice of warning once a determination has been reached pursuant to this subdivision that a well has been deserted. An operator may rebut the determination, made pursuant to paragraph (1), of the supervisor or district deputy by demonstrating compliance with subparagraphs (A) and (B) of paragraph (1).

(3) An order to plug and abandon a deserted well under this section due to the supervisor's or district deputy's determination of an operator's noncompliance with either subparagraph (A) or (B) of paragraph (1) may be appealed to the director pursuant to the procedures specified in Article 6 (commencing with Section 3350).

SEC. 2. Section 3258 of the Public Resources Code is amended to read:

3258. (a) The division shall not make expenditures pursuant to this article that exceed the following sum in any one fiscal year:

(1) One million dollars ($1,000,000) commencing on July 1, 1999, for the 1999–2000 fiscal year, and continuing for 10 fiscal years thereafter.

(2) Five hundred thousand dollars ($500,000), commencing with the 2010–11 fiscal year.

(b) On October 1, 2000, the department shall report to the Legislature on the number of orphan wells successfully abandoned in the 1999–2000 fiscal year, the number of orphan wells remaining, and the estimated costs of abandoning those orphan wells. The department shall also include in this report a timeline for future orphan well abandonment with a specific schedule of goals. On October 1, 2009, the department shall report to the Legislature on its progress toward meeting these goals of orphan well abandonment.

The office shall disclose this same information to the National Center for Health Statistics or any other unit of the Centers for Disease Control and Prevention, or the Agency for Healthcare Research and Quality of the United States Department of Health and Human Services, for the purposes of conducting a statutorily authorized activity. All disclosures made pursuant to this section shall be consistent with the standards and limitations applicable to the disclosure of limited data sets as provided in Section 164.514 of Part 164 of Title 45 of the Code of Federal Regulations, relating to the privacy of health information.

(b) Any hospital that receives information pursuant to this section shall not disclose that information to any person or entity, except in response to a court order, search warrant, or subpoena, or as otherwise required or permitted by the federal medical privacy regulations contained in Parts 160 and 164 of Title 45 of the Code of Federal Regulations. In no case shall a hospital, contractor, or subcontractor

reidentify or attempt to reidentify any information received pursuant to this section.

(c) No disclosure shall be made pursuant to this section if the director of the office has determined that the disclosure would create an unreasonable risk to patient privacy. The director shall provide a written explanation of the determination to the requester within 60 days.

CHAPTER 435

An act to add Section 31874.6 to the Government Code, relating to county employees' retirement.

[Approved by Governor September 9, 2004. Filed with Secretary of State September 9, 2004.]

The people of the State of California do enact as follows:

SECTION 1. Section 31874.6 is added to the Government Code, to read:

31874.6. (a) Notwithstanding any other provision of law, on an annual basis, the board of retirement may, with the approval of the county board of supervisors, grant a cost-of-living adjustment on a prefunded basis to the retirement allowances, optional death allowances, or annual death allowances payable to or on account of eligible members. The action by the board of retirement may specify a date as of which the adjustment shall be effective and, if no effective date is specified, the adjustment shall be made in allowances payable for the time commencing on the first day of the month following the action by the board of retirement or approval by the county board of supervisors, whichever is later.

(b) Before the board of retirement may grant an adjustment pursuant to this section, the total costs of the adjustment shall be determined by a qualified actuary and the board shall determine, with the advice of the actuary, that full funding of the adjustment can be provided from earnings of the retirement fund that are in excess of the total interest credited to contributions and reserves plus 1 percent of the total assets of the retirement fund.

(c) The adjustment provided by this section shall be payable only to those retired members, survivors, beneficiaries, or successors in interest whose accumulated loss of purchasing power equals or exceeds 20 percent as of January 1 of the year the board of retirement takes action pursuant to this section. Loss of purchasing power shall be determined

by the board of retirement based on the difference between the following:

(1) The initial retirement allowance, optional death allowance, or annual death allowance as it would have been increased by the cumulative total effect of the annual changes, rounded to the nearest one-half of 1 percent, in the Consumer Price Index for All Urban Consumer for the area in which the county seat is situated.

(2) The retirement allowance, optional death allowance, or annual death allowance as actually increased by cost-of-living adjustments previously granted with respect to the allowance.

(d) A cost-of-living adjustment granted pursuant to this section shall become part of the retirement allowance, optional death allowance, or annual death allowance to be increased by any subsequent cost-of-living adjustments. The granting of an increase pursuant to this section in any particular year does not create any continuing entitlement to additional increases in subsequent years, and does not create any claim by a retired member, survivor, beneficiary, or successor in interest against the county, district, or retirement fund for any increase in any allowance paid or payable prior to the effective date of the action by the board of retirement pursuant to this section.

(e) This section shall only be applicable in a county of the 19th class, as defined by Sections 28020 and 28040, as amended by Chapter 1204 of the Statutes of 1971.

(7) A disclosure consolidating all reportable information on all reportable contributions by the bidder to any local, state, or federal political candidate or political committee in this state for the past five years that is reportable under any existing state or federal law.

(8) A disclosure of the identity of any entity with which the bidder has a joint venture or other contractual arrangement to supply any state or jurisdiction with gaming goods or services, including, but not limited to, lottery goods or services; including a disclosure with regard to the entity of all of the information requested under paragraphs (1) to (8), inclusive.

(9) In the instance of a procurement for the printing of lottery tickets, for goods or services involving the receiving or recording of number selections, or for goods or services involving the determination of winners, an additional disclosure consisting of the individual federal and state income tax returns for the past three years and a current individual

An act to add Section 65950.5 to the Government Code, relating to local permits.

[Approved by Governor September 10, 2004. Filed with Secretary of State September 10, 2004.]

The people of the State of California do enact as follows:

SECTION 1. Section 65950.5 is added to the Government Code, to read:

65950.5. (a) If an applicant for a development project for natural gas exploration or production and a public agency agree in writing to expedite the public agency's actions pursuant to Article 3 (commencing with Section 65940) or this article, the public agency may provide the services, contract with a private entity, or employ persons on a temporary basis to perform the services necessary to meet those time limits.

(b) The private entities or persons temporarily employed by the public agency may, pursuant to a contract or agreement with the public agency, perform any of the functions necessary to comply with the requirements of Article 3 (commencing with Section 65940), this article, or local ordinances adopted pursuant to those articles, except those functions reserved by those articles or local ordinances to the legislative body of a local agency.

(c) A public agency may charge the applicant a fee that does not exceed the estimated reasonable cost of providing the service pursuant to this section. A local agency shall comply with Section 66014, Chapter 8 (commencing with Section 66016), and Chapter 9 (commencing with Section 66020).

CHAPTER 440

An act to amend Section 22820 of the Government Code, relating to public employee health benefits, and declaring the urgency thereof, to take effect immediately.

[Approved by Governor September 10, 2004. Filed with Secretary of State September 10, 2004.]

The people of the State of California do enact as follows:

SECTION 1. Section 22820 of the Government Code, as added by Chapter 69 of the Statutes of 2004, is amended to read:

22820. (a) Upon the death, on or after January 1, 2002, of a firefighter employed by a county, city, city and county, district, or other political subdivision of the state, a firefighter employed by the Department of Forestry and Fire Protection, or a peace officer as defined in Section 830.1, 830.2, 830.3, 830.31, 830.32, 830.33, 830.34, 830.35, 830.36, 830.37, 830.38, 830.39, 830.4, 830.5, 830.55, or 830.6 of the Penal Code, if the death occurred as a result of injury or disease arising

out of and in the course of his or her official duties, the surviving spouse or other eligible family member of the deceased firefighter or peace officer, if uninsured, is deemed to be an annuitant under Section 22760 for purposes of enrollment. All eligible family members of the deceased firefighter or peace officer who are uninsured may enroll in a health benefit plan of the surviving spouse's choice. However, an unmarried child of the surviving spouse is not eligible to enroll in a health benefit plan under this section if the child was not a family member under Section 22775 and regulations pertinent thereto prior to the firefighter's or peace officer's date of death. The employer of the deceased firefighter or peace officer shall notify the board within 10 days of the death of the employee if a spouse or family member may be eligible for enrollment in a health benefit plan under this section.

(b) Upon notification, the board shall promptly determine eligibility and shall forward to the eligible spouse or family member the materials necessary for enrollment. In the event of a dispute regarding whether a firefighter's or peace officer's death occurred as a result of injury or disease arising out of and in the course of his or her official duties as required under subdivision (a), that dispute shall be determined by the Workers' Compensation Appeals Board, subject to the same procedures and standards applicable to hearings relating to claims for workers' compensation benefits. The jurisdiction of the Workers' Compensation Appeals Board under this section is limited to the sole issue of industrial causation and this section does not authorize the Workers' Compensation Appeals Board to award costs against the system.

(c) (1) Notwithstanding any other provision of law, but except as otherwise provided in subdivision (d), the state shall pay the employer contribution required for enrollment under this part for the uninsured surviving spouse of a deceased firefighter or peace officer for life, and the other uninsured eligible family members of a deceased firefighter or peace officer, provided the family member meets the eligibility requirements of Section 22775 and regulations pertinent thereto.

(2) The contribution payable by the state for each uninsured surviving spouse and other uninsured eligible family members shall be adjusted annually and be equal to the amount specified in Section 22871.

(3) The state's contribution under this section shall commence on the effective date of enrollment of the uninsured surviving spouse or other uninsured eligible family members. The contribution of each surviving spouse and eligible family member shall be the total cost per month of the benefit coverage afforded him or her under the plan less the portion contributed by the state pursuant to this section.

(d) The cancellation of coverage by an annuitant, as defined in this section, shall be final without option to reenroll, unless coverage is

canceled because of enrollment in an insurance plan from another source.

(e) For purposes of this section, ''surviving spouse'' means a husband or wife who was married to the deceased firefighter or peace officer on the deceased's date of death and either for a continuous period of at least one year prior to the date of death or prior to the date the deceased firefighter or peace officer sustained the injury or disease resulting in death.

(f) For purposes of this section, ''uninsured'' means that the surviving spouse is not enrolled in an employer-sponsored health plan under which the employer contribution covers 100 percent of the cost of health care premiums.

(g) The board has no duty to identify, locate, or notify any surviving spouse or eligible family member who may be or may become eligible for benefits under this section.

SEC. 2. This act is an urgency statute necessary for the immediate preservation of the public peace, health, or safety within the meaning of Article IV of the Constitution and shall go into immediate effect. The facts constituting the necessity are:

If a firefighter or peace officer who has been married less than one year is killed in the line of duty between the chaptering of this bill and January 1, 2005, it would constitute a grave injustice to deny the surviving spouse full surviving spouse benefits.

CHAPTER 441

The people of the State of California do enact as follows:

SECTION 1. Section 31520.5 of the Government Code is amended to read:

31520.5. (a) Notwithstanding Section 31520.1, in any county subject to Articles 6.8 (commencing with Section 31639) and 7.5 (commencing with Section 31662), the board of retirement may, by majority vote, appoint, from a list of nominees submitted by a qualified retiree organization, an alternate retired member to the office of the

eighth member, who shall serve until the expiration of the current term of the current eighth member. Thereafter, the alternate retired member shall be elected separately by the retired members of the association in the same manner and at the same time as the eighth member is elected. An organization shall be deemed to be a ''qualified retiree organization'' for purposes of this subdivision if a majority of the members of the organization are retired members of the system.

(b) The term of office of the alternate retired member shall run concurrently with the term of office of the eighth member. The alternate retired member shall vote as a member of the board only in the event the eighth member is absent from a board meeting for any cause. If there is a vacancy with respect to the eighth member, the alternate retired member shall fill that vacancy until a successor qualifies. Except as provided in subdivision (c) and as otherwise provided in this subdivision, the alternate retired member shall be entitled to the same rights and privileges and shall have the same responsibilities and access to closed sessions as the eighth member.

(c) The alternate retired member may hold positions on committees of the board independent of the eighth member and may participate in the deliberations of the board or its committees whether or not the eighth member is present, unless prohibited by resolution or regulation of the board.

(d) The alternate retired member shall be entitled to the same compensation as the eighth member for attending a meeting, pursuant to Sections 31521 and 31521.1, whether or not the eighth member is in attendance at those meetings.

(e) If this section is made applicable in any county, by the appointment of an alternate eighth member, the alternate safety member may not sit and act for the eighth member.

SEC. 2. Section 31537 of the Government Code, as added by Section 1 of Chapter 191 of the Statutes of 2003, is amended and renumbered to read:

31592.5. The board shall provide to any organization that is recognized by the board as representing the retired employees of the county or district reasonable advance notice of any proposed changes to the retirement benefits offered by the system or the use or uses of excess funds of the retirement system. The organization shall have a reasonable opportunity to comment prior to any formal action by the board on the proposed changes.

SEC. 3. Section 31704 of the Government Code is amended to read:

31704. If any member elects to have his or her deferred retirement allowance calculated in accordance with Section 31762, 31763, 31764, or 31764.5, he or she shall present his or her election in writing to the

board at least six months prior to the effective date of his or her deferred retirement allowance.

SEC. 4. Section 31764.5 is added to the Government Code, to read:

31764.5. (a) At retirement, a member who elects an optional settlement pursuant to Section 31762, 31763, or 31764 may elect to reduce his or her allowance to provide that if the named beneficiary predeceases the member, the member's allowance shall be adjusted to the amount he or she would have been entitled to receive at retirement if his or her benefit had not been modified by an optional settlement, adjusted by any cost-of-living increases that would have been added to the monthly allowance. The adjusted allowance shall be effective on the first day of the month following the month in which notification of the beneficiary's death is received by the board.

(b) This section may not become operative if, in the opinion of the retirement board and the actuary, the allowances payable under this section would place an additional financial burden on the retirement system.

(c) This section may not become operative until the board of supervisors elects, by resolution adopted by a majority vote, to make this section operative in the county.

SEC. 5. Section 31764.6 is added to the Government Code, to read:

31764.6. (a) Notwithstanding Sections 31481 and 31760, optional settlement 5 consists of a retired member's right to elect in writing to have his or her retirement allowance reduced and to designate his or her spouse who is not otherwise eligible to receive a survivor allowance. The survivor allowance shall be determined on an actuarial basis by the reduction in the member's allowance and may not, in the opinion of the board and the actuary, place any additional financial burden on the retirement system.

(b) A member who elected to receive an optional settlement under Section 31762, 31763, or 31764, involving a life contingency of a beneficiary, may elect optional settlement 5 if the beneficiary predeceases the member or, if a former spouse was named, in the event of a dissolution or annulment of the marriage or a legal separation in which the judgment dividing the community property awards the total interest in the retirement system to the retired member.

(c) A member who married at least 12 months prior to the date this section becomes operative may file an election with the board of retirement within 60 days after the operative date. The election shall become effective the first day of the month following receipt of the election by the board. A member who fails to elect within that 60-day period shall retain the right to make an election under this section subject to the waiting period provided in subdivision (d).

(d) Except as provided in subdivision (c), the election under this section shall become effective 12 months after the date it is filed with the board, provided that neither the member nor his or her spouse dies prior to the effective date of the election.

(e) An election under this section is irrevocable.

(f) This section may not become operative until the board of supervisors elects, by resolution adopted by a majority vote, to make this section operative in the county.

SEC. 6. Section 31764.7 is added to the Government Code, to read:

31764.7. (a) Notwithstanding any other provision of this chapter, if a retired member elects to have his or her retirement allowance reduced pursuant to Section 31764.6 and if, thereafter, the member's spouse predeceases the member, the member's allowance shall be adjusted to the amount he or she received at retirement, adjusted by any cost-of-living increases that were or would have been added to the monthly allowance. The adjusted allowance shall be effective on the first day of the month following the month in which notification of the spouse's or beneficiary's death is received by the board.

(b) This section may not become operative if, in the opinion of the retirement board and the actuary, the allowances payable under this section would place an additional financial burden on the retirement system.

(c) This section may not become operative until the board of supervisors elects, by resolution adopted by a majority vote, to make this section operative in the county.

SEC. 7. Section 31789.5 of the Government Code is amended to read:

31789.5. (a) Upon the death of any person after retirement and while receiving a retirement allowance from this system, or any superseded system, there shall be paid to his or her estate, or to the beneficiary as he or she shall nominate by written designation duly executed and filed with the board, an amount determined by the board of supervisors. The board of supervisors shall, by resolution adopted by majority vote, fix and determine an amount that may not exceed five thousand dollars ($5,000).

(b) This section applies to every member who dies after this section becomes operative whether he or she has retired before or after the operative date or effective date of this section.

(c) The death benefit provided by this section shall be paid in lieu of a payment under Section 31789 or 31789.1 and may be paid in part, from contributions of the county or district in accordance with Section 31789, and in part, from surplus earnings of the retirement system in accordance with Section 31789.1.

(d) The death benefit provided by this section may, at the election of the board of retirement, be provided through a group life insurance policy if the cost of that policy to the system is the same or less than the cost to the system, county, or district of other methods of providing the benefit.

(e) This section may not be operative in any county until the board of supervisors, by resolution adopted by a majority vote, makes this section applicable in the county and the board of retirement, by resolution adopted by a majority vote, determines that its portion of the cost of the benefits may be financed from surplus earnings of the retirement fund.

(f) Upon adoption, by any county providing benefits pursuant to this section, of Article 5.5 (commencing with Section 31610), only that portion of those benefits that is paid from surplus earnings described in Section 31592.2 shall be paid, instead, from the Supplemental Retiree Benefits Reserve established pursuant to Section 31618.

CHAPTER 442

An act to amend Section 22115 of the Education Code, relating to state teachers' retirement, and making an appropriation therefor.

[Approved by Governor September 10, 2004. Filed with Secretary of State September 10, 2004.]

The people of the State of California do enact as follows:

SECTION 1. Section 22115 of the Education Code, as amended by Section 3 of Chapter 1021 of the Statutes of 2000, is amended to read:

22115. (a) ''Compensation earnable'' means the creditable compensation a person could earn in a school year for creditable service performed on a full-time basis, excluding service for which contributions are credited by the system to the Defined Benefit Supplement Program.

(b) The board may determine compensation earnable for persons employed on a part-time basis.

(c) When service credit for a school year is less than 1.000, compensation earnable shall be the product obtained when creditable compensation paid in that year is divided by the service credit for that year, except as provided in subdivision (d).

(d) When a member earns creditable compensation at multiple pay rates during a school year and service credit at the highest pay rate is at least 0.900 of a year, compensation earnable shall be determined as if all service credit for that year had been earned at the highest pay rate. This

subdivision shall be applicable only for purposes of determining final compensation. When a member earns creditable compensation at multiple pay rates during a school year and service credit at the highest pay rate is less than 0.900 of a year, compensation earnable shall be determined pursuant to subdivision (c).

(e) For purposes of determining compensation earnable for a member employed by a community college prior to July 1, 1996, full time shall be defined pursuant to Section 22138.5 and pursuant to Section 20521 of Title 5 of the California Code of Regulations, as those provisions read on June 30, 1996, if application of that definition will increase the compensation earnable or otherwise enhance the benefits of the member.

(f) The amendments to this section made during the second year of the 1999–2000 Regular Session shall become operative on July 1, 2002, if the revenue limit cost-of-living adjustment computed by the Superintendent of Public Instruction for the 2001–02 fiscal year is equal to or greater than 3.5 percent. Otherwise the amendments to this section made during the second year of the 1999–2000 Regular Session shall become operative on July 1, 2003.

SEC. 2. The sum of one hundred forty thousand dollars ($140,000) is hereby appropriated from the Teachers' Retirement Fund to the Teachers' Retirement Board to fund the one-time administrative costs of this act.

CHAPTER 443

An act to amend Sections 7197, 8617, and 8662 of the Business and Professions Code, relating to structural pest control.

[Approved by Governor September 10, 2004. Filed with Secretary of State September 10, 2004.]

The people of the State of California do enact as follows:

SECTION 1. Section 7197 of the Business and Professions Code is amended to read:

7197. (a) It is an unfair business practice for a home inspector, a company that employs the inspector, or a company that is controlled by a company that also has a financial interest in a company employing a home inspector, to do any of the following:

(1) To perform or offer to perform, for an additional fee, any repairs to a structure on which the inspector, or the inspector's company, has prepared a home inspection report in the past 12 months.

(2) Inspect for a fee any property in which the inspector, or the inspector's company, has any financial interest or any interest in the transfer of the property.

(3) To offer or deliver any compensation, inducement, or reward to the owner of the inspected property, the broker, or agent, for the referral of any business to the inspector or the inspection company.

(4) Accept an engagement to make an inspection or to prepare a report in which the employment itself or the fee payable for the inspection is contingent upon the conclusions in the report, preestablished findings, or the close of escrow.

(5) A home protection company that is affiliated with or that retains the home inspector does not violate this section if it performs repairs pursuant to claims made under the home protection contract.

(b) This section shall not affect the ability of a structural pest control operator to perform repairs pursuant to Section 8505 as a result of a structural pest control inspection.

SEC. 2. Section 8617 of the Business and Professions Code is amended to read:

8617. (a) The board or county agricultural commissioners, when acting pursuant to Section 8616.4, may suspend the right of a structural pest control licensee or registered company to work in a county for up to three working days or, for a licensee, registered company, or an unlicensed individual acting as a licensee, may levy an administrative fine up to one thousand dollars ($1,000) or direct the licensee to attend and pass a board-approved course of instruction at a cost not to exceed the administrative fine, or both, for each violation of this chapter, or Chapter 14.5, or any regulations adopted pursuant to these chapters, or Chapter 2 (commencing with Section 12751), Chapter 3 (commencing with Section 14001), Chapter 3.5 (commencing with Section 14101), or Chapter 7 (commencing with Section 15201) of Division 7 of the Food and Agricultural Code, or any regulations adopted pursuant to those chapters, relating to pesticides. However, any violation determined by the board or the commissioner to be a serious violation as defined in Section 1922 of Title 16 of the California Code of Regulations shall be subject to a fine of not more than five thousand dollars ($5,000) for each violation. Fines collected shall be paid to the Education and Enforcement Account in the Structural Pest Control Education and Enforcement Fund. Suspension may include all or part of the registered company's business within the county based on the nature of the violation, but shall, whenever possible, be restricted to that portion of a registered company's business in a county that was in violation.

(b) A licensee who passes a course pursuant to this section shall not be awarded continuing education credit for that course.

(c) Before a suspension action is taken, a fine levied, or a licensee is required to attend and pass a board-approved course of instruction, the person charged with the violation shall be provided a written notice of the proposed action, including the nature of the violation, the amount of the proposed fine or suspension, or the requirement to attend and pass a board-approved course of instruction. The notice of proposed action shall inform the person charged with the violation that if he or she desires a hearing before the commissioner issuing the proposed action to contest the finding of a violation, that hearing shall be requested by written notice to the commissioner within 20 days of the date of receipt of the written notice of proposed action.

A notice of the proposed action that is sent by certified mail to the last known address of the person charged shall be considered received even if delivery is refused or the notice is not accepted at that address.

If a hearing is requested, notice of the time and place of the hearing shall be given at least 10 days before the date set for the hearing. At the hearing, the person shall be given an opportunity to review the commissioner's evidence and a right to present evidence on his or her own behalf. If a hearing is not requested within the prescribed time, the commissioner may take the action proposed without a hearing.

(d) If the person upon whom the commissioner imposed a fine or suspension or required attendance at a board-approved course of instruction requested and appeared at a hearing before the commissioner, the person may appeal the commissioner's decision to the Disciplinary Review Committee and shall be subject to the procedures in Section 8662.

(e) If a suspension or fine is ordered, it may not take effect until 20 days after the date of the commissioner's decision if no appeal is filed. If an appeal pursuant to Section 8662 is filed, the commissioner's order shall be stayed until 30 days after the Disciplinary Review Committee has ruled on the appeal.

(f) Failure of a licensee or registered company to pay a fine within 30 days of the date of assessment or to comply with the order of suspension, unless the citation is being appealed, may result in disciplinary action being taken by the board.

Where a citation containing a fine is issued to a licensee and it is not contested or the time to appeal the citation has expired and the fine is not paid, the full amount of the assessed fine shall be added to the fee for renewal of that license. A license shall not be renewed without payment of the renewal fee and fine.

Where a citation containing a fine is issued to a registered company and it is not contested or the time to appeal the citation has expired and the fine is not paid, the board shall not sell to the registered company any

inspection stamps, notice of completion stamps, or pesticide use stamps until the assessed fine has been paid.

Where a citation containing the requirement that a licensee attend and pass a board-approved course of instruction is not contested or the time to appeal the citation has expired and the licensee has not attended and passed the required board-approved course of instruction, the licensee's license shall not be renewed without proof of attendance and passage of the required board-approved course of instruction.

(g) Once final action pursuant to this section is taken, no other administrative or civil action may be taken by any state governmental agency for the same violation. However, action taken pursuant to this section may be used by the board as evidence of prior discipline, and multiple local actions may be the basis for statewide disciplinary action by the board pursuant to Section 8620. A certified copy of the order of suspension or fine issued pursuant to this section or Section 8662 shall constitute conclusive evidence of the occurrence of the violation.

(h) Where the board is the party issuing the notice of proposed action to suspend or impose a fine pursuant to subdivision (a) of this section, ''commissioner'' as used in subdivisions (c), (d), and (e) includes the board's registrar.

SEC. 3. Section 8662 of the Business and Professions Code is amended to read:

8662. (a) Whenever the right of a structural pest control licensee or registered company to make pesticide applications is to be suspended or the licensee, registered company, or unlicensed individual is to be fined pursuant to Section 8617, and if the person upon whom the commissioner imposed a fine or suspension requested and appeared at a hearing before the commissioner in accordance with Section 8617, the party to be suspended or fined may appeal to the Disciplinary Review Committee by filing a written appeal with the committee within 30 days of receipt of the fine or suspension order.

(b) The following procedures shall apply to the appeal:

(1) The appeal shall be in writing and signed by the appellant or his or her or its authorized agent, state the grounds for the appeal, and include a copy of the commissioner's decision. The appellant shall file a copy of the appeal with the commissioner at the same time it is filed with the committee.

(2) Any party may, at the time of filing the appeal or within 10 days thereafter, or at a later time prescribed by the committee or its designee, present the record of the hearing, including written evidence that was submitted at the hearing and written argument to the committee stating the grounds for affirming, modifying, or reversing the commissioner's decision.

(3) The committee or its designee may grant oral argument upon application made at the time written arguments are filed. If an application to present an oral argument is granted, written notice of the time and place for the oral argument shall be given each party at least 10 days before the date set therefor. The times may be altered by mutual agreement of the appellant, the commissioner, and the committee.

(4) At any time written evidence is submitted to the committee, a copy shall be immediately provided to the other party.

(5) The committee shall decide the appeal on the record of the hearing, including the written evidence and the written argument described in paragraph (2) that the committee may have received. If the committee finds substantial evidence in the record to support the commissioner's decision, the committee shall affirm the decision.

(6) The committee shall render its written decision within 45 days of the date of appeal or within 15 days from the date of oral arguments, or as soon thereafter as practical.

(7) On an appeal pursuant to this section, the committee may sustain, modify by reducing the time of suspension or the amount of the fine levied, or reverse the decision. A copy of the committee's decision shall be delivered or mailed to each party.

(8) Review of the decision of the committee may be sought by the licensee, registered company, or unlicensed individual pursuant to Section 1094.5 of the Code of Civil Procedure.

The fee shall be established by January 1 of each year by the department upon the receipt of a budget recommendation from the advisory committee. The fee shall

not exceed sixty cents ($0.60) for each certified producer certificate and other agricultural producers participating on each market day. A certified farmers' market may directly recover all or part of the fee from the participating certified and other agricultural producers.

(b) Any operator of a certified farmers' market who fails to pay the required fee within 30 days after the end of the quarter in which it is due, shall pay to the department a monthly interest charge on the unpaid balance and a late penalty charge, to be determined by the department and not to exceed the maximum amount permitted by law.

(c) All fees collected pursuant to this section shall be deposited in the Department of Food and Agriculture Fund. (1) Within 10 days from the date of issuance of a written decision by a hearing panel or hearing officer.

(2) If no decision is issued, within 45 days from the date a request for a hearing was received by the enforcement agency for which there was a failure of a hearing panel or hearing officer to render a decision or consider a petitioner's request pursuant to Section 44310.

If the board overturns the decision of the local enforcement agency, the hearing panel, or the hearing officer, or finds that the enforcement agency has failed to act as required, the board may do both of the following:

(1) Direct that the appropriate action be taken by the local enforcement agency.

(2) If the local enforcement agency fails to act by the date specified by the board, take the appropriate action itself.

(3) The program does not test for human immunodeficiency virus or any reportable disease or condition identified in Section 120130 of the Health and Safety Code or the regulations adopted under that section.

(4) The program utilizes only those devices that comply with all of the following:

(A) Meet all applicable state and federal performance standards pursuant to Section 111245 of the Health and Safety Code.

The tests that may be conducted pursuant to this section are: pregnancy, glucose level, cholesterol, occult blood, and any other test for which there is a test for a particular analyte approved by the federal Food and Drug Administration for sale to the public without a prescription in the form of an over-the-counter test kit. A test approved only as an over-the-counter collection device may not be conducted pursuant to this section.

SEC. 5. No reimbursement is required by this act pursuant to Section 6 of Article XIII B of the California Constitution because the only costs that may be incurred by a local agency or school district will be incurred because this act creates a new crime or infraction, eliminates a crime or infraction, or changes the penalty for a crime or infraction, within the meaning of Section 17556 of the Government Code, or

changes the definition of a crime within the meaning of Section 6 of Article XIII B of the California Constitution.

CHAPTER 451

An act to add Section 1812.117 to the Civil Code, relating to discount buying organizations.

[Approved by Governor September 10, 2004. Filed with Secretary of State September 10, 2004.]

The people of the State of California do enact as follows:

SECTION 1. Section 1812.117 is added to the Civil Code, to read:

1812.117. (a) An affiliate discount buying organization may, at its option, and with the express written consent of its parent, comply with the trust account withdrawal provisions set forth in subdivision (b), in lieu of those contained in subdivision (b) of Section 1812.116.

(b) The affiliate shall comply with the trust account provisions of subdivision (b) of Section 1812.116, except that:

(1) As to each buyer, during the first one-fourth or first six months of the buyer's membership period, whichever is shorter, funds representing no more than one-half of the contract price may be withdrawn from the trust account.

(2) During the subsequent one-fourth or six-month period of the buyer's membership period, whichever is shorter, the remaining balance of the contract price may be withdrawn from the trust account.

(c) To qualify for the provisions set forth in subdivision (b), (1) the affiliate shall maintain a surety bond of two hundred fifty thousand dollars ($250,000), and (2) the parent shall maintain an aggregate surety bond of two million five hundred thousand dollars ($2,500,000) and a letter of credit, as set forth in subdivision (d), for all of its affiliates that qualify for the withdrawal provisions of subdivision (b). The bonds shall be issued by a surety company admitted to do business in this state. A copy of each bond shall be filed with the Secretary of State, with a copy provided to the Attorney General. The affiliate's bond shall be in lieu of the bond required by subdivision (a) of Section 1812.103. The surety bonds shall comply with the requirements of this section and shall be in favor of the State of California for the benefit of consumers harmed by any violation of this title by the affiliate, the failure of the affiliate to comply with the terms of its membership contracts with consumers, and the failure of the affiliate to comply with the terms of any agreement with consumers for the purchase of goods or services, provided the bonds

shall cover only pecuniary loss and not exemplary damages or treble damages permitted under subdivision (a) of Section 1812.123, and provided further the parent's bond shall not be drawn on until the affiliate's bond is exhausted.

(d) The parent shall continuously maintain and provide to the Attorney General as beneficiary an irrevocable letter of credit issued by a California state chartered bank or a national bank with its principal place of business in the State of California, in the amount of one million dollars ($1,000,000), in a form satisfactory to the Attorney General. After the bonds described in subdivision (c) have been exhausted, only the Attorney General, by and through the Attorney General's deputy or assistant, may draw on the letter of credit for the satisfaction of any final judgments based on any violation of this title by the affiliate, the failure of the affiliate to comply with the terms of its membership contracts with consumers, or the failure of an affiliate to comply with the terms of any agreement with consumers for the purchase of goods or services, provided the liability is established by final judgment of a court of competent jurisdiction and the time for appeal has expired or, if an appeal is taken, the appeal is finally determined and the judgment is affirmed, and provided further the letter of credit shall cover only pecuniary loss and not exemplary damages or treble damages permitted under subdivision (a) of Section 1812.123. The letter of credit shall provide that payment shall be made to the Attorney General upon presentation to the issuer of a sight draft stating only the amount drawn and signed by the Attorney General or by an Assistant or Deputy Attorney General. Any amount received by the Attorney General under the letter of credit shall be used exclusively to satisfy final judgments as described in this subdivision. The Attorney General may apply to the court for orders as desired or needed to carry out the provisions of this subdivision.

(e) In addition to other lawful means for the enforcement of the surety's liability on the bonds required by this section, the surety's liability may be enforced by motion after a final judgment has been obtained against an affiliate based on any violation of this title by the affiliate, the failure of the affiliate to comply with the terms of its membership contracts with consumers, or the failure of the affiliate to comply with the terms of any agreement with consumers for the purchase of goods or services. The bond of the parent shall not be drawn on until the bond of the affiliate has been exhausted, as provided in subdivisions (c) and (d). The motion may be filed by the Attorney General, a public prosecutor, or any person who obtained the judgment without first attempting to enforce the judgment against any party liable under the judgment. The notice of motion, motion, and a copy of the judgment shall be served on the surety as provided in Chapter 5 (commencing with Section 1010) of Title 14 of Part 2 of the Code of

Civil Procedure. The notice shall set forth the amount of the claim, a brief statement indicating that the claim is covered by the bond, and, if the motion is to enforce liability under the bond provided by the parent, a statement that the bond provided by the affiliate has been exhausted or will be exhausted if the motion is granted. Service shall also be made on the Attorney General directed to the Consumer Law section. The court shall grant the motion unless the surety establishes that the claim is not covered by the bond or unless the court sustains an objection made by the Attorney General that the grant of the motion might impair the rights of actual or potential claimants or is not in the public interest. The court may, in the interest of justice, order a pro rata or other equitable distribution of the bond proceeds.

(f) (1) The bond required by subdivision (c) for an affiliate shall be continuously maintained by the affiliate until the date the affiliate ceases to make the election under subdivision (a) or ceases to engage in the business of a discount buying organization. The bond required by subdivision (c) for the parent shall be continuously maintained by the parent until the date all affiliates cease to make the election under subdivision (a) or all affiliates cease to engage in the business of a discount buying organization.

Legal proceedings may be had therefor in all respects as though the bond were in effect.

(3) The letter of credit required under subdivisions (c) and (d) shall be continuously maintained for a period of four years after all affiliates cease to make the election under subdivision (a) or cease to engage in the business of a discount buying organization, provided the period shall be extended until there is a final judgment, as described in subdivision (d), entered in each action seeking relief that may be covered by the letter of credit if the action was filed before the expiration of the four-year period.

[Approved by Governor September 10, 2004. Filed with Secretary of State September 10, 2004.]

The people of the State of California do enact as follows:

SECTION 1. Section 3502.1 of the Business and Professions Code is amended to read:

3502.1. (a) In addition to the services authorized in the regulations adopted by the board, and except as prohibited by Section 3502, while under the supervision of a licensed physician and surgeon or physicians and surgeons authorized by law to supervise a physician assistant, a physician assistant may administer or provide medication to a patient, or transmit orally, or in writing on a patient's record or in a drug order, an order to a person who may lawfully furnish the medication or medical device pursuant to subdivisions (c) and (d).

(1) A supervising physician and surgeon who delegates authority to issue a drug order to a physician assistant may limit this authority by specifying the manner in which the physician assistant may issue delegated prescriptions.

(2) Each supervising physician and surgeon who delegates the authority to issue a drug order to a physician assistant shall first prepare and adopt, or adopt, a written, practice specific, formulary and protocols that specify all criteria for the use of a particular drug or device, and any contraindications for the selection. The drugs listed shall constitute the formulary and shall include only drugs that are appropriate for use in the type of practice engaged in by the supervising physician and surgeon. When issuing a drug order, the physician assistant is acting on behalf of and as an agent for a supervising physician and surgeon.

(b) ''Drug order'' for purposes of this section means an order for medication which is dispensed to or for a patient, issued and signed by a physician assistant acting as an individual practitioner within the meaning of Section 1306.02 of Title 21 of the Code of Federal Regulations. Notwithstanding any other provision of law, (1) a drug order issued pursuant to this section shall be treated in the same manner as a prescription or order of the supervising physician, (2) all references to ''prescription'' in this code and the Health and Safety Code shall include drug orders issued by physician assistants pursuant to authority granted by their supervising physicians, and (3) the signature of a physician assistant on a drug order shall be deemed to be the signature of a prescriber for purposes of this code and the Health and Safety Code.

(c) A drug order for any patient cared for by the physician assistant that is issued by the physician assistant shall either be based on the protocols described in subdivision (a) or shall be approved by the supervising physician before it is filled or carried out.

(1) A physician assistant shall not administer or provide a drug or issue a drug order for a drug other than for a drug listed in the formulary without advance approval from a supervising physician and surgeon for the particular patient. At the direction and under the supervision of a physician and surgeon, a physician assistant may hand to a patient of the supervising physician and surgeon a properly labeled prescription drug prepackaged by a physician and surgeon, manufacturer as defined in the Pharmacy Law, or a pharmacist.

(2) A physician assistant may not administer, provide or issue a drug order for Schedule II through Schedule V controlled substances without advance approval by a supervising physician and surgeon for the particular patient.

(3) Any drug order issued by a physician assistant shall be subject to a reasonable quantitative limitation consistent with customary medical practice in the supervising physician and surgeon's practice.

(d) A written drug order issued pursuant to subdivision (a), except a written drug order in a patient's medical record in a health facility or medical practice, shall contain the printed name, address, and phone number of the supervising physician and surgeon, the printed or stamped name and license number of the physician assistant, and the signature of the physician assistant. Further, a written drug order for a controlled substance, except a written drug order in a patient's medical record in a health facility or a medical practice, shall include the federal controlled substances registration number of the physician assistant. The requirements of this subdivision may be met through stamping or otherwise imprinting on the supervising physician and surgeon's prescription blank to show the name, license number, and if applicable, the federal controlled substances number of the physician assistant, and

shall be signed by the physician assistant. When using a drug order, the physician assistant is acting on behalf of and as the agent of a supervising physician and surgeon.

(e) The medical record of any patient cared for by a physician assistant for whom the supervising physician and surgeon's Schedule II drug order has been issued or carried out shall be reviewed and countersigned and dated by a supervising physician and surgeon within seven days.

(f) All physician assistants who are authorized by their supervising physicians to issue drug orders for controlled substances shall register with the United States Drug Enforcement Administration (DEA).

(g) The committee shall consult with the Medical Board of California and report during its sunset review required by Division 1.2 (commencing with Section 473) the impacts of exempting Schedule III and Schedule IV drug orders from the requirement for a physician and surgeon to review and countersign the affected medical record of a patient.

129875.1. (1) The construction or alteration is undertaken to repair existing systems or to keep up the course of normal or routine maintenance.

(2) The construction or alteration either restores the facility to the same operational status, or improves operational status from its operating condition immediately prior to the event, occurrence, or condition that necessitated the alteration.

(3) The scope of the construction or alteration is not ordinarily within the standard of practice of a licensed architect or registered engineer.

(4) The construction or alteration does not degrade the status or condition of the fire and life safety system from the status of the system immediately prior to the event, occurrence, or condition that necessitated the alteration.

(b) Upon completion of construction or alteration of any building subject to this section, and prior to use of the repaired system or other subject of the construction or alteration, the office shall inspect and approve the work. The office may require an interim inspection for code compliance when walls, ceilings, or other materials or finishes will cover the final work.

(c) Upon compliance with subdivision (a), the office shall issue a building permit.

An act to add Section 9253.5 to the Welfare and Institutions Code, relating to long-term care.

[Approved by Governor September 10, 2004. Filed with Secretary of State September 10, 2004.]

The people of the State of California do enact as follows:

SECTION 1. Section 9253.5 is added to the Welfare and Institutions Code, to read:

9253.5. (a) The Legislature finds and declares all of the following:

(1) Providers of long-term care programs, including, but not limited to, programs of all-inclusive care for the elderly, skilled nursing facilities, adult day care, adult day services, Alzheimer's day care centers, and multipurpose senior services programs, are regulated by numerous state and local agencies.

(2) Overlapping and duplicative oversight of long-term care programs often results in conflicting interpretations of statutes and

regulations. Also, oversight by multiple agencies creates an operational burden that ultimately deprives residents or clients of valuable staff time.

(3) The State Auditor has completed an audit investigation of the duplicative overlapping regulatory oversight of long-term care programs.

(b) By March 1, 2005, the California Health and Human Services Agency shall determine the appropriate single entity to provide oversight of the waiver standards for adult day health care centers.

(c) The State Department of Health Services shall determine a percentage of the number of oversight reviews it conducts of the Multipurpose Senior Services Program (MSSP) utilization surveys that are conducted by the California Department of Aging. The percentage of surveys reviewed shall be sufficient to ensure effective oversight, but small enough to avoid unnecessary duplication of effort.

CHAPTER 456

CHAPTER 458

An act to amend Sections 31001, 31119, 31125, 31300, 31402, 31403, 31405, 31410, and 31411 of, and to add Sections 31001.1, 31109, 31109.1, 31406, 31407, and 31408 to, the Corporations Code, and to add Section 22063 to the Financial Code, relating to franchises, and declaring the urgency thereof, to take effect immediately.

[Approved by Governor September 10, 2004. Filed with Secretary of State September 10, 2004.]

The people of the State of California do enact as follows:

SECTION 1. Section 31001 of the Corporations Code is amended to read:

31001. The Legislature hereby finds and declares that the widespread sale of franchises is a relatively new form of business which has created numerous problems both from an investment and a business point of view in the State of California. Prior to the enactment of this division, the sale of franchises was regulated only to the limited extent to which the Corporate Securities Law of 1968 applied to those transactions. California franchisees have suffered substantial losses where the franchisor or his or her representative has not provided full and complete information regarding the franchisor-franchisee relationship, the details of the contract between franchisor and franchisee, and the prior business experience of the franchisor.

It is the intent of this law to provide each prospective franchisee with the information necessary to make an intelligent decision regarding franchises being offered. Further, it is the intent of this law to prohibit the sale of franchises where the sale would lead to fraud or a likelihood that the franchisor's promises would not be fulfilled, and to protect the franchisor and franchisee by providing a better understanding of the relationship between the franchisor and franchisee with regard to their business relationship.

SEC. 2. Section 31001.1 is added to the Corporations Code, to read:

31001.1. (a) To enhance the uniform and efficient administration, and the effective enforcement, of this division, it is the intent of the Legislature that the commissioner shall maintain a risk-based process of reviewing franchise applications as described in this section.

(b) Under the risk-based review process, the commissioner shall focus on reviewing application information posing the most risk to prospective franchisees in accordance with Section 31115, with emphasis on risks associated with the franchisor's financial condition, the franchisor's compliance record, and significant deficiencies with the franchisor's application.

(c) When reviewing franchise filings under this section, the commissioner shall concentrate on helping to prevent misappropriation, mismanagement, and misrepresentation in connection with the offer or sale of any franchise subject to this division.

(d) The commissioner shall consider guidelines, or other information developed by the North American Securities Administrators Association that are in effect, to assist in the implementation of the risk-based review process. The risk-based review procedures implemented by the commissioner shall be considered internal management criteria and guidelines within the meaning of subdivisions (d) and (e) of Section 11340.9 of the Government Code.

SEC. 3. Section 31109 is added to the Corporations Code, to read:

31109. Any offer or sale of a franchise that meets all of the following requirements shall be exempt from Chapter 2 (commencing with Section 31110):

(a) Each and every purchaser of the franchise is one of the following:

(1) Any partner, executive officer, or director of the franchisor, or any executive officer of its corporate general partner if the franchisor is a partnership, or any manager if the franchisor is a limited liability company.

(2) Any entity with total assets exceeding five million dollars ($5,000,000) according to its most recent financial statements and not specifically formed for the purpose of acquiring the franchise offered. For purposes of this section, ''entity'' shall mean an organization described in Section 501(c)(3) of the Internal Revenue Code, a corporation, Massachusetts or similar business trust, limited liability company, or partnership. The financial statements referred to in this paragraph shall meet both of the following requirements:

(A) Be as of date not more than 90 days prior to the earlier of either the date on which the first prospective purchaser signs any binding franchise or other agreement with the franchisor in connection with the award of the franchise, or the date on which the franchisor receives any consideration from the first prospective purchaser in connection with the award of the franchise.

(B) Be prepared in accordance with either of the following:

(i) Generally accepted accounting principles and, if the entity has consolidated subsidiaries, on a consolidated basis.

(ii) The rules and requirements of the Securities and Exchange Commission, whether or not required by law to be prepared in accordance with those rules and requirements.

(3) Any natural person whose net worth, or joint net worth with that person's spouse, exceeds one million dollars ($1,000,000) at the time of his or her purchase of the franchise, excluding the value of that person's

personal residence, any and all retirement or pension plan accounts or benefits, home furnishings, and automobiles.

(4) Any natural person whose gross income exceeds three hundred thousand dollars ($300,000) per year in each of the two most recent years, or whose joint gross income with that person's spouse exceeds five hundred thousand dollars ($500,000) per year in each of those years, and who reasonably expects to reach the same income level in the current year.

(c) Each and every purchaser of the franchise purchases the franchise for the purchaser's own account, or a trust account if the purchaser is a trustee, for the purpose of conducting the business as a franchise and not with a view to, or for a sale in connection with, any resale or distribution of the franchise or any interest in the franchise.

(B) A statement indicating that copies of the negotiated terms are available upon written request.

(C) The name, telephone number, and address of the representative of the franchisor to whom requests for a copy of the negotiated terms may be obtained.

(3) The franchisor certifies or declares in an appendix to its application for renewal that it has complied with all of the requirements of this section, in the event this exemption is claimed.

(4) The negotiated terms, on the whole, confer additional benefits on the franchisee.

(b) The franchisor shall provide a copy of the negotiated terms described in subdivision (a) to the prospective franchisee within five business days following the request of the franchisee.

(c) The franchisor shall maintain copies of all material negotiated terms for which this exemption is claimed for a period of five years from the effective date of the first agreement containing the relevant negotiated term. Upon the request of the commissioner, the franchisor shall make the copies available to the commissioner for review. For purposes of this section, the commissioner may prescribe by rule or order the format and content of the summary description of the negotiated terms required by subdivision suparagraph (A) of paragraph (2) of subdivision (a).

(d) For purposes of this section, ''material'' means that a reasonable franchisee would view the terms as important in negotiating the franchise.

SEC. 5. Section 31119 of the Corporations Code is amended to read:

31119. (a) It is unlawful to sell any franchise in this state which is subject to registration under this law without first providing to the prospective franchisee, at least 10 business days prior to the execution by the prospective franchisee of any binding franchise or other agreement, or at least 10 business days prior to the receipt of any consideration, whichever occurs first, a copy of the offering circular, together with a copy of all proposed agreements relating to the sale of the franchise.

(b) Nothing in this division shall be construed to prevent a franchisor from providing copies of the offering circular documents to prospective

31125. (a) An application for registration of a material modification of an existing franchise or of existing franchises shall be in a form and contain information as the commissioner may by rule prescribe, and shall be accompanied by a proposed disclosure form as specified in subdivision (b). The application may be included with an application pursuant to Section 31111 or 31121.

(b) Except as provided in subdivisions (c) and (d), it is unlawful to solicit the agreement of a franchisee to a proposed material modification of an existing franchise without first delivering to the franchisee a written disclosure, in a form and containing information as the commissioner may by rule or order require, identifying the proposed modification, either five business days prior to the execution of any binding agreement by the franchisee to the modification or containing a statement that the franchisee may, by written notice mailed or delivered to the franchisor or a specified agent of the franchisor within not less than five business days following the execution of the agreement, rescind the agreement to the material modification.

(c) Any modification of a franchise agreement with an existing franchisee of a franchisor shall be exempted from the provisions of this chapter, if all of the following are met:

(2) The modification meets one of the following:

(A) The proposed modification is in connection with the resolution of a bona fide dispute between the franchisor and the franchisee or the resolution of a claimed or actual franchisee or franchisor default, and the modification is not applied on a franchise systemwide basis at or about the time the modification is executed. A modification shall not be deemed to be made on a franchise systemwide basis if it is offered on a voluntary basis to fewer than 25 percent of the franchisor's California franchises within any 12-month period.

(B) The proposed modification is offered on a voluntary basis to fewer than 25 percent of the franchisor's California franchises within any 12-month period, provided each franchisee is given a right to rescind the modification agreement if the modification is not made in compliance with paragraph (1) of subdivision (c).

(d) Any modification of a franchise agreement with an existing franchise of a franchisee shall be exempted from this chapter if the modification is offered on a voluntary basis and does not substantially and adversely impact the franchisee's rights, benefits, privileges, duties, obligations, or responsibilities under the franchise agreement.

(e) For purposes of this section, "California franchise" means: (1) an existing franchise of a franchisee with any location in this state from which sales, leases, or other transactions between the franchised business and its customers are made or goods or services are distributed, or (2) an existing franchise of a franchisee that is a resident of this state and that owns, controls, or has an equity interest in the franchise.

The commissioner shall also notify the person that upon receiving a request the matter shall be set for hearing to commence within 15 business days after receipt of the request. The person may consent to have the hearing commence at a later date. If no hearing is requested within 60 days after the mailing or service of the required notice, and none is ordered by the commissioner, the order may become final without a hearing and that

If a hearing is requested or ordered it shall be held in accordance with Chapter 5 (commencing with Section 11500) of Part 1 of Division 3 of Title 2 of the Government Code, and the commissioner shall have all of the powers granted under that chapter. (1) The entity obtains the board's approval to offer dental services pursuant to regulations adopted by the board.

(2) The entity does nothing to interfere with, control, or otherwise direct the professional judgment of or provision of dental services by a licensee or dental assistant acting within his or her scope of practice as defined in this chapter.

1635.5. (a) Notwithstanding Section 1634, the board may grant a license to practice dentistry to an applicant who has not taken an examination before the board, if the applicant submits all of the following to the board:

(1) A completed application form and all fees required by the board.

(2) Proof of a current license issued by another state to practice dentistry that is not revoked or suspended or otherwise restricted.

(3) Proof that the applicant has either been in active clinical practice or has been a full-time faculty member in an accredited dental education program and in active clinical practice for a total of at least 5,000 hours in five of the seven consecutive years immediately preceding the date of his or her application under this section. The clinical practice requirement shall be deemed met if documentation of any of the following is submitted:

(A) The applicant may receive credit for two of the five years of clinical practice by demonstrating completion of a residency training

program accredited by the American Dental Association Commission on Dental Accreditation, including, but not limited to, a general practice residency, an advanced education in general dentistry program, or a training program in a specialty recognized by the American Dental Association.

(B) If an applicant provides proof of at least two years of clinical practice or receives two years of credit as defined in subparagraph (A), he or she may commit to completing the remainder of the five-year requirement by filing with the board a copy of a pending contract to practice dentistry full time in a primary care clinic licensed under subdivision (a) of Section 1204 of the Health and Safety Code or in a primary care clinic exempt from licensure pursuant to subdivision (c) of Section 1206 of the Health and Safety Code, or in a clinic owned or operated by a public hospital or health system, or a clinic owned and operated by a hospital that maintains the primary contract with a county government to fill the county's role under Section 17000 of the Welfare and Institutions Code. The report shall include, but not be limited to, all of the following:

(a) The licensee's registered place of practice has been rendered and remains unusable due to loss or calamity.

(b) The licensee's insurer registers the unit with the board in compliance with Section 1657.

SEC. 5. No reimbursement is required by this act pursuant to Section 6 of Article XIII B of the California Constitution because the only costs that may be incurred by a local agency or school district will be incurred because this act creates a new crime or infraction, eliminates a crime or infraction, or changes the penalty for a crime or infraction, within the meaning of Section 17556 of the Government Code, or changes the definition of a crime within the meaning of Section 6 of Article XIII B of the California Constitution.

37706. If a school district elects to operate a school on a four-day school week as authorized by this chapter, the school district shall be entitled to receive the same support, but not more support, from the State School Fund due to the average daily attendance at the schools within the school district that it would have received if the school district had been operating under the provisions of law relating to the 175-day school year.

SECTION 1. Section 31539 is added to the Government Code, to read:

31539. (a) The board of retirement may, in its discretion, correct any error made in the calculation of a retired member's monthly allowance or any other benefits under this chapter, if either of the following exist:

(1) The error in the calculation of the member's monthly allowance or other benefits under this chapter was made as a result of fraudulent reports for compensation made, or caused to be made, by the member for his or her own benefit.

(2) The member caused his or her final compensation to be improperly increased or otherwise overstated at the time of retirement and the system applied that overstated amount as the basis for calculating the member's monthly retirement allowance or other benefits under this chapter.

(b) The retirement allowance or other benefits under this chapter with respect to a retired member described in subdivision (a) shall be adjusted prospectively to the amount that would have been payable if the overstatement of the member's final compensation had not occurred.

(c) Adjustment of the member's retirement allowance or other benefits may also be implemented retroactively and include the collection or return of the overpayment of benefits. The board of retirement may direct staff to correct the overpayment of benefits by offsetting the amount to be recovered against future benefits. Adjustments to correct the overpayment of benefits may also be made by adjusting the allowance so that the retired member or the retired

member and his or her beneficiary, as the case may be, will receive the actuarial equivalent of the allowance to which the member is entitled.

(d) The rights and remedies provided in this section are in addition to any other rights and remedies any party may have at law or in equity. Nothing in this section shall preclude any party from instituting an action for declaratory or other relief in lieu of proceeding under this section.

(e) The period of limitation of actions under this section shall be 10 years and that period shall commence either from the date of payment or upon discovery of the facts described in subdivision (a), whichever date is later. The board shall determine the applicability of the period of limitation in any case, and its determination with respect to the running of any period of limitation shall be conclusive and binding for purposes of correcting the error.

CHAPTER 467

An act to amend Sections 801, 4800, 4804.5, 4832, 4833, 4842.2, 4842.5, 4848, and 4875.4 of, and to add Section 4830.7 to, the Business and Professions Code, relating to veterinary medicine, and making an appropriation therefor.

801. (a) Every insurer providing professional liability insurance to a person who holds a license, certificate, or similar authority from or under any agency mentioned in subdivision (a) of Section 800 (except as provided in subdivisions (b), (c), (d), and (e)) shall send a complete report to that agency as to any settlement or arbitration award over three thousand dollars ($3,000) of a claim or action for damages for death or personal injury caused by that person's negligence, error, or omission in practice, or by his or her rendering of unauthorized professional services. The report shall be sent within 30 days after the written settlement agreement has been reduced to writing and signed by all parties thereto or within 30 days after service of the arbitration award on the parties.

(b) Every insurer providing professional liability insurance to a physician and surgeon licensed pursuant to Chapter 5 (commencing with Section 2000) or the Osteopathic Initiative Act shall send a complete report to the Medical Board of California or the Osteopathic Medical

Board of California, as appropriate, as to any settlement over thirty thousand dollars ($30,000); or arbitration award of any amount; or civil judgment of any amount, whether or not vacated by a settlement after entry of the judgment, that was not reversed on appeal; of a claim or action for damages for death or personal injury caused by that person's negligence, error, or omission in practice, or by his or her rendering of unauthorized professional services. A settlement over thirty thousand dollars ($30,000) shall also be reported if the settlement is based on the licensee's negligence, error, or omission in practice, or by the licensee's rendering of unauthorized professional services, and a party to the settlement is a corporation, medical group, partnership, or other corporate entity in which the licensee has an ownership interest or that employs or contracts with the licensee. The report shall be sent within 30 days after the written settlement agreement has been reduced to writing and signed by all parties thereto, within 30 days after service of the arbitration award on the parties, or within 30 days after the date of entry of the civil judgment.

(c) Every insurer providing professional liability insurance to a person licensed pursuant to Chapter 13 (commencing with Section 4980) or Chapter 14 (commencing with Section 4990) shall send a complete report to the Board of Behavioral Science Examiners as to any settlement or arbitration award over ten thousand dollars ($10,000) of a claim or action for damages for death or personal injury caused by that person's negligence, error, or omission in practice, or by his or her rendering of unauthorized professional services. The report shall be sent within 30 days after the written settlement agreement has been reduced to writing and signed by all parties thereto or within 30 days after service of the arbitration award on the parties.

(d) Every insurer providing professional liability insurance to a dentist licensed pursuant to Chapter 4 (commencing with Section 1600) shall send a complete report to the Dental Board of California as to any settlement or arbitration award over ten thousand dollars ($10,000) of a claim or action for damages for death or personal injury caused by that person's negligence, error, or omission in practice, or rendering of unauthorized professional services. The report shall be sent within 30 days after the written settlement agreement has been reduced to writing and signed by all parties thereto or within 30 days after service of the arbitration award on the parties.

(e) Every insurer providing liability insurance to a veterinarian licensed pursuant to Chapter 60 (commencing with Section 4825) shall send a complete report to the Veterinary Medical Board of any settlement or arbitration award over ten thousand dollars ($10,000) of a claim or action for damages for death or injury caused by that person's negligence, error, or omission in practice, or rendering of unauthorized

professional service. The report shall be sent within 30 days after the written settlement agreement has been reduced to writing and signed by all parties thereto or within 30 days after service of the arbitration award on the parties.

(f) The insurer shall notify the claimant, or if the claimant is represented by counsel, the insurer shall notify the claimant's attorney, that the report required by subdivision (a), (b), (c), or (d) has been sent to the agency. If the attorney has not received this notice within 45 days after the settlement was reduced to writing and signed by all of the parties, the arbitration award was served on the parties, or the date of entry of the civil judgment, the attorney shall make the report to the agency.

(g) Notwithstanding any other provision of law, no insurer shall enter into a settlement without the written consent of the insured, except that this prohibition shall not void any settlement entered into without that written consent. The requirement of written consent shall only be waived by both the insured and the insurer. This section shall only apply to a settlement on a policy of insurance executed or renewed on or after January 1, 1971.

SEC. 2. Section 4800 of the Business and Professions Code is amended to read:

4800. There is in the Department of Consumer Affairs a Veterinary Medical Board in which the administration of this chapter is vested. The board consists of seven members, three of whom shall be public members.

This section shall become inoperative on July 1, 2009, and, as of January 1, 2010, is repealed, unless a later enacted statute, which becomes effective on or before January 1, 2010, deletes or extends the dates on which it becomes inoperative and is repealed.

The repeal of this section renders the board subject to the review provided for by Division 1.2 (commencing with Section 473).

No licensee shall incur any civil liability as a result of making any report pursuant to this section or as a result of making any report of a violation of subdivisions (a), (b), and (c) of Section 597 of the Penal Code.

SEC. 5. Section 4832 of the Business and Professions Code is amended to read:

4832. (a) The board shall establish an advisory committee on issues pertaining to the practice of veterinary technicians, that shall be known as the Registered Veterinary Technician Committee, hereafter referred to as the committee.

SEC. 6. Section 4833 of the Business and Professions Code is amended to read:

4833. (a) The committee shall advise and may assist the board in the examination of applicants for veterinary technician registration. The examination shall be held at least once a year at the times and places designated by the board.

(b) The committee may investigate and evaluate each applicant applying for registration as a registered veterinary technician and may recommend to the board for final determination the admission of the applicant to the examination and eligibility for registration.

(c) The committee may make recommendations to the board regarding the establishment and operation of the continuing education requirements authorized by Section 4838 of this article.

(d) The committee shall advise and may assist the board in the inspection and approval of all schools or institutions offering a curriculum for training registered veterinary technicians.

(e) The committee may advise and assist the board in developing regulations to establish animal health care tasks and the appropriate degree of supervision required for those tasks for registered veterinary technicians and for unregistered assistants.

(f) The committee may advise and assist the board in developing regulations to define subdivision (c) of Section 4840, including, but not limited to, procedures for citations and fines, in accordance with Section 125.9.

SEC. 7. Section 4842.2 of the Business and Professions Code is amended to read:

4842.2. All funds collected by the board under this article shall be deposited in the Veterinary Medical Board Contingent Fund.

SEC. 8. Section 4842.5 of the Business and Professions Code is amended to read:

4842.5. The amount of fees prescribed by this article is that fixed by the following schedule:

(a) The fee for filing an application for examination shall be set by the board in an amount it determines is reasonably necessary to provide sufficient funds to carry out the purposes of this chapter, not to exceed two hundred dollars ($200).

(b) The fee for the California registered veterinary technician examination shall be set by the board in an amount it determines is reasonably necessary to provide sufficient funds to carry out the purposes of this chapter, not to exceed three hundred dollars ($300).

(c) The initial registration fee shall be set by the board at not more than one hundred dollars ($100), except that, if the license is issued less than one year before the date on which it will expire, then the fee shall be set by the board at not more than fifty dollars ($50). The board may adopt regulations to provide for the waiver or refund of the initial registration fee where the registration is issued less than 45 days before the date on which it will expire.

(d) The biennial renewal fee shall be set by the board at not more than one hundred dollars ($100).

(e) The delinquency fee shall be twenty-five dollars ($25).

(f) Any charge made for duplication or other services shall be set at the cost of rendering the services.

(g) The fee for filing an application for approval of a school pursuant to Section 4843 shall be set by the board at an amount not to exceed the cost of the approval process.

SEC. 9. Section 4848 of the Business and Professions Code is amended to read:

4848. (a) (1) The board shall, by means of examination, ascertain the professional qualifications of all applicants for licenses to practice veterinary medicine in this state and shall issue a license to every person whom it finds to be qualified. No license shall be issued to anyone who has not demonstrated his or her competency by examination.

(2) The examination shall consist of each of the following:

(A) A licensing examination that is administered on a national basis.

(B) A California state board examination.

(C) An examination concerning those statutes and regulations of the Veterinary Medicine Practice Act administered by the board. The examination shall be administered by mail and provided to applicants within 10 to 20 days of eligibility determination. The board shall have 10 to 20 days from the date of receipt to process the examination and

provide candidates with the results of the examination. The applicant shall certify that he or she personally completed the examination. Any false statement is a violation subject to Section 4831. University of California and Western University of Health Sciences veterinary medical students who have successfully completed a board approved course on veterinary law and ethics covering the Veterinary Medicine Practice Act shall be exempt from this provision.

(3) The examinations may be given at the same time or at different times as determined by the board. For examination purposes, the board may make contractual arrangements on a sole source basis with organizations furnishing examination material as it may deem desirable and shall be exempt from Section 10115 of the Public Contract Code.

(4) The licensing examination may be waived by the board in any case in which it determines that the applicant has taken and passed an examination for licensure in another state substantially equivalent in scope and subject matter to the licensing examination last given in California before the determination is made, and has achieved a score on the out-of-state examination at least equal to the score required to pass the licensing examination administered in California.

(5) Nothing in this chapter shall preclude the board from permitting a person who has completed a portion of his or her educational program, as determined by the board, in a veterinary college recognized by the board under Section 4846 to take any examination or any part thereof prior to satisfying the requirements for application for a license established by Section 4846.

(b) The board shall waive the examination requirements of subdivision (a), and issue a temporary license valid for one year to an applicant to practice veterinary medicine under the supervision of another licensed California veterinarian in good standing if the applicant meets all of the following requirements and would not be denied issuance of a license by any other provision of this code:

(1) The applicant holds a current valid license in good standing in another state, Canadian province, or United States territory and has practiced clinical veterinary medicine for a minimum of four years full time within the five years immediately preceding filing an application for licensure in this state. Experience obtained while participating in an American Veterinary Medical Association (AVMA) accredited institution's internship, residency, or specialty board training program shall be valid for meeting the minimum experience requirement.

The term ''in good standing'' means that an applicant under this section:

(A) Is not currently under investigation nor has been charged with an offense for any act substantially related to the practice of veterinary medicine by any public agency, nor entered into any consent agreement

or subject to an administrative decision that contains conditions placed by an agency upon an applicant's professional conduct or practice, including any voluntary surrender of license, nor been the subject of an adverse judgment resulting from the practice of veterinary medicine that the board determines constitutes evidence of a pattern of incompetence or negligence.

(B) Has no physical or mental impairment related to drugs or alcohol, and has not been found mentally incompetent by a physician so that the applicant is unable to undertake the practice of veterinary medicine in a manner consistent with the safety of a patient or the public.

(2) At the time of original licensure, the applicant passed the national licensing requirement in veterinary science with a passing score or scores on the examination or examinations equal to or greater than the passing score required to pass the national licensing examination or examinations administered in this state.

(3) The applicant has either graduated from a veterinary college recognized by the board under Section 4846 or possesses a certificate issued by the Educational Commission for Foreign Veterinary Graduates (ECFVG).

(4) The applicant passes an examination concerning the statutes and regulations of the Veterinary Medicine Practice Act, administered by the board, pursuant to subparagraph (C) of paragraph (2) of subdivision (a).

(5) The applicant agrees to complete an approved educational curriculum on regionally specific and important diseases and conditions during the period of temporary licensure. The board, in consultation with the California Veterinary Medical Association (CVMA), shall approve educational curricula that cover appropriate regionally specific and important diseases and conditions that are common in California. The curricula shall focus on small and large animal diseases consistent with the current proportion of small and large animal veterinarians practicing in the state. The approved curriculum shall not exceed 30 hours of educational time. The board shall approve a curriculum as soon as practical, but not later than June 1, 1999. The approved curriculum may be offered by multiple providers so that it is widely accessible to candidates licensed under this subdivision.

(c) Upon receipt of acknowledgment of successful completion of the requirements set forth in subdivision (b), the board shall issue a license to the applicant. Any applicant who does not meet the requirements of subdivision (b) shall take a California state board examination as specified in subparagraph (B) of paragraph (2) of subdivision (a).

(d) The board, in its discretion, may extend the expiration date of a temporary license issued pursuant to subdivision (b) for not more than one year for reasons of health, military service, or undue hardship. An

application for an extension shall be submitted on a form provided by the board.

SEC. 10. Section 4875.4 of the Business and Professions Code is amended to read:

4875.4. (a) The board shall, in the manner prescribed in Section 4808, adopt regulations covering the assessment of civil penalties under this article which give due consideration to the appropriateness of the penalty with respect to the following factors:

(1) The gravity of the violation.

(2) The good faith of the person being charged.

(3) The history of previous violations.

(b) In no event shall the civil penalty for each citation issued be assessed in an amount greater than five thousand dollars ($5,000).

(c) Regulations adopted by the board shall be pursuant to the procedures for citations and fines in accordance with Section 125.9.

SEC. 11. No reimbursement is required by this act pursuant to Section 6 of Article XIII B of the California Constitution because the only costs that may be incurred by a local agency or school district will be incurred because this act creates a new crime or infraction, eliminates a crime or infraction, or changes the penalty for a crime or infraction, within the meaning of Section 17556 of the Government Code, or changes the definition of a crime within the meaning of Section 6 of Article XIII B of the California Constitution.

CHAPTER 468

An act to amend Sections 241.1, 387, and 11401 of, and to add Sections 241.2 and 366.5 to, the Welfare and Institutions Code, relating to the juvenile court.

[Approved by Governor September 10, 2004. Filed with Secretary of State September 10, 2004.]

The people of the State of California do enact as follows:

SECTION 1. Section 241.1 of the Welfare and Institutions Code is amended to read:

241.1. (a) Whenever a minor appears to come within the description of both Section 300 and Section 601 or 602, the county probation department and the child welfare services department shall, pursuant to a jointly developed written protocol described in subdivision (b), initially determine which status will serve the best interests of the minor and the protection of society. The recommendations of both

departments shall be presented to the juvenile court with the petition that is filed on behalf of the minor, and the court shall determine which status is appropriate for the minor. Any other juvenile court having jurisdiction over the minor shall receive notice from the court, within five calendar days, of the presentation of the recommendations of the departments. The notice shall include the name of the judge to whom, or the courtroom to which, the recommendations were presented.

(b) The probation department and the child welfare services department in each county shall jointly develop a written protocol to ensure appropriate local coordination in the assessment of a minor described in subdivision (a), and the development of recommendations by these departments for consideration by the juvenile court. These protocols shall require, which requirements shall not be limited to, consideration of the nature of the referral, the age of the minor, the prior record of the minor's parents for child abuse, the prior record of the minor for out-of-control or delinquent behavior, the parents' cooperation with the minor's school, the minor's functioning at school, the nature of the minor's home environment, and the records of other agencies which have been involved with the minor and his or her family. The protocols also shall contain provisions for resolution of disagreements between the probation and child welfare services departments regarding the need for dependency or ward status and provisions for determining the circumstances under which a new petition should be filed to change the minor's status.

(c) Whenever a minor who is under the jurisdiction of the juvenile court of a county pursuant to Section 300, 601, or 602 is alleged to come within the description of Section 300, 601, or 602 by another county, the county probation department or child welfare services department in the county that has jurisdiction under Section 300, 601, or 602 and the county probation department or child welfare services department of the county alleging the minor to be within one of those sections shall initially determine which status will best serve the best interests of the minor and the protection of society. The recommendations of both departments shall be presented to the juvenile court in which the petition is filed on behalf of the minor, and the court shall determine which status is appropriate for the minor. In making their recommendation to the juvenile court, the departments shall conduct an assessment consistent with the requirements of subdivision (b). Any other juvenile court having jurisdiction over the minor shall receive notice from the court in which the petition is filed within five calendar days of the presentation of the recommendations of the departments. The notice shall include the name of the judge to whom, or the courtroom to which, the recommendations were presented.

(d) Except as provided in subdivision (e), nothing in this section shall be construed to authorize the filing of a petition or petitions, or the entry of an order by the juvenile court, to make a minor simultaneously both a dependent child and a ward of the court.

(e) Notwithstanding the provisions of subdivision (d), the probation department and the child welfare services department, in consultation with the presiding judge of the juvenile court, in any county may create a jointly written protocol to allow the county probation department and the child welfare services department to jointly assess and produce a recommendation that the child be designated as a dual status child, allowing the child to be simultaneously a dependent child and a ward of the court. This protocol shall be signed by the chief probation officer, the director of the county social services agency, and the presiding judge of the juvenile court prior to its implementation. No juvenile court may order that a child is simultaneously a dependent child and a ward of the court pursuant to this subdivision unless and until the required protocol has been created and entered into. This protocol shall include:

(1) A description of the process to be used to determine whether the child is eligible to be designated as a dual status child.

(2) A description of the procedure by which the probation department and the child welfare services department will assess the necessity for dual status for specified children and the process to make joint recommendations for the court's consideration prior to making a determination under this section. These recommendations shall ensure a seamless transition from wardship to dependency jurisdiction, as appropriate, so that services to the child are not disrupted upon termination of the wardship.

(3) A provision for ensuring communication between the judges who hear petitions concerning children for whom dependency jurisdiction has been suspended while they are within the jurisdiction of the juvenile court pursuant to Section 601 or 602. A judge may communicate by providing a copy of any reports filed pursuant to Section 727.2 concerning a ward to a court that has jurisdiction over dependency proceedings concerning the child.

(4) A plan to collect data in order to evaluate the protocol pursuant to Section 241.2.

(5) Counties that excercise the option provided for in this subdivision shall adopt either an ''on-hold'' system as described in subparagraph (A) or a ''lead court/lead agency'' system as described in subparagraph (B). In no case shall there be any simultaneous or duplicative case management or services provided by both the county probation department and the child welfare services department. It is the intent of the Legislature that judges, in cases in which more than one judge is involved, shall not issue conflicting orders.

(A) In counties in which an on-hold system is adopted, the dependency jurisdiction shall be suspended or put on hold while the child is subject to jurisdiction as a ward of the court. When it appears that termination of the court's jurisdiction, as established pursuant to Section 601 or 602, is likely and that reunification of the child with his or her parent or guardian would be detrimental to the child, the county probation department and the child welfare services department shall jointly assess and produce a recommendation for the court regarding whether the court's dependency jurisdiction shall be resumed.

(B) In counties in which a lead court/lead agency system is adopted, the protocol shall include a method for identifying which court or agency will be the lead court/lead agency. That court or agency shall be responsible for case management, conducting statutorily mandated court hearings, and submitting court reports.

SEC. 2. Section 241.2 is added to the Welfare and Institutions Code, to read:

241.2. The Judicial Council shall collect and compile all of the data to be collected pursuant to paragraph (4) of subdivision (e) of Section 241.1 and shall prepare an evaluation of the results of the implementation of the protocol authorized in that subdivision for a representative sample of the counties that create a protocol pursuant to that provision. The Judicial Council shall report its findings and any resulting recommendations to the Legislature within two years of the date those counties first deem a child to be a dual status child. The Judicial Council shall review all proposed protocols to ensure that they provide for the collection of adequate, standardized data to perform these evaluations. In order to assist counties with data collection and evaluation, the Judicial Council may prepare model data collection and evaluation provisions that a county must include in their protocol.

SEC. 3. Section 366.5 is added to the Welfare and Institutions Code, to read:

366.5. The dependency jurisdiction shall be suspended for a child whom the juvenile court declares to be a dual status child based on the joint assessment and recommendation of the county probation department and the child welfare services department pursuant to subparagraph (A) of paragraph (5) of subdivision (e) of Section 241.1. The suspension shall be in effect while the child is a ward of the court. If the jurisdiction established pursuant to Section 601 or 602 is terminated without the need for continued dependency proceedings concerning the child, the juvenile court shall terminate the child's dual status. If the termination of the Section 601 or 602 jurisdiction is likely and reunification of the child with his or her parent or guardian would be detrimental to the child, the county probation department and child welfare services department shall jointly assess and produce a

recommendation regarding whether the court's dependency jurisdiction shall be resumed.

SEC. 4. Section 387 of the Welfare and Institutions Code is amended to read:

387. (a) An order changing or modifying a previous order by removing a child from the physical custody of a parent, guardian, relative, or friend and directing placement in a foster home, or commitment to a private or county institution, shall be made only after noticed hearing upon a supplemental petition.

(b) The supplemental petition shall be filed by the social worker in the original matter and shall contain a concise statement of facts sufficient to support the conclusion that the previous disposition has not been effective in the rehabilitation or protection of the child or, in the case of a placement with a relative, sufficient to show that the placement is not appropriate in view of the criteria in Section 361.3.

(c) Notwithstanding subdivision (a), dependency jurisdiction shall be resumed for a child as to whom dependency jurisdiction has been suspended pursuant to Section 366.5 if the jurisdiction established pursuant to Section 601 or 602 is terminated and if, after the issuance of a joint assessment pursuant to Section 366.5, the court determines that the child's dependency jurisdiction should be resumed.

(d) Upon the filing of the supplemental petition, the clerk of the juvenile court shall immediately set the same for hearing within 30 days, and the social worker shall cause notice thereof to be served upon the persons and in the manner prescribed by Sections 290.1 and 291.

(e) An order for the detention of the child pending adjudication of the petition may be made only after a hearing is conducted pursuant to Article 7 (commencing with Section 305).

SEC. 5. Section 11401 of the Welfare and Institutions Code is amended to read:

11401. Aid in the form of AFDC-FC shall be provided under this chapter on behalf of any child under the age of 18 years, except as provided in Section 11403, who meets the conditions of subdivision (a), (b), (c), (d), (e), or (f):

(a) The child has been relinquished, for purposes of adoption, to a licensed adoption agency, or the department, or the parental rights of either or both of his or her parents have been terminated after an action under the Family Code has been brought by a licensed adoption agency or the department, provided that the licensed adoption agency or the department, if responsible for placement and care, provides to those children all services as required by the department to children in foster care.

(b) The child has been removed from the physical custody of his or her parent, relative, or guardian as a result of a voluntary placement

agreement or a judicial determination that continuance in the home would be contrary to the child's welfare and that, if the child was placed in foster care, reasonable efforts were made, consistent with Chapter 5 (commencing with Section 16500) of Part 4, to prevent or eliminate the need for removal of the child from his or her home and to make it possible for the child to return to his or her home, and any of the following applies:

(1) The child has been adjudged a dependent child of the court on the grounds that he or she is a person described by Section 300.

(2) The child has been adjudged a ward of the court on the grounds that he or she is a person described by Sections 601 and 602.

(3) The child has been detained under a court order, pursuant to Section 319 or 636, that remains in effect.

(4) The child's dependency jurisdiction has resumed pursuant to Section 387.

(c) The child has been voluntarily placed by his or her parent or guardian pursuant to Section 11401.1.

(d) The child is living in the home of a nonrelated legal guardian.

(e) The child has been placed in foster care under the federal Indian Child Welfare Act. Sections 11402, 11404, and 11405 shall not be construed as limiting payments to Indian children, as defined in the federal Indian Child Welfare Act, placed in accordance with that act.

(f) To be eligible for federal financial participation, all of the following conditions shall exist:

(1) The child meets the conditions of subdivision (b).

(2) The child has been deprived of parental support or care for any of the reasons set forth in Section 11250.

(3) The child has been removed from the home of a relative as defined in Section 233.90(c)(1) of Title 45 of the Code of Federal Regulations, as amended.

(4) The requirements of Sections 671 and 672 of Title 42 of the United States Code, as amended, have been met.

CHAPTER 469

An act to amend Section 130052 of the Public Utilities Code, relating to transportation.

[Approved by Governor September 10, 2004. Filed with Secretary of State September 10, 2004.]

The people of the State of California do enact as follows:

SECTION 1. Section 130052 of the Public Utilities Code is amended to read:

130052. The Orange County Transportation Commission shall be known as the Orange County Transportation Authority and shall be governed by a board of directors consisting of 18 members appointed as follows:

(a) Five members of the Orange County Board of Supervisors appointed by that board. Terms of office of the five members of the board of supervisors shall be determined by the board of supervisors. A board of supervisors member's term shall cease if he or she no longer serves as a member of the board of supervisors.

(b) (1) (A) Five city members, with one from each of the five supervisorial districts, elected by the Orange County City Selection Committee members within each supervisorial district on a population-weighted voting basis.

(B) Five city members, with one from each of the five supervisorial districts, elected on a ''one city, one vote'' basis by the Orange County City Selection Committee members within each supervisorial district.

(2) A city that is within more than one supervisorial district shall be considered part of the district where the highest percentage of the city's population resides. Under this circumstance, the entire city's population shall be used for population-weighted voting purposes. Each city member shall be a mayor or a city council member serving within the county. Terms of office of each city member shall be determined by the Orange County City Selection Committee. CHAPTER 470

An act to amend Sections 17700, 53511, and 53601 of, and to add Section 6509.7 to, the Government Code, relating to local agency financing.

[Approved by Governor September 10, 2004. Filed with Secretary of State September 10, 2004.]

The people of the State of California do enact as follows:

SECTION 1. Section 6509.7 is added to the Government Code, to read:

6509.7. (a) Notwithstanding any other provision of law, two or more public agencies that have the authority to invest funds in their treasuries may, by agreement, jointly exercise that common power. Funds invested pursuant to an agreement entered into under this section may be invested as authorized by subdivision (o) of Section 53601. A joint powers authority formed pursuant to this section may issue shares of beneficial interest to participating public agencies. Each share shall represent an equal proportionate interest in the underlying pool of securities owned by the joint powers authority. To be eligible under this section, the joint powers authority issuing the shares of beneficial interest shall have retained an investment adviser that meets all of the following criteria:

(1) The adviser is registered or exempt from registration with the Securities and Exchange Commission.

(2) The adviser has not less than five years of experience investing in the securities and obligations authorized in subdivisions (a) to (n), inclusive, of Section 53601.

(3) The adviser has assets under management in excess of five hundred million dollars ($500,000,000).

(b) As used in this section, ''public agency'' includes a nonprofit corporation whose membership is confined to public agencies or public officials, in addition to those agencies listed in Section 6500.

SEC. 2. Section 17700 of the Government Code is amended to read:

17700. (a) The state or any state board, department, agency, or authority, including, but not limited to, the State Public Works Board, may bring an action to determine the validity of its bonds, warrants, contracts, obligations, or evidences of indebtedness pursuant to Chapter 9 (commencing with Section 860) of Title 10 of Part 2 of the Code of Civil Procedure.

(b) (1) Any state board, department, agency, or authority that issues bonds, notes, or other obligations the proceeds of which are to be used to purchase, or to make loans evidenced or secured by, the bonds, warrants, contracts, obligations, or evidences of indebtedness of one or more local agencies, may bring an action to determine the validity of the bonds, warrants, contracts, obligations, or evidences of indebtedness of those local agencies to be purchased by, or used to evidence or secure loans by, the state board, department, agency, or authority, pursuant to Chapter 9 (commencing with Section 860) of Title 10 of Part 2 of the Code of Civil Procedure.

(2) For purposes of this subdivision, ''local agency'' shall have the same meaning as set forth in Section 53510.

(c) For the purposes of Section 860 of the Code of Civil Procedure, any action initiated pursuant to this section shall be brought in the Superior Court of the County of Sacramento.

SEC. 3. Section 53511 of the Government Code is amended to read:

53511. (a) A local agency may bring an action to determine the validity of its bonds, warrants, contracts, obligations or evidences of indebtedness pursuant to Chapter 9 (commencing with Section 860) of Title 10 of Part 2 of the Code of Civil Procedure.

(b) A local agency that issues bonds, notes, or other obligations the proceeds of which are to be used to purchase, or to make loans evidenced or secured by, the bonds, warrants, contracts, obligations, or evidences of indebtedness of other local agencies, may bring a single action in the superior court of the county in which that local agency is located to determine the validity of the bonds, warrants, contracts, obligations, or evidences of indebtedness of the other local agencies, pursuant to Chapter 9 (commencing with Section 860) of Title 10 of Part 2 of the Code of Civil Procedure.

SEC. 4. Section 53601 of the Government Code is amended to read:

53601. This section shall apply to a local agency that is a city, a district, or other local agency that does not pool money in deposits or investments with other local agencies, other than local agencies that have the same governing body. However, Section 53635 shall apply to all local agencies that pool money in deposits or investments with other local agencies that have separate governing bodies. The legislative body of a local agency having money in a sinking fund or money in its treasury not required for the immediate needs of the local agency may invest any

portion of the money that it deems wise or expedient in those investments set forth below. A local agency purchasing or obtaining any securities prescribed in this section, in a negotiable, bearer, registered, or nonregistered format, shall require delivery of the securities to the local agency, including those purchased for the agency by financial advisers, consultants, or managers using the agency's funds, by book entry, physical delivery, or by third-party custodial agreement. The transfer of securities to the counterparty bank's customer book entry account may be used for book entry delivery.

For purposes of this section, ''counterparty'' means the other party to the transaction. A counterparty bank's trust department or separate safekeeping department may be used for the physical delivery of the security if the security is held in the name of the local agency. Where this section specifies a percentage limitation for a particular category of investment, that percentage is applicable only at the date of purchase. Where this section does not specify a limitation on the term or remaining maturity at the time of the investment, no investment shall be made in any security, other than a security underlying a repurchase or reverse repurchase agreement or securities lending agreement authorized by this section, that at the time of the investment has a term remaining to maturity in excess of five years, unless the legislative body has granted express authority to make that investment either specifically or as a part of an investment program approved by the legislative body no less than three months prior to the investment:

(a) Bonds issued by the local agency, including bonds payable solely out of the revenues from a revenue-producing property owned, controlled, or operated by the local agency or by a department, board, agency, or authority of the local agency.

(b) United States Treasury notes, bonds, bills, or certificates of indebtedness, or those for which the faith and credit of the United States are pledged for the payment of principal and interest.

(c) Registered state warrants or treasury notes or bonds of this state, including bonds payable solely out of the revenues from a revenue-producing property owned, controlled, or operated by the state or by a department, board, agency, or authority of the state.

(d) Bonds, notes, warrants, or other evidences of indebtedness of any local agency within this state, including bonds payable solely out of the revenues from a revenue-producing property owned, controlled, or operated by the local agency, or by a department, board, agency, or authority of the local agency.

(e) Federal agency or United States government-sponsored enterprise obligations, participations, or other instruments, including those issued by or fully guaranteed as to principal and interest by federal agencies or United States government-sponsored enterprises.

(f) Bankers acceptances otherwise known as bills of exchange or time drafts that are drawn on and accepted by a commercial bank. Purchases of bankers acceptances may not exceed 180 days' maturity or 40 percent of the agency's money that may be invested pursuant to this section. However, no more than 30 percent of the agency's money may be invested in the bankers acceptances of any one commercial bank pursuant to this section.

This subdivision does not preclude a municipal utility district from investing any money in its treasury in any manner authorized by the Municipal Utility District Act (Division 6 (commencing with Section 11501) of the Public Utilities Code).

(g) Commercial paper of ''prime'' quality of the highest ranking or of the highest letter and number rating as provided for by a nationally recognized statistical-rating organization (NRSRO). The entity that issues the commercial paper shall meet all of the following conditions in either paragraph (1) or paragraph (2):

(1) The entity meets the following criteria:

(A) Is organized and operating in the United States as a general corporation.

(B) Has total assets in excess of five hundred million dollars ($500,000,000).

(C) Has debt other than commercial paper, if any, that is rated ''A'' or higher by a nationally recognized statistical-rating organization (NRSRO).

(2) The entity meets the following criteria:

(A) Is organized within the United States as a special purpose corporation, trust, or limited liability company.

(B) Has programwide credit enhancements including, but not limited to, overcollateralization, letters of credit, or surety bond.

(C) Has commercial paper that is rated ''A-1'' or higher, or the equivalent, by a nationally recognized statistical-rating organization (NRSRO).

Eligible commercial paper shall have a maximum maturity of 270 days or less. Local agencies, other than counties or a city and county, may invest no more than 25 percent of their money in eligible commercial paper. Local agencies, other than counties or a city and county, may purchase no more than 10 percent of the outstanding commercial paper of any single issuer. Counties or a city and county may invest in commercial paper pursuant to the concentration limits in subdivision (a) of Section 53635.

(h) Negotiable certificates of deposit issued by a nationally or state-chartered bank, a savings association or a federal association (as defined by Section 5102 of the Financial Code), a state or federal credit union, or by a state-licensed branch of a foreign bank. Purchases of

negotiable certificates of deposit may not exceed 30 percent of the agency's money which may be invested pursuant to this section. For purposes of this section, negotiable certificates of deposit do not come within Article 2 (commencing with Section 53630), except that the amount so invested shall be subject to the limitations of Section 53638. The legislative body of a local agency and the treasurer or other official of the local agency having legal custody of the money are prohibited from investing local agency funds, or funds in the custody of the local agency, in negotiable certificates of deposit issued by a state or federal credit union if a member of the legislative body of the local agency, or any person with investment decisionmaking authority in the administrative office manager's office, budget office, auditor-controller's office, or treasurer's office of the local agency also serves on the board of directors, or any committee appointed by the board of directors, or the credit committee or the supervisory committee of the state or federal credit union issuing the negotiable certificates of deposit.

(i) (1) Investments in repurchase agreements or reverse repurchase agreements or securities lending agreements of any securities authorized by this section, as long as the agreements are subject to this subdivision, including the delivery requirements specified in this section.

(2) Investments in repurchase agreements may be made, on any investment authorized in this section, when the term of the agreement does not exceed one year. The market value of securities that underlay a repurchase agreement shall be valued at 102 percent or greater of the funds borrowed against those securities and the value shall be adjusted no less than quarterly. Since the market value of the underlying securities is subject to daily market fluctuations, the investments in repurchase agreements shall be in compliance if the value of the underlying securities is brought back up to 102 percent no later than the next business day.

(3) Reverse repurchase agreements or securities lending agreements may be utilized only when all of the following conditions are met:

(A) The security to be sold on reverse repurchase agreement or securities lending agreement has been owned and fully paid for by the local agency for a minimum of 30 days prior to sale.

(B) The total of all reverse repurchase agreements and securities lending agreements on investments owned by the local agency does not exceed 20 percent of the base value of the portfolio.

(C) The agreement does not exceed a term of 92 days, unless the agreement includes a written codicil guaranteeing a minimum earning or spread for the entire period between the sale of a security using a reverse repurchase agreement or securities lending agreement and the final maturity date of the same security.

(D) Funds obtained or funds within the pool of an equivalent amount to that obtained from selling a security to a counterparty by way of a reverse repurchase agreement or securities lending agreement shall not be used to purchase another security with a maturity longer than 92 days from the initial settlement date of the reverse repurchase agreement or securities lending agreement, unless the reverse repurchase agreement or securities lending agreement includes a written codicil guaranteeing a minimum earning or spread for the entire period between the sale of a security using a reverse repurchase agreement or securities lending agreement and the final maturity date of the same security.

(4) (A) Investments in reverse repurchase agreements, securities lending agreements, or similar investments in which the local agency sells securities prior to purchase with a simultaneous agreement to repurchase the security may only be made upon prior approval of the governing body of the local agency and shall only be made with primary dealers of the Federal Reserve Bank of New York or with a nationally or state-chartered bank that has or has had a significant banking relationship with a local agency.

(B) For purposes of this chapter, ''significant banking relationship'' means any of the following activities of a bank:

(i) Involvement in the creation, sale, purchase, or retirement of a local agency's bonds, warrants, notes, or other evidence of indebtedness.

(ii) Financing of a local agency's activities.

(iii) Acceptance of a local agency's securities or funds as deposits.

(5) (A) ''Repurchase agreement'' means a purchase of securities by the local agency pursuant to an agreement by which the counterparty seller will repurchase the securities on or before a specified date and for a specified amount and the counterparty will deliver the underlying securities to the local agency by book entry, physical delivery, or by third-party custodial agreement. The transfer of underlying securities to the counterparty bank's customer book-entry account may be used for book-entry delivery.

(B) ''Securities,'' for purpose of repurchase under this subdivision, means securities of the same issuer, description, issue date, and maturity.

(C) ''Reverse repurchase agreement'' means a sale of securities by the local agency pursuant to an agreement by which the local agency will repurchase the securities on or before a specified date and includes other comparable agreements.

(D) ''Securities lending agreement'' means an agreement under which a local agency agrees to transfer securities to a borrower who, in turn, agrees to provide collateral to the local agency. During the term of the agreement, both the securities and the collateral are held by a third party. At the conclusion of the agreement, the securities are transferred back to the local agency in return for the collateral.

(E) For purposes of this section, the base value of the local agency's pool portfolio shall be that dollar amount obtained by totaling all cash balances placed in the pool by all pool participants, excluding any amounts obtained through selling securities by way of reverse repurchase agreements, securities lending agreements, or other similar borrowing methods.

(F) For purposes of this section, the spread is the difference between the cost of funds obtained using the reverse repurchase agreement and the earnings obtained on the reinvestment of the funds.

(j) Medium-term notes, defined as all corporate and depository institution debt securities with a maximum remaining maturity of five years or less, issued by corporations organized and operating within the United States or by depository institutions licensed by the United States or any state and operating within the United States. Notes eligible for investment under this subdivision shall be rated ''A'' or better by a nationally recognized rating service. Purchases of medium-term notes shall not include other instruments authorized by this section and may not exceed 30 percent of the agency's money that may be invested pursuant to this section.

(k) (1) Shares of beneficial interest issued by diversified management companies that invest in the securities and obligations as authorized by subdivisions (a) to (j), inclusive, or subdivisions (m) or (n) and that comply with the investment restrictions of this article and Article 2 (commencing with Section 53630). However, notwithstanding these restrictions, a counterparty to a reverse repurchase agreement or securities lending agreement is not required to be a primary dealer of the Federal Reserve Bank of New York if the company's board of directors finds that the counterparty presents a minimal risk of default, and the value of the securities underlying a repurchase agreement or securities lending agreement may be 100 percent of the sales price if the securities are marked to market daily.

(2) Shares of beneficial interest issued by diversified management companies that are money market funds registered with the Securities and Exchange Commission under the Investment Company Act of 1940 (15 U.S.C. Sec. 80a-1 et seq.).

(3) If investment is in shares issued pursuant to paragraph (1), the company shall have met either of the following criteria:

(A) Attained the highest ranking or the highest letter and numerical rating provided by not less than two nationally recognized statistical rating organizations.

(B) Retained an investment adviser registered or exempt from registration with the Securities and Exchange Commission with not less than five years' experience investing in the securities and obligations authorized by subdivisions (a) to (j), inclusive, or subdivisions (m) or (n)

and with assets under management in excess of five hundred million dollars ($500,000,000).

(4) If investment is in shares issued pursuant to paragraph (2), the company shall have met either of the following criteria:

(A) Attained the highest ranking or the highest letter and numerical rating provided by not less than two nationally recognized statistical rating organizations.

(B) Retained an investment adviser registered or exempt from registration with the Securities and Exchange Commission with not less than five years' experience managing money market mutual funds with assets under management in excess of five hundred million dollars ($500,000,000).

(5) The purchase price of shares of beneficial interest purchased pursuant to this subdivision shall not include any commission that the companies may charge and shall not exceed 20 percent of the agency's money that may be invested pursuant to this section. However, no more than 10 percent of the agency's funds may be invested in shares of beneficial interest of any one mutual fund pursuant to paragraph (1).

(*l*) Moneys held by a trustee or fiscal agent and pledged to the payment or security of bonds or other indebtedness, or obligations under a lease, installment sale, or other agreement of a local agency, or certificates of participation in those bonds, indebtedness, or lease installment sale, or other agreements, may be invested in accordance with the statutory provisions governing the issuance of those bonds, indebtedness, or lease installment sale, or other agreement, or to the extent not inconsistent therewith or if there are no specific statutory provisions, in accordance with the ordinance, resolution, indenture, or agreement of the local agency providing for the issuance.

(m) Notes, bonds, or other obligations that are at all times secured by a valid first priority security interest in securities of the types listed by Section 53651 as eligible securities for the purpose of securing local agency deposits having a market value at least equal to that required by Section 53652 for the purpose of securing local agency deposits. The securities serving as collateral shall be placed by delivery or book entry into the custody of a trust company or the trust department of a bank that is not affiliated with the issuer of the secured obligation, and the security interest shall be perfected in accordance with the requirements of the Uniform Commercial Code or federal regulations applicable to the types of securities in which the security interest is granted.

(n) Any mortgage passthrough security, collateralized mortgage obligation, mortgage-backed or other pay-through bond, equipment lease-backed certificate, consumer receivable passthrough certificate, or consumer receivable-backed bond of a maximum of five years' maturity. Securities eligible for investment under this subdivision shall be issued

by an issuer having an ''A'' or higher rating for the issuer's debt as provided by a nationally recognized rating service and rated in a rating category of ''AA'' or its equivalent or better by a nationally recognized rating service. Purchase of securities authorized by this subdivision may not exceed 20 percent of the agency's surplus money that may be invested pursuant to this section.

(o) Shares of beneficial interest issued by a joint powers authority organized pursuant to Section 6509.7 that invests in the securities and obligations authorized in subdivisions (a) to (n), inclusive. Each share shall represent an equal proportional interest in the underlying pool of securities owned by the joint powers authority. To be eligible under this section, the joint powers authority issuing the shares shall have retained an investment adviser that meets all of the following criteria:

(1) The adviser is registered or exempt from registration with the Securities and Exchange Commission.

(2) The adviser has not less than five years of experience investing in the securities and obligations authorized in subdivisions (a) to (n), inclusive.

(3) The adviser has assets under management in excess of five hundred million dollars ($500,000,000).

(2) The court shall rule on an application within 15 days of the hearing on the motion or order to show cause.

(b) An order described in subdivision (a) may be made without notice by an oral motion in open court at either of the following times:

(1) At the time of the hearing of the cause on the merits.

SEC. 5. Section 6341 of the Family Code is amended to read:

6341. (a) If the parties are married to each other and no other child support order exists or if there is a presumption under Section 7611 that the respondent is the natural father of a minor child and the child is in the custody of the petitioner, after notice and a hearing, the court may, if requested by the petitioner, order a party to pay an amount necessary for the support and maintenance of the child if the order would otherwise be authorized in an action brought pursuant to Division 9 (commencing with Section 3500) or the Uniform Parentage Act (Part 3 (commencing with Section 7600) of Division 12). When determining whether to make any orders under this subdivision, the court shall consider whether failure to make any of these orders may jeopardize the safety of the petitioner and the children for whom child support is requested, including safety concerns related to the financial needs of the petitioner and the children. The Judicial Council shall provide notice of this provision on any Judicial Council forms related to this subdivision.

(b) An order issued pursuant to subdivision (a) of this section shall be without prejudice in an action brought pursuant to the Uniform Parentage Act (Part 3 (commencing with Section 7600) of Division 12).

(b) In any action in which the petitioner is the prevailing party and cannot afford to pay for the attorney's fees and costs, the court shall, if appropriate based on the parties' respective abilities to pay, order that the respondent pay petitioner's attorney's fees and costs for commencing and maintaining the proceeding. Whether the respondent shall be ordered to pay attorney's fees and costs for the prevailing petitioner, and what amount shall be paid, shall be determined based upon (1) the respective incomes and needs of the parties, and (2) any factors affecting the parties' respective abilities to pay.

(f) The court shall rule on an application for fees under this section within 15 days of the hearing on the motion or order to show cause. An order described in subdivision (a) may be made without notice by an oral motion in open court at either of the following times:

CHAPTER 473

An act to add Article 2.5 (commencing with Section 17975) to Chapter 5 of Part 1.5 of Division 13 of, to repeal Chapter 6.1 (commencing with Section 50651) of Part 2 of Division 31 of, and to amend Sections 33334.22, 50781, and 50784 of, the Health and Safety Code, relating to housing, and making an appropriation therefor.

[Approved by Governor September 10, 2004. Filed with Secretary of State September 10, 2004.]

The people of the State of California do enact as follows:

SECTION 1. Article 2.5 (commencing with Section 17975) is added to Chapter 5 of Part 1.5 of Division 13 of the Health and Safety Code, to read:

Article 2.5. Tenant Relocation Assistance

17975. Any tenant who is displaced or subject to displacement from a residential rental unit as a result of an order to vacate or an order requiring the vacation of a residential unit by a local enforcement agency as a result of a violation so extensive and of such a nature that the immediate health and safety of the residents is endangered, shall be entitled to receive relocation benefits from the owner as specified in this article. The local enforcement agency shall determine the eligibility of tenants for benefits pursuant to this article.

17975.1. (a) The relocation benefits required by this article shall be paid by the owner or designated agent to the tenant within 10 days after the date that the order to vacate is first mailed to the owner and posted on the premises, or at least 20 days prior to the vacation date set forth in the order to vacate, whichever occurs later.

(b) If there are fewer than 10 days between the first posting and mailing of the order to vacate and the vacation date, the relocation benefits shall be paid by the owner or designated agent to the tenant within 24 hours after the notice is posted and mailed. The local enforcement agency shall attempt to provide telephonic or written notice to the owner to notify the owner that the benefits are payable immediately. Failure to provide the notice as specified in this section shall not relieve the owner of any obligations imposed by this article.

(c) If a tenant is entitled to relocation benefits pursuant to Section 17975, the local enforcement agency shall provide either telephonic or written notice to the tenant of his or her entitlement to the benefits. Written notice may be satisfied by posting a written notice on the premises stating that tenants may be entitled to relocation benefits.

17975.2. The relocation payment shall be made available by the owner or designated agent to the tenant in each residential unit and shall be a sum equal to two months of the established fair market rent for the area as determined by the Department of Housing and Urban Development pursuant to Section 1437f of Title 42 of the United States Code.In addition, the relocation payment shall include an amount, as determined by the local enforcement agency, sufficient for utility service deposits. The relocation benefits shall be paid by the owner or designated agent in addition to the return, as required by law, of any security deposits held by the owner. The relocation benefits shall be payable on a per residential unit basis.

17975.3. (a) Any owner or designated agent who does not make timely payment as specified in Section 17975.1 shall be liable to the tenant for an amount equal to $1^1/_2$ times the relocation benefits payable pursuant to Section 17975.2.

(b) Subdivision (a) shall not apply when relocation benefits are payable fewer than 10 days after the date the order to vacate is first mailed and posted on the premises, if the owner or designated agent makes the payment no later than 10 days after the order is first mailed and posted.

17975.4. (a) No relocation benefits pursuant to this article shall be payable to any tenant who has caused or substantially contributed to the condition giving rise to the order to vacate, as determined by the local enforcement agency, nor shall any relocation benefits be payable to a tenant if any guest or invitee of the tenant has caused or substantially contributed to the condition giving rise to the order to vacate, as determined by the local enforcement agency. The local enforcement agency shall make the determination whether a tenant, tenant's guest, or invitee caused or substantially contributed to the condition, giving rise to the order to vacate at the same time that the order to vacate the tenants is made.

(b) An owner or designated agent shall not be liable for relocation benefits if the local enforcement agency determines that the unit or structure became unsafe or hazardous as the result of a fire, flood, earthquake, or other event beyond the control of the owner or the designated agent and the owner or designated agent did not cause or contribute to the condition.

(c) In the situations described in subdivisions (a) and (b), the tenants of units within a multiunit structure who did not cause or substantially contribute to the uninhabitable condition shall be eligible for relocation benefits from the local enforcement agency that elects at its discretion to pay relocation payments in accordance with Section 17975.2 to those tenants.

(d) An owner or designated agent shall not be liable to make any payment as prescribed by this section if the local enforcement agency does not provide for an appeals process for the order to pay relocation benefits.

17975.5. (a) If the owner or designated agent fails, neglects, or refuses to pay relocation payments to a displaced tenant or a tenant subject to displacement, except in the situations described in Section 17975.4, the local enforcement agency may advance relocation payments as specified in Section 17975.2. If the local enforcement agency, pursuant to locally adopted policies, offers to advance relocation payments in accordance with Section 17975.2, the local enforcement agency shall be entitled to recover from the owner any amount paid to a tenant pursuant to this section except payments made pursuant to subdivision (c) of Section 17975.4. The local enforcement agency shall also be entitled to recover from the owner or designated agent an additional amount equal to the sum of one-half the amount so paid, but

not to exceed ten thousand dollars ($10,000), as a penalty for failure to make timely payment to the displaced tenant, and the local enforcement agency's actual costs, including direct and indirect costs, of administering the provision of benefits to the displaced tenant.

(b) Any amounts paid by the local enforcement agency, except pursuant to subdivision (c) of Section 17975.4, and any applicable penalties and actual costs may also be placed as a lien against the property by the local enforcement agency by recording the lien in the county recorder's office of the county in which the real property is located.

(c) Any local enforcement agency that elects, at its own option pursuant to subdivision (a), to advance relocation payments to displaced tenants when the owner or designated agent fails, neglects, or refuses to pay relocation payments to displaced tenants, shall prior to instituting any action to collect from the owner or designated agent relocation benefits paid pursuant to this section, or to impose a lien therefor, send to the owner or designated agent by first-class mail, postage prepaid, at the owner's address as shown on the last equalized assessment roll, an itemized accounting of all benefits paid by the local enforcement agency to the owner's tenants, and any penalties or costs the local enforcement agency is seeking to recover as authorized pursuant to subdivision (a). If the owner or designated agent contends that not all of the benefits are chargeable to the owner or designated agent because the recipients were not displaced tenants, no benefits were payable pursuant to Section 17975.4, or on other grounds, the owner or designated agent shall submit a written appeal to the director of the local enforcement agency within 20 days after receipt by the owner or designated agent of the itemized accounting. The director, or the director's designee, shall hold an administrative hearing for the purpose of determining the amount of benefits paid that are chargeable to the owner or designated agent, and any penalties or costs the local enforcement agency may recover pursuant to subdivision (a). The local enforcement agency shall provide an administrative appeal process for any appeal of a decision of the director or the director's designee. The final decision of the local appellate body shall be subject to Section 1094.5 of the Code of Civil Procedure. If the owner fails to obtain a more favorable decision than that set forth in the itemized accounting, the owner or designated agent shall be liable to the local enforcement agency for the costs of the administrative hearing and appeal, not to exceed five thousand dollars ($5,000). The failure to receive the itemized accounting shall not relieve the owner of any obligation to the city or county.

(d) Nothing in this article shall be construed to require the local enforcement agency to pay any relocation benefits to any tenant, or

assume any obligation, requirement, or duty of the owner pursuant to this article.

17975.6. Notwithstanding subdivision (b) of Section 17975.1 and subdivision (a) of Section 17975.5, if there are fewer than 10 days between the first posting and mailing of the order to vacate and the vacation date, and if the local enforcement agency advances relocation benefits to any tenants, prior to the expiration of the 10-day period, the owner shall not be required to reimburse the local enforcement agency for a charge identified on the itemized accounting described in subdivision (c) of Section 17975.5 if the owner contests the charge within 30 days after the itemized accounting is mailed to the owner or designated agent pursuant to subdivision (c) of Section 17975.5. The owner or designated agent shall pay the charge that was the subject of the appeal pursuant to subdivision (c) of Section 17975.5 within 30 days after an adverse decision by the director of the local enforcement agency on the appeal is mailed to the owner.

17975.7. The remedies under this article are cumulative and in addition to any other remedies available under federal, state, or local law.

17975.8. Any order by a local agency that requires a tenant's displacement and is issued to an owner, designated agent, or tenant, shall be accompanied by a summary of the provisions of this article. Failure to provide a summary shall not relieve any person of the obligations imposed by this article.

17975.9. While it is the intent of the Legislature in enacting this article to provide an expedient means by which to provide relocation funds to tenants, nothing in this article shall be construed to limit the rights available to owners, designated agents, or tenants under any other provision of law. Furthermore, nothing in this article shall be construed to deprive an owner of procedural due process rights guaranteed by law, including, but not limited to, a right to file a judicial action against a local enforcement agency that has failed to proceed in a manner required by law.

17975.10. When seeking reimbursement under an optional local program intended to advance relocation payments to displaced tenants when the owner fails, neglects, or refuses to pay relocation payments to displaced tenants pursuant to the provisions of this article, the local code enforcement agency shall first explore the potential of using funds from any available federally funded program that provides tenant relocation assistance in cases of local code enforcement activities.

SEC. 2. Section 33334.22 of the Health and Safety Code is amended to read:

33334.22. (a) The Legislature finds and declares that in order to avoid serious economic hardships and accompanying blight, it is necessary to enact this section, which shall apply only within Santa Cruz

(3) For moderate income households, affordable housing cost shall not exceed the product of 40 percent times 110 percent of the area median income adjusted for family size appropriate for the unit. In addition, for any moderate-income household that has a gross income that exceeds 110 percent of the area median income adjusted for family size, it shall be optional for any state or local funding agency to require that affordable housing cost not exceed 40 percent of the gross income of the household.

(e) This section shall remain in effect only until January 1, 2006, and as of that date is repealed, unless a later enacted statute, that is enacted before January 1, 2006, deletes or extends that date.

SEC. 3. Chapter 6.1 (commencing with Section 50651) of Part 2 of Division 31 of the Health and Safety Code is repealed.

SEC. 4. Section 50781 of the Health and Safety Code is amended to read:

50781. Unless the context otherwise requires, the following definitions given in this section shall control construction of this chapter:

(a) ''Affordable'' means that, where feasible, low-income residents should not pay more than 30 percent of their monthly income for housing costs.

(b) ''Conversion costs'' includes the cost of acquiring the mobilehome park, the costs of planning and processing the conversion, the costs of any needed repairs or rehabilitation, and any expenditures required by a governmental agency or lender for the project.

(c) ''Department'' means the Department of Housing and Community Development.

(d) ''Fund'' means the Mobilehome Park Purchase Fund created pursuant to Section 50782.

(e) ''Housing costs'' means the total cost of owning, occupying, and maintaining a mobilehome and a lot or space in a mobilehome park. The department's regulations shall specify the factors included in these costs and may, for the purposes of calculating affordability, establish reasonable allowances.

(f) ''Individual interest in a mobilehome park'' means any interest that is fee ownership or a lesser interest that entitles the holder to occupy a lot or space in a mobilehome park for a period of not less than either 15 years or the life of the holder. Individual interests in a mobilehome park include, but are not limited to, the following:

(1) Ownership of a lot or space in a mobilehome park or subdivision.

(2) A membership or shares in a stock cooperative, as defined in Section 11003.2 of the Business and Professions Code, or a limited equity housing cooperative, as defined in Section 33007.5 of this code.

(3) Membership in a nonprofit mutual benefit corporation that owns, operates, or owns and operates the mobilehome park.

(g) ''Low-income resident'' means an individual or household that is a lower income household, as defined in Section 50079.5. However,

(h) ''Low-income spaces'' means those spaces in a mobilehome park operated by a resident organization, a qualified nonprofit housing sponsor, or a local public entity that are occupied by low-income residents.

(i) ''Mobilehome park'' means a mobilehome park, as defined in Section 18214, or a manufactured home subdivision created by the conversion of a mobilehome park, as defined in Section 18214, including a senior park, to resident ownership or ownership by a qualified nonprofit housing sponsor or local public entity.

The membership of a resident organization shall include at least two-thirds of the households residing in the mobilehome park, or in each park of a combination of parks where the residents of two or more parks combine to form a single resident organization. The two-thirds of households in the resident organization at the time of funding the park need not be the same households that were residing in the park when the application for assistance was submitted to the department. (m) ''Resident ownership'' means, depending on the context, either the ownership by a resident organization of an interest in a mobilehome park that entitles the resident organization to control the operations of the mobilehome park for a term of no less than 15 years, or the ownership of individual interests in a mobilehome park, or both.

SEC. 5. Section 50784 of the Health and Safety Code is amended to read:

50784. (a) The department may make loans from the fund to (1) individual low-income residents of mobilehome parks that have converted to resident ownership, (2) resident organizations that have converted or plan to convert a mobilehome park to resident ownership, or (3) qualified nonprofit housing sponsors or local public entities that plan to acquire a mobilehome park, provided that no less than 30 percent of the spaces in the park are for occupancy by manufactured homes owned by low-income residents. The purpose of providing loans pursuant to this section is to reduce the monthly housing costs for low-income residents to an affordable level.

(b) (1) Any mobilehome park purchased by a local public entity with a loan pursuant to this section shall be transferred to a nonprofit housing sponsor or resident organization that has converted, or plans to convert, the park to resident ownership no later than three years from the date of loan closing, with all obligations under the loan assumed by the nonprofit organization or resident organization.

(2) If a local public entity has made a good faith effort, but has not been able, to transfer the park by the end of the three-year period, the entity may apply to the department for an additional three-year extension. Upon a determination by the department that the local public entity has made a good faith effort to transfer the park in accordance with paragraph (1), it shall have an additional three years from the expiration date of the first three-year period to consummate the transfer. The three-year extension shall only be granted once by the department for each loan to a local public entity.

(3) Where a local public entity fails to make a good faith effort to transfer the park within the first three-year period, as determined by the department, or fails to transfer the park by the expiration date of the extended three-year period, it shall repay the loan in full to the department.

(c) Loans provided pursuant to this section shall be for a term of no more than 30 years and shall bear interest at a rate of 3 percent per annum.

(d) The department may establish flexible repayment terms for loans provided pursuant to this section if the terms are necessary to reduce the monthly housing costs for low-income residents to an affordable level, and do not represent an unacceptable risk to the security of the fund.

Flexible repayment terms may include, but are not limited to, graduated payment schedules with negative amortization.

(e) Loans provided to low-income residents pursuant to this section shall be for the minimum amount necessary to reduce the borrower's monthly housing costs to an affordable level. All of the following shall apply to loans to finance individual interests pursuant to this section:

(1) To the extent possible, loan amounts shall not exceed 50 percent of the acquisition costs of the individual interests in the mobilehome parks. However, the loan amounts may be for up to 100 percent of the acquisition costs of the individual interests in the mobilehome parks when approved by the department.

(2) The department may grant approval to exceed 50 percent of the acquisition costs of the individual interests only where both of the following are demonstrated:

(A) That the low-income resident has made an effort to secure additional funding from other sources and these funds are not available.

(B) That the low-income resident would be unable to purchase an individual interest without a waiver of the 50 percent financing limitation.

(3) The total indebtedness of the loan provided pursuant to this section plus any senior debt upon individual interests may not exceed 100 percent of the value of the collateral securing the loan, plus the amount of costs incidentally, but directly, related to the acquisition.

(f) Loans provided to resident organizations, qualified nonprofit housing sponsors, or local public entities pursuant to this section shall be for the minimum amount necessary to reduce the monthly housing costs of low-income residents to an affordable level. All of the following shall apply to loans made to resident organizations, qualified nonprofit housing sponsors, or local public entities pursuant to this section:

(1) To the extent possible, loan amounts shall not exceed 50 percent of the conversion costs attributable to the low-income spaces. However, the loan amounts may be for up to 95 percent of the conversion costs attributable to the low-income spaces when approved by the department.

(2) The department may grant approval to exceed 50 percent of the conversion costs attributable to low-income spaces only where both of the following are demonstrated:

(A) That the applicant has made an effort to secure additional funds from other sources and these funds are not available.

(B) That the project would not be feasible as determined by the department without a waiver of the 50 percent financing limitation.

(3) The total secured debt in a superior position to the department's loan plus the department's loan shall not exceed the value of the collateral securing the loan plus the amount of costs incidentally, but

directly, related to the acquisition and, if applicable, rehabilitation of the park.

(g) Funds provided pursuant to this section shall not be used to (1) assist residents who are not of low income, (2) reduce monthly housing costs for low-income residents to less than 30 percent of their monthly income, or (3) facilitate the purchase of a park by a qualified nonprofit corporation or local public entity from a public entity that had acquired the park prior to the commitment of the loan from the program.

(h) Subject to the restrictions of this subdivision, funds provided pursuant to this section may be used to finance the costs of relocating a mobilehome park to a more suitable site within the same jurisdiction if the department determines that the cost of the relocation, including any and all relocation costs to the affected households, is a more prudent expenditure of funds than the costs of needed or repetitive repairs to the existing park. Funds provided pursuant to this section shall not be used to relieve a park owner of any responsibility for covering the costs of mitigating the impacts of a park closure as may be provided for by local ordinance or pursuant to Section 65863.7 or 66427.4 of the Government Code.

(b) If an acronym is used to identify any committee names required by this section, the names of any sponsoring organization of the committee shall be printed on print advertisements or spoken in broadcast advertisements.

(C) Determine the viability of the local herd, and determine the minimum population level needed to maintain the herd.

(D) Ensure the permit will not reduce the local herd below the minimum.

CHAPTER 482

An act to amend Sections 51871, 51872, 51873, and 51874 of the Education Code, relating to education technology.

[Approved by Governor September 10, 2004. Filed with Secretary of State September 10, 2004.]

The people of the State of California do enact as follows:

SECTION 1. The Legislature finds and declares the following:

(a) The California Technology Assistance Project and the statewide educational technology services are making a significant impact on the extent to which educators make effective use of technology to support teaching and learning.

(b) Recent surveys of teachers and administrators who used California Technology Assistance Project and statewide educational technology services found these programs to be a major source of professional development and assistance for: (1) using electronic learning resources to help implement state content standards, (2) developing technology plans required for eligibility for federal and state technology funding, (3) selecting software and Web resources to support learning, (4) developing instructional plans to make optimal use of technology, and (5) promoting collaboration and coordination of technology initiatives across educational programs.

(c) Another study of the programs showed that significant support was provided that enabled schools across the state to increase their own capacity to plan and implement the extensive requirements of the federal No Child Left Behind Act that included identification of research-based materials, developing effective technology plans needed as a condition to receive federal funding, using technology to support management and use of student assessment data, improving teacher quality, and enabling

the delivery of professional development over high-speed telecommunications networks.

(d) It has been objectively documented that some technology services are more efficiently and effectively delivered at a statewide level. Examples of services proven to forward the integration of technology in schools include statewide services that assist educators in locating online standards-aligned learning resources, technology resources for school administrators, and technical support resources.

SEC. 2. Section 51871 of the Education Code is amended to read:

51871. (a) The California Technology Assistance Project shall be administered by the State Department of Education to provide a regionalized network of technical assistance to schools and school districts on the implementation of education technology as set forth in policies of the State Board of Education. The California Technology Assistance Project shall be composed of regional consortia that will work collaboratively with school districts and county offices of education to meet locally defined educational needs that can be effectively addressed with the use of technology, including, but not necessarily limited to, all of the following areas:

(1) Professional development.

(2) Electronic learning resources.

(3) Hardware.

(4) Telecommunications infrastructure.

(5) Technical assistance to school districts in developing a support system to operate and maintain an education technology infrastructure, including improving pupil recordkeeping and tracking related to pupil instruction.

(6) Coordination with and support for the funding and implementation of federal, state, and local programs.

(7) Funding.

(8) Technical assistance and information to support access, planning, and the use of high-speed telecommunications networks.

(9) Technology planning and implementation assistance to rural and technologically underserved school districts and county offices of education.

(b) The State Board of Education shall authorize grants to fund a school district or county office of education in each region of the California Technology Assistance Project to act as the lead agency to administer the services of that region. The term of a grant awarded pursuant to this section may not exceed three years. Grant funding may be awarded and received for subsequent terms of three years as provided in this section. The lead agency shall be chosen based on the extent to which it provides a plan that clearly documents or describes all of the following:

(1) Knowledge of technology to improve teaching and learning.

(2) Technology planning and technical assistance.

(3) Proven success in providing professional development in technology and curriculum integration.

(4) An ability to work collaboratively with school districts, county offices of education, and businesses in the region.

(5) The ability to deliver services specified in this article to all school districts and county offices of education in its region.

(6) The support of school districts and county offices of education for the regional lead agency application in the region.

(7) The capacity to assist schools to utilize high-speed telecommunications networks.

(8) Specific strategies for documenting and addressing the needs of rural schools and technologically underserved school districts and county offices of education.

(9) A plan for evaluating the implementation of, access to, use of, and local impact of, the services provided by the region.

(c) Funding to support the regional education technology services provided by the California Technology Assistance Project shall be provided through the annual Budget Act. To receive funding for the second and subsequent years of a grant awarded pursuant to subdivision (b), the lead agency shall submit an annual report to the State Board of Education for approval that describes the services provided, the persons served, and the funds expended for those services in the prior year. School districts and county offices of education within the California Technology Assistance Project region shall have an opportunity to comment on the report.

SEC. 3. Section 51872 of the Education Code is amended to read:

51872. (a) The State Department of Education shall administer this article. The duties of the State Department of Education shall include, but are not necessarily limited to, the following:

(1) Assisting the State Board of Education on education technology plans, policies, programs, and activities.

(2) Providing for the statewide coordination, planning, and evaluation of education technology programs and resources.

(3) Advancing the use of technology in the curriculum and in the administration of elementary and secondary schools.

(b) Funding shall be provided through the annual Budget Act to the Superintendent of Public Instruction to provide centralized statewide educational technology services that address locally defined needs and are more efficiently and effectively provided on a statewide basis. The statewide educational technology services to be supported by this statute shall include, but are not limited to, all of the following:

(1) Review of electronic learning resources including, but not limited to, software, online resources, and video, for alignment with the content standards adopted by the state board.

(2) Professional development focused on digital school leadership for educational administrators in the areas of data-driven decisionmaking, integrating technology into standards-based curriculum, technology planning, professional development needs of staff, financial planning for technology, and operations and maintenance.

51874. Sections 51871, 51872, 51873, this section, and the heading of this article shall remain in effect only until January 1, 2009, and as of that date is repealed, unless a later enacted statute, that is enacted before January 1, 2009, deletes or extends that date.

(f) Funds appropriated for local assistance shall not be allocated to the local public entity until the local public entity creates a Pierce's disease work plan that is approved by the department. Any funds allocated by the department to a designated local public entity shall be utilized for activities consistent with the local Pierce's disease work plan or other programs or work plans approved by the department. It shall be the responsibility of the designated local public entity to develop and implement the local Pierce's disease work plan. Furthermore, progress made by winegrape growers and others in the adoption of integrated pest management and sustainable farming practices is threatened by these destructive pests and diseases.

(b) The funding to accomplish the purposes of this article shall be derived from an assessment on all grapes grown in California and crushed for wine, wine vinegar, juice concentrate, or beverage brandy.

(c) This article is not intended to establish a precedent, or to supersede, or to reduce or in any way alter government funding of the effort to combat Pierce's disease and other pests in this state.

(d) The purposes of this article are enhanced by the many and varied efforts of other agricultural commodities' industries to combat this bacterium and its vectors.

(e) This article is enacted for the protection of the winegrape industry and is also declared to be enacted in the public interest and in the exercise of the police power of the state for the purpose of protecting the health, peace, safety, and general welfare of the people of this state.

CHAPTER 486

An act to amend Sections 1369, 1370, and 1370.01 of the Penal Code, relating to competency.

[Approved by Governor September 10, 2004. Filed with Secretary of State September 10, 2004.]

The people of the State of California do enact as follows:

SECTION 1. Section 1369 of the Penal Code is amended to read:

1369. A trial by court or jury of the question of mental competence shall proceed in the following order:

(a) The court shall appoint a psychiatrist or licensed psychologist, and any other expert the court may deem appropriate, to examine the defendant. In any case where the defendant or the defendant's counsel informs the court that the defendant is not seeking a finding of mental incompetence, the court shall appoint two psychiatrists, licensed psychologists, or a combination thereof. One of the psychiatrists or licensed psychologists may be named by the defense and one may be named by the prosecution. The examining psychiatrists or licensed psychologists shall evaluate the nature of the defendant's mental disorder, if any, the defendant's ability or inability to understand the nature of the criminal proceedings or assist counsel in the conduct of a defense in a rational manner as a result of a mental disorder and, if within the scope of their licenses and appropriate to their opinions, whether or not treatment with antipsychotic medication is medically appropriate for the defendant and whether antipsychotic medication is likely to restore the defendant to mental competence. If an examining psychologist is of the opinion that antipsychotic medication may be medically appropriate for the defendant and that the defendant should be evaluated by a psychiatrist to determine if antipsychotic medication is medically appropriate, the psychologist shall inform the court of this opinion and his or her recommendation as to whether a psychiatrist should examine the defendant. The examining psychiatrists or licensed psychologists shall also address the issues of whether the defendant has capacity to make decisions regarding antipsychotic medication and whether the defendant is a danger to self or others. If the defendant is examined by a psychiatrist and the psychiatrist forms an opinion as to whether or not treatment with antipsychotic medication is medically appropriate, the psychiatrist shall inform the court of his or her opinions as to the likely or potential side effects of the medication, the expected efficacy of the medication, and possible alternative treatments. If it is suspected the defendant is developmentally disabled, the court shall appoint the director of the regional center for the developmentally disabled established under Division 4.5 (commencing with Section 4500) of the Welfare and Institutions Code, or the designee of the director, to examine the defendant. The court may order the developmentally disabled defendant to be confined for examination in a residential facility or state hospital.

The regional center director shall recommend to the court a suitable residential facility or state hospital. Prior to issuing an order pursuant to

this section, the court shall consider the recommendation of the regional center director. While the person is confined pursuant to order of the court under this section, he or she shall be provided with necessary care and treatment.

(b) (1) The counsel for the defendant shall offer evidence in support of the allegation of mental incompetence.

(2) If the defense declines to offer any evidence in support of the allegation of mental incompetence, the prosecution may do so.

(c) The prosecution shall present its case regarding the issue of the defendant's present mental competence.

(d) Each party may offer rebutting testimony, unless the court, for good reason in furtherance of justice, also permits other evidence in support of the original contention.

(e) When the evidence is concluded, unless the case is submitted without final argument, the prosecution shall make its final argument and the defense shall conclude with its final argument to the court or jury.

(f) In a jury trial, the court shall charge the jury, instructing them on all matters of law necessary for the rendering of a verdict. It shall be presumed that the defendant is mentally competent unless it is proved by a preponderance of the evidence that the defendant is mentally incompetent. The verdict of the jury shall be unanimous.

SEC. 2. Section 1370 of the Penal Code is amended to read:

1370. (a) (1) (A) If the defendant is found mentally competent, the criminal process shall resume, the trial on the offense charged shall proceed, and judgment may be pronounced.

(B) If the defendant is found mentally incompetent, the trial or judgment shall be suspended until the person becomes mentally competent.

(i) In the meantime, the court shall order that the mentally incompetent defendant be delivered by the sheriff to a state hospital for the care and treatment of the mentally disordered, or to any other available public or private treatment facility approved by the community program director that will promote the defendant's speedy restoration to mental competence, or placed on outpatient status as specified in Section 1600.

(ii) However, if the action against the defendant who has been found mentally incompetent is on a complaint charging a felony offense specified in Section 290, the prosecutor shall determine whether the defendant previously has been found mentally incompetent to stand trial pursuant to this chapter on a charge of a Section 290 offense, or whether the defendant is currently the subject of a pending Section 1368 proceeding arising out of a charge of a Section 290 offense. If either determination is made, the prosecutor shall so notify the court and defendant in writing. After this notification, and opportunity for hearing,

the court shall order that the defendant be delivered by the sheriff to a state hospital or other secure treatment facility for the care and treatment of the mentally disordered unless the court makes specific findings on the record that an alternative placement would provide more appropriate treatment for the defendant and would not pose a danger to the health and safety of others.

(iii) If the action against the defendant who has been found mentally incompetent is on a complaint charging a felony offense specified in Section 290 and the defendant has been denied bail pursuant to subdivision (b) of Section 12 of Article I of the California Constitution because the court has found, based upon clear and convincing evidence, a substantial likelihood that the person's release would result in great bodily harm to others, the court shall order that the defendant be delivered by the sheriff to a state hospital for the care and treatment of the mentally disordered unless the court makes specific findings on the record that an alternative placement would provide more appropriate treatment for the defendant and would not pose a danger to the health and safety of others.

(iv) The clerk of the court shall notify the Department of Justice in writing of any finding of mental incompetence with respect to a defendant who is subject to clause (ii) or (iii) for inclusion in his or her state summary criminal history information.

(C) Upon the filing of a certificate of restoration to competence, the court shall order that the defendant be returned to court in accordance with Section 1372. The court shall transmit a copy of its order to the community program director or a designee.

(D) A defendant charged with a violent felony may not be delivered to a state hospital or treatment facility pursuant to this subdivision unless the state hospital or treatment facility has a secured perimeter or a locked and controlled treatment facility, and the judge determines that the public safety will be protected.

(E) For purposes of this paragraph, ''violent felony'' means an offense specified in subdivision (c) of Section 667.5.

(F) A defendant charged with a violent felony may be placed on outpatient status, as specified in Section 1600, only if the court finds that the placement will not pose a danger to the health or safety of others.

(2) Prior to making the order directing that the defendant be confined in a state hospital or other treatment facility or placed on outpatient status, the court shall proceed as follows:

(A) The court shall order the community program director or a designee to evaluate the defendant and to submit to the court within 15 judicial days of the order a written recommendation as to whether the defendant should be required to undergo outpatient treatment, or committed to a state hospital or to any other treatment facility. No person

shall be admitted to a state hospital or other treatment facility or placed on outpatient status under this section without having been evaluated by the community program director or a designee.

(B) The court shall hear and determine whether the defendant, with advice of his or her counsel, consents to the administration of antipsychotic medication, and shall proceed as follows:

(i) If the defendant, with advice of his or her counsel, consents, the court order of commitment shall include confirmation that antipsychotic medication may be given to the defendant as prescribed by a treating psychiatrist pursuant to the defendant's consent. The commitment order shall also indicate that, if the defendant withdraws consent for antipsychotic medication, after the treating psychiatrist complies with the provisions of subparagraph (C), the defendant shall be returned to court for a hearing in accordance with this subdivision regarding whether antipsychotic medication shall be administered involuntarily.

(ii) If the defendant does not consent to the administration of medication, the court shall hear and determine whether any of the following is true:

(I) The defendant lacks capacity to make decisions regarding antipsychotic medication, the defendant's mental disorder requires medical treatment with antipsychotic medication, and, if the defendant's mental disorder is not treated with antipsychotic medication, it is probable that serious harm to the physical or mental health of the patient will result. Probability of serious harm to the physical or mental health of the defendant requires evidence that the defendant is presently suffering adverse effects to his or her physical or mental health, or the defendant has previously suffered these effects as a result of a mental disorder and his or her condition is substantially deteriorating. The fact that a defendant has a diagnosis of a mental disorder does not alone establish probability of serious harm to the physical or mental health of the defendant.

(II) The defendant is a danger to others, in that the defendant has inflicted, attempted to inflict, or made a serious threat of inflicting substantial physical harm on another while in custody, or the defendant had inflicted, attempted to inflict, or made a serious threat of inflicting substantial physical harm on another that resulted in his or her being taken into custody, and the defendant presents, as a result of mental disorder or mental defect, a demonstrated danger of inflicting substantial physical harm on others. Demonstrated danger may be based on an assessment of the defendant's present mental condition, including a consideration of past behavior of the defendant within six years prior to the time the defendant last attempted to inflict, inflicted, or threatened to inflict substantial physical harm on another, and other relevant evidence.

(III) The people have charged the defendant with a serious crime against the person or property; involuntary administration of antipsychotic medication is substantially likely to render the defendant competent to stand trial; the medication is unlikely to have side effects that interfere with the defendant's ability to understand the nature of the criminal proceedings or to assist counsel in the conduct of a defense in a reasonable manner; less intrusive treatments are unlikely to have substantially the same results; and antipsychotic medication is in the patient's best medical interest in light of his or her medical condition.

(iii) If the court finds any of the conditions described in clause (ii) to be true, the court shall issue an order authorizing the treatment facility to involuntarily administer antipsychotic medication to the defendant when and as prescribed by the defendant's treating psychiatrist. The court shall not order involuntary administration of psychotropic medication under subclause (III) of clause (ii) unless the court has first found that the defendant does not meet the criteria for involuntary administration of psychotropic medication under subclause (I) of clause (ii) and does not meet the criteria under subclause (II) of clause (ii).

(iv) In all cases, the treating hospital, facility or program may administer medically appropriate antipsychotic medication prescribed by a psychiatrist in an emergency as described in subdivision (m) of Section 5008 of the Welfare and Institutions Code.

(v) Any report made pursuant to paragraph (1) of subdivision (b) shall include a description of any antipsychotic medication administered to the defendant and its effects and side effects, including effects on the defendant's appearance or behavior that would affect the defendant's ability to understand the nature of the criminal proceedings or to assist counsel in the conduct of a defense in a reasonable manner. During the time the defendant is confined in a state hospital or other treatment facility or placed on outpatient status, either the defendant or the people may request that the court review any order made pursuant to this subdivision. The defendant, to the same extent enjoyed by other patients in the state hospital or other treatment facility, shall have the right to contact the Patients' Rights Advocate regarding his or her rights under this section.

(C) If the defendant consented to antipsychotic medication as described in clause (i) of subparagraph (B), but subsequently withdraws his or her consent, or, if involuntary antipsychotic medication was not ordered pursuant to clause (ii) of subparagraph (B), and the treating psychiatrist determines that antipsychotic medication has become medically necessary and appropriate, the treating psychiatrist shall make efforts to obtain informed consent from the defendant for antipsychotic medication. If informed consent is not obtained from the defendant, and the treating psychiatrist is of the opinion that the defendant lacks

capacity to make decisions regarding antipsychotic medication as specified in subclause (I) of clause (ii) of subparagraph (B), or that the defendant is a danger to others as specified in subclause (II) of clause (ii) of subparagraph (B), the committing court shall be notified of this, including an assessment of the current mental status of the defendant and the opinion of the treating psychiatrist that involuntary antipsychotic medication has become medically necessary and appropriate. The court shall provide notice to the prosecuting attorney and to the attorney representing the defendant and shall set a hearing to determine whether involuntary antipsychotic medication should be ordered in the manner described in subparagraph (B).

(3) When the court orders that the defendant be confined in a state hospital or other public or private treatment facility, the court shall provide copies of the following documents which shall be taken with the defendant to the state hospital or other treatment facility where the defendant is to be confined:

(A) The commitment order, including a specification of the charges.

(B) A computation or statement setting forth the maximum term of commitment in accordance with subdivision (c).

(C) A computation or statement setting forth the amount of credit for time served, if any, to be deducted from the maximum term of commitment.

(D) State summary criminal history information.

(E) Any arrest reports prepared by the police department or other law enforcement agency.

(F) Any court-ordered psychiatric examination or evaluation reports.

(G) The community program director's placement recommendation report.

(H) Records of any finding of mental incompetence pursuant to this chapter arising out of a complaint charging a felony offense specified in Section 290 or any pending Section 1368 proceeding arising out of a charge of a Section 290 offense.

(4) When the defendant is committed to a treatment facility pursuant to clause (i) of subparagraph (B) of paragraph (1) or the court makes the findings specified in clause (ii) or (iii) of subparagraph (B) of paragraph (1) to assign the defendant to a treatment facility other than a state hospital or other secure treatment facility, the court shall order that notice be given to the appropriate law enforcement agency or agencies having local jurisdiction at the site of the placement facility of any finding of mental incompetence pursuant to this chapter arising out of a charge of a Section 290 offense.

(5) When directing that the defendant be confined in a state hospital pursuant to this subdivision, the court shall select the hospital in

accordance with the policies established by the State Department of Mental Health.

(6) (A) If the defendant is committed or transferred to a state hospital pursuant to this section, the court may, upon receiving the written recommendation of the medical director of the state hospital and the community program director that the defendant be transferred to a public or private treatment facility approved by the community program director, order the defendant transferred to that facility. If the defendant is committed or transferred to a public or private treatment facility approved by the community program director, the court may, upon receiving the written recommendation of the community program director, transfer the defendant to a state hospital or to another public or private treatment facility approved by the community program director. In the event of dismissal of the criminal charges before the defendant recovers competence, the person shall be subject to the applicable provisions of the Lanterman-Petris-Short Act (Part 1 (commencing with Section 5000) of Division 5 of the Welfare and Institutions Code). Where either the defendant or the prosecutor chooses to contest either kind of order of transfer, a petition may be filed in the court for a hearing, which shall be held if the court determines that sufficient grounds exist. At the hearing, the prosecuting attorney or the defendant may present evidence bearing on the order of transfer. The court shall use the same standards as are used in conducting probation revocation hearings pursuant to Section 1203.2.

Prior to making an order for transfer under this section, the court shall notify the defendant, the attorney of record for the defendant, the prosecuting attorney, and the community program director or a designee.

(B) If the defendant is initially committed to a state hospital or secure treatment facility pursuant to clause (ii) or (iii) of subparagraph (B) of paragraph (1) and is subsequently transferred to any other facility, copies of the documents specified in paragraph (3) shall be taken with the defendant to each subsequent facility to which the defendant is transferred. The transferring facility shall also notify the appropriate law enforcement agency or agencies having local jurisdiction at the site of the new facility that the defendant is a person subject to clause (ii) or (iii) of subparagraph (B) of paragraph (1).

(b) (1) Within 90 days of a commitment made pursuant to subdivision (a), the medical director of the state hospital or other treatment facility to which the defendant is confined shall make a written report to the court and the community program director for the county or region of commitment, or a designee, concerning the defendant's progress toward recovery of mental competence. Where the defendant is on outpatient status, the outpatient treatment staff shall make a written report to the community program director concerning the defendant's

progress toward recovery of mental competence. Within 90 days of placement on outpatient status, the community program director shall report to the court on this matter. If the defendant has not recovered mental competence, but the report discloses a substantial likelihood that the defendant will regain mental competence in the foreseeable future, the defendant shall remain in the state hospital or other treatment facility or on outpatient status. Thereafter, at six-month intervals or until the defendant becomes mentally competent, where the defendant is confined in a treatment facility, the medical director of the hospital or person in charge of the facility shall report in writing to the court and the community program director or a designee regarding the defendant's progress toward recovery of mental competence. Where the defendant is on outpatient status, after the initial 90-day report, the outpatient treatment staff shall report to the community program director on the defendant's progress toward recovery, and the community program director shall report to the court on this matter at six-month intervals. A copy of these reports shall be provided to the prosecutor and defense counsel by the court. If the report indicates that there is no substantial likelihood that the defendant will regain mental competence in the foreseeable future, the committing court shall order the defendant to be returned to the court for proceedings pursuant to paragraph (2) of subdivision (c). The court shall transmit a copy of its order to the community program director or a designee.

(2) Any defendant who has been committed or has been on outpatient status for 18 months and is still hospitalized or on outpatient status shall be returned to the committing court where a hearing shall be held pursuant to the procedures set forth in Section 1369. The court shall transmit a copy of its order to the community program director or a designee.

(3) If it is determined by the court that no treatment for the defendant's mental impairment is being conducted, the defendant shall be returned to the committing court. The court shall transmit a copy of its order to the community program director or a designee.

(4) At each review by the court specified in this subdivision, the court shall determine if the security level of housing and treatment is appropriate and may make an order in accordance with its determination.

(c) (1) At the end of three years from the date of commitment or a period of commitment equal to the maximum term of imprisonment provided by law for the most serious offense charged in the information, indictment, or misdemeanor complaint, whichever is shorter, a defendant who has not recovered mental competence shall be returned to the committing court. The court shall notify the community program director or a designee of the return and of any resulting court orders.

(2) Whenever any defendant is returned to the court pursuant to paragraph (1) or (2) of subdivision (b) or paragraph (1) of this subdivision and it appears to the court that the defendant is gravely disabled, as defined in subparagraph (B) of paragraph (1) of subdivision (h) of Section 5008 of the Welfare and Institutions Code, the court shall order the conservatorship investigator of the county of commitment of the defendant to initiate conservatorship proceedings for the defendant pursuant to Chapter 3 (commencing with Section 5350) of Part 1 of Division 5 of the Welfare and Institutions Code. Any hearings required in the conservatorship proceedings shall be held in the superior court in the county that ordered the commitment. The court shall transmit a copy of the order directing initiation of conservatorship proceedings to the community program director or a designee and shall notify the community program director or a designee of the outcome of the proceedings.

(3) Where the defendant is confined in a treatment facility, a copy of any report to the committing court regarding the defendant's progress toward recovery of mental competence shall be provided by the committing court to the prosecutor and to the defense counsel.

(d) The criminal action remains subject to dismissal pursuant to Section 1385. If the criminal action is dismissed, the court shall transmit a copy of the order of dismissal to the community program director or a designee.

(e) If the criminal charge against the defendant is dismissed, the defendant shall be released from any commitment ordered under this section, but without prejudice to the initiation of any proceedings that may be appropriate under the Lanterman-Petris-Short Act, Part 1 (commencing with Section 5000) of Division 5 of the Welfare and Institutions Code.

(f) As used in this chapter, ''community program director'' means the person, agency, or entity designated by the State Department of Mental Health pursuant to Section 1605 of this code and Section 4360 of the Welfare and Institutions Code.

(g) For the purpose of this section, ''secure treatment facility'' shall not include, except for state mental hospitals, state developmental centers, and correctional treatment facilities, any facility licensed pursuant to Chapter 2 (commencing with Section 1250) of, Chapter 3 (commencing with Section 1500) of, or Chapter 3.2 (commencing with Section 1569) of, Division 2 of the Health and Safety Code, or any community board and care facility.

SEC. 3. Section 1370.01 of the Penal Code is amended to read:

1370.01. (a) (1) If the defendant is found mentally competent, the criminal process shall resume, the trial on the offense charged shall proceed, and judgment may be pronounced. If the defendant is found

mentally incompetent, the trial or judgment shall be suspended until the person becomes mentally competent, and the court shall order that (A) in the meantime, the defendant be delivered by the sheriff to an available public or private treatment facility approved by the county mental health director that will promote the defendant's speedy restoration to mental competence, or placed on outpatient status as specified in this section, and (B) upon the filing of a certificate of restoration to competence, the defendant be returned to court in accordance with Section 1372. The court shall transmit a copy of its order to the county mental health director or his or her designee.

(2) Prior to making the order directing that the defendant be confined in a treatment facility or placed on outpatient status, the court shall proceed as follows:

(A) The court shall order the county mental health director or his or her designee to evaluate the defendant and to submit to the court within 15 judicial days of the order a written recommendation as to whether the defendant should be required to undergo outpatient treatment, or committed to a treatment facility. No person shall be admitted to a treatment facility or placed on outpatient status under this section without having been evaluated by the county mental health director or his or her designee. No person shall be admitted to a state hospital under this section unless the county mental health director finds that there is no less restrictive appropriate placement available and the county mental health director has a contract with the State Department of Mental Health for these placements.

(B) The court shall hear and determine whether the defendant, with advice of his or her counsel, consents to the administration of antipsychotic medication, and shall proceed as follows:

(i) If the defendant, with advice of his or her counsel, consents, the court order of commitment shall include confirmation that antipsychotic medication may be given to the defendant as prescribed by a treating psychiatrist pursuant to the defendant's consent. The commitment order shall also indicate that, if the defendant withdraws consent for antipsychotic medication, after the treating psychiatrist complies with the provisions of subparagraph (C), the defendant shall be returned to court for a hearing in accordance with this subdivision regarding whether antipsychotic medication shall be administered involuntarily.

(ii) If the defendant does not consent to the administration of medication, the court shall hear and determine whether any of the following is true:

(I) The defendant lacks capacity to make decisions regarding antipsychotic medication, the defendant's mental disorder requires medical treatment with antipsychotic medication, and, if the defendant's mental disorder is not treated with antipsychotic medication, it is

probable that serious harm to the physical or mental health of the patient will result. Probability of serious harm to the physical or mental health of the defendant requires evidence that the defendant is presently suffering adverse effects to his or her physical or mental health, or the defendant has previously suffered these effects as a result of a mental disorder and his or her condition is substantially deteriorating. The fact that a defendant has a diagnosis of a mental disorder does not alone establish probability of serious harm to the physical or mental health of the defendant.

(II) The defendant is a danger to others, in that the defendant has inflicted, attempted to inflict, or made a serious threat of inflicting substantial physical harm on another while in custody, or the defendant had inflicted, attempted to inflict, or made a serious threat of inflicting substantial physical harm on another that resulted in his or her being taken into custody, and the defendant presents, as a result of mental disorder or mental defect, a demonstrated danger of inflicting substantial physical harm on others. Demonstrated danger may be based on an assessment of the defendant's present mental condition, including a consideration of past behavior of the defendant within six years prior to the time the defendant last attempted to inflict, inflicted, or threatened to inflict substantial physical harm on another, and other relevant evidence.

(III) The people have charged the defendant with a serious crime against the person or property; involuntary administration of antipsychotic medication is substantially likely to render the defendant competent to stand trial; the medication is unlikely to have side effects that interfere with the defendant's ability to understand the nature of the criminal proceedings or to assist counsel in the conduct of a defense in a reasonable manner; less intrusive treatments are unlikely to have substantially the same results; and antipsychotic medication is in the patient's best medical interest in light of his or her medical condition.

(iii) If the court finds any of the conditions described in clause (ii) to be true, the court shall issue an order authorizing the treatment facility to involuntarily administer antipsychotic medication to the defendant when and as prescribed by the defendant's treating psychiatrist. The court shall not order involuntary administration of psychotropic medication under subclause (III) of clause (ii) unless the court has first found that the defendant does not meet the criteria for involuntary administration of psychotropic medication under subclause (I) of clause (ii) and does not meet the criteria under subclause (II) of clause (ii).

(iv) In all cases, the treating hospital, facility, or program may administer medically appropriate antipsychotic medication prescribed by a psychiatrist in an emergency as described in subdivision (m) of Section 5008 of the Welfare and Institutions Code.

(v) Any report made pursuant to subdivision (b) shall include a description of any antipsychotic medication administered to the defendant and its effects and side effects, including effects on the defendant's appearance or behavior that would affect the defendant's ability to understand the nature of the criminal proceedings or to assist counsel in the conduct of a defense in a reasonable manner. During the time the defendant is confined in a state hospital or other treatment facility or placed on outpatient status, either the defendant or the people may request that the court review any order made pursuant to this subdivision. The defendant, to the same extent enjoyed by other patients in the state hospital or other treatment facility, shall have the right to contact the Patients' Rights Advocate regarding his or her rights under this section.

(C) If the defendant consented to antipsychotic medication as described in clause (i) of subparagraph (B), but subsequently withdraws his or her consent, or, if involuntary antipsychotic medication was not ordered pursuant to clause (ii) of subparagraph (B), and the treating psychiatrist determines that antipsychotic medication has become medically necessary and appropriate, the treating psychiatrist shall make efforts to obtain informed consent from the defendant for antipsychotic medication. If informed consent is not obtained from the defendant, and the treating psychiatrist is of the opinion that the defendant lacks capacity to make decisions regarding antipsychotic medication as specified in subclause (I) of clause (ii) of subparagraph (B), or that the defendant is a danger to others as specified in subclause (II) of clause (ii) of subparagraph (B), the committing court shall be notified of this, including an assessment of the current mental status of the defendant and the opinion of the treating psychiatrist that involuntary antipsychotic medication has become medically necessary and appropriate. The court shall provide copies of the report to the prosecuting attorney and to the attorney representing the defendant and shall set a hearing to determine whether involuntary antipsychotic medication should be ordered in the manner described in subparagraph (B).

(3) When the court, after considering the placement recommendation of the county mental health director required in paragraph (2), orders that the defendant be confined in a public or private treatment facility, the court shall provide copies of the following documents which shall be taken with the defendant to the treatment facility where the defendant is to be confined:

(A) The commitment order, including a specification of the charges.

(B) A computation or statement setting forth the maximum term of commitment in accordance with subdivision (c).

(C) A computation or statement setting forth the amount of credit for time served, if any, to be deducted from the maximum term of commitment.

(D) State summary criminal history information.

(E) Any arrest reports prepared by the police department or other law enforcement agency.

(F) Any court-ordered psychiatric examination or evaluation reports.

(G) The county mental health director's placement recommendation report.

(4) A person subject to commitment under this section may be placed on outpatient status under the supervision of the county mental health director or his or her designee by order of the court in accordance with the procedures contained in Title 15 (commencing with Section 1600) except that where the term ''community program director'' appears the term ''county mental health director'' shall be substituted.

(5) If the defendant is committed or transferred to a public or private treatment facility approved by the county mental health director, the court may, upon receiving the written recommendation of the county mental health director, transfer the defendant to another public or private treatment facility approved by the county mental health director. In the event of dismissal of the criminal charges before the defendant recovers competence, the person shall be subject to the applicable provisions of Part 1 (commencing with Section 5000) of Division 5 of the Welfare and Institutions Code. Where either the defendant or the prosecutor chooses to contest the order of transfer, a petition may be filed in the court for a hearing, which shall be held if the court determines that sufficient grounds exist. At the hearing, the prosecuting attorney or the defendant may present evidence bearing on the order of transfer. The court shall use the same standards as are used in conducting probation revocation hearings pursuant to Section 1203.2.

Prior to making an order for transfer under this section, the court shall notify the defendant, the attorney of record for the defendant, the prosecuting attorney, and the county mental health director or his or her designee.

(b) Within 90 days of a commitment made pursuant to subdivision (a), the medical director of the treatment facility to which the defendant is confined shall make a written report to the court and the county mental health director or his or her designee, concerning the defendant's progress toward recovery of mental competence. Where the defendant is on outpatient status, the outpatient treatment staff shall make a written report to the county mental health director concerning the defendant's progress toward recovery of mental competence. Within 90 days of placement on outpatient status, the county mental health director shall report to the court on this matter. If the defendant has not recovered

mental competence, but the report discloses a substantial likelihood that the defendant will regain mental competence in the foreseeable future, the defendant shall remain in the treatment facility or on outpatient status. Thereafter, at six-month intervals or until the defendant becomes mentally competent, where the defendant is confined in a treatment facility, the medical director of the hospital or person in charge of the facility shall report in writing to the court and the county mental health director or a designee regarding the defendant's progress toward recovery of mental competence. Where the defendant is on outpatient status, after the initial 90-day report, the outpatient treatment staff shall report to the county mental health director on the defendant's progress toward recovery, and the county mental health director shall report to the court on this matter at six-month intervals. A copy of these reports shall be provided to the prosecutor and defense counsel by the court. If the report indicates that there is no substantial likelihood that the defendant will regain mental competence in the foreseeable future, the committing court shall order the defendant to be returned to the court for proceedings pursuant to paragraph (2) of subdivision (c). The court shall transmit a copy of its order to the county mental health director or his or her designee.

(c) (1) If, at the end of one year from the date of commitment or a period of commitment equal to the maximum term of imprisonment provided by law for the most serious offense charged in the misdemeanor complaint, whichever is shorter, the defendant has not recovered mental competence, the defendant shall be returned to the committing court. The court shall notify the county mental health director or his or her designee of the return and of any resulting court orders.

(2) Whenever any defendant is returned to the court pursuant to subdivision (b) or paragraph (1) of this subdivision and it appears to the court that the defendant is gravely disabled, as defined in subparagraph (A) of paragraph (1) of subdivision (h) of Section 5008 of the Welfare and Institutions Code, the court shall order the conservatorship investigator of the county of commitment of the defendant to initiate conservatorship proceedings for the defendant pursuant to Chapter 3 (commencing with Section 5350) of Part 1 of Division 5 of the Welfare and Institutions Code. Any hearings required in the conservatorship proceedings shall be held in the superior court in the county that ordered the commitment. The court shall transmit a copy of the order directing initiation of conservatorship proceedings to the county mental health director or his or her designee and shall notify the county mental health director or his or her designee of the outcome of the proceedings.

(d) The criminal action remains subject to dismissal pursuant to Section 1385. If the criminal action is dismissed, the court shall transmit

a copy of the order of dismissal to the county mental health director or his or her designee.

(e) If the criminal charge against the defendant is dismissed, the defendant shall be released from any commitment ordered under this section, but without prejudice to the initiation of any proceedings which may be appropriate under Part 1 (commencing with Section 5000) of Division 5 of the Welfare and Institutions Code.

SEC. 4. Notwithstanding Section 17610 of the Government Code, if the Commission on State Mandates determines that this act contains costs mandated by the state, reimbursement to local agencies and school districts for those costs shall be made pursuant to Part 7 (commencing with Section 17500) of Division 4 of Title 2 of the Government Code. If the statewide cost of the claim for reimbursement does not exceed one million dollars ($1,000,000), reimbursement shall be made from the State Mandates Claims Fund.

CHAPTER 487

An act to amend Section 19930 of the Business and Professions Code, relating to gambling.

[Approved by Governor September 10, 2004. Filed with Secretary of State September 10, 2004.]

The people of the State of California do enact as follows:

SECTION 1. Section 19930 of the Business and Professions Code is amended to read:

19930. (a) The division shall make appropriate investigations as follows:

(1) Determine whether there has been any violation of this chapter or any regulations adopted thereunder.

(2) Determine any facts, conditions, practices, or matters that it may deem necessary or proper to aid in the enforcement of this chapter or any regulation adopted thereunder.

(3) To aid in adopting regulations.

(4) To secure information as a basis for recommending legislation relating to this chapter.

(b) If, after any investigation, the division is satisfied that a license, permit, finding of suitability, or approval should be suspended or revoked, it shall file an accusation with the commission in accordance with Chapter 5 (commencing with Section 11500) of Part 1 of Division 3 of Title 2 of the Government Code.

(c) In addition to any action that the commission may take against a license, permit, finding of suitability, or approval, the commission may also require the payment of fines or penalties. However, no fine imposed shall exceed twenty thousand dollars ($20,000) for each separate violation of any provision of this chapter or any regulation adopted thereunder.

(d) In any case in which the administrative law judge recommends that the commission revoke, suspend, or deny a license, the administrative law judge may, upon presentation of suitable proof, order the licensee or applicant for a license to pay the division the reasonable costs of the investigation and prosecution of the case.

(1) The costs assessed pursuant to this subdivision shall be fixed by the administrative law judge and may not be increased by the commission. When the commission does not adopt a proposed decision and remands the case to the administrative law judge, the administrative law judge may not increase the amount of any costs assessed in the proposed decision.

(2) The division may enforce the order for payment in the superior court in the county in which the administrative hearing was held. The right of enforcement shall be in addition to any other rights that the division may have as to any licensee directed to pay costs.

(3) In any judicial action for the recovery of costs, proof of the commission's decision shall be conclusive proof of the validity of the order of payment and the terms for payment.

(e) Notwithstanding any other provision of law, all costs recovered under this section shall be deposited in the fines and penalties account, a special account described in subdivision (a) of Section 19950.

(f) For purposes of this section, ''costs'' include costs incurred for any of the following:

(1) The investigation of the case by the division.

(2) The preparation and prosecution of the case by the Office of the Attorney General.

CHAPTER 488

An act to amend Section 1374.58 of the Health and Safety Code, and to amend Section 10121.7 of, and to add Section 381.5 to, the Insurance Code, relating to domestic partners.

[Approved by Governor September 13, 2004. Filed with Secretary of State September 13, 2004.]

The people of the State of California do enact as follows:

SECTION 1. This act shall be known and may be cited as the California Insurance Equality Act.

SEC. 2. Section 1374.58 of the Health and Safety Code is amended to read:

1374.58. (a) A group health care service plan that provides hospital, medical, or surgical expense benefits shall provide equal coverage to employers or guaranteed associations, as defined in Section 1357, for the registered domestic partner of an employee or subscriber to the same extent, and subject to the same terms and conditions, as provided to a spouse of the employee or subscriber, and shall inform employers and guaranteed associations of this coverage. A plan may not offer or provide coverage for a registered domestic partner that is not equal to the coverage provided to the spouse of an employee or subscriber.

(b) If an employer or guaranteed association has purchased coverage for spouses and registered domestic partners pursuant to subdivision (a), a health care service plan that provides hospital, medical, or surgical expense benefits for employees or subscribers and their spouses shall enroll, upon application by the employer or group administrator, a registered domestic partner of an employee or subscriber in accordance with the terms and conditions of the group contract that apply generally to all spouses under the plan, including coordination of benefits.

(c) For purposes of this section, the term ''domestic partner'' shall have the same meaning as that term is used in Section 297 of the Family Code.

(d) (1) A health care service plan may require that the employee or subscriber verify the status of the domestic partnership by providing to the plan a copy of a valid Declaration of Domestic Partnership filed with the Secretary of State pursuant to Section 298 of the Family Code or an equivalent document issued by a local agency of this state, another state, or a local agency of another state under which the partnership was created. The plan may also require that the employee or subscriber notify the plan upon the termination of the domestic partnership.

(2) Notwithstanding paragraph (1), a health care service plan may require the information described in that paragraph only if it also requests from the employee or subscriber whose spouse is provided coverage, verification of marital status and notification of dissolution of the marriage.

(e) Nothing in this section shall be construed to expand the requirements of Section 4980B of Title 26 of the United States Code, Section 1161, and following, of Title 29 of the United States Code, or Section 300bb-1, and following, of Title 42 of the United States Code,

as added by the Consolidated Omnibus Budget Reconciliation Act of 1985 (Public Law 99-272), and as those provisions may be later amended.

(f) A plan subject to this section that is issued, amended, delivered, or renewed in this state on or after January 2, 2005, shall be deemed to provide coverage for registered domestic partners that is equal to the coverage provided to a spouse of an employee or subscriber.

SEC. 3. Section 381.5 is added to the Insurance Code, to read:

381.5. (a) Every policy issued, amended, delivered, or renewed in this state shall provide coverage for the registered domestic partner of an insured or policyholder that is equal to, and subject to the same terms and conditions as, the coverage provided to a spouse of an insured or policyholder. A policy may not offer or provide coverage for a registered domestic partner if it is not equal to the coverage provided for the spouse of an insured or policyholder. This subdivision applies to all forms of insurance regulated by this code.

(b) A policy subject to this section that is issued, amended, delivered, or renewed in this state on or after January 1, 2005, shall be deemed to provide coverage for registered domestic partners that is equal to the coverage provided to a spouse of an insured or policyholder.

(c) It is the intent of the Legislature that, for purposes of this section, ''terms,'' ''conditions,'' and ''coverage'' do not include instances of differential treatment of domestic partners and spouses under federal law.

SEC. 4. Section 10121.7 of the Insurance Code is amended to read:

10121.7. (a) A policy of group health insurance that provides hospital, medical, or surgical expense benefits shall provide equal coverage to employers or guaranteed associations, as defined in Section 10700, for the registered domestic partner of an employee, insured, or policyholder to the same extent, and subject to the same terms and conditions, as provided to a spouse of the employee, insured, or policyholder, and shall inform employers and guaranteed associations of this coverage. A policy may not offer or provide coverage for a registered domestic partner that is not equal to the coverage provided to the spouse of an employee, insured, or policyholder.

(b) If an employer or guaranteed association has purchased coverage for spouses and registered domestic partners pursuant to subdivision (a), a health insurer that provides hospital, medical, or surgical expense benefits for employees, insureds, or policyholders and their spouses shall enroll, upon application by the employer or group administrator, a registered domestic partner of the employee, insured, or policyholder in accordance with the terms and conditions of the group contract that apply generally to all spouses under the policy, including coordination of benefits.

(c) For purposes of this section, the term ''domestic partner'' shall have the same meaning as that term is used in Section 297 of the Family Code.

(d) (1) A policy of group health insurance may require that the employee, insured, or policyholder verify the status of the domestic partnership by providing to the insurer a copy of a valid Declaration of Domestic Partnership filed with the Secretary of State pursuant to Section 298 of the Family Code or an equivalent document issued by a local agency of this state, another state, or a local agency of another state under which the partnership was created. The policy may also require that the employee, insured, or policyholder notify the insurer upon the termination of the domestic partnership.

(2) Notwithstanding paragraph (1), a policy may require the information described in that paragraph only if it also requests from the employee, insured, or policyholder whose spouse is provided coverage, verification of marital status and notification of dissolution of the marriage.

(e) Nothing in this section shall be construed to expand the requirements of Section 4980B of Title 26 of the United States Code, Section 1161, and following, of Title 29 of the United States Code, or Section 300bb-1, and following, of Title 42 of the United States Code, as added by the Consolidated Omnibus Budget Reconciliation Act of 1985 (Public Law 99-272), and as those provisions may be later amended.

(f) A group health insurance policy subject to this section that is issued, amended, delivered, or renewed in this state on or after January 2, 2005, shall be deemed to provide coverage for registered domestic partners that is equal to the coverage provided to a spouse of an employee, insured, or policyholder.

SEC. 5. No reimbursement is required by this act pursuant to Section 6 of Article XIII B of the California Constitution because the only costs that may be incurred by a local agency or school district will be incurred because this act creates a new crime or infraction, eliminates a crime or infraction, or changes the penalty for a crime or infraction, within the meaning of Section 17556 of the Government Code, or changes the definition of a crime within the meaning of Section 6 of Article XIII B of the California Constitution.

CHAPTER 489

An act to add Section 1366.3 to the Health and Safety Code, and to add Section 10127.18 to the Insurance Code, relating to health care.

[Approved by Governor September 13, 2004. Filed with
Secretary of State September 13, 2004.]

The people of the State of California do enact as follows:

SECTION 1. Section 1366.3 is added to the Health and Safety Code, to read:

1366.3. (a) On and after January 1, 2005, a health care service plan issuing individual plan contracts that ceases to offer individual coverage in this state shall offer coverage to the subscribers who had been covered by those contracts at the time of withdrawal under the same terms and conditions as provided in paragraph (3) of subdivision (a), paragraphs (2) to (4), inclusive, of subdivision (b), subdivisions (c) to (e), inclusive, and subdivision (h) of Section 1373.6.

(b) A health care service plan that ceases to offer individual coverage in a service area shall offer the coverage required by subdivision (a) to subscribers who had been covered by those contracts at the time of withdrawal, if the plan continues to offer group coverage in that service area. This subdivision shall not apply to coverage provided pursuant to a preferred provider organization.

(c) The department may adopt regulations to implement this section.

(d) This section shall not apply when a plan participating in Medi-Cal, Healthy Families, Access for Infants and Mothers, or any other contract between the plan and a government entity no longer contracts with the government entity to provide health coverage in the state, or a specified area of the state, nor shall this section apply when a plan ceases entirely to market, offer, and issue any and all forms of coverage in any part of this state after the effective date of this section.

SEC. 2. Section 10127.18 is added to the Insurance Code, to read:

10127.18. (a) On and after January 1, 2005, a health insurer issuing individual policies of health insurance that ceases to offer individual coverage in this state shall offer coverage to the policyholders who had been covered by those policies at the time of withdrawal under the same terms and conditions as provided in paragraph (3) of subdivision (a), paragraphs (2) to (4), inclusive, of subdivision (b), subdivisions (c) to (e), inclusive, and subdivision (h) of Section 12682.1.

(b) The department may adopt regulations to implement this section.

(c) This section shall not apply when a plan participating in Medi-Cal, Healthy Families, Access for Infants and Mothers, or any other contract between the plan and a government entity no longer contracts with the government entity to provide health coverage in the state, or a specified area of the state, nor shall this section apply when a plan ceases entirely to market, offer, and issue any and all forms of coverage in any part of this state after the effective date of this section.

SEC. 3. No reimbursement is required by this act pursuant to Section 6 of Article XIII B of the California Constitution because the only costs that may be incurred by a local agency or school district will be incurred because this act creates a new crime or infraction, eliminates a crime or infraction, or changes the penalty for a crime or infraction, within the meaning of Section 17556 of the Government Code, or changes the definition of a crime within the meaning of Section 6 of Article XIII B of the California Constitution.

CHAPTER 490

An act to amend Section 1877.1 of the Insurance Code, and to amend Section 1543 of the Penal Code, relating to insurance fraud.

[Approved by Governor September 13, 2004. Filed with Secretary of State September 13, 2004.]

The people of the State of California do enact as follows:

SECTION 1. Section 1877.1 of the Insurance Code is amended to read:

1877.1. The following definitions govern the construction of this article, unless the context requires otherwise:

(a) ''Authorized governmental agency'' means the district attorney of any county, any city attorney whose duties include criminal prosecutions, any law enforcement agency investigating workers' compensation fraud, the office of the Attorney General, the Department of Insurance, the Department of Industrial Relations, the Employment Development Department, the Department of Corrections, and any licensing agency governed by the Business and Professions Code.

(b) ''Relevant'' means having a tendency to make the existence of any fact that is of consequence to the investigation or determination of an issue more probable or less probable than it would be without the information.

(c) ''Insurer'' means an insurer admitted to transact workers' compensation insurance in this state, the State Compensation Insurance Fund, an employer that has secured a certificate of consent to self-insure pursuant to subdivision (b) or (c) of Section 3700 of the Labor Code, or a third-party administrator that has secured a certificate pursuant to Section 3702.1 of the Labor Code.

(d) ''Licensed rating organization'' means a rating organization licensed by the Insurance Commissioner pursuant to Section 11750.1.

(e) Information shall be deemed important if, within the sole discretion of the authorized governmental agency, that information is requested by that authorized governmental agency.

SEC. 2. Section 1543 of the Penal Code is amended to read:

1543. (a) Records of the identity, diagnosis, prognosis, or treatment of any patient maintained by a health care facility which are not privileged records required to be secured by the special master procedure in Section 1524, or records required by law to be confidential, shall only be disclosed to law enforcement agencies pursuant to this section:

(1) In accordance with the prior written consent of the patient; or

(2) If authorized by an appropriate order of a court of competent jurisdiction in the county where the records are located, granted after application showing good cause therefor. In assessing good cause, the court:

(A) Shall weigh the public interest and the need for disclosure against the injury to the patient, to the physician-patient relationship, and to the treatment services;

(B) Shall determine that there is a reasonable likelihood that the records in question will disclose material information or evidence of substantial value in connection with the investigation or prosecution; or

(3) By a search warrant obtained pursuant to Section 1524.

(b) The prohibitions of this section continue to apply to records concerning any individual who has been a patient, irrespective of whether or when he or she ceases to be a patient.

(c) Except where an extraordinary order under Section 1544 is granted or a search warrant is obtained pursuant to Section 1524, any health care facility whose records are sought under this chapter shall be notified of the application and afforded an opportunity to appear and be heard thereon.

(d) Both disclosure and dissemination of any information from the records shall be limited under the terms of the order to assure that no information will be unnecessarily disclosed and that dissemination will be no wider than necessary.

This chapter shall not apply to investigations of fraud in the provision or receipt of Medi-Cal benefits, investigations of insurance fraud performed by the Department of Insurance or the California Highway Patrol, investigations of workers' compensation insurance fraud performed by the Department of Corrections and conducted by peace officers specified in paragraph (2) of subdivision (d) of Section 830.2, and investigations and research regarding occupational health and safety performed by or under agreement with the Department of Industrial Relations. Access to medical records in these investigations shall be governed by all laws in effect at the time access is sought.

(e) Nothing in this chapter shall prohibit disclosure by a medical facility or medical provider of information contained in medical records where disclosure to specific agencies is mandated by statutes or regulations.

(f) This chapter shall not be construed to authorize disclosure of privileged records to law enforcement agencies by the procedure set forth in this chapter, where the privileged records are required to be secured by the special master procedure set forth in subdivision (c) of Section 1524 or required by law to be confidential.

CHAPTER 491

An act to amend, repeal, and add Sections 1351.2 and 1367.01 of the Health and Safety Code, relating to health care.

[Approved by Governor September 13, 2004. Filed with Secretary of State September 13, 2004.]

The people of the State of California do enact as follows:

SECTION 1. Section 1351.2 of the Health and Safety Code is amended to read:

1351.2. (a) If a prepaid health plan operating lawfully under the laws of Mexico elects to operate a health care service plan in this state, the prepaid health plan shall apply for licensure as a health care service plan under this chapter by filing an application for licensure in the form prescribed by the department and verified by an authorized representative of the applicant. The prepaid health plan shall be subject to the provisions of this chapter, and the rules adopted by the director thereunder, as determined by the director to be applicable. The application shall be accompanied by the fee prescribed by subdivision (a) of Section 1356 and shall demonstrate compliance with the following requirements:

(1) The prepaid health plan is constituted and operating lawfully under the laws of Mexico and, if required by Mexican law, is authorized as an Insurance Institution Specializing in Health by the Mexican Insurance Commission. If the Mexican Insurance Commission determines that the prepaid health plan is not required to be authorized as an Insurance Institution Specializing in Health under the laws of Mexico, the applicant shall obtain written verification from the Mexican Insurance Commission stating that the applicant is not required to be authorized as an Insurance Institution Specializing in Health in Mexico. A Mexican prepaid health plan that is not required to be an Insurance

Institution Specializing in Health shall obtain written verification from the Mexican Ministry of Health that the prepaid health plan and its provider network are operating in full compliance of Mexican law.

(2) The prepaid health plan offers and sells in this state only employer-sponsored group plan contracts exclusively for the benefit of Mexican nationals legally employed in the County of San Diego or the County of Imperial, and for the benefit of their dependents regardless of nationality, that pay for, reimburse the cost of, or arrange for the provision or delivery of health care services that are to be provided or delivered wholly in Mexico, except for the provision or delivery of those health care services set forth in paragraph (4).

(3) Solicitation of plan contracts in this state is made only through insurance brokers and agents licensed in this state or a third-party administrator licensed in this state, each of which is authorized to offer and sell plan group contracts.

(4) Group contracts provide, through a contract of insurance between the prepaid health plan and an insurer admitted in this state, for the reimbursement of emergency and urgent care services provided out of area as required by subdivision (h) of Section 1345.

(5) All advertising, solicitation material, disclosure statements, evidences of coverage, and contracts are in compliance with the appropriate provisions of this chapter and the rules or orders of the director. The director shall require that each of these documents contain a legend in 10-point type, in both English and Spanish, declaring that the health care service plan contract provided by the prepaid health plan may be limited as to benefits, rights, and remedies under state and federal law.

(6) All funds received by the prepaid health plan from a subscriber are deposited in an account of a bank organized under the laws of this state or in an account of a national bank located in this state.

(7) The prepaid health plan maintains a tangible net equity as required by this chapter and the rules of the director, as calculated under United States generally accepted accounting principles, in the amount of a least one million dollars ($1,000,000). In lieu of an amount in excess of the minimum tangible net equity of one million dollars ($1,000,000), the prepaid health plan may demonstrate a reasonable acceptable alternative reimbursement arrangement that the director may in his or her discretion accept. The prepaid health plan shall also maintain a fidelity bond and a surety bond as required by Section 1376 and the rules of the director.

(8) The prepaid health plan agrees to make all of its books and records, including the books and records of health care providers in Mexico, available to the director in the form and at the time and place requested by the director. Books and records shall be made available to the director no later than 24 hours from the date of the request.

(9) The prepaid health plan files a consent to service of process with the director and agrees to be subject to the laws of this state and the United States in any investigation, examination, dispute, or other matter arising from the advertising, solicitation, or offer and sale of a plan contract, or the management or provision of health care services in this state or throughout the United States. The prepaid health plan shall agree to notify the director, immediately and in no case later than one business day, if it is subject to any investigation, examination, or administrative or legal action relating to the prepaid health plan or the operations of the prepaid health plan initiated by the government of Mexico or the government of any state of Mexico against the prepaid health plan or any officer, director, security holder, or contractor owning 10 percent or more of the securities of the prepaid health plan. The prepaid health plan shall agree that in the event of conflict of laws in any action arising out of the license, the laws of California and the United States shall apply.

(10) The prepaid health plan agrees that disputes arising from the group contracts involving group contractholders and providers of health care services in the United States shall be subject to the jurisdiction of the courts of this state and the United States.

(11) The prepaid health plan shall employ or designate a medical director who holds an unrestricted license to practice medicine in this state issued pursuant to Section 2050 of the Business and Professions Code or pursuant to the Osteopathic Act for health care services set forth in paragraph (4). For health care services that are to be provided or delivered wholly in Mexico, the prepaid health plan may employ or designate a medical director operating under the laws of Mexico.

(b) The prepaid health plan shall pay the application processing fee and other fees and assessments set forth in Section 1356. The director, by order, may designate provisions of this chapter and rules adopted thereunder that need not be applied to a prepaid health plan licensed under the laws of Mexico when consistent with the intent and purpose of this chapter, and in the public interest.

(c) If the plan ceases to operate legally in Mexico, the director shall immediately deliver written notice to the health care service plan that it is not in compliance with the provisions of this section. If this occurs, a health care service plan shall do all of the following:

(1) Provide the director with written proof that the prepaid health plan has complied with the laws of Mexico not later than 45 days after the date the written notice is received by the health care service plan.

(2) If, by the 45th day, the health care service plan is unable to provide written confirmation that it is in full compliance with Mexican law, the director shall notify the health care service plan in writing that it is prohibited from accepting any new enrollees or subscribers. The health

care service plan shall be given an additional 180 days to comply with Mexican law or to become a licensed health care service plan.

(3) If, at the end of the 180-day notice period in paragraph (2), the health care service plan has not complied with the laws of Mexico or California, the director shall issue an order that the health care service plan cease and desist operations in California.

(d) This section shall be repealed on January 1, 2008, unless a later enacted statute, that becomes effective on or before January 1, 2008, deletes or extends the dates on which it becomes inoperative and is repealed.

SEC. 2. Section 1351.2 is added to the Health and Safety Code, to read:

1351.2. (a) If a prepaid health plan operating lawfully under the laws of Mexico elects to operate a health care service plan in this state, the prepaid health plan shall apply for licensure as a health care service plan under this chapter by filing an application for licensure in the form prescribed by the department and verified by an authorized representative of the applicant. The prepaid health plan shall be subject to the provisions of this chapter, and the rules adopted by the director thereunder, as determined by the director to be applicable. The application shall be accompanied by the fee prescribed by subdivision (a) of Section 1356 and shall demonstrate compliance with the following requirements:

(1) The prepaid health plan is constituted and operating lawfully under the laws of Mexico and, if required by Mexican law, is authorized as an Insurance Institution Specializing in Health by the Mexican Insurance Commission. If the Mexican Insurance Commission determines that the prepaid health plan is not required to be authorized as an Insurance Institution Specializing in Health under the laws of Mexico, the applicant shall obtain written verification from the Mexican Insurance Commission stating that the applicant is not required to be authorized as an Insurance Institution Specializing in Health in Mexico. A Mexican prepaid health plan not required to be an Insurance Institution Specializing in Health shall obtain written verification from the Mexican Ministry of Health that the prepaid health plan and its provider network are operating in full compliance of Mexican law.

(2) The prepaid health plan offers and sells in this state only employer-sponsored group plan contracts exclusively for the benefit of citizens of Mexico legally employed in this state, and for the benefit of their dependents regardless of nationality, that pay for, reimburse the cost of, or arrange for the provision or delivery of health care services that are to be provided or delivered wholly in Mexico, except for the provision or delivery of those health care services set forth in subparagraphs (A) and (B) of paragraph (4).

(3) Solicitation of plan contracts in this state is made only through insurance brokers and agents licensed in this state or a third-party administrator licensed in this state, each of which is authorized to offer and sell plan group contracts.

(4) Group contracts provide, through a contract of insurance between the prepaid health plan and an insurer admitted in this state, for the reimbursement of emergency and urgent care services provided out of area as required by subdivision (h) of Section 1345.

(5) All advertising, solicitation material, disclosure statements, evidences of coverage, and contracts are in compliance with the appropriate provisions of this chapter and the rules or orders of the director. The director shall require that each of these documents contain a legend in 10-point type, in both English and Spanish, declaring that the health care service plan contract provided by the prepaid health plan may be limited as to benefits, rights, and remedies under state and federal law.

(6) All funds received by the prepaid health plan from a subscriber are deposited in an account of a bank organized under the laws of this state or in an account of a national bank located in this state.

(7) The prepaid health plan maintains a tangible net equity as required by this chapter and the rules of the director, as calculated under United States generally accepted accounting principles, in the amount of a least one million dollars ($1,000,000). In lieu of an amount in excess of the minimum tangible net equity of one million dollars ($1,000,000), the prepaid health plan may demonstrate a reasonable acceptable alternative reimbursement arrangement that the director may in his or her discretion accept. The prepaid health plan shall also maintain a fidelity bond and a surety bond as required by Section 1376 and the rules of the director.

(8) The prepaid health plan agrees to make all of its books and records, including the books and records of health care providers in Mexico, available to the director in the form and at the time and place requested by the director. Books and records shall be made available to the director no later than 24 hours from the date of the request.

(9) The prepaid health plan files a consent to service of process with the director and agrees to be subject to the laws of this state and the United States in any investigation, examination, dispute, or other matter arising from the advertising, solicitation, or offer and sale of a plan contract, or the management or provision of health care services in this state or throughout the United States. The prepaid health plan shall agree to notify the director, immediately and in no case later than one business day, if it is subject to any investigation, examination, or administrative or legal action relating to the prepaid health plan or the operations of the prepaid health plan initiated by the government of Mexico or the government of any state of Mexico against the prepaid health plan or any officer, director, security holder, or contractor owning 10 percent or more

of the securities of the prepaid health plan. The prepaid health plan shall agree that in the event of conflict of laws in any action arising out of the license, the laws of California and the United States shall apply.

(10) The prepaid health plan agrees that disputes arising from the group contracts involving group contractholders and providers of health care services in the United States shall be subject to the jurisdiction of the courts of this state and the United States.

(b) The prepaid health plan shall pay the application processing fee and other fees and assessments set forth in Section 1356. The director, by order, may designate provisions of this chapter and rules adopted thereunder that need not be applied to a prepaid health plan licensed under the laws of Mexico when consistent with the intent and purpose of this chapter, and in the public interest.

(c) If the plan ceases to operate legally in Mexico, the director shall immediately deliver written notice to the health care service plan that it is not in compliance with the provisions of this section. If this occurs, a health care service plan shall do all of the following:

(1) Provide the director with written proof that the prepaid health plan has complied with the laws of Mexico not later than 45 days after the date the written notice is received by the health care service plan.

(2) If, by the 45th day, the health care service plan is unable to provide written confirmation it is in full compliance with Mexican law, the director shall notify the health care service plan in writing that it is prohibited from accepting any new enrollees or subscribers. The health care service plan shall be given an additional 180 days to comply with Mexican law or to become a licensed health care service plan.

(3) If, at the end of the 180-day notice period in paragraph (2), the health care service plan has not complied with the laws of Mexico or California, the director shall issue an order that the health care service plan cease and desist operations in California.

(d) This section shall become operative on January 1, 2008.

SEC. 3. Section 1367.01 of the Health and Safety Code is amended to read:

1367.01. (a) A health care service plan and any entity with which it contracts for services that include utilization review or utilization management functions, that prospectively, retrospectively, or concurrently reviews and approves, modifies, delays, or denies, based in whole or in part on medical necessity, requests by providers prior to, retrospectively, or concurrent with the provision of health care services to enrollees, or that delegates these functions to medical groups or independent practice associations or to other contracting providers, shall comply with this section.

(b) A health care service plan that is subject to this section shall have written policies and procedures establishing the process by which the

plan prospectively, retrospectively, or concurrently reviews and approves, modifies, delays, or denies, based in whole or in part on medical necessity, requests by providers of health care services for plan enrollees. These policies and procedures shall ensure that decisions based on the medical necessity of proposed health care services are consistent with criteria or guidelines that are supported by clinical principles and processes. These criteria and guidelines shall be developed pursuant to Section 1363.5. These policies and procedures, and a description of the process by which the plan reviews and approves, modifies, delays, or denies requests by providers prior to, retrospectively, or concurrent with the provision of health care services to enrollees, shall be filed with the director for review and approval, and shall be disclosed by the plan to providers and enrollees upon request, and by the plan to the public upon request.

(c) A health care service plan subject to this section, except a plan that meets the requirements of Section 1351.2, shall employ or designate a medical director who holds an unrestricted license to practice medicine in this state issued pursuant to Section 2050 of the Business and Professions Code or pursuant to the Osteopathic Act, or, if the plan is a specialized health care service plan, a clinical director with California licensure in a clinical area appropriate to the type of care provided by the specialized health care service plan. The medical director or clinical director shall ensure that the process by which the plan reviews and approves, modifies, or denies, based in whole or in part on medical necessity, requests by providers prior to, retrospectively, or concurrent with the provision of health care services to enrollees, complies with the requirements of this section.

(d) If health plan personnel, or individuals under contract to the plan to review requests by providers, approve the provider's request, pursuant to subdivision (b), the decision shall be communicated to the provider pursuant to subdivision (h).

(e) No individual, other than a licensed physician or a licensed health care professional who is competent to evaluate the specific clinical issues involved in the health care services requested by the provider, may deny or modify requests for authorization of health care services for an enrollee for reasons of medical necessity. The decision of the physician or other health care professional shall be communicated to the provider and the enrollee pursuant to subdivision (h).

(f) The criteria or guidelines used by the health care service plan to determine whether to approve, modify, or deny requests by providers prior to, retrospectively, or concurrent with, the provision of health care services to enrollees shall be consistent with clinical principles and processes. These criteria and guidelines shall be developed pursuant to the requirements of Section 1363.5.

(g) If the health care service plan requests medical information from providers in order to determine whether to approve, modify, or deny requests for authorization, the plan shall request only the information reasonably necessary to make the determination.

(h) In determining whether to approve, modify, or deny requests by providers prior to, retrospectively, or concurrent with the provision of health care services to enrollees, based in whole or in part on medical necessity, a health care service plan subject to this section shall meet the following requirements:

(1) Decisions to approve, modify, or deny, based on medical necessity, requests by providers prior to, or concurrent with the provision of health care services to enrollees that do not meet the requirements for the 72-hour review required by paragraph (2), shall be made in a timely fashion appropriate for the nature of the enrollee's condition, not to exceed five business days from the plan's receipt of the information reasonably necessary and requested by the plan to make the determination. In cases where the review is retrospective, the decision shall be communicated to the individual who received services, or to the individual's designee, within 30 days of the receipt of information that is reasonably necessary to make this determination, and shall be communicated to the provider in a manner that is consistent with current law. For purposes of this section, retrospective reviews shall be for care rendered on or after January 1, 2000.

(2) When the enrollee's condition is such that the enrollee faces an imminent and serious threat to his or her health including, but not limited to, the potential loss of life, limb, or other major bodily function, or the normal timeframe for the decisionmaking process, as described in paragraph (1), would be detrimental to the enrollee's life or health or could jeopardize the enrollee's ability to regain maximum function, decisions to approve, modify, or deny requests by providers prior to, or concurrent with, the provision of health care services to enrollees, shall be made in a timely fashion appropriate for the nature of the enrollee's condition, not to exceed 72 hours after the plan's receipt of the information reasonably necessary and requested by the plan to make the determination. Nothing in this section shall be construed to alter the requirements of subdivision (b) of Section 1371.4. Notwithstanding Section 1371.4, the requirements of this division shall be applicable to all health plans and other entities conducting utilization review or utilization management.

(3) Decisions to approve, modify, or deny requests by providers for authorization prior to, or concurrent with, the provision of health care services to enrollees shall be communicated to the requesting provider within 24 hours of the decision. Except for concurrent review decisions pertaining to care that is underway, which shall be communicated to the

enrollee's treating provider within 24 hours, decisions resulting in denial, delay, or modification of all or part of the requested health care service shall be communicated to the enrollee in writing within two business days of the decision. In the case of concurrent review, care shall not be discontinued until the enrollee's treating provider has been notified of the plan's decision and a care plan has been agreed upon by the treating provider that is appropriate for the medical needs of that patient.

(4) Communications regarding decisions to approve requests by providers prior to, retrospectively, or concurrent with the provision of health care services to enrollees shall specify the specific health care service approved. Responses regarding decisions to deny, delay, or modify health care services requested by providers prior to, retrospectively, or concurrent with the provision of health care services to enrollees shall be communicated to the enrollee in writing, and to providers initially by telephone or facsimile, except with regard to decisions rendered retrospectively, and then in writing, and shall include a clear and concise explanation of the reasons for the plan's decision, a description of the criteria or guidelines used, and the clinical reasons for the decisions regarding medical necessity. Any written communication to a physician or other health care provider of a denial, delay, or modification of a request shall include the name and telephone number of the health care professional responsible for the denial, delay, or modification. The telephone number provided shall be a direct number or an extension, to allow the physician or health care provider easily to contact the professional responsible for the denial, delay, or modification. Responses shall also include information as to how the enrollee may file a grievance with the plan pursuant to Section 1368, and in the case of Medi-Cal enrollees, shall explain how to request an administrative hearing and aid paid pending under Sections 51014.1 and 51014.2 of Title 22 of the California Code of Regulations.

(5) If the health care service plan cannot make a decision to approve, modify, or deny the request for authorization within the timeframes specified in paragraph (1) or (2) because the plan is not in receipt of all of the information reasonably necessary and requested, or because the plan requires consultation by an expert reviewer, or because the plan has asked that an additional examination or test be performed upon the enrollee, provided the examination or test is reasonable and consistent with good medical practice, the plan shall, immediately upon the expiration of the timeframe specified in paragraph (1) or (2) or as soon as the plan becomes aware that it will not meet the timeframe, whichever occurs first, notify the provider and the enrollee, in writing, that the plan cannot make a decision to approve, modify, or deny the request for authorization within the required timeframe, and specify the information

requested but not received, or the expert reviewer to be consulted, or the additional examinations or tests required. The plan shall also notify the provider and enrollee of the anticipated date on which a decision may be rendered. Upon receipt of all information reasonably necessary and requested by the plan, the plan shall approve, modify, or deny the request for authorization within the timeframes specified in paragraph (1) or (2), whichever applies.

(6) If the director determines that a health care service plan has failed to meet any of the timeframes in this section, or has failed to meet any other requirement of this section, the director may assess, by order, administrative penalties for each failure. A proceeding for the issuance of an order assessing administrative penalties shall be subject to appropriate notice to, and an opportunity for a hearing with regard to, the person affected, in accordance with subdivision (a) of Section 1397. The administrative penalties shall not be deemed an exclusive remedy for the director. These penalties shall be paid to the State Managed Care Fund.

(i) A health care service plan subject to this section shall maintain telephone access for providers to request authorization for health care services.

(j) A health care service plan subject to this section that reviews requests by providers prior to, retrospectively, or concurrent with, the provision of health care services to enrollees shall establish, as part of the quality assurance program required by Section 1370, a process by which the plan's compliance with this section is assessed and evaluated. The process shall include provisions for evaluation of complaints, assessment of trends, implementation of actions to correct identified problems, mechanisms to communicate actions and results to the appropriate health plan employees and contracting providers, and provisions for evaluation of any corrective action plan and measurements of performance.

(k) The director shall review a health care service plan's compliance with this section as part of its periodic onsite medical survey of each plan undertaken pursuant to Section 1380, and shall include a discussion of compliance with this section as part of its report issued pursuant to that section.

(*l*) This section shall not apply to decisions made for the care or treatment of the sick who depend upon prayer or spiritual means for healing in the practice of religion as set forth in subdivision (a) of Section 1270.

(m) Nothing in this section shall cause a health care service plan to be defined as a health care provider for purposes of any provision of law, including, but not limited to, Section 6146 of the Business and Professions Code, Sections 3333.1 and 3333.2 of the Civil Code, and

Sections 340.5, 364, 425.13, 667.7, and 1295 of the Code of Civil Procedure.

(n) This section shall be repealed on January 1, 2008, unless a later enacted statute, that becomes effective on or before January 1, 2008, deletes or extends the dates on which it becomes inoperative and is repealed.

SEC. 4. Section 1367.01 is added to the Health and Safety Code, to read:

1367.01. (a) A health care service plan and any entity with which it contracts for services that include utilization review or utilization management functions, that prospectively, retrospectively, or concurrently reviews and approves, modifies, delays, or denies, based in whole or in part on medical necessity, requests by providers prior to, retrospectively, or concurrent with the provision of health care services to enrollees, or that delegates these functions to medical groups or independent practice associations or to other contracting providers, shall comply with this section.

(b) A health care service plan that is subject to this section shall have written policies and procedures establishing the process by which the plan prospectively, retrospectively, or concurrently reviews and approves, modifies, delays, or denies, based in whole or in part on medical necessity, requests by providers of health care services for plan enrollees. These policies and procedures shall ensure that decisions based on the medical necessity of proposed health care services are consistent with criteria or guidelines that are supported by clinical principles and processes. These criteria and guidelines shall be developed pursuant to Section 1363.5. These policies and procedures, and a description of the process by which the plan reviews and approves, modifies, delays, or denies requests by providers prior to, retrospectively, or concurrent with the provision of health care services to enrollees, shall be filed with the director for review and approval, and shall be disclosed by the plan to providers and enrollees upon request, and by the plan to the public upon request.

(c) A health care service plan subject to this section shall employ or designate a medical director who holds an unrestricted license to practice medicine in this state issued pursuant to Section 2050 of the Business and Professions Code or pursuant to the Osteopathic Act, or, if the plan is a specialized health care service plan, a clinical director with California licensure in a clinical area appropriate to the type of care provided by the specialized health care service plan. The medical director or clinical director shall ensure that the process by which the plan reviews and approves, modifies, or denies, based in whole or in part on medical necessity, requests by providers prior to, retrospectively, or

concurrent with the provision of health care services to enrollees, complies with the requirements of this section.

(d) If health plan personnel, or individuals under contract to the plan to review requests by providers, approve the provider's request, pursuant to subdivision (b), the decision shall be communicated to the provider pursuant to subdivision (h).

(e) An individual, other than a licensed physician or a licensed health care professional who is competent to evaluate the specific clinical issues involved in the health care services requested by the provider, may not deny or modify requests for authorization of health care services for an enrollee for reasons of medical necessity. The decision of the physician or other health care professional shall be communicated to the provider and the enrollee pursuant to subdivision (h).

(f) The criteria or guidelines used by the health care service plan to determine whether to approve, modify, or deny requests by providers prior to, retrospectively, or concurrent with, the provision of health care services to enrollees shall be consistent with clinical principles and processes. These criteria and guidelines shall be developed pursuant to the requirements of Section 1363.5.

(g) If the health care service plan requests medical information from providers in order to determine whether to approve, modify, or deny requests for authorization, the plan shall request only the information reasonably necessary to make the determination.

(h) In determining whether to approve, modify, or deny requests by providers prior to, retrospectively, or concurrent with the provision of health care services to enrollees, based in whole or in part on medical necessity, every health care service plan subject to this section shall meet the following requirements:

(1) Decisions to approve, modify, or deny, based on medical necessity, requests by providers prior to, or concurrent with the provision of health care services to enrollees that do not meet the requirements for the 72-hour review required by paragraph (2), shall be made in a timely fashion appropriate for the nature of the enrollee's condition, not to exceed five business days from the plan's receipt of the information reasonably necessary and requested by the plan to make the determination. In cases where the review is retrospective, the decision shall be communicated to the individual who received services, or to the individual's designee, within 30 days of the receipt of information that is reasonably necessary to make this determination, and shall be communicated to the provider in a manner that is consistent with current law. For purposes of this section, retrospective reviews shall be for care rendered on or after January 1, 2000.

(2) When the enrollee's condition is such that the enrollee faces an imminent and serious threat to his or her health including, but not limited

to, the potential loss of life, limb, or other major bodily function, or the normal timeframe for the decisionmaking process, as described in paragraph (1), would be detrimental to the enrollee's life or health or could jeopardize the enrollee's ability to regain maximum function, decisions to approve, modify, or deny requests by providers prior to, or concurrent with, the provision of health care services to enrollees, shall be made in a timely fashion appropriate for the nature of the enrollee's condition, not to exceed 72 hours after the plan's receipt of the information reasonably necessary and requested by the plan to make the determination. Nothing in this section shall be construed to alter the requirements of subdivision (b) of Section 1371.4. Notwithstanding Section 1371.4, the requirements of this division shall be applicable to all health plans and other entities conducting utilization review or utilization management.

(3) Decisions to approve, modify, or deny requests by providers for authorization prior to, or concurrent with, the provision of health care services to enrollees shall be communicated to the requesting provider within 24 hours of the decision. Except for concurrent review decisions pertaining to care that is underway, which shall be communicated to the enrollee's treating provider within 24 hours, decisions resulting in denial, delay, or modification of all or part of the requested health care service shall be communicated to the enrollee in writing within two business days of the decision. In the case of concurrent review, care shall not be discontinued until the enrollee's treating provider has been notified of the plan's decision, and a care plan has been agreed upon by the treating provider that is appropriate for the medical needs of that patient.

(4) Communications regarding decisions to approve requests by providers prior to, retrospectively, or concurrent with the provision of health care services to enrollees shall specify the specific health care service approved. Responses regarding decisions to deny, delay, or modify health care services requested by providers prior to, retrospectively, or concurrent with the provision of health care services to enrollees shall be communicated to the enrollee in writing, and to providers initially by telephone or facsimile, except with regard to decisions rendered retrospectively, and then in writing, and shall include a clear and concise explanation of the reasons for the plan's decision, a description of the criteria or guidelines used, and the clinical reasons for the decisions regarding medical necessity. Any written communication to a physician or other health care provider of a denial, delay, or modification of a request shall include the name and telephone number of the health care professional responsible for the denial, delay, or modification. The telephone number provided shall be a direct number or an extension, to allow the physician or health care provider easily to

contact the professional responsible for the denial, delay, or modification. Responses shall also include information as to how the enrollee may file a grievance with the plan pursuant to Section 1368, and in the case of Medi-Cal enrollees, shall explain how to request an administrative hearing and aid paid pending under Sections 51014.1 and 51014.2 of Title 22 of the California Code of Regulations.

(5) If the health care service plan cannot make a decision to approve, modify, or deny the request for authorization within the timeframes specified in paragraph (1) or (2) because the plan is not in receipt of all of the information reasonably necessary and requested, or because the plan requires consultation by an expert reviewer, or because the plan has asked that an additional examination or test be performed upon the enrollee, provided the examination or test is reasonable and consistent with good medical practice, the plan shall, immediately upon the expiration of the timeframe specified in paragraph (1) or (2) or as soon as the plan becomes aware that it will not meet the timeframe, whichever occurs first, notify the provider and the enrollee, in writing, that the plan cannot make a decision to approve, modify, or deny the request for authorization within the required timeframe, and specify the information requested but not received, or the expert reviewer to be consulted, or the additional examinations or tests required. The plan shall also notify the provider and enrollee of the anticipated date on which a decision may be rendered. Upon receipt of all information reasonably necessary and requested by the plan, the plan shall approve, modify, or deny the request for authorization within the timeframes specified in paragraph (1) or (2), whichever applies.

(6) If the director determines that a health care service plan has failed to meet any of the timeframes in this section, or has failed to meet any other requirement of this section, the director may assess, by order, administrative penalties for each failure. A proceeding for the issuance of an order assessing administrative penalties shall be subject to appropriate notice to, and an opportunity for a hearing with regard to, the person affected, in accordance with subdivision (a) of Section 1397. The administrative penalties shall not be deemed an exclusive remedy for the director. These penalties shall be paid to the State Managed Care Fund.

(i) A health care service plan subject to this section shall maintain telephone access for providers to request authorization for health care services.

(j) A health care service plan subject to this section that reviews requests by providers prior to, retrospectively, or concurrent with, the provision of health care services to enrollees shall establish, as part of the quality assurance program required by Section 1370, a process by which the plan's compliance with this section is assessed and evaluated. The process shall include provisions for evaluation of complaints,

assessment of trends, implementation of actions to correct identified problems, mechanisms to communicate actions and results to the appropriate health plan employees and contracting providers, and provisions for evaluation of any corrective action plan and measurements of performance.

(k) The director shall review a health care service plan's compliance with this section as part of its periodic onsite medical survey of each plan undertaken pursuant to Section 1380, and shall include a discussion of compliance with this section as part of its report issued pursuant to that section.

(*l*) This section shall not apply to decisions made for the care or treatment of the sick who depend upon prayer or spiritual means for healing in the practice of religion as set forth in subdivision (a) of Section 1270.

(m) Nothing in this section shall cause a health care service plan to be defined as a health care provider for purposes of any provision of law, including, but not limited to, Section 6146 of the Business and Professions Code, Sections 3333.1 and 3333.2 of the Civil Code, and Sections 340.5, 364, 425.13, 667.7, and 1295 of the Code of Civil Procedure.

(n) This section shall become operative on January 1, 2008.

CHAPTER 492

An act to add Article 3.5 (commencing with Section 17568.5) to Chapter 1 of Part 3 of Division 7 of the Business and Professions Code, and to amend Section 396 of the Penal Code, relating to advertising.

[Approved by Governor September 13, 2004. Filed with Secretary of State September 13, 2004.]

The people of the State of California do enact as follows:

SECTION 1. Article 3.5 (commencing with Section 17568.5) is added to Chapter 1 of Part 3 of Division 7 of the Business and Professions Code, to read:

Article 3.5. Hotel And Motel Advertised Rates

17568.5. Upon the proclamation of a state of emergency resulting from an earthquake, flood, fire, riot, storm, or other natural disaster declared by the President of the United States or the Governor, or upon the declaration of a local emergency resulting from an earthquake, flood,

fire, riot, storm, or other natural disaster by the executive officer of any county, city, or city and county, and for a period of 30 days following that proclamation or declaration, an owner or operator of a hotel or motel may not increase the hotel or motel's regular rates, as advertised immediately prior to the proclamation or declaration of emergency, by more than 10 percent. This prohibition does not apply if the owner or operator can prove that the increase in price is directly attributable to additional costs imposed on it for goods or labor used in its business, to seasonal adjustments in rates that are regularly scheduled, or to previously contracted rates.

SEC. 2. Section 396 of the Penal Code is amended to read:

396. (a) The Legislature hereby finds that during emergencies and major disasters, including, but not limited to, earthquakes, fires, floods, or civil disturbances, some merchants have taken unfair advantage of consumers by greatly increasing prices for essential consumer goods and services. While the pricing of consumer goods and services is generally best left to the marketplace under ordinary conditions, when a declared state of emergency results in abnormal disruptions of the market, the public interest requires that excessive and unjustified increases in the prices of essential consumer goods and services be prohibited. It is the intent of the Legislature in enacting this act to protect citizens from excessive and unjustified increases in the prices charged during or shortly after a declared state of emergency for goods and services that are vital and necessary for the health, safety, and welfare of consumers. Further it is the intent of the Legislature that this section be liberally construed so that its beneficial purposes may be served.

(b) Upon the proclamation of a state of emergency resulting from an earthquake, flood, fire, riot, storm, or natural or manmade disaster declared by the President of the United States or the Governor, or upon the declaration of a local emergency resulting from an earthquake, flood, fire, riot, storm, or natural or manmade disaster by the executive officer of any county, city, or city and county, and for a period of 30 days following that declaration, it is unlawful for a person, contractor, business, or other entity to sell or offer to sell any consumer food items or goods, goods or services used for emergency cleanup, emergency supplies, medical supplies, home heating oil, building materials, housing, transportation, freight, and storage services, or gasoline or other motor fuels for a price of more than 10 percent above the price charged by that person for those goods or services immediately prior to the proclamation of emergency. However, a greater price increase is not unlawful if that person can prove that the increase in price was directly attributable to additional costs imposed on it by the supplier of the goods, or directly attributable to additional costs for labor or materials used to provide the services, provided that in those situations where the

increase in price is attributable to additional costs imposed by the seller's supplier or additional costs of providing the good or service during the state of emergency, the price represents no more than 10 percent above the total of the cost to the seller plus the markup customarily applied by the seller for that good or service in the usual course of business immediately prior to the onset of the state of emergency.

(c) Upon the proclamation of a state of emergency resulting from an earthquake, flood, fire, riot, or storm declared by the President of the United States or the Governor, or upon the declaration of a local emergency resulting from an earthquake, flood, fire, riot, or storm by the executive officer of any county, city, or city and county, and for a period of 180 days following that declaration, it is unlawful for a contractor to sell or offer to sell any repair or reconstruction services or any services used in emergency cleanup for a price of more than 10 percent above the price charged by that person for those services immediately prior to the proclamation of emergency. However, a greater price increase is not unlawful if that person can prove that the increase in price was directly attributable to additional costs imposed on it by the supplier of the goods, or directly attributable to additional costs for labor or materials used to provide the services, provided that in those situations where the increase in price is attributable to the additional costs imposed by the contractor's supplier or additional costs of providing the service during the state of emergency, the price represents no more than 10 percent above the total of the cost to the contractor plus the markup customarily applied by the contractor for that good or service in the usual course of business immediately prior to the onset of the state of emergency.

(d) Upon the proclamation of a state of emergency resulting from an earthquake, flood, fire, riot, storm, or other natural disaster declared by the President of the United States or the Governor, or upon the declaration of a local emergency resulting from an earthquake, flood, fire, riot, storm, or other natural disaster by the executive officer of any county, city, or city and county, and for a period of 30 days following that proclamation or declaration, it is unlawful for an owner or operator of a hotel or motel to increase the hotel or motel's regular rates, as advertised immediately prior to the proclamation or declaration of emergency, by more than 10 percent. However, a greater price increase is not unlawful if the owner or operator can prove that the increase in price is directly attributable to additional costs imposed on it for goods or labor used in its business, to seasonal adjustments in rates that are regularly scheduled, or to previously contracted rates.

(e) The provisions of this section may be extended for additional 30-day periods by a local legislative body or the California Legislature, if deemed necessary to protect the lives, property, or welfare of the citizens.

(f) A violation of this section is a misdemeanor punishable by imprisonment in a county jail for a period not exceeding one year, or by a fine of not more than ten thousand dollars ($10,000), or by both that fine and imprisonment.

(g) A violation of this section shall constitute an unlawful business practice and an act of unfair competition within the meaning of Section 17200 of the Business and Professions Code. The remedies and penalties provided by this section are cumulative to each other, the remedies under Section 17200 of the Business and Professions Code, and the remedies or penalties available under all other laws of this state.

(a) The superintendent is responsible for monitoring local educational agencies to ensure compliance with the requirement to provide mental health services to individuals with exceptional needs pursuant to Chapter 26.5 (commencing with Section 7570) of Division 7 of Title 1 of the Government Code and to ensure that funds provided for this purpose are appropriately utilized.

(b) The superintendent shall submit a report to the Legislature by April 1, 2005, that includes all of the following:

(1) A description of the data that is currently collected by the department related to pupils served and services provided pursuant to

Chapter 26.5 (commencing with Section 7570) of Division 7 of Title 1 of the Government Code.

(2) A description of the existing monitoring processes used by the department to ensure that local educational agencies are complying with Chapter 26.5 (commencing with Section 7570) of Division 7 of Title 1 of the Government Code, including the monitoring performed to ensure the appropriate use of funds for programs identified in Section 64000.

(c) The superintendent shall collaborate with the Director of the State Department of Mental Health in preparing the report required pursuant to subdivision (b) and shall convene at least one meeting of appropriate stakeholders and organizations, including a representative from the State Department of Mental Health and mental health directors, to obtain input on existing data collection and monitoring processes, and on ways to strengthen and improve the data collected and monitoring performed.

SEC. 2. Section 56331 is added to the Education Code, to read:

56331. (a) A pupil who is suspected of needing mental health services may be referred to a community mental health service in accordance with Section 7576 of the Government Code.

(b) Prior to referring a pupil to a county mental health agency for services, the local educational agency shall follow the procedures set forth in Section 56320 and conduct an assessment in accordance with Sections 300.530 to 300.536, inclusive, of Title 34 of the Code of Federal Regulations. If an individual with exceptional needs is identified as potentially requiring mental health services, the local educational agency shall request the participation of the county mental health agency in the individualized education program. A local educational agency shall provide any specially-designed instruction required by an individualized education program, including related services such as counseling services, parent counseling and training, psychological services, or social work services in schools as defined in Section 300.24 of Title 34 of the Code of Federal Regulations. If the individualized education program of an individual with exceptional needs includes a functional behavioral assessment and behavior intervention plan, in accordance with Section 300.520 of Title 34 of the Code of Federal Regulations, the local educational agency shall provide documentation

upon referral to a county mental health agency. Local educational agencies shall provide related services, by qualified personnel, as defined by Section 300.23 of Title 34 of the Code of Federal Regulations, unless the individualized education program team designates a more appropriate agency for the provision of services. Local educational agencies and community mental health services shall work collaboratively to ensure that assessments performed prior to referral are as useful as possible to the community mental health service in determining the need for mental health services and the level of services needed.

SEC. 3. Section 7576 of the Government Code is amended to read:

7576. (a) The State Department of Mental Health, or any community mental health service, as defined in Section 5602 of the Welfare and Institutions Code, designated by the State Department of Mental Health, are responsible for the provision of mental health services, as defined in regulations by the State Department of Mental Health, developed in consultation with the State Department of Education, if required in the individualized education program of a pupil. A local educational agency is not required to place a pupil in a more restrictive educational environment in order for the pupil to receive the mental health services specified in his or her individualized education program if the mental health services can be appropriately provided in a less restrictive setting. It is the intent of the Legislature that the local educational agency and the community mental health service vigorously attempt to develop a mutually satisfactory placement that is acceptable to the parent and addresses the educational and mental health treatment needs of the pupil in a manner that is cost-effective for both public agencies, subject to the requirements of state and federal special education law, including the requirement that the placement be appropriate and in the least restrictive environment. For purposes of this section, ''parent'' is as defined in Section 56028 of the Education Code.

(b) A local educational agency, individualized education program team, or parent may initiate a referral for assessment of the social and emotional status of a pupil, pursuant to Section 56320 of the Education Code. Based on the results of assessments completed pursuant to Section 56320 of the Education Code, an individualized education program team may refer a pupil who has been determined to be an individual with exceptional needs as defined in Section 56026 of the Education Code and who is suspected of needing mental health services to a community mental health service if the pupil meets all of the criteria in paragraphs (1) to (5), inclusive. Referral packages shall include all documentation required in subdivision (c), and shall be provided immediately to the community mental health service.

(1) The pupil has been assessed by school personnel in accordance with Article 2 (commencing with Section 56320) of Chapter 4 of Part 30 of the Education Code. Local educational agencies and community mental health services shall work collaboratively to ensure that assessments performed prior to referral are as useful as possible to the community mental health service in determining the need for mental health services and the level of services needed.

(2) The local educational agency has obtained written parental consent for the referral of the pupil to the community mental health service, for the release and exchange of all relevant information between the local educational agency and the community mental health service, and for the observation of the pupil by mental health professionals in an educational setting.

(3) The pupil has emotional or behavioral characteristics that are all of the following:

(A) Are observed by qualified educational staff in educational and other settings, as appropriate.

(B) Impede the pupil from benefiting from educational services.

(C) Are significant as indicated by their rate of occurrence and intensity.

(D) Are associated with a condition that cannot be described solely as a social maladjustment or a temporary adjustment problem, and cannot be resolved with short-term counseling.

(4) As determined using educational assessments, the pupil's functioning, including cognitive functioning, is at a level sufficient to enable the pupil to benefit from mental health services.

(5) The local educational agency, pursuant to Section 56331 of the Education Code, has provided appropriate counseling and guidance services, psychological services, parent counseling and training, or social work services to the pupil pursuant to Section 56363 of the Education Code, or behavioral intervention as specified in Section 56520 of the Education Code, as specified in the individualized education program and the individualized education program team has determined that the services do not meet the educational needs of the pupil, or, in cases where these services are clearly inadequate or inappropriate to meet the educational needs of the pupil, the individualized education program team has documented which of these services were considered and why they were determined to be inadequate or inappropriate.

(c) If referring a pupil to a community mental health service in accordance with subdivision (b), the local educational agency or the individualized education program team shall provide the following documentation:

(1) Copies of the current individualized education program, all current assessment reports completed by school personnel in all areas of suspected disabilities pursuant to Article 2 (commencing with Section 56320) of Chapter 4 of Part 30 of the Education Code, and other relevant information, including reports completed by other agencies.

(2) A copy of the parent's consent obtained as provided in paragraph (2) of subdivision (b).

(3) A summary of the emotional or behavioral characteristics of the pupil, including documentation that the pupil meets the criteria set forth in paragraphs (3) and (4) of subdivision (b).

(4) A description of the counseling, psychological, and guidance services, and other interventions that have been provided to the pupil, as provided in the individualized education program of the pupil, including the initiation, duration, and frequency of these services, or an explanation of the reasons a service was considered for the pupil and determined to be inadequate or inappropriate to meet his or her educational needs.

(d) Based on preliminary results of assessments performed pursuant to Section 56320 of the Education Code, a local educational agency may refer a pupil who has been determined to be, or is suspected of being, an individual with exceptional needs, and is suspected of needing mental health services, to a community mental health service if a pupil meets the criteria in paragraphs (1) and (2). Referral packages shall include all documentation required in subdivision (e) and shall be provided immediately to the community mental health service.

(1) The pupil meets the criteria in paragraphs (2) to (4), inclusive, of subdivision (b).

(2) Counseling and guidance services, psychological services, parent counseling and training, social work services, and behavioral or other interventions as provided in the individualized education program of the pupil are clearly inadequate or inappropriate in meeting his or her educational needs.

(1) Results of preliminary assessments to the extent they are available and other relevant information including reports completed by other agencies.

(2) A copy of the parent's consent obtained as provided in paragraph (2) of subdivision (b).

(3) A summary of the emotional or behavioral characteristics of the pupil, including documentation that the pupil meets the criteria in paragraphs (3) and (4) of subdivision (b).

(4) Documentation that appropriate related educational and designated instruction and services have been provided in accordance with Sections 300.24 and 300.26 of Title 34 of the Code of Federal Regulations.

(5) An explanation as to the reasons that counseling and guidance services, psychological services, parent counseling and training, social work services, and behavioral or other interventions as provided in the individualized education program of the pupil are clearly inadequate or inappropriate in meeting his or her educational needs.

(f) The procedures set forth in this chapter are not designed for use in responding to psychiatric emergencies or other situations requiring immediate response. In these situations, a parent may seek services from other public programs or private providers, as appropriate. This subdivision does not change the identification and referral responsibilities imposed on local educational agencies under Article 1 (commencing with Section 56300) of Chapter 4 of Part 30 of the Education Code.

(g) Referrals shall be made to the community mental health service in the county in which the pupil lives. If the pupil has been placed into residential care from another county, the community mental health service receiving the referral shall forward the referral immediately to the community mental health service of the county of origin, which shall have fiscal and programmatic responsibility for providing or arranging for provision of necessary services. In no event shall the procedures described in this subdivision delay or impede the referral and assessment process.

(h) A county mental health agency does not have fiscal or legal responsibility for any costs it incurs prior to the approval of an individualized education program, except for costs associated with conducting a mental health assessment.

SEC. 4. Section 7576.2 is added to the Government Code, to read:

7576.2. (a) The Director of the State Department of Mental Health is responsible for monitoring county mental health agencies to ensure compliance with the requirement to provide mental health services to disabled pupils pursuant to this chapter and to ensure that funds provided for this purpose are appropriately utilized.

(b) The Director of the State Department of Mental Health shall submit a report to the Legislature by April 1, 2005, that includes the following:

(1) A description of the data that is currently collected by the State Department of Mental Health related to pupils served and services provided pursuant to this chapter.

(2) A description of the existing monitoring process used by the State Department of Mental Health to ensure that county mental health agencies are complying with this chapter.

(c) The Director of the State Department of Mental Health shall collaborate with the Superintendent of Public Instruction in preparing the report required pursuant to subdivision (b) and shall convene at least one meeting of appropriate stakeholders and organizations, including a representative from the State Department of Education, to obtain input on existing data collection and monitoring processes, and on ways to strengthen and improve the data collected and monitoring performed.

SEC. 5. Section 7576.3 is added to the Government Code, to read:

7576.3. It is the intent of the Legislature that the Director of the State Department of Mental Health collaborate with an entity with expertise in children's mental health to collect, analyze, and disseminate best practices for delivering mental health services to disabled pupils. The best practices may include, but are not limited to:

(a) Interagency agreements in urban, suburban, and rural areas that result in clear identification of responsibilities between local educational agencies and county mental health agencies and result in efficient and effective delivery of services to pupils.

(b) Procedures for developing and amending individualized education programs that include mental health services that provide flexibility to educational and mental health agencies and protect the interests of children in obtaining needed mental health needs.

(c) Procedures for creating ongoing communication between the classroom teacher of the pupil and the mental health professional who is directing the mental health program for the pupil.

SEC. 6. Section 5701.6 is added to the Welfare and Institutions Code, to read:

5701.6. (a) Counties may utilize money received from the Local Revenue Fund established by Chapter 6 (commencing with Section 17600) of Part 5 of Division 9 to fund the costs of any part of those services provided pursuant to Chapter 26.5 (commencing with Section 7570) of Division 7 of Title 1 of the Government Code. If money from the Local Revenue Fund is used by counties for those services, counties are eligible for reimbursement from the state for all allowable costs to fund assessments, psychotherapy, and other mental health services

allowable pursuant to Section 300.24 of Title 34 of the Code of Federal Regulations and required by Chapter 26.5 (commencing with Section 7570) of Division 7 of Title 1 of the Government Code.

(b) This section is declaratory of existing law.

SEC. 7. Notwithstanding any other law, the Commission on State Mandates shall, on or before December 31, 2005, reconsider its decision relating to included services and administrative and travel costs associated with services provided pursuant to Chapter 26.5 (commencing with Section 7570) of Division 7 of Title 1 of the Government Code, and the parameters and guidelines for calculating the state reimbursements for these costs.

SEC. 8. The funds identified in Provision 20 of Item 6110-161-0001 of Section 2.00 of the Budget Act of 2004 (Chapter 208, Statutes of 2004) shall be allocated to special education local plan areas pursuant to Section 56836.02 of the Education Code on a per average daily attendance basis to implement Section 2 of this act.

SEC. 9. (a) The funds identified in Provision 10 of Item 6110-161-0890 of Section 2.00 of the Budget Act of 2004 (Chapter 208, Statutes of 2004) shall be used exclusively to support mental health services that were both included within an individualized education program pursuant to Section 300.24 of Title 34 of the Code of Federal Regulations and that were provided during the fiscal year by county mental health agencies pursuant to Chapter 26.5 (commencing with Section 7570) of Division 7 of Title 1 of the Government Code. Funding from this item shall not be provided for services that are not required pursuant to the federal Individuals with Disabilities Education Act. Funding provided from this item shall offset any mandate reimbursement claims for the fiscal year that may be filed by a county pursuant to Chapter 26.5 (commencing with Section 7570) of Division 7 of Title 1 of the Government Code. The sixty-nine million dollars ($69,000,000) identified in Provision 10 of that item shall be distributed consistent with an allocation plan formulated by the State Department of Mental Health, in consultation with representatives of county mental health agencies. The allocation plan shall be based on the most accurate available data, including, but not limited to, county cost reports for this program, and include a minimum-based methodology to address small county concerns.

(b) The State Department of Mental Health shall submit an allocation plan to the Department of Finance and the Joint Legislative Budget Committee. The Department of Finance shall review the plan and either approve or disapprove the plan within 21 days of submission. If the Department of Finance fails to approve or disapprove the plan within the 21 days, the plan shall be deemed to be approved. If the Department of Finance disapproves the plan it shall submit a letter to the Joint

Legislative Budget Committee that explains the rationale for disapproval and convene a working group consisting of representatives of the Department of Finance and the State Department of Mental Health and staff of the appropriate policy and fiscal committees of the Legislature. The working group shall jointly develop a revised expenditure plan and submit that plan to the Director of Finance for approval.

(c) Funding identified in Provision 10 of Item 6110-161-0890 of Section 2.00 of the Budget Act of 2004 (Chapter 208, Statutes of 2004) shall be allocated to county offices of education for allocation to county mental health agencies pursuant to subdivisions (a) and (b). County offices of education shall allocate funds to county offices of mental health no later than five business days after receipt from the State Department of Education. Following the end of the fiscal year, county mental health agencies shall provide documentation of actual services and costs to county offices of education in a form that permits the county offices of education to certify that all costs actually incurred are allowable under the federal Individuals with Disabilities Education Act and were provided during the fiscal year by county mental health agencies pursuant to Chapter 26.5 (commencing with Section 7570) of Division 7 of Title 1 of the Government Code. Based on this documentation, any county mental health agency allocation that exceeds actual documented costs for allowable services shall be reallocated on a pro rata basis to other counties where actual costs exceed the allocation provided in subdivisions (a) and (b). Not less than 25 percent of the allocation of each county shall be distributed to county offices of education no later than 30 days after approval of the allocation methodology by the Department of Finance. Of the remaining amount, 35 percent shall be distributed in January and 30 percent in March to county offices of education, with the final 10 percent, as adjusted for actual costs, distributed upon final cost settlement for 2004–05 fiscal year claims. Any amounts reallocated from counties not expending their allocations shall be provided to the other counties no later than January 2006. No county shall be entitled to receive, after claims are cost settled, more funding than was actually expended for this program.

12275.5. (a) The Legislature hereby finds and declares that the proliferation and use of assault weapons poses a threat to the health, safety, and security of all citizens of this state. The Legislature has restricted the assault weapons specified in Section 12276 based upon finding that each firearm has such a high rate of fire and capacity for firepower that its function as a legitimate sports or recreational firearm is substantially outweighed by the danger that it can be used to kill and injure human beings. It is the intent of the Legislature in enacting this chapter to place restrictions on the use of assault weapons and to establish a registration and permit procedure for their lawful sale and possession. It is not, however, the intent of the Legislature by this chapter to place restrictions on the use of those weapons which are primarily designed and intended for hunting, target practice, or other legitimate sports or recreational activities.

(b) The Legislature hereby finds and declares that the proliferation and use of .50 BMG rifles, as defined in Section 12278, poses a clear and present terrorist threat to the health, safety, and security of all residents of, and visitors to, this state, based upon findings that those firearms have such a high capacity for long distance and highly destructive firepower that they pose an unacceptable risk to the death and serious injury of human beings, destruction or serious damage of vital public and private buildings, civilian, police and military vehicles, power generation and transmission facilities, petrochemical production and storage facilities, and transportation infrastructure. It is the intent of the Legislature in

enacting this chapter to place restrictions on the use of these rifles and to establish a registration and permit procedure for their lawful sale and possession.

12278. (a) As used in this chapter, a ''.50 BMG rifle'' means a center fire rifle that can fire a .50 BMG cartridge and is not already an assault weapon pursuant to Section 12276, 12276.1, or 12276.5, or a machinegun, as defined in Section 12200.

Firearms seized from persons who do not meet the conditions set forth in paragraphs (1), (2), and (3) shall be destroyed pursuant to Section 12028.

(d) Notwithstanding Section 654 or any other provision of law, any person who commits another crime while violating this section may receive an additional, consecutive punishment of one year for violating this section in addition and consecutive to the punishment, including enhancements, which is prescribed for the other crime.

10753.7. (a) For the purposes of qualifying as a groundwater management plan under this section, a plan shall contain the components that are set forth in this section. In addition to the requirements of a specific funding program, any local agency seeking state funds administered by the department for the construction of groundwater projects or groundwater quality projects, excluding programs that are funded under Part 2.78 (commencing with Section 10795), shall do all of the following:

(1) Prepare and implement a groundwater management plan that includes basin management objectives for the groundwater basin that is

subject to the plan. The plan shall include components relating to the monitoring and management of groundwater levels within the groundwater basin, groundwater quality degradation, inelastic land surface subsidence, and changes in surface flow and surface water quality that directly affect groundwater levels or quality or are caused by groundwater pumping in the basin.

(2) For the purposes of carrying out paragraph (1), the local agency shall prepare a plan to involve other agencies that enables the local agency to work cooperatively with other public entities whose service area or boundary overlies the groundwater basin.

(3) For the purposes of carrying out paragraph (1), the local agency shall prepare a map that details the area of the groundwater basin, as defined in the department's Bulletin No. 118, and the area of the local agency, that will be subject to the plan, as well as the boundaries of other local agencies that overlie the basin in which the agency is developing a groundwater management plan.

(4) The local agency shall adopt monitoring protocols that are designed to detect changes in groundwater levels, groundwater quality, inelastic surface subsidence for basins for which subsidence has been identified as a potential problem, and flow and quality of surface water that directly affect groundwater levels or quality or are caused by groundwater pumping in the basin. The monitoring protocols shall be designed to generate information that promotes efficient and effective groundwater management.

(5) Local agencies that are located in areas outside the groundwater basins delineated on the latest edition of the department's groundwater basin and subbasin map shall prepare groundwater management plans incorporating the components in this subdivision, and shall use geologic and hydrologic principles appropriate to those areas.

(b) (1) (A) A local agency may receive state funds administered by the department for the construction of groundwater projects or for other projects that directly affect groundwater levels or quality if it prepares and implements, participates in, or consents to be subject to, a groundwater management plan, a basinwide management plan, or other integrated regional water management program or plan that meets, or is in the process of meeting, the requirements of subdivision (a). A local agency with an existing groundwater management plan that meets the requirements of subdivision (a), or a local agency that completes an upgrade of its plan to meet the requirements of subdivision (a) within one year of applying for funds, shall be given priority consideration for state funds administered by the department over local agencies that are in the process of developing a groundwater management plan. The department shall withhold funds from the project until the upgrade of the groundwater management plan is complete.

(B) Notwithstanding subparagraph (A), a local agency that manages groundwater under any other provision of existing law that meets the requirements of subdivision (a), or that completes an upgrade of its plan to meet the requirements of subdivision (a) within one year of applying for funding, shall be eligible for funding administered by the department. The department shall withhold funds from a project until the upgrade of the groundwater management plan is complete.

(C) Notwithstanding subparagraph (A), a local agency that conforms to the requirements of an adjudication of water rights in the groundwater basin is in compliance with subdivision (a). For purposes of this section, an ''adjudication'' includes an adjudication under Section 2101, an administrative adjudication, and an adjudication in state or federal court.

(D) Subparagraphs (A) and (B) do not apply to proposals for funding under Part 2.78 (commencing with Section 10795), or to funds authorized or appropriated prior to September 1, 2002.

The department shall make available to the public copies of the plan received pursuant to this part.
