EFFECTIVE DATES

Regular Session

The 2005–06 Regular Session convened on December 6, 2004, and the interim study recess commenced on September 8, 2005. Statutes enacted in 2005, other than those taking immediate effect, will become effective January 1, 2006.

The effective date of a joint or concurrent resolution is the date it is filed with the Secretary of State.

An initiative statute or referendum or a constitutional amendment proposed by the Legislature and adopted by the people takes effect the day after the election unless the measure provides otherwise.

Statutes Which Take Effect Immediately. An urgency statute, and a statute calling an election, providing for a tax levy, or making an appropriation for the usual current expenses of the state may take effect immediately. Such a statute becomes *effective* on the date it is filed with the Secretary of State.

Operative Date. The provisions of a statute normally become operative on the date it takes effect. However, any statute may, by its own terms, delay the *operation* of its provisions until the happening of some contingency or until a specified time. Also, a later statute or a general provision in a particular code may delay the operation of a statute to a time after its effective date.

Extraordinary Sessions

An urgency statute enacted at a special session of the Legislature takes effect immediately, as outlined above, and the same rules apply with respect to a delayed *operative* date. A nonurgency statute takes effect on the 91st day after adjournment of the special session at which the bill was passed.

The 2005–06 First Extraordinary Session convened on January 6, 2005. This Extraordinary Session had not been adjourned prior to publication of this Statutes and Amendments to the Codes; please refer to the succeeding year’s Statutes and Amendments to the Codes.

1879

CONSTITUTION OF THE STATE OF CALIFORNIA*

AS AMENDED AND IN FORCE NOVEMBER 2, 2004

PREAMBLE

We, the People of the State of California, grateful to Almighty God for our freedom, in order to secure and perpetuate its blessings, do establish this Constitution.

ARTICLE I

DECLARATION OF RIGHTS

SECTION 1. [*Repealed November 5, 1974. See Section 1, below.*]

[*Inalienable Rights*]

SECTION 1. All people are by nature free and independent and have inalienable rights. Among these are enjoying and defending life and liberty, acquiring, possessing, and protecting property, and pursuing and obtaining safety, happiness, and privacy. [*New section adopted November 5, 1974.*]

[*Liberty of Speech and of the Press—Newspersons' Refusal to Disclose Information Sources Not Adjudged in Contempt*]

SEC. 2. (a) Every person may freely speak, write and publish his or her sentiments on all subjects, being responsible for the abuse of this right. A law may not restrain or abridge liberty of speech or press.

(b) A publisher, editor, reporter, or other person connected with or employed upon a newspaper, magazine, or other periodical publication, or by a press association or wire service, or any person who has been so connected or employed, shall not be adjudged in contempt by a judicial, legislative, or administrative body, or any other body having the power to issue subpoenas, for refusing to disclose the source of any information procured while so connected or employed for publication in a newspaper, magazine or other periodical publication, or for refusing to disclose any unpublished information obtained or prepared in gathering, receiving or processing of information for communication to the public.

Nor shall a radio or television news reporter or other person connected with or employed by a radio or television station, or any person who has been so connected or employed, be so adjudged in contempt for refusing to disclose the source of any information procured while so connected or employed for news or news commentary purposes on radio or television, or for refusing to disclose any unpublished information obtained or prepared in gathering, receiving or processing of information for communication to the public.

* Adopted by the people on May 7, 1879. Certain spelling and capitalization variances reflect State Printer's style in effect at time of adoption of amendments.

As used in this subdivision, “unpublished information” includes information not disseminated to the public by the person from whom disclosure is sought, whether or not related information has been disseminated and includes, but is not limited to, all notes, outtakes, photographs, tapes or other data of whatever sort not itself disseminated to the public through a medium of communication, whether or not published information based upon or related to such material has been disseminated. [*As amended June 3, 1980.*]

[Right to Assemble and to Petition—Right of Access to Government Information]

SEC. 3. (a) The people have the right to instruct their representatives, petition government for redress of grievances, and assemble freely to consult for the common good.

(b) (1) The people have the right of access to information concerning the conduct of the people’s business, and therefore, the meetings of public bodies and the writings of public officials and agencies shall be open to public scrutiny.

(2) A statute, court rule, or other authority, including those in effect on the effective date of this subdivision, shall be broadly construed if it furthers the people’s right of access, and narrowly construed if it limits the right of access. A statute, court rule, or other authority adopted after the effective date of this subdivision that limits the right of access shall be adopted with findings demonstrating the interest protected by the limitation and the need for protecting that interest.

(3) Nothing in this subdivision supersedes or modifies the right of privacy guaranteed by Section 1 or affects the construction of any statute, court rule, or other authority to the extent that it protects that right to privacy, including any statutory procedures governing discovery or disclosure of information concerning the official performance or professional qualifications of a peace officer.

(4) Nothing in this subdivision supersedes or modifies any provision of this Constitution, including the guarantees that a person may not be deprived of life, liberty, or property without due process of law, or denied equal protection of the laws, as provided in Section 7.

(5) This subdivision does not repeal or nullify, expressly or by implication, any constitutional or statutory exception to the right of access to public records or meetings of public bodies that is in effect on the effective date of this subdivision, including, but not limited to, any statute protecting the confidentiality of law enforcement and prosecution records.

(6) Nothing in this subdivision repeals, nullifies, supersedes, or modifies protections for the confidentiality of proceedings and records of the Legislature, the Members of the Legislature, and its employees, committees, and caucuses provided by Section 7 of Article IV, state law, or legislative rules adopted in furtherance of those provisions; nor does it affect

the scope of permitted discovery in judicial or administrative proceedings regarding deliberations of the Legislature, the Members of the Legislature, and its employees, committees, and caucuses. [*As amended November 4, 2004.*]

SEC. 4. [*Repealed November 5, 1974. See Section 4, below.*]

[*Liberty of Conscience*]

SEC. 4. Free exercise and enjoyment of religion without discrimination or preference are guaranteed. This liberty of conscience does not excuse acts that are licentious or inconsistent with the peace or safety of the State. The Legislature shall make no law respecting an establishment of religion.

A person is not incompetent to be a witness or juror because of his or her opinions on religious beliefs. [*New section adopted November 5, 1974.*]

SEC. 5. [*Repealed November 5, 1974. See Section 5, below.*]

[*The Military*]

SEC. 5. The military is subordinate to civil power. A standing army may not be maintained in peacetime. Soldiers may not be quartered in any house in wartime except as prescribed by law, or in peacetime without the owner's consent. [*New section adopted November 5, 1974.*]

SEC. 6. [*Repealed November 5, 1974. See Section 6, below.*]

[*Slavery Prohibited*]

SEC. 6. Slavery is prohibited. Involuntary servitude is prohibited except to punish crime. [*New section adopted November 5, 1974.*]

[*Due Process of Law—Use of Pupil School Assignment or Pupil Transportation*]

SEC. 7. (a) A person may not be deprived of life, liberty, or property without due process of law or denied equal protection of the laws; provided, that nothing contained herein or elsewhere in this Constitution imposes upon the State of California or any public entity, board, or official any obligations or responsibilities which exceed those imposed by the Equal Protection Clause of the 14th Amendment to the United States Constitution with respect to the use of pupil school assignment or pupil transportation. In enforcing this subdivision or any other provision of this Constitution, no court of this State may impose upon the State of California or any public entity, board, or official any obligation or responsibility with respect to the use of pupil school assignment or pupil transportation, (1) except to remedy a specific violation by such party that would also constitute a violation of the Equal Protection Clause of the 14th Amendment to the United States Constitution, and (2) unless a federal court would be permitted under federal decisional law to impose that obligation or re-

sponsibility upon such party to remedy the specific violation of the Equal Protection Clause of the 14th Amendment of the United States Constitution.

Except as may be precluded by the Constitution of the United States, every existing judgment, decree, writ, or other order of a court of this State, whenever rendered, which includes provisions regarding pupil school assignment or pupil transportation, or which requires a plan including any such provisions shall, upon application to a court having jurisdiction by any interested person, be modified to conform to the provisions of this subdivision as amended, as applied to the facts which exist at the time of such modification.

In all actions or proceedings arising under or seeking application of the amendments to this subdivision proposed by the Legislature at its 1979–80 Regular Session, all courts, wherein such actions or proceedings are or may hereafter be pending, shall give such actions or proceedings first precedence over all other civil actions therein.

Nothing herein shall prohibit the governing board of a school district from voluntarily continuing or commencing a school integration plan after the effective date of this subdivision as amended.

In amending this subdivision, the Legislature and people of the State of California find and declare that this amendment is necessary to serve compelling public interests, including those of making the most effective use of the limited financial resources now and prospectively available to support public education, maximizing the educational opportunities and protecting the health and safety of all public school pupils, enhancing the ability of parents to participate in the educational process, preserving harmony and tranquility in this State and its public schools, preventing the waste of scarce fuel resources, and protecting the environment.

[Privileges and Immunities]

(b) A citizen or class of citizens may not be granted privileges or immunities not granted on the same terms to all citizens. Privileges or immunities granted by the Legislature may be altered or revoked. *[As amended November 6, 1979.]*

[*Bail—Release on Own Recognizance*]

SEC. 12. A person shall be released on bail by sufficient sureties, except for:

(a) Capital crimes when the facts are evident or the presumption great;

(b) Felony offenses involving acts of violence on another person, or felony sexual assault offenses on another person, when the facts are evident or the presumption great and the court finds based upon clear and convincing evidence that there is a substantial likelihood the person's release would result in great bodily harm to others; or

(c) Felony offenses when the facts are evident or the presumption great and the court finds based on clear and convincing evidence that the person has threatened another with great bodily harm and that there is a substantial likelihood that the person would carry out the threat if released.

Excessive bail may not be required. In fixing the amount of bail, the court shall take into consideration the seriousness of the offense charged, the previous criminal record of the defendant, and the probability of his or her appearing at the trial or hearing of the case.

A person charged with a felony by complaint subscribed under penalty of perjury and on file in a court in the county where the felony is triable shall be taken without unnecessary delay before a magistrate of that court. The magistrate shall immediately give the defendant a copy of the complaint, inform the defendant of the defendant's right to counsel, allow the defendant a reasonable time to send for counsel, and on the defendant's request read the complaint to the defendant. On the defendant's request the magistrate shall require a peace officer to transmit within the county where the court is located a message to counsel named by defendant.

A person unable to understand English who is charged with a crime has a right to an interpreter throughout the proceedings. [*New section adopted November 5, 1974.*]

[*Felony—Prosecution by Indictment*]

The Legislature may provide for the deposition of a witness in the presence of the defendant and the defendant's counsel.

Persons may not twice be put in jeopardy for the same offense, be compelled in a criminal cause to be a witness against themselves, or be deprived of life, liberty, or property without due process of law. [*New section adopted November 5, 1974.*]

[*Trial by Jury*]

SEC. 16. Trial by jury is an inviolate right and shall be secured to all, but in a civil cause three-fourths of the jury may render a verdict. A jury may be waived in a criminal cause by the consent of both parties expressed in open court by the defendant and the defendant's counsel. In a civil cause a jury may be waived by the consent of the parties expressed as prescribed by statute.

[*Number of Jurors in Civil Trials*]

In civil causes the jury shall consist of 12 persons or a lesser number agreed on by the parties in open court. In civil causes other than causes within the appellate jurisdiction of the court of appeal the Legislature may provide that the jury shall consist of eight persons or a lesser number agreed on by the parties in open court.

[*Number of Jurors in Criminal Trials*]

In criminal actions in which a felony is charged, the jury shall consist of 12 persons. In criminal actions in which a misdemeanor is charged, the jury shall consist of 12 persons or a lesser number agreed on by the parties in open court. [*As amended June 2, 1998.*]

[Constitutional Rights—Rights Reserved]

In criminal cases the rights of a defendant to equal protection of the laws, to due process of law, to the assistance of counsel, to be personally present with counsel, to a speedy and public trial, to compel the attendance of witnesses, to confront the witnesses against him or her, to be free from unreasonable searches and seizures, to privacy, to not be compelled to be a witness against himself or herself, to not be placed twice in jeopardy for the same offense, and to not suffer the imposition of cruel or unusual punishment, shall be construed by the courts of this State in a manner consistent with the Constitution of the United States. This Constitution shall not be construed by the courts to afford greater rights to criminal defendants than those afforded by the Constitution of the United States, nor shall it be construed to afford greater rights to minors in juvenile proceedings on criminal causes than those afforded by the Constitution of the United States.

This declaration of rights may not be construed to impair or deny others retained by the people. [As amended June 5, 1990. Initiative measure.]

[*Right to Fish*]

SECTION 25. The people shall have the right to fish upon and from the public lands of the State and in the waters thereof, excepting upon lands set aside for fish hatcheries, and no land owned by the State shall ever be sold or transferred without reserving in the people the absolute right to fish thereupon; and no law shall ever be passed making it a crime for the people to enter upon the public lands within this State for the purpose of fishing in any water containing fish that have been planted therein by the State; *provided*, that the Legislature may by statute, provide for the season when and the conditions under which the different species of fish may be taken. SEC. 26a. [*Repealed November 8, 1949.*]

[*Death Penalty*]

SEC. 27. All statutes of this State in effect on February 17, 1972, requiring, authorizing, imposing, or relating to the death penalty are in full force and effect, subject to legislative amendment or repeal by statute, initiative, or referendum.

The death penalty provided for under those statutes shall not be deemed to be, or to constitute, the infliction of cruel or unusual punishments within the meaning of Article 1, Section 6 nor shall such punishment for such offenses be deemed to contravene any other provision of this constitution. [*New section adopted November 7, 1972. Initiative measure.*]

[*"The Victims' Bill of Rights"*]

SEC. 28. (a) The People of the State of California find and declare that the enactment of comprehensive provisions and laws ensuring a bill of rights for victims of crime, including safeguards in the criminal justice system to fully protect those rights, is a matter of grave statewide concern.

The rights of victims pervade the criminal justice system, encompassing not only the right to restitution from the wrongdoers for financial losses suffered as a result of criminal acts, but also the more basic expectation that persons who commit felonious acts causing injury to innocent victims will be appropriately detained in custody, tried by the courts, and sufficiently punished so that the public safety is protected and encouraged as a goal of highest importance.

Such public safety extends to public primary, elementary, junior high, and senior high school campuses, where students and staff have the right to be safe and secure in their persons.

To accomplish these goals, broad reforms in the procedural treatment of accused persons and the disposition and sentencing of convicted persons are necessary and proper as deterrents to criminal behavior and to serious disruption of people's lives.

(b) Restitution. It is the unequivocal intention of the People of the State of California that all persons who suffer losses as a result of criminal activity shall have the right to restitution from the persons convicted of the crimes for losses they suffer.

Restitution shall be ordered from the convicted persons in every case, regardless of the sentence or disposition imposed, in which a crime victim suffers a loss, unless compelling and extraordinary reasons exist to the contrary. The Legislature shall adopt provisions to implement this section during the calendar year following adoption of this section.

(c) Right to Safe Schools. All students and staff of public primary, elementary, junior high and senior high schools have the inalienable right to attend campuses which are safe, secure and peaceful.

(d) Right to Truth-in-Evidence. Except as provided by statute hereafter enacted by a two-thirds vote of the membership in each house of the Legislature, relevant evidence shall not be excluded in any criminal proceeding, including pretrial and post conviction motions and hearings, or in any trial or hearing of a juvenile for a criminal offense, whether heard in juvenile or adult court. Nothing in this section shall affect any existing statutory rule of evidence relating to privilege or hearsay, or Evidence Code, Sections 352, 782 or 1103. Nothing in this section shall affect any existing statutory or constitutional right of the press.

(e) Public Safety Bail. A person may be released on bail by sufficient sureties, except for capital crimes when the facts are evident or the presumption great. Excessive bail may not be required. In setting, reducing or denying bail, the judge or magistrate shall take into consideration the protection of the public, the seriousness of the offense charged, the previous criminal record of the defendant, and the probability of his or her appearing at the trial or hearing of the case. Public safety shall be the primary consideration.

A person may be released on his or her own recognizance in the court's discretion, subject to the same factors considered in setting bail. However, no person charged with the commission of any serious felony shall be released on his or her own recognizance.

Before any person arrested for a serious felony may be released on bail, a hearing may be held before the magistrate or judge, and the prosecuting attorney shall be given notice and reasonable opportunity to be heard on the matter.

When a judge or magistrate grants or denies bail or release on a person's own recognizance, the reasons for that decision shall be stated in the record and included in the court's minutes.

(f) Use of Prior Convictions. Any prior felony conviction of any person in any criminal proceeding, whether adult or juvenile, shall subsequently be used without limitation for purposes of impeachment or enhancement of sentence in any criminal proceeding. When a prior felony conviction is an element of any felony offense, it shall be proven to the trier of fact in open court.

(g) As used in this article, the term "serious felony" is any crime defined in Penal Code, Section 1192.7(c). [*New section adopted June 8, 1982. Initiative measure.*]

[*Criminal Cases—Due Process of Law—Speedy and Public Trial*]

SEC. 29. In a criminal case, the people of the State of California have the right to due process of law and to a speedy and public trial. [*New section adopted June 5, 1990. Initiative measure.*]

[*Criminal Cases—Jointure-Hearsay Evidence—Discovery*]

SEC. 30. (a) This Constitution shall not be construed by the courts to prohibit the joining of criminal cases as prescribed by the Legislature or by the people through the initiative process.

(b) In order to protect victims and witnesses in criminal cases, hearsay evidence shall be admissible at preliminary hearings, as prescribed by the Legislature or by the people through the initiative process.

(c) In order to provide for fair and speedy trials, discovery in criminal cases shall be reciprocal in nature, as prescribed by the Legislature or by the people through the initiative process. [*New section adopted June 5, 1990. Initiative measure.*]

[*Prohibition Against Discrimination or Preferential Treatment*]

SEC. 31. (a) The State shall not discriminate against, or grant preferential treatment to, any individual or group on the basis of race, sex, color, ethnicity, or national origin in the operation of public employment, public education, or public contracting.

(b) This section shall apply only to action taken after the section's effective date.

(c) Nothing in this section shall be interpreted as prohibiting bona fide qualifications based on sex which are reasonably necessary to the normal operation of public employment, public education, or public contracting.

(d) Nothing in this section shall be interpreted as invalidating any court order or consent decree which is in force as of the effective date of this section.

(e) Nothing in this section shall be interpreted as prohibiting action which must be taken to establish or maintain eligibility for any federal program, where ineligibility would result in a loss of federal funds to the State.

(f) For the purposes of this section, "State" shall include, but not necessarily be limited to, the State itself, any city, county, city and county, public university system, including the University of California, community college district, school district, special district, or any other political subdivision or governmental instrumentality of or within the State.

(g) The remedies available for violations of this section shall be the same, regardless of the injured party's race, sex, color, ethnicity, or national origin, as are otherwise available for violations of then-existing California antidiscrimination law.

(h) This section shall be self-executing. If any part or parts of this section are found to be in conflict with federal law or the United States Constitution, the section shall be implemented to the maximum extent that federal law and the United States Constitution permit. Any provision held invalid shall be severable from the remaining portions of this section. [*New section adopted November 5, 1996. Initiative measure.*]

(c) The Secretary of State shall then submit the measure at the next general election held at least 131 days after it qualifies or at any special statewide election held prior to that general election. The Governor may call a special statewide election for the measure.

(d) An initiative measure embracing more than one subject may not be submitted to the electors or have any effect.

(e) An initiative measure may not include or exclude any political subdivision of the State from the application or effect of its provisions based upon approval or disapproval of the initiative measure, or based upon the casting of a specified percentage of votes in favor of the measure, by the electors of that political subdivision.

(f) An initiative measure may not contain alternative or cumulative provisions wherein one or more of those provisions would become law depending upon the casting of a specified percentage of votes for or against the measure. [*As amended June 2, 1998.*]

(b) A referendum measure may be proposed by presenting to the Secretary of State, within 90 days after the enactment date of the statute, a petition certified to have been signed by electors equal in number to 5 percent of the votes for all candidates for Governor at the last gubernatorial election, asking that the statute or part of it be submitted to the electors. In the case of a statute enacted by a bill passed by the Legislature on or before the date the Legislature adjourns for a joint recess to reconvene in the second calendar year of the biennium of the legislative session, and in the possession of the Governor after that date, the petition may not be presented on or after January 1 next following the enactment date unless a

copy of the petition is submitted to the Attorney General pursuant to subdivision (d) of Section 10 of Article II before January 1.

(c) The Secretary of State shall then submit the measure at the next general election held at least 31 days after it qualifies or at a special statewide election held prior to that general election. The Governor may call a special statewide election for the measure. [*As amended June 5, 1990.*]

(b) If provisions of 2 or more measures approved at the same election conflict, those of the measure receiving the highest affirmative vote shall prevail.

(c) The Legislature may amend or repeal referendum statutes. It may amend or repeal an initiative statute by another statute that becomes effective only when approved by the electors unless the initiative statute permits amendment or repeal without their approval.

(d) Prior to circulation of an initiative or referendum petition for signatures, a copy shall be submitted to the Attorney General who shall prepare a title and summary of the measure as provided by law.

(e) The Legislature shall provide the manner in which petitions shall be circulated, presented, and certified, and measures submitted to the electors. [*Former Section 24 of Article IV, as renumbered June 8, 1976.*]

[*Naming Individual or Private Corporation to Office or Duty Prohibited*]

SEC. 12. No amendment to the Constitution, and no statute proposed to the electors by the Legislature or by initiative, that names any individual

to hold any office, or names or identifies any private corporation to perform any function or to have any power or duty, may be submitted to the electors or have any effect. [*Former Section 26 of Article IV, as renumbered June 8, 1976.*]

[*Recall Defined*]

SEC. 13. Recall is the power of the electors to remove an elective officer. [*New section adopted June 8, 1976.*]

[*Recall Petitions*]

SEC. 14. (a) Recall of a state officer is initiated by delivering to the Secretary of State a petition alleging reason for recall. Sufficiency of reason is not reviewable. Proponents have 160 days to file signed petitions.

(b) A petition to recall a statewide officer must be signed by electors equal in number to 12 percent of the last vote for the office, with signatures from each of 5 counties equal in number to 1 percent of the last vote for the office in the county. Signatures to recall Senators, members of the Assembly, members of the Board of Equalization, and judges of courts of appeal and trial courts must equal in number 20 percent of the last vote for the office.

(c) The Secretary of State shall maintain a continuous count of the signatures certified to that office. [*New section adopted June 8, 1976.*]

[*Recall Elections*]

SEC. 15. (a) An election to determine whether to recall an officer and, if appropriate, to elect a successor shall be called by the Governor and held not less than 60 days nor more than 80 days from the date of certification of sufficient signatures.

(b) A recall election may be conducted within 180 days from the date of certification of sufficient signatures in order that the election may be consolidated with the next regularly scheduled election occurring wholly or partially within the same jurisdiction in which the recall election is held, if the number of voters eligible to vote at that next regularly scheduled election equal at least 50 percent of all the voters eligible to vote at the recall election.

(c) If the majority vote on the question is to recall, the officer is removed and, if there is a candidate, the candidate who receives a plurality is the successor. The officer may not be a candidate, nor shall there be any candidacy for an office filled pursuant to subdivision (d) of Section 16 of Article VI. [*As amended November 8, 1994.*]

[*Legislature to Provide for Petitions, Etc.*]

[Terms of Elective Offices]

SEC. 20. Terms of elective offices provided for by this Constitution, other than Members of the Legislature, commence on the Monday after January 1 following election. The election shall be held in the last even-numbered year before the term expires. *[New section adopted June 8, 1976.]*

[Separation of Powers]

SEC. 3. The powers of state government are legislative, executive, and judicial. Persons charged with the exercise of one power may not exercise either of the others except as permitted by this Constitution. *[New section adopted November 7, 1972.]*

* New Article III adopted November 7, 1972.

[*Administrative Agencies: Declaration Statute Unenforceable or Unconstitutional Prohibited*]

SEC. 3.5. An administrative agency, including an administrative agency created by the Constitution or an initiative statute, has no power:

(a) To declare a statute unenforceable, or refuse to enforce a statute, on the basis of it being unconstitutional unless an appellate court has made a determination that such statute is unconstitutional;

(b) To declare a statute unconstitutional;

(c) To declare a statute unenforceable, or to refuse to enforce a statute on the basis that federal law or federal regulations prohibit the enforcement of such statute unless an appellate court has made a determination that the enforcement of such statute is prohibited by federal law or federal regulations. [*New section adopted June 6, 1978.*]

[*Salaries of Elected State Officers—Salaries of Judges*]

SEC. 4. (a) Except as provided in subdivision (b), salaries of elected state officers may not be reduced during their term of office. Laws that set these salaries are appropriations.

(b) Beginning on January 1, 1981, the base salary of a judge of a court of record shall equal the annual salary payable as of July 1, 1980, for that office had the judge been elected in 1978. The Legislature may prescribe increases in those salaries during a term of office, and it may terminate prospective increases in those salaries at any time during a term of office, but it shall not reduce the salary of a judge during a term of office below the highest level paid during that term of office. Laws setting the salaries of judges shall not constitute an obligation of contract pursuant to Section 9 of Article I or any other provision of law. [*As amended November 4, 1980.*]

[*Suits Against State*]

SEC. 5. Suits may be brought against the State in such manner and in such courts as shall be directed by law. [*New section adopted November 7, 1972.*]

[*Official State Language*]

SEC. 6. (a) Purpose.

English is the common language of the people of the United States of America and the State of California. This section is intended to preserve, protect and strengthen the English language, and not to supersede any of the rights guaranteed to the people by this Constitution.

(b) English as the Official Language of California.

English is the official language of the State of California.

(c) Enforcement.

The Legislature shall enforce this section by appropriate legislation. The Legislature and officials of the State of California shall take all steps

necessary to insure that the role of English as the common language of the State of California is preserved and enhanced. The Legislature shall make no law which diminishes or ignores the role of English as the common language of the State of California.

(d) Personal Right of Action and Jurisdiction of Courts.

Any person who is a resident of or doing business in the State of California shall have standing to sue the State of California to enforce this section, and the Courts of record of the State of California shall have jurisdiction to hear cases brought to enforce this section. The Legislature may provide reasonable and appropriate limitations on the time and manner of suits brought under this section. [*New section adopted November 4, 1986. Initiative measure.*]

[*Retirement Benefits for Elected Constitutional Officers*]

SEC. 7. (a) The retirement allowance for any person, all of whose credited service in the Legislators' Retirement System was rendered or was deemed to have been rendered as an elective officer of the State whose office is provided for by the California Constitution, other than a judge and other than a Member of the Senate or Assembly, and all or any part of whose retirement allowance is calculated on the basis of the compensation payable to the officer holding the office which the member last held prior to retirement, or for the survivor or beneficiary of such a person, shall not be increased or affected in any manner by changes on or after November 5, 1986, in the compensation payable to the officer holding the office which the member last held prior to retirement.

(b) This section shall apply to any person, survivor, or beneficiary described in subdivision (a) who receives, or is receiving, from the Legislators' Retirement System a retirement allowance on or after November 5, 1986, all or any part of which allowance is calculated on the basis of the compensation payable to the officer holding the office which the member last held prior to retirement.

(c) It is the intent of the people, in adopting this section, to restrict retirement allowances to amounts reasonably to be expected by certain members and retired members of the Legislators' Retirement System and to preserve the basic character of earned retirement benefits while prohibiting windfalls and unforeseen advantages which have no relation to the real theory and objective of a sound retirement system. It is not the intent of this section to deny any member, retired member, survivor, or beneficiary a reasonable retirement allowance. Thus, this section shall not be construed as a repudiation of a debt nor the impairment of a contract for a substantial and reasonable retirement allowance from the Legislators' Retirement System.

(d) The people and the Legislature hereby find and declare that the dramatic increase in the retirement allowances of persons described in sub-

division (a) which would otherwise result when the compensation for those offices increases on November 5, 1986, or January 5, 1987, are not benefits which could have reasonably been expected. The people and the Legislature further find and declare that the Legislature did not intend to provide in its scheme of compensation for those offices such windfall benefits. [*New section adopted November 4, 1986.*]

[*California Citizens Compensation Commission*]

SEC. 8. (a) The California Citizens Compensation Commission is hereby created and shall consist of seven members appointed by the Governor. The commission shall establish the annual salary and the medical dental, insurance, and other similar benefits of state officers.

(b) The commission shall consist of the following persons:

(1) Three public members, one of whom has expertise in the area of compensation, such as an economist, market researcher, or personnel manager; one of whom is a member of a nonprofit public interest organization; and one of whom is representative of the general population and may include, among others, a retiree, homemaker, or person of median income. No person appointed pursuant to this paragraph may, during the 12 months prior to his or her appointment, have held public office, either elective or appointive, have been a candidate for elective public office, or have been a lobbyist, as defined by the Political Reform Act of 1974.

(2) Two members who have experience in the business community, one of whom is an executive of a corporation incorporated in this State which ranks among the largest private sector employers in the State based on the number of employees employed by the corporation in this State and one of whom is an owner of a small business in this State.

(3) Two members, each of whom is an officer or member of a labor organization.

(c) The Governor shall strive insofar as practicable to provide a balanced representation of the geographic, gender, racial, and ethnic diversity of the State in appointing commission members.

(d) The Governor shall appoint commission members and designate a chairperson for the commission not later than 30 days after the effective date of this section. The terms of two of the initial appointees shall expire on December 31, 1992, two on December 31, 1994, and three on December 31, 1996, as determined by the Governor. Thereafter, the term of each member shall be six years. Within 15 days of any vacancy, the Governor shall appoint a person to serve the unexpired portion of the term.

(e) No current or former officer or employee of this State is eligible for appointment to the commission.

(f) Public notice shall be given of all meetings of the commission, and the meetings shall be open to the public.

(g) On or before December 3, 1990, the commission shall, by a single resolution adopted by a majority of the membership of the commission, establish the annual salary and the medical, dental, insurance, and other similar benefits of state officers. The annual salary and benefits specified in that resolution shall be effective on and after December 3, 1990.

Thereafter, at or before the end of each of each fiscal year, the commission shall, by a single resolution adopted by a majority of the membership of the commission, adjust the annual salary and the medical, dental, insurance, and other similar benefits of state officers. The annual salary and benefits specified in the resolution shall be effective on and after the first Monday of the next December.

(h) In establishing or adjusting the annual salary and the medical, dental, insurance, and other similar benefits, the commission shall consider all of the following:

(1) The amount of time directly or indirectly related to the performance of the duties, functions, and services of a state officer.

(2) The amount of the annual salary and the medical, dental, insurance, and other similar benefits for other elected and appointed officers and officials in this State with comparable responsibilities, the judiciary, and, to the extent practicable, the private sector, recognizing, however, that state officers do not receive, and do not expect to receive, compensation at the same levels as individuals in the private sector with comparable experience and responsibilities.

(3) The responsibility and scope of authority of the entity in which the state officer serves.

(i) Until a resolution establishing or adjusting the annual salary and the medical, dental, insurance, and other similar benefits for state officers takes effect, each state officer shall continue to receive the same annual salary and the medical, dental, insurance, and other similar benefits received previously.

(j) All commission members shall receive their actual and necessary expenses, including travel expenses, incurred in the performance of their duties. Each member shall be compensated at the same rate as members, other than the chairperson, of the Fair Political Practices Commission, or its successor, for each day engaged in official duties, not to exceed 45 days per year.

(k) It is the intent of the Legislature that the creation of the commission should not generate new state costs for staff and services. The Department of Personnel Administration, the Board of Administration of the Public Employees' Retirement System, or other appropriate agencies, or their successors, shall furnish, from existing resources, staff and services to the commission as needed for the performance of its duties.

(l) "State officer," as used in this section, means the Governor, Lieutenant Governor, Attorney General, Controller, Insurance Commissioner,

Secretary of State, Superintendent of Public Instruction, Treasurer, member of the State Board of Equalization, and Member of the Legislature. [New section adopted June 5, 1990.]

[*Sale of Surplus State Property*]

SEC. 9. The proceeds from the sale of surplus state property occurring on or after the effective date of this section, and any proceeds from the previous sale of surplus state property that have not been expended or encumbered as of that date, shall be used to pay the principal and interest on bonds issued pursuant to the Economic Recovery Bond Act authorized at the March 2, 2004, statewide primary election. Once the principal and interest on those bonds are fully paid, the proceeds from the sale of surplus state property shall be deposited into the Special Fund for Economic Uncertainties, or any successor fund. For purposes of this section, surplus state property does not include property purchased with revenues described in Article XIX or any other special fund moneys. [New section adopted November 2, 2004.]

ARTICLE IV

LEGISLATIVE

[*Heading as amended November 8, 1966.*]

SECTION 1. [Repealed November 8, 1966. See Section 1, below.]

[*Legislative Power*]

SECTION 1. The legislative power of this State is vested in the California Legislature which consists of the Senate and Assembly, but the people reserve to themselves the powers of initiative and referendum. [New section adopted November 8, 1966.]

SEC. 1a. [Renumbered Section 20 of Article XIII and amended November 8, 1966.]

SEC. 1b. [Repealed November 8, 1966.]

SEC. 1c. [Repealed November 8, 1966.]

SEC. 1d. [Repealed November 8, 1966.]

[*Legislators—Limitation on Incumbency—Restriction of Retirement Benefits— Limitation of Staff and Support Services—Number of Terms*]

SEC. 1.5. The people find and declare that the Founding Fathers established a system of representative government based upon free, fair, and competitive elections. The increased concentration of political power in the hands of incumbent representatives has made our electoral system less free, less competitive, and less representative.

The ability of legislators to serve unlimited number of terms, to establish their own retirement system, and to pay for staff and support services at state expense contribute heavily to the extremely high number of incumbents who are reelected. These unfair incumbent advantages discourage qualified candidates from seeking public office and create a class of career politicians, instead of the citizen representatives envisioned by the Founding Fathers. These career politicians become representatives of the bureaucracy, rather than of the people whom they are elected to represent.

To restore a free and democratic system of fair elections, and to encourage qualified candidates to seek public office, the people find and declare that the powers of incumbency must be limited. Retirement benefits must be restricted, state-financed incumbent staff and support services limited, and limitations placed upon the number of terms which may be served. [*New section adopted November 6, 1990. Initiative measure.*]

[*Senate and Assembly—Membership—Elections—Number of Terms—Qualifications—Vacancies*]

SEC. 2. (a) The Senate has a membership of 40 Senators elected for 4-year terms, 20 to begin every 2 years. No Senator may serve more than 2 terms.

The Assembly has a membership of 80 members elected for 2-year terms. No member of the Assembly may serve more than 3 terms.

Their terms shall commence on the first Monday in December next following their election.

(b) Election of members of the Assembly shall be on the first Tuesday after the first Monday in November of even-numbered years unless otherwise prescribed by the Legislature. Senators shall be elected at the same time and places as members of the Assembly.

(c) A person is ineligible to be a member of the Legislature unless the person is an elector and has been a resident of the legislative district for one year, and a citizen of the United States and a resident of California for 3 years, immediately preceding the election.

(d) When a vacancy occurs in the Legislature the Governor immediately shall call an election to fill the vacancy. [*As amended November 6, 1990. Initiative measure.*]

[*Legislative Sessions—Regular and Special Sessions*]

SEC. 3. (a) The Legislature shall convene in regular session at noon on the first Monday in December of each even-numbered year and each house shall immediately organize. Each session of the Legislature shall adjourn sine die by operation of the Constitution at midnight on November 30 of the following even-numbered year.

(b) On extraordinary occasions the Governor by proclamation may cause the Legislature to assemble in special session. When so assembled

it has power to legislate only on subjects specified in the proclamation but may provide for expenses and other matters incidental to the session. [As amended June 8, 1976.]

[*Legislators—Conflict of Interest—Prohibited Compensation—Earned Income*]

SEC. 4. (a) To eliminate any appearance of a conflict with the proper discharge of his or her duties and responsibilities, no Member of the Legislature may knowingly receive any salary, wages, commissions, or other similar earned income from a lobbyist or lobbying firm, as defined by the Political Reform Act of 1974, or from a person who, during the previous 12 months, has been under a contract with the Legislature. The Legislature shall enact laws that define earned income. However, earned income does not include any community property interest in the income of a spouse. Any Member who knowingly receives any salary, wages, commissions, or other similar earned income from a lobbyist employer, as defined by the Political Reform Act of 1974, may not, for a period of one year following its receipt, vote upon or make, participate in making, or in any way attempt to use his or her official position to influence an action or decision before the Legislature, other than an action or decision involving a bill described in subdivision (c) of Section 12 of this article, which he or she knows, or has reason to know, would have a direct and significant financial impact on the lobbyist employer and would not impact the public generally or a significant segment of the public in a similar manner. As used in this subdivision, “public generally” includes an industry, trade, or profession.

[*Legislators—Travel and Living Expenses*]

(b) Travel and living expenses for Members of the Legislature in connection with their official duties shall be prescribed by statute passed by rollcall vote entered in the journal, two-thirds of the membership of each house concurring. A Member may not receive travel and living expenses during the times that the Legislature is in recess for more than three calendar days, unless the Member is traveling to or from, or is in attendance at, any meeting of a committee of which he or she is a member, or a meeting, conference, or other legislative function or responsibility as authorized by the rules of the house of which he or she is a member, which is held at a location at least 20 miles from his or her place of residence.

[*Legislators—Retirement*]

(c) The Legislature may not provide retirement benefits based on any portion of a monthly salary in excess of five hundred dollars (\$500) paid to any Member of the Legislature unless the Member receives the greater amount while serving as a Member in the Legislature. The Legislature may, prior to their retirement, limit the retirement benefits payable to Members of the Legislature who serve during or after the term commencing in 1967.

When computing the retirement allowance of a Member who serves in the Legislature during the term commencing in 1967 or later, allowance may be made for increases in cost of living if so provided by statute, but only with respect to increases in the cost of living occurring after retirement of the Member. However, the Legislature may provide that no Member shall be deprived of a cost of living adjustment based on a monthly salary of five hundred dollars (\$500) which has accrued prior to the commencement of the 1967 Regular Session of the Legislature. [*As amended June 5, 1990.*]

[*Legislators—Retirement*]

SEC. 4.5. Notwithstanding any other provision of this Constitution or existing law, a person elected to or serving in the Legislature on or after November 1, 1990, shall participate in the Federal Social Security (Retirement, Disability, Health Insurance) Program and the State shall pay only the employer's share of the contribution necessary to such participation. No other pension or retirement benefit shall accrue as a result of service in the Legislature, such service not being intended as a career occupation. This Section shall not be construed to abrogate or diminish any vested pension or retirement benefit which may have accrued under an existing law to a person holding or having held office in the Legislature, but upon adoption of this Act no further entitlement to nor vesting in any existing program shall accrue to any such person, other than Social Security to the extent herein provided. [*New section adopted November 6, 1990. Initiative measure.*]

[*Legislators—Qualifications—Expulsion*]

SEC. 5. (a) Each house shall judge the qualifications and elections of its Members and, by rollcall vote entered in the journal, two thirds of the membership concurring, may expel a Member.

[*Legislators—Honoraria*]

(b) No Member of the Legislature may accept any honorarium. The Legislature shall enact laws that implement this subdivision.

[*Legislators—Gifts—Conflict of Interest*]

(c) The Legislature shall enact laws that ban or strictly limit the acceptance of a gift by a Member of the Legislature from any source if the acceptance of the gift might create a conflict of interest.

[*Legislators—Prohibited Compensation or Activity*]

(d) No Member of the Legislature may knowingly accept any compensation for appearing, agreeing to appear, or taking any other action on behalf of another person before any state government board or agency. If a Member knowingly accepts any compensation for appearing, agreeing to

appear, or taking any other action on behalf of another person before any local government board or agency, the Member may not, for a period of one year following the acceptance of the compensation, vote upon or make, participate in making, or in any way attempt to use his or her official position to influence an action or decision before the Legislature, other than an action or decision involving a bill described in subdivision (c) of Section 12 of this article, which he or she knows, or has reason to know, would have a direct and significant financial impact on that person and would not impact the public generally or a significant segment of the public in a similar manner. As used in this subdivision, “public generally” includes an industry, trade, or profession. However, a Member may engage in activities involving a board or agency which are strictly on his or her own behalf, appear in the capacity of an attorney before any court or the Workers’ Compensation Appeals Board, or act as an advocate without compensation or make an inquiry for information on behalf of a person before a board or agency. This subdivision does not prohibit any action of a partnership or firm of which the Member is a member if the Member does not share directly or indirectly in the fee, less any expenses attributable to that fee, resulting from that action.

[Legislators—Lobbying]

(e) The Legislature shall enact laws that prohibit a Member of the Legislature whose term of office commences on or after December 3, 1990, from lobbying, for compensation, as governed by the Political Reform Act of 1974, before the Legislature for 12 months after leaving office.

[Legislators—Conflict of Interest]

(f) The Legislature shall enact new laws, and strengthen the enforcement of existing laws, prohibiting Members of the Legislature from engaging in activities or having interests which conflict with the proper discharge of their duties and responsibilities. However, the people reserve to themselves the power to implement this requirement pursuant to Article II. *[As amended June 5, 1990. Subdivision (b) operative December 3, 1990.]*

[*House Rules—Officers—Quorum*]

[*Journals*]

(b) Each house shall keep and publish a journal of its proceedings. The rollcall vote of the members on a question shall be taken and entered in the journal at the request of 3 members present.

[*Public Proceedings—Closed Sessions*]

(c) (1) The proceedings of each house and the committees thereof shall be open and public. However, closed sessions may be held solely for any of the following purposes:

(A) To consider the appointment, employment, evaluation of performance, or dismissal of a public officer or employee, to consider or hear complaints or charges brought against a Member of the Legislature or other public officer or employee, or to establish the classification or compensation of an employee of the Legislature.

(B) To consider matters affecting the safety and security of Members of the Legislature or its employees or the safety and security of any buildings and grounds used by the Legislature.

(C) To confer with, or receive advice from, its legal counsel regarding pending or reasonably anticipated, or whether to initiate, litigation when discussion in open session would not protect the interests of the house or committee regarding the litigation.

(2) A caucus of the Members of the Senate, the Members of the Assembly, or the Members of both houses, which is composed of the members of the same political party, may meet in closed session.

(3) The Legislature shall implement this subdivision by concurrent resolution adopted by rollcall vote entered in the journal, two-thirds of the membership of each house concurring, or by statute, and shall prescribe that, when a closed session is held pursuant to paragraph (1), reasonable notice of the closed session and the purpose of the closed session shall be provided to the public. If there is a conflict between a concurrent resolution and statute, the last adopted or enacted shall prevail.

[*Recess*]

(d) Neither house without the consent of the other may recess for more than 10 days or to any other place. [*As amended June 5, 1990. Subdivision (c) operative December 3, 1990.*]

For each fiscal year thereafter, the total aggregate expenditures may not exceed an amount equal to that expended for those purposes in the preceding fiscal year, adjusted and compounded by an amount equal to the percentage increase in the appropriations limit for the State established pursuant to Article XIII B. [*New section adopted November 6, 1990. Initiative measure.*]

[*Bills and Statutes—30-day Waiting Period*]

SEC. 8. (a) At regular sessions no bill other than the budget bill may be heard or acted on by committee or either house until the 31st day after the bill is introduced unless the house dispenses with this requirement by rollcall vote entered in the journal, three fourths of the membership concurring.

[*Bills and Statutes—3 Readings*]

(b) The Legislature may make no law except by statute and may enact no statute except by bill. No bill may be passed unless it is read by title on 3 days in each house except that the house may dispense with this requirement by rollcall vote entered in the journal, two thirds of the membership concurring. No bill may be passed until the bill with amendments has been printed and distributed to the members. No bill may be passed unless, by rollcall vote entered in the journal, a majority of the membership of each house concurs.

[*Bills and Statutes—Effective Date*]

(c) (1) Except as provided in paragraphs (2) and (3) of this subdivision, a statute enacted at a regular session shall go into effect on January 1 next following a 90-day period from the date of enactment of the statute and a statute enacted at a special session shall go into effect on the 91st day after adjournment of the special session at which the bill was passed.

(2) A statute, other than a statute establishing or changing boundaries of any legislative, congressional, or other election district, enacted by a bill passed by the Legislature on or before the date the Legislature adjourns for a joint recess to reconvene in the second calendar year of the biennium of the legislative session, and in the possession of the Governor after that date, shall go into effect on January 1 next following the enactment date of the statute unless, before January 1, a copy of a referendum

petition affecting the statute is submitted to the Attorney General pursuant to subdivision (d) of Section 10 of Article II, in which event the statute shall go into effect on the 91st day after the enactment date unless the petition has been presented to the Secretary of State pursuant to subdivision (b) of Section 9 of Article II.

A statement of facts constituting the necessity shall be set forth in one section of the bill. In each house the section and the bill shall be passed separately, each by rollcall vote entered in the journal, two thirds of the membership concurring. An urgency statute may not create or abolish any office or change the salary, term, or duties of any office, or grant any franchise or special privilege, or create any vested right or interest. *[As amended June 5, 1990.]*

[Ballot Measures—Application]

(b) Contain alternative or cumulative provisions wherein one or more of those provisions would become law depending upon the casting of a specified percentage of votes for or against the measure. *[New section adopted June 2, 1998.]*

SEC. 9. *[Repealed November 8, 1966. See Section 9, below.]*

[Statutes—Title—Section]

[Governor's Veto—Bill Introduction in Biennial Session—Fiscal Emergencies]

SEC. 10. (a) Each bill passed by the Legislature shall be presented to the Governor. It becomes a statute if it is signed by the Governor. The

Governor may veto it by returning it with any objections to the house of origin, which shall enter the objections in the journal and proceed to reconsider it. If each house then passes the bill by rollcall vote entered in the journal, two-thirds of the membership concurring, it becomes a statute.

(b) (1) Any bill, other than a bill which would establish or change boundaries of any legislative, congressional, or other election district, passed by the Legislature on or before the date the Legislature adjourns for a joint recess to reconvene in the second calendar year of the biennium of the legislative session, and in the possession of the Governor after that date, that is not returned within 30 days after that date becomes a statute.

(2) Any bill passed by the Legislature before September 1 of the second calendar year of the biennium of the legislative session and in the possession of the Governor on or after September 1 that is not returned on or before September 30 of that year becomes a statute.

(3) Any other bill presented to the Governor that is not returned within 12 days becomes a statute.

(4) If the Legislature by adjournment of a special session prevents the return of a bill with the veto message, the bill becomes a statute unless the Governor vetoes the bill within 12 days after it is presented by depositing it and the veto message in the office of the Secretary of State.

(5) If the 12th day of the period within which the Governor is required to perform an act pursuant to paragraph (3) or (4) of this subdivision is a Saturday, Sunday, or holiday, the period is extended to the next day that is not a Saturday, Sunday, or holiday.

(c) Any bill introduced during the first year of the biennium of the legislative session that has not been passed by the house of origin by January 31 of the second calendar year of the biennium may no longer be acted on by the house. No bill may be passed by either house on or after September 1 of an even-numbered year except statutes calling elections, statutes providing for tax levies or appropriations for the usual current expenses of the State, and urgency statutes, and bills passed after being vetoed by the Governor.

(d) The Legislature may not present any bill to the Governor after November 15 of the second calendar year of the biennium of the legislative session.

(e) The Governor may reduce or eliminate one or more items of appropriation while approving other portions of a bill. The Governor shall append to the bill a statement of the items reduced or eliminated with the reasons for the action. The Governor shall transmit to the house originating the bill a copy of the statement and reasons. Items reduced or eliminated shall be separately reconsidered and may be passed over the Governor's veto in the same manner as bills.

(f) (1) If, following the enactment of the budget bill for the 2004–05 fiscal year or any subsequent fiscal year, the Governor determines that, for that fiscal year, General Fund revenues will decline substantially below the estimate of General Fund revenues upon which the budget bill for that fiscal year, as enacted, was based, or General Fund expenditures will increase substantially above that estimate of General Fund revenues, or both, the Governor may issue a proclamation declaring a fiscal emergency and shall thereupon cause the Legislature to assemble in special session for this purpose. The proclamation shall identify the nature of the fiscal emergency and shall be submitted by the Governor to the Legislature, accompanied by proposed legislation to address the fiscal emergency.

(2) If the Legislature fails to pass and send to the Governor a bill or bills to address the fiscal emergency by the 45th day following the issuance of the proclamation, the Legislature may not act on any other bill, nor may the Legislature adjourn for a joint recess, until that bill or those bills have been passed and sent to the Governor.

(3) A bill addressing the fiscal emergency declared pursuant to this section shall contain a statement to that effect. [*As amended March 2, 2004.*]

[*Committees*]

[*Governor's Budget—Budget Bill—Other Appropriations*]

SEC. 12. (a) Within the first 10 days of each calendar year, the Governor shall submit to the Legislature, with an explanatory message, a budget for the ensuing fiscal year containing itemized statements for recommended state expenditures and estimated state revenues. If recommended expenditures exceed estimated revenues, the Governor shall recommend the sources from which the additional revenues should be provided.

(b) The Governor and the Governor-elect may require a state agency, officer or employee to furnish whatever information is deemed necessary to prepare the budget.

(c) (1) The budget shall be accompanied by a budget bill itemizing recommended expenditures.

(2) The budget bill shall be introduced immediately in each house by the persons chairing the committees that consider the budget.

(3) The Legislature shall pass the budget bill by midnight on June 15 of each year.

(4) Until the budget bill has been enacted, the Legislature shall not send to the Governor for consideration any bill appropriating funds for expenditure during the fiscal year for which the budget bill is to be enacted, except emergency bills recommended by the Governor or appropriations for the salaries and expenses of the Legislature.

(d) No bill except the budget bill may contain more than one item of appropriation, and that for one certain, expressed purpose. Appropriations from the General Fund of the State, except appropriations for the public schools, are void unless passed in each house by rollcall vote entered in the journal, two-thirds of the membership concurring.

(e) The Legislature may control the submission, approval, and enforcement of budgets and the filing of claims for all state agencies.

(f) For the 2004–05 fiscal year, or any subsequent fiscal year, the Legislature may not send to the Governor for consideration, nor may the Governor sign into law, a budget bill that would appropriate from the General Fund, for that fiscal year, a total amount that, when combined with all appropriations from the General Fund for that fiscal year made as of the date of the budget bill's passage, and the amount of any General Fund moneys transferred to the Budget Stabilization Account for that fiscal year pursuant to Section 20 of Article XVI, exceeds General Fund revenues for that fiscal year estimated as of the date of the budget bill's passage. That estimate of General Fund revenues shall be set forth in the budget bill passed by the Legislature. [*As amended March 2, 2004.*]

(b) No state officer may accept any honorarium. The Legislature shall enact laws that implement this subdivision.

[*State Officers—Gifts—Conflict of Interest*]

(c) The Legislature shall enact laws that ban or strictly limit the acceptance of a gift by a state officer from any source if the acceptance of the gift might create a conflict of interest.

As used in this subdivision, “public generally” includes an industry, trade, or profession. However, a state officer may engage in activities involving a board or agency which are strictly on his or her own behalf, appear in the capacity of an attorney before any court or the Workers’ Compensation Appeals Board, or act as an advocate without compensation or make an inquiry for information on behalf of a person before a board or agency. Their terms are 12 years beginning the Monday after January 1 following their election, except that a judge elected to an unexpired term serves the remainder of the term. In creating a new court of appeal district or division the Legislature shall provide that the first elective terms are 4, 8, and 12 years.

(b) Judges of superior courts shall be elected in their counties at general elections except as otherwise necessary to meet the requirements of federal law. In the latter case the Legislature, by two-thirds vote of the membership of each house thereof, with the advice of judges within the affected court, may provide for their election by the system prescribed in subdivision (d), or by any other arrangement. The Legislature may provide that an unopposed incumbent's name not appear on the ballot.

(c) Terms of judges of superior courts are six years beginning the Monday after January 1 following their election. A vacancy shall be filled by election to a full term at the next general election after the second January 1 following the vacancy, but the Governor shall appoint a person to fill the vacancy temporarily until the elected judge's term begins.

(d) (1) Within 30 days before August 16 preceding the expiration of the judge's term, a judge of the Supreme Court or a court of appeal may file a declaration of candidacy to succeed to the office presently held by the judge. If the declaration is not filed, the Governor before September 16 shall nominate a candidate. At the next general election, only the candidate so declared or nominated may appear on the ballot, which shall present the question whether the candidate shall be elected. The candidate shall be elected upon receiving a majority of the votes on the question. A candidate not elected may not be appointed to that court but later may be nominated and elected.

A judge of a trial court of record may, however, become eligible for election to other public office by taking a leave of absence without pay prior to filing a declaration of candidacy. Acceptance of the public office is a resignation from the office of judge.

A judicial officer may not receive fines or fees for personal use.

A judicial officer may not earn retirement service credit from a public teaching position while holding judicial office. [*As amended November 8, 1988.*]

[*Judges—Discipline*]

SEC. 18. (a) A judge is disqualified from acting as a judge, without loss of salary, while there is pending (1) an indictment or an information charging the judge in the United States with a crime punishable as a felony under California or federal law, or (2) a petition to the Supreme Court to review a determination by the Commission on Judicial Performance to remove or retire a judge.

(b) The Commission on Judicial Performance may disqualify a judge from acting as a judge, without loss of salary, upon notice of formal proceedings by the commission charging the judge with judicial misconduct or disability.

(c) The Commission on Judicial Performance shall suspend a judge from office without salary when in the United States the judge pleads guilty or no contest or is found guilty of a crime punishable as a felony under California or federal law or of any other crime that involves moral turpitude under that law. If the conviction is reversed, suspension terminates, and the judge shall be paid the salary for the judicial office held by the judge for the period of suspension. If the judge is suspended and the conviction becomes final, the Commission on Judicial Performance shall remove the judge from office.

(d) Except as provided in subdivision (f), the Commission on Judicial Performance may (1) retire a judge for disability that seriously interferes with the performance of the judge's duties and is or is likely to become permanent, or (2) censure a judge or former judge or remove a judge for

action occurring not more than 6 years prior to the commencement of the judge's current term or of the former judge's last term that constitutes willful misconduct in office, persistent failure or inability to perform the judge's duties, habitual intemperance in the use of intoxicants or drugs, or conduct prejudicial to the administration of justice that brings the judicial office into disrepute, or (3) publicly or privately admonish a judge or former judge found to have engaged in an improper action or dereliction of duty. The commission may also bar a former judge who has been censured from receiving an assignment, appointment, or reference of work from any California state court. Upon petition by the judge or former judge, the Supreme Court may, in its discretion, grant review of a determination by the commission to retire, remove, censure, admonish, or disqualify pursuant to subdivision (b) a judge or former judge. When the Supreme Court reviews a determination of the commission, it may make an independent review of the record. If the Supreme Court has not acted within 120 days after granting the petition, the decision of the commission shall be final.

(e) A judge retired by the commission shall be considered to have retired voluntarily. A judge removed by the commission is ineligible for judicial office, including receiving an assignment, appointment, or reference of work from any California state court, and pending further order of the court is suspended from practicing law in this State. The State Bar may institute appropriate attorney disciplinary proceedings against any judge who retires or resigns from office with judicial disciplinary charges pending.

(f) A determination by the Commission on Judicial Performance to admonish or censure a judge or former judge of the Supreme Court or remove or retire a judge of the Supreme Court shall be reviewed by a tribunal of 7 court of appeal judges selected by lot.

(g) No court, except the Supreme Court, shall have jurisdiction in a civil action or other legal proceeding of any sort brought against the commission by a judge. Any request for injunctive relief or other provisional remedy shall be granted or denied within 90 days of the filing of the request for relief. A failure to comply with the time requirements of this section does not affect the validity of commission proceedings.

(h) Members of the commission, the commission staff, and the examiners and investigators employed by the commission shall be absolutely immune from suit for all conduct at any time in the course of their official duties. No civil action may be maintained against a person, or adverse employment action taken against a person, by any employer, public or private, based on statements presented by the person to the commission.

(i) The Commission on Judicial Performance shall make rules implementing this section, including, but not limited to, the following:

(1) The commission shall make rules for the investigation of judges. The commission may provide for the confidentiality of complaints to and investigations by the commission.

(2) The commission shall make rules for formal proceedings against judges when there is cause to believe there is a disability or wrongdoing within the meaning of subdivision (d).

(j) When the commission institutes formal proceedings, the notice of charges, the answer, and all subsequent papers and proceedings shall be open to the public for all formal proceedings instituted after February 28, 1995.

(k) The commission may make explanatory statements.

(l) The budget of the commission shall be separate from the budget of any other state agency or court.

(m) The Supreme Court shall make rules for the conduct of judges, both on and off the bench, and for judicial candidates in the conduct of their campaigns. These rules shall be referred to as the Code of Judicial Ethics. [*As amended November 8, 1994. Operative March 1, 1995.*]

[*Subordinate Judicial Officers—Discipline*]

SEC. 18.1. The Commission on Judicial Performance shall exercise discretionary jurisdiction with regard to the oversight and discipline of subordinate judicial officers, according to the same standards, and subject to review upon petition to the Supreme Court, as specified in Section 18.

No person who has been found unfit to serve as a subordinate judicial officer after a hearing before the Commission on Judicial Performance shall have the requisite status to serve as a subordinate judicial officer.

This section does not diminish or eliminate the responsibility of a court to exercise initial jurisdiction to discipline or dismiss a subordinate judicial officer as its employee. [*New section adopted June 2, 1998.*]

[*Disciplined Judge Under Consideration for Judicial Appointment*]

SEC. 18.5. (a) Upon request, the Commission on Judicial Performance shall provide to the Governor of any State of the Union the text of any private admonishment, advisory letter, or other disciplinary action together with any information that the Commission on Judicial Performance deems necessary to a full understanding of the commission's action, with respect to any applicant whom the Governor of any State of the Union indicates is under consideration for any judicial appointment.

(b) Upon request, the Commission on Judicial Performance shall provide the President of the United States the text of any private admonishment, advisory letter, or other disciplinary action together with any information that the Commission on Judicial Performance deems necessary to

[*Taxation of Local Government Real Property*]

SEC. 11. (a) Lands owned by a local government that are outside its boundaries, including rights to use or divert water from surface or underground sources and any other interests in lands, are taxable if (1) they are located in Inyo or Mono County and (a) they were assessed for taxation to the local government in Inyo County as of the 1966 lien date, or in Mono County as of the 1967 lien date, whether or not the assessment was valid when made, or (b) they were acquired by the local government subsequent to that lien date and were assessed to a prior owner as of that lien date and each lien date thereafter, or (2) they are located outside Inyo or Mono County and were taxable when acquired by the local government. Improvements owned by a local government that are outside its boundaries

are taxable if they were taxable when acquired or were constructed by the local government to replace improvements which were taxable when acquired.

(b) Taxable land belonging to a local government and located in Inyo County shall be assessed in any year subsequent to 1968 at the place where it was assessed as of the 1966 lien date and in an amount derived by multiplying its 1966 assessed value by the ratio of the statewide per capita assessed value of land as of the last lien date prior to the current lien date to \$766, using civilian population only. Taxable land belonging to a local government and located in Mono County shall be assessed in any year subsequent to 1968 at the place where it was assessed as of the 1967 lien date and in an amount determined by the preceding formula except that the 1967 lien date, the 1967 assessed value, and the figure \$856 shall be used in the formula. Taxable land belonging to a local government and located outside of Inyo and Mono counties shall be assessed at the place where located and in an amount that does not exceed the lower of (1) its fair market value times the prevailing percentage of fair market value at which other lands are assessed and (2) a figure derived in the manner specified in this Section for land located in Mono County.

If land acquired by a local government after the lien date of the base year specified in this Section was assessed in the base year as part of a larger parcel, the assessed value of the part in the base year shall be that fraction of the assessed value of the larger parcel that the area of the part is of the area of the larger parcel.

If a local government divests itself of ownership of land without water rights and this land was assessed in Inyo County as of the 1966 lien date or in Mono County as of the 1967 lien date, the divestment shall not diminish the quantity of water rights assessable and taxable at the place where assessed as of that lien date.

(c) In the event the Legislature changes the prevailing percentage of fair market value at which land is assessed for taxation, there shall be used in the computations required by Section 11(b) of this Article, for the first year for which the new percentage is applicable, in lieu of the statewide per capita assessed value of land as of the last lien date prior to the current lien date, the statewide per capita assessed value of land on the prior lien date times the ratio of the new prevailing percentage of fair market value to the previous prevailing percentage.

(d) If, after March 1954, a taxable improvement is replaced while owned by and in possession of a local government, the replacement improvement shall be assessed, as long as it is owned by a local government, as other improvements are except that the assessed value shall not exceed the product of (1) the percentage at which privately owned improvements are assessed times (2) the highest full value ever used for taxation of the improvement that has been replaced. For purposes of this calculation, the

full value for any year prior to 1967 shall be conclusively presumed to be 4 times the assessed value in that year.

(e) No tax, charge, assessment, or levy of any character, other than those taxes authorized by Sections 11(a) to 11(d), inclusive, of this Article, shall be imposed upon one local government by another local government that is based or calculated upon the consumption or use of water outside the boundaries of the government imposing it.

(f) Any taxable interest of any character, other than a lease for agricultural purposes and an interest of a local government, in any land owned by a local government that is subject to taxation pursuant to Section 11(a) of this Article shall be taxed in the same manner as other taxable interests. The aggregate value of all the interests subject to taxation pursuant to Section 11(a), however, shall not exceed the value of all interests in the land less the taxable value of the interest of any local government ascertained as provided in Sections 11(a) to 11(e), inclusive, of this Article.

(g) Any assessment made pursuant to Sections 11(a) to 11(d), inclusive, of this Article shall be subject to review, equalization, and adjustment by the State Board of Equalization, but an adjustment shall conform to the provisions of these Sections. [*New section adopted November 5, 1974.*]

[*Unsecured Property Tax Rate*]

SEC. 12. (a) Except as provided in subdivision (b), taxes on personal property, possessory interests in land, and taxable improvements located on land exempt from taxation which are not a lien upon land sufficient in value to secure their payment shall be levied at the rates for the preceding tax year upon property of the same kind where the taxes were a lien upon land sufficient in value to secure their payment.

(b) In any year in which the assessment ratio is changed, the Legislature shall adjust the rate described in subdivision (a) to maintain equality between property on the secured and unsecured rolls. [*As amended November 2, 1976.*]

[*County Board of Equalization—Assessment Appeals Board*]

SEC. 16. The county board of supervisors, or one or more assessment appeals boards created by the county board of supervisors, shall constitute the county board of equalization for a county. Two or more county boards of supervisors may jointly create one or more assessment appeals boards which shall constitute the county board of equalization for each of the participating counties.

Except as provided in subdivision (g) of Section 11, the county board of equalization, under such rules of notice as the county board may prescribe, shall equalize the values of all property on the local assessment roll by adjusting individual assessments.

County boards of supervisors shall fix the compensation for members of assessment appeals boards, furnish clerical and other assistance for those boards, adopt rules of notice and procedures for those boards as may be required to facilitate their work and to insure uniformity in the processing and decision of equalization petitions, and may provide for their discontinuance.

The Legislature shall provide for: (a) the number and qualifications of members of assessment appeals boards, the manner of selecting, appointing, and removing them, and the terms for which they serve, and (b) the procedure by which two or more county boards of supervisors may jointly create one or more assessment appeals boards. [*New section adopted November 5, 1974.*]

[*Board of Equalization*]

cal assessment rolls. In the event a property tax is levied by the State, however, the effects of unequalized local assessment levels, to the extent any remain after such adjustments, shall be corrected for purposes of distributing this tax by equalizing the assessment levels of locally and state-assessed properties and varying the rate of the state tax inversely with the counties' respective assessment levels. [*New section adopted November 5, 1974.*]

SEC. 19. [*Repealed November 5, 1974. See Section 19, below.*]

This property shall be subject to taxation to the same extent and in the same manner as other property.

No other tax or license charge may be imposed on these companies which differs from that imposed on mercantile, manufacturing, and other business corporations. This restriction does not release a utility company from payments agreed on or required by law for a special privilege or franchise granted by a government body.

The Legislature may authorize Board assessment of property owned or used by other public utilities.

The Board may delegate to a local assessor the duty to assess a property used but not owned by a state assessee on which the taxes are to be paid by a local assessee. [*New section adopted November 5, 1974.*]

(ii) The Legislature enacts an urgency statute, pursuant to a bill passed in each house of the Legislature by rollcall vote entered in the journal, two-thirds of the membership concurring, that contains a suspension of subparagraph (A) for that fiscal year and does not contain any other provision.

(iii) No later than the effective date of the statute described in clause (ii), a statute is enacted that provides for the full repayment to local agencies of the total amount of revenue losses, including interest as provided by law, resulting from the modification of ad valorem property tax revenue allocations to local agencies. This full repayment shall be made not later than the end of the third fiscal year immediately following the fiscal year to which the modification applies.

(C) (i) Subparagraph (A) shall not be suspended for more than two fiscal years during any period of 10 consecutive fiscal years, which period begins with the first fiscal year for which subparagraph (A) is suspended.

(ii) Subparagraph (A) shall not be suspended during any fiscal year if the full repayment required by a statute enacted in accordance with clause (iii) of subparagraph (B) has not yet been completed.

(iii) Subparagraph (A) shall not be suspended during any fiscal year if the amount that was required to be paid to cities, counties, and cities and counties under Section 10754.11 of the Revenue and Taxation Code, as that section read on November 3, 2004, has not been paid in full prior to the effective date of the statute providing for that suspension as described in clause (ii) of subparagraph (B).

(iv) A suspension of subparagraph (A) shall not result in a total ad valorem property tax revenue loss to all local agencies within a county that exceeds 8 percent of the total amount of ad valorem property tax revenues that were allocated among all local agencies within that county for the fiscal year immediately preceding the fiscal year for which subparagraph (A) is suspended.

(2) (A) Except as otherwise provided in subparagraphs (B) and (C), restrict the authority of a city, county, or city and county to impose a tax rate under, or change the method of distributing revenues derived under, the Bradley-Burns Uniform Local Sales and Use Tax Law set forth in Part 1.5 (commencing with Section 7200) of Division 2 of the Revenue and Taxation Code, as that law read on November 3, 2004. The restriction imposed

by this subparagraph also applies to the entitlement of a city, county, or city and county to the change in tax rate resulting from the end of the revenue exchange period, as defined in Section 7203.1 of the Revenue and Taxation Code as that section read on November 3, 2004.

(B) The Legislature may change by statute the method of distributing the revenues derived under a use tax imposed pursuant to the Bradley-Burns Uniform Local Sales and Use Tax Law to allow the State to participate in an interstate compact or to comply with federal law.

(C) The Legislature may authorize by statute two or more specifically identified local agencies within a county, with the approval of the governing body of each of those agencies, to enter into a contract to exchange allocations of ad valorem property tax revenues for revenues derived from a tax rate imposed under the Bradley-Burns Uniform Local Sales and Use Tax Law. The exchange under this subparagraph of revenues derived from a tax rate imposed under that law shall not require voter approval for the continued imposition of any portion of an existing tax rate from which those revenues are derived.

(3) Except as otherwise provided in subparagraph (C) of paragraph (2), change for any fiscal year the pro rata shares in which ad valorem property tax revenues are allocated among local agencies in a county other than pursuant to a bill passed in each house of the Legislature by rollcall vote entered in the journal, two-thirds of the membership concurring.

(4) Extend beyond the revenue exchange period, as defined in Section 7203.1 of the Revenue and Taxation Code as that section read on November 3, 2004, the suspension of the authority, set forth in that section on that date, of a city, county, or city and county to impose a sales and use tax rate under the Bradley-Burns Uniform Local Sales and Use Tax Law.

(5) Reduce, during any period in which the rate authority suspension described in paragraph (4) is operative, the payments to a city, county, or city and county that are required by Section 97.68 of the Revenue and Taxation Code, as that section read on November 3, 2004.

(6) Restrict the authority of a local entity to impose a transactions and use tax rate in accordance with the Transactions and Use Tax Law (Part 1.6 (commencing with Section 7251) of Division 2 of the Revenue and Taxation Code), or change the method for distributing revenues derived under a transaction and use tax rate imposed under that law, as it read on November 3, 2004.

(b) For purposes of this section, the following definitions apply:

(1) "Ad valorem property tax revenues" means all revenues derived from the tax collected by a county under subdivision (a) of Section 1 of Article XIII A, regardless of any of this revenue being otherwise classified by statute.

(2) “Local agency” has the same meaning as specified in Section 95 of the Revenue and Taxation Code as that section read on November 3, 2004. [*New section adopted November 2, 2004.*]

property. The one percent (1%) tax to be collected by the counties and apportioned according to law to the districts within the counties.

[*Exceptions to Limitation*]

(b) The limitation provided for in subdivision (a) shall not apply to ad valorem taxes or special assessments to pay the interest and redemption charges on any of the following:

(1) Indebtedness approved by the voters prior to July 1, 1978.

(2) Bonded indebtedness for the acquisition or improvement of real property approved on or after July 1, 1978, by two-thirds of the votes cast by the voters voting on the proposition.

(3) Bonded indebtedness incurred by a school district, community college district, or county office of education for the construction, reconstruction, rehabilitation, or replacement of school facilities, including the furnishing and equipping of school facilities, or the acquisition or lease of real property for school facilities, approved by 55 percent of the voters of the district or county, as appropriate, voting on the proposition on or after the effective date of the measure adding this paragraph. This paragraph shall apply only if the proposition approved by the voters and resulting in the bonded indebtedness includes all of the following accountability requirements:

*[Valuation of Real Property—Appraised Value After 1975
Assessment—Replacement Dwelling]*

SEC. 2. (a) The “full cash value” means the county assessor’s valuation of real property as shown on the 1975–76 tax bill under “full cash value” or, thereafter, the appraised value of real property when purchased, newly constructed, or a change in ownership has occurred after the 1975 assessment. All real property not already assessed up to the 1975–76 full cash value may be reassessed to reflect that valuation. For purposes of this section, “newly constructed” does not include real property that is reconstructed after a disaster, as declared by the Governor, where the fair market value of the real property, as reconstructed, is comparable to its fair market value prior to the disaster. Also, the term “newly constructed” does not include the portion of reconstruction or improvement to a structure, constructed of unreinforced masonry bearing wall construction, necessary to comply with any local ordinance relating to seismic safety during the first 15 years following that reconstruction or improvement.

However, the Legislature may provide that, under appropriate circumstances and pursuant to definitions and procedures established by the Legislature, any person over the age of 55 years who resides in property that is eligible for the homeowner’s exemption under subdivision (k) of Section 3 of Article XIII and any implementing legislation may transfer the base year value of the property entitled to exemption, with the adjustments authorized by subdivision (b), to any replacement dwelling of equal or lesser value located within the same county and purchased or newly constructed by that person as his or her principal residence within two years of the sale of the original property. For purposes of this section, “any person over the age of 55 years” includes a married couple one member of which is over the age of 55 years. For purposes of this section, “replacement dwelling” means a building, structure, or other shelter constituting a place of abode, whether real property or personal property, and any land on which it may be situated. For purposes of this section, a two-dwelling unit shall be considered as two separate single-family dwellings. This paragraph shall apply to any replacement dwelling that was purchased or newly constructed on or after November 5, 1986.

In addition, the Legislature may authorize each county board of supervisors, after consultation with the local affected agencies within the county’s boundaries, to adopt an ordinance making the provisions of this subdivision relating to transfer of base year value also applicable to situations in which the replacement dwellings are located in that county and the original properties are located in another county within this State. For purposes of this paragraph, “local affected agency” means any city, special district, school district, or community college district that receives an annual property tax revenue allocation. This paragraph shall apply to any replacement dwelling that was purchased or newly constructed on or after

the date the county adopted the provisions of this subdivision relating to transfer of base year value, but shall not apply to any replacement dwelling that was purchased or newly constructed before November 9, 1988.

The Legislature may extend the provisions of this subdivision relating to the transfer of base year values from original properties to replacement dwellings of homeowners over the age of 55 years to severely disabled homeowners, but only with respect to those replacement dwellings purchased or newly constructed on or after the effective date of this paragraph.

[Full Cash Value Reflecting Inflationary Rate]

(b) The full cash value base may reflect from year to year the inflationary rate not to exceed 2 percent for any given year or reduction as shown in the consumer price index or comparable data for the area under taxing jurisdiction, or may be reduced to reflect substantial damage, destruction, or other factors causing a decline in value.

["Newly Constructed"]

(c) For purposes of subdivision (a), the Legislature may provide that the term "newly constructed" does not include any of the following:

- (1) The construction or addition of any active solar energy system.
- (2) The construction or installation of any fire sprinkler system, other fire extinguishing system, fire detection system, or fire-related egress improvement, as defined by the Legislature, that is constructed or installed after the effective date of this paragraph.
- (3) The construction, installation, or modification on or after the effective date of this paragraph of any portion or structural component of a single- or multiple-family dwelling that is eligible for the homeowner's exemption if the construction, installation, or modification is for the purpose of making the dwelling more accessible to a severely disabled person.
- (4) The construction or installation of seismic retrofitting improvements or improvements utilizing earthquake hazard mitigation technologies, that are constructed or installed in existing buildings after the effective date of this paragraph. The Legislature shall define eligible improvements. This exclusion does not apply to seismic safety reconstruction or improvements that qualify for exclusion pursuant to the last sentence of the first paragraph of subdivision (a).
- (5) The construction, installation, removal, or modification on or after the effective date of this paragraph of any portion or structural component of an existing building or structure if the construction, installation, removal, or modification is for the purpose of making the building more accessible to, or more usable by, a disabled person.

[*“Change in Ownership”*]

(d) For purposes of this section, the term “change in ownership” does not include the acquisition of real property as a replacement for comparable property if the person acquiring the real property has been displaced from the property replaced by eminent domain proceedings, by acquisition by a public entity, or governmental action that has resulted in a judgment of inverse condemnation. The real property acquired shall be deemed comparable to the property replaced if it is similar in size, utility, and function, or if it conforms to state regulations defined by the Legislature governing the relocation of persons displaced by governmental actions. The provisions of this subdivision shall be applied to any property acquired after March 1, 1975, but shall affect only those assessments of that property that occur after the provisions of this subdivision take effect.

[*Disasters—Replacement Property*]

(e) (1) Notwithstanding any other provision of this section, the Legislature shall provide that the base year value of property that is substantially damaged or destroyed by a disaster, as declared by the Governor, may be transferred to comparable property within the same county that is acquired or newly constructed as a replacement for the substantially damaged or destroyed property.

(2) Except as provided in paragraph (3), this subdivision shall apply to any comparable replacement property acquired or newly constructed on or after July 1, 1985, and to the determination of base year values for the 1985–86 fiscal year and fiscal years thereafter.

(3) In addition to the transfer of base year value of property within the same county that is permitted by paragraph (1), the Legislature may authorize each county board of supervisors to adopt, after consultation with affected local agencies within the county, an ordinance allowing the transfer of the base year value of property that is located within another county in the State and is substantially damaged or destroyed by a disaster, as declared by the Governor, to comparable replacement property of equal or lesser value that is located within the adopting county and is acquired or newly constructed within three years of the substantial damage or destruction of the original property as a replacement for that property. The scope and amount of the benefit provided to a property owner by the transfer of base year value of property pursuant to this paragraph shall not exceed the scope and amount of the benefit provided to a property owner by the transfer of base year value of property pursuant to subdivision (a). For purposes of this paragraph, “affected local agency” means any city, special district, school district, or community college district that receives an annual allocation of ad valorem property tax revenues. This paragraph shall apply to any comparable replacement property that is acquired or newly constructed as a replacement for property substantially damaged or destroyed

by a disaster, as declared by the Governor, occurring on or after October 20, 1991, and to the determination of base year values for the 1991–92 fiscal year and fiscal years thereafter.

(f) For the purposes of subdivision (e):

(1) Property is substantially damaged or destroyed if it sustains physical damage amounting to more than 50 percent of its value immediately before the disaster. Damage includes a diminution in the value of property as a result of restricted access caused by the disaster.

(2) Replacement property is comparable to the property substantially damaged or destroyed if it is similar in size, utility, and function to the property that it replaces, and if the fair market value of the acquired property is comparable to the fair market value of the replaced property prior to the disaster.

[Real Property Transfers between Spouses]

(g) For purposes of subdivision (a), the terms “purchased” and “change in ownership” do not include the purchase or transfer of real property between spouses since March 1, 1975, including, but not limited to, all of the following:

(1) Transfers to a trustee for the beneficial use of a spouse, or the surviving spouse of a deceased transferor, or by a trustee of such a trust to the spouse of the trustor.

(2) Transfers to a spouse that take effect upon the death of a spouse.

(3) Transfers to a spouse or former spouse in connection with a property settlement agreement or decree of dissolution of a marriage or legal separation.

(4) The creation, transfer, or termination, solely between spouses, of any coowner’s interest.

(5) The distribution of a legal entity’s property to a spouse or former spouse in exchange for the interest of the spouse in the legal entity in connection with a property settlement agreement or a decree of dissolution of a marriage or legal separation.

[Real Property Transfers between Family Members]

(h) (1) For purposes of subdivision (a), the terms “purchased” and “change in ownership” do not include the purchase or transfer of the principal residence of the transferor in the case of a purchase or transfer between parents and their children, as defined by the Legislature, and the purchase or transfer of the first one million dollars (\$1,000,000) of the full cash value of all other real property between parents and their children, as defined by the Legislature. This subdivision shall apply to both voluntary transfers and transfers resulting from a court order or judicial decree.

(2) (A) Subject to subparagraph (B), commencing with purchases or transfers that occur on or after the date upon which the measure adding

this paragraph becomes effective, the exclusion established by paragraph (1) also applies to a purchase or transfer of real property between grandparents and their grandchild or grandchildren, as defined by the Legislature, that otherwise qualifies under paragraph (1), if all of the parents of that grandchild or those grandchildren, who qualify as the children of the grandparents, are deceased as of the date of the purchase or transfer.

(B) A purchase or transfer of a principal residence shall not be excluded pursuant to subparagraph (A) if the transferee grandchild or grandchildren also received a principal residence, or interest therein, through another purchase or transfer that was excludable pursuant to paragraph (1). The full cash value of any real property, other than a principal residence, that was transferred to the grandchild or grandchildren pursuant to a purchase or transfer that was excludable pursuant to paragraph (1), and the full cash value of a principal residence that fails to qualify for exclusion as a result of the preceding sentence, shall be included in applying, for purposes of subparagraph (A), the one million dollar (\$1,000,000) full cash value limit specified in paragraph (1).

[Contaminated Property]

(i) (1) Notwithstanding any other provision of this section, the Legislature shall provide with respect to a qualified contaminated property, as defined in paragraph (2), that either, but not both, of the following shall apply:

(A) (i) Subject to the limitation of clause (ii), the base year value of the qualified contaminated property, as adjusted as authorized by subdivision (b), may be transferred to a replacement property that is acquired or newly constructed as a replacement for the qualified contaminated property, if the replacement real property has a fair market value that is equal to or less than the fair market value of the qualified contaminated property if that property were not contaminated and, except as otherwise provided by this clause, is located within the same county. The base year value of the qualified contaminated property may be transferred to a replacement real property located within another county if the board of supervisors of that other county has, after consultation with the affected local agencies within that county, adopted a resolution authorizing an intercounty transfer of base year value as so described.

(ii) This subparagraph applies only to replacement property that is acquired or newly constructed within five years after ownership in the qualified contaminated property is sold or otherwise transferred.

(B) In the case in which the remediation of the environmental problems on the qualified contaminated property requires the destruction of, or results in substantial damage to, a structure located on that property, the term "new construction" does not include the repair of a substantially damaged structure, or the construction of a structure replacing a destroyed structure

on the qualified contaminated property, performed after the remediation of the environmental problems on that property, provided that the repaired or replacement structure is similar in size, utility, and function to the original structure.

(2) For purposes of this subdivision, “qualified contaminated property” means residential or nonresidential real property that is all of the following:

(A) In the case of residential real property, rendered uninhabitable, and in the case of nonresidential real property, rendered unusable, as the result of either environmental problems, in the nature of and including, but not limited to, the presence of toxic or hazardous materials, or the remediation of those environmental problems, except where the existence of the environmental problems was known to the owner, or to a related individual or entity as described in paragraph (3), at the time the real property was acquired or constructed. For purposes of this subparagraph, residential real property is “uninhabitable” if that property, as a result of health hazards caused by or associated with the environmental problems, is unfit for human habitation, and nonresidential real property is “unusable” if that property, as a result of health hazards caused by or associated with the environmental problems, is unhealthy and unsuitable for occupancy.

(B) Located on a site that has been designated as a toxic or environmental hazard or as an environmental cleanup site by an agency of the State of California or the federal government.

(C) Real property that contains a structure or structures thereon prior to the completion of environmental cleanup activities, and that structure or structures are substantially damaged or destroyed as a result of those environmental cleanup activities.

(D) Stipulated by the lead governmental agency, with respect to the environmental problems or environmental cleanup of the real property, not to have been rendered uninhabitable or unusable, as applicable, as described in subparagraph (A), by any act or omission in which an owner of that real property participated or acquiesced.

(3) It shall be rebuttably presumed that an owner of the real property participated or acquiesced in any act or omission that rendered the real property uninhabitable or unusable, as applicable, if that owner is related to any individual or entity that committed that act or omission in any of the following ways:

(A) Is a spouse, parent, child, grandparent, grandchild, or sibling of that individual.

(B) Is a corporate parent, subsidiary, or affiliate of that entity.

(C) Is an owner of, or has control of, that entity.

(D) Is owned or controlled by that entity.

If this presumption is not overcome, the owner shall not receive the relief provided for in subparagraph (A) or (B) of paragraph (1). The pre-

sumption may be overcome by presentation of satisfactory evidence to the assessor, who shall not be bound by the findings of the lead governmental agency in determining whether the presumption has been overcome.

(4) This subdivision applies only to replacement property that is acquired or constructed on or after January 1, 1995, and to property repairs performed on or after that date.

ARTICLE XIII B*

GOVERNMENT SPENDING LIMITATION

[*Total Annual Appropriations*]

SECTION 1. The total annual appropriations subject to limitation of the State and of each local government shall not exceed the appropriations limit of the entity of government for the prior year adjusted for the change in the cost of living and the change in population, except as otherwise provided in this article. [*As amended June 5, 1990. Operative July 1, 1990.*]

[*Appropriations Limit Annual Calculation—Review*]

SEC. 1.5. The annual calculation of the appropriations limit under this article for each entity of local government shall be reviewed as part of an annual financial audit. [*New section adopted June 5, 1990. Operative July 1, 1990.*]

[*Revenues in Excess of Limitation*]

SEC. 2. (a)(1) Fifty percent of all revenues received by the State in a fiscal year and in the fiscal year immediately following it in excess of the amount which may be appropriated by the State in compliance with this article during that fiscal year and the fiscal year immediately following it shall be transferred and allocated, from a fund established for that purpose, pursuant to Section 8.5 of Article XVI.

(2) Fifty percent of all revenues received by the State in a fiscal year and in the fiscal year immediately following it in excess of the amount which may be appropriated by the State in compliance with this article during that fiscal year and the fiscal year immediately following it shall be returned by a revision of tax rates or fee schedules within the next two subsequent fiscal years.

(b) All revenues received by an entity of government, other than the State, in a fiscal year and in the fiscal year immediately following it in excess of the amount which may be appropriated by the entity in compliance with this article during that fiscal year and the fiscal year immediately following it shall be returned by a revision of tax rates or fee schedules within the next two subsequent fiscal years. [*As amended June 5, 1990. Operative July 1, 1990.*]

* New Article XIII B adopted November 6, 1979. Operative commencing first day of fiscal year following adoption. Initiative measure.

[*Appropriations Limit—Adjustments*]

SEC. 3. The appropriations limit for any fiscal year pursuant to Sec. 1 shall be adjusted as follows:

(a) In the event that the financial responsibility of providing services is transferred, in whole or in part, whether by annexation, incorporation or otherwise, from one entity of government to another, then for the year in which such transfer becomes effective the appropriations limit of the transferee entity shall be increased by such reasonable amount as the said entities shall mutually agree and the appropriations limit of the transferor entity shall be decreased by the same amount.

(b) In the event that the financial responsibility of providing services is transferred, in whole or in part, from an entity of government to a private entity, or the financial source for the provision of services is transferred, in whole or in part, from other revenues of an entity of government, to regulatory licenses, user charges or user fees, then for the year of such transfer the appropriations limit of such entity of government shall be decreased accordingly.

(c) (1) In the event an emergency is declared by the legislative body of an entity of government, the appropriations limit of the affected entity of government may be exceeded provided that the appropriations limits in the following three years are reduced accordingly to prevent an aggregate increase in appropriations resulting from the emergency.

(2) In the event an emergency is declared by the Governor, appropriations approved by a two-thirds vote of the legislative body of an affected entity of government to an emergency account for expenditures relating to that emergency shall not constitute appropriations subject to limitation. As used in this paragraph, “emergency” means the existence, as declared by the Governor, of conditions of disaster or extreme peril to the safety of persons and property within the State, or parts thereof, caused by such conditions as attack or probable or imminent attack by an enemy of the United States, fire, flood, drought, storm, civil disorder, earthquake, or volcanic eruption. [Contingency, Emergency, Unemployment, Etc., Funds—Contributions—Withdrawals—Transfers]

SEC. 5. Each entity of government may establish such contingency, emergency, unemployment, reserve, retirement, sinking fund, trust, or similar funds as it shall deem reasonable and proper. Contributions to any such fund, to the extent that such contributions are derived from the proceeds of taxes, shall for purposes of this Article constitute appropriations subject to limitation in the year of contribution. Neither withdrawals from any such fund, nor expenditures of (or authorizations to expend) such withdrawals, nor transfers between or among such funds, shall for purposes of this Article constitute appropriations subject to limitation. [New section adopted November 6, 1979. Operative commencing first day of fiscal year following adoption. Initiative measure.]

[Prudent State Reserve]

SEC. 5.5. *Prudent State Reserve.* The Legislature shall establish a prudent state reserve fund in such amount as it shall deem reasonable and necessary. [Mandates of New Programs or Higher Levels of Service]

SEC. 6. (a) Whenever the Legislature or any state agency mandates a new program or higher level of service on any local government, the State shall provide a subvention of funds to reimburse that local government for the costs of the program or increased level of service, except that the Legislature may, but need not, provide a subvention of funds for the following mandates:

- (1) Legislative mandates requested by the local agency affected.
- (2) Legislation defining a new crime or changing an existing definition of a crime.
- (3) Legislative mandates enacted prior to January 1, 1975, or executive orders or regulations initially implementing legislation enacted prior to January 1, 1975.

(b) (1) Except as provided in paragraph (2), for the 2005–06 fiscal year and every subsequent fiscal year, for a mandate for which the costs of a local government claimant have been determined in a preceding fiscal year to be payable by the State pursuant to law, the Legislature shall either appropriate, in the annual Budget Act, the full payable amount that has not been previously paid, or suspend the operation of the mandate for the fiscal year for which the annual Budget Act is applicable in a manner prescribed by law.

(2) Payable claims for costs incurred prior to the 2004–05 fiscal year that have not been paid prior to the 2005–06 fiscal year may be paid over a term of years, as prescribed by law.

(3) Ad valorem property tax revenues shall not be used to reimburse a local government for the costs of a new program or higher level of service.

(4) This subdivision applies to a mandate only as it affects a city, county, city and county, or special district.

(5) This subdivision shall not apply to a requirement to provide or recognize any procedural or substantive protection, right, benefit, or employment status of any local government employee or retiree, or of any local government employee organization, that arises from, affects, or directly relates to future, current, or past local government employment and that constitutes a mandate subject to this section.

(c) A mandated new program or higher level of service includes a transfer by the Legislature from the State to cities, counties, cities and counties, or special districts of complete or partial financial responsibility for a required program for which the State previously had complete or partial financial responsibility. [*As amended November 2, 2004.*]

[*Bonded Indebtedness*]

SEC. 7. Nothing in this Article shall be construed to impair the ability of the State or of any local government to meet its obligations with respect to existing or future bonded indebtedness. [*New section adopted November 6, 1979. Operative commencing first day of fiscal year following adoption. Initiative measure.*]

[*Definitions*]

SEC. 8. As used in this article and except as otherwise expressly provided herein:

(a) “Appropriations subject to limitation” of the State means any authorization to expend during a fiscal year the proceeds of taxes levied by or for the State, exclusive of state subventions for the use and operation of local government (other than subventions made pursuant to Section 6) and further exclusive of refunds of taxes, benefit payments from retirement, unemployment insurance, and disability insurance funds.

(b) “Appropriations subject to limitation” of an entity of local government means any authorization to expend during a fiscal year the proceeds of taxes levied by or for that entity and the proceeds of state subventions to that entity (other than subventions made pursuant to Section 6) exclusive of refunds of taxes.

(c) “Proceeds of taxes” shall include, but not be restricted to, all tax revenues and the proceeds to an entity of government, from (1) regulatory licenses, user charges, and user fees to the extent that those proceeds exceed the costs reasonably borne by that entity in providing the regulation,

product, or service, and (2) the investment of tax revenues. With respect to any local government, "proceeds of taxes" shall include subventions received from the State, other than pursuant to Section 6, and, with respect to the State, proceeds of taxes shall exclude such subventions.

(d) "Local government" means any city, county, city and county, school district, special district, authority, or other political subdivision of or within the State.

(e) (1) "Change in the cost of living" for the State, a school district, or a community college district means the percentage change in California per capita personal income from the preceding year.

(2) "Change in the cost of living" for an entity of local government, other than a school district or a community college district, shall be either (A) the percentage change in California per capita personal income from the preceding year, or (B) the percentage change in the local assessment roll from the preceding year for the jurisdiction due to the addition of local nonresidential new construction. Each entity of local government shall select its change in the cost of living pursuant to this paragraph annually by a recorded vote of the entity's governing body.

(f) "Change in population" of any entity of government, other than the State, a school district, or a community college district, shall be determined by a method prescribed by the Legislature.

"Change in population" of a school district or a community college district shall be the percentage change in the average daily attendance of the school district or community college district from the preceding fiscal year, as determined by a method prescribed by the Legislature.

"Change in population" of the State shall be determined by adding (1) the percentage change in the State's population multiplied by the percentage of the State's budget in the prior fiscal year that is expended for other than educational purposes for kindergarten and grades one to 12, inclusive, and the community colleges, and (2) the percentage change in the total statewide average daily attendance in kindergarten and grades one to 12, inclusive, and the community colleges, multiplied by the percentage of the State's budget in the prior fiscal year that is expended for educational purposes for kindergarten and grades one to 12, inclusive, and the community colleges.

Any determination of population pursuant to this subdivision, other than that measured by average daily attendance, shall be revised, as necessary, to reflect the periodic census conducted by the United States Department of Commerce, or successor department.

(g) "Debt service" means appropriations required to pay the cost of interest and redemption charges, including the funding of any reserve or sinking fund required in connection therewith, on indebtedness existing or legally authorized as of January 1, 1979, or on bonded indebtedness there-

after approved according to law by a vote of the electors of the issuing entity voting in an election for that purpose.

(h) The “appropriations limit” of each entity of government for each fiscal year is that amount which total annual appropriations subject to limitation may not exceed under Sections 1 and 3. However, the “appropriations limit” of each entity of government for fiscal year 1978–79 is the total of the appropriations subject to limitation of the entity for that fiscal year. For fiscal year 1978–79, state subventions to local governments, exclusive of federal grants, are deemed to have been derived from the proceeds of state taxes.

(i) Except as otherwise provided in Section 5, “appropriations subject to limitation” do not include local agency loan funds or indebtedness funds, investment (or authorizations to invest) funds of the State, or of an entity of local government in accounts at banks or savings and loan associations or in liquid securities. [*As amended June 5, 1990. Operative July 1, 1990.*]

[*Exceptions to Appropriations Subject to Limitation*]

SEC. 9. “Appropriations subject to limitation” for each entity of government do not include:

(a) Appropriations for debt service.

(b) Appropriations required to comply with mandates of the courts or the federal government which, without discretion, require an expenditure for additional services or which unavoidably make the provision of existing services more costly.

(c) Appropriations of any special district which existed on January 1, 1978, and which did not as of the 1977–78 fiscal year levy an ad valorem tax on property in excess of 12½ cents per \$100 of assessed value; or the appropriations of any special district then existing or thereafter created by a vote of the people, which is totally funded by other than the proceeds of taxes.

(d) Appropriations for all qualified capital outlay projects, as defined by the Legislature.

(e) Appropriations of revenue which are derived from any of the following:

(1) That portion of the taxes imposed on motor vehicle fuels for use in motor vehicles upon public streets and highways at a rate of more than nine cents (\$0.09) per gallon.

(2) Sales and use taxes collected on that increment of the tax specified in paragraph (1).

(3) That portion of the weight fee imposed on commercial vehicles which exceeds the weight fee imposed on those vehicles on January 1, 1990. [*As amended June 5, 1990. Operative July 1, 1990.*]

[*Effective Date of Article*]

SEC. 10. This Article shall be effective commencing with the first day of the fiscal year following its adoption. [*New section adopted November 6, 1979. Operative commencing first day of fiscal year following adoption. Initiative measure.*]

[*Appropriations Limit on or after July 1, 1990*]

SEC. 10.5. For fiscal years beginning on or after July 1, 1990, the appropriations limit of each entity of government shall be the appropriations limit for the 1986–87 fiscal year adjusted for the changes made from that fiscal year pursuant to this article, as amended by the measure adding this section, adjusted for the changes required by Section 3. [*New section adopted June 5, 1990. Operative July 1, 1990.*]

[*Category Added or Removed from Appropriations Subject to Limitation—Severability*]

SEC. 11. If any appropriation category shall be added to or removed from appropriations subject to limitation, pursuant to final judgment of any court of competent jurisdiction and any appeal therefrom, the appropriations limit shall be adjusted accordingly. If any section, part, clause or phrase in this Article is for any reason held invalid or unconstitutional, the remaining portions of this Article shall not be affected but shall remain in full force and effect. [*New section adopted November 6, 1979. Operative commencing first day of fiscal year following adoption. Initiative measure.*]

[*Exceptions to Appropriations Subject to Limitation*]

SEC. 12. “Appropriations subject to limitation” of each entity of government shall not include appropriations of revenue from the Cigarette and Tobacco Products Surtax Fund created by the Tobacco Tax and Health Protection Act of 1988. No adjustment in the appropriations limit of any entity of government shall be required pursuant to Section 3 as a result of revenue being deposited in or appropriated from the Cigarette and Tobacco Products Surtax Fund created by the Tobacco Tax and Health Protection Act of 1988. [*New section adopted November 8, 1988. Initiative measure.*]

[*Exceptions to Appropriations Subject to Limitation*]

SEC. 13. “Appropriations subject to limitation” of each entity of government shall not include appropriations of revenue from the California Children and Families First Trust Fund created by the California Children and Families First Act of 1998. No adjustment in the appropriations limit of any entity of government shall be required pursuant to Section 3 as a result of revenue being deposited in or appropriated from the California Children and Families First Trust Fund. The surtax created by the Cali-

fornia Children and Families First Act of 1998 shall not be considered General Fund revenues for the purposes of Section 8 of Article XVI. [*New section adopted November 3, 1998. Initiative measure.*]

ARTICLE XIII C *

VOTER APPROVAL FOR LOCAL TAX LEVIES

SECTION 1. Definitions. As used in this article:

(a) "General tax" means any tax imposed for general governmental purposes.

(b) "Local government" means any county, city, city and county, including a charter city or county, any special district, or any other local or regional governmental entity.

(c) "Special district" means an agency of the State, formed pursuant to general law or a special act, for the local performance of governmental or proprietary functions with limited geographic boundaries including, but not limited to, school districts and redevelopment agencies.

(d) "Special tax" means any tax imposed for specific purposes, including a tax imposed for specific purposes, which is placed into a general fund. [*New section adopted November 5, 1996. Initiative measure.*]

SEC. 2. Local Government Tax Limitation. Notwithstanding any other provision of this Constitution:

(a) All taxes imposed by any local government shall be deemed to be either general taxes or special taxes. Special purpose districts or agencies, including school districts, shall have no power to levy general taxes.

(b) No local government may impose, extend, or increase any general tax unless and until that tax is submitted to the electorate and approved by a majority vote. A general tax shall not be deemed to have been increased if it is imposed at a rate not higher than the maximum rate so approved. The election required by this subdivision shall be consolidated with a regularly scheduled general election for members of the governing body of the local government, except in cases of emergency declared by a unanimous vote of the governing body.

(c) Any general tax imposed, extended, or increased, without voter approval, by any local government on or after January 1, 1995, and prior to the effective date of this article, shall continue to be imposed only if approved by a majority vote of the voters voting in an election on the issue of the imposition, which election shall be held within two years of the effective date of this article and in compliance with subdivision (b).

(d) No local government may impose, extend, or increase any special tax unless and until that tax is submitted to the electorate and approved by a two-thirds vote. A special tax shall not be deemed to have been increased

if it is imposed at a rate not higher than the maximum rate so approved. [*New section adopted November 5, 1996. Initiative measure.*]

SEC. 3. Initiative Power for Local Taxes, Assessments, Fees and Charges. Notwithstanding any other provision of this Constitution, including, but not limited to, Sections 8 and 9 of Article II, the initiative power shall not be prohibited or otherwise limited in matters of reducing or repealing any local tax, assessment, fee or charge. The power of initiative to affect local taxes, assessments, fees and charges shall be applicable to all local governments and neither the Legislature nor any local government charter shall impose a signature requirement higher than that applicable to statewide statutory initiatives. [*New section adopted November 5, 1996. Initiative measure.*]

ARTICLE XIII D*

ASSESSMENT AND PROPERTY-RELATED FEE REFORM

SECTION 1. Application. Notwithstanding any other provision of law, the provisions of this article shall apply to all assessments, fees and charges, whether imposed pursuant to state statute or local government charter authority. Nothing in this article or Article XIII C shall be construed to:

(a) Provide any new authority to any agency to impose a tax, assessment, fee, or charge.

(b) Affect existing laws relating to the imposition of fees or charges as a condition of property development.

(c) Affect existing laws relating to the imposition of timber yield taxes. [*New section adopted November 5, 1996. Initiative measure.*]

SEC. 2. Definitions. As used in this article:

(a) "Agency" means any local government as defined in subdivision (b) of Section 1 of Article XIII C.

(b) "Assessment" means any levy or charge upon real property by an agency for a special benefit conferred upon the real property. "Assessment" includes, but is not limited to, "special assessment," "benefit assessment," "maintenance assessment" and "special assessment tax."

(c) "Capital cost" means the cost of acquisition, installation, construction, reconstruction, or replacement of a permanent public improvement by an agency.

(d) "District" means an area determined by an agency to contain all parcels which will receive a special benefit from a proposed public improvement or property-related service.

(e) "Fee" or "charge" means any levy other than an ad valorem tax, a special tax, or an assessment, imposed by an agency upon a parcel or upon

* New Article XIII D adopted November 5, 1996. Initiative measure.

a person as an incident of property ownership, including a user fee or charge for a property-related service.

(f) “Maintenance and operation expenses” means the cost of rent, repair, replacement, rehabilitation, fuel, power, electrical current, care, and supervision necessary to properly operate and maintain a permanent public improvement.

(g) “Property ownership” shall be deemed to include tenancies of real property where tenants are directly liable to pay the assessment, fee, or charge in question.

(h) “Property-related service” means a public service having a direct relationship to property ownership.

(i) “Special benefit” means a particular and distinct benefit over and above general benefits conferred on real property located in the district or to the public at large. General enhancement of property value does not constitute “special benefit.” [*New section adopted November 5, 1996. Initiative measure.*]

SEC. 3. Property Taxes, Assessments, Fees and Charges Limited. (a) No tax, assessment, fee, or charge shall be assessed by any agency upon any parcel of property or upon any person as an incident of property ownership except:

(1) The ad valorem property tax imposed pursuant to Article XIII and Article XIII A.

(2) Any special tax receiving a two-thirds vote pursuant to Section 4 of Article XIII A.

(3) Assessments as provided by this article.

(4) Fees or charges for property-related services as provided by this article.

(b) For purposes of this article, fees for the provision of electrical or gas service shall not be deemed charges or fees imposed as an incident of property ownership. [*New section adopted November 5, 1996. Initiative measure.*]

SEC. 4. Procedures and Requirements for All Assessments. (a) An agency which proposes to levy an assessment shall identify all parcels which will have a special benefit conferred upon them and upon which an assessment will be imposed. The proportionate special benefit derived by each identified parcel shall be determined in relationship to the entirety of the capital cost of a public improvement, the maintenance and operation expenses of a public improvement, or the cost of the property-related service being provided. No assessment shall be imposed on any parcel which exceeds the reasonable cost of the proportional special benefit conferred on that parcel. Only special benefits are assessable, and an agency shall separate the general benefits from the special benefits conferred on a parcel. Parcels within a district that are owned or used by any agency, the State of California or the United States shall not be exempt from assess-

ment unless the agency can demonstrate by clear and convincing evidence that those publicly owned parcels in fact receive no special benefit.

(b) All assessments shall be supported by a detailed engineer's report prepared by a registered professional engineer certified by the State of California.

(c) The amount of the proposed assessment for each identified parcel shall be calculated and the record owner of each parcel shall be given written notice by mail of the proposed assessment, the total amount thereof chargeable to the entire district, the amount chargeable to the owner's particular parcel, the duration of the payments, the reason for the assessment and the basis upon which the amount of the proposed assessment was calculated, together with the date, time, and location of a public hearing on the proposed assessment. Each notice shall also include, in a conspicuous place thereon, a summary of the procedures applicable to the completion, return, and tabulation of the ballots required pursuant to subdivision (d), including a disclosure statement that the existence of a majority protest, as defined in subdivision (e), will result in the assessment not being imposed.

(d) Each notice mailed to owners of identified parcels within the district pursuant to subdivision (c) shall contain a ballot which includes the agency's address for receipt of the ballot once completed by any owner receiving the notice whereby the owner may indicate his or her name, reasonable identification of the parcel, and his or her support or opposition to the proposed assessment.

(e) The agency shall conduct a public hearing upon the proposed assessment not less than 45 days after mailing the notice of the proposed assessment to record owners of each identified parcel. At the public hearing, the agency shall consider all protests against the proposed assessment and tabulate the ballots. The agency shall not impose an assessment if there is a majority protest. A majority protest exists if, upon the conclusion of the hearing, ballots submitted in opposition to the assessment exceed the ballots submitted in favor of the assessment. In tabulating the ballots, the ballots shall be weighted according to the proportional financial obligation of the affected property.

(f) In any legal action contesting the validity of any assessment, the burden shall be on the agency to demonstrate that the property or properties in question receive a special benefit over and above the benefits conferred on the public at large and that the amount of any contested assessment is proportional to, and no greater than, the benefits conferred on the property or properties in question.

(g) Because only special benefits are assessable, electors residing within the district who do not own property within the district shall not be deemed under this Constitution to have been deprived of the right to vote for any assessment. If a court determines that the Constitution of the United States or other federal law requires otherwise, the assessment shall

not be imposed unless approved by a two-thirds vote of the electorate in the district in addition to being approved by the property owners as required by subdivision (e). [*New section adopted November 5, 1996. Initiative measure.*]

SEC. 5. Effective Date. Pursuant to subdivision (a) of Section 10 of Article II, the provisions of this article shall become effective the day after the election unless otherwise provided. Beginning July 1, 1997, all existing, new, or increased assessments shall comply with this article. Notwithstanding the foregoing, the following assessments existing on the effective date of this article shall be exempt from the procedures and approval process set forth in Section 4:

(a) Any assessment imposed exclusively to finance the capital costs or maintenance and operation expenses for sidewalks, streets, sewers, water, flood control, drainage systems or vector control. Subsequent increases in such assessments shall be subject to the procedures and approval process set forth in Section 4.

(b) Any assessment imposed pursuant to a petition signed by the persons owning all of the parcels subject to the assessment at the time the assessment is initially imposed. Subsequent increases in such assessments shall be subject to the procedures and approval process set forth in Section 4.

(c) Any assessment the proceeds of which are exclusively used to repay bonded indebtedness of which the failure to pay would violate the Contract Impairment Clause of the Constitution of the United States.

(d) Any assessment which previously received majority voter approval from the voters voting in an election on the issue of the assessment. Subsequent increases in those assessments shall be subject to the procedures and approval process set forth in Section 4. [*New section adopted November 5, 1996. Initiative measure.*]

SEC. 6. Property-Related Fees and Charges. (a) Procedures for New or Increased Fees and Charges. An agency shall follow the procedures pursuant to this section in imposing or increasing any fee or charge as defined pursuant to this article, including, but not limited to, the following:

(1) The parcels upon which a fee or charge is proposed for imposition shall be identified. The amount of the fee or charge proposed to be imposed upon each parcel shall be calculated. The agency shall provide written notice by mail of the proposed fee or charge to the record owner of each identified parcel upon which the fee or charge is proposed for imposition, the amount of the fee or charge proposed to be imposed upon each, the basis upon which the amount of the proposed fee or charge was calculated, the reason for the fee or charge, together with the date, time, and location of a public hearing on the proposed fee or charge.

(2) The agency shall conduct a public hearing upon the proposed fee or charge not less than 45 days after mailing the notice of the proposed fee or charge to the record owners of each identified parcel upon which the fee or charge is proposed for imposition. At the public hearing, the agency shall consider all protests against the proposed fee or charge. If written protests against the proposed fee or charge are presented by a majority of owners of the identified parcels, the agency shall not impose the fee or charge.

(b) Requirements for Existing, New or Increased Fees and Charges. A fee or charge shall not be extended, imposed, or increased by any agency unless it meets all of the following requirements:

(1) Revenues derived from the fee or charge shall not exceed the funds required to provide the property-related service.

(2) Revenues derived from the fee or charge shall not be used for any purpose other than that for which the fee or charge was imposed.

(3) The amount of a fee or charge imposed upon any parcel or person as an incident of property ownership shall not exceed the proportional cost of the service attributable to the parcel.

(4) No fee or charge may be imposed for a service unless that service is actually used by, or immediately available to, the owner of the property in question. Fees or charges based on potential or future use of a service are not permitted. Standby charges, whether characterized as charges or assessments, shall be classified as assessments and shall not be imposed without compliance with Section 4.

(5) No fee or charge may be imposed for general governmental services including, but not limited to, police, fire, ambulance or library services, where the service is available to the public at large in substantially the same manner as it is to property owners.

Reliance by an agency on any parcel map, including, but not limited to, an assessor's parcel map, may be considered a significant factor in determining whether a fee or charge is imposed as an incident of property ownership for purposes of this article. In any legal action contesting the validity of a fee or charge, the burden shall be on the agency to demonstrate compliance with this article.

(c) Voter Approval for New or Increased Fees and Charges. Except for fees or charges for sewer, water, and refuse collection services, no property-related fee or charge shall be imposed or increased unless and until that fee or charge is submitted and approved by a majority vote of the property owners of the property subject to the fee or charge or, at the option of the agency, by a two-thirds vote of the electorate residing in the affected area. The election shall be conducted not less than 45 days after the public hearing. An agency may adopt procedures similar to those for increases in assessments in the conduct of elections under this subdivision.

(d) Beginning July 1, 1997, all fees or charges shall comply with this section. [*New section adopted November 5, 1996. Initiative measure.*]

ARTICLE XVI

PUBLIC FINANCE

[*Heading as amended November 5, 1974.*]

[*State Indebtedness—Limitation—Two-thirds Vote to Submit Bond Law—Submission of Law to Electors*]

SECTION 1. The Legislature shall not, in any manner create any debt or debts, liability or liabilities, which shall, singly or in the aggregate with any previous debts or liabilities, exceed the sum of three hundred thousand dollars (\$300,000), except in case of war to repel invasion or suppress insurrection, unless the same shall be authorized by law for some single object or work to be distinctly specified therein which law shall provide ways and means, exclusive of loans, for the payment of the interest of such debt or liability as it falls due, and also to pay and discharge the principal of such debt or liability within 50 years of the time of the contracting thereof, and shall be irrevocable until the principal and interest thereon shall be paid and discharged, and such law may make provision for a sinking fund to pay the principal of such debt or liability to commence at a time after the incurring of such debt or liability of not more than a period of one-fourth of the time of maturity of such debt or liability; but no such law shall take effect unless it has been passed by a two-thirds vote of all the members elected to each house of the Legislature and until, at a general election or at a direct primary, it shall have been submitted to the people and shall have received a majority of all the votes cast for and against it at such election; and all moneys raised by authority of such law shall be applied only to the specific object therein stated or to the payment of the debt thereby created. Full publicity as to matters to be voted upon by the people is afforded by the setting out of the complete text of the proposed laws, together with the arguments for and against them, in the ballot pamphlet mailed to each elector preceding the election at which they are submitted, and the only requirement for publication of such law shall be that it be set out at length in ballot pamphlets which the Secretary of State shall cause to be printed. The Legislature may, at any time after the approval of such law by the people, reduce the amount of the indebtedness authorized by the law to an amount not less than the amount contracted at the time of the reduction, or it may repeal the law if no debt shall have been contracted in pursuance thereof.

Notwithstanding any other provision of this Constitution, Members of the Legislature who are required to meet with the State Allocation Board shall have equal rights and duties with the nonlegislative members to vote and act upon matters pending or coming before such board for the allocation and apportionment of funds to school districts for school construction purposes or purposes related thereto.

Notwithstanding any other provision of this constitution, or of any bond act to the contrary, if any general obligation bonds of the State heretofore or hereafter authorized by vote of the people have been offered for sale and not sold, the Legislature may raise the maximum rate of interest payable on all general obligation bonds authorized but not sold, whether or not such bonds have been offered for sale, by a statute passed by a two-thirds vote of all members elected to each house thereof.

The provisions of Senate Bill No. 763[†] of the 1969 Regular Session, which authorize an increase of the state general obligation bond maximum interest rate from 5 percent to an amount not in excess of 7 percent and eliminate the maximum rate of interest payable on notes given in anticipation of the sale of such bonds, are hereby ratified. [*As amended June 2, 1970.*]

[*Budget Deficits*]

SEC. 1.3. (a) For the purposes of Section 1, a “single object or work,” for which the Legislature may create a debt or liability in excess of three hundred thousand dollars (\$300,000) subject to the requirements set forth in Section 1, includes the funding of an accumulated state budget deficit to the extent, and in the amount, that funding is authorized in a measure submitted to the voters at the March 2, 2004, statewide primary election.

(b) As used in subdivision (a), “accumulated state budget deficit” means the aggregate of both of the following, as certified by the Director of Finance:

(1) The estimated negative balance of the Special Fund for Economic Uncertainties arising on or before June 30, 2004, not including the effect of the estimated amount of net proceeds of any bonds issued or to be issued pursuant to the California Fiscal Recovery Financing Act (Title 17 (commencing with Section 99000) of the Government Code) and any bonds issued or to be issued pursuant to the measure submitted to the voters at the March 2, 2004, statewide primary election as described in subdivision (a).

(2) Other General Fund obligations incurred by the State prior to June 30, 2004, to the extent not included in that negative balance.

(c) Subsequent to the issuance of any state bonds described in subdivision (a), the State may not obtain moneys to fund a year-end state budget deficit, as may be defined by statute, pursuant to any of the following: (1) indebtedness incurred pursuant to Section 1 of this article, (2) a debt obligation under which funds to repay that obligation are derived solely from a designated source of revenue, or (3) a bond or similar instrument for the borrowing of moneys for which there is no legal obligation of repayment. This subdivision does not apply to funding obtained through a short-term obligation incurred in anticipation of the receipt of tax proceeds or other

[†] Chapter 740.

revenues that may be applied to the payment of that obligation, for the purposes and not exceeding the amounts of existing appropriations to which the resulting proceeds are to be applied. For purposes of this subdivision, “year-end state budget deficit” does not include an obligation within the accumulated state budget deficit as defined by subdivision (b). [*New section adopted March 2, 2004.*]

[*General Obligation Bond Proceeds Fund*]

SEC. 1.5. The Legislature may create and establish a “General Obligation Bond Proceeds Fund” in the State Treasury, and may provide for the proceeds of the sale of general obligation bonds of the State heretofore or hereafter issued, including any sums paid as accrued interest thereon, under any or all acts authorizing the issuance of such bonds, to be paid into or transferred to, as the case may be, the “General Obligation Bond Proceeds Fund.” Accounts shall be maintained in the “General Obligation Bond Proceeds Fund” of all moneys deposited in the State Treasury to the credit of that fund and the proceeds of each bond issue shall be maintained as a separate and distinct account and shall be paid out only in accordance with the law authorizing the issuance of the particular bonds from which the proceeds were derived. The Legislature may abolish, subject to the conditions of this section, any fund in the State Treasury heretofore or hereafter created by any act for the purpose of having deposited therein the proceeds from the issuance of bonds if such proceeds are transferred to or paid into the “General Obligation Bond Proceeds Fund” pursuant to the authority granted in this section; provided, however, that nothing in this section shall prevent the Legislature from re-establishing any bond proceeds fund so abolished and transferring back to its credit all proceeds in the “General Obligation Bond Proceeds Fund” which constitute the proceeds of the particular bond fund being re-established. [*New section adopted November 6, 1962.*]

SEC. 2. [*Repealed November 6, 1962. See Section 2, below.*]

[*Bond Issues—Submission by Constitutional Amendment Prohibited—
Repeal of Certain Constitutional Provisions*]

SEC. 2. (a) No amendment to this Constitution which provides for the preparation, issuance and sale of bonds of the State of California shall hereafter be submitted to the electors, nor shall any such amendment to the Constitution hereafter submitted to or approved by the electors become effective for any purpose.

Each measure providing for the preparation, issuance and sale of bonds of the State of California shall hereafter be submitted to the electors in the form of a bond act or statute.

(b) The provisions of this Constitution enumerated in subdivision (c) of this section are repealed and such provisions are continued as statutes

which have been approved, adopted, legalized, ratified, validated, and made fully and completely effective, by means of the adoption by the electorate of a ratifying constitutional amendment, except that the Legislature, in addition to whatever powers it possessed under such provisions, may amend or repeal such provisions when the bonds issued thereunder have been fully retired and when no rights thereunder will be damaged.

(c) The enumerated provisions of this Constitution are: Article XVI, Sections 2, 3, 4, 4½, 5, 6, 8, 8½, 15, 16, 16.5, 17, 18, 19, 19.5, 20 and 21. [*New section adopted November 6, 1962.*]

[*Federal Funds*]

(1) Whenever federal funds are made available for the construction of hospital facilities by public agencies and nonprofit corporations organized to construct and maintain such facilities, nothing in this Constitution shall prevent the Legislature from making state money available for that purpose, or from authorizing the use of such money for the construction of hospital facilities by nonprofit corporations organized to construct and maintain such facilities.

cility and any other facility useful and convenient in the operation of the hospital and any original equipment for any such hospital or facility, or both.

[*Religious Institutions—Grants Prohibited*]

SEC. 5. SEC. 6. The Legislature shall have no power to give or to lend, or to authorize the giving or lending, of the credit of the State, or of any county, city and county, city, township or other political corporation or subdivision of the State now existing, or that may be hereafter established, in aid of or to any person, association, or corporation, whether municipal or otherwise, or to pledge the credit thereof, in any manner whatever, for the payment of the liabilities of any individual, association, municipal or other corporation whatever; nor shall it have power to make any gift or authorize the making of any gift, of any public money or thing of value to any individual, municipal or other corporation whatever; provided, that nothing in this section shall prevent the Legislature granting aid pursuant to Section 3 of Article XVI; and it shall not have power to authorize the State, or any political subdivision thereof, to subscribe for stock, or to become a stockholder in any corporation whatever; provided, further, that irrigation districts for the purpose of acquiring the control of any entire international water system necessary for its use and purposes, a part of which is situated in the United States, and a part thereof in a foreign country, may in the manner authorized by law, acquire the stock of any foreign corporation which is the owner of, or which holds the title to the part of such system

(C) This paragraph (3) shall be operative only in a fiscal year in which the percentage growth in California per capita personal income in a fiscal year is greater than the percentage growth in per capital General Fund revenues plus one half of one percent.

(c) In any fiscal year, if the amount computed pursuant to paragraph (1) of subdivision (b) exceeds the amount computed pursuant to paragraph (2) of subdivision (b) by a difference that exceeds one and one-half percent of General Fund revenues, the amount in excess of one and one-half percent of General Fund revenues shall not be considered allocations to school districts and community colleges for purposes of computing the amount of state aid pursuant to paragraph (2) or 3 of subdivision (b) in the subsequent fiscal year.

(d) In any fiscal year in which school districts and community college districts are allocated funding pursuant to paragraph (3) of subdivision (b) or pursuant to subdivision (h), they shall be entitled to a maintenance factor, equal to the difference between (1) the amount of General Fund moneys which would have been appropriated pursuant to paragraph (2) of subdivision (b) if that paragraph had been operative or the amount of General Fund moneys which would have been appropriated pursuant to subdivision (b) had subdivision (b) not been suspended, and (2) the amount of General Fund moneys actually appropriated to school districts and community college districts in that fiscal year.

(e) The maintenance factor for school districts and community college districts determined pursuant to subdivision (d) shall be adjusted annually for changes in enrollment, and adjusted for the change in the cost of living pursuant to paragraph (1) of subdivision (e) of Section 8 of Article XIII B, until it has been allocated in full. The maintenance factor shall be allocated in a manner determined by the Legislature in each fiscal year in which the percentage growth in per capita General Fund revenues exceeds the percentage growth in California per capita personal income. The maintenance factor shall be reduced each year by the amount allocated by the Legislature in that fiscal year. The minimum maintenance factor amount to be allocated in a fiscal year shall be equal to the product of General Fund rev-

enues from proceeds of taxes and one-half of the difference between the percentage growth in per capita General Fund revenues from proceeds of taxes and in California per capita personal income, not to exceed the total dollar amount of the maintenance factor.

(f) For purposes of this section, “changes in enrollment” shall be measured by the percentage change in average daily attendance. However, in any fiscal year, there shall be no adjustment for decreases in enrollment between the prior fiscal year and the current fiscal year unless there have been decreases in enrollment between the second prior fiscal year and the prior fiscal year and between the third prior fiscal year and the second prior fiscal year.

(h) Subparagraph (B) of paragraph (3) of subdivision (b) may be suspended for one year only when made part of or included within any bill enacted pursuant to Section 12 of Article IV. All other provisions of subdivision (b) may be suspended for one year by the enactment of an urgency statute pursuant to Section 8 of Article IV, provided that the urgency statute may not be made part of or included within any bill enacted pursuant to Section 12 of Article IV. (1) With respect to funds allocated to that portion of the State School Fund restricted for elementary and high school purposes, no transfer or allocation of funds pursuant to this section shall be required at any time that the Director of Finance and the Superintendent of Public Instruction mutually determine that current annual expenditures per student equal or exceed the average annual expenditure per student of the 10 states with the highest annual expenditures per student for elementary and high schools, and that average class size equals or is less than the average class size of the 10 states with the lowest class size for elementary and high schools.

(2) With respect to funds allocated to that portion of the State School Fund restricted for community college purposes, no transfer or allocation of funds pursuant to this section shall be required at any time that the Director of Finance and the Chancellor of the California Community Col-

(b) Notwithstanding the provisions of Article XIII B, funds allocated pursuant to this section shall not constitute appropriations subject to limitation.

(c) From any funds transferred to the State School Fund pursuant to subdivision (a), the Controller shall each year allocate to each school district and community college district an equal amount per enrollment in school districts from the amount in that portion of the State School Fund restricted for elementary and high school purposes and an equal amount per enrollment in community college districts from that portion of the State School Fund restricted for community college purposes.

[*Taxation of Redevelopment Projects*]

SEC. 16. All property in a redevelopment project established under the Community Redevelopment Law as now existing or hereafter amended, except publicly owned property not subject to taxation by reason of that ownership, shall be taxed in proportion to its value as provided in Section 1 of this article, and those taxes (the word "taxes" as used herein includes, but is not limited to, all levies on an ad valorem basis upon land or real property) shall be levied and collected as other taxes are levied and collected by the respective taxing agencies.

The Legislature may provide that any redevelopment plan may contain a provision that the taxes, if any, so levied upon the taxable property in a redevelopment project each year by or for the benefit of the State of California, any city, county, city and county, district, or other public corporation (hereinafter sometimes called "taxing agencies") after the effective date of the ordinance approving the redevelopment plan, shall be divided as follows:

(a) That portion of the taxes which would be produced by the rate upon which the tax is levied each year by or for each of those taxing agencies upon the total sum of the assessed value of the taxable property in the redevelopment project as shown upon the assessment roll used in connection with the taxation of that property by the taxing agency, last equalized prior to the effective date of the ordinance, shall be allocated to, and when collected shall be paid into, the funds of the respective taxing agencies as taxes by or for those taxing agencies on all other property are paid (for the

purpose of allocating taxes levied by or for any taxing agency or agencies which did not include the territory in a redevelopment project on the effective date of the ordinance but to which that territory has been annexed or otherwise included after the ordinance's effective date, the assessment roll of the county last equalized on the effective date of that ordinance shall be used in determining the assessed valuation of the taxable property in the project on that effective date); and

(b) Except as provided in subdivision (c), that portion of the levied taxes each year in excess of that amount shall be allocated to and when collected shall be paid into a special fund of the redevelopment agency to pay the principal of and interest on loans, moneys advanced to, or indebtedness (whether funded, refunded, assumed or otherwise) incurred by the redevelopment agency to finance or refinance, in whole or in part, the redevelopment project. Unless and until the total assessed valuation of the taxable property in a redevelopment project exceeds the total assessed value of the taxable property in the project as shown by the last equalized assessment roll referred to in subdivision (a), all of the taxes levied and collected upon the taxable property in the redevelopment project shall be paid into the funds of the respective taxing agencies. When the loans, advances, and indebtedness, if any, and interest thereon, have been paid, then all moneys thereafter received from taxes upon the taxable property in the redevelopment project shall be paid into the funds of the respective taxing agencies as taxes on all other property are paid.

(c) That portion of the taxes identified in subdivision (b) which are attributable to a tax rate levied by a taxing agency for the purpose of producing revenues in an amount sufficient to make annual repayments of the principal of, and the interest on, any bonded indebtedness for the acquisition or improvement of real property shall be allocated to, and when collected shall be paid into, the fund of that taxing agency. This paragraph shall only apply to taxes levied to repay bonded indebtedness approved by the voters of the taxing agency on or after January 1, 1989.

The Legislature may also provide that in any redevelopment plan or in the proceedings for the advance of moneys, or making of loans, or the incurring of any indebtedness (whether funded, refunded, assumed, or otherwise) by the redevelopment agency to finance or refinance, in whole or in part, the redevelopment project, the portion of taxes identified in subdivision (b), exclusive of that portion identified in subdivision (c), may be irrevocably pledged for the payment of the principal of and interest on those loans, advances, or indebtedness.

It is intended by this section to empower any redevelopment agency, city, county, or city and county under any law authorized by this section to exercise the provisions hereof separately or in combination with powers granted by the same or any other law relative to redevelopment agencies. This section shall not affect any other law or laws relating to the same or

a similar subject but is intended to authorize an alternative method of procedure governing the subject to which it refers.

The Legislature shall enact those laws as may be necessary to enforce the provisions of this section. [*As amended November 8, 1988.*]

SEC. 16.5. [*Repealed November 6, 1962.*]

[*State's Credit—Investment of Public Pension or Retirement Funds*]

SEC. 17. The State shall not in any manner loan its credit, nor shall it subscribe to, or be interested in the stock of any company, association, or corporation, except that the State and each political subdivision, district, municipality, and public agency thereof is hereby authorized to acquire and hold shares of the capital stock of any mutual water company or corporation when the stock is so acquired or held for the purpose of furnishing a supply of water for public, municipal or governmental purposes; and the holding of the stock shall entitle the holder thereof to all of the rights, powers and privileges, and shall subject the holder to the obligations and liabilities conferred or imposed by law upon other holders of stock in the mutual water company or corporation in which the stock is so held.

Notwithstanding any other provisions of law or this Constitution to the contrary, the retirement board of a public pension or retirement system shall have plenary authority and fiduciary responsibility for investment of moneys and administration of the system, subject to all of the following:

(a) The retirement board of a public pension or retirement system shall have the sole and exclusive fiduciary responsibility over the assets of the public pension or retirement system. The retirement board shall also have sole and exclusive responsibility to administer the system in a manner that will assure prompt delivery of benefits and related services to the participants and their beneficiaries. The assets of a public pension or retirement system are trust funds and shall be held for the exclusive purposes of providing benefits to participants in the pension or retirement system and their beneficiaries and defraying reasonable expenses of administering the system.

(b) The members of the retirement board of a public pension or retirement system shall discharge their duties with respect to the system solely in the interest of, and for the exclusive purposes of providing benefits to, participants and their beneficiaries, minimizing employer contributions thereto, and defraying reasonable expenses of administering the system. A retirement board's duty to its participants and their beneficiaries shall take precedence over any other duty.

(c) The members of the retirement board of a public pension or retirement system shall discharge their duties with respect to the system with the care, skill, prudence, and diligence under the circumstances then pre-

vailing that a prudent person acting in a like capacity and familiar with these matters would use in the conduct of an enterprise of a like character and with like aims.

(d) The members of the retirement board of a public pension or retirement system shall diversify the investments of the system so as to minimize the risk of loss and to maximize the rate of return, unless under the circumstances it is clearly not prudent to do so.

(e) The retirement board of a public pension or retirement system, consistent with the exclusive fiduciary responsibilities vested in it, shall have the sole and exclusive power to provide for actuarial services in order to assure the competency of the assets of the public pension or retirement system.

(f) With regard to the retirement board of a public pension or retirement system which includes in its composition elected employee members, the number, terms, and method of selection or removal of members of the retirement board which were required by law or otherwise in effect on July 1, 1991, shall not be changed, amended, or modified by the Legislature unless the change, amendment, or modification enacted by the Legislature is ratified by a majority vote of the electors of the jurisdiction in which the participants of the system are or were, prior to retirement, employed.

(g) The Legislature may by statute continue to prohibit certain investments by a retirement board where it is in the public interest to do so, and provided that the prohibition satisfies the standards of fiduciary care and loyalty required of a retirement board pursuant to this section.

(h) As used in this section, the term "retirement board" shall mean the board of administration, board of trustees, board of directors, or other governing body or board of a public employees' pension or retirement system; provided, however, that the term "retirement board" shall not be interpreted to mean or include a governing body or board created after July 1, 1991 which does not administer pension or retirement benefits, or the elected legislative body of a jurisdiction which employs participants in a public employees' pension or retirement system. [*As amended November 3, 1992. Initiative measure.*]

[*Municipal Debt Exceeding Income*]

SEC. 18. (a) No county, city, town, township, board of education, or school district, shall incur any indebtedness or liability in any manner or for any purpose exceeding in any year the income and revenue provided for such year, without the assent of two-thirds of the voters of the public entity voting at an election to be held for that purpose, except that with respect to any such public entity which is authorized to incur indebtedness for public school purposes, any proposition for the incurrence of indebtedness in the form of general obligation bonds for the purpose of repairing, reconstructing or replacing public school buildings determined, in the

manner prescribed by law, to be structurally unsafe for school use, shall be adopted upon the approval of a majority of the voters of the public entity voting on the proposition at such election; nor unless before or at the time of incurring such indebtedness provision shall be made for the collection of an annual tax sufficient to pay the interest on such indebtedness as it falls due, and provide for a sinking fund for the payment of the principal thereof, on or before maturity, which shall not exceed forty years from the time of contracting the indebtedness.

(b) Notwithstanding subdivision (a), on or after the effective date of the measure adding this subdivision, in the case of any school district, community college district, or county office of education, any proposition for the incurrence of indebtedness in the form of general obligation bonds for the construction, reconstruction, rehabilitation, or replacement of school facilities, including the furnishing and equipping of school facilities, or the acquisition or lease of real property for school facilities, shall be adopted upon the approval of 55 percent of the voters of the district or county, as appropriate, voting on the proposition at an election. This subdivision shall apply only to a proposition for the incurrence of indebtedness in the form of general obligation bonds for the purposes specified in this subdivision if the proposition meets all of the accountability requirements of paragraph (3) of subdivision (b) of Section 1 of Article XIII A.

(c) When two or more propositions for incurring any indebtedness or liability are submitted at the same election, the votes cast for and against each proposition shall be counted separately, and when two-thirds or a majority or 55 percent of the voters, as the case may be, voting on any one of those propositions, vote in favor thereof, the proposition shall be deemed adopted. [*As amended November 7, 2000. Initiative measure.*]

[*Public Improvement Proceedings by Chartered City or County*]

SEC. 19. All proceedings undertaken by any chartered city, or by any chartered county or by any chartered city and county for the construction of any public improvement, or the acquisition of any property for public use, or both, where the cost thereof is to be paid in whole or in part by special assessment or other special assessment taxes upon property, whether the special assessment will be specific or a special assessment tax upon property wholly or partially according to the assessed value of such property, shall be undertaken only in accordance with the provisions of law governing: (a) limitations of costs of such proceedings or assessments for such proceedings, or both, in relation to the value of any property assessed therefor; (b) determination of a basis for the valuation of any such property; (c) payment of the cost in excess of such limitations; (d) avoidance of such limitations; (e) postponement or abandonment, or both, of such proceedings in whole or in part upon majority protest, and particularly in accordance with such provisions as contained in Sections 10, 11 and 13a

of the Special Assessment Investigation, Limitation and Majority Protest Act of 1931 or any amendments, codification, reenactment or restatement thereof.

Notwithstanding any provisions for debt limitation or majority protest as in this section provided, if, after the giving of such reasonable notice by publication and posting and the holding of such public hearing as the legislative body of any such chartered county, chartered city or chartered city and county shall have prescribed, such legislative body by no less than a four-fifths vote of all members thereof, finds and determines that the public convenience and necessity require such improvements or acquisitions, such debt limitation and majority protest provisions shall not apply.

Nothing contained in this section shall require the legislative body of any such city, county, or city and county to prepare or to cause to be prepared, hear, notice for hearing or report the hearing of any report as to any such proposed construction or acquisition or both. [*New section adopted November 5, 1974.*]

SEC. 20. (a) The Budget Stabilization Account is hereby created in the General Fund.

(b) In each fiscal year as specified in paragraphs (1) to (3), inclusive, the Controller shall transfer from the General Fund to the Budget Stabilization Account the following amounts:

(1) No later than September 30, 2006, a sum equal to 1 percent of the estimated amount of General Fund revenues for the 2006–07 fiscal year.

(2) No later than September 30, 2007, a sum equal to 2 percent of the estimated amount of General Fund revenues for the 2007–08 fiscal year.

(3) No later than September 30, 2008, and annually thereafter, a sum equal to 3 percent of the estimated amount of General Fund revenues for the current fiscal year.

(c) The transfer of moneys shall not be required by subdivision (b) in any fiscal year to the extent that the resulting balance in the account would exceed 5 percent of the General Fund revenues estimate set forth in the budget bill for that fiscal year, as enacted, or eight billion dollars (\$8,000,000,000), whichever is greater. The Legislature may, by statute, direct the Controller, for one or more fiscal years, to transfer into the account amounts in excess of the levels prescribed by this subdivision.

(d) Subject to any restriction imposed by this section, funds transferred to the Budget Stabilization Account shall be deemed to be General Fund revenues for all purposes of this Constitution.

(e) The transfer of moneys from the General Fund to the Budget Stabilization Account may be suspended or reduced for a fiscal year as specified by an executive order issued by the Governor no later than June 1 of the preceding fiscal year.

(f) (1) Of the moneys transferred to the account in each fiscal year, 50 percent, up to the aggregate amount of five billion dollars (\$5,000,000,000) for all fiscal years, shall be deposited in the Deficit Recovery Bond Retirement Sinking Fund Subaccount, which is hereby created in the account for the purpose of retiring deficit recovery bonds authorized and issued as described in Section 1.3, in addition to any other payments provided for by law for the purpose of retiring those bonds. The moneys in the sinking fund subaccount are continuously appropriated to the Treasurer to be expended for that purpose in the amounts, at the times, and in the manner deemed appropriate by the Treasurer. Any finds remaining in the sinking fund subaccount after all of the deficit recovery bonds are retired shall be transferred to the account, and may be transferred to the General Fund pursuant to paragraph (2).

(2) All other funds transferred to the account in a fiscal year shall not be deposited in the sinking fund subaccount and may, by statute, be transferred to the General Fund. [*New section adopted March 2, 2004.*]

In the exercise of these rights and powers, the Legislature shall not constitute the State or any agency thereof a manufacturer or seller of alcoholic beverages.

[Licensed Premises—Types of Licenses]

All alcoholic beverages may be bought, sold, served, consumed and otherwise disposed of in premises which shall be licensed as provided by the Legislature. In providing for the licensing of premises, the Legislature may provide for the issuance of, among other licenses, licenses for the following types of premises where the alcoholic beverages specified in the licenses may be sold and served for consumption upon the premises:

(a) For bona fide public eating places, as defined by the Legislature.

(b) For public premises in which food shall not be sold or served as in a bona fide public eating place, but upon which premises the Legislature may permit the sale or service of food products incidental to the sale and service of alcoholic beverages. No person under the age of 21 years shall be permitted to enter and remain in any such premises without lawful business therein.

(c) For public premises for the sale and service of beers alone.

(d) Under such conditions as the Legislature may impose, for railroad dining or club cars, passenger ships, common carriers by air, and bona fide clubs after such clubs have been lawfully operated for not less than one year.

[Director of Alcoholic Beverage Control]

The Director of Alcoholic Beverage Control shall be the head of the Department of Alcoholic Beverage Control, shall be appointed by the Governor subject to confirmation by a majority vote of all of the members elected to the Senate, and shall serve at the pleasure of the Governor. The director may be removed from office by the Governor, and the Legislature

The director may appoint three persons who shall be exempt from civil service, in addition to the person he is authorized to appoint by Section 4 of Article XXIV.

[Department of Alcoholic Beverage Control—Powers—Duties]

The Department of Alcoholic Beverage Control shall have the exclusive power, except as herein provided and in accordance with laws enacted by the Legislature, to license the manufacture, importation and sale of alcoholic beverages in this State, and to collect license fees or occupation taxes on account thereof. The department shall have the power, in its discretion, to deny, suspend or revoke any specific alcoholic beverages license if it shall determine for good cause that the granting or continuance of such license would be contrary to public welfare or morals, or that a person seeking or holding a license has violated any law prohibiting conduct involving moral turpitude. It shall be unlawful for any person other than a licensee of said department to manufacture, import or sell alcoholic beverages in this State.

[Alcoholic Beverage Control Appeals Board]

The Alcoholic Beverage Control Appeals Board shall consist of three members appointed by the Governor, subject to confirmation by a majority vote of all of the members elected to the Senate. In such cases, the board shall not receive evidence in addition to that considered by the department. Review by the board of a decision of the department shall be limited to the questions whether the department has proceeded without or in excess of its jurisdiction, whether the department has proceeded in the manner required by law, whether the decision is supported by the findings,

and whether the findings are supported by substantial evidence in the light of the whole record. In appeals where the board finds that there is relevant evidence which, in the exercise of reasonable diligence, could not have been produced or which was improperly excluded at the hearing before the department it may enter an order remanding the matter to the department for reconsideration in the light of such evidence. In all other appeals the board shall enter an order either affirming or reversing the decision of the department. When the order reverses the decision of the department, the board may direct the reconsideration of the matter in the light of its order and may direct the department to take such further action as is specially enjoined upon it by law, but the order shall not limit or control in any way the discretion vested by law in the department. Orders of the board shall be subject to judicial review upon petition of the director or any party aggrieved by such order.

The State Board of Equalization shall assess and collect such excise taxes as are or may be imposed by the Legislature on account of the manufacture, importation and sale of alcoholic beverages in this State.

The Legislature may authorize, subject to reasonable restrictions, the sale in retail stores of alcoholic beverages contained in the original packages, where such alcoholic beverages are not to be consumed on the premises where sold; and may provide for the issuance of all types of licenses

necessary to carry on the activities referred to in the first paragraph of this section, including, but not limited to, licenses necessary for the manufacture, production, processing, importation, exportation, transportation, wholesaling, distribution, and sale of any and all kinds of alcoholic beverages.

The Legislature shall provide for apportioning the amounts collected for license fees or occupation taxes under the provisions hereof between the State and the cities, counties and cities and counties of the State, in such manner as the Legislature may deem proper.

All constitutional provisions and laws inconsistent with the provisions hereof are hereby repealed.

MEASURES SUBMITTED TO
VOTE OF ELECTORS

Special Statewide Election, November 8, 2005

EXECUTIVE DEPARTMENT
STATE OF CALIFORNIA

SPECIAL ELECTION PROCLAMATION
BY THE GOVERNOR OF THE STATE OF CALIFORNIA

I, Arnold Schwarzenegger, Governor of the State of California, pursuant to Article II, Section 8(c) of the California Constitution, and Section 12000 of the Elections Code, do hereby proclaim and order that a statewide special election shall be held on the 8th day of November, 2005, to submit to the voters the following qualified initiative measures:

- 1067. **Termination of Minor's Pregnancy. Waiting Period and Parental Notification. Initiative Constitutional Amendment.**
- 1084. **Public Employee Union Dues. Required Employee Consent for Political Contributions. Initiative Statute.**
- 1088. **Public School Teachers. Waiting Period for Permanent Status. Dismissal. Initiative Statute.**
- 1072. **Reapportionment. Initiative Constitutional Amendment.**
- 1131. **School Funding. State Spending. Initiative Constitutional Amendment.**

The following initiative measures are currently before the Secretary of State pending the verification of petition signatures. A number of these measures may qualify for the special election to be held November 8, 2005:

- 1106. **Prescription Drug Discounts. State-Negotiated Rebates. Initiative Statute.**
- 1114. **Electric Service Providers. Regulation. Initiative Statute.**
- 1129. **Prescription Drugs. Discounts. Initiative Statute.**

I believe the prompt consideration of Measure 1131, State Spending, by the voters is vital to the ability of the people to control their destiny and decide matters of immediate importance to California's future.

Although steadily improving, California's budget is still in crisis. To solve the State budget's continuing structural deficit, we must consider reform of the way the government spends its money. Measure 1131, State Spending, will allow voters to consider a new approach to state spending that overrides automatic formulas.

The funds necessary to pay the claims of local agencies arising from their costs incurred to conduct the special statewide election shall be included in the State Budget for the 2006–2007 fiscal year, or in an earlier enacted claims bill.

IN WITNESS WHEREOF I have hereunto set my hand and caused the Great Seal of the State of California to be affixed this 13th day of June, 2005.

ARNOLD SCHWARZENEGGER
Governor of California

PROPOSED LAW

SECTION 1. Title

This measure shall be known and may be cited as the Parents' Right to Know and Child Protection Initiative.

SEC. 2. Declaration of Findings and Purposes

The people of California have a special and compelling interest in and responsibility for protecting the health and well-being of children, ensuring that parents are properly informed of potential health-related risks to their children, and promoting parent-child communication and parental responsibility.

SEC. 3. Parental Notification

Section 32 is added to Article I of the California Constitution, to read:

SEC. 32. (a) For purposes of this section, the following terms shall be defined to mean:

(1) "Abortion" means the use of any means to terminate the pregnancy of an unemancipated minor female known to be pregnant with knowledge that the termination with those means will, with reasonable likelihood, cause the death of the unborn child, a child conceived but not yet born. For purposes of this section, "abortion" shall not include the use of any contraceptive drug or device.

(2) "Medical emergency" means a condition which, on the basis of the physician's good-faith clinical judgment, so complicates the medical condition of a pregnant unemancipated minor as to necessitate the immediate abortion of her pregnancy to avert her death or for which a delay will create serious risk of substantial and irreversible impairment of a major bodily function.

(3) "Notice" means a written notification, signed and dated by a physician or his or her agent and addressed to a parent or guardian, informing the parent or guardian that the unemancipated minor is pregnant and that she has requested an abortion.

(4) “Parent or guardian” means either parent if both parents have legal custody, or the parent or person having legal custody, or the legal guardian of a minor.

(5) “Unemancipated minor” means a female under the age of 18 years who has not entered into a valid marriage and is not on active duty with the armed services of the United States and has not received a declaration of emancipation under state law. For the purposes of this section, pregnancy does not emancipate a female under the age of 18 years.

(6) “Physician” means any person authorized under the statutes and regulations of the State of California to perform an abortion upon an unemancipated minor.

(b) Notwithstanding Section 1 of Article I, or any other provision of this Constitution or law to the contrary and except in a medical emergency as provided for in subdivision (f), a physician shall not perform an abortion upon a pregnant unemancipated minor until after the physician or the physician’s agent has first provided written notice to a parent or guardian either personally as provided for in subdivision (c) and a reflection period of at least 48 hours has elapsed after personal delivery of notice; or until the physician can presume that notice has been delivered by mail as provided in subdivision (d) and a reflection period of at least 48 hours has elapsed after presumed delivery of notice by mail; or until the physician or the physician’s agent has received from a parent or guardian a written waiver of notice as provided for in subdivision (e); or until the physician has received a copy of a waiver of notification from the court as provided in subdivision (h), (i), or (j). A copy of any notice or waiver shall be retained with the unemancipated minor’s medical records. The physician or the physician’s agent shall inform the unemancipated minor that her parent or guardian may receive notice as provided for in this section.

(c) The written notice shall be delivered to the parent or guardian personally by the physician or the physician’s agent. A form for the notice shall be prescribed by the State Department of Health Services. The notice form shall be bilingual, in English and Spanish, and also available in English and each of the other languages in which California Official Voter Information Guides are published.

(d) In lieu of the personal delivery required in subdivision (c), written notice may be made by certified mail addressed to the parent or guardian at the parent’s or guardian’s last known address with return receipt requested and restricted delivery to the addressee, which means a postal employee may only deliver the mail to the authorized addressee. To help ensure timely notice, a copy of the written notice shall also be sent at the same time by first-class mail to the parent or guardian. Notice can only be presumed to have been delivered under the provisions of this subdivision at noon of the second day after the written notice sent by certified mail was postmarked, not counting any days on which regular mail delivery does not take place.

(e) Notice of an unemancipated minor’s intent to obtain an abortion and the reflection period of at least 48 hours may be waived by a parent or guardian. The waiver must be in writing, on a form prescribed by the State Department of Health Services, signed by a parent or guardian, dated, and notarized. The written waiver need not be notarized if the parent or guardian personally delivers it to the physician or the physician’s agent. The form shall include the following statement: **“WARNING. It is a crime to knowingly provide false information to a physician or a physician’s agent for the purpose of inducing a physician or a physician’s agent to believe that a waiver of notice has been provided by a parent or guardian.”** The waiver form shall be bilingual, in English and Spanish, and also available in English and each of the other languages in which California Official Voter Information Guides are published.

(f) Notice shall not be required under this section if the attending physician certifies in the unemancipated minor’s medical records the medical indications

supporting the physician's good-faith clinical judgment that the abortion is necessary due to a medical emergency as defined in paragraph (2) of subdivision (a).

(g) Notice shall not be required under this section if waived pursuant to this subdivision and subdivision (h), (i), or (j). If the pregnant unemancipated minor elects not to permit notice to be given to a parent or guardian, she may file a petition with the juvenile court. If, pursuant to this subdivision, an unemancipated minor seeks to file a petition, the court shall assist the unemancipated minor or person designated by the unemancipated minor in preparing the petition and notifications required pursuant to this section. The petition shall set forth with specificity the unemancipated minor's reasons for the request. The court shall ensure that the minor's identity be kept confidential and that all court proceedings be sealed. No filing fee shall be required for filing a petition. An unemancipated pregnant minor shall appear personally in the proceedings in juvenile court and may appear on her own behalf or with counsel of her own choosing. The court shall, however, advise her that she has a right to court-appointed counsel upon request. The court shall appoint a guardian ad litem for her. The hearing shall be held by 5 p.m. on the second court day after filing the petition unless extended at the written request of the unemancipated minor, her guardian ad litem, or her counsel. If the guardian ad litem requests an extension, that extension may not be granted for more than one court day without the consent of the unemancipated minor or her counsel. The unemancipated minor shall be notified of the date, time, and place of the hearing on the petition. Judgment shall be entered within one court day of submission of the matter. The judge shall order a record of the evidence to be maintained, including the judge's written factual findings and legal conclusions supporting the decision.

(h) (1) If the judge finds, by clear and convincing evidence, that the unemancipated minor is sufficiently mature and well-informed to decide whether to have an abortion, the judge shall authorize a waiver of notice of a parent or guardian.

(2) If the judge finds, by clear and convincing evidence, that notice of a parent or guardian is not in the best interests of the unemancipated minor, the judge shall authorize a waiver of notice. If the finding that notice of a parent or guardian is not in the best interests of the minor is based on evidence of physical, sexual, or emotional abuse by a parent or guardian, the court shall ensure that such evidence is brought to the attention of the appropriate county child protective agency.

(3) If the judge does not make a finding specified in paragraph (1) or (2), the judge shall deny the petition.

(i) If the judge fails to rule within the time period specified in subdivision (g) and no extension was requested and granted, the petition shall be deemed granted and the notice requirement shall be waived.

(j) The unemancipated minor may appeal the judgment of the juvenile court at any time after the entry of judgment. The Judicial Council shall prescribe, by rule, the practice and procedure on appeal and the time and manner in which any record on appeal shall be prepared and filed and may prescribe forms for such proceedings. These procedures shall require that the hearing shall be held within three court days of filing the notice of appeal. The unemancipated minor shall be notified of the date, time, and place of the hearing. Judgment shall be entered within one court day of submission of the matter. The appellate court shall ensure that the unemancipated minor's identity be kept confidential and that all court proceedings be sealed. No filing fee shall be required for filing an appeal. Judgment on appeal shall be entered within one court day of submission of the matter.

(k) *The Judicial Council shall prescribe, by rule, the practice and procedure for petitions for waiver of parental notification, hearings and entry of judgment as it deems necessary and may prescribe forms for such proceedings. Each court shall provide annually to the Judicial Council, in a manner to be prescribed by the Judicial Council to ensure confidentiality of the unemancipated minors filing petitions, a report, by judge, of the number of petitions filed, the number of petitions granted under paragraph (1) or (2) of subdivision (h), deemed granted under subdivision (i), denied under paragraph (3) of subdivision (h), and granted and denied under subdivision (j), said reports to be publicly available unless the Judicial Council determines that the data contained in individual reports should be aggregated by court or by county before being made available to the public in order to preserve the confidentiality of the unemancipated minors filing petitions.*

(l) *The State Department of Health Services shall prescribe forms for the reporting of abortions performed on unemancipated minors by physicians. The report forms shall not identify the minor or her parent(s) or guardian by name or request other information by which the minor or her parent(s) or guardian might be identified. The forms shall include the date of the procedure and the unemancipated minor's month and year of birth, the duration of the pregnancy, the type of abortion procedure, the physician who performed the abortion, and the facility where the abortion was performed. The forms shall also indicate whether the abortion was performed at least 48 hours after either personal delivery of a notice pursuant to subdivision (c) or presumed delivery of a notice by mail pursuant to subdivision (d) to a parent or guardian; or was an abortion performed after a parent's or guardian's waiver of notice pursuant to subdivision (e); or was an emergency abortion performed without a notice pursuant to subdivision (f); or was an abortion performed after a judicial waiver of notice pursuant to paragraph (1) or (2) of subdivision (h) or subdivision (i) or (j).*

(m) *The physician who performs an abortion on an unemancipated minor shall within one month file a dated and signed report concerning it with the State Department of Health Services on forms prescribed pursuant to subdivision (l). The identity of the physician shall be kept confidential and shall not be subject to disclosure under the California Public Records Act.*

(n) *The State Department of Health Services shall compile an annual statistical report from the information specified in subdivision (l). The annual report shall not include the identity of any physician who filed a report as required by subdivision (m). The compilation shall include statistical information on the numbers of abortions by month and by county where performed, the minors' ages, the duration of the pregnancies, the types of abortion procedures, and the numbers of abortions performed after notice to a parent or guardian pursuant to subdivision (c) or (d); the numbers of emergency abortions performed without notice to a parent or guardian pursuant to subdivision (f); the numbers performed after a parent's or guardian's waiver of notice pursuant to subdivision (e); and the number of abortions performed after judicial waivers pursuant to paragraph (1) or (2) of subdivision (h) or subdivision (i) or (j). The annual statistical report shall be made available to county public health officials, Members of the Legislature, the Governor, and the public.*

(o) *Any person who performs an abortion on an unemancipated minor and in so doing knowingly or negligently fails to comply with the provisions of this section shall be liable for damages in a civil action brought by the unemancipated minor, her legal representative, or by a parent or guardian wrongfully denied notification. A person shall not be liable under this section if the person establishes by written evidence that the person relied upon evidence sufficient to convince a careful and*

prudent person that the representations of the unemancipated minor or other persons regarding information necessary to comply with this section were bona fide and true. At any time prior to the rendering of a final judgment in an action brought under this subdivision, the parent or guardian may elect to recover, in lieu of actual damages, an award of statutory damages in the amount of ten thousand dollars (\$10,000). In addition to any damages awarded under this subdivision, the plaintiff shall be entitled to an award of reasonable attorney's fees. Nothing in this section shall abrogate, limit, or restrict the common law rights of parents or guardians, or any right to relief under any theory of liability that any person or any state or local agency may have under any statute or common law for any injury or damage, including any legal, equitable, or administrative remedy under federal or state law, against any party, with respect to injury to an unemancipated minor from an abortion.

(p) Other than an unemancipated minor who is the patient of a physician, or other than the physician or the physician's agent, any person who knowingly provides false information to a physician or a physician's agent for the purpose of inducing the physician or the physician's agent to believe that pursuant to this section notice has been or will be delivered, or that a waiver of notice has been obtained, or that an unemancipated minor patient is not an unemancipated minor, is guilty of a misdemeanor punishable by a fine of up to one thousand dollars (\$1,000).

(q) Notwithstanding any notices delivered pursuant to subdivision (c) or (d) or waivers received pursuant to subdivision (e), paragraph (1) or (2) of subdivision (h), or subdivision (i) or (j), except where the particular circumstances of a medical emergency as defined in paragraph (2) of subdivision (a) or her own mental incapacity precludes obtaining her consent, a physician shall not perform or induce an abortion upon an unemancipated minor except with the consent of the unemancipated minor herself.

(r) Notwithstanding any notices delivered pursuant to subdivision (c) or (d) or waivers received pursuant to subdivision (e), paragraph (1) or (2) of subdivision (h), or subdivision (i) or (j), an unemancipated minor who is being coerced by any person through force, threat of force, or threatened or actual deprivation of food or shelter to consent to undergo an abortion may apply to the juvenile court for relief. The court shall give the matter expedited consideration and grant such relief as may be necessary to prevent such coercion.

(s) This section shall not take effect until 90 days after the election in which it is approved. The Judicial Council shall, within these 90 days, prescribe the rules, practices, and procedures and prepare and make available any forms it may prescribe as provided in subdivision (k). The State Department of Health Services shall, within these 90 days, prepare and make available the forms prescribed in subdivisions (c), (e), and (l).

(t) If any one or more provision, subdivision, sentence, clause, phrase, or word of this section or the application thereof to any person or circumstance is found to be unconstitutional or invalid, the same is hereby declared to be severable and the balance of this section shall remain effective notwithstanding such unconstitutionality or invalidity. Each provision, subdivision, sentence, clause, phrase, or word of this section would have been approved by voters irrespective of the fact that any one or more provision, subdivision, sentence, clause, phrase, or word might be declared unconstitutional or invalid.

76. **State Spending and School Funding Limits.**

[Submitted by the initiative and rejected by electors November 8, 2005.]

PROPOSED LAW

SECTION 1. Title

This measure shall be known as the “California Live Within Our Means Act.”

SECTION 2. Findings and Declarations

(a) For the last four years, California has enacted budgets that have spent billions of dollars more than the state received in revenues.

(b) The Legislature is chronically late in passing budgets and seems institutionally incapable of passing balanced budgets.

(c) Spending will continue to rise faster than revenues because of laws guaranteeing annual increases in spending for a host of public services and granting entitlements to growing caseloads of qualified recipients. When combined with the refusal of the Legislature to change these laws, this auto-pilot spending is a recipe for California’s bankruptcy.

(d) In March 2004, the people overwhelmingly enacted Proposition 58, the California Balanced Budget Act. The California Live Within Our Means Act is needed to strengthen that law to deal with budget emergencies when the Legislature fails to act.

(e) The Governor’s current authority to veto or “blue pencil” excessive appropriations from budget bills cannot deal with spending mandates built into current law or with mid-year revenue losses or unexpected spending demands.

(f) The Governor needs the authority, when the Legislature fails to act in budget emergencies, to make spending reductions to keep the state from spending more than it is taking in and either running farther into debt or forcing massive tax increases.

(g) To meet the financial mandates of auto-pilot spending formulas enacted by the Legislature, the state has borrowed billions of dollars from schools, transportation funds, and local governments. The Constitution should prohibit such budgetary gimmickry and require the borrowed money be repaid without making current deficits worse.

SECTION 3. Purpose and Intent

In enacting this measure, it is the intent of the people of the State of California to enact comprehensive budget reform which will:

(a) Supply the tools that will help the state enact budgets that are balanced and on time so that the pressure for tax increases will be reduced; and

(b) Provide that if the Legislature fails to act in fiscal emergencies, the budget can be balanced by reductions in spending.

SECTION 4. Section 10 of Article IV of the California Constitution is amended to read:

SEC. 10. (a) Each bill passed by the Legislature shall be presented to the Governor. It becomes a statute if it is signed by the Governor. The Governor may veto it by returning it with any objections to the house of origin, which shall enter the objections in the journal and proceed to reconsider it. If each house then passes the bill by rollcall vote entered in the journal, two-thirds of the membership concurring, it becomes a statute.

(b) (1) Any bill, other than a bill which would establish or change boundaries of any legislative, congressional, or other election district, passed by the Legislature on or before the date the Legislature adjourns for a joint recess to reconvene in the second calendar year of the biennium of the legislative session, and in the possession of the Governor after that date, that is not returned within 30 days after that date becomes a statute.

(2) Any bill passed by the Legislature before September 1 of the second calendar year of the biennium of the legislative session and in the possession of the Governor on or after September 1 that is not returned on or before September 30 of that year becomes a statute.

(3) Any other bill presented to the Governor that is not returned within 12 days becomes a statute.

(4) If the Legislature by adjournment of a special session prevents the return of a bill with the veto message, the bill becomes a statute unless the Governor vetoes the bill within 12 days after it is presented by depositing it and the veto message in the office of the Secretary of State.

(5) If the 12th day of the period within which the Governor is required to perform an act pursuant to paragraph (3) or (4) of this subdivision is a Saturday, Sunday, or holiday, the period is extended to the next day that is not a Saturday, Sunday, or holiday.

(c) Any bill introduced during the first year of the biennium of the legislative session that has not been passed by the house of origin by January 31 of the second calendar year of the biennium may no longer be acted on by the house. No bill may be passed by either house on or after September 1 of an even-numbered year except statutes calling elections, statutes providing for tax levies or appropriations for the usual current expenses of the State, and urgency statutes, and bills passed after being vetoed by the Governor.

(d) The Legislature may not present any bill to the Governor after November 15 of the second calendar year of the biennium of the legislative session.

(e) The Governor may reduce or eliminate one or more items of appropriation while approving other portions of a bill. The Governor shall append to the bill a statement of the items reduced or eliminated with the reasons for the action. The Governor shall transmit to the house originating the bill a copy of the statement and reasons. Items reduced or eliminated shall be separately reconsidered and may be passed over the Governor's veto in the same manner as bills.

(f) (1) *Commencing with the 2006–07 fiscal year and each fiscal year thereafter, the maximum amount of total expenditures allowable for the current fiscal year shall be computed by multiplying the prior year total expenditures by one plus the average annual growth in General Fund revenues and special fund revenues as defined in paragraph (3) for the three previous fiscal years.*

(2) *For computing the average annual growth in revenues under paragraph (1), the amount of actual revenue for the fiscal year is to be used if available. If the actual amount of revenue is unknown, then the revenue shall be estimated by the Department of Finance through a regular and transparent process.*

(3) *“General Fund revenues and special fund revenues” means all taxes, any other charges or exactions imposed by the State and all other sources of revenue which were considered “General Fund” or “special fund” sources of revenue for the 2004–05 fiscal year. “General Fund revenues and special fund revenues” does not include revenues to Nongovernmental Cost Funds, including federal funds, trust and agency funds, enterprise funds or selected bond funds.*

(4) *The expenditure limit imposed by paragraph (1) may be exceeded for a fiscal year in an emergency. “Emergency” means the existence, as declared by*

the Governor, of conditions of disaster or of extreme peril to the safety of persons and property within the State, or parts thereof, caused by an attack or probable or imminent attack by an enemy of the United States, epidemic, fire, flood, drought, storm, civil disorder, earthquake, tsunami, or volcanic eruption. Expenditures in excess of the limit pursuant to this paragraph shall not become part of the expenditure base for purposes of determining the amount of allowable expenditures for the next fiscal year.

(5) If total General Fund revenue and special fund revenues exceed the amount which may be expended for the current fiscal year due to the expenditure limit imposed by paragraph (1), the amount of such excess shall be proportionately attributed to the General Fund and each special fund. The amount of such excess attributed to each special fund shall be held as a reserve in that special fund for expenditure in a subsequent fiscal year. The amount of such excess attributed to the General Fund shall be allocated from the General Fund as follows:

(A) Twenty-five percent to the Budget Stabilization Account.

(B) Fifty percent to be allocated among the following according to the budget act: (1) to any outstanding maintenance factor pursuant to Section 8 of Article XVI in existence as of June 30, 2005, until allocated in full, but the amount so allocated in any fiscal year shall not exceed one-fifteenth of the amount in existence as of June 30, 2005; (2) to the Deficit Recovery Bond Retirement Sinking Fund Subaccount, so long as any bonds issued pursuant to the Economic Recovery Bond Act remain outstanding, and (3) to the Transportation Investment Fund, until such amount as was loaned to the General Fund during the 2003–04, 2004–05, 2005–06, and 2006–07 fiscal years has been repaid in full, but the amount so allocated in any fiscal year shall not exceed one-fifteenth of the amount in existence as of June 30, 2007. The deposit of funds pursuant to this subparagraph shall supplement, but not supplant, the transfers to the Deficit Recovery Bond Retirement Sinking Fund Subaccount required by paragraph (1) of subdivision (f) of Section 20 of Article XVI.

(C) Twenty-five percent to the School, Roads, and Highways Construction Fund, which is hereby created in the Treasury as a trust fund, which shall be available for road and highway construction projects and for school construction and modernization projects, upon appropriation by the Legislature. Any funds allocated to school districts pursuant to this provision are not subject to Section 8 of Article XVI.

(D) No funds expended pursuant to subparagraph (B) or (C) are part of the expenditure base for the purposes of determining the amount of allowable expenditures pursuant to paragraph (1) for subsequent fiscal years.

(g) (1) If, following the enactment of the budget bill for the 2004–05 fiscal year or any subsequent fiscal year, the Governor determines that, for that fiscal year, General Fund revenues will decline substantially below the estimate of General Fund revenues upon which the budget bill for that fiscal year, as enacted, was based, or General Fund expenditures will increase substantially above that estimate of General Fund revenues, or both, the Governor may issue a proclamation declaring a fiscal emergency and shall thereupon cause the Legislature to assemble in special session for this purpose. The proclamation shall identify the nature of the fiscal emergency and shall be submitted by the Governor to the Legislature, accompanied by proposed legislation to address the fiscal emergency. at the end of any quarter determines that, for that fiscal year, General Fund revenues have fallen by a rate of at least one and one-half percent on an annualized basis below revenues as estimated by the Department of Finance or if, following the enactment of the budget bill for the 2006–07 fiscal year or any

subsequent fiscal year, the Governor determines that, for that fiscal year, the balance of the Budget Stabilization Account will decline to below one-half of the balance in the account available at the beginning of the fiscal year, the Governor may issue a proclamation declaring a fiscal emergency and shall thereupon cause the Legislature to assemble in special session solely for that purpose. The proclamation shall identify the nature of the proposed legislation to remedy the fiscal emergency.

(2) Notwithstanding any other provisions of this Constitution, if a bill or bills have not been enacted to remedy the fiscal emergency by the 45th day following the issuance of the proclamation, or the 30th day if appropriation authority is currently provided pursuant to subdivision (g) of Section 12 of Article IV, the Governor shall reduce items of appropriation as necessary to remedy the fiscal emergency. The Governor may reduce items of appropriation on an equally proportionate basis, or disproportionately, at his or her discretion.

No reduction may be made in appropriations for debt service, appropriations necessary to comply with federal laws and regulations, or appropriations where the result of a reduction would be in violation of contracts to which the State is a party.

(3) Notwithstanding any other provision of this Constitution, the Governor's authority to reduce appropriations shall apply to any General Fund payment made with respect to any contract, collective bargaining agreement, or other entitlement under law for which liability of the State to pay arises on or after the effective date of the measure that added this paragraph.

(4) The reduction authority set forth in paragraph (2) applies until the effective date, no later than the end of that fiscal year, of a proclamation issued by the Governor declaring the end of the fiscal emergency or the budget and any legislation necessary to implement it has been enacted.

(5) If the Legislature fails to pass and send to the Governor a bill or bills to address the fiscal emergency by the 45th day following the issuance of the proclamation, the Legislature may not act on any other bill, nor may the Legislature adjourn for a joint recess, until that bill or those bills have been passed and sent to the Governor.

(3) (6) A bill addressing the fiscal emergency declared pursuant to this section shall contain a statement to that effect.

(h) If, following the enactment of the budget bill for the 2006–07 fiscal year or any subsequent fiscal year, the Governor determines that, for that fiscal year, total expenditures are expected to exceed the limit imposed by paragraph (1) of subdivision (f), for that fiscal year, the Governor shall propose to the Legislature or implement to the extent practicable by executive order measures to reduce or eliminate the excess expenditures. If after the conclusion of that fiscal year it is determined by the Director of the Department of Finance that actual expenditures for that fiscal year have exceeded the maximum amount allowable for that year, then the maximum amount of allowable expenditures as determined under subdivision (f) for the fiscal year following the fiscal year in which such determination is made shall be reduced by the amount of the excess.

SECTION 5. Section 12 of Article IV of the California Constitution is amended to read:

SEC. 12. (a) Within the first 10 days of each calendar year, the Governor shall submit to the Legislature, with an explanatory message, a budget for the ensuing fiscal year containing itemized statements for recommended state expenditures and estimated state revenues. If recommended expenditures exceed estimated revenues, the Governor shall recommend the sources from which the additional revenues should be provided.

(b) (1) The Governor and the Governor-elect may require a state agency, officer, or employee to furnish whatever information is deemed necessary to prepare the budget.

(2) *The Director of Finance shall advise the Governor on the current status of state revenues and expenditures at least quarterly, and at the beginning of any fiscal year for which a budget bill has not been enacted.*

(c) (1) The budget shall be accompanied by a budget bill itemizing recommended expenditures.

(2) The budget bill shall be introduced immediately in each house by the persons chairing the committees that consider the budget.

(3) The Legislature shall pass the budget bill by midnight on June 15 of each year.

(4) Until the budget bill has been enacted, the Legislature shall not send to the Governor for consideration any bill appropriating funds for expenditure during the fiscal year for which the budget bill is to be enacted, except emergency bills recommended by the Governor or appropriations for the salaries and expenses of the Legislature.

(d) No bill except the budget bill may contain more than one item of appropriation, and that for one certain, expressed purpose. Appropriations from the General Fund of the State, except appropriations for the public schools, are void unless passed in each house by rollcall vote entered in the journal, two-thirds of the membership concurring.

(e) The Legislature may control the submission, approval, and enforcement of budgets and the filing of claims for all state agencies.

(f) For the 2004–05 fiscal year, or any subsequent fiscal year, the Legislature may not send to the Governor for consideration, nor may the Governor sign into law, a budget bill that would appropriate from the General Fund, for that fiscal year, a total amount that, when combined with all appropriations from the General Fund for that fiscal year made as of the date of the budget bill's passage, and the amount of any General Fund moneys transferred to the Budget Stabilization Account for that fiscal year pursuant to Section 20 of Article XVI, exceeds General Fund revenues for that fiscal year estimated as of the date of the budget bill's passage. That estimate of General Fund revenues shall be set forth in the budget bill passed by the Legislature.

(g) *For the fiscal year of the effective date of the measure that added this subdivision, or any subsequent fiscal year, if the budget bill is not enacted prior to July 1, as of that date, and notwithstanding any other provision of this Constitution, amounts equal to the amounts appropriated by each of the items of appropriation in the budget act and any amendments to the budget act for the immediately preceding fiscal year are hereby appropriated for the current fiscal year, adjusted for debt service, in the same proportions, for the same purposes, from the same funding sources, and under the same conditions that apply to those items under that budget act or amendment to the budget act. The appropriation authority set forth in this subdivision applies until the effective date of the budget act enacted for that fiscal year.*

(h) (1) *On and after July 1, 2006, funds may not be transferred from a special fund to the General Fund as a loan. Any funds transferred prior to that date from a special fund to the General Fund for the purpose of making a loan to the General Fund and not repaid to that special fund by July 1, 2006, shall be repaid to that special fund no later than July 1, 2021.*

(2) *The prohibition contained in this subdivision does not apply to loans made for the purpose of meeting the short-term cash flow needs of the State if any amount*

owed is to be repaid in full to the fund from which it was borrowed during the same fiscal year in which the loan was made, or if repayment is to be made no later than a date not more than 30 days after the date of enactment of the budget bill for the subsequent fiscal year.

SECTION 6. Section 8 of Article XVI of the California Constitution is amended to read:

SEC. 8. (a) From all state revenues there shall first be set apart the moneys to be applied by the State for support of the public school system and public institutions of higher education.

(b) Commencing with the 1990–91 fiscal year, the moneys to be applied by the State for the support of school districts and community college districts shall be not less than the greater of *either of* the following amounts:

(1) The amount ~~which~~ *that*, as a percentage of General Fund revenues ~~which that~~ may be appropriated pursuant to Article XIII B, equals the percentage of General Fund revenues appropriated for school districts and community college districts, respectively, in *the* 1986–87 fiscal year ~~1986–87~~.

(2) The amount required to ensure that the total allocations to school districts and community college districts from General Fund proceeds of taxes appropriated pursuant to Article XIII B and allocated local proceeds of taxes ~~shall are~~ not be less than the total amount from these sources in the prior fiscal year, excluding any revenues allocated pursuant to subdivision (a) of Section 8.5, adjusted for changes in enrollment and adjusted for the change in the cost of living pursuant to paragraph (1) of subdivision (e) of Section 8 of Article XIII B. ~~This paragraph shall be operative only in a fiscal year in which the percentage growth in California per capita personal income is less than or equal to the percentage growth in per capita General Fund revenues plus one half of one percent.~~

(3) (A) The amount required to ensure that the total allocations to school districts and community college districts from General Fund proceeds of taxes appropriated pursuant to Article XIII B and allocated local proceeds of taxes shall equal the total amount from these sources in the prior fiscal year, excluding any revenues allocated pursuant to subdivision (a) of Section 8.5, adjusted for changes in enrollment and adjusted for the change in per capita General Fund revenues.

(B) In addition, an amount equal to one-half of one percent times the prior year total allocations to school districts and community colleges from General Fund proceeds of taxes appropriated pursuant to Article XIII B and allocated local proceeds of taxes, excluding any revenues allocated pursuant to subdivision (a) of Section 8.5, adjusted for changes in enrollment.

(C) This paragraph ~~(3)~~ shall be operative only in a fiscal year in which the percentage growth in California per capita personal income in a fiscal year is greater than the percentage growth in per capita General Fund revenues plus ~~one half one-half~~ of one percent.

(D) ~~This paragraph is not operative in any fiscal year succeeding the fiscal year in which the measure that added this subparagraph became effective.~~

(c) In any fiscal year, if the amount computed pursuant to paragraph (1) of subdivision (b) exceeds the amount computed pursuant to paragraph (2) of subdivision (b) by a difference that exceeds one and one-half percent of General Fund revenues, the amount in excess of one and one-half percent of General Fund revenues shall not be considered allocations to school districts and community colleges for purposes of computing the amount of state aid pursuant to paragraph (2) ~~or 3~~ of subdivision (b) in the subsequent fiscal year.

(d) In any fiscal year in which school districts and community college districts are allocated funding pursuant to paragraph (3) of subdivision (b) or pursuant to subdivision (h), they shall be entitled to a maintenance factor, equal to the difference between (1) the amount of General Fund moneys which would have been appropriated pursuant to paragraph (2) of subdivision (b) if that paragraph had been operative or the amount of General Fund moneys which would have been appropriated pursuant to subdivision (b) had subdivision (b) not been suspended, and (2) the amount of General Fund moneys actually appropriated to school districts and community college districts in that fiscal year.

(e) The maintenance factor for school districts and community college districts determined pursuant to subdivision (d) shall be adjusted annually for changes in enrollment, and adjusted for the change in the cost of living pursuant to paragraph (1) of subdivision (e) of Section 8 of Article XIII B, until it has been allocated in full. The maintenance factor shall be allocated in a manner determined by the Legislature in each fiscal year in which the percentage growth in per capita General Fund revenues exceeds the percentage growth in California per capita personal income. The maintenance factor shall be reduced each year by the amount allocated by the Legislature in that fiscal year. The minimum maintenance factor amount to be allocated in a fiscal year shall be equal to the product of General Fund revenues from proceeds of taxes and one-half of the difference between the percentage growth in per capita General Fund revenues from proceeds of taxes and in California per capita personal income, not to exceed the total dollar amount of the maintenance factor.

(f)

(d) If, for any fiscal year, an amount is appropriated for the support of school districts and community college districts in excess of the minimum amount required to be appropriated for that fiscal year pursuant to subdivision (b), the excess amount so appropriated shall not be deemed an allocation to school districts and community college districts for purposes of calculating the moneys to be applied by the State for the support of those entities for any subsequent fiscal year pursuant to paragraph (2) of subdivision (b).

(e) (1) The total amount of any maintenance factors, arising pursuant to former subdivision (d) for one or more fiscal years preceding the fiscal year that commences subsequent to the effective date of the measure that added this subdivision, shall be repaid no later than July 1, 2021. The repayment of any maintenance factor pursuant to this paragraph for any fiscal year shall be divided between school districts and community college districts in the same proportion that allocations for that fiscal year that were made prior to the effective date of the measure that added this subdivision were apportioned to school districts and community college districts. The payment of a maintenance factor amount in any fiscal year shall not be deemed an allocation to school districts and community college districts for purposes of calculating the moneys to be applied by the State for the support of those entities for any subsequent fiscal year pursuant to paragraph (2) of subdivision (b).

(2) The balance of any amounts that were required by this section to be allocated to school districts and community college districts for the 2003–04 fiscal year, or any preceding fiscal year, but were not allocated as of the effective date of the measure that added this subdivision, shall be allocated no later than 15 years following that date. The total amount of augmentations allocated pursuant to this paragraph for any fiscal year shall be divided between school districts and community college districts in the same proportion that allocations for that fiscal year that were made prior to the effective date of the measure that added this subdivision were apportioned to school districts and community college districts.

(3) (A) *The balance of any amounts that are required by this section to be allocated to school districts and community college districts, for the 2004–05 fiscal year, or any subsequent fiscal year, but are not allocated as of the end of that fiscal year, are continuously appropriated to the Controller from the General Fund of the State for allocation to school districts and community college districts upon the certification by the Department of Finance and the Superintendent of Public Instruction of the final data necessary to perform the calculations required pursuant to subdivision (b). That certification shall be completed within 24 months subsequent to the end of the fiscal year. The amount appropriated pursuant to this paragraph shall be divided between school districts and community college districts in the same proportion that allocations were made during that fiscal year to school districts and community college districts.*

(B) *The Legislature may require, in the budget act or any other statute, that a school district or community college district use funds allocated pursuant to this paragraph for a specified purpose.*

(f) (1) *Payable claims for state-mandated costs incurred prior to the 2004–05 fiscal year by a school district or community college district that have not been paid prior to the 2005–06 fiscal year shall be paid no later than the 2020–21 fiscal year.*

(2) *Amounts allocated to a school district or community college district for a fiscal year pursuant to subdivision (b) shall first be expended by the district to pay the costs for state mandates incurred during that fiscal year.*

(g) (1) For purposes of this section, “changes in enrollment” shall be measured by the percentage change in average daily attendance. However, in any fiscal year, there shall be no adjustment for decreases in enrollment between the prior fiscal year and the current fiscal year unless there have been decreases in enrollment between the second prior fiscal year and the prior fiscal year and between the third prior fiscal year and the second prior fiscal year.

(2) *For purposes of this section, “maintenance factor” means the difference between: (A) the amount of General Fund moneys that would have been appropriated for a fiscal year pursuant to paragraph (2) of subdivision (b) if that paragraph, rather than former paragraph (3) of that subdivision, had been operative or, as applicable, the amount of General Fund moneys that would have been appropriated for a fiscal year pursuant to subdivision (b) had subdivision (b) not been suspended pursuant to a statute enacted prior to January 1, 2005, and (B) the amount of General Fund moneys actually appropriated to school districts and community college districts for that fiscal year.*

(h) Subparagraph (B) of paragraph (3) of subdivision (b) may be suspended for one year only when made part of or included within any bill enacted pursuant to Section 12 of Article IV. All other provisions of subdivision (b) may be suspended for one year by the enactment of an urgency statute pursuant to Section 8 of Article IV, provided that the urgency statute may not be made part of or included within any bill enacted pursuant to Section 12 of Article IV.

SECTION 7. Section 6 of Article XIX of the California Constitution is amended to read:

SEC. 6. ~~The tax revenues designated under this article may be loaned to the General Fund only if one of the following conditions is imposed:~~

(a) ~~That any amount loaned is to be repaid in full to the fund from which it was borrowed during the same fiscal year in which the loan was made, except that repayment may be delayed until a date not more than 30 days after the date of enactment of the budget bill for the subsequent fiscal year.~~

~~(b) That any amount loaned is to be repaid in full to the fund from which it was borrowed within three fiscal years from the date on which the loan was made and one of the following has occurred:~~

~~(2) The aggregate amount of General Fund revenues for the current fiscal year, as projected by the Governor in a report to the Legislature in May of the current fiscal year, is less than the aggregate amount of General Fund revenues for the previous fiscal year, adjusted for the change in the cost of living and the change in population, as specified in the budget submitted by the Governor pursuant to Section 12 of Article IV in the current fiscal year.~~

~~(c) Nothing in this section prohibits the Legislature from authorizing *Nothing in subdivision (h) of Section 12 of Article IV prohibits the Legislature from authorizing*, by statute, loans to local transportation agencies, cities, counties, or cities and counties, from funds that are subject to this article, for the purposes authorized under this article. Any loan authorized as described by this ~~subdivision~~ *section* shall be repaid, with interest at the rate paid on money in the Pooled Money Investment Account, or any successor to that account, during the period of time that the money is loaned, to the fund from which it was borrowed, not later than four years after the date on which the loan was made.~~

SECTION 8. Section 1 of Article XIX A of the California Constitution is repealed.

~~SECTION 1. The funds in the Public Transportation Account in the State Transportation Fund, or any successor to that account, may be loaned to the General Fund only if one of the following conditions is imposed:~~

~~(b) That any amount loaned is to be repaid in full to the account within three fiscal years from the date on which the loan was made and one of the following has occurred:~~

SECTION 10. Section 6 of Article XIII B of the California Constitution is amended to read:

PROPOSED LAW

REDISTRICTING REFORM: THE VOTER EMPOWERMENT ACT

SECTION 1. Findings and Declarations of Purpose

The People of the State of California find and declare that:

(a) Our Legislature should be responsive to the demands of the citizens of the State of California, and not the self-interest of individual legislators or the partisan interests of political parties.

(b) Self-interest and partisan gerrymandering have resulted in uncompetitive districts, ideological polarization in our institutions of representative democracy, and a disconnect between the interests of the People of California and their elected representatives.

(c) The redistricting plans adopted by the California Legislature in 2001 serve incumbents, not the People, are repugnant to the People, and are in direct opposition to the People's interest in fair and competitive elections. They should not be used again.

(d) We demand that our representative system of government be fair to all, open to public scrutiny, free of conflicts of interest, and dedicated to the principle that government derives its power from the consent of the governed. Therefore, the People of the State of California hereby adopt the "Redistricting Reform: The Voter Empowerment Act."

SECTION 2. Fair Redistricting

Article XXI of the California Constitution is amended to read:

SECTION 1. (a) *Except as provided in subdivision (b), in the year following the year in which the national census is taken under the direction of Congress at the beginning of each decade, a panel of Special Masters composed of retired judges shall adjust the boundary lines of the Senatorial, Assembly, Congressional, and Board of Equalization districts in accordance with the standards and provisions of this article.*

(b) *Within 20 days following the effective date of this section, the Legislature shall appoint, pursuant to the provisions of paragraph (2) of subdivision (c), a panel of Special Masters to adopt a plan of redistricting adjusting the boundary lines of the Senatorial, Assembly, Congressional, and Board of Equalization districts for use in the next set of statewide primary and general elections and until the next adjustment of boundary lines is required pursuant to subdivisions (a) or (i). The panel shall establish a schedule and deadlines to ensure timely adoption of the plan.*

Except for paragraph (1) of subdivision (c), all provisions of this article shall apply to the adoption of the plan required by this subdivision.

(c) (1) Except as provided in subdivision (b), on or before January 15 of the year following the year in which the national census is taken, the Legislature shall appoint, pursuant to the provisions of paragraph (2) of subdivision (c), a panel of Special Masters composed of retired judges to adopt a plan of redistricting adjusting the boundary lines of the Senatorial, Assembly, Congressional, and Board of Equalization districts pursuant to this article.

(2) (A) In sufficient time to allow the appointment of the Special Masters, the Judicial Council shall nominate by lot 24 retired judges willing to serve as Special Masters. Only retired California state or federal judges, who have never held elected partisan public office or political party office, have not changed their party affiliation, as declared on their voter registration affidavit, since their initial appointment or election to judicial office, and have not received income during the past 12 months from the Legislature, a committee thereof, the United States Congress, a committee thereof, a political party, or a partisan candidate or committee controlled by such candidate, are qualified to serve as Special Master. Not more than 12 of the 24 retired judges may be of a single party affiliation, and the two largest political parties in California shall be equally represented among the nominated retired judges.

(B) A retired judge selected to serve as a Special Master shall also pledge, in writing, that he or she will not run for election in the Senatorial, Assembly, Congressional, or Board of Equalization districts adjusted by him or her pursuant to this article nor accept, for at least five years from the date of appointment as a Special Master, California state public employment or public office, other than judicial employment or judicial office or a teaching position.

(C) From the pool of retired judges nominated by the Judicial Council, the Speaker of the Assembly, the Minority Leader of the Assembly, the President pro Tempore of the Senate, and the Minority Leader of the Senate shall each nominate, no later than five days before the deadline for appointment of the panel of Special Masters, three retired judges, who are not registered members of the same political party as that of the legislator making the nomination. No retired judge may be nominated by more than one legislator.

(D) If, for any reason, any of the aforementioned legislative leadership fails to nominate the requisite number of retired judges within the time period specified herein, the Chief Clerk of the Assembly shall immediately draw, by lot, that legislator's remaining nominees in accordance with the requirements of subparagraph (C) of paragraph (2) of subdivision (c).

(E) No later than three days before the deadline for appointment of the panel of Special Masters, each legislator authorized to nominate a retired judge shall also be entitled to exercise a single peremptory challenge striking the name of any nominee of any other legislator.

(F) From the list of remaining nominees selected by said legislative leadership, the Chief Clerk of the Assembly shall then draw, by lot, three persons to serve as Special Masters. If the drawing fails to produce at least one Special Master from each of the two largest political parties, the drawing shall be conducted again until this requirement is met. If the drawing is unable to produce at least one Special Master from each of the two largest political parties, the drawing for the Special Master from the political party not represented from the list of remaining nominees shall be made from the original pool of 24 retired judges nominated by the Judicial Council, except that no retired judge whose name was struck pursuant to subparagraph (E) of paragraph (2) of subdivision (c) may be appointed. In the event of a vacancy in

the panel of Special Masters, the Chief Clerk shall immediately thereafter draw, by lot, from the list of remaining nominees selected by said legislative leadership, or the original pool of 24 retired judges, if necessary, except for those whose names were struck, a replacement who satisfies the composition requirements for the panel under this subdivision.

(d) Each Special Master shall be compensated at the same rate for each day engaged in official duties and reimbursed for actual and necessary expenses, including travel expenses, in the same manner as a member of the California Citizens Compensation Commission pursuant to subdivision (j) of Section 8 of Article III. The Special Masters' term of office shall expire upon approval or rejection of a plan pursuant to subdivision (h).

(e) Each Special Master shall be subject to the same restrictions on gifts as imposed on a retired judge of the superior court serving in the assigned judges program, and shall file a statement of economic interest, or any successor document, to the same extent and in the same manner as such a retired judge.

(f) (1) Public notice shall be given of all meetings of the Special Masters, and the Special Masters shall be deemed a state body subject to the provisions of the Bagley-Keene Open Meeting Act (Article 9 (commencing with Section 11120) of Chapter 1 of Part 1 of Division 3 of Title 2 of the Government Code), or any successor act, as amended from time to time; provided that all meetings and sessions of the Special Masters shall be recorded. The Special Masters shall establish procedures that restrict ex parte communications from members of the public and the Legislature concerning the merits of any redistricting plan.

(2) The panel of Special Masters shall establish and publish a schedule to receive and consider proposed redistricting plans and public comment from any member of the Legislature or public. The panel of Special Masters shall hold at least three public hearings throughout the state to consider redistricting plans. At least one such hearing shall be held after the Special Masters have submitted their proposed redistricting plan pursuant to paragraph (3) of subdivision (f), but before adoption of the final plan.

(3) Before the adoption of a final redistricting plan, the Special Masters shall submit their plan to the Legislature for an opportunity to comment within the time set by the Special Masters. The Special Masters shall address in writing each change to their plan that is recommended by the Legislature and incorporated into the plan.

(g) The final redistricting plan shall be approved by a single resolution adopted unanimously by the Special Masters and shall become effective upon its filing with the Secretary of State for use at the next statewide primary and general elections, and, if adopted by initiative pursuant to subdivision (h), for succeeding elections until the next adjustment of boundaries is required pursuant to this article.

(h) The Secretary of State shall submit the final redistricting plan as if it were proposed as an initiative statute under Section 8 of Article II at the same next general election provided for under subdivision (g) for approval or rejection by the voters for use in succeeding elections until the next adjustment of boundaries is required. The ballot title shall read: "Shall the boundary lines of the Senatorial, Assembly, Congressional, and Board of Equalization districts adopted by Special Masters as required by Article XXI of the California Constitution, and used for this election, be used until the next constitutionally required adjustment of the boundaries?"

(i) If the redistricting plan is approved by the voters pursuant to subdivision (h), it shall be used in succeeding elections until the next adjustment of boundaries is required. If the plan is rejected by the voters pursuant to subdivision (h), a new panel of Special Masters shall be appointed within 90 days in the manner provided

in paragraph (2) of subdivision (c), for the purpose of proposing a new plan for the next statewide primary and general elections pursuant to this article. Any officials elected under a final redistricting plan shall serve out their term of office notwithstanding the voters' disapproval of the plan for use in succeeding primary and general elections.

(j) The Legislature shall make such appropriations from the Legislature's operating budget, as limited by Section 7.5 of Article IV, as necessary to provide the panel of Special Masters with equipment, office space, and necessary personnel, including counsel and independent experts in the field of redistricting and computer technology, to assist them in their work. The Legislative Analyst shall determine the maximum amount of the appropriation, based on one-half the amount expended by the Legislature in creating plans in 2001, adjusted by the California Consumer Price Index. For purposes of the plan of redistricting under subdivision (b) only, there is hereby appropriated to the panel of Special Masters from the General Fund of the State during the fiscal year in which the panel performs its responsibilities a sum equal to one-half the amount expended by the Legislature in creating plans in 2001. The expenditure of funds under this appropriation shall be subject to the normal administrative review given to other state appropriations. For purposes of all plans of redistricting under subdivision (a), until appropriations are made, the Legislative Analyst's Office, or any successor thereto, shall furnish, from existing resources, staff and services to the panel as needed for the performance of its duties.

(k) Except for judicial decrees, the provisions of this article are the exclusive means of adjusting the boundary lines of the districts specified herein.

Section 2. (a) Each member of the Senate, Assembly, Congress, and the Board of Equalization shall be elected from a single-member district. Districts of each type shall be numbered consecutively commencing at the northern boundary of the State and ending at the southern boundary.

(b) The population of all districts of a particular type shall be as nearly equal as practicable. For congressional districts, the maximum population deviation between districts shall not exceed federal constitutional standards. For state legislative and Board of Equalization districts, the maximum population deviation between districts of the same type shall not exceed one percent or any stricter standard required by federal law.

(c) Districts shall comply with any additional requirements of the United States Constitution and any applicable federal statute, including the federal Voting Rights Act.

(d) Each Board of Equalization district shall be comprised of 10 adjacent Senate districts and each Senate district shall be comprised of two adjacent Assembly districts.

(e) Every district shall be contiguous.

(f) District boundaries shall conform to the geographic boundaries of a county, city, or city and county to the greatest extent practicable. In this regard, a redistricting plan shall comply with these criteria in the following order of importance: (1) create the most whole counties possible, (2) create the fewest county fragments possible, (3) create the most whole cities possible, and (4) create the fewest city fragments possible, except as necessary to comply with the requirements of the preceding subdivisions of this section.

(g) Every district shall be as compact as practicable except to the extent necessary to comply with the requirements of the preceding subdivisions of this section. With regard to compactness, to the extent practicable a contiguous area of population shall not be bypassed to incorporate an area of population more distant.

(h) No census block shall be fragmented unless required to satisfy the requirements of the United States Constitution.

(i) No consideration shall be given as to the potential effects on incumbents or political parties. No data regarding the residence of an incumbent or of any other candidate or the party affiliation or voting history of electors may be used in the preparation of plans, except as required by federal law.

Section 3. Any action or proceeding alleging that a plan adopted by the Special Masters does not conform with the requirements of this article must be filed within 45 days of the filing of the plan with the Secretary of State or such action or proceeding is forever barred. Judicial review of the conformity of any plan with the requirements of this article may be pursuant to a petition for extraordinary relief. If any court finds a plan to be in violation of this article, it may order that a new plan be adopted by a panel of Special Masters pursuant to this article. A court may order any remedy necessary to effectuate this article.

~~In the year following the year in which the national census is taken under the direction of Congress at the beginning of each decade, the Legislature shall adjust the boundary lines of the Senatorial, Assembly, Congressional, and Board of Equalization districts in conformance with the following standards:~~

~~(a) Each member of the Senate, Assembly, Congress, and the Board of Equalization shall be elected from a single/member district.~~

~~(b) The population of all districts of a particular type shall be reasonably equal.~~

~~(c) Every district shall be contiguous.~~

~~(d) Districts of each type shall be numbered consecutively commencing at the northern boundary of the State and ending at the southern boundary.~~

~~(e) The geographical integrity of any city, county, or city and county, or of any geographical region shall be respected to the extent possible without violating the requirements of any other subdivision of this section.~~

SECTION 3. Severability

If any provision of this measure or the application thereof to any person or circumstance is held invalid, including, but not limited to, subdivision (b) of Section 1 of Article XXI, that invalidity shall not affect other provisions or applications which can reasonably be given effect in the absence of the invalid provision or application.

SECTION 4. Conflicting Ballot Measures

(a) In the event that this measure and another measure or measures relating to the redistricting of Senatorial, Assembly, Congressional, or Board of Equalization districts is approved by a majority of voters at the same election, and this measure receives a greater number of affirmative votes than any other such measure or measures, this measure shall control in its entirety and said other measure or measures shall be rendered void and without any legal effect. If this measure is approved but does not receive a greater number of affirmative votes than said other measure or measures, this measure shall take effect to the extent permitted by law.

(b) If this measure is approved by voters but superseded by law by any other conflicting ballot measure approved by the voters at the same election, and the conflicting ballot measure is later held invalid, this measure shall be self-executing and given full force of law.

74. Public School Teachers. Waiting Period for Permanent Status. Dismissal.

[Submitted by the initiative and rejected by electors November 8, 2005.]

PROPOSED LAW

SECTION 1. Title

This measure shall be known as the “Put the Kids First Act.”

SECTION 2. Findings and Declarations

(a) California children deserve the best teachers available.

(b) Teachers currently are granted permanent employment status after only two years on the job. Experts believe that a teacher’s ultimate potential and skill level cannot be fully assessed within just two years.

(c) Teacher assignments are based more on teacher seniority and tenure rules than on the needs of the students, depriving students of the best available educational experience.

(d) Once a teacher has permanent status:

(1) Union negotiated rules often require them to be assigned to positions by seniority rather than the needs of the students or best interests of a school.

(2) Teachers can usually be replaced, no matter how talented the replacement, only after a lengthy appeals process costing upwards of \$150,000.

(e) There is an immediate need to give greater flexibility in the assignment of teachers in order to provide students with the greatest educational opportunity.

SECTION 3. Purpose and Intent

In enacting this measure, it is the intent of the people of the State of California to ensure that the needs of students will be given high priority in the assignment of teachers.

SECTION 4. Section 44929.21 of the Education Code is amended to read:

44929.21. (a) Every employee of a school district of any type or class having an average daily attendance of 250 or more who, after having been employed by the district for three complete consecutive school years in a position or positions requiring certification qualifications, is reelected for the next succeeding school year to a position requiring certification qualifications shall, at the commencement of the succeeding school year be classified as and become a permanent employee of the district.

This subdivision shall apply only to probationary employees whose probationary period commenced prior to the 1983–84 fiscal year.

(b) Every employee of a school district of any type or class having an average daily attendance of 250 or more who, after having been employed by the district for two complete consecutive school years in a position or positions requiring certification qualifications, is reelected for the next succeeding school year to a position requiring certification qualifications shall, at the commencement of the succeeding school year be classified as and become a permanent employee of the district.

The governing board shall notify the employee, on or before March 15 of the employee’s second complete consecutive school year of employment by the district in a position or positions requiring certification qualifications, of the decision to reelect or not reelect the employee for the next succeeding school

year to the position. In the event that the governing board does not give notice pursuant to this section on or before March 15, the employee shall be deemed reelected for the next succeeding school year.

This subdivision shall apply only to probationary employees whose probationary period commenced during the 1983–84 fiscal year or any fiscal year thereafter.

(c) Every employee of a school district of any type or class having an average daily attendance of 250 or more who, after having been employed by the district for five complete consecutive school years in a position or positions requiring certification qualifications, is reelected for the next succeeding school year to a position requiring certification qualifications shall, at the commencement of the succeeding school year be classified as and become a permanent employee of the district. The governing board shall notify the employee, on or before March 15 of the employee's fifth complete consecutive school year of employment by the district in a position or positions requiring certification qualifications, of the decision to reelect or not reelect the employee for the next succeeding school year to the position. In the event that the governing board does not give notice pursuant to this section on or before March 15, the employee shall be deemed reelected for the next succeeding school year.

This subdivision shall apply only to probationary employees whose probationary period commenced during the 2003–04 fiscal year or any fiscal year thereafter.

SECTION 5. Section 44932 of the Education Code is amended to read:

44932. *Grounds for dismissal of permanent employee; Suspension of permanent probationary employee for unprofessional conduct.*

(a) No permanent employee shall be dismissed except for one or more of the following causes:

- (1) Immoral or unprofessional conduct.
- (2) Commission, aiding, or advocating the commission of acts of criminal syndicalism, as prohibited by Chapter 188 of the Statutes of 1919, or in any amendment thereof.
- (3) Dishonesty.
- (4) Unsatisfactory performance.
- (5) Evident unfitness for service.
- (6) Physical or mental condition unfitting him or her to instruct or associate with children.
- (7) Persistent violation of or refusal to obey the school laws of the state or reasonable regulations prescribed for the government of the public schools by the State Board of Education or by the governing board of the school district employing him or her.
- (8) Conviction of a felony or of any crime involving moral turpitude.
- (9) Violation of Section 51530 or conduct specified in Section 1028 of the Government Code, added by Chapter 1418 of the Statutes of 1947.

This authorization shall not apply to any school district which has adopted a

collective bargaining agreement pursuant to subdivision (b) of Section 3543.2 of the Government Code.

(c) The receipt by a permanent employee of two consecutive unsatisfactory evaluations conducted pursuant to Article 11 (commencing with Section 44660) of Chapter 3 shall constitute unsatisfactory performance as the term is used in this section, and the governing board of the school district may, in its discretion, and without regard for Sections 44934 and 44938, dismiss the employee by written notice on the basis of the employee’s evaluation reports. Within 30 days of receipt of the notice of dismissal, the employee may request an administrative hearing which shall be conducted pursuant to Section 44944.

SECTION 6. Conflicting Ballot Measures

In the event that this measure and another measure or measures relating to teacher tenure shall appear on the same statewide election ballot, the provisions of the other measures shall be deemed to be in conflict with this measure. In the event that this measure shall receive a greater number of affirmative votes, the provisions of this measure shall prevail in their entirety, and the provisions of the other measures shall be null and void.

SECTION 7. Severability

If any provisions of this act, or part thereof, are for any reason held to be invalid or unconstitutional, the remaining provisions shall not be affected, but shall remain in full force and effect, and to this end the provisions are severable.

75. Public Employee Union Dues. Restrictions on Political Contributions. Employee Consent Requirement.

[Submitted by the initiative and rejected by electors November 8, 2005.]

PROPOSED LAW

SECTION 1. Title.

This measure shall be known as “The Public Employees’ Right to Approve Use of Union Dues for Political Campaign Purposes Act.”

SEC. 2. Findings and Declarations.

The People of the State of California find and declare as follows:

(a) Public employees are generally required to join a labor organization or pay fees to the labor organization in lieu of membership.

(b) Public employee labor organizations operate through dues or fees deducted from their members’ salaries which are paid from public funds.

(c) Routinely these dues or fees are used in part to support the political objectives of the labor leaders in support of state and local legislative candidates and ballot measures. Public employees often find their dues or fees used to support political candidates or ballot measures with which they do not agree.

(d) It is fundamentally unfair to force public employees to give money to political activities or candidates they do not support.

(e) Because public money is involved, the public has a right to ensure that public employees have a right to approve the use of their dues or fees to support the political objectives of their labor organization.

(f) To ensure that public employees have a say whether their dues or fees may be used for political campaign purposes, it is fair and just to require that their consent be obtained in advance.

SEC. 3. Purpose and Intent.

In enacting this measure, it is the intent of the people of the State of California to guarantee the right of public employees to have a say whether their dues and fees may be used for political campaign purposes.

SEC. 4. Chapter 5.9 (commencing with Section 85990) is added to Title 9 of the Government Code, to read:

CHAPTER 5.9.

85990. (a) *No public employee labor organization may use or obtain any portion of dues, agency shop fees, or any other fees paid by members of the labor organization, or individuals who are not members, through payroll deductions or directly, for disbursement to a committee as defined in subdivision (a) of Section 82013, except upon the written consent of the member or individual who is not a member received within the previous 12 months on a form described by subdivision (c) signed by the member or nonmember and an officer of the union.*

(b) *Subdivision (a) does not apply to any dues or fees collected from members of the labor organization, or individuals who are not members, for the benefit of charitable organizations organized under Section 501(c)(3) of Title 26 of the United States Code, or for health care insurance, or similar purposes intended to directly benefit the specific member of the labor organization or individual who is not a member.*

(c) *The authorization referred to in subdivision (a) shall be made on the following form, the sole purpose of which is the documentation of such authorization. The form's title shall read, in at least 24-point bold type, "Consent for Political Use of Dues/Fees or Request to Make Political Contributions" and shall state, in at least 14-point bold type, the following specific text.*

Signing this form authorizes your union to use the amount of \$___.00 from each of your dues or agency shop fee payments during the next 12 months as a political contribution or expenditure." ()

Signing this form requests your union to make a deduction of \$___.00 from each of your dues or agency shop fee payments during the next 12 months as a political contribution to the (name of the committee). ()

SECTION 1. Division 112 (commencing with Section 130500) is added to the Health and Safety Code, to read:

**DIVISION 112. CHEAPER PRESCRIPTION DRUGS
FOR CALIFORNIA ACT (CAL RX PLUS)**

CHAPTER 1. GENERAL PROVISIONS

130500. This division shall be known, and may be cited, as the Cheaper Prescription Drugs for California Program or Cal Rx Plus.

130501. The Cheaper Prescription Drugs for California Program, or Cal Rx Plus, is established to reduce prescription drug prices and to improve the quality of health care for residents of the state. The program is administered by the State Department of Health Services to use manufacturer rebates and pharmacy discounts to reduce prescription drug prices for Californians.

130502. The people of California find that affordability is critical in providing access to prescription drugs for California residents. This program is enacted by the people to enable the state to take steps to make prescription drugs more affordable for qualified California residents, thereby increasing the overall health of California residents, promoting healthy communities, and protecting the public health and welfare. It is not the intention of the state to discourage employers from offering or paying for prescription drug benefits for their employees or to replace employer-sponsored prescription drug benefit plans that provide benefits comparable to those made available to qualified California residents under this program.

130503. Cal Rx Plus shall be available to Californians facing high prescription drug costs to provide lower prescription drug prices. To the extent permitted by

federal law, Cal Rx Plus shall also be available to small businesses and other entities, as defined, that provide health coverage for Californians.

CHAPTER 2. PRESCRIPTION DRUG DISCOUNTS

130510. (b) In determining program discounts on individual drugs, the department shall take into account the rebates provided by the drug's manufacturer and the state's share of the discount.

(c) The department may contract with participating pharmacies for a rate other than the pharmacies' usual and customary rate.

(b) To the extent permitted by federal law, the department may require prior authorization in the Medi-Cal program for any drug of a manufacturer that fails to agree to a price comparable to or lower than the Medi-Cal best price for prescription drugs purchased under this division.

(c) If a contract with a manufacturer is precluded under subdivision (a) or if prior authorization is required for a drug pursuant to this section, in no event shall a Medi-Cal beneficiary be denied the continued use of a drug that is part of a prescribed therapy until that drug is no longer prescribed for that beneficiary's therapy. The State Department of Health Services shall approve or deny requests for prior authorization necessitated by this section as required by state or federal law.

(d) This section shall be implemented consistent with federal law.

(d) Interest pursuant to subdivision (c) shall begin accruing 38 calendar days from the date of mailing of the invoice, including supporting utilization data sent to the manufacturer. Interest shall continue to accrue until the date of mailing of the manufacturer's payment.

No outreach material shall contain the name or likeness of a drug.

(b) The department may accept on behalf of the state any gift, bequest, or donation of outreach services or materials to inform residents about Cal Rx Plus. The name of the organization sponsoring the material pursuant to this subdivision shall in no way appear on the material but shall be reported to the public and the Legislature as otherwise provided by law.

130522. (a) A drug dispensed pursuant to prescription, including a drug dispensed without charge to the consumer, must be accompanied by Cal Rx Plus participation information in a manner approved by the department and as permitted by law.

(b) The information shall include advice to consult a health care provider or pharmacist about access to drugs at lower prices.

(c) The requirements of this section may be met by the distribution of a separate writing that is approved by or produced and distributed by the department.

CHAPTER 4. PHARMACEUTICAL MANUFACTURER PATIENT ASSISTANCE PROGRAMS

130530. (a) The department shall execute agreements with drug manufacturer and other private patient assistance programs to provide a single point of entry for eligibility determination and claims processing for drugs available through those programs.

(b) The department shall develop a system to provide a participant under this division with the best discounts on prescription drugs that are available to the participant through this program or through a drug manufacturer or other private patient assistance program.

(c) (1) The department may require an applicant to provide additional information to determine the applicant's eligibility for other discount card and patient assistance programs.

(2) The department shall not require an applicant to participate in a drug manufacturer patient assistance program or to disclose information that would determine the applicant's eligibility to participate in a drug manufacturer patient assistance program in order to participate in the program established pursuant to this division.

(d) In order to verify that California residents are being served by drug manufacturer patient assistance programs, the department shall require drug manufacturers to provide the department annually with all of the following information:

(1) The total value of the manufacturer's drugs provided at no or very low cost to California residents during the previous year.

(2) The total number of prescriptions or 30-day supplies of the manufacturer's drugs provided at no or very low cost to California residents during the previous year.

(e) The Cal Rx Plus card issued pursuant to this division shall serve as a single point of entry for drugs available pursuant to subdivision (a) and shall meet all legal requirements for a health benefit card.

CHAPTER 5. EMPLOYER-PAID HEALTH INSURANCE PRESCRIPTION DRUG DISCOUNTS

130540. *The department may establish a prescription drug purchasing program to assist small businesses, small employer purchasing pools, Taft-Hartley trust funds, and other entities that purchase health coverage for employees of those employers and their dependents.*

130541. *No employer or other entity that purchases coverage for employees and dependents shall be eligible to participate unless the employer pays more than 50 percent of the cost of health coverage for their employees and their dependents.*

130542. *The department shall seek to obtain, and the department shall seek to contract for, drug rebates that result in a net price comparable to the Cal Rx Plus program.*

130543. (a) *The amount a participant pays for a drug through the program shall be equal to the participating provider's usual and customary charge or the pharmacy contract rate pursuant to subdivision (c), less a program discount for the specific drug or an average discount for a group of drugs or all drugs covered by the program.*

(b) *In determining program discounts on individual drugs, the department shall take into account the rebates provided by the drug's manufacturer and the state's share of the discount.*

(c) *The department may contract with participating pharmacies for a rate other than the pharmacies' usual and customary rate.*

130544. *The department shall work with employers, the California Chamber of Commerce, and other associations of employers as well as the California Labor Federation AFL-CIO and consumer organizations to develop and implement this chapter.*

CHAPTER 6. ADMINISTRATION

130550. *The Prescription Drug Advisory Board ("board") is established to review access to and the pricing of prescription drugs for residents of the state, to advise the Secretary on prescription drug pricing, and to provide periodic reports to the commissioner, the Governor, and the Legislature.*

(a) *No board member shall have a financial interest in pharmaceutical companies, or have worked for pharmaceutical companies or their agents or served within five years before being appointed to the board. No board member shall be employed for a pharmaceutical company for five years after serving on the board.*

(b) *The board shall consist of nine representatives of the public from the state at large. The Governor, the Senate President pro Tempore, and the Speaker of the Assembly shall each appoint three of these members. Legislative appointees shall serve staggered terms.*

(c) (1) *Of the three appointees by the Governor, one shall be a person over 65 enrolled in Medicare, one shall be from a school of pharmacy at the University of California, and one shall be an economist.*

(2) *Of the three appointees by the Speaker of the Assembly, one shall be a consumer or a representative of a recognized organization representing consumers eligible under this division, one shall be a retail pharmacist, and one shall be an employer or a representative of a recognized organization representing employers eligible for a business discount drug purchasing program.*

(3) *Of the three appointees by the Senate President pro Tempore, one shall be a labor trustee of a Taft-Hartley trust fund, one shall be a physician or nurse with expertise in drug benefits, and one shall be a member of the board of CalPERS.*

(d) The term of office of board members shall be as follows:

(1) (A) A member appointed by the Governor shall serve for two years at the pleasure of the Governor; and may be reappointed for succeeding two-year periods, provided that the member may continue to serve beyond the two-year term until the Governor has acted and the appointee is authorized to sit and serve on the board.

(B) A member appointed by the Senate President pro Tempore or the Speaker of the Assembly shall serve for four years, and may be reappointed for succeeding four-year periods, provided that the member may continue to serve beyond the four-year term until his or her appointing authority has acted and the appointee is authorized to sit and serve on the board. If the Senate President pro Tempore or the Speaker of the Assembly has not acted within 60 days after the expiration of a member's term, the position shall become vacant until a person is appointed to a four-year term, calculated from the expiration date of the preceding term.

(2) If a vacancy occurs prior to the expiration of the term for the vacated seat, the appointing authority shall appoint a member for the remainder of the unexpired term pursuant to this chapter.

(3) On the effective date of the act, the Senate President pro Tempore shall appoint three members to serve two-year terms and the Speaker of the Assembly shall each appoint three members to serve four-year terms. All subsequent terms shall be for four years.

(d) Vacancies that occur shall be filled within 30 days after the occurrence of the vacancy, and shall be filled in the same manner in which the vacating member was selected or appointed.

(e) The board members shall select one of their members to serve as chairperson and one of their members to serve as vice chairperson on an annual basis. The chairman shall have the authority to call meetings of the Prescription Drug Advisory Board.

130552. Contracts entered into for purposes of this division are exempt from Part 2 (commencing with Section 10100) of Division 2 of the Public Contract Code. Contracts with pharmacies and drug manufacturers may be entered into on a bid or nonbid basis.

130553. To implement and administer Cal Rx Plus, the department may contract with a third-party vendor or utilize existing health care service provider enrollment and payment mechanisms, including the Medi-Cal program's fiscal intermediary. Drug rebate contracts negotiated by a third-party shall be subject to review by the department. The department may cancel a contract that it finds not in the best interests of the state or Cal Rx Plus participants.

130554. (a) The department shall deposit all payments the department receives pursuant to this division into the Cal Rx Plus Program Fund, which is hereby established in the State Treasury.

(b) The fund is hereby continuously appropriated to the department without regard to fiscal years for the purpose of providing payment to participating pharmacies pursuant to this division and for defraying the costs of administering this division. Notwithstanding any other provision of law, no money in the fund is available for expenditure for any other purpose or for loaning or transferring to any other fund, including the General Fund. The fund shall also contain any interest accrued on moneys in the fund.

130555. (a) The director may adopt regulations as are necessary for the initial implementation of this division. The adoption, amendment, repeal, or readoption of a regulation authorized by this section is deemed to be necessary for the immediate preservation of the public peace, health and safety, or general welfare, for purposes of Sections 11346.1 and 11349.6 of the Government Code, and the department is

hereby exempted from the requirement that it describe specific facts showing the need for immediate action.

(b) As an alternative to the adoption of regulations pursuant to subdivision (a), and notwithstanding Chapter 3.5 (commencing with Section 11340) of Part 1 of Division 3 of Title 2 of the Government Code, the director may implement this article, in whole or in part, by means of a provider bulletin or other similar instructions, without taking regulatory action, provided that no such bulletin or other similar instructions shall remain in effect after July 31, 2007. It is the intent that regulations adopted pursuant to subdivision (a) shall be in place on or before July 31, 2007.

CHAPTER 7. ENFORCEMENT

130570. The Attorney General, upon the Attorney General's own initiative or upon petition of the department or of 50 or more residents of the state, shall investigate suspected violations of this division.

130571. The Attorney General may require, by summons, the attendance and testimony of witnesses and the production of books and papers before the Attorney General related to any such matter under investigation. The summons must be served in the same manner as summonses for witnesses in criminal cases, and all provisions of law related to criminal cases apply to summonses issued under this section so far as they are applicable. All investigations or hearings under this section to which witnesses are summoned or called upon to testify or to produce books, records, or correspondence are public or private at the choice of the person summoned and must be held in the county where the act to be investigated is alleged to have been committed, or if the investigation is on petition, it must be held in the county in which the petitioners reside.

130572. A court of competent jurisdiction may by order, upon application of the Attorney General, compel the attendance of witnesses, the production of books and papers, including correspondence, and the giving of testimony before the Attorney General in the same manner and to the same extent as before the superior court. Any failure to obey such an order may be punishable by that court as a contempt.

130574. If the Attorney General fails to act within 180 days to investigate suspected violations of this division, any person acting for the interests of itself, its members, or the general public may seek to obtain, in addition to other remedies, injunctive relief and a civil penalty in an amount of up to one hundred thousand dollars (\$100,000) or three times the amount of the damages, plus the costs of suit, including necessary and reasonable investigative costs, reasonable expert fees, and reasonable attorney's fees.

SEC. 1.5. Division 112.5 (commencing with Section 130600) is added to the Health and Safety Code, to read:

DIVISION 112.5. PROFITEERING IN PRESCRIPTION DRUGS

130600. Profiteering in prescription drugs is unlawful and is subject to the provisions of this section. The provisions of this section apply to manufacturers, distributors, and labelers of prescription drugs. A manufacturer, distributor, or labeler of prescription drugs engages in illegal profiteering if that manufacturer, distributor or labeler:

- (a) Exacts or demands an unconscionable price;
- (b) Exacts or demands prices or terms that lead to any unjust or unreasonable profit;
- (c) Discriminates unreasonably against any person in the sale, exchange, distribution, or handling of prescription drugs dispensed or delivered in the state; or
- (d) Intentionally prevents, limits, lessens, or restricts the sale or distribution of prescription drugs in this state in retaliation for the provisions of this chapter.

130601. Each violation of this division is a civil violation for which the Attorney General or any person acting for the interests of itself, its members, or the general public may obtain, in addition to other remedies, injunctive relief and a civil penalty in an amount of one hundred thousand dollars (\$100,000) or three times the amount of the damages, whichever is greater, plus the costs of suit, including necessary and reasonable investigative costs, reasonable expert fees, and reasonable attorney's fees.

SEC. 2. (a) This act shall be broadly construed and applied in order to fully promote its underlying purposes. If any provision of this initiative conflicts directly or indirectly with any other provisions of law, or any other statute previously enacted by the Legislature, it is the intent of the voters that such provisions shall be null and void to the extent that they are inconsistent with this initiative and are hereby repealed.

(b) No provision of this act may be amended by the Legislature except to further the purposes of that provision by a statute passed in each house by roll call vote entered in the journal, two-thirds of the membership concurring, or by a statute that becomes effective only when approved by the electorate. No amendment by the Legislature shall be deemed to further the purposes of this act unless it furthers the purpose of the specific provision of this act that is being amended. In any judicial action with respect to any legislative amendment, the court shall exercise its independent judgment as to whether or not the amendment satisfies the requirements of this subdivision.

(c) If any provision of this act or the application thereof to any person or circumstances is held invalid, that invalidity shall not affect other provisions or applications of the act that can be given effect in the absence of the invalid provision or application. To this end, the provisions of this act are severable.

80. Electric Service Providers. Regulation.

[Submitted by the initiative and rejected by electors November 8, 2005.]

PROPOSED LAW

Section 1. This measure shall be known and may be cited as "The Repeal of Electricity Deregulation and Blackout Prevention Act."

Section 2. (a) The people of the State of California find and declare all of the following:

(1) A reliable electricity system that delivers power to all consumers at just and reasonable prices is vital to the health, safety, and well-being of all Californians.

(2) Electricity is a unique good in modern society. It cannot be stored, must be delivered to the entire grid at the same time it is produced, and has no substitutes. Failure of supply for even a few seconds can lead to blackouts and disruption.

(3) The deregulation of the electricity market in California was a disastrous, ill-conceived experiment that led to rolling blackouts, supply shortages, and market manipulation, resulting in billions of dollars in excessive prices being borne by California ratepayers.

(4) The financial crisis and regulatory uncertainty that were created by the deregulated market have stifled investment in needed power plants.

(5) Deregulation of electricity, including the authorization of direct transactions, creates uncertainty regarding the customer base that must be served, making it impossible to conduct the long-term integrated resource planning that is necessary for an environmentally sound and reliable electricity system, and enables cost-shifting from large customers to small.

(6) Despite the past failures of electricity deregulation, its advocates are once again urging the Legislature and the Public Utilities Commission to launch a further experiment that may inflict additional damage on ratepayers and the California economy.

(b) In enacting this measure, it is the intent of the people to achieve the following policy goals:

(1) Ensure that all customers receive reliable retail electric service at just and reasonable rates.

(2) Provide a stable customer base for planning purposes, in order to assure resource adequacy and prevent inappropriate cost shifting. To that end, no new direct transactions shall be permitted, except as provided in this measure.

(3) Ensure that all rates, terms, and conditions of retail electric service are regulated by the Public Utilities Commission in a non-discriminatory manner as to all suppliers of retail electric service, and that all electricity service providers are under the jurisdiction of the commission.

(4) Ensure that the electrical system is developed in a manner that mitigates and minimizes any adverse environmental impacts to the maximum extent reasonably practicable by, among other things, requiring that each retail seller of electricity obtain at least 20 percent of its retail sales from eligible renewable energy resources no later than December 31, 2010.

Section 3. Section 218.3 of the Public Utilities Code is amended to read:

218.3. "Electric service provider" means an entity that offers electrical service to customers within the service territory of an electrical corporation, as defined in Section 218, but does not include an entity that offers electrical service solely to service customer load consistent with subdivision (b) of Section 218, and does not include an electrical corporation, as defined in Section 218, or a public agency that offers electrical service to residential and small commercial customers within its jurisdiction, or within the service territory of a local publicly owned electric utility. "Electric service provider" includes the unregulated affiliates and subsidiaries of an electrical corporation, as defined in Section 218. *An electric service provider is subject to the jurisdiction, control, and regulation of the commission and the provisions of this part, pursuant to subdivision (f) of Section 394.*

Section 4. Section 330 of the Public Utilities Code is repealed.

330.—In order to provide guidance in carrying out this chapter, the Legislature finds and declares all of the following:

(a) It is the intent of the Legislature that a cumulative rate reduction of at least 20 percent be achieved not later than April 1, 2002, for residential and small commercial customers, from the rates in effect on June 10, 1996. In determining that the April 1, 2002, rate reduction has been met, the commission shall exclude the costs of the competitively procured electricity and the costs associated with the rate reduction bonds, as defined in Section 840:

(b) The people, businesses, and institutions of California spend nearly twenty-three billion dollars (\$23,000,000,000) annually on electricity, so that reductions in the price of electricity would significantly benefit the economy of the state and its residents:

(c) The Public Utilities Commission has opened rulemaking and investigation proceedings with regard to restructuring California's electric power industry and reforming utility regulation.

(d) The commission has found, after an extensive public review process, that the interests of ratepayers and the state as a whole will be best served by moving from the regulatory framework existing on January 1, 1997, in which retail electricity service is provided principally by electrical corporations subject to an obligation to provide ultimate consumers in exclusive service territories with reliable electric service at regulated rates, to a framework under which competition would be allowed in the supply of electric power and customers would be allowed to have the right to choose their supplier of electric power.

(e) Competition in the electric generation market will encourage innovation, efficiency, and better service from all market participants, and will permit the reduction of costly regulatory oversight.

(f) The delivery of electricity over transmission and distribution systems is currently regulated, and will continue to be regulated to ensure system safety, reliability, environmental protection, and fair access for all market participants.

(g) Reliable electric service is of utmost importance to the safety, health, and welfare of the state's citizenry and economy. It is the intent of the Legislature that electric industry restructuring should enhance the reliability of the interconnected regional transmission systems, and provide strong coordination and enforceable protocols for all users of the power grid.

(h) It is important that sufficient supplies of electric generation will be available to maintain the reliable service to the citizens and businesses of the state.

(i) Reliable electric service depends on conscientious inspection and maintenance of transmission and distribution systems. To continue and enhance the reliability of the delivery of electricity, the Independent System Operator and the commission, respectively, should set inspection, maintenance, repair, and replacement standards.

(j) It is the intent of the Legislature that California enter into a compact with western region states. That compact should require the publicly and investor-owned utilities located in those states, that sell energy to California retail customers, to adhere to enforceable standards and protocols to protect the reliability of the interconnected regional transmission and distribution systems.

(k) In order to achieve meaningful wholesale and retail competition in the electric generation market, it is essential to do all of the following:

(1) Separate monopoly utility transmission functions from competitive generation functions, through development of independent, third-party control of transmission access and pricing.

(2) Permit all customers to choose from among competing suppliers of electric power.

(3) Provide customers and suppliers with open, nondiscriminatory, and comparable access to transmission and distribution services.

(f) The commission has properly concluded that:

(1) This competition will best be introduced by the creation of an Independent System Operator and an independent Power Exchange.

(2) Generation of electricity should be open to competition.

(3) There is a need to ensure that no participant in these new market institutions has the ability to exercise significant market power so that operation of the new market institutions would be distorted.

~~(4) These new market institutions should commence simultaneously with the phase in of customer choice, and the public will be best served if these institutions and the nonbypassable transition cost recovery mechanism referred to in subdivisions (s) to (w), inclusive, are in place simultaneously and no later than January 1, 1998.~~

~~(m) It is the intention of the Legislature that California's publicly owned electric utilities and investor-owned electric utilities should commit control of their transmission facilities to the Independent System Operator. These utilities should jointly advocate to the Federal Energy Regulatory Commission a pricing methodology for the Independent System Operator that results in an equitable return on capital investment in transmission facilities for all Independent System Operator participants.~~

~~(n) Opportunities to acquire electric power in the competitive market must be available to California consumers as soon as practicable, but no later than January 1, 1998, so that all customers can share in the benefits of competition.~~

~~(o) Under the existing regulatory framework, California's electrical corporations were granted franchise rights to provide electricity to consumers in their service territories.~~

~~(p) Consistent with federal and state policies, California electrical corporations invested in power plants and entered into contractual obligations in order to provide reliable electrical service on a nondiscriminatory basis to all consumers within their service territories who requested service.~~

~~(q) The cost of these investments and contractual obligations are currently being recovered in electricity rates charged by electrical corporations to their consumers.~~

~~(r) Transmission and distribution of electric power remain essential services imbued with the public interest that are provided over facilities owned and maintained by the state's electrical corporations.~~

~~(s) It is proper to allow electrical corporations an opportunity to continue to recover, over a reasonable transition period, those costs and categories of costs for generation-related assets and obligations, including costs associated with any subsequent renegotiation or buyout of existing generation-related contracts, that the commission, prior to December 20, 1995, had authorized for collection in rates and that may not be recoverable in market prices in a competitive generation market, and appropriate additions incurred after December 20, 1995, for capital additions to generating facilities existing as of December 20, 1995, that the commission determines are reasonable and should be recovered, provided that the costs are necessary to maintain those facilities through December 31, 2001. In determining the costs to be recovered, it is appropriate to net the negative value of above market assets against the positive value of below market assets.~~

~~(t) The transition to a competitive generation market should be orderly, protect electric system reliability, provide the investors in these electrical corporations with a fair opportunity to fully recover the costs associated with commission approved generation-related assets and obligations, and be completed as expeditiously as possible.~~

~~(u) The transition to expanded customer choice, competitive markets, and performance based ratemaking as described in Decision 95-12-063, as modified by Decision 96-01-009, of the Public Utilities Commission, can produce hardships for employees who have dedicated their working lives to utility employment. It is preferable that any necessary reductions in the utility workforce directly caused by electrical restructuring, be accomplished through~~

offers of voluntary severance, retraining, early retirement, outplacement, and related benefits. Whether workforce reductions are voluntary or involuntary, reasonable costs associated with these sorts of benefits should be included in the competition transition charge.

(v) Charges associated with the transition should be collected over a specific period of time on a nonbypassable basis and in a manner that does not result in an increase in rates to customers of electrical corporations. In order to insulate the policy of nonbypassability against incursions, if exemptions from the competition transition charge are granted, a firewall shall be created that segregates recovery of the cost of exemptions as follows:

(1) The cost of the competition transition charge exemptions granted to members of the combined class of residential and small commercial customers shall be recovered only from those customers.

(2) The cost of the competition transition charge exemptions granted to members of the combined class of customers other than residential and small commercial customers shall be recovered only from those customers. The commission shall retain existing cost allocation authority provided that the firewall and rate freeze principles are not violated.

(w) It is the intent of the Legislature to require and enable electrical corporations to monetize a portion of the competition transition charge for residential and small commercial consumers so that these customers will receive rate reductions of no less than 10 percent for 1998 continuing through 2002. Electrical corporations shall, by June 1, 1997, or earlier, secure the means to finance the competition transition charge by applying concurrently for financing orders from the Public Utilities Commission and for rate reduction bonds from the California Infrastructure and Economic Development Bank.

(x) California's public utility electrical corporations provide substantial benefits to all Californians, including employment and support of the state's economy. Restructuring the electric services industry pursuant to the act that added this chapter will continue these benefits, and will also offer meaningful and immediate rate reductions for residential and small commercial customers, and facilitate competition in the supply of electric power.

Section 5. Section 365 of the Public Utilities Code is repealed.

365.—The actions of the commission pursuant to this chapter shall be consistent with the findings and declarations contained in Section 330.—In addition, the commission shall do all of the following:

(a) Facilitate the efforts of the state's electrical corporations to develop and obtain authorization from the Federal Energy Regulatory Commission for the creation and operation of an Independent System Operator and an independent Power Exchange, for the determination of which transmission and distribution facilities are subject to the exclusive jurisdiction of the commission, and for approval, to the extent necessary, of the cost recovery mechanism established as provided in Sections 367 to 376, inclusive. The commission shall also participate fully in all proceedings before the Federal Energy Regulatory Commission in connection with the Independent System Operator and the independent Power Exchange, and shall encourage the Federal Energy Regulatory Commission to adopt protocols and procedures that strengthen the reliability of the interconnected transmission grid, encourage all publicly owned utilities in California to become full participants, and maximize enforceability of such protocols and procedures by all market participants.

(b) (1) Authorize direct transactions between electricity suppliers and end-use customers, subject to implementation of the nonbypassable charge

referred to in Sections 367 to 376, inclusive. Direct transactions shall commence simultaneously with the start of an Independent System Operator and Power Exchange referred to in subdivision (a). The simultaneous commencement shall occur as soon as practicable, but no later than January 1, 1998. The commission shall develop a phase-in schedule at the conclusion of which all customers shall have the right to engage in direct transactions. Any phase-in of customer eligibility for direct transactions ordered by the commission shall be equitable to all customer classes and accomplished as soon as practicable, consistent with operational and other technological considerations, and shall be completed for all customers by January 1, 2002.

(2) Customers shall be eligible for direct access irrespective of any direct access phase-in implemented pursuant to this section if at least one-half of that customer's electrical load is supplied by energy from a renewable resource provider certified pursuant to Section 383, provided however that nothing in this section shall provide for direct access for electric consumers served by municipal utilities unless so authorized by the governing board of that municipal utility.

Section 6. Section 365.5 of the Public Utilities Code is repealed.

365.5. — Nothing in this chapter shall prevent the commission from exercising its authority to investigate a process for certification and regulation of the rates, charges, terms, and conditions of default service. If the commission determines that a process for certification and regulation of default service is in the public interest, the commission shall submit its findings and recommendations to the Legislature for approval.

Section 7. Section 366 of the Public Utilities Code is repealed.

366.—(a) The commission shall take actions as needed to facilitate direct transactions between electricity suppliers and end-use customers. Customers shall be entitled to aggregate their electrical loads on a voluntary basis, provided that each customer does so by a positive written declaration. If no positive declaration is made by a customer, that customer shall continue to be served by the existing electrical corporation or its successor in interest, except aggregation by community choice aggregators, accomplished pursuant to Section 366.2.

(b) Aggregation of customer electrical load shall be authorized by the commission for all customer classes, including, but not limited, to small commercial or residential customers. Aggregation may be accomplished by private market aggregators, special districts, or on any other basis made available by market opportunities and agreeable by positive written declaration by individual consumers, except aggregation by community choice aggregators, which shall be accomplished pursuant to Section 366.2.

Section 8. Section 366 is added to the Public Utilities Code, to read:

366. (a) *No new direct transactions for retail electric service may be entered into after the effective date of this act, except by those customers of an electrical corporation who were being served via a direct transaction on January 1, 2005.*

(b) *A customer who was being served via a direct transaction on January 1, 2005, may return to service by an electrical corporation upon one year's notice to the electrical corporation, and thereafter may not enter into a new direct transaction. If a customer returns to service by an electrical corporation prior to the expiration of the one year notice period, that customer shall pay a generation rate that is equal to the higher of the electrical corporation's bundled generation portfolio price or the current short-term market price until the one year notice period has elapsed.*

(c) *A customer that was being served via a direct transaction on January 1, 2005, may take temporary default service from an electrical corporation, at a generation*

rate that is equal to the higher of the electrical corporation's bundled generation portfolio price or the current short-term market price, for a period of no longer than 120 days. If the customer does not enter into a new direct transaction by the end of the 120 day period, that customer may not thereafter enter into a new direct transaction, and shall continue to be served by the electrical corporation at the default service rate for a period of one year, at which point the customer will be charged the bundled generation portfolio price.

(d) Any customer that the commission has determined, in its Decision 02-11-022, is responsible to pay a cost recovery surcharge as a condition of having purchased electricity via a direct transaction shall continue to pay the cost recovery surcharge until full collection is achieved.

(e) Nothing in this section alters the provisions of Sections 366.1 and 366.2, relating to community choice aggregation.

Section 9. Section 394 of the Public Utilities Code is amended to read:

394. (a) As used in this section, "electric service provider" means an entity that offers electrical service to customers within the service territory of an electrical corporation, but does not include an electrical corporation, as defined in Section 218, does not include an entity that offers electrical service solely to serve customer load consistent with subdivision (b) of Section 218, and does not include a public agency that offers electrical service to residential and small commercial customers within its jurisdiction, or within the service territory of a local publicly owned electric utility. "Electric service provider" includes the unregulated affiliates and subsidiaries of an electrical corporation, as defined in Section 218.

(b) Each electric service provider shall register with the commission. As a precondition to registration, the electric service provider shall provide, under oath, declaration, or affidavit, all of the following information to the commission:

(1) Legal name and any other names under which the electric service provider is doing business in California.

(2) Current telephone number.

(3) Current address.

(4) Agent for service of process.

(5) State and date of incorporation, if any.

(6) Number for a customer contact representative, or other personnel for receiving customer inquiries.

(7) Brief description of the nature of the service being provided.

(8) Disclosure of any civil, criminal, or regulatory sanctions or penalties imposed within the 10 years immediately prior to registration, against the company or any owner, partner, officer, or director of the company pursuant to any state or federal consumer protection law or regulation, and of any felony convictions of any kind against the company or any owner, partner, officer, or director of the company. In addition, each electric service provider shall furnish the commission with fingerprints for those owners, partners, officers, and managers of the electric service provider specified by any commission decision applicable to all electric service providers. The commission shall submit completed fingerprint cards to the Department of Justice. Those fingerprints shall be available for use by the Department of Justice and the Department of Justice may transmit the fingerprints to the Federal Bureau of Investigation for a national criminal history record check. The commission may use information obtained from a national criminal history record check conducted pursuant to this section to determine an electric service provider's eligibility for registration.

(9) Proof of financial viability. The commission shall develop uniform standards for determining financial viability and shall publish those standards for public comment no later than March 31, 1998. In determining the financial viability of the electric service provider, the commission shall take into account the number of customers the potential registrant expects to serve, the number of kilowatthours of electricity it expects to provide, and any other appropriate criteria to ensure that residential and small commercial customers have adequate recourse in the event of fraud or nonperformance.

(10) Proof of technical and operational ability. The commission shall develop uniform standards for determining technical and operational capacity and shall publish those standards for public comment no later than March 31, 1998.

(c) Any registration filing approved by the commission prior to the effective date of this section which does not comply in all respects with the requirements of subdivision (a) of Section 394 shall nevertheless continue in force and effect so long as within 90 days of the effective date of this section the electric service provider undertakes to supplement its registration filing to the satisfaction of the commission. Any registration that is not supplemented by the required information within the time set forth in this subdivision shall be suspended by the commission and shall not be reinstated until the commission has found the registration to be in full compliance with subdivision (a) of Section 394.

(d) Any public agency offering aggregation services as provided for in Section 366 solely to retail electric customers within its jurisdiction that has registered with the commission prior to the enactment of this section may voluntarily withdraw its registration to the extent that it is exempted from registration under this chapter.

(e) Before reentering the market, electric service providers whose registration has been revoked shall file a formal application with the commission that satisfies the requirements set forth in Section 394.1 and demonstrates the fitness and ability of the electric service provider to comply with all applicable rules of the commission.

~~(f) Registration with the commission is an exercise of the licensing function of the commission, and does not constitute regulation of the rates or terms and conditions of service offered by electric service providers. Nothing in this part authorizes the commission to regulate the rates or terms and conditions of service offered by electric service providers.~~

(f) Registration with the commission is an exercise of the licensing function of the commission, and registration by an electric service provider constitutes agreement of the electric service provider to the jurisdiction, control, and regulation of its rates and terms and conditions of service by the commission. The commission shall exercise such jurisdiction, control, and regulation of electric service providers in their provision of electrical service in the same manner as its exercise of jurisdiction, control, and regulation of electrical corporations, including, but not limited to, enforcement of: energy procurement and contracting standards and requirements; resource adequacy requirements; energy efficiency and demand response requirements; renewable portfolio standards; and appropriate assignment of costs among customers to prevent cost shifting.

Section 10. Section 399.15 of the Public Utilities Code is amended to read:

399.15. (a) In order to fulfill unmet long-term resource needs, the commission shall establish a renewables portfolio standard requiring all electrical corporations to procure a minimum quantity of output from eligible renewable energy resources as a specified percentage of total kilowatthours sold to their retail end-use customers each calendar year, if sufficient funds are

made available pursuant to paragraph (2), and Section 399.6 and Chapter 8.6 (commencing with Section 25740) of Division 15 of the Public Resources Code, to cover the above-market costs of eligible renewables, and subject to all of the following:

(1) An electric corporation shall not be required to enter into long-term contracts with eligible renewable energy resources that exceed the market prices established pursuant to subdivision (c) of this section.

(2) The Energy Commission shall provide supplemental energy payments from funds in the New Renewable Resources Account in the Renewable Resource Trust Fund to eligible renewable energy resources pursuant to Chapter 8.6 (commencing with Section 25740) of Division 15 of the Public Resources Code, consistent with this article, for above-market costs. Indirect costs associated with the purchase of eligible renewable energy resources, such as imbalance energy charges, sale of excess energy, decreased generation from existing resources, or transmission upgrades shall not be eligible for supplemental energy payments, but shall be recoverable by an electrical corporation in rates, as authorized by the commission.

(3) For purposes of setting annual procurement targets, the commission shall establish an initial baseline for each electrical corporation based on the actual percentage of retail sales procured from eligible renewable energy resources in 2001, and, to the extent applicable, adjusted going forward pursuant to subdivision (a) of Section 399.12.

(b) The commission shall implement annual procurement targets for each electrical corporation as follows:

~~(1) Beginning on January 1, 2003, each electrical corporation shall, pursuant to subdivision (a), increase its total procurement of eligible renewable energy resources by at least an additional 1 percent of retail sales per year so that 20 percent of its retail sales are procured from eligible renewable energy resources no later than December 31, 2017. An electrical corporation with 20 percent of retail sales procured from eligible renewable energy resources in any year shall not be required to increase its procurement of such resources in the following year.~~

(1) Beginning on January 1, 2003, each retail seller shall, pursuant to subdivision (a), increase its total procurement of eligible renewable energy resources by at least an additional 1 percent of retail sales per year so that 20 percent of its retail sales are procured from eligible renewable energy resources no later than December 31, 2010.

(2) Only for purposes of establishing these targets, the commission shall include all power sold to retail customers by the Department of Water Resources pursuant to Section 80100 of the Water Code in the calculation of retail sales by an electrical corporation.

(3) In the event that an electrical corporation fails to procure sufficient eligible renewable energy resources in a given year to meet any annual target established pursuant to this subdivision, the electrical corporation shall procure additional eligible renewable energy resources in subsequent years to compensate for the shortfall if sufficient funds are made available pursuant to paragraph (2), and Section 399.6 and Chapter 8.6 (commencing with Section 25740) of Division 15 of the Public Resources Code, to cover the above-market costs of eligible renewables.

(4) If supplemental energy payments from the Energy Commission, in combination with the market prices approved by the commission, are insufficient to cover the above-market costs of eligible renewable energy resources, the

commission shall allow an electrical corporation to limit its annual procurement obligation to the quantity of eligible renewable energy resources that can be procured with available supplemental energy payments.

(c) The commission shall establish a methodology to determine the market price of electricity for terms corresponding to the length of contracts with renewable generators, in consideration of the following:

(1) The long-term market price of electricity for fixed price contracts, determined pursuant to the electrical corporation's general procurement activities as authorized by the commission.

(2) The long-term ownership, operating, and fixed-price fuel costs associated with fixed-price electricity from new generating facilities.

(3) The value of different products including baseload, peaking, and as-available output.

(d) The establishment of a renewables portfolio standard shall not constitute implementation by the commission of the federal Public Utility Regulatory Policies Act of 1978 (Public Law 95-617).

(e) The commission shall consult with the Energy Commission in calculating market prices under subdivision (c) and establishing other renewables portfolio standard policies.

Section 11. Chapter 2.4 (commencing with Section 400) is added to Part 1 of Division 1 of the Public Utilities Code, to read:

CHAPTER 2.4. THE RELIABLE ELECTRIC SERVICE ACT

400. This chapter shall be known, and may be cited, as the Reliable Electric Service Act.

400.1. The commission and the Legislature shall do all of the following:

(a) Restore and affirm the electric utility's obligation to serve all of its customers reliably and at just and reasonable rates.

(b) Eliminate opportunities for market manipulation and assure the best value for consumers by authorizing cost-based construction and operation of new electric plants as well as competitive utility wholesale electricity procurement.

(c) Protect consumers, the environment, and the reliability of the electricity system, by establishing a comprehensive long-term integrated resource planning process, under regulation, in order to ensure resource adequacy and reasonably priced electricity. Such a process shall include, as a first priority, funding of all cost-effective energy efficiency and conservation programs, and increasing the proportion of electricity provided from cost-effective renewable resources.

(d) Establish and enforce resource adequacy requirements to ensure that adequate physical generating capacity dedicated to serving all load requirements is available to meet peak demand and planning and operating reserves, at such locations and at such times as may be necessary to ensure local area reliability and system reliability, at just and reasonable rates. Resource adequacy requirements shall apply in a nondiscriminatory manner to all load serving entities.

(e) Advance and promote opportunities for consumers to use innovative new technologies, such as distributed generation, consistent with grid reliability and environmental protection and improvement, provided that residential and small commercial customers with average usage of less than 1,000 kilowatt-hours per month and occupying a building that was constructed prior to January 1, 2006, shall not be required to take service under a time-differentiated rate schedule without their affirmative written consent.

400.2. (a) An electrical corporation has an obligation to plan for and provide its customers with reliable electric service at just and reasonable rates, pursuant

to Section 451, including those customers who purchase standby service from the electrical corporation.

(b) For purposes of this chapter, “electric service” includes providing adequate and efficient resources, including utility-owned and procured generation resources, such as new and repowered generation resources, cogeneration, and renewable generation resources, transmission and distribution resources, metering and billing, funding for cost-effective energy efficiency and other demand reduction resources, and employing an adequately sized, well-trained utility workforce, including contracting for maintenance of generation facilities.

400.3. (a) The Public Utilities Commission shall establish a process of resource selection and procurement that achieves the best value for ratepayers as its primary goal.

(b) The commission shall ensure that each electrical corporation achieves the best value for its ratepayers by maintaining a diversified portfolio of non-utility generation under contract with the utility and utility-owned generation, consistent with the electrical corporation’s approved long-term integrated resource plan, taking into account price, reliability, stability, efficiency, cost-effectiveness, system impacts, resource diversity, financial integrity of the utility, risk, and environmental performance.

(c) The resource selection process may achieve the best value for ratepayers, as described in subdivisions (a) and (b), by utilizing the following approaches to compare the benefits and costs of alternative resource options:

- (1) Competitive solicitations for non-utility generation.
- (2) Bilateral contracts for non-utility generation.
- (3) Cost-based utility-owned generation that is regulated by the commission.

(d) For purposes of this act, “non-utility generation” means facilities for the generation of electricity owned and operated by an entity other than an electrical corporation; and “load serving entity” does not include a local publicly owned electric utility as defined in Section 9604, the State Water Resources Development System commonly known as the State Water Project, or customer self-generation.

400.4. (a) The commission, in consultation with the Independent System Operator, shall establish resource adequacy requirements to ensure that adequate physical generating capacity dedicated to serving all load requirements is available to meet peak demand and planning and operating reserves, at or deliverable to such locations and at such times as may be necessary to ensure local area reliability and system reliability at just and reasonable rates.

(b) The commission shall implement and enforce these resource adequacy requirements in a nondiscriminatory manner on all load serving entities.

(c) Resource adequacy requirements established by the commission shall provide for and assure all of the following:

- (1) System wide and local area grid reliability.
- (2) Adequate physical generating capacity dedicated to serve all load requirements, including planning and operating reserves, where and when it is needed.
- (3) Adequate and timely investment in new generating capacity to meet future load requirements, including planning and operating reserves.
- (4) Market power mitigation.
- (5) Deliverability.
- (6) Resource commitments by load serving entities at least three years in advance of need, in order to assure that new resources can be constructed if necessary to meet the need.

(d) Pursuant to its authority to revoke or suspend registration pursuant to Section 394.25, the commission shall suspend the registration for a specified period, or revoke the registration, of an electric service provider that fails to comply with the rules and regulations adopted by the commission to enforce resource adequacy requirements.

Section 12. The Legislature may amend this act only to achieve its purposes and intent, by legislation receiving at least a two-thirds vote of each house and signature by the Governor.

Section 13. The provisions of this act are severable. If any provision of this act or its application is held invalid, that invalidity shall not affect other provisions or applications that can be given effect without the invalid provision or application.

[Approved by Governor April 21, 2005. Filed with
Secretary of State April 21, 2005.]

The people of the State of California do enact as follows:

SECTION 1. (a) Upon the occasion of the 90th anniversary of the Armenian Genocide, the Legislature recognizes that 1,500,000 Armenians living in their 3,000-year historic homeland were subjected to torture, starvation, and murder, including death marches into the Syrian desert, by the rulers of the Ottoman Turkish Empire and the exile of more than 500,000 innocent people during the period from 1915–23. The Armenian Genocide, also known as the “First Genocide of the Twentieth Century,” represented a deliberate attempt to eliminate all traces of a thriving noble civilization.

(b) In recognition of the anniversary of this Genocide and an open condemnation of these crimes against humanity, it is crucial to publicly acknowledge the occurrence of the Armenian Genocide, as it is denied to this day by the Republic of Turkey, and to prevent the repetition of similar future atrocities committed against any people.

(c) Armenian communities all over the world commemorate this great tragedy on April 24, because it was on that day in 1915 when hundreds of Armenian intellectual, political, religious, and business leaders were arrested and taken from their homes in Constantinople before dawn and brutally murdered.

SEC. 2. Section 6720 is added to the Government Code, to read:

6720. April 24 of each year shall be the “California Day of Remembrance of the Armenian Genocide,” and the period beginning on the Sunday before that day through the following Sunday shall be the days of remembrance in this state, and shall annually be so proclaimed by the Governor, in memory of the 1,500,000 victims who were subjected to torture, starvation, and murder, including death marches into the Syrian desert, by the rulers of the Ottoman Turkish Empire and the exile of more than 500,000 innocent people during the period from 1915 to 1923, inclusive, and in honor of the survivors of those crimes against humanity.

Projects entailing expenditure of greater than the project limit established by Section 10108 of the Public Contract Code shall be reviewed and approved by the Secretary of the Department of Corrections and Rehabilitation.

Money so transferred or deposited shall be available for expenditure by the department for the purposes for which appropriated, contributed or made available, without regard to fiscal years and irrespective of the provisions of Sections 13340 and 16304 of the Government Code. Money transferred or deposited pursuant to this section shall be used only for purposes authorized in this section.

SEC. 29. Section 3041 of the Penal Code is amended to read:

3041. (a) In the case of any inmate sentenced pursuant to any provision of law, other than Chapter 4.5 (commencing with Section 1170) of Title 7 of Part 2, the Board of Parole Hearings shall meet with each inmate during the third year of incarceration for the purposes of reviewing the inmate's file, making recommendations, and documenting activities and conduct pertinent to granting or withholding postconviction credit. One year prior to the inmate's minimum eligible parole release date a panel of two or more commissioners or deputy commissioners shall again meet with the inmate and shall normally set a parole release date as provided in Section 3041.5. No more than one member of the panel shall be a deputy commissioner. In the event of a tie vote, the matter shall be referred for an en banc hearing by the board. The release date shall be set in a manner that will provide uniform terms for offenses of similar gravity and magnitude in respect to their threat to the public, and that will comply with the sentencing rules that the Judicial Council may issue and any sentencing information relevant to the setting of parole release dates. The board shall establish criteria for the setting of parole release dates and in doing so shall consider the number of victims of the crime for which the inmate was sentenced and other factors in mitigation or aggravation of the crime. At least one commissioner of the panel shall have been present at the last preceding meeting, unless it is not feasible to do so or where the last preceding meeting was the initial meeting. Any person on the hearing panel may request review of any decision regarding parole for an en banc hearing by the board. In case of a review, a majority vote in favor of parole by the board members participating in an en banc hearing is required to grant parole to any inmate.

(b) The panel or the board, sitting en banc, shall set a release date unless it determines that the gravity of the current convicted offense or offenses, or the timing and gravity of current or past convicted offense or offenses, is such that consideration of the public safety requires a

more lengthy period of incarceration for this individual, and that a parole date, therefore, cannot be fixed at this meeting. After the effective date of this subdivision, any decision of the parole panel finding an inmate suitable for parole shall become final within 120 days of the date of the hearing. During that period, the board may review the panel's decision. The panel's decision shall become final pursuant to this subdivision unless the board finds that the panel made an error of law, or that the panel's decision was based on an error of fact, or that new information should be presented to the board, any of which when corrected or considered by the board has a substantial likelihood of resulting in a substantially different decision upon a rehearing. In making this determination, the board shall consult with the commissioners who conducted the parole consideration hearing. No decision of the parole panel shall be disapproved and referred for rehearing except by a majority vote of the board, sitting en banc, following a public hearing.

(c) For the purpose of reviewing the suitability for parole of those inmates eligible for parole under prior law at a date earlier than that calculated under Section 1170.2, the board shall appoint panels of at least two persons to meet annually with each inmate until the time the person is released pursuant to proceedings or reaches the expiration of his or her term as calculated under Section 1170.2.

(d) It is the intent of the Legislature that during times when there is no backlog of inmates awaiting parole hearings, life parole consideration hearings or life rescission hearings, hearings will be conducted by a panel of three or more members, the majority of whom shall be commissioners. The board shall report monthly on the number of cases where an inmate has not received a completed initial or subsequent parole consideration hearing within 30 days of the hearing date required by subdivision (a) of Section 3041.5 or paragraph (2) of subdivision (b) of Section 3041.5, unless the inmate has waived the right to those timeframes. That report shall be considered the backlog of cases for purposes of this section, and shall include information on the progress toward eliminating the backlog, and on the number of inmates who have waived their right to the above timeframes. The report shall be made public at a regularly scheduled meeting of the board and a written report shall be made available to the public and transmitted to the Legislature quarterly.

(e) For purposes of this section, an en banc hearing by the board means a hearing conducted by a committee of nine randomly selected commissioners who are specifically appointed to hear adult parole matters, selected by the chairperson. The committee shall be comprised of a majority of commissioners holding office on the date the matter is heard by the committee.

SEC. 30. Section 3041.1 of the Penal Code is amended to read:

3041.1. Up to 90 days prior to a scheduled release date, the Governor may request review of any decision by a parole authority concerning the grant or denial of parole to any inmate in a state prison. The Governor shall state the reason or reasons for the request, and whether the request is based on a public safety concern, a concern that the gravity of current or past convicted offenses may have been given inadequate consideration, or on other factors. When a request has been made, a randomly selected committee comprised of nine commissioners specifically appointed to hear adult parole matters and who are holding office at the time, shall review the parole decision. In case of a review, a vote in favor of parole by a majority of the commissioners on the committee shall be required to grant parole to any inmate. In carrying out any review, the board shall comply with the provisions of this chapter.

(C) The person may have other choices for Medicare coverage and for further assistance may contact the federal Centers for Medicare and Medicaid Services (CMS) at 1-800-MEDICARE or <www.Medicare.gov>.

(D) The notice shall be in plain language, prominently displayed, and translated into any language other than English that the commission is required to use in communicating with Medi-Cal beneficiaries.

(c) It is the intent of the Legislature that if a county forms a commission pursuant to this section, the county shall, with respect to its medical facilities and programs occupy no greater or lesser status than any other health care provider in negotiating with the commission for contracts to provide health care services.

(d) The enabling ordinance shall specify the membership of the county commission, the qualifications for individual members, the manner of appointment, selection, or removal of commissioners, and how long they shall serve, and any other matters as a board of supervisors deems necessary or convenient for the conduct of the county commission's activities. A commission so established shall be considered an entity separate from the county or counties, shall be considered a public entity for purposes of Division 3.6 (commencing with Section 810) of Title 1 of the Government Code, and shall file the statement required by Section 53051 of the Government Code. The commission shall have in addition to the rights, powers, duties, privileges, and immunities previously conferred, the power to acquire, possess, and dispose of real or personal property, as may be necessary for the performance of its functions, to employ personnel and contract for services required to meet its obligations, to sue or be sued, and to enter into agreements under Chapter

(e) Upon creation, a commission may borrow from the county or counties, and the county or counties may lend the commission funds, or issue revenue anticipation notes to obtain those funds necessary to commence operations.

(f) In the event a commission may no longer function for the purposes for which it was established, at such time as the commission's then existing obligations have been satisfied or the commission's assets have been exhausted, the board or boards of supervisors may by ordinance terminate the commission.

(g) Prior to the termination of a commission, the board or boards of supervisors shall notify the State Department of Health Services of its intent to terminate the commission. The department shall conduct an audit of the commission's records within 30 days of the notification to determine the liabilities and assets of the commission. The department shall report its findings to the board or boards within 10 days of completion of the audit. The board or boards shall prepare a plan to liquidate or otherwise dispose of the assets of the commission and to pay the liabilities of the commission to the extent of the commission's assets, and present the plan to the department within 30 days upon receipt of these findings.

(h) Upon termination of a commission by the board or boards, the county or counties shall manage any remaining assets of the commission until superseded by a department-approved plan. Any liabilities of the commission shall not become obligations of the county or counties upon either the termination of the commission or the liquidation or disposition of the commission's remaining assets.

(i) Any assets of a commission shall be disposed of pursuant to provisions contained in the contract entered into between the state and the commission pursuant to this article.

SEC. 2. This act is an urgency statute necessary for the immediate preservation of the public peace, health, or safety within the meaning of Article IV of the Constitution and shall go into immediate effect. The facts constituting the necessity are:

In order to enable important changes to be made in health care delivery systems in certain geographical areas, it is necessary that this act go into immediate effect.

CHAPTER 14

An act to amend Section 30122 of the Revenue and Taxation Code, relating to fiscal affairs, making an appropriation therefor, and declaring the urgency thereof, to take effect immediately.

[Approved by Governor June 16, 2005. Filed with
Secretary of State June 17, 2005.]

The people of the State of California do enact as follows:

SECTION 1. The Legislature finds and declares all of the following:

(a) Proposition 99, adopted by the voters in 1988, imposed a twenty-five cents (\$0.25) per pack surtax on tobacco products. Revenues from this surtax may be appropriated, among other things, for medical and hospital care and treatment of patients who cannot afford to pay for those services, and for whom payment will not be made through any private coverage or by any program funded in whole or in part by the federal government.

(b) Amendments to Proposition 99 must be consistent with its purposes.

(c) A primary purpose of Proposition 99 is to expand resources to meet the increasing demand for medical services for the most needy Californians. As stated in the ballot argument, voting yes on Proposition 99 meant a vote "... for medical care for people who cannot afford health care ..." and would provide "... additional resources to care for those in need."

(d) The adoption of Proposition 99 created the Cigarette and Tobacco Products Surtax Fund, consisting of six separate accounts, including the Hospital Services Account, the Physicians Services Account, and the Unallocated Account.

(e) Preventing the use of Proposition 99 funds to provide medical care where payment for medical care is made through any program funded in part by the federal government limits California's ability to fulfill a primary purpose of Proposition 99 which is to provide medical care for people who cannot afford health care, and limits available funding to deliver medical care.

(f) After the adoption of Proposition 99, California has created or expanded programs that further the purpose of that proposition, including the Access for Infants and Mothers Program. In addition, the federal government created the State Children's Health Insurance Program, providing new opportunities for states to secure federal funding for health care services, and the state's ability to receive matching funding for

health care programs funded by Proposition 99 would enable it to maximize available resources to provide medical care to more people than could be provided if state funds alone were available.

(g) In the 2004-05 fiscal year, Proposition 99 revenues allocated to the Hospital Services Account, the Physician Services Account, and the Unallocated Account will total an estimated \$216,000,000. Proposition 99 originally provided approximately \$570,000,000 for health care related programs. Since that time revenues have declined steadily as the use of tobacco products has diminished due to the success of the antitobacco media campaign and other tobacco control and antismoking efforts. The use of declining Proposition 99 revenues to match federal funding will enable the state to maximize the benefit to the public from a declining revenue stream.

(h) The appropriation of funds from the Hospital Services Account, the Physicians Services Account, and the Unallocated Account to pay for the care of persons covered by programs funded in part by the federal government would maximize utilization of Proposition 99 funds in furtherance of the initiative's purpose: to provide medical services to those in need, including those in medically underserved areas and rural communities.

(i) The amendment of Proposition 99 to clarify that the appropriation of Cigarette and Tobacco Products Surtax Law funds in the Hospital Services Account, the Physicians Services Account, and the Unallocated Account to pay for the care of persons covered by programs funded in part by the federal government is consistent with the purposes of Proposition 99.

SEC. 2. Section 30122 of the Revenue and Taxation Code is amended to read:

30122. (a) The Cigarette and Tobacco Products Surtax Fund is hereby created in the State Treasury. The fund shall consist of all revenues deposited therein pursuant to this article. Moneys in the fund may only be appropriated for the following purposes:

- (1) Tobacco-related school and community health education programs.
- (2) Tobacco-related disease research.
- (3) Medical and hospital care and treatment of patients who cannot afford to pay for those services, and for whom payment will not be made through any private coverage or by any program funded in whole by the federal government.

- (4) Programs for fire prevention; environmental conservation; protection, restoration, enhancement, and maintenance of fish, waterfowl, and wildlife habitat areas; and enhancement of state and local park and recreation purposes.

(b) The fund consists of six separate accounts, as follows:

(1) The Health Education Account, which shall only be available for appropriation for programs for the prevention and reduction of tobacco use, primarily among children, through school and community health education programs. Revenues from the Health Education Account shall not be used to match federal funds for any purpose.

(2) The Hospital Services Account, which shall only be available for appropriation for payment to public and private hospitals licensed pursuant to subdivision (a) of Section 1250 of the Health and Safety Code for the treatment of hospital patients who cannot afford to pay for that treatment and for whom payment for hospital services will not be made through private coverage or by any program funded in whole by the federal government.

(3) The Physician Services Account, which shall only be available for appropriation for payment to physicians for services to patients who cannot afford to pay for those services, and for whom payment for physician services will not be made through private coverage or by any program funded in whole by the federal government.

(4) The Research Account, which shall only be available for appropriation for tobacco-related disease research. Revenues from the Public Research Account shall not be used to match federal funds for any purpose.

(5) The Public Resources Account, which shall only be available for appropriation in equal amounts for both of the following:

(A) Programs to protect, restore, enhance, or maintain fish, waterfowl, and wildlife habitat on an equally funded basis.

(B) Programs to enhance state and local park and recreation resources.

(6) The Unallocated Account, which shall be available for appropriation for any purpose specified in subdivision (a).

SEC. 3. The following amounts are appropriated from the Cigarette and Tobacco Products Surtax Fund to the State Department of Health Services for the 2004-05 fiscal year for enhancements set forth in subdivisions (m) and (n) of Section 51509 of Title 22 of the California Code of Regulations, as adopted pursuant to the settlement of Orthopaedic Hospital and the California Association of Hospitals and Health System v. Belshe (CV 94-4764), to hospital outpatient reimbursement rates pursuant to subdivision (a) of Section 14132 of the Welfare and Institutions Code, as follows:

(a) From the Hospital Services Account, the amount of three million six hundred thirty-one thousand dollars (\$3,631,000).

(b) From the Unallocated Account, the amount of forty-two million four hundred seventy-three thousand dollars (\$42,473,000).

SEC. 4. Section 2 of this act shall be applied with respect to the entire 2004-05 fiscal year and for each fiscal year following that fiscal year.

SEC. 5. No program or service funded through the Budget Act of 2004 that receives funding from the Physicians Services Account, the Hospital Services Account, or the Unallocated Account of the Cigarette and Tobacco Products Surtax Fund shall be adversely affected by the receipt of federal funding as a result of the implementation of this act.

SEC. 6. Notwithstanding any other provision of law, the Director of Finance shall make all necessary budgetary adjustments to implement this act and other changes identified in the Governor's May Revision to the Budget Bill for the 2004-05 fiscal year. Within 30 days of making the adjustments, the Director of Finance shall notify the appropriate committees of the Legislature of those adjustments.

SEC. 7. This act is an urgency statute necessary for the immediate preservation of the public peace, health, or safety within the meaning of Article IV of the Constitution and shall go into immediate effect. The facts constituting the necessity are:

In order that this act is operative for the 2004-05 fiscal year, it is necessary that this act take effect immediately.

CHAPTER 15

An act to amend Section 3262 of the Civil Code, relating to works of improvement.

[Filed with Secretary of State June 22, 2005.]

The people of the State of California do enact as follows:

SECTION 1. Section 3262 of the Civil Code is amended to read:

3262. (a) Neither the owner nor original contractor by any term of their contract, or otherwise, shall waive, affect, or impair the claims and liens of other persons whether with or without notice except by their written consent, and any term of the contract to that effect shall be null and void. Any written consent given by any claimant pursuant to this subdivision shall be null, void, and unenforceable unless and until the claimant executes and delivers a waiver and release. That waiver and release shall be binding and effective to release the owner, construction lender, and surety on a payment bond from claims and liens only if the waiver and release follows substantially one of the forms set forth in this section and is signed by the claimant or his or her authorized agent, and, in the case of a conditional release, there is evidence of payment to the claimant. Evidence of payment may be by the claimant's endorsement on a single or joint payee check which has been paid by the bank upon

which it was drawn or by written acknowledgment of payment given by the claimant.

(b) No oral or written statement purporting to waive, release, impair or otherwise adversely affect a claim is enforceable or creates any estoppel or impairment of a claim unless (1) it is pursuant to a waiver and release prescribed herein, or (2) the claimant had actually received payment in full for the claim. Nothing in this section precludes a stop notice claimant from reducing the amount of, or releasing in its entirety, a stop notice that has been served upon an owner. The reduction or release of a stop notice, which shall be in writing, may be served in a form other than the forms of release set forth in this section. Any reduction or release of a stop notice: (1) shall not preclude the service of a subsequent stop notice that is timely and proper; (2) shall release the owner from any obligation to withhold money on account of the stop notice, to the extent of the reduction or release; (3) shall be effective to release the claimant's right to enforce the stop notice, to the extent of the reduction or release; and (4) shall not operate as a release of any right that the claimant may have, other than the claimant's right to enforce the stop notice, to the extent of the reduction or release.

(c) This section does not affect the enforceability of either an accord and satisfaction regarding a bona fide dispute or any agreement made in settlement of an action pending in any court provided the accord and satisfaction or agreement and settlement make specific reference to the mechanic's lien, stop notice, or bond claims.

(d) The waiver and release given by any claimant hereunder shall be null, void, and unenforceable unless it follows substantially the following forms in the following circumstances:

(1) If the claimant is required to execute a waiver and release in exchange for, or in order to induce the payment of, a progress payment and the claimant is not, in fact, paid in exchange for the waiver and release or a single payee check or joint payee check is given in exchange for the waiver and release, the waiver and release shall follow substantially the following form:

"911" shall be the primary access number for those emergency systems. A provider of commercial mobile radio service, in accordance with all applicable Federal Communication Commission orders, shall transmit all "911" calls from technologically compatible commercial mobile radio service communication devices without requiring user validation or any similar procedure. A provider of commercial mobile radio service may not charge any airtime, access, or similar usage charge for any "911" call placed from a commercial mobile radio service telecommunications device to a local emergency telephone system.

(c) A "911" call from a commercial mobile radio service telecommunications device may be routed to a public safety answering point other than the Department of the California Highway Patrol only if the alternate routing meets all of the following requirements:

(1) The "911" call originates from a location other than from a freeway, as defined in Section 23.5 of the Streets and Highways Code, under the jurisdiction of the Department of the California Highway Patrol.

(2) The alternate routing is economically and technologically feasible.

(3) The alternate routing will benefit public safety and reduce burdens on dispatchers for the Department of the California Highway Patrol.

(4) The Department of the California Highway Patrol, the Department of General Services, and the proposed alternate public safety answering point, in consultation with the wireless industry, providers of "911" selective routing service, and local law enforcement officials, determine that it is in the best interest of the public and will provide more effective emergency service to the public to route "911" calls that do not originate from a freeway, as defined in Section 23.5 of the Streets and Highways Code, under the jurisdiction of the Department of the California Highway Patrol to another public safety answering point.

(b) The independent consultant shall perform, but not be limited to, the following: (1) meet with representatives of each of the engineering branches and other professional groups; (2) examine the type of services and work provided by engineers in all branches of engineering and interrelated professions within the marketplace, to determine the interrelationship that exists between the various branches of engineers and other interrelated professions; (3) review and analyze educational requirements of engineers; (4) identify the degree to which supplemental or “overlapping” work between engineering branches and interrelated professions occurs; (5) review alternative methods of regulation of engineers in other states and what impact the regulations would have if adopted in California; (6) identify the manner in which local and state agencies utilize regulations and statutes to regulate engineering work; and (7) recommend changes to existing laws regulating engineers after considering how these changes may affect the health, safety, and welfare of the public.

(c) The board shall reimburse the department for costs associated with this comprehensive analysis. The department shall report its findings and recommendations to the Legislature by September 1, 2002.

(d) Nothing in this section is intended to affect the status of the welfare fund as a charity under Section 501(c)(3) of the federal Internal Revenue

Code or its compliance with the Charitable Purposes Act (Article 7 (commencing with Section 12580) of Chapter 6 of Part 2 of Division 3 of Title 2 of the Government Code).

SEC. 6. Section 24045.3 of the Business and Professions Code is amended to read:

24045.3. (a) The department may issue a special temporary retail package off-sale beer and wine license to a women's educational and charitable organization that is a part of a national organization having at least 10 chapters in California at least one of which has been incorporated since 1928, whose purpose is to foster interest among its members in the social, economic, and civic conditions of their community and to give effective volunteer service. An applicant for this license shall accompany the application with a fee of one hundred dollars (\$100).

(b) This license shall only entitle the licensee to sell at auction for charitable purposes beer and wine donated to it. None of the funds realized from this auction shall be used for the administrative expenses of the auction and all funds shall be placed in trust for a charitable purpose. Notwithstanding any other provision of this division, a licensee may donate beer and wine to an organization licensed under this section, provided that donations are not made in connection with a sale of an alcoholic beverage.

(c) This license shall be for a period not exceeding one day. Only one license shall be issued to any organization in a calendar year.

SEC. 7. Section 24045.5 of the Business and Professions Code is amended to read:

24045.5. The department in its discretion may issue a temporary permit to the transferee of any license to continue the operation of the premises during the period a transfer application for the license from person to person at the same premises is pending and when all the following conditions exist:

(a) The premises shall have been operated under a license within 30 days of the date of filing the application for a temporary permit.

(b) The license for the premises shall have been surrendered pursuant to rules of the department.

(c) The applicant for the temporary permit shall have filed with the department an application for transfer of the license at the premises to himself or herself.

(d) The application for the temporary permit shall be accompanied by a temporary permit fee of one hundred dollars (\$100).

A temporary permit issued by the department pursuant to this section shall be for a period not to exceed four calendar months. A temporary permit may be extended at the discretion of the department for an additional four calendar months upon payment of an additional fee of

one hundred dollars (\$100) and upon compliance with all conditions required herein. A temporary permit is a conditional permit and authorizes the holder thereof to sell the alcoholic beverages as would be permitted to be sold under the privileges of the license for which the transfer application has been filed with the department.

Purchase of beer, wine, and distilled spirits by the holder of a temporary permit shall be made only upon payment before or at the time of delivery in currency or by check. However, the holder of a temporary retail permit who also holds one or more retail licenses and is operating under the retail license or licenses in addition to the temporary permit, and who is not delinquent under the provisions of Section 25509 as to any retail license under which he or she operates, may purchase alcoholic beverages on credit under the temporary permit.

All checks received by a seller for alcoholic beverages purchased by the holder of a temporary retail permit shall be deposited not later than the second business day following the date the alcoholic beverages are delivered.

A check dishonored on presentation shall not be deemed payment. The receipt by the seller or his or her agent in good faith from a holder of a temporary permit of a check dishonored on presentation shall not be cause for disciplinary action against the seller.

Transfer of the license for which the holder of a temporary permit has filed an application shall not be approved by the department until the holder of the temporary permit has filed with the department a statement executed under penalty of perjury that all current obligations have been discharged, and that all outstanding checks issued by him or her in payment for alcoholic beverages will be honored on presentation.

It shall not be a violation of this section or otherwise grounds for disciplinary action for any licensee to extend credit to the holder of a temporary permit or to receive payment from the permittee in a manner other than authorized herein unless the seller had knowledge of the fact that the purchaser was operating under a temporary permit. Knowledge of the fact may be established by evidence, including, but not limited to, evidence that, at the time of receipt of payment or the extension of credit, the premises operated under a temporary permit were posted with the notice required by Section 23985, or the holder of the temporary permit had recorded notice as required by Section 24073, or the holder of the temporary permit had published notice as required by Section 23986, or the holder of the temporary permit had recorded and published notice pursuant to Division 6 (commencing with Section 6101) of the Commercial Code.

Refusal by the department to issue or extend a temporary permit shall not entitle the applicant to petition for the permit pursuant to Section

24011, or to a hearing pursuant to Section 24012. Articles 2 (commencing with Section 23985) and 3 (commencing with Section 24011) shall not apply to temporary permits.

Notwithstanding any other provision of law, a temporary permit may be canceled or suspended summarily at anytime if the department determines that good cause for the cancellation or suspension exists. Chapter 8 (commencing with Section 24300) shall not apply to temporary permits.

Application for a temporary permit shall be on any form the department shall prescribe. If an application for a temporary permit is withdrawn before issuance or is refused by the department, the fee which accompanied the application shall be refunded in full, and Section 23959 shall not apply. Fees received by the department for issuance of temporary permits shall be deposited in the Alcohol Beverage Control Fund as provided in Section 25761.

SEC. 8. Section 24045.9 of the Business and Professions Code is amended to read:

24045.9. (a) The department may issue a special temporary on-sale beer and wine license to: (1) a television station, supported wholly or in part by public membership subscription, which is a nonprofit, charitable corporation exempt from payment of income taxes under the provisions of the Internal Revenue Code of 1954 of the United States, or (2) a nonprofit, charitable corporation exempt from payment of income taxes under the provisions of the Internal Revenue Code of 1954 of the United States which receives and administers donations for a noncommercial, educational television station or public broadcasting station supported wholly or in part by public membership subscription. An applicant for this license shall accompany the application with a fee of one hundred dollars (\$100).

(b) This license shall only entitle the licensee to sell and serve beer and wine donated to it. Notwithstanding any other provision of this division, a licensee may donate beer or wine to a corporation licensed under this section, provided that the donations are not made in connection with a sale of an alcoholic beverage.

(c) This license shall be for a period not exceeding 30 days. Only one license shall be issued to any corporation in a calendar year.

(d) For purposes of this section, any licensee may also serve that beer or wine donated by him or her at any event for which the license has been issued.

(e) The department shall adopt rules as it determines necessary to implement and administer this section.

SEC. 9. Section 24045.15 of the Business and Professions Code is amended to read:

24045.15. (a) Notwithstanding any other provision of this division, the department may issue a special temporary on-sale or off-sale wine license to any nonprofit corporation having an agricultural purpose that is exempt from the payment of income taxes under Section 501(c)(5) of the Internal Revenue Code of 1986. If the nonprofit corporation's name, or any name under which the nonprofit corporation does business, includes the designation of an American Viticultural Area (AVA) recognized by the United States Bureau of Alcohol, Tobacco and Firearms (BATF), as set forth in Part 9 (commencing with Section 9.1) of Title 27 of the Code of Federal Regulations (27 C.F.R. 9.1 et seq.), the membership of the nonprofit corporation shall include a majority of the winegrowers located in the named AVA in order to obtain a license under this section. No more than one nonprofit corporation located in an AVA is entitled to obtain a license under this section. The applicant shall accompany the application with a fee of one hundred dollars (\$100).

(b) This special license shall only entitle the licensee to sell wine donated or sold to the nonprofit corporation by the member winegrowers to consumers for the purpose of fundraising. The wine shall bear the brand name of the producing winery. Off-sale privileges shall be limited to direct mail, telephone, and online computer services. No member winegrower shall donate or sell more than 75 cases of wine per year to the nonprofit corporation and the nonprofit corporation shall sell no more than 1,000 cases of wine per year under the license. If the nonprofit corporation's name or any name under which the nonprofit corporation does business includes the designation of an American Viticultural Area (AVA) recognized by the United States Bureau of Alcohol, Tobacco and Firearms (BATF), as set forth in Part 9 (commencing with Section 9.1) of Title 27 of the Code of Federal Regulations (27 C.F.R. 9.1 et seq.), the wines sold by the nonprofit corporation must be entitled to use the named AVA as the appellation of origin. In order to avoid confusion between the corporation and any winery whose name also includes the designation of the named AVA, any advertising or solicitation for the sale of wine under this license by the corporation shall include a statement disclosing that the corporation is a nonprofit agricultural organization whose members include individual winegrowers or grapegrowers and whose purpose is to promote its agricultural region and improve its grapes and wines. This advertising or solicitation shall also include a complete roster of the corporation's members and a list of the brand names, varieties, and vintages of the wines offered for sale. The wine shall not be sold at less than its minimum retail price.

(c) This special license shall be for a period not exceeding 60 days. Only one special license authorized by this section shall be issued to any nonprofit corporation in a calendar year.

SEC. 10. Section 25658 of the Business and Professions Code is amended to read:

25658. (a) Except as otherwise provided in subdivision (c), every person who sells, furnishes, gives, or causes to be sold, furnished, or given away, any alcoholic beverage to any person under the age of 21 years is guilty of a misdemeanor.

(b) Any person under the age of 21 years who purchases any alcoholic beverage, or any person under the age of 21 years who consumes any alcoholic beverage in any on-sale premises, is guilty of a misdemeanor.

(c) Any person who violates subdivision (a) by purchasing any alcoholic beverage for, or furnishing, giving, or giving away any alcoholic beverage to, a person under the age of 21 years, and the person under the age of 21 years thereafter consumes the alcohol and thereby proximately causes great bodily injury or death to himself, herself, or any other person, is guilty of a misdemeanor.

(d) Any on-sale licensee who knowingly permits a person under the age of 21 years to consume any alcoholic beverage in the on-sale premises, whether or not the licensee has knowledge that the person is under the age of 21 years, is guilty of a misdemeanor.

(e) (1) Except as otherwise provided in paragraph (2) or (3), any person who violates this section shall be punished by a fine of two hundred fifty dollars (\$250), no part of which shall be suspended, or the person shall be required to perform not less than 24 hours or more than 32 hours of community service during hours when the person is not employed and is not attending school, or a combination of a fine and community service as determined by the court. A second or subsequent violation of subdivision (b) shall be punished by a fine of not more than five hundred dollars (\$500), or the person shall be required to perform not less than 36 hours or more than 48 hours of community service during hours when the person is not employed and is not attending school, or a combination of a fine and community service as determined by the court. It is the intent of the Legislature that the community service requirements prescribed in this section require service at an alcohol or drug treatment program or facility or at a county coroner's office, if available, in the area where the violation occurred or where the person resides.

(2) Except as provided in paragraph (3), any person who violates subdivision (a) by furnishing an alcoholic beverage, or causing an alcoholic beverage to be furnished, to a minor shall be punished by a fine of one thousand dollars (\$1,000), no part of which shall be suspended, and the person shall be required to perform not less than 24 hours of community service during hours when the person is not employed and is not attending school.

(3) Any person who violates subdivision (c) shall be punished by imprisonment in a county jail for a minimum term of six months not to exceed one year, by a fine not exceeding one thousand dollars (\$1,000), or by both imprisonment and fine.

(f) Persons under the age of 21 years may be used by peace officers in the enforcement of this section to apprehend licensees, or employees or agents of licensees, who sell alcoholic beverages to minors. Notwithstanding subdivision (b), any person under the age of 21 years who purchases or attempts to purchase any alcoholic beverage while under the direction of a peace officer is immune from prosecution for that purchase or attempt to purchase an alcoholic beverage. Guidelines with respect to the use of persons under the age of 21 years as decoys shall be adopted and published by the department in accordance with the rulemaking portion of the Administrative Procedure Act (Chapter 3.5 (commencing with Section 11340) of Part 1 of Division 3 of Title 2 of the Government Code). Law enforcement-initiated minor decoy programs in operation prior to the effective date of regulatory guidelines adopted by the department shall be authorized as long as the minor decoy displays to the seller of alcoholic beverages the appearance of a person under the age of 21 years. This subdivision shall not be construed to prevent the department from taking disciplinary action against a licensee who sells alcoholic beverages to a minor decoy prior to the department's final adoption of regulatory guidelines. After the completion of every minor decoy program performed under this subdivision, the law enforcement agency using the decoy shall notify licensees within 72 hours of the results of the program. When the use of a minor decoy results in the issuance of a citation, the notification required shall be given within 72 hours of the issuance of the citation. A law enforcement agency may comply with this requirement by leaving a written notice at the licensed premises addressed to the licensee, or by mailing a notice addressed to the licensee.

(g) The penalties imposed by this section do not preclude prosecution under any other provision of law, including, but not limited to, Section 272 of the Penal Code.

SEC. 11. Section 798.25 of the Civil Code is amended to read:

798.25. (a) Except as provided in subdivision (d), when the management proposes an amendment to the park's rules and regulations, the management shall meet and consult with the homeowners in the park, their representatives, or both, after written notice has been given to all the homeowners in the park 10 days or more before the meeting. The notice shall set forth the proposed amendment to the park's rules and regulations and shall state the date, time, and location of the meeting.

(b) Except as provided in subdivision (d) following the meeting and consultation with the homeowners, the noticed amendment to the park's rules and regulations may be implemented, as to any homeowner, with the consent of that homeowner, or without the homeowner's consent upon written notice of not less than six months, except for regulations applicable to recreational facilities, which may be amended without homeowner consent upon written notice of not less than 60 days.

(c) Written notice to a homeowner whose tenancy commences within the required period of notice of a proposed amendment to the park's rules and regulations under subdivision (b) or (d) shall constitute compliance with this section where the written notice is given before the inception of the tenancy.

(d) When the management proposes an amendment to the park's rules and regulations mandated by a change in the law, including, but not limited to, a change in a statute, ordinance, or governmental regulation, the management may implement the amendment to the park's rules and regulations, as to any homeowner, with the consent of that homeowner or without the homeowner's consent upon written notice of not less than 60 days. For purposes of this subdivision, the management shall specify in the notice the citation to the statute, ordinance, or regulation, including the section number, that necessitates the proposed amendment to the park's rules and regulations.

(e) Any amendment to the park's rules and regulations that creates a new fee payable by the homeowner and that has not been expressly agreed upon by the homeowner and management in the written rental agreement or lease, shall be void and unenforceable.

SEC. 12. Section 799.1.5 of the Civil Code is amended to read:

799.1.5. SEC. 14. Section 1747.08 of the Civil Code is amended to read:

1747.08. (a) Except as provided in subdivision (c), no person, firm, partnership, association, or corporation that accepts credit cards for the transaction of business shall do any of the following:

(3) Utilize, in any credit card transaction, a credit card form which contains preprinted spaces specifically designated for filling in any personal identification information of the cardholder.

(b) For purposes of this section "personal identification information," means information concerning the cardholder, other than information set forth on the credit card, and including, but not limited to, the cardholder's address and telephone number.

(c) Subdivision (a) does not apply in the following instances:

(1) If the credit card is being used as a deposit to secure payment in the event of default, loss, damage, or other similar occurrence.

(2) Cash advance transactions.

(3) If the person, firm, partnership, association, or corporation accepting the credit card is contractually obligated to provide personal identification information in order to complete the credit card transaction or is obligated to collect and record the personal identification information by federal law or regulation.

(4) If personal identification information is required for a special purpose incidental but related to the individual credit card transaction,

including, but not limited to, information relating to shipping, delivery, servicing, or installation of the purchased merchandise, or for special orders.

(d) This section does not prohibit any person, firm, partnership, association, or corporation from requiring the cardholder, as a condition to accepting the credit card as payment in full or in part for goods or services, to provide reasonable forms of positive identification, which may include a driver's license or a California state identification card, or where one of these is not available, another form of photo identification, provided that none of the information contained thereon is written or recorded on the credit card transaction form or otherwise. If the cardholder pays for the transaction with a credit card number and does not make the credit card available upon request to verify the number, the cardholder's driver's license number or identification card number may be recorded on the credit card transaction form or otherwise.

(e) Any person who violates this section shall be subject to a civil penalty not to exceed two hundred fifty dollars (\$250) for the first violation and one thousand dollars (\$1,000) for each subsequent violation, to be assessed and collected in a civil action brought by the person paying with a credit card, by the Attorney General, or by the district attorney or city attorney of the county or city in which the violation occurred. When collected, the civil penalty shall be payable, as appropriate, to the person paying with a credit card who brought the action, or to the general fund of whichever governmental entity brought the action to assess the civil penalty.

(f) The Attorney General, or any district attorney or city attorney within his or her respective jurisdiction, may bring an action in the superior court in the name of the people of the State of California to enjoin violation of subdivision (a) and, upon notice to the defendant of not less than five days, to temporarily restrain and enjoin the violation. If it appears to the satisfaction of the court that the defendant has, in fact, violated subdivision (a), the court may issue an injunction restraining further violations, without requiring proof that any person has been damaged by the violation. In these proceedings, if the court finds that the defendant has violated subdivision (a), the court may direct the defendant to pay any or all costs incurred by the Attorney General, district attorney, or city attorney in seeking or obtaining injunctive relief pursuant to this subdivision.

Copies of the audit shall be provided to the Assembly and Senate Committees on Judiciary and Committees on Transportation. In the case of a transportation system, the audit shall also consider the reasonable costs of providing the transit system or busing network. At the Burbank Airport, and at all other airports, the fees designated as a Customer Facility Charge may not be used to pay for terminal expansion, gate expansion, runway expansion, changes in hours of operation, or changes in the number of flights arriving or departing from the airport.

(C) The authorization given pursuant to this section for an airport to impose a customer facility charge shall become inoperative when the bonds used for financing are paid.

(5) "Damage waiver" means a rental company's agreement not to hold a renter liable for all or any portion of any damage or loss related to the rented vehicle, any loss of use of the rented vehicle, or any storage, impound, towing, or administrative charges.

(6) "Electronic surveillance technology" means a technological method or system used to observe, monitor, or collect information, including telematics, Global Positioning System (GPS), wireless technology, or location-based technologies. "Electronic surveillance technology" does not include event data recorders (EDR), sensing and diagnostic modules (SDM), or other systems that are used either:

(A) For the purpose of identifying, diagnosing, or monitoring functions related to the potential need to repair, service, or perform maintenance on the rental vehicle.

(B) As part of the vehicle's airbag sensing and diagnostic system in order to capture safety systems-related data for retrieval after a crash has occurred or in the event that the collision sensors are activated to prepare the decisionmaking computer to make the determination to deploy or not to deploy the airbag.

(7) "Estimated time for replacement" means the number of hours of labor, or fraction thereof, needed to replace damaged vehicle parts as set forth in collision damage estimating guides generally used in the vehicle repair business and commonly known as "crash books."

(8) "Estimated time for repair" means a good faith estimate of the reasonable number of hours of labor, or fraction thereof, needed to repair damaged vehicle parts.

(9) "Membership program" means a service offered by a rental company that permits customers to bypass the rental counter and go directly to the car previously reserved. A membership program shall meet all of the following requirements:

(A) The renter initiates enrollment by completing an application on which the renter can specify a preference for type of vehicle and acceptance or declination of optional services.

(B) The rental company fully discloses, prior to the enrollee's first rental as a participant in the program, all terms and conditions of the rental agreement as well as all required disclosures.

(C) The renter may terminate enrollment at any time.

(D) The rental company fully explains to the renter that designated preferences, as well as acceptance or declination of optional services, may be changed by the renter at any time for the next and future rentals.

(E) An employee designated to receive the form specified in subparagraph (C) of paragraph (1) of subdivision (r) is present at the lot where the renter takes possession of the car, to receive any change in the rental agreement from the renter.

(10) "Passenger vehicle" means a passenger vehicle as defined in Section 465 of the Vehicle Code.

(b) Except as limited by subdivision (c), a rental company and a renter may agree that the renter will be responsible for no more than all of the following:

(1) Physical or mechanical damage to the rented vehicle up to its fair market value, as determined in the customary market for the sale of that vehicle, resulting from collision regardless of the cause of the damage.

(2) Loss due to theft of the rented vehicle up to its fair market value, as determined in the customary market for the sale of that vehicle, provided that the rental company establishes by clear and convincing evidence that the renter or the authorized driver failed to exercise ordinary care while in possession of the vehicle. In addition, the renter shall be presumed to have no liability for any loss due to theft if (A) an authorized driver has possession of the ignition key furnished by the rental company or an authorized driver establishes that the ignition key furnished by the rental company was not in the vehicle at the time of the theft, and (B) an authorized driver files an official report of the theft with the police or other law enforcement agency within 24 hours of learning of the theft and reasonably cooperates with the rental company and the police or other law enforcement agency in providing information concerning the theft. The presumption set forth in this paragraph is a presumption affecting the burden of proof which the rental company may rebut by establishing that an authorized driver committed, or aided and abetted the commission of, the theft.

(3) Physical damage to the rented vehicle up to its fair market value, as determined in the customary market for the sale of that vehicle, resulting from vandalism occurring after, or in connection with, the theft of the rented vehicle. However, the renter shall have no liability for any damage due to vandalism if the renter would have no liability for theft pursuant to paragraph (2).

(4) Physical damage to the rented vehicle up to a total of five hundred dollars (\$500) resulting from vandalism unrelated to the theft of the rented vehicle.

(5) Actual charges for towing, storage, and impound fees paid by the rental company if the renter is liable for damage or loss.

(6) An administrative charge, which shall include the cost of appraisal and all other costs and expenses incident to the damage, loss, repair, or replacement of the rented vehicle.

(c) The total amount of the renter's liability to the rental company resulting from damage to the rented vehicle may not exceed the sum of the following:

(1) The estimated cost of parts which the rental company would have to pay to replace damaged vehicle parts. All discounts and price reductions or adjustments that are or will be received by the rental company shall be subtracted from the estimate to the extent not already incorporated in the estimate or otherwise promptly credited or refunded to the renter.

(2) The estimated cost of labor to replace damaged vehicle parts which may not exceed the product of (A) the rate for labor usually paid by the rental company to replace vehicle parts of the type that were damaged and (B) the estimated time for replacement. All discounts and price reductions or adjustments that are or will be received by the rental company shall be subtracted from the estimate to the extent not already incorporated in the estimate or otherwise promptly credited or refunded to the renter.

(3) (A) The estimated cost of labor to repair damaged vehicle parts, which may not exceed the lesser of the following:

(i) The product of the rate for labor usually paid by the rental company to repair vehicle parts of the type that were damaged and the estimated time for repair.

(ii) The sum of the estimated labor and parts costs determined under paragraphs (1) and (2) to replace the same vehicle parts.

(B) All discounts and price reductions or adjustments that are or will be received by the rental company shall be subtracted from the estimate to the extent not already incorporated in the estimate or otherwise promptly credited or refunded to the renter.

(4) For the purpose of converting the estimated time for repair into the same units of time in which the rental rate is expressed, a day shall be deemed to consist of eight hours.

(5) Actual charges for towing, storage, and impound fees paid by the rental company.

(6) The administrative charge described in paragraph (6) of subdivision (b) may not exceed (A) fifty dollars (\$50) if the total estimated cost for parts and labor is more than one hundred dollars (\$100) up to and including five hundred dollars (\$500), (B) one hundred dollars (\$100) if the total estimated cost for parts and labor exceeds five hundred dollars (\$500) up to and including one thousand five hundred dollars (\$1,500), and (C) one hundred fifty dollars (\$150) if the total estimated cost for parts and labor exceeds one thousand five hundred dollars (\$1,500). No administrative charge may be imposed if the total estimated cost of parts and labor is one hundred dollars (\$100) or less.

(d) (1) The total amount of an authorized driver's liability to the rental company, if any, for damage occurring during the authorized driver's operation of the rented vehicle may not exceed the amount of the renter's liability under subdivision (c).

(2) A rental company may not recover from the renter or other authorized driver an amount exceeding the renter's liability under subdivision (c).

(3) A claim against a renter resulting from damage or loss, excluding loss of use, to a rental vehicle shall be reasonably and rationally related to the actual loss incurred. A rental company shall mitigate damages where possible and may not assert or collect any claim for physical damage which exceeds the actual costs of the repairs performed or the estimated cost of repairs, if the rental company chooses not to repair the vehicle, including all discounts and price reductions. However, if the vehicle is a total loss vehicle, the claim may not exceed the total loss vehicle value established in accordance with procedures that are customarily used by insurance companies when paying claims on total loss vehicles, less the proceeds from salvaging the vehicle, if those proceeds are retained by the rental company.

(4) If insurance coverage exists under the renter's applicable personal or business insurance policy and the coverage is confirmed during regular business hours, the renter may require that the rental company submit any claims to the renter's applicable personal or business insurance carrier. The rental company may not make any written or oral representations that it will not present claims or negotiate with the renter's insurance carrier. For purposes of this paragraph, confirmation of coverage includes telephone confirmation from insurance company representatives during regular business hours. Upon request of the renter and after confirmation of coverage, the amount of claim shall be resolved between the insurance carrier and the rental company. The renter shall remain responsible for payment to the rental car company for any loss sustained that the renter's applicable personal or business insurance policy does not cover.

(5) A rental company may not recover from the renter or other authorized driver for any item described in subdivision (b) to the extent the rental company obtains recovery from any other person.

(6) This section applies only to the maximum liability of a renter or other authorized driver to the rental company resulting from damage to the rented vehicle and not to the liability of any other person.

(e) (1) Except as provided in subdivision (f), every damage waiver shall provide or, if not expressly stated in writing, shall be deemed to provide that the renter has no liability for any damage, loss, loss of use, or any cost or expense incident thereto.

(2) Except as provided in subdivision (f), every limitation, exception, or exclusion to any damage waiver is void and unenforceable.

(f) A rental company may provide in the rental contract that a damage waiver does not apply under any of the following circumstances:

(1) Damage or loss results from an authorized driver's (A) intentional, willful, wanton, or reckless conduct, (B) operation of the vehicle under the influence of drugs or alcohol in violation of Section 23152 of the Vehicle Code, (C) towing or pushing anything, or (D) operation of the vehicle on an unpaved road if the damage or loss is a direct result of the road or driving conditions.

(2) Damage or loss occurs while the vehicle is (A) used for commercial hire, (B) used in connection with conduct that could be properly charged as a felony, (C) involved in a speed test or contest or in driver training activity, (D) operated by a person other than an authorized driver, or (E) operated outside of the United States.

(3) Any authorized driver who has (A) provided fraudulent information to the rental company or (B) provided false information and the rental company would not have rented the vehicle if it had instead received true information.

(g) (1) A rental company that offers or provides a damage waiver for any consideration in addition to the rental rate shall clearly and conspicuously disclose the following information in the rental contract or holder in which the contract is placed and, also, in signs posted at the place, such as the counter, where the renter signs the rental contract, and, for renters who are enrolled in the rental company's membership program, in a sign which shall be posted in a location clearly visible to those renters as they enter the location where their reserved rental cars are parked or near the exit of the bus or other conveyance that transports the enrollee to a reserved car: (A) the nature of the renter's liability, e.g., liability for all collision damage regardless of cause, (B) the extent of the renter's liability, e.g., liability for damage or loss up to a specified amount, (C) the renter's personal insurance policy or the credit card used to pay for the car rental transaction may provide coverage for all or a portion of the renter's potential liability, (D) the renter should consult with his or her insurer to determine the scope of insurance coverage, including the amount of the deductible, if any, for which the renter is obligated, (E) the renter may purchase an optional damage waiver to cover all liability, subject to whatever exceptions the rental company expressly lists that are permitted under subdivision (f), and (F) the range of charges for the damage waiver.

(2) In addition to the requirements of paragraph (1), a rental company that offers or provides a damage waiver shall, orally disclose to all renters, except those who are participants in the rental company's

membership program, that the damage waiver may be duplicative of coverage that the customer maintains under his or her own policy of motor vehicle insurance. The renter's receipt of the oral disclosure shall be demonstrated through the renter acknowledging receipt of the oral disclosure near that part of the contract where the renter indicates, by the renter's own initials, his or her acceptance or declination of the damage waiver. Adjacent to that same part, the contract shall also state that the damage waiver is optional.

(3) The following is an example, for purposes of illustration and not limitation, of a notice fulfilling the requirements of paragraph (1) for a rental company that imposes liability on the renter for collision damage to the full value of the vehicle:

NOTICE ABOUT YOUR FINANCIAL RESPONSIBILITY AND OPTIONAL DAMAGE WAIVER

You are responsible for all collision damage to the rented vehicle even if someone else caused it or the cause is unknown. You are responsible for the cost of repair up to the value of the vehicle, and towing, storage, and impound fees.

Your own insurance, or the issuer of the credit card you use to pay for the car rental transaction, may cover all or part of your financial responsibility for the rented vehicle. You should check with your insurance company, or credit card issuer, to find out about your coverage and the amount of the deductible, if any, for which you may be liable.

Further, if you use a credit card that provides coverage for your potential liability, you should check with the issuer to determine if you must first exhaust the coverage limits of your own insurance before the credit card coverage applies.

The rental company will not hold you responsible if you buy a damage waiver. But a damage waiver will not protect you if (list exceptions).

(A) When the above notice is printed in the rental contract or holder in which the contract is placed, the following shall be printed immediately following the notice:

“The cost of an optional damage waiver is \$ ____ for every (day or week).”

(B) When the above notice appears on a sign, the following shall appear immediately adjacent to the notice:

“The cost of an optional damage waiver is \$ ____ to \$ ____ for every (day or week), depending upon the vehicle rented.”

(h) Notwithstanding any other provision of law, a rental company may sell a damage waiver subject to the following rate limitations for each full or partial 24-hour rental day for the damage waiver:

(1) For rental vehicles that the rental company designates as an “economy car,” “subcompact car,” “compact car,” or any other term having similar meaning when offered for rental, or any other vehicle having a manufacturer’s suggested retail price of nineteen thousand dollars (\$19,000) or less, the rate may not exceed nine dollars (\$9).

(2) For rental vehicles that have a manufacturer’s suggested retail price from nineteen thousand one dollars (\$19,001) to thirty-four thousand nine hundred ninety-nine dollars (\$34,999), inclusive, and that are also either vehicles of next year’s model, or not older than the previous year’s model, the rate may not exceed fifteen dollars (\$15). For those rental vehicles older than the previous year’s model, the rate may not exceed nine dollars (\$9).

(i) On or after January 1, 2003, the manufacturer’s suggested retail prices described in subdivision (h) shall be adjusted annually to reflect changes from the previous year in the Consumer Price Index. For the purposes of this section, “Consumer Price Index” means the United States Consumer Price Index for All Urban Consumers, for all items.

(j) A rental company that disseminates in this state an advertisement containing a rental rate shall include in that advertisement a clearly readable statement of the charge for a damage waiver and a statement that a damage waiver is optional.

(k) (1) A rental company may not require the purchase of a damage waiver, optional insurance, or any other optional good or service.

(2) A rental company may not engage in any unfair, deceptive, or coercive conduct to induce a renter to purchase the damage waiver, optional insurance, or any other optional good or service, including conduct such as, but not limited to, refusing to honor the renter’s reservation, limiting the availability of vehicles, requiring a deposit, or debiting or blocking the renter’s credit card account for a sum equivalent to a deposit if the renter declines to purchase the damage waiver, optional insurance, or any other optional good or service.

(l) (1) In the absence of express permission granted by the renter subsequent to damage to, or loss of, the vehicle, a rental company may not seek to recover any portion of any claim arising out of damage to, or loss of, the rented vehicle by processing a credit card charge or causing any debit or block to be placed on the renter’s credit card account.

(2) A rental company may not engage in any unfair, deceptive, or coercive tactics in attempting to recover or in recovering on any claim arising out of damage to, or loss of, the rented vehicle.

(m) (1) A customer facility charge may be collected by a rental company under the following circumstances:

(A) Collection of the fee by the rental company is required by an airport operated by a city, a county, a city and county, a joint powers authority, or a special district.

(B) The fee is calculated on a per-contract basis.

(C) The fee is a user fee, not a tax imposed upon real property or an incidence of property ownership under Article XIII D of the California Constitution.

(D) Except as otherwise provided in subparagraph (E), the fee shall be ten dollars (\$10) per contract.

(E) If the fee imposed by the airport is for both a consolidated rental car facility and a common-use transportation system, the fee collected from customers of on-airport rental car companies shall be ten dollars (\$10), but the fee imposed on customers of off-airport rental car companies who are transported on the common-use transportation system is proportionate to the costs of the common-use transportation system only. The fee is uniformly applied to each class of on-airport or off-airport customers, provided the airport requires off-airport customers to use the common-use transportation system.

(F) Revenues collected from the fee do not exceed the reasonable costs of financing, designing, constructing, or operating the facility or services and may not be used for any other purpose.

(G) The fee is separately identified on the rental agreement.

(H) This paragraph does not apply to airports whose fees are governed by Section 1936.5 of the Civil Code, Section 50474.1 of the Government Code, or Section 57.5 of the San Diego Unified Port District Act.

(2) Notwithstanding any other provision of law, including, but not limited to, Part 1 (commencing with Section 6001) to Part 1.7 (commencing with Section 7280), inclusive, of Division 2 of the Revenue and Taxation Code, the fees collected pursuant to this section, or any other law whereby a local agency operating an airport requires a rental car company to collect a facility financing fee from its customers, are not subject to sales, use, or transaction taxes.

(n) (1) A rental company shall only advertise, quote, and charge a rental rate that includes the entire amount except taxes, a customer facility charge, if any, and a mileage charge, if any, which a renter must pay to hire or lease the vehicle for the period of time to which the rental rate applies. A rental company may not charge in addition to the rental rate, taxes, a customer facility charge, if any, and a mileage charge, if any, any fee which must be paid by the renter as a condition of hiring or leasing the vehicle, such as, but not limited to, required fuel or airport surcharges other than customer facility charges, nor any fee for transporting the renter to the location where the rented vehicle will be delivered to the renter.

(2) In addition to the rental rate, taxes, customer facility charges, if any, and mileage charges, if any, a rental company may charge for an item or service provided in connection with a particular rental transaction if the renter could have avoided incurring the charge by choosing not to obtain or utilize the optional item or service. Items and services for which the rental company may impose an additional charge include, but are not limited to, optional insurance and accessories requested by the renter, service charges incident to the renter's optional return of the vehicle to a location other than the location where the vehicle was hired or leased, and charges for refueling the vehicle at the conclusion of the rental transaction in the event the renter did not return the vehicle with as much fuel as was in the fuel tank at the beginning of the rental. A rental company also may impose an additional charge based on reasonable age criteria established by the rental company.

(3) A rental company may not charge any fee for authorized drivers in addition to the rental charge for an individual renter.

(4) If a rental company states a rental rate in print advertisement or in a telephonic, in-person, or computer-transmitted quotation, the rental company shall clearly disclose in that advertisement or quotation the terms of any mileage conditions relating to the advertised or quoted rental rate, including, but not limited to, to the extent applicable, the amount of mileage and gas charges, the number of miles for which no charges will be imposed, and a description of geographic driving limitations within the United States and Canada.

(5) (A) When a rental rate is stated in an advertisement, quotation, or reservation in connection with a car rental at an airport where a customer facility charge is imposed, the rental company shall clearly disclose the existence and amount of the customer facility charge. For the purposes of this subparagraph, advertisements include radio, television, other electronic media, and print advertisements. For purposes of this subparagraph, quotations and reservations include those that are telephonic, in-person, and computer-transmitted. If the rate advertisement is intended to include transactions at more than one airport imposing a customer facility charge, a range of fees may be stated in the advertisement. However, all rate advertisements that include car rentals at airport destinations shall clearly and conspicuously include a toll-free telephone number whereby a customer can be told the specific amount of the customer facility charge to which the customer will be obligated.

(B) If any person or entity other than a rental car company, including a passenger carrier or a seller of travel services, advertises or quotes a rate for a car rental at an airport where a customer facility charge is imposed, that person or entity shall, if they are provided with information about the existence and amount of the fee, to the extent not specifically

prohibited by federal law, clearly disclose the existence and amount of the fee in any telephonic, in-person, or computer-transmitted quotation at the time of making an initial quotation of a rental rate and at the time of making a reservation of a rental car. If a rental car company provides the person or entity with rate and customer facility charge information, the rental car company is not responsible for the failure of that person or entity to comply with this subparagraph when quoting or confirming a rate to a third person or entity.

(6) If a rental company delivers a vehicle to a renter at a location other than the location where the rental company normally carries on its business, the rental company may not charge the renter any amount for the rental for the period before the delivery of the vehicle. If a rental company picks up a rented vehicle from a renter at a location other than the location where the rental company normally carries on its business, the rental company may not charge the renter any amount for the rental for the period after the renter notifies the rental company to pick up the vehicle.

(o) A rental company may not use, access, or obtain any information relating to the renter's use of the rental vehicle that was obtained using electronic surveillance technology, except in the following circumstances:

(1) (A) When the equipment is used by the rental company only for the purpose of locating a stolen, abandoned, or missing rental vehicle after one of the following:

(i) The renter or law enforcement has informed the rental company that the vehicle has been stolen, abandoned, or missing.

(ii) The rental vehicle has not been returned following one week after the contracted return date, or by one week following the end of an extension of that return date.

(iii) The rental company discovers the rental vehicle has been stolen or abandoned, and, if stolen, it has reported the vehicle stolen to law enforcement by filing a stolen vehicle report, unless law enforcement has already informed the rental company that the vehicle has been stolen, abandoned, or is missing.

(B) If electronic surveillance technology is activated pursuant to subparagraph (A) of paragraph (1), a rental company shall maintain a record, in either electronic or written form, of information relevant to the activation of that technology. That information shall include the rental agreement, including the return date, and the date and time the electronic surveillance technology was activated. The record shall also include, if relevant, a record of any written or other communication with the renter, including communications regarding extensions of the rental, police reports, or other written communication with law enforcement officials. The record shall be maintained for a period of at least 12 months

from the time the record is created and shall be made available upon the renter's request. The rental company shall maintain and furnish any explanatory codes necessary to read the record. A rental company shall not be required to maintain a record if electronic surveillance technology is activated to recover a rental vehicle that is stolen or missing at a time other than during a rental period.

(2) In response to a specific request from law enforcement pursuant to a subpoena or search warrant.

(3) Nothing in this subdivision prohibits a rental company from equipping rental vehicles with GPS-based technology that provides navigation assistance to the occupants of the rental vehicle, if the rental company does not use, access, or obtain any information relating to the renter's use of the rental vehicle that was obtained using that technology, except for the purposes of discovering or repairing a defect in the technology and the information may then be used only for that purpose.

(4) Nothing in this subdivision prohibits a rental company from equipping rental vehicles with electronic surveillance technology that allows for the remote locking or unlocking of the vehicle at the request of the renter, if the rental company does not use, access, or obtain any information relating to the renter's use of the rental vehicle that was obtained using that technology, except as necessary to lock or unlock the vehicle.

(5) Nothing in this subdivision prohibits a rental company from equipping rental vehicles with electronic surveillance technology that allows the company to provide roadside assistance, such as towing or flat tire or fuel services, at the request of the renter, if the rental company does not use, access, or obtain any information relating to the renter's use of the rental vehicle that was obtained using that technology except as necessary to provide the requested roadside assistance.

(6) Nothing in this subdivision prohibits a rental company from obtaining, accessing, or using information from electronic surveillance technology for the sole purpose of determining the date and time the vehicle is returned to the rental company, the total mileage driven, and the vehicle fuel level of the returned vehicle. This paragraph, however, shall apply only after the renter has returned the vehicle to the rental company, and the information shall only be used for the purpose described in this paragraph.

(p) A rental company may not use electronic surveillance technology to track a renter in order to impose fines or surcharges relating to the renter's use of the rental vehicle.

(q) A renter may bring an action against a rental company for the recovery of damages and appropriate equitable relief for a violation of

this section. The prevailing party shall be entitled to recover reasonable attorney's fees and costs.

(r) A rental company that brings an action against a renter for loss due to theft of the vehicle shall bring the action in the county in which the renter resides or, if the renter is not a resident of this state, in the jurisdiction in which the renter resides.

(s) Any waiver of any of the provisions of this section shall be void and unenforceable as contrary to public policy.

(t) (1) A rental company's disclosure requirements shall be satisfied for renters who are enrolled in the rental company's membership program if all of the following conditions are met:

(A) Prior to the enrollee's first rental as a participant in the program, the renter receives, in writing, the following:

(i) All of the disclosures required by paragraph (1) of subdivision (g), including the terms and conditions of the rental agreement then in effect.

(ii) A Web site address, as well as a contact number or address, where the enrollee can learn of any changes to the rental agreement or to the laws of this state governing rental agreements since the effective date of the rental company's most recent restatement of the rental agreement and distribution of that restatement to its members.

(B) At the commencement of each rental period, the renter is provided, on the rental record or the folder in which it is inserted, with a printed notice stating that he or she had either previously selected or declined an optional damage waiver and that the renter has the right to change preferences.

(C) At the commencement of each rental period, the rental company provides, on the rearview mirror, a hanger on which a statement is printed in a box, in at least 12-point boldface type, notifying the renter that the collision damage waiver offered by the rental company may be duplicative of coverage that the customer maintains under his or her own policy of motor vehicle insurance. If it is not feasible to hang the statement from the rearview mirror, the statement shall be hung from the steering wheel.

The hanger shall provide the renter a box to initial if the renter (not his or her employer) has previously accepted or declined the collision damage waiver and now wishes to change his or her decision to accept or decline the collision damage waiver, as follows:

"If I previously accepted the collision damage waiver, I now decline it.

"If I previously declined the collision damage waiver, I now accept it."

The hanger shall also provide a box for the enrollee to indicate whether this change applies to this rental transaction only or to all future rental

transactions. The hanger shall also notify the renter that he or she may make such a change, prior to leaving the lot, by returning the form to an employee designated to receive the form who is present at the lot where the renter takes possession of the car, to receive any change in the rental agreement from the renter.

(2) (A) This subdivision is not effective unless the employee designated pursuant to subparagraph (E) of paragraph (8) of subdivision (a) is actually present at the required location.

(B) This subdivision does not relieve the rental company from those disclosures that are required to be made within the text of a contract or holder in which the contract is placed; in or on an advertisement containing a rental rate; or in a telephonic, in-person, or computer-transmitted quotation or reservation.

(u) The amendments made to this section during the 2001-02 Regular Session of the Legislature do not affect litigation pending on or before January 1, 2003, alleging a violation of Section 22325 of the Business and Professions Code as it read at the time the action was commenced.

(v) This section shall remain in effect only until January 1, 2006, and as of that date is repealed, unless a later enacted statute, that is enacted before January 1, 2006, deletes or extends that date.

SEC. 18. Section 1936 of the Civil Code, as amended by Section 2 of Chapter 317 of the Statutes of 2004, is amended to read:

1936. (a) For the purpose of this section, the following terms have the following meanings:

(1) "Rental company" means any person or entity in the business of renting passenger vehicles to the public.

(2) "Renter" means any person in any manner obligated under a contract for the lease or hire of a passenger vehicle from a rental company for a period of less than 30 days.

(3) "Authorized driver" means (A) the renter, (B) the renter's spouse if that person is a licensed driver and satisfies the rental company's minimum age requirement, (C) the renter's employer or coworker if they are engaged in business activity with the renter, are licensed drivers, and satisfy the rental company's minimum age requirement, and (D) any person expressly listed by the rental company on the renter's contract as an authorized driver.

(A) "Customer facility charge" means a fee required by an airport to be collected by a rental company from a renter for any of the following purposes:

(i) The fee shall be used to finance, design, and construct consolidated airport car rental facilities.

(ii) The fee shall be used to finance, design, construct, and provide common-use transportation systems that move passengers between airport terminals and those consolidated car rental facilities.

(B) The aggregate amount to be collected may not exceed the reasonable costs, as determined by an independent audit paid for by the airport, to finance, design, and construct those facilities. Copies of the audit shall be provided to the Assembly and Senate Committees on Judiciary and Committees on Transportation. In the case of a transportation system, the audit shall also consider the reasonable costs of providing the transit system or busing network. At the Burbank Airport, and at all other airports, the fees designated as a customer facility charge may not be used to pay for terminal expansion, gate expansion, runway expansion, changes in hours of operation, or changes in the number of flights arriving or departing from the airport.

(C) The authorization given pursuant to this section for an airport to impose a customer facility charge shall become inoperative when the bonds used for financing are paid.

(4) "Damage waiver" means a rental company's agreement not to hold a renter liable for all or any portion of any damage or loss related to the rented vehicle, any loss of use of the rented vehicle, or any storage, impound, towing, or administrative charges.

(5) "Electronic surveillance technology" means a technological method or system used to observe, monitor, or collect information, including telematics, Global Positioning System (GPS), wireless technology, or location-based technologies. "Electronic surveillance technology" does not include event data recorders (EDR), sensing and diagnostic modules (SDM), or other systems that are used either:

(A) For the purpose of identifying, diagnosing, or monitoring functions related to the potential need to repair, service, or perform maintenance on the rental vehicle.

(B) As part of the vehicle's airbag sensing and diagnostic system in order to capture safety systems-related data for retrieval after a crash has occurred or in the event that the collision sensors are activated to prepare the decisionmaking computer to make the determination to deploy or not to deploy the airbag.

(6) "Estimated time for replacement" means the number of hours of labor, or fraction thereof, needed to replace damaged vehicle parts as set forth in collision damage estimating guides generally used in the vehicle repair business and commonly known as "crash books."

(7) "Estimated time for repair" means a good faith estimate of the reasonable number of hours of labor, or fraction thereof, needed to repair damaged vehicle parts.

(8) "Passenger vehicle" means a passenger vehicle as defined in Section 465 of the Vehicle Code.

(b) Except as limited by subdivision (c), a rental company and a renter may agree that the renter will be responsible for no more than all of the following:

(1) Physical or mechanical damage to the rented vehicle up to its fair market value, as determined in the customary market for the sale of that vehicle, resulting from collision regardless of the cause of the damage.

(2) Loss due to theft of the rented vehicle up to its fair market value, as determined in the customary market for the sale of that vehicle, provided that the rental company establishes by clear and convincing evidence that the renter or the authorized driver failed to exercise ordinary care while in possession of the vehicle. In addition, the renter shall be presumed to have no liability for any loss due to theft if (A) an authorized driver has possession of the ignition key furnished by the rental company or an authorized driver establishes that the ignition key furnished by the rental company was not in the vehicle at the time of the theft, and (B) an authorized driver files an official report of the theft with the police or other law enforcement agency within 24 hours of learning of the theft and reasonably cooperates with the rental company and the police or other law enforcement agency in providing information concerning the theft. The presumption set forth in this paragraph is a presumption affecting the burden of proof which the rental company may rebut by establishing that an authorized driver committed, or aided and abetted the commission of, the theft.

(3) Physical damage to the rented vehicle up to its fair market value, as determined in the customary market for the sale of that vehicle, resulting from vandalism occurring after, or in connection with, the theft of the rented vehicle; however, the renter shall have no liability for any damage due to vandalism if the renter would have no liability for theft pursuant to paragraph (2).

(4) Physical damage to the rented vehicle up to a total of five hundred dollars (\$500) resulting from vandalism unrelated to the theft of the rented vehicle.

(5) Actual charges for towing, storage, and impound fees paid by the rental company if the renter is liable for damage or loss.

(6) An administrative charge, which shall include the cost of appraisal and all other costs and expenses incident to the damage, loss, repair, or replacement of the rented vehicle.

(c) The total amount of the renter's liability to the rental company resulting from damage to the rented vehicle may not exceed the sum of the following:

(1) The estimated cost of parts which the rental company would have to pay to replace damaged vehicle parts. All discounts and price reductions or adjustments that are or will be received by the rental company shall be subtracted from the estimate to the extent not already incorporated in the estimate or otherwise promptly credited or refunded to the renter.

(2) The estimated cost of labor to replace damaged vehicle parts which may not exceed the product of (A) the rate for labor usually paid by the rental company to replace vehicle parts of the type that were damaged and (B) the estimated time for replacement. All discounts and price reductions or adjustments that are or will be received by the rental company shall be subtracted from the estimate to the extent not already incorporated in the estimate or otherwise promptly credited or refunded to the renter.

(3) (A) The estimated cost of labor to repair damaged vehicle parts, which may not exceed the lesser of the following:

(i) The product of the rate for labor usually paid by the rental company to repair vehicle parts of the type that were damaged and the estimated time for repair.

(ii) The sum of the estimated labor and parts costs determined under paragraphs (1) and (2) to replace the same vehicle parts.

(B) All discounts and price reductions or adjustments that are or will be received by the rental company shall be subtracted from the estimate to the extent not already incorporated in the estimate or otherwise promptly credited or refunded to the renter.

(4) For the purpose of converting the estimated time for repair into the same units of time in which the rental rate is expressed, a day shall be deemed to consist of eight hours.

(5) Actual charges for towing, storage, and impound fees paid by the rental company.

(6) The administrative charge described in paragraph (6) of subdivision (b) may not exceed (A) fifty dollars (\$50) if the total estimated cost for parts and labor is more than one hundred dollars (\$100) up to and including five hundred dollars (\$500), (B) one hundred dollars (\$100) if the total estimated cost for parts and labor exceeds five hundred dollars (\$500) up to and including one thousand five hundred dollars (\$1,500), and (C) one hundred fifty dollars (\$150) if the total estimated cost for parts and labor exceeds one thousand five hundred dollars (\$1,500). No administrative charge may be imposed if the total estimated cost of parts and labor is one hundred dollars (\$100) or less.

(d) (1) The total amount of an authorized driver's liability to the rental company, if any, for damage occurring during the authorized

driver's operation of the rented vehicle may not exceed the amount of the renter's liability under subdivision (c).

(2) A rental company may not recover from the renter or other authorized driver an amount exceeding the renter's liability under subdivision (c).

(3) A claim against a renter resulting from damage or loss, excluding loss of use, to a rental vehicle shall be reasonably and rationally related to the actual loss incurred. A rental company shall mitigate damages where possible and may not assert or collect any claim for physical damage which exceeds the actual costs of the repairs performed or the estimated cost of repairs, if the rental company chooses not to repair the vehicle, including all discounts and price reductions. However, if the vehicle is a total loss vehicle, the claim may not exceed the total loss vehicle value established in accordance with procedures that are customarily used by insurance companies when paying claims on total loss vehicles, less the proceeds from salvaging the vehicle, if those proceeds are retained by the rental company.

(4) If insurance coverage exists under the renter's applicable personal or business insurance policy and the coverage is confirmed during regular business hours, the renter may require that the rental company submit any claims to the renter's applicable personal or business insurance carrier. The rental company may not make any written or oral representations that it will not present claims or negotiate with the renter's insurance carrier. For purposes of this paragraph, confirmation of coverage includes telephone confirmation from insurance company representatives during regular business hours. Upon request of the renter and after confirmation of coverage, the amount of claim shall be resolved between the insurance carrier and the rental company. The renter shall remain responsible for payment to the rental car company for any loss sustained that the renter's applicable personal or business insurance policy does not cover.

(5) A rental company may not recover from the renter or other authorized driver for any item described in subdivision (b) to the extent the rental company obtains recovery from any other person.

(6) This section applies only to the maximum liability of a renter or other authorized driver to the rental company resulting from damage to the rented vehicle and not to the liability of any other person.

(e) (1) Except as provided in subdivision (f), every damage waiver shall provide or, if not expressly stated in writing, shall be deemed to provide that the renter has no liability for any damage, loss, loss of use, or any cost or expense incident thereto.

(2) Except as provided in subdivision (f), every limitation, exception, or exclusion to any damage waiver is void and unenforceable.

(f) A rental company may provide in the rental contract that a damage waiver does not apply under any of the following circumstances:

(1) Damage or loss results from an authorized driver's (A) intentional, willful, wanton, or reckless conduct, (B) operation of the vehicle under the influence of drugs or alcohol in violation of Section 23152 of the Vehicle Code, (C) towing or pushing anything, or (D) operation of the vehicle on an unpaved road if the damage or loss is a direct result of the road or driving conditions.

(2) Damage or loss occurs while the vehicle is (A) used for commercial hire, (B) used in connection with conduct that could be properly charged as a felony, (C) involved in a speed test or contest or in driver training activity, (D) operated by a person other than an authorized driver, or (E) operated outside of the United States.

(3) Any authorized driver who has (A) provided fraudulent information to the rental company or (B) provided false information and the rental company would not have rented the vehicle if it had instead received true information.

(g) (1) A rental company that offers or provides a damage waiver for any consideration in addition to the rental rate shall clearly and conspicuously disclose the following information in the rental contract or holder in which the contract is placed and, also, in signs posted at the place, such as the counter, where the renter signs the rental contract: (A) the nature of the renter's liability, e.g., liability for all collision damage regardless of cause, (B) the extent of the renter's liability, e.g., liability for damage or loss up to a specified amount, (C) the renter's personal insurance policy or the credit card used to pay for the car rental transaction may provide coverage for all or a portion of the renter's potential liability, (D) the renter should consult with his or her insurer to determine the scope of insurance coverage, including the amount of the deductible, if any, for which the renter is obligated, (E) the renter may purchase an optional damage waiver to cover all liability, subject to whatever exceptions the rental company expressly lists that are permitted under subdivision (f), and (F) the range of charges for the damage waiver.

(2) In addition to the requirements of paragraph (1), a rental company that offers or provides a damage waiver shall, on that part of the contract where the renter indicates his or her acceptance or declination of the damage waiver, indicate that the purchase of the damage waiver is optional.

(3) The following is an example, for purposes of illustration and not limitation, of a notice fulfilling the requirements of paragraph (1) for a rental company that imposes liability on the renter for collision damage to the full value of the vehicle:

“NOTICE ABOUT YOUR FINANCIAL RESPONSIBILITY AND
OPTIONAL DAMAGE WAIVER

You are responsible for all collision damage to the rented vehicle even if someone else caused it or the cause is unknown. You are responsible for the cost of repair up to the value of the vehicle, and towing, storage, and impound fees.

Your own insurance, or the issuer of the credit card you use to pay for the car rental transaction, may cover all or part of your financial responsibility for the rented vehicle. You should check with your insurance company, or credit card issuer, to find out about your coverage and the amount of the deductible, if any, for which you may be liable.

Further, if you use a credit card that provides coverage for your potential liability, you should check with the issuer to determine if you must first exhaust the coverage limits of your own insurance before the credit card coverage applies.

The rental company will not hold you responsible if you buy a damage waiver. But a damage waiver will not protect you if (list exceptions).”

(A) When the above notice is printed in the rental contract or holder in which the contract is placed, the following shall be printed immediately following the notice:

“The cost of an optional damage waiver is \$ ____ for every (day or week).”

(B) When the above notice appears on a sign, the following shall appear immediately adjacent to the notice:

“The cost of an optional damage waiver is \$ ____ to \$ ____ for every (day or week), depending upon the vehicle rented.”

(h) Notwithstanding any other provision of law, a rental company may sell a damage waiver subject to the following rate limitations for each full or partial 24-hour rental day for the damage waiver:

(1) For rental vehicles that the rental company designates as an “economy car,” “subcompact car,” “compact car,” or any other term having similar meaning when offered for rental, or any other vehicle having a manufacturer’s suggested retail price of nineteen thousand dollars (\$19,000) or less, the rate may not exceed nine dollars (\$9).

(2) For rental vehicles that have a manufacturer’s suggested retail price from nineteen thousand one dollars (\$19,001) to thirty-four thousand nine hundred ninety-nine dollars (\$34,999), inclusive, and that are also either vehicles of next year’s model, or not older than the previous year’s model, the rate may not exceed fifteen dollars (\$15). For those rental vehicles older than the previous year’s model, the rate may not exceed nine dollars (\$9).

(i) On or after January 1, 2003, the manufacturer's suggested retail prices described in subdivision (h) shall be adjusted annually to reflect changes from the previous year in the Consumer Price Index. For the purposes of this section, "Consumer Price Index" means the United States Consumer Price Index for All Urban Consumers, for all items.

(j) A rental company that disseminates in this state an advertisement containing a rental rate shall include in that advertisement a clearly readable statement of the charge for a damage waiver and a statement that a damage waiver is optional.

(k) (1) A rental company may not require the purchase of a damage waiver, optional insurance, or any other optional good or service.

(2) A rental company may not engage in any unfair, deceptive, or coercive conduct to induce a renter to purchase the damage waiver, optional insurance, or any other optional good or service, including conduct such as, but not limited to, refusing to honor the renter's reservation, limiting the availability of vehicles, requiring a deposit, or debiting or blocking the renter's credit card account for a sum equivalent to a deposit if the renter declines to purchase the damage waiver, optional insurance, or any other optional good or service.

(l) (1) In the absence of express permission granted by the renter subsequent to damage to, or loss of, the vehicle, a rental company may not seek to recover any portion of any claim arising out of damage to, or loss of, the rented vehicle by processing a credit card charge or causing any debit or block to be placed on the renter's credit card account.

(2) A rental company may not engage in any unfair, deceptive, or coercive tactics in attempting to recover or in recovering on any claim arising out of damage to, or loss of, the rented vehicle.

(m) (1) A customer facility charge may be collected by a rental company under the following circumstances:

(A) Collection of the fee by the rental company is required by an airport operated by a city, a county, a city and county, a joint powers authority, or a special district.

(B) The fee is calculated on a per-contract basis.

(C) The fee is a user fee, not a tax imposed upon real property or an incidence of property ownership under Article XIII D of the California Constitution.

(D) Except as otherwise provided in subparagraph (E), the fee shall be ten dollars (\$10) per contract.

(E) If the fee imposed by the airport is for both a consolidated rental car facility and a common-use transportation system, the fee collected from customers of on-airport rental car companies shall be ten dollars (\$10), but the fee imposed on customers of off-airport rental car companies who are transported on the common-use transportation system

is proportionate to the costs of the common-use transportation system only. The fee is uniformly applied to each class of on-airport or off-airport customers, provided the airport requires off-airport customers to use the common-use transportation system.

(F) Revenues collected from the fee do not exceed the reasonable costs of financing, designing, constructing, or operating the facility or services and may not be used for any other purpose.

(G) The fee is separately identified on the rental agreement.

(H) This paragraph does not apply to airports whose fees are governed by Section 1936.5 of the Civil Code, Section 50474.1 of the Government Code, or Section 57.5 of the San Diego Unified Port District Act.

(2) Notwithstanding any other provision of law, including, but not limited to, Part 1 (commencing with Section 6001) to Part 1.7 (commencing with Section 7280), inclusive, of Division 2 of the Revenue and Taxation Code, the fees collected pursuant to this section, or any other law whereby a local agency operating an airport requires a rental car company to collect a facility financing fee from its customers, are not subject to sales, use, or transaction taxes.

(n) (1) A rental company shall only advertise, quote, and charge a rental rate that includes the entire amount except taxes, a customer facility charge, if any, and a mileage charge, if any, which a renter must pay to hire or lease the vehicle for the period of time to which the rental rate applies. A rental company may not charge in addition to the rental rate, taxes, a customer facility charge, if any, and a mileage charge, if any, any fee which must be paid by the renter as a condition of hiring or leasing the vehicle, such as, but not limited to, required fuel or airport surcharges other than customer facility charges, nor any fee for transporting the renter to the location where the rented vehicle will be delivered to the renter.

(2) In addition to the rental rate, taxes, customer facility charges, if any, and mileage charges, if any, a rental company may charge for an item or service provided in connection with a particular rental transaction if the renter could have avoided incurring the charge by choosing not to obtain or utilize the optional item or service. Items and services for which the rental company may impose an additional charge include, but are not limited to, optional insurance and accessories requested by the renter, service charges incident to the renter's optional return of the vehicle to a location other than the location where the vehicle was hired or leased, and charges for refueling the vehicle at the conclusion of the rental transaction in the event the renter did not return the vehicle with as much fuel as was in the fuel tank at the beginning of the rental. A rental company also may impose an additional charge based on reasonable age criteria established by the rental company.

(3) A rental company may not charge any fee for authorized drivers in addition to the rental charge for an individual renter.

(4) If a rental company states a rental rate in print advertisement or in a telephonic, in-person, or computer-transmitted quotation, the rental company shall clearly disclose in that advertisement or quotation the terms of any mileage conditions relating to the advertised or quoted rental rate, including, but not limited to, to the extent applicable, the amount of mileage and gas charges, the number of miles for which no charges will be imposed, and a description of geographic driving limitations within the United States and Canada.

(5) (A) When a rental rate is stated in an advertisement, quotation, or reservation in connection with a car rental at an airport where a customer facility charge is imposed, the rental company shall clearly disclose the existence and amount of the customer facility charge. For the purposes of this subparagraph, advertisements include radio, television, other electronic media, and print advertisements. For purposes of this subparagraph, quotations and reservations include those that are telephonic, in-person, and computer-transmitted. If the rate advertisement is intended to include transactions at more than one airport imposing a customer facility charge, a range of fees may be stated in the advertisement. However, all rate advertisements that include car rentals at airport destinations shall clearly and conspicuously include a toll-free telephone number whereby a customer can be told the specific amount of the customer facility charge to which the customer will be obligated.

(B) If any person or entity other than a rental car company, including a passenger carrier or a seller of travel services, advertises or quotes a rate for a car rental at an airport where a customer facility charge is imposed, that person or entity shall, if they are provided with information about the existence and amount of the fee, to the extent not specifically prohibited by federal law, clearly disclose the existence and amount of the fee in any telephonic, in-person, or computer-transmitted quotation at the time of making an initial quotation of a rental rate and at the time of making a reservation of a rental car. If a rental car company provides the person or entity with rate and customer facility charge information, the rental car company is not responsible for the failure of that person or entity to comply with this subparagraph when quoting or confirming a rate to a third person or entity.

(6) If a rental company delivers a vehicle to a renter at a location other than the location where the rental company normally carries on its business, the rental company may not charge the renter any amount for the rental for the period before the delivery of the vehicle. If a rental company picks up a rented vehicle from a renter at a location other than the location where the rental company normally carries on its business,

the rental company may not charge the renter any amount for the rental for the period after the renter notifies the rental company to pick up the vehicle.

(o) A rental company may not use, access, or obtain any information relating to the renter's use of the rental vehicle that was obtained using electronic surveillance technology, except in the following circumstances:

(1) (A) When the equipment is used by the rental company only for the purpose of locating a stolen, abandoned, or missing rental vehicle after one of the following:

(i) The renter or law enforcement has informed the rental company that the vehicle has been stolen, abandoned, or missing.

(ii) The rental vehicle has not been returned following one week after the contracted return date, or by one week following the end of an extension of that return date.

(iii) The rental company discovers the rental vehicle has been stolen or abandoned, and, if stolen, it shall report the vehicle stolen to law enforcement by filing a stolen vehicle report, unless law enforcement has already informed the rental company that the vehicle has been stolen, abandoned, or is missing.

(B) If electronic surveillance technology is activated pursuant to subparagraph (A) of paragraph (1), a rental company shall maintain a record, in either electronic or written form, of information relevant to the activation of that technology. That information shall include the rental agreement, including the return date, and the date and time the electronic surveillance technology was activated. The record shall also include, if relevant, a record of any written or other communication with the renter, including communications regarding extensions of the rental, police reports or other written communication with law enforcement officials. The record shall be maintained for a period of at least 12 months from the time the record is created and shall be made available upon the renter's request. The rental company shall maintain and furnish any explanatory codes necessary to read the record. A rental company shall not be required to maintain a record if electronic surveillance technology is activated to recover a rental vehicle that is stolen or missing at a time other than during a rental period.

(2) In response to a specific request from law enforcement pursuant to a subpoena or search warrant.

(3) Nothing in this subdivision prohibits a rental company from equipping rental vehicles with GPS-based technology that provides navigation assistance to the occupants of the rental vehicle, if the rental company does not use, access, or obtain any information relating to the renter's use of the rental vehicle that was obtained using that technology,

except for the purposes of discovering or repairing a defect in the technology and the information may then be used only for that purpose.

(4) Nothing in this subdivision prohibits a rental company from equipping rental vehicles with electronic surveillance technology that allows for the remote locking or unlocking of the vehicle at the request of the renter, if the rental company does not use, access, or obtain any information relating to the renter's use of the rental vehicle that was obtained using that technology except as necessary to lock or unlock the vehicle.

(5) Nothing in this subdivision prohibits a rental company from equipping rental vehicles with electronic surveillance technology that allows the company to provide roadside assistance, such as towing or flat tire or fuel services, at the request of the renter, if the rental company does not use, access, or obtain any information relating to the renter's use of the rental vehicle that was obtained using that technology, except as necessary to provide the requested roadside assistance.

(6) Nothing in this subdivision prohibits a rental company from obtaining, accessing, or using information from electronic surveillance technology for the sole purpose of determining the date and time the vehicle is returned to the rental company, and the total mileage driven and the vehicle fuel level of the returned vehicle. This paragraph, however, shall apply only after the renter has returned the vehicle to the rental company, and the information shall only be used for the purpose described in this paragraph.

(p) A rental company may not use electronic surveillance technology to track a renter in order to impose fines or surcharges relating to the renter's use of the rental vehicle.

(q) A renter may bring an action against a rental company for the recovery of damages and appropriate equitable relief for a violation of this section. The prevailing party shall be entitled to recover reasonable attorney's fees and costs.

(r) A rental company that brings an action against a renter for loss due to theft of the vehicle shall bring the action in the county in which the renter resides or, if the renter is not a resident of this state, in the jurisdiction in which the renter resides.

(s) Any waiver of any of the provisions of this section is void and unenforceable as contrary to public policy.

SEC. 19. Section 995.640 of the Code of Civil Procedure is amended to read:

995.640. The county clerk of any county shall, upon request of any person, do any of the following:

(a) Issue a certificate stating whether the certificate of authority of an admitted surety insurer issued by the Insurance Commissioner

authorizing the insurer to transact surety insurance, has been surrendered, revoked, canceled, annulled, or suspended, and in the event that it has, whether renewed authority has been granted. The county clerk in issuing the certificate shall rely solely upon the information furnished by the Insurance Commissioner pursuant to Article 2 (commencing with Section 12070) of Chapter 1 of Part 4 of Division 2 of the Insurance Code.

(b) Issue a certificate stating whether a copy of the transcript or record of the unrevoked appointment, power of attorney, bylaws, or other instrument, duly certified by the proper authority and attested by the seal of an admitted surety insurer entitling or authorizing the person who executed a bond to do so for and on behalf of the insurer, is filed in the office of the clerk.

SEC. 20. Section 1985.6 of the Code of Civil Procedure is amended to read:

1985.6. (a) For purposes of this section, the following terms have the following meanings:

(1) "Deposition officer" means a person who meets the qualifications specified in paragraph (3) of subdivision (d) of Section 2020.

(2) "Employee" means any individual who is or has been employed by a witness subject to a subpoena duces tecum. "Employee" also means any individual who is or has been represented by a labor organization that is a witness subject to a subpoena duces tecum.

(3) "Employment records" means the original or any copy of books, documents, other writings, or electronic data pertaining to the employment of any employee maintained by the current or former employer of the employee, or by any labor organization that has represented or currently represents the employee.

(4) "Labor organization" has the meaning set forth in Section 1117 of the Labor Code.

(5) "Subpoenaing party" means the person or persons causing a subpoena duces tecum to be issued or served in connection with any civil action or proceeding, but does not include the state or local agencies described in Section 7465 of the Government Code, or any entity provided for under Article VI of the California Constitution in any proceeding maintained before an adjudicative body of that entity pursuant to Chapter 4 (commencing with Section 6000) of Division 3 of the Business and Professions Code.

(b) Prior to the date called for in the subpoena duces tecum of the production of employment records, the subpoenaing party shall serve or cause to be served on the employee whose records are being sought a copy of: the subpoena duces tecum; the affidavit supporting the issuance of the subpoena, if any; the notice described in subdivision (e); and proof

of service as provided in paragraph (1) of subdivision (c). This service shall be made as follows:

(1) To the employee personally, or at his or her last known address, or in accordance with Chapter 5 (commencing with Section 1010) of Title 14 of Part 3, or, if he or she is a party, to his or her attorney of record. If the employee is a minor, service shall be made on the minor's parent, guardian, conservator, or similar fiduciary, or if one of them cannot be located with reasonable diligence, then service shall be made on any person having the care or control of the minor, or with whom the minor resides, and on the minor if the minor is at least 12 years of age.

(2) Not less than 10 days prior to the date for production specified in the subpoena duces tecum, plus the additional time provided by Section 1013 if service is by mail.

(3) At least five days prior to service upon the custodian of the employment records, plus the additional time provided by Section 1013 if service is by mail.

(c) Prior to the production of the records, the subpoenaing party shall either:

(1) Serve or cause to be served upon the witness a proof of personal service or of service by mail attesting to compliance with subdivision (b).

(2) Furnish the witness a written authorization to release the records signed by the employee or by his or her attorney of record. The witness may presume that the attorney purporting to sign the authorization on behalf of the employee acted with the consent of the employee, and that any objection to the release of records is waived.

(d) A subpoena duces tecum for the production of employment records shall be served in sufficient time to allow the witness a reasonable time, as provided in paragraph (1) of subdivision (d) of Section 2020, to locate and produce the records or copies thereof.

(e) Every copy of the subpoena duces tecum and affidavit served on an employee or his or her attorney in accordance with subdivision (b) shall be accompanied by a notice, in a typeface designed to call attention to the notice, indicating that (1) employment records about the employee are being sought from the witness named on the subpoena; (2) the employment records may be protected by a right of privacy; (3) if the employee objects to the witness furnishing the records to the party seeking the records, the employee shall file papers with the court prior to the date specified for production on the subpoena; and (4) if the subpoenaing party does not agree in writing to cancel or limit the subpoena, an attorney should be consulted about the employee's interest in protecting his or her rights of privacy. If a notice of taking of

deposition is also served, that other notice may be set forth in a single document with the notice required by this subdivision.

(f) Any employee whose employment records are sought by a subpoena duces tecum may, prior to the date for production, bring a motion under Section 1987.1 to quash or modify the subpoena duces tecum. Notice of the bringing of that motion shall be given to the witness and the deposition officer at least five days prior to production. The failure to provide notice to the deposition officer does not invalidate the motion to quash or modify the subpoena duces tecum but may be raised by the deposition officer as an affirmative defense in any action for liability for improper release of records.

Any nonparty employee whose employment records are sought by a subpoena duces tecum may, prior to the date of production, serve on the subpoenaing party, the deposition officer, and the witness a written objection that cites the specific grounds on which production of the employment records should be prohibited.

No witness or deposition officer shall be required to produce employment records after receipt of notice that the motion has been brought by an employee, or after receipt of a written objection from a nonparty employee, except upon order of the court in which the action is pending or by agreement of the parties, witnesses, and employees affected.

The party requesting an employee's employment records may bring a motion under subdivision (c) of Section 1987 to enforce the subpoena within 20 days of service of the written objection. The motion shall be accompanied by a declaration showing a reasonable and good faith attempt at informal resolution of the dispute between the party requesting the employment records and the employee or the employee's attorney.

(g) Upon good cause shown and provided that the rights of witnesses and employees are preserved, a subpoenaing party shall be entitled to obtain an order shortening the time for service of a subpoena duces tecum or waiving the requirements of subdivision (b) where due diligence by the subpoenaing party has been shown.

(h) This section may not be construed to apply to any subpoena duces tecum that does not request the records of any particular employee or employees and that requires a custodian of records to delete all information which would in any way identify any employee whose records are to be produced.

(i) This section does not apply to proceedings conducted under Division 1 (commencing with Section 50), Division 4 (commencing with Section 3200), Division 4.5 (commencing with Section 6100), or Division 4.7 (commencing with Section 6200) of the Labor Code.

(j) Failure to comply with this section shall be sufficient basis for the witness to refuse to produce the employment records sought by subpoena duces tecum.

SEC. 21. Section 2025.480 of the Code of Civil Procedure is amended to read:

2025.480. (a) If a deponent fails to answer any question or to produce any document or tangible thing under the deponent's control that is specified in the deposition notice or a deposition subpoena, the party seeking discovery may move the court for an order compelling that answer or production.

(b) This motion shall be made no later than 60 days after the completion of the record of the deposition, and shall be accompanied by a meet and confer declaration under Section 2016.040.

(c) Notice of this motion shall be given to all parties and to the deponent either orally at the examination, or by subsequent service in writing. If the notice of the motion is given orally, the deposition officer shall direct the deponent to attend a session of the court at the time specified in the notice.

(d) Not less than five days prior to the hearing on this motion, the moving party shall lodge with the court a certified copy of any parts of the stenographic transcript of the deposition that are relevant to the motion. If a deposition is recorded by audio or video technology, the moving party is required to lodge a certified copy of a transcript of any parts of the deposition that are relevant to the motion.

(e) If the court determines that the answer or production sought is subject to discovery, it shall order that the answer be given or the production be made on the resumption of the deposition.

(f) The court shall impose a monetary sanction under Chapter 7 (commencing with Section 2023.010) against any party, person, or attorney who unsuccessfully makes or opposes a motion to compel an answer or production, unless it finds that the one subject to the sanction acted with substantial justification or that other circumstances make the imposition of the sanction unjust.

(g) If a deponent fails to obey an order entered under this section, the failure may be considered a contempt of court. In addition, if the disobedient deponent is a party to the action or an officer, director, managing agent, or employee of a party, the court may make those orders that are just against the disobedient party, or against the party with whom the disobedient deponent is affiliated, including the imposition of an issue sanction, an evidence sanction, or a terminating sanction under Chapter 7 (commencing with Section 2023.010). In lieu of or in addition to this sanction, the court may impose a monetary sanction under Chapter

7 (commencing with Section 2023.010) against that party deponent or against any party with whom the deponent is affiliated.

SEC. 22. Section 2030.050 of the Code of Civil Procedure is amended to read:

(3) Assisting schools and school districts in efforts to eliminate misassignments of certificated personnel.

(c) In carrying out this article, the department shall ensure that support is provided in the following order of priority:

(1) To school districts or county offices of education with schools that are subject to corrective action under paragraph (7) of subsection (b) of Section 6316 of Title 20 of the United States Code.

(2) To school districts or county offices of education with schools that are identified as being in need of improvement pursuant to subsection (b) of Section 6316 of Title 20 of the United States Code.

(3) To provide support and assistance to school districts and county offices of education with schools participating under the No Child Left Behind Act of 2001 (20 U.S.C. Sec. 6301 et seq.) that need support and assistance to achieve the purposes of that act.

(4) To provide support and assistance to other school districts and county offices of education with schools participating in a program carried out under this chapter.

(d) For purposes of this article, all references to schools shall include charter schools.

(e) Funds shall be distributed under this article based on the number of schools and enrollment of those schools in each region that have been identified as being in need of improvement pursuant to Section 6316 of Title 20 of the United States Code, or are participating in the programs conducted under this chapter.

SEC. 46. Section 52124 of the Education Code, as amended by Section 1 of Chapter 910 of the Statutes of 2004, is amended to read:

52124. (a) A school district that implements a class size reduction program pursuant to this chapter is subject to this section.

(b) A school district may establish a program to reduce class size in kindergarten and grades 1 to 3, inclusive, and that program shall be implemented at each schoolsite according to the following priorities:

(1) If only one grade level is reduced at a schoolsite, the grade level shall be grade 1.

(2) If only two grade levels are reduced at a schoolsite, the grade levels shall be grades 1 and 2.

(3) If three grade levels are reduced at a schoolsite, then those grade levels shall be kindergarten and grades 1 and 2 or grades 1 to 3, inclusive. Priority shall be given to the reduction of class sizes in grades 1 and 2 before the class sizes of kindergarten or grade 3 are reduced.

(4) If four grade levels are reduced at a schoolsite, then those grade levels shall be kindergarten and grades 1 to 3, inclusive. First priority shall be given to the reduction of class sizes in grades 1 and 2, and second priority shall be given to the reduction of class size in kindergarten and grade 3. This paragraph shall be operative only in those fiscal years for which funds are appropriated expressly for the purposes of this paragraph.

(c) It is the intent of the Legislature to continue to permit the use of combination classes of more than one grade level to the extent that school districts are otherwise permitted to use that instructional strategy. However, any school district that uses a combination class in any class for which funding is received pursuant to this chapter may not claim funding pursuant to this chapter if the total number of pupils in the combination class, regardless of grade level, exceeds 20 pupils per certificated teacher assigned to provide direct instructional services.

(d) The governing board of a school district shall certify to the Superintendent of Public Instruction that it has met the requirements of this section in implementing its class size reduction program. If a school district receives funding pursuant to this chapter but has not implemented its class size reduction program for all grades and classes for which it received funding pursuant to this chapter, the Superintendent of Public Instruction shall notify the Controller and the school district in writing and the Controller shall deduct an amount equal to the amount received by the school district under this chapter for each class that the school district failed to reduce to a class size of 20 or fewer pupils from the next principal apportionment or apportionments of state funds to the district, other than basic aid apportionments required by Section 6 of Article IX of the California Constitution.

(e) Except for a school district participating pursuant to subdivision (h) of Section 52122, the amount deducted pursuant to subdivision (d) shall be adjusted as follows:

(1) Twenty percent of the amount to which the district would otherwise be eligible for each class for which the annual enrollment determined pursuant to Section 52124.5 is greater than or equal to 20.5 but less than 21.0.

(2) Forty percent of the amount to which the district would otherwise be eligible for each class for which the annual average enrollment determined pursuant to Section 52124.5 is greater than or equal to 21.0 but less than 21.5.

(3) Eighty percent of the amount to which the district would otherwise be eligible for each class for which the annual average enrollment determined pursuant to Section 52124.5 is greater than or equal to 21.5 but less than 21.9.

(4) The amount deducted pursuant to subdivision (d) for each class for which the annual average enrollment determined pursuant to Section 52141.5 is greater than or equal to 21.9 shall be the amount of funding the district received for the class pursuant to this chapter.

(f) Notwithstanding any other provision of this chapter, a school district located in the County of Los Angeles, Riverside, San Bernardino, San Diego, or Ventura may claim funding pursuant to this chapter for the 2003-04 school year based on enrollment counts before the October 2003 fires, in classes for which the class size reduction program is implemented, if the following criteria are met:

(1) The school district submits to the Superintendent of Public Instruction a "Request for Allowance of Attendance because of Emergency Conditions" pursuant to Section 46392 and the emergency conditions were caused by the October 2003 fires.

(2) The school district certifies that it suffered a loss of enrollment in classes in which the class size reduction program is implemented and this loss of enrollment is due to the October 2003 fires and would result in a decrease in funding that the district receives pursuant to this chapter.

(g) This section shall be operative until July 1, 2009, and as of January 1, 2010, is repealed, unless a later enacted statute deletes or extends that date.

SEC. 47. Section 56366 of the Education Code is amended to read:
56366. It is the intent of the Legislature that the role of a nonpublic, nonsectarian school or agency shall be maintained and continued as an alternative special education service available to a local educational agency and parents.

(a) The master contract for nonpublic, nonsectarian school or agency services shall be developed in accordance with the following provisions:

(1) The master contract shall specify the general administrative and financial agreements, including teacher-to-pupil ratios, between the nonpublic, nonsectarian school or agency and the local educational agency to provide the special education and designated instruction and services, as well as transportation specified in each pupil's individualized education program. The administrative provisions of the contract also shall include procedures for recordkeeping and documentation, and the

maintenance of school records by the contracting local educational agency to ensure that appropriate high school graduation credit is received by each pupil. The contract may allow for partial or full-time attendance at the nonpublic, nonsectarian school.

(2) (A) The master contract shall include an individual services agreement for each pupil placed by a local educational agency that will be negotiated for the length of time for which nonpublic, nonsectarian school or agency special education and designated instruction and services are specified in the pupil's individualized education program.

(B) The master contract shall include a description of the process being utilized by the local educational agency to oversee and evaluate placements in nonpublic, nonsectarian schools, as required by federal law. This description shall include a method for evaluating whether each pupil is making appropriate educational progress. At least once every year, the local educational agency shall do all of the following and, to the extent possible, the following shall be conducted as part of the development and provision of an individualized education program:

(i) Evaluate the educational progress of each pupil placed in a nonpublic, nonsectarian school, including all state assessment results pursuant to the requirements of Section 52052.

(ii) Consider whether or not the needs of the pupil continue to be best met at the nonpublic, nonsectarian school and whether changes to the individualized education program of the pupil are necessary, including whether the pupil may be transitioned to a public school setting. This consideration shall be made at the meeting required by subdivision (d) of Section 56343.

(C) In the case of a nonpublic, nonsectarian school that is owned, operated by, or associated with a licensed children's institution, the master contract shall include a method for evaluating whether the nonpublic, nonsectarian school is in compliance with the mandate set forth in Section 56366.9 of this code and subdivision (b) of Section 1501.1 of the Health and Safety Code.

(3) Changes in educational instruction, services, or placement provided under contract may only be made on the basis of revisions to a pupil's individualized education program.

At any time during the term of the contract or individual services agreement, the parent, the nonpublic, nonsectarian school or agency, or the local educational agency may request a review of a pupil's individualized education program by the individualized education program team. Changes in the administrative or financial agreements of the master contract that do not alter the individual services agreement that outlines each pupil's educational instruction, services, or placement may be made at any time during the term of the contract as mutually

agreed by the nonpublic, nonsectarian school or agency and the local educational agency.

(4) The master contract or individual services agreement may be terminated for cause. The cause shall not be the availability of a public class initiated during the period of the contract unless the parent agrees to the transfer of the pupil to a public school program. To terminate the contract either party shall give 20 days' notice.

(5) The nonpublic, nonsectarian school or agency shall provide all services specified in an individualized education program, unless the nonpublic, nonsectarian school or agency and the local educational agency agree otherwise in the contract or individual services agreement.

(6) Related services provided pursuant to a nonpublic, nonsectarian agency master contract shall only be provided during the period of a pupil's regular or extended school year program, or both, unless otherwise specified by the pupil's individualized education program.

(7) The nonpublic, nonsectarian school or agency shall report attendance of pupils receiving special education and designated instruction and services, as defined by Section 46307, for purposes of submitting a warrant for tuition to each contracting local educational agency.

(8) (A) A nonpublic, nonsectarian school is subject to the alternative accountability system developed pursuant to Section 52052 in the same manner as public schools and each pupil placed in the nonpublic, nonsectarian school by a local educational agency shall be tested by qualified staff of the nonpublic, nonsectarian school in accordance with that accountability program. The test results shall be reported by the nonpublic, nonsectarian school to the department.

(B) Beginning with the 2006-07 school year testing cycle, each nonpublic, nonsectarian school shall determine its STAR testing period subject to subdivisions (b) and (c) of Section 60640. The nonpublic, nonsectarian school shall determine this period based on completion of 85 percent of the instructional year at that nonpublic, nonsectarian school, plus and minus 10 days, resulting in a 21-day period. Each nonpublic, nonsectarian school shall notify the district of residence of a pupil enrolled in the school of its testing period. Staff at the nonpublic, nonsectarian school who administer the assessments shall attend the regular testing training sessions provided by the district of residence. If staff from a nonpublic, nonsectarian school have received training from one local educational agency, that training will be sufficient for all local educational agencies that send pupils to the nonpublic, nonsectarian school. The district of residence shall order testing materials for its pupils that have been placed in the nonpublic, nonsectarian school. The board

shall adopt regulations to facilitate the distribution of and collection of testing materials.

(9) With respect to a nonpublic, nonsectarian school, the school shall prepare a school accountability report card in accordance with Section 33126.

(b) The master contract or individual services agreement shall not include special education transportation provided through the use of services or equipment owned, leased, or contracted by a local educational agency for pupils enrolled in the nonpublic, nonsectarian school or agency unless provided directly or subcontracted by that nonpublic, nonsectarian school or agency.

The superintendent shall withhold 20 percent of the amount apportioned to a local educational agency for costs related to the provision of nonpublic, nonsectarian school or agency placements if the superintendent finds that the local educational agency is in noncompliance with this subdivision. This amount shall be withheld from the apportionments in the fiscal year following the superintendent's finding of noncompliance. The superintendent shall take other appropriate actions to prevent noncompliant practices from occurring and report to the Legislature on those actions.

(c) (1) If a pupil is enrolled in a nonpublic, nonsectarian school or agency with the approval of the local educational agency prior to agreement to a contract or individual services agreement, the local educational agency shall issue a warrant, upon submission of an attendance report and claim, for an amount equal to the number of creditable days of attendance at the per diem tuition rate agreed upon prior to the enrollment of the pupil. This provision shall be allowed for 90 days during which time the contract shall be consummated.

(2) If after 60 days the master contract or individual services agreement has not been finalized as prescribed in paragraph (1) of subdivision (a), either party may appeal to the county superintendent of schools, if the county superintendent is not participating in the local plan involved in the nonpublic, nonsectarian school or agency contract, or the superintendent, if the county superintendent is participating in the local plan involved in the contract, to negotiate the contract. Within 30 days of receipt of this appeal, the county superintendent or the superintendent, or his or her designee, shall mediate the formulation of a contract, which shall be binding upon both parties.

(d) A master contract for special education and related services provided by a nonpublic, nonsectarian school or agency may not be authorized under this part, unless the school or agency has been certified as meeting those standards relating to the required special education and specified related services and facilities for individuals with exceptional

needs. The certification shall result in the school or agency receiving approval to educate pupils under this part for a period no longer than 18 months from the date of the initial approval.

(e) By September 30, 1998, the procedures, methods, and regulations for the purposes of contracting for nonpublic, nonsectarian school and agency services pursuant to this section and for reimbursement pursuant to Sections 56836.16 and 56836.20 shall be developed by the superintendent in consultation with statewide organizations representing providers of special education and designated instruction and services. The regulations shall be established by rules and regulations issued by the board.

SEC. 48. Section 56366.1 of the Education Code is amended to read:

56366.1. (a) A nonpublic, nonsectarian school or agency that seeks certification shall file an application with the superintendent on forms provided by the department, and include the following information on the application:

(1) A description of the special education and designated instruction and services provided to individuals with exceptional needs if the application is for nonpublic, nonsectarian school certification.

(2) A description of the designated instruction and services provided to individuals with exceptional needs if the application is for nonpublic, nonsectarian agency certification.

(3) A list of appropriately qualified staff, a description of the credential, license, or registration that qualifies each staff member rendering special education or designated instruction and services to do so, and copies of their credentials, licenses, or certificates of registration with the appropriate state or national organization that has established standards for the service rendered.

(4) An annual operating budget.

(5) Affidavits and assurances necessary to comply with all applicable federal, state, and local laws and regulations which include criminal record summaries required of all nonpublic school or agency personnel having contact with minor children under Section 44237.

(b) (1) The applicant shall provide the special education local plan area in which the applicant is located with the written notification of its intent to seek certification or renewal of its certification. The applicant shall submit on a form, developed by the department, a signed verification by local educational agency representatives that they have been notified of the intent to certify or renew certification. The verification shall include a statement that representatives of the local educational agency for the area in which the applicant is located have had the opportunity to review the application at least 60 calendar days prior to submission of an initial application to the superintendent, or at least 30 calendar

days prior to submission of a renewal application to the superintendent. The signed verification shall provide assurances that local educational agency representatives have had the opportunity to provide input on all required components of the application.

(2) If the applicant has not received a response from the local educational agency 30 days from the date of the return receipt, the applicant may file the application with the superintendent. A copy of the return receipt shall be included with the application as verification of notification efforts to the local educational agency.

(3) The department shall mail renewal application materials to certified nonpublic, nonsectarian schools and agencies at least 120 days prior to the date their current certification expires.

(c) If the applicant operates a facility or program on more than one site, each site shall be certified.

(d) If the applicant is part of a larger program or facility on the same site, the superintendent shall consider the effect of the total program on the applicant. A copy of the policies and standards for the nonpublic, nonsectarian school or agency and the larger program shall be available to the superintendent.

(e) Prior to certification, the superintendent shall conduct an onsite review of the facility and program for which the applicant seeks certification. The superintendent may be assisted by representatives of the special education local plan area in which the applicant is located and a nonpublic, nonsectarian school or agency representative who does not have a conflict of interest with the applicant. The superintendent shall conduct an additional onsite review of the facility and program within four years of the effective date of the certification, unless the superintendent conditionally certifies the school or agency or unless the superintendent receives a formal complaint against the school or agency. In the latter two cases, the superintendent shall conduct an onsite review at least annually.

(f) The superintendent shall make a determination on an application within 120 days of receipt of the application and shall certify, conditionally certify, or deny certification to the applicant. If the superintendent fails to take one of these actions within 120 days, the applicant is automatically granted conditional certification for a period terminating on August 31 of the current school year. If certification is denied, the superintendent shall provide reasons for the denial. The superintendent may certify the school or agency for a period of not longer than one year.

(g) Certification becomes effective on the date the nonpublic, nonsectarian school or agency meets all the application requirements and is approved by the superintendent. Certification may be retroactive

if the school or agency met all the requirements of this section on the date the retroactive certification is effective. Certification expires on December 31 of the terminating year.

(h) The superintendent shall annually review the certification of each nonpublic, nonsectarian school and agency. For this purpose, a certified school or agency shall annually update its application between August 1 and October 31, unless the board grants a waiver pursuant to Section 56101. The superintendent may conduct an onsite review as part of the annual review.

(i) (1) The superintendent shall conduct an investigation of a nonpublic, nonsectarian school or agency onsite at any time without prior notice if there is substantial reason to believe that there is an immediate danger to the health, safety, or welfare of a child. The superintendent shall document the concern and submit it to the nonpublic, nonsectarian school or agency at the time of the onsite investigation. The superintendent shall require a written response to any noncompliance or deficiency found.

(2) With respect to a nonpublic, nonsectarian school, the superintendent shall conduct an investigation, which may include an unannounced onsite visit, if the superintendent receives evidence of a significant deficiency in the quality of educational services provided, a violation of Section 56366.9, or noncompliance with the policies expressed by subdivision (b) of Section 1501 of the Health and Safety Code by the nonpublic, nonsectarian school. The superintendent shall document the complaint and the results of the investigation and shall provide copies of the documentation to the complainant, the nonpublic, nonsectarian school, and the contracting local educational agency.

(3) Violations or noncompliance documented pursuant to paragraph (1) or (2) shall be reflected in the status of the certification of the school, at the discretion of the superintendent, pending an approved plan of correction by the nonpublic, nonsectarian school. The department shall retain, for a period of 10 years, all violations pertaining to certification of the nonpublic, nonsectarian school or agency.

(j) The superintendent shall monitor the facilities, the educational environment, and the quality of the educational program, including the teaching staff, the credentials authorizing service, the standards-based core curriculum being employed, and the standard focused instructional materials used, of an existing certified nonpublic, nonsectarian school or agency on a three-year cycle, as follows:

(1) The nonpublic, nonsectarian school or agency shall complete a self-review in year one.

(2) The superintendent shall conduct an onsite review of the nonpublic, nonsectarian school or agency in year two.

(3) The superintendent shall conduct a followup visit to the nonpublic, nonsectarian school or agency in year three.

(k) (1) Notwithstanding any other provision of law, the superintendent may not certify a nonpublic, nonsectarian school or agency that proposes to initiate or expand services to pupils currently educated in the immediate prior fiscal year in a juvenile court program, community school pursuant to Section 56150, or other nonspecial education program, including independent study or adult school, or both, unless the nonpublic, nonsectarian school or agency notifies the county superintendent of schools and the special education local plan area in which the proposed new or expanded nonpublic, nonsectarian school or agency is located of its intent to seek certification.

(2) The notification shall occur no later than the December 1 prior to the new fiscal year in which the proposed or expanding school or agency intends to initiate services. The notice shall include the following:

(A) The specific date upon which the proposed nonpublic, nonsectarian school or agency is to be established.

(B) The location of the proposed program or facility.

(C) The number of pupils proposed for services, the number of pupils currently served in the juvenile court, community school, or other nonspecial education program, the current school services including special education and related services provided for these pupils, and the specific program of special education and related services to be provided under the proposed program.

(D) The reason for the proposed change in services.

(E) The number of staff that will provide special education and designated instruction and services and hold a current valid California credential or license in the service rendered or certificate of registration to provide occupational therapy.

(3) In addition to the requirements in subdivisions (a) to (f), inclusive, the superintendent shall require and consider the following in determining whether to certify a nonpublic, nonsectarian school or agency as described in this subdivision:

(A) A complete statement of the information required as part of the notice under paragraph (1).

(B) Documentation of the steps taken in preparation for the conversion to a nonpublic, nonsectarian school or agency, including information related to changes in the population to be served and the services to be provided pursuant to each pupil's individualized education program.

(4) Notwithstanding any other provision of law, the certification becomes effective no earlier than July 1 if the school or agency provided the notification required pursuant to paragraph (1).

(l) (1) Commencing July 1, 2006, notwithstanding any other provision of law, the superintendent may not certify or renew the certification of a nonpublic, nonsectarian school or agency, unless all of the following conditions are met:

(A) The entity operating the nonpublic, nonsectarian school or agency maintains separate financial records for each entity that it operates, with each nonpublic, nonsectarian school or agency identified separately from any licensed children’s institution that it operates.

(B) The entity submits an annual budget that identifies the projected costs and revenues for each entity and demonstrates that the rates to be charged are reasonable to support the operation of the entity.

(C) The entity submits an entity-wide annual audit that identifies its costs and revenues, by entity, in accordance with generally accepted accounting and auditing principles. The audit shall clearly document the amount of moneys received and expended on the education program provided by the nonpublic, nonsectarian school.

(D) The relationship between various entities operated by the same entity are documented, defining the responsibilities of the entities. The documentation shall clearly identify the services to be provided as part of each program, for example, the residential or medical program, the mental health program, or the educational program. The entity shall not seek funding from a public agency for a service, either separately or as part of a package of services, if the service is funded by another public agency, either separately or as part of a package of services.

(2) For purposes of this section, the term “licensed children’s institution” has the same meaning as it is defined by Section 56155.5.

(m) The school or agency shall be charged a reasonable fee for certification. The superintendent may adjust the fee annually commensurate with the statewide average percentage inflation adjustment computed for revenue limits of unified school districts with greater than 1,500 units of average daily attendance if the percentage increase is reflected in the district revenue limit for inflation purposes. For purposes of this section, the base fee shall be the following:

(1) 1-5 pupils	\$ 300
(2) 6-10 pupils	500
(3) 11-24 pupils	1,000
(4) 25-75 pupils	1,500
(5) 76 pupils and over	2,000

The school or agency shall pay this fee when it applies for certification and when it updates its application for annual review by the superintendent. The superintendent shall use these fees to conduct onsite

reviews, which may include field experts. No fee shall be refunded if the application is withdrawn or is denied by the superintendent.

(n) (1) Notwithstanding any other provision of law, only those nonpublic, nonsectarian schools and agencies that provide special education and designated instruction and services utilizing staff who hold a certificate, permit, or other document equivalent to that which staff in a public school are required to hold in the service rendered are eligible to receive certification. Only those nonpublic, nonsectarian schools or agencies located outside of California that employ staff who hold a current valid credential or license to render special education and related services as required by that state shall be eligible to be certified.

(2) The board shall develop regulations to implement this subdivision.

(o) In addition to meeting the standards adopted by the board, a nonpublic, nonsectarian school or agency shall provide written assurances that it meets all applicable standards relating to fire, health, sanitation, and building safety.

SEC. 49. Section 56366.11 of the Education Code is amended to read:

56366.11. (a) The department shall implement a program to integrate individuals with exceptional needs placed in nonpublic, nonsectarian schools into public schools, as appropriate. Under the program, a pupil placed in a nonpublic, nonsectarian school and each individual who has the right to make educational decisions for the pupil shall be informed of all his or her rights relating to the educational placement of the pupil. Existing dispute resolution procedures involving public school enrollment or attendance shall be explained to a pupil placed in a nonpublic, nonsectarian school in an age- and developmentally appropriate manner. The Foster Child Ombudsman shall disseminate the information on education rights to every foster child residing in a licensed children's institution or foster family home.

(b) Following the development of the next statewide assessment contract, the department shall submit to the Legislature a report on the academic progress of pupils attending nonpublic, nonsectarian schools serving individuals with exceptional needs. Using the results of the two most recent years of the Standardized Testing and Reporting (STAR) Program and the California Alternative Performance Assessment, the report shall summarize by district the achievement of all pupils attending a nonpublic, nonsectarian school. The department shall ensure that the report does not violate the confidentiality of individual pupil scores. In addition, the report shall include an academic performance index score for pupils attending nonpublic, nonsectarian schools for each district using the same procedures as under Section 52052.

SEC. 50. Section 56505 of the Education Code is amended to read:

56505. (a) The state hearing shall be conducted in accordance with regulations adopted by the board.

(b) The hearing shall be held at a time and place reasonably convenient to the parent or guardian and the pupil.

(c) The hearing shall be conducted by a person knowledgeable in the laws and regulations governing special education and administrative hearings pursuant to Section 56504.5, and who has satisfactorily completed training pursuant to this subdivision. The Superintendent shall establish standards for the training of hearing officers, the degree of specialization of the hearing officers, and the quality control mechanisms to be used to ensure that the hearings are fair and the decisions are accurate. A due process hearing may not be conducted by any individual listed in subsection (a) of Section 300.508 of Title 34 of the Code of Federal Regulations. Pursuant to subsection (b) of Section 300.508 of Title 34 of the Code of Federal Regulations, a person who is qualified to conduct a hearing is not an employee of the agency solely because he or she is paid by the agency to serve as a hearing officer. The hearing officer shall encourage the parties to a hearing to consider the option of mediation as an alternative to a hearing.

(d) Pursuant to subsection (a) of Section 300.514 of Title 34 of the Code of Federal Regulations, during the pendency of the hearing proceedings, including the actual state-level hearing, or judicial proceeding regarding a due process hearing, the pupil shall remain in his or her present placement, except as provided in Section 300.526 of Title 34 of the Code of Federal Regulations, unless the public agency and the parent or guardian agree otherwise. A pupil applying for initial admission to a public school shall, with the consent of his or her parent or guardian, be placed in the public school program until all proceedings have been completed. As provided in subsection (c) of Section 300.514 of Title 34 of the Code of Federal Regulations, if the decision of a hearing officer in a due process hearing or a state review official in an administrative appeal agrees with the parent or guardian of the pupil that a change of placement is appropriate, that placement shall be treated as an agreement between the state or local agency and the parent or guardian.

(e) Any party to the hearing held pursuant to this section shall be afforded the following rights consistent with state and federal statutes and regulations:

(1) The right to be accompanied and advised by counsel and by individuals with special knowledge or training relating to the problems of individuals with exceptional needs.

(2) The right to present evidence, written arguments, and oral arguments.

(3) The right to confront, cross-examine, and compel the attendance of witnesses.

(4) The right to a written, or, at the option of the parents or guardians, electronic verbatim record of the hearing.

(5) The right to written, or, at the option of the parent or guardian, electronic findings of fact and decisions. The record of the hearing and the findings of fact and decisions shall be provided at no cost to parents or guardians in accordance with paragraph (2) of subsection (c) of Section 300.509 of Title 34 of the Code of Federal Regulations. The findings and decisions shall be made available to the public after any personally identifiable information has been deleted consistent with the confidentiality requirements of subsection (c) of Section 1417 of Title 20 of the United States Code and shall also be transmitted to the Advisory Commission on Special Education pursuant to paragraph (4) of subsection (h) of Section 1415 of Title 20 of the United States Code.

(6) The right to be informed by the other parties to the hearing, at least 10 days prior to the hearing, as to what those parties believe are the issues to be decided at the hearing and their proposed resolution of those issues. Upon the request of a parent who is not represented by an attorney, the agency responsible for conducting hearings shall provide a mediator to assist the parent in identifying the issues and the proposed resolution of the issues.

(7) The right to receive from other parties to the hearing, at least five business days prior to the hearing, a copy of all documents and a list of all witnesses and their general area of testimony that the parties intend to present at the hearing. Included in the material to be disclosed to all parties at least five business days prior to a hearing shall be all assessments completed by that date and recommendations based on the assessments that the parties intend to use at the hearing.

(8) The right, pursuant to paragraph (3) of subsection (a) of Section 300.509 of Title 34 of the Code of Federal Regulations, to prohibit the introduction of any evidence at the hearing that has not been disclosed to that party at least five business days before the hearing.

(f) The hearing conducted pursuant to this section shall be completed and a written, reasoned decision, including the reasons for any nonpublic, nonsectarian school placement, the provision of nonpublic, nonsectarian agency services, or the reimbursement for such placement or services, taking into account the requirements of subdivision (a) of Section 56365, shall be mailed to all parties to the hearing within 45 days from the receipt by the Superintendent of the request for a hearing. Either party to the hearing may request the hearing officer to grant an extension. The extension shall be granted upon a showing of good cause. Any extension

shall extend the time for rendering a final administrative decision for a period only equal to the length of the extension.

(g) Subdivision (f) does not alter the burden of proof required in a due process hearing, or prevent a hearing officer from ordering a compensatory remedy for an individual with exceptional needs.

(h) The hearing conducted pursuant to this section shall be the final administrative determination and binding on all parties.

(i) In decisions relating to the placement of individuals with exceptional needs, the person conducting the state hearing shall consider cost, in addition to all other factors that are considered.

(j) In a hearing conducted pursuant to this section, the hearing officer may not base a decision solely on nonsubstantive procedural errors, unless the hearing officer finds that the nonsubstantive procedural errors resulted in the loss of an educational opportunity to the pupil or interfered with the opportunity of the parent or guardian of the pupil to participate in the formulation process of the individualized education program.

(k) This chapter does not preclude a party aggrieved by the findings and decisions in a hearing under this section from exercising the right to appeal the decision to a state court of competent jurisdiction. An aggrieved party may also exercise the right to bring a civil action in a district court of the United States without regard to the amount in controversy, pursuant to Section 300.512 of Title 34 of the Code of Federal Regulations. An appeal shall be made within 90 days of receipt of the hearing decision. During the pendency of any administrative or judicial proceeding conducted pursuant to Chapter 5 (commencing with Section 56500), the child involved in the hearing shall remain in his or her present educational placement, unless the public education agency and the parent or guardian of the child agree otherwise. Any action brought under this subdivision shall adhere to the provisions of subsection (b) of Section 300.512 of Title 34 of the Code of Federal Regulations.

(l) Any request for a due process hearing arising under subdivision (a) of Section 56501 shall be filed within three years from the date the party initiating the request knew or had reason to know of the facts underlying the basis for the request.

(m) Pursuant to subsection (c) of Section 300.508 of Title 34 of the Code of Federal Regulations, each public education agency shall keep a list of the persons who serve as due process hearing officers, in accordance with Section 56504.5, and the list shall include a statement of the qualifications of each of those persons. The list of hearing officers shall be provided to the public education agencies by the organization or entity under contract with the department to conduct due process hearings.

SEC. 51. Section 59052 of the Education Code is amended to read:

59052. (a) Commencing with the 2004-05 school year, an individual may not be hired as a certificated employee to instruct deaf pupils unless the individual achieves a minimum score of 2.5 on the American Sign Language Proficiency Interview (ASLPI) or an equivalent score on an alternate test selected by the American Sign Language Competency Evaluation Committee of the California School for the Deaf that assesses American Sign Language linguistic competency.

(b) Commencing with the 2005-06 school year, an individual may not be hired as a certificated employee to instruct deaf pupils unless the individual achieves a minimum score of 3 on the ASLPI or an equivalent score on an alternate test, as described in subdivision (a).

(c) Commencing with the 2006-07 school year, an individual may not be hired as a certificated employee to instruct deaf pupils unless the individual achieves a minimum score of 3.5 on the ASLPI or an equivalent score on an alternate test, as described in subdivision (a).

(d) The minimum score requirements specified in subdivisions (a) to (c), inclusive, may be waived by the superintendent of the school if he or she certifies that no candidate who meets those requirements and all other selection criteria has applied to instruct deaf pupils and open positions remain.

SEC. 52. Section 66739.5 of the Education Code is amended to read: 66739.5. (a) The Legislature finds and declares all of the following:

(1) The California Master Plan and supporting statutes place utmost importance on the effective transfer of community college students to the University of California (UC) and the California State University (CSU) as a means of providing access to the baccalaureate degree.

(2) In 2002, CSU enrolled 55,000 transfer students from community colleges.

(3) Two out of three students who earn CSU baccalaureate degrees begin in a community college.

(4) Effective use of state and student time and resources would be maximized by students accruing fewer unrequired units in earning their degrees.

(5) Additional access to community colleges and CSU will be created by higher graduation rates and fewer nonessential units taken.

(6) The state budget situation makes it urgent to streamline the path of the transfer student to the baccalaureate degree.

(b) It is, therefore, the intent of the Legislature to ensure that community college students who wish to earn the baccalaureate degree at CSU are provided with a clear and effective path to this degree.

(c) This section shall not be construed to limit in any way the ability of students to gain admission through alternative paths to transfer, such as the Intersegmental General Education Transfer Curriculum (IGETC)

or the California State University General Education-Breadth Requirements.

(d) On or before February 1, 2005, the Chancellor of CSU shall establish transfer student admissions requirements that give highest priority to transfer students who are qualified in accordance with subdivision (f) and paragraph (3) of subdivision (g).

(e) (1) CSU campuses admitting students qualified in accordance with subdivision (f) and paragraph (3) of subdivision (g) will make it possible for these students to complete their baccalaureate degree in the minimum number of remaining units required for that degree major.

(2) For purposes of this subdivision, the "minimum number of remaining units" is the minimum number of units required for a degree major after subtracting the number of fully degree-transferable units earned at the community college.

(f) The Chancellor of CSU, in consultation with the Academic Senate of CSU, shall establish the following components necessary for a clear degree path for transfer students:

(1) On or before June 1, 2005, the Chancellor of CSU, in consultation with the Academic Senate of CSU and with the faculty responsible for each high-demand baccalaureate degree major program, shall specify for each high-demand baccalaureate program major a systemwide lower division transfer curriculum composed of at least 45 semester course units, or the quarter-unit equivalent, that will be common across all CSU campuses offering specific major programs.

(2) (A) The systemwide lower division transfer curriculum for each high-demand baccalaureate degree major program shall be composed of at least 45 semester units, or the quarter-unit equivalent, and shall include all of the following:

- (i) General education courses.
- (ii) Any other lower division courses required for graduation.
- (iii) Lower division components of the student's declared major.
- (iv) Elective units, as appropriate.

(B) The coursework described in subparagraph (A) shall be designated by the CSU faculty responsible for the student's major degree program.

(3) The systemwide lower division transfer curriculum shall be specified in sufficient manner and detail so that existing and future community college lower division courses may be articulated, according to the usual procedures, to the corresponding CSU courses or course descriptions.

(g) (1) On or before June 1, 2006, the Chancellor of CSU and the Chancellor of the California Community Colleges, in consultation with the Academic Senate of the California Community Colleges, shall articulate those lower division, baccalaureate-level courses at each

campus of the California Community Colleges that meet for each degree major the systemwide lower division transfer curriculum requirements specified in paragraph (1) of subdivision (f).

(2) To the extent that the goals of efficiency and urgency are advanced, existing articulation procedures such as the California Articulation Number (CAN) program shall be employed.

(3) On or before June 1, 2006, each CSU campus shall have identified any additional specific, nonelective course requirements beyond the systemwide lower division transfer curriculum requirements for each major, up to a maximum of 60 semester units or the quarter-unit equivalent, for the systemwide and campus-specific requirements combined. To the extent these additional course requirements are identified, each CSU campus shall provide that information to all community colleges.

(4) The Chancellor of CSU shall amend CSU's transfer admissions procedures to encourage prospective community college transfer students to identify and, to the extent possible, commit to, a specific CSU transfer destination campus before earning more than 45 semester units, or the quarter-unit equivalent, of lower division, baccalaureate-level courses, as described in subdivision (f).

(h) As allowed by enrollment demand and available space, each CSU campus shall develop a transfer admission agreement with each student who intends to meet the requirements of this section, including the declaration of a major and identification of a choice of a destination campus, before earning more than 45 systemwide semester units, or the quarter-unit equivalent. The transfer admission agreement shall guarantee admission to the campus and major identified in that agreement and transfer of all 60 semester units, or the quarter-unit equivalent, as creditable to the baccalaureate degree, subject to the student's meeting the following conditions:

(1) Completion of the 60 semester units of college-level coursework, or the quarter-unit equivalent, specified for the student's major degree program.

(2) Declaration of a major.

(3) Satisfactory completion of the systemwide lower division transfer curriculum requirements for the student's declared major.

(4) Satisfactory completion of any requirements beyond the systemwide lower division transfer curriculum that are specified by the CSU destination campus.

(5) Any impaction criteria for that campus or major.

(i) A CSU campus shall guarantee that the transfer students admitted under this section will be able to complete the baccalaureate degree in the minimum number of course units required for that degree.

SEC. 53. Section 71093 of the Education Code is amended to read: 71093. Notwithstanding any other provision of law:

(a) The board of governors may authorize the chancellor to suspend, for a period of up to one year, the authority of the Board of Trustees of the Compton Community College District, or of any of the members of that board, to exercise any powers or responsibilities or to take any official actions with respect to the management of the district, including any of the district's assets, contracts, expenditures, facilities, funds, personnel, or property. With the prior approval of the board of governors, the chancellor may renew a suspension under this section as many times, and as often, as he or she finds it necessary during the period of operation of this section.

(b) A suspension authorized by this section becomes effective immediately upon the delivery of a document to the administrative offices of the Compton Community College District that sets forth the finding of the chancellor that a suspension pursuant to this section is necessary for the establishment of fiscal integrity and security in that district.

(c) If and when the chancellor suspends the authority of the Board of Trustees of the Compton Community College District or any of its members pursuant to this section, the chancellor may appoint a special trustee as provided in paragraph (3) of subdivision (c) of Section 84040, at district expense, to manage the district. The chancellor is authorized to assume, and delegate to the special trustee, those powers and duties of the Board of Trustees of the Compton Community College District that the chancellor determines, with the approval of the board of governors, are necessary for the management of that district. The Board of Trustees of the Compton Community College District may not exercise any of the duties or powers assumed by the chancellor under this section. The chancellor may appoint as a special trustee under this section a person who has served in a similar capacity prior to the enactment of the act that adds this section. A special trustee appointed under this section shall serve at the pleasure of the chancellor.

(d) This section shall remain in effect only until January 1, 2008, and as of that date is repealed, unless a later enacted statute, that is enacted before January 1, 2008, deletes or extends that date.

SEC. 54. Section 89539.2 of the Education Code is amended to read:

89539.2. (a) Any party claiming that his or her request for discovery pursuant to Section 89539.1 has not been complied with may serve and file a petition to compel discovery with the Hearing Office of the State Personnel Board, naming as the respondent the party refusing or failing to comply with Section 89539.1. The petition shall state facts showing that the respondent failed or refused to comply with Section 89539.1, a description of the matters sought to be discovered, the reason or reasons

why the matter is discoverable under Section 89539.1, and the ground or grounds for the respondent's refusal so far as known to the petitioner.

(b) (1) The petition shall be served upon the respondent, and filed within 14 days after the respondent first evidenced his or her failure or refusal to comply with Section 89539.1, or within 30 days after the request was made and the party has failed to reply to the request, whichever period is longer. However, no petition may be filed within 15 days of the date set for commencement of the administrative hearing, except upon a petition and a determination by the administrative law judge of good cause. In determining good cause, the administrative law judge shall consider the necessity and reasons for the discovery, the diligence or lack of diligence of the moving party, whether the granting of the petition will delay the commencement of the administrative hearing on the date set, and the possible prejudice of the action to any party.

(2) The respondent shall have a right to file a written answer to the petition. Any answer shall be filed with the Hearing Office of the State Personnel Board and the petitioner within 15 days of service of the petition.

(3) Unless otherwise stipulated by the parties and as provided by this section, the administrative law judge shall review the petition and any response filed by the respondent, and issue a decision granting or denying the petition within 20 days after the filing of the petition. Nothing in this section shall preclude the administrative law judge from determining that an evidentiary hearing shall be conducted prior to the issuance of a decision on the petition. In the event that a hearing is ordered, the decision of the administrative law judge shall be issued within 20 days of the closing of the hearing.

(4) A party aggrieved by the decision of the administrative law judge may, within 30 days of service of the decision, file a petition to compel discovery in the superior court for the county in which the administrative hearing will be held or in the county in which the headquarters of the trustees is located. The petition shall be served on the respondent.

(c) If, from a reading of the petition, the court is satisfied that the petition sets forth good cause for relief, the court shall issue an order to show cause directed to the respondent; otherwise the court shall enter an order denying the petition. The order to show cause shall be served upon the respondent and his or her attorney of record in the administrative proceeding by personal delivery or certified mail, and shall be returnable no earlier than 10 days from its issuance nor later than 30 days after the filing of the petition. The respondent shall have the right to serve and file a written answer or other response to the petition and order to show cause.

(d) The court may, in its discretion, order the administrative proceeding stayed during the pendency of the proceeding, and, if necessary, for a reasonable time thereafter to afford the parties time to comply with the court order.

(e) If the matter sought to be discovered is under the custody or control of the respondent and the respondent asserts that the matter is not a discoverable matter under Section 89539.1, or is privileged against disclosure under Section 89539.1, the court may order lodged with it matters that are provided in subdivision (b) of Section 915 of the Evidence Code, and shall examine the matters in accordance with the provisions thereof.

(f) The court shall decide the case on the matters examined by the court in camera, the papers filed by the parties, and any oral argument and additional evidence as the court may allow.

(g) Unless otherwise stipulated by the parties, the court shall, no later than 45 days after the filing of the petition, file its order denying or granting the petition. However, the court may, on its own motion, for good cause, extend the time an additional 45 days. The order of the court shall be in writing, setting forth the matters or parts the petitioner is entitled to discover under Section 89539.1. A copy of the order shall forthwith be served by mail by the clerk upon the parties. If the order grants the petition in whole or in part, the order shall not become effective until 10 days after the date the order is served by the clerk. If the order denies relief to the petitioning party, the order shall be effective on the date it is served by the clerk.

(h) (1) The order of the superior court shall be final and, except for this subdivision, shall not be subject to review by appeal. A party aggrieved by the order, or any part thereof, may, within 30 days after the service of the superior court's order, serve and file in the district court of appeal for the district in which the superior court is located, a petition for a writ of mandamus to compel the superior court to set aside, or otherwise modify, its order.

(2) If a review is sought from an order granting discovery, the order of the trial court and the administrative proceeding shall be stayed upon the filing of the petition for writ of mandamus. However, the court of appeal may dissolve or modify the stay thereafter, if it is in the public interest to do so. If the review is sought from a denial of discovery, neither the trial court's order nor the administrative proceeding shall be stayed by the court of appeal except upon a clear showing of probable error.

(i) If the superior court finds that a party or his or her attorney, without substantial justification, failed or refused to comply with Section 89539.1, or, without substantial justification, filed a petition to compel discovery

pursuant to this section, or, without substantial justification, failed to comply with any order of court made pursuant to this section, the court may award court costs and reasonable attorney's fees to the opposing party. Nothing in this subdivision shall limit the power of the superior court to compel obedience to its orders by contempt proceedings.

However, the statewide total number of instructional aides and paraprofessionals who directly assist with classroom instruction in mathematics and reading served under this program may not exceed 9,600 over the two fiscal years.

An argument shall not exceed 500 words.

If those members appointed to write an argument against the measure choose, each may write a separate argument opposing it, but the combined length of the two arguments shall not exceed 500 words.

SEC. 59. Section 299.3 of the Family Code is amended to read:

299.3. (a) On or before June 30, 2004, and again on or before December 1, 2004, and again on or before January 31, 2005, the Secretary of State shall send the following letter to the mailing address on file of each registered domestic partner who registered more than one month prior to each of those dates:

“Dear Registered Domestic Partner:

This letter is being sent to all persons who have registered with the Secretary of State as a domestic partner.

Effective January 1, 2005, California’s law related to the rights and responsibilities of registered domestic partners will change (or, if you are receiving this letter after that date, the law has changed, as of January 1, 2005). With this new legislation, for purposes of California law, domestic partners will have a great many new rights and responsibilities, including laws governing community property, those governing property transfer, those regarding duties of mutual financial support and mutual responsibilities for certain debts to third parties, and many others. The way domestic partnerships are terminated is also changing. After January 1, 2005, under certain circumstances, it will be necessary to participate in a dissolution proceeding in court to end a domestic partnership.

Domestic partners who do not wish to be subject to these new rights and responsibilities MUST terminate their domestic partnership before January 1, 2005. Under the law in effect until January 1, 2005, your domestic partnership is automatically terminated if you or your partner marry or die while you are registered as domestic partners. It is also terminated if you send to your partner or your partner sends to you, by certified mail, a notice terminating the domestic partnership, or if you and your partner no longer share a common residence. In all cases, you are required to file a Notice of Termination of Domestic Partnership.

If you do not terminate your domestic partnership before January 1, 2005, as provided above, you will be subject to these new rights and responsibilities and, under certain circumstances, you will only be able to terminate your domestic partnership, other than as a result of your domestic partner’s death, by the filing of a court action.

Further, if you registered your domestic partnership with the state prior to January 1, 2005, you have until June 30, 2005, to enter into a written agreement with your domestic partner that will be enforceable in the same manner as a premarital agreement under California law, if you intend to be so governed.

If you have any questions about any of these changes, please consult an attorney. If you cannot find an attorney in your locale, please contact your county bar association for a referral.

Sincerely,

The Secretary of State”

(b) From January 1, 2004, to December 31, 2004, inclusive, the Secretary of State shall provide the following notice with all requests for the Declaration of Domestic Partnership form. The Secretary of State also shall attach the Notice to the Declaration of Domestic Partnership form that is provided to the general public on the Secretary of State’s Web site:

“NOTICE TO POTENTIAL DOMESTIC PARTNER REGISTRANTS

As of January 1, 2005, California’s law of domestic partnership will change.

Beginning at that time, for purposes of California law, domestic partners will have a great many new rights and responsibilities, including laws governing community property, those governing property transfer, those regarding duties of mutual financial support and mutual responsibilities for certain debts to third parties, and many others. The way domestic partnerships are terminated will also change. Unlike current law, which allows partners to end their partnership simply by filing a “Termination of Domestic Partnership” form with the Secretary of State, after January 1, 2005, it will be necessary under certain circumstances to participate in a dissolution proceeding in court to end a domestic partnership.

If you have questions about these changes, please consult an attorney. If you cannot find an attorney in your area, please contact your county bar association for a referral.”

SEC. 60. Section 420 of the Family Code is amended to read:

420. (a) No particular form for the ceremony of marriage is required for solemnization of the marriage, but the parties shall declare, in the presence of the person solemnizing the marriage and necessary witnesses, that they take each other as husband and wife.

(b) Notwithstanding subdivision (a), a member of the Armed Forces of the United States who is stationed overseas and serving in a conflict or a war and is unable to appear for the licensure and solemnization of the marriage may enter into that marriage by the appearance of an attorney-in-fact, commissioned and empowered in writing for that purpose through a power of attorney. The attorney-in-fact must personally appear at the county clerk’s office with the party who is not stationed overseas, and present the original power of attorney duly signed by the

party stationed overseas and acknowledged by a notary or witnessed by two officers of the United States Armed Forces. The power of attorney shall state the true legal names of the parties to be married, and that the power of attorney is solely for the purpose of authorizing the attorney-in-fact to obtain a marriage license on the person's behalf and participate in the solemnization of the marriage. The original power of attorney shall be a part of the marriage certificate upon registration.

(c) No contract of marriage, if otherwise duly made, shall be invalidated for want of conformity to the requirements of any religious sect.

SEC. 61. Section 2024.6 of the Family Code is amended to read:

2024.6. (a) Upon request by a party to a petition for dissolution of marriage, nullity of marriage, or legal separation, the court shall order a pleading that lists the parties' financial assets and liabilities and provides the location or identifying information about those assets and liabilities sealed. The request may be made by ex parte application. Nothing sealed pursuant to this section may be unsealed except upon petition to the court and good cause shown.

(b) Commencing not later than July 1, 2005, the Judicial Council form used to declare assets and liabilities of the parties in a proceeding for dissolution of marriage, nullity of marriage, or legal separation of the parties shall require the party filing the form to state whether the declaration contains identifying information on the assets and liabilities listed therein. If the party making the request uses a pleading other than the Judicial Council form, the pleading shall exhibit a notice on the front page, in bold capital letters, that the pleading lists and identifies financial information and is therefore subject to this section.

(c) For purposes of this section, "pleading" means a document that sets forth or declares the parties' assets and liabilities, income and expenses, a marital settlement agreement that lists and identifies the parties' assets and liabilities, or any document filed with the court incidental to the declaration or agreement that lists and identifies financial information.

(d) The party making the request to seal a pleading pursuant to subdivision (a) shall serve a copy of the pleading on the other party to the proceeding and file a proof of service with the request to seal the pleading.

(e) Nothing in this section precludes a party to a proceeding described in this section from using any document or information contained in a sealed pleading in any manner that is not otherwise prohibited by law.

SEC. 62. Section 3111 of the Family Code is amended to read:

(c) The superior court shall have initial jurisdiction over any proceeding brought by any public safety officer against any public safety department for alleged violations of this chapter.

(d) (1) In any case where the superior court finds that a public safety department has violated any of the provisions of this chapter, the court shall render appropriate injunctive or other extraordinary relief to remedy the violation and to prevent future violations of a like or similar nature, including, but not limited to, the granting of a temporary restraining order, preliminary injunction, or permanent injunction prohibiting the public safety department from taking any punitive action against the public safety officer.

(2) If the court finds that a bad faith or frivolous action or a filing for an improper purpose has been brought pursuant to this chapter, the court may order sanctions against the party filing the action, the party's attorney, or both, pursuant to Sections 128.6 and 128.7 of the Code of Civil Procedure. If the court so finds, and there is sufficient evidence to establish actual damages suffered by the officer whose right or protection was denied, the public safety department shall also be liable for the amount of the actual damages. Notwithstanding these provisions, a public safety department may not be required to indemnify a contractor for the contractor's liability pursuant to this subdivision if there is, within the contract between the public safety department and the contractor, a "hold harmless" or similar provision that protects the public safety department from liability for the actions of the contractor. However, nothing in this division shall require the disclosure of that portion of those investigative files that reflect the analysis or conclusions of the investigating officer.

Customer lists provided to a state or local police agency by an alarm or security company at the request of the agency shall be construed to be records subject to this subdivision.

Address information obtained pursuant to this paragraph may not be used directly or indirectly, or furnished to another, to sell a product or service to any individual or group of individuals, and the requester shall execute a declaration to that effect under penalty of perjury. Nothing in this paragraph shall be construed to prohibit or limit a scholarly,

SEC. 72. Section 7072 of the Government Code is amended to read:

7072. For purposes of this chapter, the following definitions shall apply:

(a) "Department" means the Department of Housing and Community Development.

(b) "Date of original designation" means the earlier of the following:

(1) The date the eligible area receives designation as an enterprise zone by the department pursuant to this chapter.

(2) In the case of an enterprise zone deemed designated pursuant to subdivision (e) of Section 7073, the date the enterprise zone or program area received original designation by the former Trade and Commerce Agency pursuant to Chapter 12.8 (commencing with Section 7070) or Chapter 12.9 (commencing with Section 7080), as those chapters read prior to January 1, 1997.

(c) "Eligible area" means any of the following:

(1) An area designated as an enterprise zone pursuant to Chapter 12.8 (commencing with Section 7070), as it read prior to January 1, 1997, or as a targeted economic development area, neighborhood development area, or program area pursuant to Chapter 12.9 (commencing with Section 7080), as it read prior to January 1, 1997.

(2) A geographic area that, based upon the determination of the department, fulfills at least one of the following criteria:

(A) The proposed geographic area meets the Urban Development Action Grant criteria of the United States Department of Housing and Urban Development.

(B) The area within the proposed zone has experienced plant closures within the past two years affecting more than 100 workers.

(C) The city or county has submitted material to the department for a finding that the proposed geographic area meets criteria of economic distress related to those used in determining eligibility under the Urban Development Action Grant Program and is therefore an eligible area.

(D) The area within the proposed zone has a history of gang-related activity, whether or not crimes of violence have been committed.

(3) A geographic area that meets at least two of the following criteria:

(A) The census tracts within the proposed zone have an unemployment rate not less than 3 percentage points above the statewide average for the most recent calendar year as determined by the Employment Development Department.

(B) The county of the proposed zone has more than 70 percent of the children enrolled in public school participating in the federal free lunch program.

(C) The median household income for a family of four within the census tracts of the proposed zone does not exceed 80 percent of the statewide median income for the most recently available calendar year.

(d) "Enterprise zone" means any area within a city, county, or city and county that is designated as such by the department in accordance with Section 7073.

(e) "Governing body" means a county board of supervisors or a city council, as appropriate.

(f) "High technology industries" includes, but is not limited to, the computer, biological engineering, electronics, and telecommunications industries.

(g) "Resident," unless otherwise defined, means a person whose principal place of residence is within a targeted employment area.

(h) "Targeted employment area" means an area within a city, county, or city and county that is composed solely of those census tracts designated by the United States Department of Housing and Urban Development as having at least 51 percent of its residents of low- or moderate-income levels, using either the most recent United States Department of Census data available at the time of the original enterprise zone application or the most recent census data available at the time the targeted employment area is designated to determine that eligibility. The purpose of a "targeted employment area" is to encourage businesses in an enterprise zone to hire eligible residents of certain geographic areas within a city, county, or city and county. A targeted employment area may be, but is not required to be, the same as all or part of an enterprise zone. A targeted employment area's boundaries need not be contiguous. A targeted employment area does not need to encompass each eligible census tract within a city, county, or city and county. The governing body of each city, county, or city and county that has jurisdiction of the enterprise zone shall identify those census tracts whose residents are in the most need of this employment targeting. Only those census tracts within the jurisdiction of the city, county, or city and county that has jurisdiction of the enterprise zone may be included in a targeted employment area.

At least a part of each eligible census tract within a targeted employment area shall be within the territorial jurisdiction of the city,

county, or city and county that has jurisdiction for an enterprise zone. If an eligible census tract encompasses the territorial jurisdiction of two or more local governmental entities, all of those entities shall be a party to the designation of a targeted employment area. However, any one or more of those entities, by resolution or ordinance, may specify that it shall not participate in the application as an applicant, but shall agree to complete all actions stated within the application that apply to its jurisdiction, if the area is designated.

Each local governmental entity of each city, county, or city and county that has jurisdiction of an enterprise zone shall approve, by resolution or ordinance, the boundaries of its targeted employment area, regardless of whether a census tract within the proposed targeted employment area is outside the jurisdiction of the local governmental entity.

SEC. 73. Section 7076.2 of the Government Code is amended to read:

7076.2. (a) The department shall dedesignate a zone on the first day of the month immediately following the date upon which the department has received from each jurisdiction comprising the zone a resolution, adopted by the governing body of that jurisdiction, requesting the dedesignation of the zone. Upon the dedesignation of a zone pursuant to this subdivision, the department shall initiate an application process for a new designation as provided in Section 7073.

(b) The department shall exclude from a zone that portion of that zone that is located within a jurisdiction on the first day of the month immediately following the date upon which the department receives from that jurisdiction a resolution, adopted by the governing body of that jurisdiction, requesting that exclusion. Any jurisdiction that provides notice to the department pursuant to this subdivision shall concurrently provide a copy of that notice to all other jurisdictions that comprise the affected zone.

(c) Any business, located within any jurisdiction that comprises a zone that has been dedesignated or within a jurisdiction that has excluded itself from a zone, that has elected to avail itself of any state tax incentive specifically applicable to a zone for any taxable or income year beginning prior to the dedesignation of the zone or the exclusion of a jurisdiction comprising the zone may, to the extent the business is still otherwise eligible for those incentives, continue to avail itself of those incentives for a period equal to the remaining life of the zone. However, any business, located within any jurisdiction that comprises a zone that has been dedesignated or within a jurisdiction that has excluded itself from a zone, that has not availed itself of any state tax incentive in the manner described in the preceding sentence may not, after dedesignation of the zone, avail itself of any state incentive specifically applicable to a zone.

(d) For purposes of this section, “dedesignation” is defined as set forth in paragraph (1) of subdivision (d) of Section 7076.1.

SEC. 74. Section 7099 of the Government Code is amended to read:

7099. (a) The Department of Housing and Community Development may approve a proposed expansion of a targeted tax area subject to the following conditions:

(1) The governing body of each city and county in which the targeted tax area is located approves an ordinance or resolution approving the proposed expansion of the area.

(2) The department determines that the proposed additional territory meets the criteria specified in subdivision (a) of Section 7097 to the same extent as the existing territory of the targeted tax area.

(3) The proposed expansion, in combination with any previous expansions of the targeted tax area, does not exceed 15 percent of the size of the area on the date of its original designation.

(4) The expansion area is contiguous to the targeted tax area.

(5) The expansion meets the criteria established in paragraphs (1), (2), and (3) of subdivision (b) of Section 7074.

(b) The department shall respond in writing to any application for a proposed expansion of the targeted tax area within 90 days of the date on which the application is deemed complete.

SEC. 75. Section 7110 of the Government Code is amended to read:

7110. (a) The governing body may, either by ordinance or resolution, propose an eligible area within its respective jurisdiction as the geographic area for a local agency military base recovery area. A county may propose an area within the unincorporated area as the geographic area for a local agency military base recovery area, but shall not propose an area within an incorporated area. A city may propose an area within the incorporated area as the geographic area for a local agency military base recovery area, but may not propose an area within an unincorporated area. A city and county may propose an area within the city and county for designation as a local agency military base recovery area. This proposed geographic area shall be based upon findings by the governing body that the area meets the criteria in Section 7111 and that the designation as a local agency military base recovery area is necessary in order to assist in attracting private sector investment in the area. The governing body shall establish definitive boundaries, not to exceed former base property, for the area to be included in the application for designation and, if designated by the department, the designation shall be binding for the period described in Section 7110.5.

(b) Following the application for designation of a local agency military base recovery area, the governing body shall apply to the department

for designation. The department shall adopt regulations and guidelines concerning the necessary contents of each application for designation.

(c) Any governing body with an eligible area within its jurisdiction may complete a preliminary application.

(d) In designating a local agency military base recovery area, the department shall select from the applications submitted those proposed local agency military base recovery areas which, based on a comparison of those applications, propose the most effective, innovative, and comprehensive regulatory, tax, program, and other incentives to attract private sector investment in the proposed local agency military base recovery area. For purposes of this subdivision, the following terms have the following meanings:

(1) "Regulatory incentives" includes, but is not limited to, the elimination or reduction of fees for applications, permits, and local government facilities and services; and the establishment of a streamlined permit process.

(2) "Tax incentives" includes, but is not limited to, the elimination or reduction of business license taxes and utility user taxes.

(3) "Program" and "other incentives" may include, but are not limited to, the provision or expansion of infrastructure; the targeting of federal block grant moneys, including small cities, education, and health and welfare block grants; the targeting of economic development grants and loan moneys, including grant and loan moneys provided by the federal Urban Development Action Grant program and the federal Economic Development Administration; the targeting of state and federal job disadvantaged and vocational education grant moneys, including moneys provided by the federal Job Partnership Training Act of 1982; the targeting of federal or state transportation grant moneys; and the targeting of federal or state low-income housing and rental assistance moneys.

(e) The department shall also consider the following:

(1) The unemployment rate for the area under the jurisdiction of the local governing body.

(2) The number of civilian and military jobs lost as a result of the base closure when compared to the number of jobs available in the area.

(3) Whether the local agency has a comprehensive economic development plan that is consistent with the reuse plan.

(4) Whether the local agency has a prepared plan for appropriate hazardous waste management facilities as an integral part of the base and shall give extra consideration for any plan that includes provisions for critically needed hazardous waste facilities.

(5) Whether the governing body has resolved, as part of the reuse plan approval, to prepare a program environmental impact report that is

in compliance with the California Environmental Quality Control Act and associated guidelines.

(f) In evaluating applications for designation, the department shall ensure that applications are not disqualified solely because of technical deficiencies and shall provide applicants with an opportunity to correct the deficiencies. Applications shall be disqualified if the deficiencies are not corrected within two weeks. The department shall provide technical assistance to applicants that request it.

SEC. 76. Section 7113.5 of the Government Code is amended to read:

7113.5. When selecting successful applicants for a local agency military base recovery area, the department shall limit the number of local agency military base recovery areas to eight, which shall be awarded by the following criteria, in addition to the criteria set forth in Section 7111:

(a) The department shall designate at least one local agency military base recovery area in each region.

(b) If the department finds that none of the applications in a competition is satisfactory in meeting the selection criteria, the department shall inform all applicants on the deficiencies in their application and shall reopen competition for a period not to exceed six months. Local governing bodies who originally applied may reapply in the new competition.

(c) If, after following the procedures specified in subdivision (b), the department determines that no applications are satisfactory, the department may not designate a local agency military base recovery area.

(d) Eligible bases shall compete for approval of a local agency military base recovery area against other eligible bases. In any event, not less than one area shall be designated from each region.

SEC. 77. Section 8592.4 of the Government Code is amended to read:

8592.4. (a) The committee shall determine which state public safety departments listed in subdivision (b) of Section 8592.1 need new or upgraded communication equipment and shall establish a program for equipment purchase. In establishing this program, the committee shall recommend the purchase of equipment that will enable state agencies to commence conforming to accepted industry standards for interoperability specified in subdivision (a) of Section 8592.5.

(b) This section may not be construed to mandate that a state or local governmental agency affected thereby is required to compromise its immediate mission or ability to function and carry out its existing responsibilities.

SEC. 78. Section 8875.10 of the Government Code is amended to read:

8875.10. (a) Notwithstanding any other provision of law, a city or county may not impose any additional building or site conditions, including, but not limited to, parking or other onsite or offsite requirements, fees, or exactions, on or before the issuance of a building permit that is necessary for the owner of a potentially hazardous building to conduct seismic-related improvements to that building in order for that building to meet the requirements of a mitigation program established pursuant to Section 8875.1 and adopted pursuant to Section 8875.2, if the building or site conditions do not relate to, or further the purpose of, seismic improvements to the building and the improvements comply with applicable building codes and meet or exceed the requirements of state and federal law and regulations that would otherwise apply.

(b) This section shall not apply to any changes in use, design, or other building features that are unrelated to the seismic improvements. This section shall also not apply to a request for other entitlements for the project, including, but not limited to, a general plan amendment, zone change, or approval pursuant to the Subdivision Map Act (Division 2 (commencing with Section 66410) of Title 7.

(c) This section shall remain in effect only until January 1, 2009, and as of that date is repealed, unless a later enacted statute, that is enacted before January 1, 2009, deletes or extends that date.

(3) Employs, procures, or engages any compensated person to solicit, receive, or control funds, assets, or property for charitable purposes.

A commercial fundraiser for charitable purposes shall include any person, association of persons, corporation, or other entity that obtains a majority of its inventory for sale by the purchase, receipt, or control for resale to the general public, of salvageable personal property solicited by an organization qualified to solicit donations pursuant to Section 148.3 of the Welfare and Institutions Code.

A commercial fundraiser for charitable purposes shall not include a "trustee" as defined in Section 12582 or 12583, a "charitable corporation" as defined in Section 12582.1, or any employee thereof. A commercial

fundraiser for charitable purposes shall not include an individual who is employed by or under the control of a commercial fundraiser for charitable purposes registered with the Attorney General. A commercial fundraiser for charitable purposes shall not include any federally insured financial institution that holds as a depository funds received as a result of a solicitation for charitable purposes.

As used in this section, "charitable purposes" includes any solicitation in which the name of any organization of law enforcement personnel, firefighters, or other persons who protect the public safety is used or referred to as an inducement for transferring any funds, assets, or property, unless the only expressed or implied purpose of the solicitation is for the sole benefit of the actual active membership of the organization.

(b) A commercial fundraiser for charitable purposes shall, prior to soliciting any funds, assets, or property, including salvageable personal property, in California for charitable purposes, or prior to receiving and controlling any funds, assets, or property, including salvageable personal property, as a result of a solicitation in this state for charitable purposes, register with the Attorney General's Registry of Charitable Trusts on a registration form provided by the Attorney General. Renewals of registration shall be filed with the Registry of Charitable Trusts by January 15 of each calendar year in which the commercial fundraiser for charitable purposes does business and shall be effective for one year. A registration or renewal fee of two hundred dollars (\$200) shall be required for registration of a commercial fundraiser for charitable purposes, and shall be payable by certified or cashier's check to the Attorney General's Registry of Charitable Trusts at the time of registration or renewal. The Attorney General may adjust the annual registration or renewal fee as needed pursuant to this section. The Attorney General's Registry of Charitable Trusts may grant extensions of time to file annual registration as required, pursuant to subdivision (b) of Section 12586.

(c) A commercial fundraiser for charitable purposes shall file with the Attorney General's Registry of Charitable Trusts an annual financial report on a form provided by the Attorney General, accounting for all funds collected pursuant to any solicitation for charitable purposes during the preceding calendar year. The annual financial report shall be filed with the Attorney General's Registry of Charitable Trusts no later than 30 days after the close of the preceding calendar year.

(d) The contents of the forms for annual registration and annual financial reporting by commercial fundraisers for charitable purposes shall be established by the Attorney General in a manner consistent with the procedures set forth in subdivisions (a) and (b) of Section 12586. The annual financial report shall require a detailed, itemized accounting

of funds, assets, or property, solicited for charitable purposes on behalf of each charitable organization exempt from taxation under Section 501(c)(3) of the Internal Revenue Code or for each charitable purpose during the accounting period, and shall include, among other data, the following information for funds, assets, or property, solicited by the commercial fundraiser for charitable purposes:

(e) A commercial fundraiser for charitable purposes that obtains a majority of its inventory for sale by the purchase, receipt, or control for resale to the general public, of salvageable personal property solicited by an organization qualified to solicit donations pursuant to Section 148.3 of the Welfare and Institutions Code shall file with the Attorney General's Registry of Charitable Trusts, and not with the sheriff of any county, an annual financial report on a form provided by the Attorney General that is separate and distinct from forms filed by other commercial fundraisers for charitable purposes pursuant to subdivisions (c) and (d).

(f) It shall be unlawful for any commercial fundraiser for charitable purposes to solicit funds in this state for charitable purposes unless the commercial fundraiser for charitable purposes has complied with the registration or annual renewal and financial reporting requirements of this article. Failure to comply with these registration or annual renewal and financial reporting requirements shall be grounds for injunction against solicitation in this state for charitable purposes and other civil remedies provided by law.

(g) A commercial fundraiser for charitable purposes is a constructive trustee for charitable purposes as to all funds collected pursuant to solicitation for charitable purposes and shall account to the Attorney General for all funds. A commercial fundraiser for charitable purposes is subject to the Attorney General's supervision and enforcement over charitable funds and assets to the same extent as a trustee for charitable purposes under this article.

(h) Not less than 10 working days prior to the commencement of each solicitation campaign, event, or service, or not later than commencement

of solicitation for solicitations to aid victims of emergency hardship or disasters, a commercial fundraiser for charitable purposes shall file with the Attorney General's Registry of Charitable Trusts a notice on a form prescribed by the Attorney General that sets forth all of the following:

(1) The name, address, and telephone number of the commercial fundraiser for charitable purposes.

(2) The name, address, and telephone number of the charitable organization with whom the commercial fundraiser has contracted.

(3) The fundraising methods to be used.

(4) The projected dates when performance under the contract will commence and terminate.

(5) The name, address, and telephone number of the person responsible for directing and supervising the work of the commercial fundraiser under the contract.

(i) There shall be a written contract between a commercial fundraiser for charitable purposes and a charitable organization for each solicitation campaign, event, or service, that shall be signed by the authorized contracting officer for the commercial fundraiser and by an official of the charitable organization who is authorized to sign by the organization's governing body. The contract shall be available for inspection by the Attorney General and shall contain all of the following provisions:

(1) The legal name and address of the charitable organization as registered with the Registry of Charitable Trusts, unless the charitable organization is exempt from registration.

(2) A statement of the charitable purpose for which the solicitation campaign, event, or service is being conducted.

(3) A statement of the respective obligations of the commercial fundraiser and the charitable organization.

(4) If the commercial fundraiser is to be paid a fixed fee, a statement of the fee to be paid to the commercial fundraiser and a good faith estimate of what percentage the fee will constitute of the total contributions received. The contract shall clearly disclose the assumptions upon which the estimate is based, and the stated assumptions shall be based upon all of the relevant facts known to the commercial fundraiser regarding the solicitation to be conducted by the commercial fundraiser.

(5) If a percentage fee is to be paid to the commercial fundraiser, a statement of the percentage of the total contributions received that will be remitted to or retained by the charitable organization, or, if the solicitation involves the sale of goods or services or the sale of admissions to a fundraising event, the percentage of the purchase price that will be remitted to the charitable organization. The stated percentage shall be calculated by subtracting from contributions received and sales receipts

not only the commercial fundraiser's fee, but also any additional amounts that the charitable organization is obligated to pay as fundraising costs.

(6) The effective and termination dates of the contract and the date solicitation activity is to commence within the state.

(7) A provision that requires that each contribution in the control or custody of the commercial fundraiser shall in its entirety and within five working days of its receipt comply with either of the following:

(A) Be deposited in an account at a bank or other federally insured financial institution that is solely in the name of the charitable organization and over which the charitable organization has sole control of withdrawals.

(B) Be delivered to the charitable organization in person, by United States express mail, or by another method of delivery providing for overnight delivery.

(8) A statement that the charitable organization exercises control and approval over the content and frequency of any solicitation.

(9) If the commercial fundraiser proposes to make any payment in cash or in kind to any person or legal entity to secure any person's attendance at, or sponsorship, approval, or endorsement of, a charity fundraising event, the maximum dollar amount of those payments shall be set forth in the contract. "Charity fundraising event" means any gathering of persons, including, but not limited to, a party, banquet, concert, or show, that is held for the purpose or claimed purpose of raising funds for any charitable purpose or organization.

(10) A provision that the charitable organization has the right to cancel the contract without cost, penalty, or liability for a period of 10 days following the date on which the contract is executed; that the charitable organization may cancel the contract by serving a written notice of cancellation on the commercial fundraiser; that, if mailed, service shall be by certified mail, return receipt requested, and cancellation shall be deemed effective upon the expiration of five calendar days from the date of mailing; that any funds collected after effective notice that the contract has been canceled shall be deemed to be held in trust for the benefit of the charitable organization without deduction for costs or expenses of any nature; and that the charitable organization shall be entitled to recover all funds collected after the date of cancellation.

(11) A provision that, following the initial 10-day cancellation period, the charitable organization may terminate the contract by giving 30 days' written notice; that, if mailed, service of the notice shall be by certified mail, return receipt requested, and shall be deemed effective upon the expiration of five calendar days from the date of mailing; and that, in the event of termination under this subdivision, the charitable

organization shall be liable for services provided by the commercial fundraiser up to 30 days after the effective service of the notice.

(12) A provision that, following the initial 10-day cancellation period, the charitable organization may terminate the contract at any time upon written notice, without payment or compensation of any kind to the commercial fundraiser, if the commercial fundraiser or its agents, employees, or representatives (A) make any material misrepresentations in the course of solicitations or with respect to the charitable organization, (B) are found by the charitable organization to have been convicted of a crime arising from the conduct of a solicitation for a charitable organization or purpose punishable as a misdemeanor or a felony, or (C) otherwise conduct fundraising activities in a manner that causes or could cause public disparagement of the charitable organization's good name or good will.

(13) Any other information required by the regulations of the Attorney General.

(j) It shall be unlawful for a commercial fundraiser for charitable purposes to not disclose the percentage of total fundraising expenses of the fundraiser upon receiving a written or oral request from a person solicited for a contribution for a charitable purpose. "Percentage of total fundraising expenses," as used in this section, means the ratio of the total expenses of the fundraiser to the total revenue received by the fundraiser for the charitable purpose for which funds are being solicited, as reported on the most recent financial report filed with the Attorney General's Registry of Charitable Trusts. A commercial fundraiser shall disclose this information in writing within five working days from receipt of a request by mail or facsimile. A commercial fundraiser shall orally disclose this information immediately upon a request made in person or in a telephone conversation and shall follow this response with a written disclosure within five working days. Failure to comply with the requirements of this subdivision shall be grounds for an injunction against solicitation in this state for charitable purposes and other civil remedies provided by law.

(k) If the Attorney General issues a report to the public containing information obtained from registration forms or financial report forms filed by commercial fundraisers for charitable purposes, there shall be a separate section concerning commercial fundraisers for charitable purposes that obtain a majority of their inventory for sale by the purchase, receipt, or control for resale to the general public, of salvageable personal property solicited by an organization qualified to solicit donations pursuant to Section 148.3 of the Welfare and Institutions Code. The report shall include an explanation of the distinctions between these thrift store operations and other types of commercial fundraising.

(l) No person may act as a commercial fundraiser for charitable purposes if that person, any officer or director of that person's business, any person with a controlling interest in the business, or any person the commercial fundraiser employs, engages, or procures to solicit for compensation, has been convicted by a court of any state or the United States of a crime arising from the conduct of a solicitation for a charitable organization or purpose punishable as a misdemeanor or felony.

(m) A commercial fundraiser for charitable purposes shall not solicit in the state on behalf of a charitable organization unless that charitable organization is registered or is exempt from registration with the Attorney General's Registry of Charitable Trusts.

(n) If any provision of this section or the application thereof to any person or circumstances is held invalid, that invalidity shall not affect any other provision or application of this section that can be given effect without the invalid provision or application, and to this end the provisions of this section are severable.

SEC. 80. Section 12715 of the Government Code is amended to read:

12715. (a) The Controller, acting in consultation with the California Gambling Control Commission, shall divide the County Tribal Casino Account for each county that has gaming devices that are subject to an obligation to make contributions to the Indian Gaming Special Distribution Fund into a separate account for each tribe that operates a casino within the county. These accounts shall be known as Individual Tribal Casino Accounts, and funds may be released from these accounts to make grants selected by an Indian Gaming Local Community Benefit Committee pursuant to the method established by this section to local jurisdictions impacted by tribal casinos. Each Individual Tribal Casino Account shall be funded in proportion to the amount that each individual tribe paid in the prior fiscal year to the Indian Gaming Special Distribution Fund.

(b) (1) There is hereby created in each county in which Indian gaming is conducted an Indian Gaming Local Community Benefit Committee. The selection of all grants from each Individual Tribal Casino Account or County Tribal Casino Account shall be made by each county's Indian Gaming Local Community Benefit Committee. In selecting grants, the Indian Gaming Local Community Benefit Committee shall follow the priorities established in subdivision (g). This committee has the following additional responsibilities:

(A) Establishing all application policies and procedures for grants from the Individual Tribal Casino Account or County Tribal Casino Account.

(B) Assessing the eligibility of applications for grants from local jurisdictions impacted by tribal gaming operations.

(C) Determining the appropriate amount for reimbursement from the aggregate county tribal account of the demonstrated costs incurred by the county for administering the grant programs. The reimbursement for county administrative costs may not exceed 2 percent of the aggregate county tribal account in any given fiscal year.

(2) Except as provided in Section 12715.5, the Indian Gaming Local Community Benefit Committee shall be composed of seven representatives, consisting of the following:

(A) Two representatives from the county, selected by the county board of supervisors.

(B) Three elected representatives from cities located within four miles of a tribal casino in the county, selected by the county board of supervisors. In the event that there are no cities located within four miles of a tribal casino in the county, other local representatives may be selected upon mutual agreement by the county board of supervisors and a majority of the tribes paying into the Indian Gaming Special Distribution Fund in the county. When there are no cities within four miles of a tribal casino in the county, and when the Indian Gaming Local Community Benefit Committee acts on behalf of a county where no tribes pay into the Indian Gaming Special Distribution Fund, other local representatives may be selected upon mutual agreement by the county board of supervisors and a majority of the tribes operating casinos in the county.

(C) Two representatives selected upon the recommendation of a majority of the tribes paying into the Indian Gaming Special Distribution Fund in each county. When an Indian Gaming Local Community Benefit Committee acts on behalf of a county where no tribes pay into the Indian Gaming Special Distribution Fund, the two representatives may be selected upon the recommendation of the tribes operating casinos in the county.

(c) Sixty percent of each individual tribal casino account shall be available for nexus grants on a yearly basis to cities and counties impacted by tribes that are paying into the Indian Gaming Special Distribution Fund, according to the four-part nexus test described in paragraph (1). Grant awards shall be selected by each county's Indian Gaming Local Community Benefit Committee and shall be administered by the county. Grants may be awarded on a multiyear basis, and these multiyear grants shall be accounted for in the grant process for each year.

(1) A nexus test based on the geographical proximity of a local government jurisdiction to an individual Indian land upon which a tribal casino is located shall be used by each county's Indian Gaming Local

Community Benefit Committee to determine the relative priority for grants, using the following criteria:

(A) Whether the local government jurisdiction borders the Indian lands on all sides.

(B) Whether the local government jurisdiction partially borders Indian lands.

(C) Whether the local government jurisdiction maintains a highway, road, or other thoroughfare that is the predominant access route to a casino that is located within four miles.

(D) Whether all or a portion of the local government jurisdiction is located within four miles of a casino.

(2) Fifty percent of the amount specified in subdivision (c) shall be awarded in equal proportions to local government jurisdictions that meet all four of the nexus test criteria in paragraph (1). If no eligible local government jurisdiction satisfies this requirement, the amount specified in this paragraph shall be made available for nexus grants in equal proportions to local government jurisdictions meeting the requirements of paragraph (3) or (4).

(3) Thirty percent of the amount specified in subdivision (c) shall be awarded in equal proportions to local government jurisdictions that meet three of the nexus test criteria in paragraph (1). If no eligible local government jurisdiction satisfies this requirement, the amount specified in this paragraph shall be made available for nexus grants in equal proportions to local government jurisdictions meeting the requirements of paragraph (2) or (4).

(4) Twenty percent of the amount specified in subdivision (c) shall be awarded in equal proportions to local government jurisdictions that meet two of the nexus test criteria in paragraph (1). If no eligible local government jurisdiction satisfies this requirement, the amount specified in this paragraph shall be made available for nexus grants in equal proportions to local government jurisdictions meeting the requirements of paragraph (2) or (3).

(d) Twenty percent of each Individual Tribal Casino Account shall be available for discretionary grants to local jurisdictions impacted by tribes that are paying into the Indian Gaming Special Distribution Fund. These discretionary grants shall be made available to all local jurisdictions in the county irrespective of any nexus to impacts from any particular tribal casino, as described in paragraph (1) of subdivision (c). Grant awards shall be selected by each county's Indian Gaming Local Community Benefit Committee and shall be administered by the county. Grants may be awarded on a multiyear basis, and these multiyear grants shall be accounted for in the grant process for each year.

(e) (1) Twenty percent of each Individual Tribal Casino Account shall be available for discretionary grants to local jurisdictions impacted by tribes that are not paying into the Indian Gaming Special Distribution Fund. These grants shall be made available to local jurisdictions in the county irrespective of any nexus to impacts from any particular tribal casino, as described in paragraph (1) of subdivision (c), and irrespective of whether the impacts presented are from a tribal casino that is not paying into the Indian Gaming Special Distribution Fund. Grant awards shall be selected by each county's Indian Gaming Local Community Benefit Committee and shall be administered by the county. Grants may be awarded on a multiyear basis, and these multiyear grants shall be accounted for in the grant process for each year.

(A) Grants awarded pursuant to this subdivision are limited to addressing service-oriented impacts and providing assistance with one-time large capital projects related to Indian gaming impacts.

(B) Grants shall be subject to the sole sponsorship of the tribe that pays into the Indian Gaming Special Distribution Fund and the recommendations of the Indian Gaming Local Community Benefit Committee for that county.

(2) If an eligible county does not have a tribal casino operated by a tribe that does not pay into the Indian Gaming Special Distribution Fund, the money available for discretionary grants under this subdivision shall be available for distribution pursuant to subdivision (d).

(f) (1) For each county that does not have gaming devices subject to an obligation to make payments to the Indian Gaming Special Distribution Fund, funds may be released from the county's County Tribal Casino Account to make grants selected by the county's Indian Gaming Local Community Benefit Committee pursuant to the method established by this section to local jurisdictions impacted by tribal casinos. These grants shall be made available to local jurisdictions in the county irrespective of any nexus to any particular tribal casino. These grants shall follow the priorities specified in subdivision (g).

(2) Funds not allocated from a county tribal casino account by the end of each fiscal year shall revert back to the Indian Gaming Special Distribution Fund. Moneys allocated for the 2003-04 fiscal year shall be eligible for expenditure through December 31, 2004.

(g) The following uses shall be the priorities for the receipt of grant money from Individual Tribal Casino Accounts: law enforcement, fire services, emergency medical services, environmental impacts, water supplies, waste disposal, behavioral, health, planning and adjacent land uses, public health, roads, recreation and youth programs, and child care programs.

(h) All grants from Individual Tribal Casino Accounts shall be made only upon the affirmative sponsorship of the tribe paying into the Indian Gaming Special Distribution Fund from whose Individual Tribal Casino Account the grant moneys are available for distribution. Tribal sponsorship shall confirm that the grant application has a reasonable relationship to a casino impact and satisfies at least one of the priorities listed in subdivision (g). A grant may not be made for any purpose that would support or fund, directly or indirectly, any effort related to the opposition or challenge to Indian gaming in the state, and, to the extent any awarded grant is utilized for any prohibited purpose by any local government, upon notice given to the county by any tribe from whose Individual Tribal Casino Account the awarded grant went toward that prohibited use, the grant shall terminate immediately and any moneys not yet used shall again be made available for qualified nexus grants.

(i) A local government jurisdiction that is a recipient of a grant from an Individual County Tribal Casino Account or a County Tribal Casino Account shall provide notice to the public, either through a slogan, signage, or other mechanism, stating that the local government project has received funding from the Indian Gaming Special Distribution Fund and further identifying the particular Individual Tribal Casino Account from which the grant derives.

(j) (1) Each county's Indian Gaming Local Community Benefit Committee shall submit to the Controller a list of approved projects for funding from Individual Tribal Casino Accounts. Upon receipt of this list, the Controller shall release the funds directly to the local government entities for which a grant has been approved by the committee.

(2) Funds not allocated from an Individual Tribal Casino Account by the end of each fiscal year shall revert back to the Indian Gaming Special Distribution Fund. Moneys allocated for the 2003-04 fiscal year shall be eligible for expenditure through December 31, 2004.

However, the auditor shall not transfer those moneys to a recipient agency until the Supplemental Law Enforcement Oversight Committee certifies receipt of an approved expenditure plan from the governing board of that agency. The moneys shall be allocated as follows:

(1) Five and fifteen-hundredths percent to the county sheriff for county jail construction and operation. In the case of Madera, Napa, and Santa Clara Counties, this allocation shall be made to the county director or chief of corrections.

(4) Fifty percent to the county or city and county to implement a comprehensive multiagency juvenile justice plan as provided in this paragraph and to the Board of Corrections for administrative purposes. Funding for the Board of Corrections, as determined by the Department of Finance, shall not exceed two hundred seventy-five thousand dollars (\$275,000). For the 2003-04 fiscal year, of the two hundred seventy-five thousand dollars (\$275,000), up to one hundred seventy-six thousand dollars (\$176,000) may be used for juvenile facility inspections. The juvenile justice plan shall be developed by the local juvenile justice coordinating council in each county and city and county with the membership described in Section 749.22 of the Welfare and Institutions Code. If a plan has been previously approved by the Board of Corrections,

the plan shall be reviewed and modified annually by the council. The plan or modified plan shall be approved by the county board of supervisors, and in the case of a city and county, the plan shall also be approved by the mayor. (iii) A local juvenile justice action strategy that provides for a continuum of responses to juvenile crime and delinquency and demonstrates a collaborative and integrated approach for implementing a system of swift, certain, and graduated responses for at-risk youth and juvenile offenders.

(iv) Programs identified in clause (iii) that are proposed to be funded pursuant to this subparagraph, including the projected amount of funding for each program.

(B) Programs proposed to be funded shall satisfy all of the following requirements:

(i) Be based on programs and approaches that have been demonstrated to be effective in reducing delinquency and addressing juvenile crime for any elements of response to juvenile crime and delinquency, including prevention, intervention, suppression, and incapacitation.

(ii) Collaborate and integrate services of all the resources set forth in clause (i) of subparagraph (A), to the extent appropriate.

(iii) Employ information sharing systems to ensure that county actions are fully coordinated, and designed to provide data for measuring the success of juvenile justice programs and strategies.

(iv) Adopt goals related to the outcome measures that shall be used to determine the effectiveness of the local juvenile justice action strategy.

(C) The plan shall also identify the specific objectives of the programs proposed for funding and specified outcome measures to determine the effectiveness of the programs and contain an accounting for all program participants, including those who do not complete the programs. Outcome measures of the programs proposed to be funded shall include, but not be limited to, all of the following:

(i) The rate of juvenile arrests per 100,000 population.
(ii) The rate of successful completion of probation.
(iii) The rate of successful completion of restitution and court-ordered community service responsibilities.

(iv) Arrest, incarceration, and probation violation rates of program participants.

(v) Quantification of the annual per capita costs of the program.

(D) The Board of Corrections shall review plans or modified plans submitted pursuant to this paragraph within 30 days upon receipt of submitted or resubmitted plans or modified plans. The board shall approve only those plans or modified plans that fulfill the requirements of this paragraph, and shall advise a submitting county or city and county immediately upon the approval of its plan or modified plan. The board shall offer, and provide, if requested, technical assistance to any county or city and county that submits a plan or modified plan not in compliance with the requirements of this paragraph. The SLESF shall only allocate funding pursuant to this paragraph upon notification from the board that a plan or modified plan has been approved.

(E) To assess the effectiveness of programs funded pursuant to this paragraph using the program outcome criteria specified in subparagraph (C), the following periodic reports shall be submitted:

(i) Each county or city and county shall report, beginning October 15, 2002, and annually each October 15 thereafter, to the county board of supervisors and the Board of Corrections, in a format specified by the Board of Corrections, on the programs funded pursuant to this chapter and program outcomes as specified in subparagraph (C).

(ii) The Board of Corrections shall compile the local reports and, by March 15, 2003, and annually thereafter, make a report to the Governor and the Legislature on program expenditures within each county and city and county from the appropriation for the purposes of this paragraph, on the outcomes as specified in subparagraph (C) of the programs funded pursuant to this paragraph and the statewide effectiveness of the comprehensive multiagency juvenile justice plans.

(c) Subject to subdivision (d), for each fiscal year in which the county, each city, the Broadmoor Police Protection District, the Bear Valley Community Services District, the Stallion Springs Community Services District, the Lake Shastina Community Services District, and the Kensington Police Protection and Community Services District receive moneys pursuant to paragraph (3) of subdivision (b), the county, each city, and each district specified in this subdivision shall appropriate those moneys in accordance with the following procedures:

(1) In the case of the county, the county board of supervisors shall appropriate existing and anticipated moneys exclusively to provide

frontline law enforcement services, other than those services specified in paragraphs (1) and (2) of subdivision (b), in the unincorporated areas of the county, in response to written requests submitted to the board by the county sheriff and the district attorney. Any request submitted pursuant to this paragraph shall specify the frontline law enforcement needs of the requesting entity, and those personnel, equipment, and programs that are necessary to meet those needs. The board shall, at a public hearing held at a time determined by the board in each year that the Legislature appropriates funds for purposes of this chapter, or within 30 days after a request by a recipient agency for a hearing if the funds have been received by the county from the state prior to that request, consider and determine each submitted request within 60 days of receipt, pursuant to the decision of a majority of a quorum present. The board shall consider these written requests separate and apart from the process applicable to proposed allocations of the county general fund.

(2) In the case of a city, the city council shall appropriate existing and anticipated moneys exclusively to fund frontline municipal police services, in accordance with written requests submitted by the chief of police of that city or the chief administrator of the law enforcement agency that provides police services for that city. These written requests shall be acted upon by the city council in the same manner as specified in paragraph (1) for county appropriations.

(3) In the case of the Broadmoor Police Protection District within the County of San Mateo, the Bear Valley Community Services District or the Stallion Springs Community Services District within Kern County, the Lake Shastina Community Services District within Siskiyou County, or the Kensington Police Protection and Community Services District within Contra Costa County, the legislative body of that special district shall appropriate existing and anticipated moneys exclusively to fund frontline municipal police services, in accordance with written requests submitted by the chief administrator of the law enforcement agency that provides police services for that special district. These written requests shall be acted upon by the legislative body in the same manner specified in paragraph (1) for county appropriations.

(d) For each fiscal year in which the county, a city, or the Broadmoor Police Protection District within the County of San Mateo, the Bear Valley Community Services District or the Stallion Springs Community Services District within Kern County, the Lake Shastina Community Services District within Siskiyou County, or the Kensington Police Protection and Community Services District within Contra Costa County receives any moneys pursuant to this chapter, in no event shall the governing body of any of those recipient agencies subsequently alter any previous, valid appropriation by that body, for that same fiscal year,

of moneys allocated to the county or city pursuant to paragraph (3) of subdivision (b).

(e) Funds received pursuant to subdivision (b) shall be expended or encumbered in accordance with this chapter no later than June 30 of the following fiscal year. A local agency that has not met this requirement shall remit unspent SLESF moneys to the Controller for deposit into the General Fund.

(f) If a county, a city, a city and county, or a qualifying special district does not comply with the requirements of this chapter to receive an SLESF allocation, the Controller shall revert those funds to the General Fund.

SEC. 89. Section 31492.1 of the Government Code is amended to read:

31492.1. (a) Notwithstanding Section 31492, each monthly survivor allowance paid pursuant to subdivision (a) of Section 31492 on account of a member who retires on or after the operative date of this section shall be equal to 55 percent of the retirement pension, if not modified in accordance with the optional survivor allowance in subdivision (c) or (d) of that section.

(b) This section is only applicable to Los Angeles County and is not operative until the board of supervisors of that county elects, by resolution adopted by a majority vote, to make this section operative in the county.

SEC. 90. Section 31725.65 of the Government Code is amended to read:

31725.65. (a) When the board finds, based on medical advice, that a member in county service is incapacitated for the performance of the member's duties, the board shall determine, based upon that medical advice, whether the member may be capable of performing other duties. If the board determines that a member, although incapacitated for the performance of the member's duties, is capable of performing other duties, the board shall notify the appropriate agency in county service of its findings.

(b) When the appropriate agency in county service receives that notification from the board, the agency shall immediately inform the member of any vacant county positions that may be suitable for the member, consistent with his or her disability, and shall consult with the member in an effort to develop a reemployment plan that shall identify what position, if any, in county service would be compatible with the member's aptitudes, interests, and abilities.

(c) Upon approval by the member of the reemployment plan, the appropriate agency in county service shall notify the board that the agency is proceeding to implement the approved reemployment plan.

(d) Upon commencement of service by the member in the position specified in the approved reemployment plan, the member shall not be paid the disability retirement allowance to which the member would otherwise be entitled during the entire period that the member remains in county service. However, if the compensation rate of the position specified in the approved reemployment plan is less than the compensation rate of the position for which the member was incapacitated, the board shall, in lieu of the disability retirement allowance, pay to the member a supplemental disability allowance in an amount equal to the difference between the compensation rate of the position for which the member was incapacitated, applicable on the date of the commencement of service by the member in the position specified in the approved reemployment plan, and the compensation rate of the position specified in the plan, applicable on the same date. The supplemental disability allowance shall be adjusted annually to equal the difference between the current compensation rate of the position for which the member was incapacitated and the current compensation of the position specified in the approved reemployment plan. The supplemental disability allowance payments shall commence upon suspension of the disability retirement allowance and the amount of the payments shall not be greater than the disability retirement allowance to which the member would otherwise be entitled. Supplemental disability allowance payments made pursuant to this section shall be considered as a charge against the county advance reserve for current service, and all of these payments received by a member shall be considered as a part of the member's compensation within the meaning of Section 31460.

(e) From the time that the member is eligible to receive a disability retirement allowance until the appropriate agency is able to provide the position in county service specified in the approved reemployment plan, and the member has commenced service in that position, the disability retirement allowance to which the member is entitled under this article shall be paid. Upon commencement of service by the member in the position specified in the approved reemployment plan, the period during which the member was receiving disability retirement payments shall not be considered as breaking the continuity of the member's service, and the rate of the member's contributions shall continue to be based on the same age at entrance into the retirement system on which the member's rates were based prior to the date of the member's disability. The member's accumulated contributions shall not be reduced as a result of the member receiving the disability retirement payments, but shall be increased by the amount of interest that would have accrued had the member not been retired.

(f) Notwithstanding Section 31560, a member whose principal duties, while serving in the position for which the member was incapacitated, consisted of activities defined in Section 31469.3 shall, upon commencement of service by the member in the position specified in the approved reemployment plan, continue to be considered as satisfying the requirements of Section 31560, notwithstanding the actual duties performed during the entire period that the member remains in county service.

(g) This section shall apply only to members who are incapacitated for the performance of the member's duties on or after January 1, 2004, and who are eligible to retire for service-connected disability.

31755. (a) (1) The Board of Supervisors of Contra Costa County may make this section, Tier Three, applicable to officers and employees for whom it is the governing body, by adopting an ordinance specifying the future operative date of its application.

(2) As used in this section, "Tier One" refers to the retirement plan covering general members not covered by Section 31751.

(3) After the board of supervisors has adopted an ordinance, the governing body of a district not governed by the board of supervisors may make this section applicable as Tier Three to its officers and employees on and after the future operative date it specifies.

(b) Except as otherwise provided in this section, this section shall cover all officers and employees who are members or return to membership in the county's Tier Two retirement system established by Section 31751 on or after the operative date specified in the ordinance adopted pursuant to subdivision (a), and in a district on or after the date of its applicability thereto.

(c) (1) This section shall not cover any employee who is in, or eligible for, Tier One or safety membership under this chapter.

(2) This section shall not cover any person who is a member of the retirement system in the county or district on or after the operative date of its application thereto unless and until the person voluntarily in writing irrevocably elects coverage.

(3) This section shall not be applicable to any eligible member who does not elect coverage, is then laid off or terminates employment, regardless of whether voluntarily or involuntarily, and later returns to membership employment.

(4) This section shall not be applicable to any eligible member who does not elect coverage, then retires or becomes a deferred member, and later returns to active membership.

(5) This section shall not be applicable to any person referred to in subparagraph (D) of paragraph (2) of subdivision (d) who does not elect coverage.

(d) Upon adoption of this section by the board of supervisors, the following provisions shall become applicable:

(1) Subject to the provisions of paragraph (2) of subdivision (d), any qualified individual county or district employee may irrevocably elect coverage under Tier Three.

(2) (A) County or district employees who are members of the county's Tier Two retirement system and who have attained five years' credited service with the county or district on the applicable date of this section, must elect Tier Three coverage in writing within six months after that date.

(B) Persons not subject to subparagraph (A), who thereafter attain five years' credited service in the county's Tier Two retirement system, must elect Tier Three coverage in writing within 90 days after attaining the five years' credited service.

(C) Persons not subject to subparagraph (A) or (B), who, before the Tier Three applicability date, elected deferred retirement under Article 9 (commencing with Section 31700) from the county's Tier Two retirement system, and who had at least five years' credited Tier Two service, and who thereafter while still in deferred status return to active membership, must elect coverage in writing within 90 days after that return.

SEC. 92. Section 31781.2 of the Government Code is amended to read:

31781.2. In lieu of accepting in cash the death benefit payable under Section 31781 or 31781.01, the surviving spouse of a member who dies prior to reaching the minimum retirement age and who at the date of his or her death has 10 or more years of service to his or her credit, shall have the option to leave the amount of the death benefit on deposit in the retirement system until the earliest date when the deceased member could have retired had he or she lived, and at that time receive the retirement allowance provided for in Section 31765, 31765.1, or 31765.11, whichever is applicable.

If, at the death of the spouse, he or she is survived by one or more unmarried children of the member, under the age of 18 years, the retirement allowance shall continue to the child or children, collectively, until every child dies, marries, or attains the age of 18 years. If the spouse dies, either before or after the death of the member, without either making the election or receiving any portion of the death benefit, and no part of the death benefit had been paid to any person, prior to the payment of any benefits, the legally appointed guardian of the children shall make the election herein provided for on behalf of the surviving children as, in his or her judgment, may appear to be in their interest and advantage, and the election so made shall be binding and conclusive upon all parties in interest.

Notwithstanding any other provisions of this section, the benefits otherwise payable to the children of the member shall be paid to those children through the age of 21 years if the children remain unmarried and are regularly enrolled as full-time students in an accredited school as determined by the board.

SEC. 93. Section 31831.2 of the Government Code is amended to read:

31831.2. Any member who left county or district service on or before December 31, 1974, and became a member of a retirement system established under this chapter in another county or of the Public Employees' Retirement System, who did not elect to, or was not eligible to, leave his or her contributions on deposit pursuant to Article 9 (commencing with Section 31700) may now elect to leave his or her

accumulated contributions on deposit pursuant to Article 9 (commencing with Section 31700) by redepositing in the retirement fund of the county or district he or she left the amount of accumulated contributions and interest he or she withdrew from the retirement fund plus regular interest thereon from date of separation.

Any such member whose accumulated contributions are on deposit as provided in this section and any other member who left county or district service on or before December 31, 1974, who became a member of a retirement system established under this chapter in another county or of the Public Employees' Retirement System and who elected to leave his or her accumulated contributions on deposit pursuant to Article 9 (commencing with Section 31700) shall be eligible for the benefits provided in this article, and for purposes of these benefits shall be deemed to have entered membership in the other system within 90 days, or six months if Section 31840.4 applies, of his or her separation from county or district employment. The deferred retirement allowance for the member shall be determined in accordance with the provisions of this chapter applicable to a member retiring directly from county employment on the date of his or her retirement. Any member who qualifies for a reduced age at entry pursuant to this section shall be entitled to use that age only from and after the date he or she completes the redeposit as provided in this section or, if he or she elected to leave his or her accumulated contributions on deposit pursuant to Article 9 (commencing with Section 31700), from and after the date he or she notifies the board in writing that he or she desires the benefits of this section. This section shall not apply to members who are retired or who are not in service of an employer making him or her a member of a retirement system established under this chapter or of the Public Employees' Retirement System.

Unless this chapter expressly provides to the contrary, the retirement allowance received by a member pursuant to this section shall be calculated based upon the laws pertaining to the retirement system of the district or county as of the date of retirement and not the laws pertaining to the system as of the date the member first left county or district service.

This section shall not be applicable to any member entering service after December 31, 1979.

This section shall apply only in a county of the first class, as established by Sections 28020 and 28022, but shall not be operative in a county until adopted by resolution of the board of supervisors.

SEC. 94. Section 31874.6 of the Government Code is amended to read:

31874.6. (a) Notwithstanding any other provision of law, on an annual basis, the board of retirement may, with the approval of the county board of supervisors, grant a cost-of-living adjustment on a prefunded basis to the retirement allowances, optional death allowances, or annual death allowances payable to or on account of eligible members. The action by the board of retirement may specify a date as of which the adjustment shall be effective and, if no effective date is specified, the adjustment shall be made in allowances payable for the time commencing on the first day of the month following the action by the board of retirement or approval by the county board of supervisors, whichever is later.

(b) Before the board of retirement may grant an adjustment pursuant to this section, the total costs of the adjustment shall be determined by a qualified actuary and the board shall determine, with the advice of the actuary, that full funding of the adjustment can be provided from earnings of the retirement fund that are in excess of the total interest credited to contributions and reserves plus 1 percent of the total assets of the retirement fund.

(c) The adjustment provided by this section shall be payable only to those retired members, survivors, beneficiaries, or successors in interest whose accumulated loss of purchasing power equals or exceeds 20 percent as of January 1 of the year the board of retirement takes action pursuant to this section. Loss of purchasing power shall be determined by the board of retirement based on the difference between the following:

(1) The initial retirement allowance, optional death allowance, or annual death allowance as it would have been increased by the cumulative total effect of the annual changes, rounded to the nearest one-half of 1 percent, in the Consumer Price Index for All Urban Consumers for the area in which the county seat is situated.

(2) The retirement allowance, optional death allowance, or annual death allowance as actually increased by cost-of-living adjustments previously granted with respect to the allowance.

(d) A cost-of-living adjustment granted pursuant to this section shall become part of the retirement allowance, optional death allowance, or annual death allowance to be increased by any subsequent cost-of-living adjustments. The granting of an increase pursuant to this section in any particular year does not create any continuing entitlement to additional increases in subsequent years, and does not create any claim by a retired member, survivor, beneficiary, or successor in interest against the county, district, or retirement fund for any increase in any allowance paid or payable prior to the effective date of the action by the board of retirement pursuant to this section.

(e) This section shall only be applicable in a county of the 19th class, as defined by Sections 28020 and 28040, as amended by Chapter 1204 of the Statutes of 1971.

SEC. 95. Section 51283.4 of the Government Code is amended to read:

51283.4. (a) Upon tentative approval of a petition accompanied by a proposal for a specified alternative use of the land, the clerk of the board or council shall record, in the office of the county recorder of the county in which the land is located to which the contract is applicable, a certificate of tentative cancellation. The certificate shall set forth the name of the landowner requesting the cancellation, the fact that a certificate of cancellation of contract will be issued and recorded at the time that specified conditions and contingencies are satisfied, a description of the conditions and contingencies that must be satisfied, and a legal description of the property. Conditions to be satisfied shall include payment in full of the amount of the fee computed under the provisions of Section 51283, together with a statement that unless the fee is paid, or a certificate of cancellation of contract is issued within one year from the date of the recording of the certificate of tentative cancellation, the fee shall be recomputed as of the date the landowner requests a recomputation. A landowner may request a recomputation when he or she believes that he or she will be able to satisfy the conditions and contingencies of the certificate of cancellation within 180 days. The board or council shall request the assessor to recompute the cancellation valuation. The assessor shall recompute the valuation, certify it to the board or council, and provide notice to the Department of Conservation and landowner as provided in subdivision (a) of Section 51283, and the board or council shall certify the fee to the county auditor. Any provisions related to the waiver of the fee or portion of the fee shall be treated in the manner provided for in the certificate of tentative cancellation. Contingencies to be satisfied shall include a requirement that the landowner obtain all permits necessary to commence the project. The board or council may, at the request of the landowner, amend a tentatively approved specified alternative use if it finds that the amendment is consistent with the findings made pursuant to subdivision (a) of Section 51282.

(b) The landowner shall notify the board or council when he or she has satisfied the conditions and contingencies enumerated in the certificate of tentative cancellation. Within 30 days of receipt of the notice, and upon a determination that the conditions and contingencies have been satisfied, the board or council shall execute a certificate of cancellation of contract, cause the certificate to be recorded, and send a copy to the Director of Conservation.

(c) If the landowner has been unable to satisfy the conditions and contingencies enumerated in the certificate of tentative cancellation, the landowner shall notify the board or council of the particular conditions or contingencies he or she is unable to satisfy. Within 30 days of receipt of the notice, and upon a determination that the landowner is unable to satisfy the conditions and contingencies listed, the board or council shall execute a certificate of withdrawal of tentative approval of a cancellation of contract and cause the same to be recorded. However, the landowner shall not be entitled to the refund of any cancellation fee paid.

SEC. 96. Section 53080 of the Government Code is amended to read:

53080. (a) No city, county, city and county, or special district, including, but not limited to, a community services district, recreation and park district, regional park district, regional park and open-space district, regional open-space park district, or resort improvement district shall discriminate against any person on the basis of sex or gender in the operation, conduct, or administration of community youth athletics programs or in the allocation of parks and recreation facilities and resources that support or enable these programs.

(b) The Unruh Civil Rights Act (Section 51 of the Civil Code) has been held to prohibit local governmental agencies from discriminating on the bases proscribed by the act, and Section 11135 also prohibits local governmental agencies that receive financial assistance from the state from discriminating on the basis of gender, among other bases.

(c) As used in this section, “community youth athletics program” means any athletic program in which youth solely or predominantly participate, that is organized for the purposes of training for and engaging in athletic activity and competition, and that is in any way operated, conducted, administered, supported, or enabled by a city, county, city and county, or special district.

(d) As used in this section, “parks and recreation facilities and resources” include, but are not limited to, park facilities, including, but not limited to, athletic fields, athletic courts, gymnasiums, recreational rooms, restrooms, concession stands and storage spaces; lands and areas accessed through permitting, leasing, or other land use arrangements, or otherwise accessed through cities, counties, cities and counties, or special districts; sports and recreation equipment; devices used to promote athletics such as scoreboards, banners, and advertising; and all moneys used in conjunction with youth athletics.

(e) It is the intent of the Legislature in enacting this section that girls shall be accorded opportunities for participation in community youth athletics programs equal, both in quality and scope, to those accorded to boys.

(f) In civil actions brought under this section or under other applicable antidiscrimination laws alleging discrimination in community youth athletics programs, courts shall consider the following factors, among others, in determining whether discrimination exists:

(1) Whether the selection of community youth athletics programs offered effectively accommodate the athletic interests and abilities of members of both genders.

(2) The provision of moneys, equipment, and supplies.

(3) Scheduling of games and practice times.

(4) Opportunity to receive coaching.

(5) Assignment and compensation of coaches.

(6) Access to lands and areas accessed through permitting, leasing, or other land use arrangements, or otherwise accessed through a city, a county, a city and county, or a special district.

(7) Selection of the season for a sport.

(10) Practice and competitive facilities.

(11) Publicity.

(12) Officiation by umpires, referees, or judges who have met training and certification standards.

(g) In making the determination under paragraph (1) of subdivision (f), a court shall assess whether the city, county, city and county, or special district has effectively accommodated the athletic interests and abilities of both genders in any one of the following ways:

(1) The community youth athletics program opportunities for boys and girls are provided in numbers substantially proportionate to their respective numbers in the community.

(2) Where the members of one gender have been, and continue to be, underrepresented in community youth athletics programs, the city, county, city and county, or special district can show a history and continuing practice of program expansion and allocation of resources that are demonstrably responsive to the developing interests and abilities of the members of that gender.

(3) Where the members of one gender are underrepresented in community youth athletics programs, the city, county, city and county, or special district can demonstrate that the interests and abilities of the members of that gender have been fully and effectively accommodated by the present program and allocation of resources.

(h) Effective January 1, 2015, a city, county, city and county, and special district may no longer rely on paragraph (2) of subdivision (g) to show that they have accommodated the athletic interests and abilities of both genders.

(i) Nothing in this section shall be construed to invalidate any existing consent decree or any other settlement agreement entered into by a city, county, city and county, or special district to address gender equity in athletic programs.

(j) This section and any ordinances, regulations, or resolutions adopted pursuant to this section by a city, county, city and county, or special district may be enforced against a city, county, city and county, or special district by a civil action for injunctive relief or damages or both, which shall be independent of any other rights and remedies.

53635. (a) This section shall apply to a local agency that is a county, a city and county, or other local agency that pools money in deposits or investments with other local agencies, including local agencies that have the same governing body. However, Section 53601 shall apply to all local agencies that pool money in deposits or investments exclusively with local agencies that have the same governing body.

(2) No more than 10 percent of the local agency's money that may be invested pursuant to this section may be invested in the outstanding commercial paper of any single issuer.

(3) No more than 10 percent of the outstanding commercial paper of any single issuer may be purchased by the local agency.

(b) Notwithstanding Section 53601, the City of Los Angeles shall be subject to the concentration limits of this section for counties and for cities and counties with regard to the investment of money in eligible commercial paper.

(1) "Military installation" means a base, camp, post, station, yard, center, homeport facility for any ship, or other facility under the jurisdiction of the United States Department of Defense, as defined in paragraph (1) of subsection (e) of Section 2687 of Title 10 of the United States Code.

(2) "Affected local government" means any county or city identified as located wholly or partly within the boundaries of a military installation or as having a sphere of influence over any portion of the installation with responsibility for local zoning and planning decisions.

(b) The Legislature hereby finds and declares all of the following:

(1) Because of the tremendous economic impact that military installations have on the state, it is in the best interest of the state to facilitate their retention.

(2) It is the intent of the Legislature to encourage cooperation among affected local governments in their efforts to retain military installations in this state by authorizing the creation of a joint powers authority pursuant to this section.

(3) The Legislature also encourages affected local governments to engage other community-based organizations in their retention activities.

(c) For the purposes of this article, a local retention authority shall be recognized for each active military installation in this state.

(d) A list of retention authorities or their successors, including, but not limited to, separate airport or port authorities recognized as the local retention authority for the military installations, shall be maintained by the Office of Military and Aerospace Support created pursuant to Section 13998.2. If multiple affected local governments are identified for a military installation as described in paragraph (2) of subdivision (a), those affected counties and cities may, by resolution, designate an existing joint powers authority or establish a joint powers authority for the purposes of this article pursuant to Chapter 5 (commencing with Section 6500) of Division 7 of Title 1.

If prior to January 1, 2004, a local government was awarded grant moneys pursuant to any predecessor to Section 13998.8 for a specific military installation and qualifies as an affected local government as described in paragraph (2) of subdivision (a), the recipient local government shall be recognized by the state as the local retention authority unless resolutions acknowledging a different authority are adopted by all county boards of supervisors and city councils identified as described in paragraph (2) of subdivision (a), and are forwarded to the Office of Military and Aerospace Support.

(f) If the necessary resolutions are not adopted within the time limit specified in subdivision (e), the Office of Military and Aerospace Support shall recognize a local retention authority for each military installation.

SEC. 103. Section 65460.1 of the Government Code is amended to read:

65460.1. (a) The Legislature hereby finds and declares all of the following:

(1) Federal, state, and local governments in California are investing in new and expanded transit systems in areas throughout the state, including Los Angeles County, the San Francisco Bay area, San Diego County, Santa Clara County, and Sacramento County.

(2) This public investment in transit is unrivaled in the state's history and represents well over ten billion dollars (\$10,000,000,000) in planned investment alone.

(3) Recent studies of transit ridership in California indicate that persons who live within a quarter-mile radius of transit stations utilize the transit system in far greater numbers than does the general public living elsewhere.

(4) The use of transit by persons living near transit stations is particularly important given the decline of transit ridership in California between 1980 and 1990. Transit's share of commute trips dropped in all California metropolitan areas—greater Los Angeles: 5.4 percent to 4.8 percent; San Francisco Bay area: 11.9 percent to 10.0 percent; San Diego: 3.7 percent to 3.6 percent; Sacramento: 3.7 percent to 2.5 percent.

(5) Only a few transit stations in California have any concentration of housing proximate to the station.

(6) Interest in clustering housing and commercial development around transit stations, called transit villages, has gained momentum in recent years.

(b) For purposes of this article, the following definitions shall apply:

(1) "Bus hub" means an intersection of three or more bus routes, with a minimum route headway of 10 minutes during peak hours.

(2) "District" means a transit village development district as defined in Section 65460.4.

(3) "Peak hours" means the time between 7 a.m. to 10 a.m., inclusive, and 3 p.m. to 7 p.m., inclusive, Monday through Friday.

(4) "Transit station" means a rail or light-rail station, ferry terminal, bus hub, or bus transfer station.

SEC. 104. Section 66907.7 of the Government Code is amended to read:

66907.7. (a) The conservancy may award grants to local public agencies, state agencies, federal agencies, federally recognized Indian tribes, the Tahoe Transportation District established under Section 66801, and nonprofit organizations, for the purposes of this title.

(b) Grants to nonprofit organizations for the acquisition of real property or interests therein shall be subject to all of the following conditions:

(1) The purchase price of any interest in land acquired by the nonprofit organization may not exceed fair market value as established by an appraisal approved by the conservancy.

(2) The conservancy approves the terms under which the interest in land is acquired.

(3) The interest in land acquired pursuant to a grant from the conservancy may not be used as security for any debt to be incurred by the nonprofit organization unless the conservancy approves the transaction.

(4) The transfer of land acquired pursuant to a grant shall be subject to the approval of the conservancy and the execution of an agreement between the conservancy and the transferee sufficient to protect the interest of the people of California.

(5) The state shall have a right of entry and power of termination in and over all interests in real property acquired with state funds, which may be exercised if any essential term or condition of the grant is violated.

(6) If the existence of the nonprofit organization is terminated for any reason, title to all interest in real property acquired with state funds shall immediately vest in the state, except that, prior to that termination, another public agency or nonprofit organization may receive title to all or a portion of that interest in real property, by recording its acceptance of title, together with the conservancy's approval, in writing.

(d) The relocation by a local public agency of a water- or sewer-related infrastructure owned by a publicly owned utility shall be considered an eligible expense by the conservancy for the purpose of awarding soil erosion grant funds, if that relocation is intended to control or reduce soil erosion caused by the infrastructure to be relocated. A local public agency is eligible to receive grant funds for up to two-thirds of the cost

of relocating the water- or sewer-related infrastructure, provided the relocation cost is not eligible for any other public funding.

SEC. 105. Section 68085 of the Government Code is amended to read:

68085. (a) (1) There is hereby established the Trial Court Trust Fund, the proceeds of which shall be apportioned at least quarterly for the purpose of funding trial court operations, as defined in Section 77003. Apportionment payments may not exceed 30 percent of the total annual apportionment to the Trial Court Trust Fund for state trial court funding in any 90-day period.

(2) The apportionment payments shall be made by the Controller. The final payment from the Trial Court Trust Fund for each fiscal year shall be made on or before August 31 of the subsequent fiscal year.

(3) If apportionment payments are made on a quarterly basis, the payments shall be on July 15, October 15, January 15, and April 15. In addition to quarterly payments, a final payment from the Trial Court Trust Fund for each fiscal year may be made on or before August 31 of the subsequent fiscal year.

(4) Notwithstanding any other provision of law, in order to promote statewide efficiency, the Judicial Council may authorize the direct payment or reimbursement or both of actual costs from the Trial Court Trust Fund or the Trial Court Improvement Fund to fund administrative infrastructure within the Administrative Office of the Courts, such as legal services, financial services, information systems services, human resource services, and support services, for one or more participating courts upon appropriation of funding for these purposes in the annual Budget Act. The amount of appropriations from the Trial Court Improvement Fund under this subdivision may not exceed 20 percent of the amount deposited in the Trial Court Improvement Fund pursuant to subdivision (a) of Section 77205. Upon prior written approval of the Director of Finance, the Judicial Council may also authorize an increase in any reimbursements or direct payments in excess of the amount appropriated in the annual Budget Act. For any increases in reimbursements or direct payments within the fiscal year that exceed two hundred thousand dollars (\$200,000), the Director of Finance shall provide notification in writing of any approval granted under this section, not less than 30 days prior to the effective date of that approval, to the chairperson of the committee in each house of the Legislature that considers appropriations, the chairpersons of the committees and the appropriate subcommittees in each house of the Legislature that consider the annual Budget Act, and the Chairperson of the Joint Legislative Budget Committee, or not sooner than whatever lesser time the Chairperson of the Joint Legislative Budget Committee, or his or her

designee, may in each instance determine. The direct payment or reimbursement of costs from the Trial Court Trust Fund may be supported by the reduction of a participating court's allocation from the Trial Court Trust Fund to the extent that the court's expenditures for the program are reduced and the court is supported by the program. The Judicial Council shall provide the affected trial courts with quarterly reports on expenditures from the Trial Court Trust Fund incurred as authorized by this subdivision. The Judicial Council shall establish procedures to provide for the administration of this paragraph in a way that promotes the effective, efficient, reliable, and accountable operation of the trial courts.

(b) Notwithstanding any other provision of law, the fees listed in subdivision (c) shall all be deposited upon collection in a special account in the county treasury, and transmitted monthly to the Controller for deposit in the Trial Court Trust Fund.

(c) (1) Except as specified in subdivision (d), this section applies to all fees collected pursuant to Sections 116.230, 403.060, and 631.3 of the Code of Civil Procedure and Sections 26820.4, 26823, 26826, 26826.01, 26827, 26827.4, 26830, 26832.1, 26833.1, 26835.1, 26836.1, 26837.1, 26838, 26850.1, 26851.1, 26852.1, 26853.1, 26855.4, 26862, 27081.5, 68086, 72055, 72056, 72056.01, and 72060.

(2) If any of the fees provided for in this subdivision is partially waived by court order, and the fee is to be divided between the Trial Court Trust Fund and any other fund, the amount of the partial waiver shall be deducted from the amount to be distributed to each fund in the same proportion as the amount of each distribution bears to the total amount of the fee.

(3) Any amounts transmitted by a county to the Controller for deposit into the Trial Court Trust Fund from fees collected pursuant to Section 27361 between January 1, 1998, and the effective date of this paragraph shall be credited against the total amount the county is required to pay to the state pursuant to paragraph (2) of subdivision (b) of Section 77201 for the 1997–98 fiscal year.

(d) This section does not apply to that portion of a filing fee collected pursuant to Section 26820.4, 26826, 26827, 72055, or 72056 which is allocated for dispute resolution pursuant to Section 470.3 of the Business and Professions Code, the county law library pursuant to Section 6320 of the Business and Professions Code, the Judges' Retirement Fund pursuant to Section 26822.3, automated recordkeeping or conversion to micrographics pursuant to Sections 26863 and 68090.7, and courthouse financing pursuant to Section 76238. This section also does not apply to fees collected pursuant to subdivisions (a) and (c) of Section 27361.

(e) This section applies to all payments required to be made to the State Treasury by any county or city and county pursuant to Section 77201, 77201.1, or 77205.

(f) Notwithstanding any other provision of law, no agency may take action to change the amounts allocated to any of the funds described in subdivision (a), (b), (c), or (d).

(g) Before making any apportionments under this section, the Controller shall deduct, from the annual appropriation for that purpose, the actual administrative costs that will be incurred under this section. Costs reimbursed under this section shall be determined on an annual basis in consultation with the Judicial Council.

(h) Any amounts required to be transmitted by a county, or city and county, to the state pursuant to this section shall be remitted to the Controller no later than 45 days after the end of the month in which the fees were collected. This remittance shall be accompanied by a remittance advice identifying the collection month and the appropriate account in the Trial Court Trust Fund to which it is to be deposited. Any remittance that is not made by the county or city and county in accordance with this section shall be considered delinquent, and subject to the penalties specified in this section.

(i) Upon receipt of any delinquent payment required pursuant to this section, the Controller shall calculate a penalty on any delinquent payment by multiplying the amount of the delinquent payment at a daily rate equivalent to 1½ percent per month for the number of days the payment is delinquent. Notwithstanding Section 77009, any penalty on a delinquent payment that a court is required to reimburse to a county's general fund pursuant to this section and Section 24353 shall be paid from the Trial Court Operations Fund for that court.

(j) Penalty amounts calculated pursuant to subdivision (i) shall be paid by the county to the Trial Court Trust Fund no later than 45 days after the end of the month in which the penalty was calculated.

(k) The Trial Court Trust Fund shall be invested in the Surplus Money Investment Fund and all interest earned shall be allocated to the Trial Court Trust Fund semiannually and shall be allocated among the courts in accordance with the requirements of subdivision (a). The specific allocations shall be specified by the Judicial Council.

(l) It is the intent of the Legislature that the revenues required to be deposited into the Trial Court Trust Fund be remitted as soon after collection by the courts as possible.

SEC. 106. Section 68115 of the Government Code is amended to read:

68115. When war, insurrection, pestilence, or other public calamity, or the danger thereof, or the destruction of or danger to the building

appointed for holding the court, renders it necessary, or when a large influx of criminal cases resulting from a large number of arrests within a short period of time threatens the orderly operation of a superior court location or locations within a county, the presiding judge may request and the Chairperson of the Judicial Council may, notwithstanding any other provision of law, by order authorize the court to do one or more of the following:

- (a) Hold sessions anywhere within the county.

No transfer may be made pursuant to this subdivision except with the consent of all parties to the case or upon a showing by a party that extreme or undue hardship would result unless the case is transferred for trial. Any civil case so transferred shall be integrated into the existing caseload of the court to which it is transferred pursuant to rules to be provided by the Judicial Council.
- (c) Declare that a date or dates on which an emergency condition, as described in this section, substantially interfered with the public's ability to file papers in a court facility or facilities be deemed a holiday for purposes of computing the time for filing papers with the court under Sections 12 and 12a of the Code of Civil Procedure. This subdivision shall apply to the fewest days necessary under the circumstances of the emergency, as determined by the Chairperson of the Judicial Council.
- (e) Extend the duration of any temporary restraining order that would otherwise expire because an emergency condition, as described in this section, prevented the court from conducting proceedings to determine whether a permanent order should be entered. The extension shall be for the fewest days necessary under the circumstances of the emergency, as determined by the Chairperson of the Judicial Council.
- (f) Within the affected county during a state of emergency resulting from a natural or human-made disaster proclaimed by the President of the United States or by the Governor pursuant to Section 8625 of the Government Code, extend the time period provided in Section 825 of the Penal Code within which a defendant charged with a felony offense shall be taken before a magistrate from 48 hours to not more than seven days, with the number of days to be designated by the Chairperson of

the Judicial Council. This authorization shall be effective for 30 days unless it is extended by a new request and a new order.

(g) Extend the time period provided in Section 859b of the Penal Code for the holding of a preliminary examination from 10 court days to not more than 15 days.

(h) Extend the time period provided in Section 1382 of the Penal Code within which the trial must be held by not more than 30 days, but the trial of a defendant in custody whose time is so extended shall be given precedence over all other cases.

(i) Within the affected area of a county during a state of emergency resulting from a natural or human-made disaster proclaimed by the President of the United States or by the Governor pursuant to Section 8625 of the Government Code, extend the time period provided in Sections 313, 315, 632, and 637 of the Welfare and Institutions Code within which a minor shall be given a detention hearing, with the number of days to be designated by the Chairperson of the Judicial Council. The extension of time shall be for the shortest period of time necessary under the circumstances of the emergency, but in no event shall the time period within which a detention hearing must be given be extended to more than seven days. This authorization shall be effective for 30 days unless it is extended by a new request and a new order. This subdivision shall apply only where the minor has been charged with a felony.

SEC. 107. Section 68927 of the Government Code is amended to read:

68927. The fee for filing a petition for review in a civil case in the Supreme Court after a decision in a court of appeal is four hundred twenty dollars (\$420). A fee may not be charged for petitions for review from decisions in juvenile cases or proceedings to declare a minor free from parental custody or control or proceedings under the Lanterman-Petris-Short Act (Part 1 (commencing with Section 5000) of Division 5 of the Welfare and Institutions Code).

SEC. 108. Section 69927 of the Government Code is amended to read:

69927. (a) It is the intent of the Legislature in enacting this section to develop a definition of the court security component of court operations that modifies Function 8 of Rule 810 of the California Rules of Court in a manner that will standardize billing and accounting practices and court security plans, and identify allowable law enforcement security costs after the operative date of this article. It is not the intent of the Legislature to increase or decrease the responsibility of a county for the cost of court operations, as defined in Section 77003 or Rule 810 of the California Rules of Court, as it read on July 1, 1996, for court security services provided prior to January 1, 2003. It is the intent of the Legislature that a sheriff's or marshal's court law enforcement budget not be reduced as a result of this article. Any new court security costs permitted by this article shall not be operative unless the funding is provided by the Legislature.

(1) The Judicial Council shall adopt a rule establishing a working group on court security. The group shall consist of six representatives from the judicial branch of government, as selected by the Administrative Director of the Courts, two representatives of the counties, as selected by the California State Association of Counties, and three representatives of the county sheriffs, as selected by the California State Sheriffs' Association. It is the intent of the Legislature that this working group may recommend modifications only to the template used to determine that the security costs submitted by the courts to the Administrative Office of the Courts are permitted pursuant to this article. The template shall be a part of the trial court's financial policies and procedures manual and used in place of the definition of law enforcement costs in Function 8 of Rule 810 of the California Rules of Court. If the working group determines that there is a need to make recommendations to the template that specifically involve law enforcement or security personnel in courtrooms or court detention facilities, the membership of the working group shall change and consist of six representatives from the judicial branch of government selected by the Administrative Director of the Courts, two representatives of the counties selected by the California State Association of Counties, two representatives of the county sheriffs selected by the California State Sheriffs' Association, and two representatives of labor selected by the California Coalition of Law Enforcement Associations.

(2) The Judicial Council shall establish a working group on court security to promulgate recommended uniform standards and guidelines that may be used by the Judicial Council and any sheriff or marshal for the implementation of trial court security services. The working group shall consist of representatives from the judicial branch of government, the California State Sheriffs' Association, the California State Association

of Counties, the Peace Officer's Research Association of California, and the California Coalition of Law Enforcement Associations, for the purpose of developing guidelines. The Judicial Council, after requesting and receiving recommendations from the working group on court security, shall promulgate and implement rules, standards, and policy directions for the trial courts in order to achieve efficiencies that will reduce security operating costs and constrain growth in those costs.

(3) When mutually agreed to by the courts, county, and the sheriff or marshal in any county, the costs of perimeter security in any building that the court shares with any county agency, excluding the sheriff's or marshal's department, shall be apportioned based on the amount of the total noncommon square feet of space occupied by the court and any county agency.

(4) "Allowable costs for equipment, services, and supplies," as defined in the contract law enforcement template, means the purchase and maintenance of security screening equipment and the costs of ammunition, batons, bulletproof vests, handcuffs, holsters, leather gear, chemical spray and holders, radios, radio chargers and holders, uniforms, and one primary duty sidearm.

(5) "Allowable costs for professional support staff for court security operations," as defined in the contract law enforcement template, means the salary, benefits, and overtime of staff performing support functions that, at a minimum, provide payroll, human resources, information systems, accounting, or budgeting.

Allowable costs for professional support staff for court security operations in each trial court shall not exceed 6 percent of total allowable costs for law enforcement security personnel services in courts with total allowable costs for law enforcement security personnel services less than ten million dollars (\$10,000,000) per year. Allowable costs for professional support staff for court security operations for each trial court shall not exceed 4 percent of total allowable costs for law enforcement security personnel services in courts with total allowable costs for law enforcement security personnel services exceeding ten million dollars (\$10,000,000) per year. Additional costs for services related to court-mandated special project support, beyond those provided for in the contract law enforcement template, are allowable only when negotiated by the trial court and the court law enforcement provider. Allowable costs shall not exceed actual costs of providing support staff services for law enforcement security personnel services.

The working group established pursuant to paragraph (1) of subdivision (a) may periodically recommend changes to the limit for allowable costs for professional support staff for court security operations based on surveys of actual expenditures incurred by trial courts and the court law

enforcement provider in the provision of law enforcement security personnel services. Limits for allowable costs as stated in this section shall remain in effect until changes are recommended by the working group and adopted by the Judicial Council.

(6) "Allowable costs for security personnel services," as defined in the contract law enforcement template, means the salary and benefits of an employee, including, but not limited to, county health and welfare, county incentive payments, deferred compensation plan costs, FICA or Medicare, general liability premium costs, leave balance payout commensurate with an employee's time in court security services as a proportion of total service credit earned after January 1, 1998, premium pay, retirement, state disability insurance, unemployment insurance costs, workers' compensation paid to an employee in lieu of salary, workers' compensation premiums of supervisory security personnel through the rank of captain, line personnel, inclusive of deputies, court attendants, contractual law enforcement services, prisoner escorts within the courts, and weapons screening personnel, court required training, and overtime and related benefits of law enforcement supervisory and line personnel.

(A) The Administrative Office of the Courts shall use the actual salary and benefits costs approved for court law enforcement personnel as of June 30 of each year in determining the funding request that will be presented to the Department of Finance.

(B) Courts and court security providers shall manage their resources to minimize the use of overtime.

(7) "Allowable costs for vehicle use for court security needs," as defined in the contract law enforcement template, means the per-mile recovery cost for vehicles used in rendering court law enforcement services, exclusive of prisoner or detainee transport to or from court. The standard mileage rate applied against the miles driven for the above shall be the standard reimbursable mileage rate in effect for judicial officers and employees at the time of contract development.

(b) Nothing in this article may increase a county's obligation or require any county to assume the responsibility for a cost of any service that was defined as a court operation cost, as defined by Function 8 of Rule 810 of the California Rules of Court, as it read on July 1, 1996, or that meets the definition of any new law enforcement component developed pursuant to this article.

SEC. 109. Section 70367 of the Government Code is amended to read:

70367. (a) Within 30 days after the Administrative Director of the Courts has mailed to the county, pursuant to subdivision (d) of Section 70363, the approved county facilities payment, the Administrative

Director of the Courts may submit a declaration to the Court Facilities Dispute Resolution Committee, with copies mailed to the other parties, that the amount is incorrect because the county failed to report court facilities expenses paid by the county which reduced the amount of the approved county facilities payment.

(b) The county shall mail its comments to the Court Facilities Dispute Resolution Committee on the administrative director's declaration within 30 days of the mailing of the administrative director's declaration, with copies mailed to the other parties.

(c) Within 90 days of receipt of comments pursuant to subdivision (b), the Court Facilities Dispute Resolution Committee shall review the declarations and comments received, and make its recommendation to the Director of Finance concerning correction of any errors and, if necessary, an adjustment of the amount of the county facilities payment. The Court Facilities Dispute Resolution Committee shall mail a copy of its recommendation to all the parties.

(d) The Director of Finance or his or her designee shall review the recommendations of the Court Facilities Dispute Resolution Committee and make his or her determination concerning any correction of errors and, if necessary, an adjustment of the amount of the county facilities payment. The director shall serve a copy of his or her determination on all the parties.

SEC. 110. Section 71622 of the Government Code is amended to read:

71622. (a) Each trial court may establish and may appoint any subordinate judicial officers that are deemed necessary for the performance of subordinate judicial duties, as authorized by law to be performed by subordinate judicial officers. However, the number and type of subordinate judicial officers in a trial court shall be subject to approval by the Judicial Council. Subordinate judicial officers shall serve at the pleasure of the trial court.

(b) The appointment or termination of a subordinate judicial officer shall be made by order of the presiding judge or another judge or a committee to whom appointment or termination authority is delegated by the court, and shall be entered in the minutes of the court.

(c) The Judicial Council shall promulgate rules establishing the minimum qualifications and training requirements for subordinate judicial officers.

(d) The presiding judge of a superior court may cross-assign one type of subordinate judicial officer to exercise all the powers and perform all the duties authorized by law to be performed by another type of subordinate judicial officer, but only if the person cross-assigned satisfies the minimum qualifications and training requirements for the new

assignment established by the Judicial Council pursuant to subdivision (c).

(e) The superior courts of two or more counties may appoint the same person as court commissioner.

(f) As of the implementation date of this chapter, all persons who were authorized to serve as subordinate judicial officers pursuant to other provisions of law shall be authorized by this section to serve as subordinate judicial officers at their existing salary rate, which may be a percentage of the salary of a judicial officer.

(g) A subordinate judicial officer who has been duly appointed and has thereafter retired from service may be assigned by a presiding judge to perform subordinate judicial duties consistent with subdivision (a). The retired subordinate judicial officer shall be subject to the limits, if any, on postretirement service prescribed by the Public Employees' Retirement System, the county defined-benefit retirement system, as defined in subdivision (f) of Section 71624, or any other defined-benefit retirement plan from which the retired officer is receiving benefits. The retired subordinate judicial officer shall be compensated by the assigning court at a rate not to exceed 85 percent of the compensation of a retired judge assigned to a superior court.

(1) The prepaid health plan is constituted and operating lawfully under the laws of Mexico and, if required by Mexican law, is authorized as an Insurance Institution Specializing in Health by the Mexican Insurance Commission. If the Mexican Insurance Commission determines that the prepaid health plan is not required to be authorized as an Insurance Institution Specializing in Health under the laws of Mexico, the applicant shall obtain written verification from the Mexican Insurance Commission stating that the applicant is not required to be authorized as an Insurance Institution Specializing in Health in Mexico. A Mexican prepaid health plan not required to be an Insurance Institution Specializing in Health shall obtain written verification from the Mexican Ministry of Health that the prepaid health plan and its provider network are operating in full compliance with Mexican law.

(2) The prepaid health plan offers and sells in this state only employer-sponsored group plan contracts exclusively for the benefit of citizens of Mexico legally employed in this state, and for the benefit of their dependents regardless of nationality, that pay for, reimburse the cost of, or arrange for the provision or delivery of health care services that are to be provided or delivered wholly in Mexico, except for the provision or delivery of those health care services set forth in paragraph (4).

(3) Solicitation of plan contracts in this state is made only through insurance brokers and agents licensed in this state or a third-party administrator licensed in this state, each of whom is authorized to offer and sell plan group contracts.

(4) Group contracts provide, through a contract of insurance between the prepaid health plan and an insurer admitted in this state, for the reimbursement of emergency and urgent care services provided out of area as required by subdivision (h) of Section 1345.

(5) All advertising, solicitation material, disclosure statements, evidences of coverage, and contracts are in compliance with the appropriate provisions of this chapter and the rules or orders of the director. The director shall require that each of these documents contain a legend in 10-point type, in both English and Spanish, declaring that the health care service plan contract provided by the prepaid health plan may be limited as to benefits, rights, and remedies under state and federal law.

(6) All funds received by the prepaid health plan from a subscriber are deposited in an account of a bank organized under the laws of this state or in an account of a national bank located in this state.

(7) The prepaid health plan maintains a tangible net equity as required by this chapter and the rules of the director, as calculated under United States generally accepted accounting principles, in the amount of at least one million dollars (\$1,000,000). In lieu of an amount in excess of the minimum tangible net equity of one million dollars (\$1,000,000), the prepaid health plan may demonstrate a reasonable, acceptable alternative reimbursement arrangement that the director may in his or her discretion accept. The prepaid health plan shall also maintain a fidelity bond and a surety bond as required by Section 1376 and the rules of the director.

(8) The prepaid health plan agrees to make all of its books and records, including the books and records of health care providers in Mexico, available to the director in the form and at the time and place requested by the director. Books and records shall be made available to the director no later than 24 hours from the date of the request.

(9) The prepaid health plan files a consent to service of process with the director and agrees to be subject to the laws of this state and the United States in any investigation, examination, dispute, or other matter arising from the advertising, solicitation, or offer and sale of a plan contract, or the management or provision of health care services in this state or throughout the United States. The prepaid health plan shall agree to notify the director, immediately and in no case later than one business day, if it is subject to any investigation, examination, or administrative or legal action relating to the prepaid health plan or the operations of the prepaid health plan initiated by the government of Mexico or the government of any state of Mexico against the prepaid health plan or any officer, director, security holder, or contractor owning 10 percent or more of the securities of the prepaid health plan. The prepaid health plan shall agree that in the event of conflict of laws in any action arising out of the license, the laws of California and the United States shall apply.

(10) The prepaid health plan agrees that disputes arising from the group contracts involving group contractholders and providers of health care services in the United States shall be subject to the jurisdiction of the courts of this state and the United States.

(b) The prepaid health plan shall pay the application processing fee and other fees and assessments set forth in Section 1356. The director, by order, may designate provisions of this chapter and rules adopted thereunder that need not be applied to a prepaid health plan licensed under the laws of Mexico when consistent with the intent and purpose of this chapter, and in the public interest.

(c) If the plan ceases to operate legally in Mexico, the director shall immediately deliver written notice to the health care service plan that it is not in compliance with the provisions of this section. If this occurs, a health care service plan shall do all of the following:

(1) Provide the director with written proof that the prepaid health plan has complied with the laws of Mexico not later than 45 days after the date the written notice is received by the health care service plan.

(2) If, by the 45th day, the health care service plan is unable to provide written confirmation that it is in full compliance with Mexican law, the director shall notify the health care service plan in writing that it is prohibited from accepting any new enrollees or subscribers. The health care service plan shall be given an additional 180 days to comply with Mexican law or to become a licensed health care service plan.

(3) If, at the end of the 180-day notice period in paragraph (2), the health care service plan has not complied with the laws of Mexico or California, the director shall issue an order that the health care service plan cease and desist operations in California.

(d) This section shall become operative on January 1, 2008.

In filing this action, which shall be based upon an arrest report or on another action or report by a regulatory or law enforcement agency, the city prosecutor or city attorney shall utilize the procedures set forth in Chapter 4 (commencing with Section 1159) of Title 3 of Part 3 of the Code of Civil Procedure, except that in cases filed under this section, the following also shall apply:

(B) This notice shall include sufficient documentation establishing a violation of the nuisance or illegal purpose provisions of subdivision 4 of Section 1161 of the Code of Civil Procedure and shall be served upon the owner and the tenant in accordance with subdivision (e) of this section.

(C) The notice to the tenant shall also include on the bottom of its front page, in at least 14-point bold type, the following:

“Notice to Tenant: This notice is not a notice of eviction. However, you should know that an eviction action may soon be filed in court against you for suspected drug activity, as described above. provide a written explanation setting forth any safety-related reasons for noncompliance, and an assignment to the city prosecutor or city attorney of the right to bring an unlawful detainer action against the tenant.

(E) The assignment shall be on a form provided by the city prosecutor or city attorney and may contain a provision for costs of investigation, discovery, and reasonable attorney's fees, in an amount not to exceed six hundred dollars (\$600).

(F) If the city prosecutor or city attorney accepts the assignment of the right of the owner to bring the unlawful detainer action, the owner shall retain all other rights and duties, including the handling of the tenant's personal property, following issuance of the writ of possession and its delivery to and execution by the appropriate agency.

(2) Upon the failure of the owner to file an action pursuant to this section, or to respond to the city prosecutor or city attorney as provided in paragraph (1), or having filed an action, if the owner fails to prosecute it diligently and in good faith, the city prosecutor or city attorney may file and prosecute the action, and join the owner as a defendant in the action. This action shall have precedence over any similar proceeding thereafter brought by the owner, or to one previously brought by the owner and not prosecuted diligently and in good faith. Persons removed pursuant to this section

may be permanently barred from returning to or reentering any portion of the entire premises. The court may further order as an express condition of the tenancy that the remaining tenants shall not give permission to or invite any person who has been removed pursuant to this subdivision to return to or reenter any portion of the entire premises.

Sec. 9601(35)(B)(ii)) are adopted and take effect, "all appropriate inquiries" means compliance with those standards, except that any portion of the inquiry that includes the practice of engineering or the practice of geology shall be carried out in conformance with applicable state statutes.

(c) If the property is used solely for residential use and has four or fewer units at the time of acquisition by a nongovernmental or noncommercial entity, "all appropriate inquiries" means that a site inspection and title search does not reveal a basis for further investigation.

SEC. 122. Section 25395.67 of the Health and Safety Code is amended to read:

25395.67. "Appropriate care" means either of the following:

(a) The performance of a response action, with respect to hazardous materials found at a site, for which the agency makes the determination specified in paragraph (1) of subdivision (c) of Section 25395.96 and that meets all of the following conditions:

(1) The response action is determined by an agency to be necessary to prevent an unreasonable risk to human health and safety or the environment, as defined in Section 25395.90.

(2) The response action is performed in accordance with a response plan approved by the agency pursuant to Article 6 (commencing with Section 25395.90).

(3) The approved response plan includes a provision for oversight and approval of the completed response action by the agency pursuant to Article 6 (commencing with Section 25395.90).

(b) A determination that no further action is required pursuant to Section 25395.95.

SEC. 123. Section 25395.93 of the Health and Safety Code is amended to read:

25395.93. (a) A person may withdraw from an agreement entered into pursuant to this article by providing a 30-day written notice to the agency and doing both of the following:

(1) Reimbursing the agency for all costs incurred by the agency pursuant to the agreement.

(2) Demonstrating to the satisfaction of the agency that conditions at the site to which the agreement applies do not pose an endangerment to public health and safety or the environment. If the agency determines that conditions at the site pose an endangerment to public health, safety, or the environment, this article does not prevent the agency from exercising its authority to take appropriate response actions or to cause the person or persons responsible for the endangerment to take appropriate response actions.

(b) A person who enters into an agreement with an agency pursuant to this article shall reimburse the agency for all agency costs, including, but not limited to, costs incurred while reviewing a site assessment plan or a response plan or overseeing the implementation of a site assessment or response plan by the person pursuant to this article, except that the department's costs shall be reimbursed pursuant to Chapter 6.66 (commencing with Section 25269) and shall be recoverable pursuant to Section 25360.

(c) The entry into an agreement pursuant to this article shall not constitute an admission of fact or liability or conclusion of law for any purpose or proceeding and a person who enters into an agreement under this article shall not be deemed liable under any other provision of law solely by reason of entering into that agreement.

(d) If the conditions described in paragraph (1) of subdivision (c) of Section 25395.81 or in subdivision (d) of Section 25395.81 occur, an agency may withdraw from an agreement entered into pursuant to this chapter by providing a 30-day written notice to the other party.

SEC. 124. Section 25395.95 of the Health and Safety Code is amended to read:

25395.95. (a) After implementation of the site assessment plan, the person shall submit to the agency a report of the findings made pursuant to the plan. Based upon a review of this information, the agency shall

determine whether a response action is necessary to address any unreasonable risk from hazardous materials at the site.

(b) If the agency determines that there is no unreasonable risk at the site and that there are no hazardous materials at the site at levels that are not suitable for unrestricted use of the site, the agency shall make a finding that no further action is necessary at the site.

(c) If the agency determines that there are hazardous materials at the site at levels that are not suitable for unrestricted use, but that are suitable for the reasonably anticipated foreseeable use of the site based on current and projected land use and zoning designations, the agency shall find that no further action is necessary at the site except that a land use control that imposes appropriate restrictions pursuant to Section 25395.99 shall be executed and recorded and the public comment and participation requirements of Section 25395.96 shall be met before the execution and recording of any land use control. On or before 15 days after the date when the land use control is recorded pursuant to Section 25395.99, the agency shall state in writing that this act constitutes “appropriate care” for the purposes of Section 25395.67.

SEC. 125. Section 25395.96 of the Health and Safety Code is amended to read:

25395.96. (a) If, upon review of the site assessment prepared pursuant to this article, the agency determines that a response action is necessary to prevent or eliminate an unreasonable risk, the bona fide purchaser, innocent landowner, or contiguous property owner shall submit a response plan to the agency to conduct a response action at the site, in conformance with the agreement entered into pursuant to Section 25395.92. The response plan shall include all of the following:

(1) (A) An opportunity for the public, other agencies, and the host jurisdiction to participate in decisions regarding the response action, taking into consideration the nature of the community interest.

(B) If a regional board is the agency, the regional board shall provide access to the proposed response plan and site assessment at the regional board for public review, conduct a public hearing with 30 days’ prior notice, provide notice on the agenda of the public hearing, and take action on the response plan in a regularly scheduled regional board meeting.

(C) If the department is the agency, the methods for public participation proposed in the response plan shall include reasonable public notice in English and other languages commonly spoken in the area, access to the proposed response plan and site assessment at the agency and local repositories, and reasonable opportunity to comment. The department shall hold a public meeting in the area to receive comments if a public meeting is requested. The department shall consider

any comments received prior to acting on the response plan. Methods for public participation may also include, but are not limited to, the use of factsheets, public notices, direct notification of interested parties, public meetings, and an opportunity to comment on the proposed response plan prior to approval.

(D) To the extent possible, the agency shall coordinate its public participation activities with those undertaken by the host jurisdiction and other agencies associated with the development of the property, to avoid duplication to the extent feasible.

(E) It is the intent of the Legislature that the public participation process established pursuant to this subdivision ensures full and robust participation of a community affected by this chapter.

(2) Identification of the release or threatened release that is the subject of the response plan and documentation that the plan is based on an adequate characterization of the site.

(3) An identification of the response plan objectives and the proposed remedy, and an identification of the reasonably anticipated future land uses of the site and of the current and projected land use and zoning designations. This identification shall include confirmation by the host jurisdiction that the anticipated future land uses and current and projected land uses and zoning designations are accurate.

(4) A description of activities that will be implemented to control any endangerment that may occur during the response action at the site.

(5) A description of any land use control that is part of the response action.

(6) A description of wastes other than hazardous materials at the site and how they will be managed in conjunction with the response action.

(7) Provisions for the removal of containment or storage vessels and other sources of contamination, including soils and free product, that cause an unreasonable risk.

(8) Provisions for the agency to require further response actions based on the discovery of hazardous materials that pose an unreasonable risk to human health and safety or the environment that are discovered during the course of the response action or subsequent development of the site.

(9) Any other information that the agency determines is necessary.

(b) The agency shall evaluate the adequacy of the plan submitted pursuant to subdivision (a) and shall approve the plan if the agency makes all of the following findings:

(1) The plan contains the information required by subdivision (a).

(2) When implemented, the plan will place the site in a condition that allows it to be used for its reasonably anticipated future land use without unreasonable risk to human health and safety and the environment.

(3) The plan addresses any public comments.

(4) If applicable, the plan provides for long-term operation and maintenance, including land use and engineering controls, that are part of the remedy contained in the response plan.

(c) (1) On or before 60 days after the date an agency receives a response plan, the agency shall make a written determination that proper completion of the response plan constitutes “appropriate care” for purposes of subdivision (a) of Section 25395.67.

(2) Upon approval of the response plan by the agency, the agency shall notify all appropriate persons, including the host jurisdiction.

(d) If the use of the property changes, after a response plan is approved, to a use that requires a higher level of protection, the agency may require the preparation and implementation of a new response plan pursuant to this article.

(e) The owner of a site shall not make any change in use of a site inconsistent with any land use control recorded for the site, unless the change is approved by the agency in accordance with subdivision (f) of Section 25395.99.

SEC. 126. Section 25404 of the Health and Safety Code, as amended by Section 9 of Chapter 880 of the Statutes of 2004, is amended to read:

(1) (A) “Certified Unified Program Agency” or “CUPA” means the agency certified by the secretary to implement the unified program specified in this chapter within a jurisdiction.

(B) “Participating Agency” or “PA” means a state or local agency that has a written agreement with the CUPA pursuant to subdivision (d) of Section 25404.3, and is approved by the secretary, to implement or enforce one or more of the unified program elements specified in subdivision (c), in accordance with Sections 25404.1 and 25404.2.

(C) “Unified Program Agency” or “UPA” means the CUPA, or its participating agencies to the extent each PA has been designated by the CUPA, pursuant to a written agreement, to implement or enforce a particular unified program element specified in subdivision (c). After a CUPA has been certified by the secretary, the unified program agencies and the state agencies carrying out responsibilities under this chapter shall be the only agencies

authorized to enforce the requirements listed in subdivision (c) within the jurisdiction of the CUPA.

(2) "Department" means the Department of Toxic Substances Control.

(3) "Minor violation" means the failure of a person to comply with any requirement or condition of any applicable law, regulation, permit, information request, order, variance, or other requirement, whether procedural or substantive, of the unified program that the UPA is authorized to implement or enforce pursuant to this chapter, and that does not otherwise include any of the following:

(B) A knowing, willful, or intentional violation.

(C) A violation that is a chronic violation, or that is committed by a recalcitrant violator. In determining whether a violation is chronic or a violator is recalcitrant, the UPA shall consider whether there is evidence indicating that the violator has engaged in a pattern of neglect or disregard with respect to applicable regulatory requirements.

(D) A violation that results in an emergency response from a public safety agency.

(E) A violation that enables the violator to benefit economically from the noncompliance, either by reduced costs or competitive advantage.

(F) A class I violation as provided in Section 25117.6.

(G) A class II violation committed by a chronic or a recalcitrant violator, as provided in Section 25117.6.

(H) A violation that hinders the ability of the UPA to determine compliance with any other applicable local, state, or federal rule, regulation, information request, order, variance, permit, or other requirement.

(B) The unified program may not include the responsibilities assigned to the State Water Resources Control Board pursuant to Section 25297.1.

(C) The unified program may not include the corrective action requirements of Sections 25296.10 to 25296.40, inclusive.

(3) (A) As funding becomes available, the secretary shall establish, consistent with paragraph (2), and thereafter maintain, a statewide database.

(B) The secretary, or one or more of the boards, departments, or offices within the California Environmental Protection Agency, shall seek available federal funding for purposes of implementing this subdivision.

(4) Once the statewide database is established, the secretary shall work with the CUPAs to develop a phased-in schedule for the electronic collection and submittal of information to be included in the statewide database, giving first priority to information relating to those chemicals determined by the secretary to be of greatest concern. The secretary, in making this determination, shall consult with the CUPAs, the Office of Emergency Services, the State Fire Marshal, and the boards, departments, and offices within the California Environmental Protection Agency. The information initially included in the statewide database shall include, but is not limited to, the hazardous materials inventory information required to be submitted pursuant to Section 25504.1 for perchlorate materials.

SEC. 128. Section 25404.3 of the Health and Safety Code is amended to read:

25404.3. (a) The secretary shall, within a reasonable time after submission of a complete application for certification pursuant to Section 25404.2, and regulations adopted pursuant to that section, but not to exceed 180 days, review the application, and, after holding a public hearing, determine if the application should be approved. Before disapproving an application for certification, the secretary shall submit to the applicant agency a notification of the secretary's intent to disapprove the application, in which the secretary shall specify the reasons why the applicant agency does not have the capability or the resources to fully implement and enforce the unified program in a manner that is consistent with the regulations implementing the unified program adopted by the secretary pursuant to this chapter. The secretary shall provide the applicant agency with a reasonable time to respond to the reasons specified in the notification and to correct deficiencies in its application. The applicant agency may request a second public hearing, at which the secretary shall hear the applicant agency's response to the reasons specified in the notification.

(b) In determining whether an applicant agency should be certified, or designated as certified, the secretary, after receiving comments from the director, the Director of the Office of Emergency Services, the State Fire Marshal, and the Executive Officers and Chairpersons of the State Water Resources Control Board and the California regional water quality control boards, shall consider at least all of the following factors:

(1) Adequacy of the technical expertise possessed by each unified program agency that will be implementing each element of the unified program, including, but not limited to, whether the agency responsible for implementing and enforcing the requirements of Chapter 6.5 (commencing with Section 25100) satisfies the requirements of Section 15260 of Title 27 of the California Code of Regulations.

(2) Adequacy of staff resources.

(3) Adequacy of budget resources and funding mechanisms.

(4) Training requirements.

(5) Past performance in implementing and enforcing requirements related to the handling of hazardous materials and hazardous waste.

(6) Recordkeeping and cost accounting systems.

(7) Compliance with the criteria in Section 15170 of Title 27 of the California Code of Regulations.

(c) (1) In making the determination of whether or not to certify a particular applicant agency as a certified unified program agency, the secretary shall consider the applications of every other applicant agency applying to be a certified unified program agency within the same county, in order to determine the impact of each certification decision on the county. If the secretary identifies that there may be adverse impacts on the county if any particular agency in a county is certified, the secretary shall work cooperatively with each affected agency to address the secretary's concerns.

(2) The secretary shall not certify an agency to be a certified unified program agency unless the secretary finds both of the following:

(A) The unified program will be implemented in a coordinated and consistent manner throughout the entire county in which the applicant agency is located.

(B) The administration of the unified program throughout the entire county in which the applicant agency is located will be less fragmented between jurisdictions, as compared to before January 1, 1994, with regard to the administration of the provisions specified in subdivision (c) of Section 25404.

(d) (1) The secretary shall not certify an applicant agency that proposes to allow participating agencies to implement certain elements of the unified program unless the secretary makes all of the following findings:

(A) The applicant agency has adequate authority, and has in place adequate systems, protocols, and agreements, to ensure that the actions of the other agencies proposed to implement certain elements of the unified program are fully coordinated and consistent with each other and with those of the applicant agency, and to ensure full compliance with the regulations implementing the unified program adopted by the secretary pursuant to this chapter.

(B) An agreement between the applicant and other agencies proposed to implement any elements of the unified program contains procedures for removing any agencies proposed and engaged to implement any element of the unified program. The procedures in the agreement shall include, at a minimum, provisions for providing notice, stating causes, taking public comment, making appeals, and resolving disputes.

(C) The other agencies proposed to implement certain elements of the unified program have the capability and resources to implement those elements, taking into account the factors designated in subdivision (b).

(D) All other agencies proposed to implement certain elements of the unified program shall maintain an agreement with the applicant agency

that ensures that the requirements of Section 25404.2 will be fully implemented.

(E) If the applicant agency proposes that any agency other than itself will be responsible for implementing aspects of the single fee system imposed pursuant to Section 25404.5, the applicant agency maintains an agreement with that agency that ensures that the fee system is implemented in a fully consistent and coordinated manner, and that ensures that each participating agency receives the amount that it determines to constitute its necessary and reasonable costs of implementing the element or elements of the unified program that it is responsible for implementing.

(2) After the secretary has certified an applicant agency pursuant to this subdivision, that agency shall obtain the approval of the secretary before removing and replacing a participating agency that is implementing an element of the unified program.

(3) Any state agency, including, but not limited to, the State Department of Health Services, acting as a participating agency, may contract with a unified program agency to implement or enforce the unified program.

(e) Until a city's or county's application for certification to implement the unified program is acted upon by the secretary, the roles, responsibilities, and authority for implementing the programs identified in subdivision (c) of Section 25404 that existed in that city or county pursuant to statutory authorization as of December 31, 1993, shall remain in effect.

(f) (1) Except as provided in subparagraph (C) of paragraph (2) or in Section 25404.8, if no local agency has been certified by January 1, 1997, to implement the unified program within a city, the secretary shall designate either the county in which the city is located or another agency pursuant to subparagraph (A) of paragraph (2) as the unified program agency.

(2) (A) Except as provided in subparagraph (C), if no local agency has been certified by January 1, 2001, to implement the unified program within the unincorporated or an incorporated area of a county, the secretary shall determine how the unified program shall be implemented in the unincorporated area of the county, and in any city in which there is no agency certified to implement the unified program. In such an instance, the secretary shall work in consultation with the county and cities to determine which state or local agency or combination of state and local agencies should implement the unified program, and shall determine which state or local agency shall be designated as the certified unified program agency.

(B) The secretary shall determine the method by which the unified program shall be implemented throughout the county and may select any combination of the following implementation methods:

(i) The certification of a state or local agency as a certified unified program agency.

(ii) The certification of an agency from another county as the certified unified program agency.

(iii) The certification of a joint powers agency as the certified unified program agency.

(C) Notwithstanding paragraph (1) and subparagraphs (A) and (B), if the Cities of Sunnyvale, Anaheim, and Santa Ana prevail in litigation filed in 1997 against the secretary, and, to the extent the secretary determines that these three cities meet the requirements for certification, the secretary may certify these cities as certified unified program agencies.

(g) (1) If a certified unified program agency wishes to withdraw from its obligations to implement the unified program and is a city or a joint powers agency implementing the unified program within a city, the agency may withdraw after providing 180 days' notice to the secretary and to the county within which the city is located, or to the joint powers agency with which the county has an agreement to implement the unified program.

(2) Whenever a certified unified program agency withdraws from its obligations to implement the unified program, or the secretary withdraws an agency's certification pursuant to Section 25404.4, the successor certified unified program agency shall be determined in accordance with subdivision (f).

SEC. 129. Section 44297 of the Health and Safety Code is amended to read:

44297. (a) The state board, acting within its existing authority, shall, at its first opportunity following January 1, 2005, revise the grant criteria and guidelines adopted pursuant to Section 44287 to incorporate projects described in subdivision (c).

(b) The guidelines may define eligible costs to include monitoring and verifying compliance with this article.

(c) Notwithstanding any other provision of this chapter, a project that meets either of the following criteria constitutes a heavy-duty fleet modernization project and thus is eligible for funding under the program, if it complies with the guidelines established by the state board pursuant to subdivision (a):

(1) Replaces an old engine or vehicle with a newer engine or vehicle certified to more stringent emissions standards than the engine or vehicle

being replaced, pursuant to paragraph (2) of subdivision (a) of Section 44281.

(2) Provides the equivalent emission reductions as would be gained by a project that combines both of the following:

(A) The purchase of a new very low or zero-emission covered vehicle pursuant to paragraph (1) of subdivision (a) of Section 44281.

(B) The replacement of an old engine or vehicle with a newer engine or vehicle certified to more stringent standards than the engine or vehicle being replaced, pursuant to paragraph (2) of subdivision (a) of Section 44281.

(d) In establishing guidelines pursuant to subdivision (a), the state board shall consider any existing heavy-duty fleet modernization program carried out by a district. The state board shall design a program that, to the extent feasible, includes fleet owners, independent truck owners, heavy-duty vehicle dealers, districts, and other participants it determines appropriate from existing local programs.

(e) The grants provided pursuant to this article shall provide moneys to offset the incremental cost of projects that reduce emissions of oxides of nitrogen (NO_x) and particulate matter (PM).

(f) The state board shall determine an appropriate weighted cost-effectiveness standard for projects intended to reduce particulate matter.

SEC. 130. Section 100425 of the Health and Safety Code is amended to read:

100425. (a) The fees or charges for the issuance or renewal of any permit, license, registration, or document pursuant to Sections 1639.5, 1676, 1677, 2202, 2805, 11887, 100860, 106700, 106890, 106925, 107080, 107090, 107095, 107160, 110210, 110470, 111130, 111140, 111630, 112405, 112510, 112750, 112755, 113060, 113065, 113845, 114056, 114065, paragraph (2) of subdivision (c) of Section 114090, Section 114140, subdivision (b) of Section 114290, Sections 114367, 115035, 115065, 115080, 116205, 117923, 117995, 118045, 118210, and 118245 shall be adjusted annually by the percentage change printed in the Budget Act for those items appropriating funds to the state department. After the first annual adjustment of fees or charges pursuant to this section, the fees or charges subject to subsequent adjustment shall be the fees or charges for the prior calendar year. The percentage change shall be determined by the Department of Finance, and shall include at least the total percentage change in salaries and operating expenses of the state department. However, the total increase in amounts collected under this section shall not exceed the total increased cost of the program or service provided.

(b) The state department shall publish annually a list of the actual numerical fee charges for each permit, license, certification, or registration governed by this section.

(c) This adjustment of fees and publication of the fee list shall not be subject to the requirements of Chapter 3.5 (commencing with Section 11340) of Part 1 of Division 3 of Title 2 of the Government Code.

SEC. 131. Section 101317 of the Health and Safety Code is amended to read:

101317. (a) For purposes of this article, allocations shall be made to the administrative bodies of qualifying local health jurisdictions described as public health administrative organizations in Section 101185, and pursuant to Section 101315, in the following manner:

(1) (A) For the 2003-04 fiscal year and subsequent fiscal years, to the administrative bodies of each local health jurisdiction, a basic allotment of one hundred thousand dollars (\$100,000), subject to the availability of funds appropriated in the annual Budget Act or some other act.

(B) For the 2002-03 fiscal year, the basic allotment of one hundred thousand dollars (\$100,000) shall be reduced by the amount of federal funding allocated as part of a basic allotment for the purposes of this article to local health jurisdictions in the 2001-02 fiscal year.

(2) (A) Except as provided in subdivision (c), after determining the amount allowed for the basic allotment as provided in paragraph (1), the balance of the annual appropriation for purposes of this article, if any, shall be allotted on a per capita basis to the administrative bodies of each local health jurisdiction in the proportion that the population of that local health jurisdiction bears to the population of all eligible local health jurisdictions of the state.

(B) The population estimates used for the calculation of the per capita allotment pursuant to subparagraph (A) shall be based on the Department of Finance's E-1 Report, "City/County Populations Estimates with Annual Percentage Changes," as of January 1 of the previous year. However, if within a local health jurisdiction there are one or more city health jurisdictions, the local health jurisdiction shall subtract the population of the city or cities from the local health jurisdiction total population for purposes of calculating the per capita total.

(b) If the amounts appropriated are insufficient to fully fund the allocations specified in subdivision (a), the department shall prorate and adjust each local health jurisdiction's allocation so that the total amount allocated equals the amount appropriated.

(c) For the 2002-03 fiscal year and subsequent fiscal years, where the federally approved collaborative state-local plan identifies an allocation method, other than the basic allotment and per capita method described

in subdivision (a), for specific funding to a local public health jurisdiction, including, but not limited to, funding laboratory training, chemical and nuclear terrorism preparedness, smallpox preparedness, and information technology approaches, that funding shall be paid to the administrative bodies of those local health jurisdictions in accordance with the federally approved collaborative state-local plan for bioterrorism preparedness and other public health threats in the state.

(d) Funds appropriated pursuant to the annual Budget Act or some other act for allocation to local health jurisdictions pursuant to this article shall be disbursed quarterly to local health jurisdictions beginning July 1, 2002, using the following process:

(1) Each fiscal year, upon the submission of an application for funding by the administrative body of a local health jurisdiction, the department shall make the first quarterly payment to each eligible local health jurisdiction. Initially, that application shall include a plan and budget for the local program that is in accordance with the department's plans and priorities for bioterrorism preparedness and response, and other public health threats and emergencies, and a certification by the chairperson of the board of supervisors or the mayor of a city with a local health department that the funds received pursuant to this article will not be used to supplant other funding sources in violation of subdivision (d) of Section 101315. In subsequent years, the department shall develop a streamlined process for continuation of funding that will address new federal requirements and will assure the continuity of local plan activities.

(2) The department shall establish procedures and a format for the submission of the local health jurisdiction's plan and budget. The local health jurisdiction's plan shall be consistent with the department's plans and priorities for bioterrorism preparedness and response and other public health threats and emergencies in accordance with requirements specified in the department's federal grant award. Payments to local health jurisdictions beyond the first quarter shall be contingent upon the approval of the department of the local health jurisdiction's plan and the local health jurisdiction's progress in implementing the provisions of the local health jurisdiction's plan, as determined by the department.

(3) If a local health jurisdiction does not apply or submits a noncompliant application for its allocation, those funds provided under this article may be redistributed according to subdivision (a) to the remaining local health jurisdictions.

(e) Funds shall be used for activities to improve and enhance local health jurisdictions' preparedness for and response to bioterrorism and other public health threats and emergencies, and for any other purposes,

as determined by the department, that are consistent with the purposes for which the funds were appropriated.

(f) Any local health jurisdiction that receives funds pursuant to this article shall deposit those funds in a special local public health preparedness trust fund established solely for this purpose before transferring or expending the funds for any of the uses allowed pursuant to this article. The interest earned on moneys in the fund shall accrue to the benefit of the fund and shall be expended for the same purposes as other moneys in the fund.

(g) (1) A local health jurisdiction that receives funding pursuant to this article shall submit reports that display cost data and the activities funded by moneys deposited in its local public health preparedness trust fund to the department on a regular basis in a form and according to procedures prescribed by the department.

(2) The department, in consultation with local health jurisdictions, shall develop required content for the reports required under paragraph (1), which shall include, but shall not be limited to, data and information needed to implement this article and to satisfy federal reporting requirements. The chairperson of the board of supervisors or the mayor of a city with a local health department shall certify the accuracy of the reports and that the moneys appropriated for the purposes of this article have not been used to supplant other funding sources.

(h) The administrative body of a local health jurisdiction may enter into a contract with the department and the department may enter into a contract with that local health jurisdiction for the department to administer all or a portion of the moneys allocated to the local health jurisdiction pursuant to this article. The department may use funds retained on behalf of a local jurisdiction pursuant to this subdivision solely for the purposes of administering the jurisdiction's bioterrorism preparedness activities. The funds appropriated pursuant to this article and retained by the department pursuant to this subdivision are available for expenditure and encumbrance for the purposes of support or local assistance.

(i) The department may recoup from a local health jurisdiction any moneys allocated pursuant to this article that are unspent or that are not expended for purposes specified in subdivision (d). The department may also recoup funds expended by a local health jurisdiction in violation of subdivision (d) of Section 101315. The department may withhold quarterly payments of moneys to a local health jurisdiction if the local health jurisdiction is not in compliance with this article or the terms of that local health jurisdiction's plan as approved by the department. Before any funds are recouped or withheld from a local health jurisdiction, the

department shall meet with local health officials to discuss the status of the unspent moneys or the disputed use of the funds, or both.

(j) Notwithstanding any other provision of law, moneys made available for bioterrorism preparedness pursuant to this article in the 2001-02 fiscal year shall be available for expenditure and encumbrance until June 30, 2003. Moneys made available for bioterrorism preparedness pursuant to this article from July 1, 2002, to August 30, 2003, inclusive, shall be available for expenditure and encumbrance until August 30, 2004. Moneys made available in the 2003-04 Budget Act for bioterrorism preparedness shall be available for expenditure and encumbrance until August 30, 2005.

SEC. 132. Section 101850 of the Health and Safety Code is amended to read:

101850. The Legislature finds and declares the following:

(a) (1) Due to the challenges facing the Alameda County Medical Center arising from changes in the public and private health industries, the Alameda County Board of Supervisors has determined that a transfer of governance of the Alameda County Medical Center to an independent governing body, a hospital authority, is needed to improve the efficiency, effectiveness, and economy of the community health services provided at the medical center. The board of supervisors has further determined that the creation of an independent hospital authority strictly and exclusively dedicated to the management, administration, and control of the medical center, in a manner consistent with the county's obligations under Section 17000 of the Welfare and Institutions Code, is the best way to fulfill its commitment to the medically indigent, special needs, and general populations of Alameda County. To accomplish this, it is necessary that the board of supervisors be given authority to create a hospital authority. Because there is no general law under which this authority could be formed, the adoption of a special act and the formation of a special authority is required.

(2) The following definitions shall apply for purposes of this section:

(A) "The county" means the County of Alameda.

(B) "Governing board" means the governing body of the hospital authority.

(C) "Hospital authority" means the separate public agency established by the Board of Supervisors of Alameda County to manage, administer, and control the Alameda County Medical Center.

(D) "Medical center" means the Alameda County Medical Center.

(b) The board of supervisors of the county may, by ordinance, establish a hospital authority separate and apart from the county for the purpose of effecting a transfer of the management, administration, and control of the medical center in accordance with Section 14000.2 of the

Welfare and Institutions Code. A hospital authority established pursuant to this chapter shall be strictly and exclusively dedicated to the management, administration, and control of the medical center within parameters set forth in this chapter, and in the ordinance, bylaws, and contracts adopted by the board of supervisors which shall not be in conflict with this chapter, Section 1442.5 of this code, or Section 17000 of the Welfare and Institutions Code.

(c) A hospital authority established pursuant to this chapter shall be governed by a board that is appointed, both initially and continually, by the Board of Supervisors of the County of Alameda. This hospital authority governing board shall reflect both the expertise necessary to maximize the quality and scope of care at the medical center in a fiscally responsible manner and the diverse interest that the medical center serves. The enabling ordinance shall specify the membership of the hospital authority governing board, the qualifications for individual members, the manner of appointment, selection, or removal of governing board members, their terms of office, and all other matters that the board of supervisors deems necessary or convenient for the conduct of the hospital authority's activities.

(d) The mission of the hospital authority shall be the management, administration, and other control, as determined by the board of supervisors, of the group of public hospitals, clinics, and programs that comprise the medical center, in a manner that ensures appropriate, quality, and cost-effective medical care as required of counties by Section 17000 of the Welfare and Institutions Code, and, to the extent feasible, other populations, including special populations in Alameda County.

(e) The board of supervisors shall adopt bylaws for the medical center that set forth those matters related to the operation of the medical center by the hospital authority that the board of supervisors deems necessary and appropriate. The bylaws shall become operative upon approval by a majority vote of the board of supervisors. Any changes or amendments to the bylaws shall be by majority vote of the board of supervisors.

(f) The hospital authority created and appointed pursuant to this section is a duly constituted governing body within the meaning of Section 1250 and Section 70035 of Title 22 of the California Code of Regulations as currently written or subsequently amended.

(g) Unless otherwise provided by the board of supervisors by way of resolution, the hospital authority is empowered, or the board of supervisors is empowered on behalf of the hospital authority, to apply as a public agency for one or more licenses for the provision of health care pursuant to statutes and regulations governing licensing as currently written or subsequently amended.

(h) In the event of a change of license ownership, the governing body of the hospital authority shall comply with the obligations of governing bodies of general acute care hospitals generally as set forth in Section 70701 of Title 22 of the California Code of Regulations, as currently written or subsequently amended, as well as the terms and conditions of the license. The hospital authority shall be the responsible party with respect to compliance with these obligations, terms, and conditions.

(i) (1) Any transfer by the county to the hospital authority of the administration, management, and control of the medical center, whether or not the transfer includes the surrendering by the county of the existing general acute care hospital license and corresponding application for a change of ownership of the license, shall not affect the eligibility of the county, or in the case of a change of license ownership, the hospital authority, to do any of the following:

(A) Participate in, and receive allocations pursuant to, the California Healthcare for the Indigent Program (CHIP).

(B) Receive supplemental reimbursements from the Emergency Services and Supplemental Payments Fund created pursuant to Section 14085.6 of the Welfare and Institutions Code.

(C) Receive appropriations from the Medi-Cal Inpatient Payment Adjustment Fund without relieving the county of its obligation to make intergovernmental transfer payments related to the Medi-Cal Inpatient Payment Adjustment Fund pursuant to Section 14163 of the Welfare and Institutions Code.

(D) Receive Medi-Cal capital supplements pursuant to Section 14085.5 of the Welfare and Institutions Code.

(E) Receive any other funds that would otherwise be available to a county hospital.

(2) Any transfer described in paragraph (1) shall not otherwise disqualify the county, or in the case of a change in license ownership, the hospital authority, from participating in any of the following:

(A) Other funding sources either specific to county hospitals or county ambulatory care clinics or for which there are special provisions specific to county hospitals or to county ambulatory care clinics.

(B) Funding programs in which the county, on behalf of the medical center and the Alameda County Health Care Services Agency, had participated prior to the creation of the hospital authority, or would otherwise be qualified to participate in had the hospital authority not been created, and administration, management, and control not been transferred by the county to the hospital authority, pursuant to this chapter.

(j) A hospital authority created pursuant to this chapter shall be a legal entity separate and apart from the county and shall file the statement

required by Section 53051 of the Government Code. The hospital authority shall be a government entity separate and apart from the county, and shall not be considered to be an agency, division, or department of the county. The hospital authority shall not be governed by, nor be subject to, the charter of the county and shall not be subject to policies or operational rules of the county, including, but not limited to, those relating to personnel and procurement.

(k) (1) Any contract executed by and between the county and the hospital authority shall provide that liabilities or obligations of the hospital authority with respect to its activities pursuant to the contract shall be the liabilities or obligations of the hospital authority, and shall not become the liabilities or obligations of the county.

(2) Any liabilities or obligations of the hospital authority with respect to the liquidation or disposition of the hospital authority's assets upon termination of the hospital authority shall not become the liabilities or obligations of the county.

(3) Any obligation of the hospital authority, statutory, contractual, or otherwise, shall be the obligation solely of the hospital authority and shall not be the obligation of the county or the state.

(l) (1) Notwithstanding any other provision of this section, any transfer of the administration, management, or assets of the medical center, whether or not accompanied by a change in licensing, shall not relieve the county of the ultimate responsibility for indigent care pursuant to Section 17000 of the Welfare and Institutions Code or any obligation pursuant to Section 1442.5 of this code.

(2) Any contract executed by and between the county and the hospital authority shall provide for the indemnification of the county by the hospital authority for liabilities as specifically set forth in the contract, except that the contract shall include a provision that the county shall remain liable for its own negligent acts.

(3) Indemnification by the hospital authority shall not be construed as divesting the county from its ultimate responsibility for compliance with Section 17000 of the Welfare and Institutions Code.

(m) Notwithstanding the provisions of this section relating to the obligations and liabilities of the hospital authority, a transfer of control or ownership of the medical center shall confer onto the hospital authority all the rights and duties set forth in state law with respect to hospitals owned or operated by a county.

(n) (1) A transfer of the maintenance, operation, and management or ownership of the medical center to the hospital authority shall comply with the provisions of Section 14000.2 of the Welfare and Institutions Code.

(2) A transfer of maintenance, operation, and management or ownership to the hospital authority may be made with or without the payment of a purchase price by the hospital authority and otherwise upon the terms and conditions that the parties may mutually agree, which terms and conditions shall include those found necessary by the board of supervisors to ensure that the transfer will constitute an ongoing material benefit to the county and its residents.

(3) A transfer of the maintenance, operation, and management to the hospital authority shall not be construed as empowering the hospital authority to transfer any ownership interest of the county in the medical center except as otherwise approved by the board of supervisors.

(o) The board of supervisors shall retain control over the use of the medical center physical plant and facilities except as otherwise specifically provided for in lawful agreements entered into by the board of supervisors. Any lease agreement or other agreement between the county and the hospital authority shall provide that county premises shall not be sublet without the approval of the board of supervisors.

(p) The statutory authority of a board of supervisors to prescribe rules that authorize a county hospital to integrate its services with those of other hospitals into a system of community service that offers free choice of hospitals to those requiring hospital care, as set forth in Section 14000.2 of the Welfare and Institutions Code, shall apply to the hospital authority upon a transfer of maintenance, operation, and management or ownership of the medical center by the county to the hospital authority.

(q) The hospital authority shall have the power to acquire and possess real or personal property and may dispose of real or personal property other than that owned by the county, as may be necessary for the performance of its functions. The hospital authority shall have the power to sue or be sued, to employ personnel, and to contract for services required to meet its obligations.

(r) Any agreement between the county and the hospital authority shall provide that all existing services provided by the medical center shall continue to be provided to the county through the medical center subject to the policy of the county and consistent with the county's obligations under Section 17000 of the Welfare and Institutions Code.

(s) A hospital authority to which the maintenance, operation, and management or ownership of the medical center is transferred shall be a "district" within the meaning set forth in the County Employees Retirement Law of 1937 (Chapter 3 (commencing with Section 31450) of Part 3 of Division 4 of Title 3 of the Government Code). Employees of a hospital authority are eligible to participate in the County Employees Retirement System to the extent permitted by law.

(t) Members of the governing board of the hospital authority shall not be vicariously liable for injuries caused by the act or omission of the hospital authority to the extent that protection applies to members of governing boards of local public entities generally under Section 820.9 of the Government Code.

(u) The hospital authority shall be a public agency subject to the Myers-Milias-Brown Act (Chapter 10 (commencing with Section 3500) of Division 4 of Title 1 of the Government Code).

(v) Any transfer of functions from county employee classifications to a hospital authority established pursuant to this section shall result in the recognition by the hospital authority of the employee organization that represented the classifications performing those functions at the time of the transfer.

(w) (1) In exercising its powers to employ personnel, as set forth in subdivision (p), the hospital authority shall implement, and the board of supervisors shall adopt, a personnel transition plan. The personnel transition plan shall require all of the following:

(A) Ongoing communications to employees and recognized employee organizations regarding the impact of the transition on existing medical center employees and employee classifications.

(B) Meeting and conferring on all of the following issues:

(i) The timeframe for which the transfer of personnel shall occur. The timeframe shall be subject to modification by the board of supervisors as appropriate, but in no event shall it exceed one year from the effective date of transfer of governance from the board of supervisors to the hospital authority.

(ii) A specified period of time during which employees of the county impacted by the transfer of governance may elect to be appointed to vacant positions with the Alameda County Health Care Services Agency for which they have tenure.

(iii) A specified period of time during which employees of the county impacted by the transfer of governance may elect to be considered for reinstatement into positions with the county for which they are qualified and eligible.

(iv) Compensation for vacation leave and compensatory leave accrued while employed with the county in a manner that grants affected employees the option of either transferring balances or receiving compensation to the degree permitted employees laid off from service with the county.

(v) A transfer of sick leave accrued while employed with the county to hospital authority employment.

(vi) The recognition by the hospital authority of service with the county in determining the rate at which vacation accrues.

(vii) The possible preservation of seniority, pensions, health benefits, and other applicable accrued benefits of employees of the county impacted by the transfer of governance.

(2) Nothing in this subdivision shall be construed as prohibiting the hospital authority from determining the number of employees, the number of full-time equivalent positions, the job descriptions, and the nature and extent of classified employment positions.

(3) Employees of the hospital authority are public employees for purposes of Division 3.6 (commencing with Section 810) of Title 1 of the Government Code relating to claims and actions against public entities and public employees.

(x) Any hospital authority created pursuant to this section shall be bound by the terms of the memorandum of understanding executed by and between the county and health care and management employee organizations that is in effect as of the date this legislation becomes operative in the county. Upon the expiration of the memorandum of understanding, the hospital authority shall have sole authority to negotiate subsequent memorandums of understanding with appropriate employee organizations. Subsequent memorandums of understanding shall be approved by the hospital authority.

(y) The hospital authority created pursuant to this section may borrow from the county and the county may lend the hospital authority funds or issue revenue anticipation notes to obtain those funds necessary to operate the medical center and otherwise provide medical services.

(z) The hospital authority shall be subject to state and federal taxation laws that are applicable to counties generally.

(aa) The hospital authority, the county, or both, may engage in marketing, advertising, and promotion of the medical and health care services made available to the community at the medical center.

(bb) The hospital authority shall not be a "person" subject to suit under the Cartwright Act (Chapter 2 (commencing with Section 16700) of Part 2 of Division 7 of the Business and Professions Code).

(cc) Notwithstanding Article 4.7 (commencing with Section 1125) of Chapter 1 of Division 4 of Title 1 of the Government Code related to incompatible activities, no member of the hospital authority administrative staff shall be considered to be engaged in activities inconsistent and incompatible with his or her duties as a result of employment or affiliation with the county.

(dd) (1) The hospital authority may use a computerized management information system in connection with the administration of the medical center.

(2) Information maintained in the management information system or in other filing and records maintenance systems that is confidential and protected by law shall not be disclosed except as provided by law.

(3) The records of the hospital authority, whether paper records, records maintained in the management information system, or records in any other form, that relate to trade secrets or to payment rates or the determination thereof, or which relate to contract negotiations with providers of health care, shall not be subject to disclosure pursuant to the California Public Records Act (Chapter 5 (commencing with Section 6250) of Division 7 of Title 1 of the Government Code). The transmission of the records, or the information contained therein in an alternative form, to the board of supervisors shall not constitute a waiver of exemption from disclosure, and the records and information once transmitted shall be subject to this same exemption. The information, if compelled pursuant to an order of a court of competent jurisdiction or administrative body in a manner permitted by law, shall be limited to in-camera review, which, at the discretion of the court, may include the parties to the proceeding, and shall not be made a part of the court file unless sealed.

(ee) (1) Notwithstanding any other law, the governing board may order that a meeting held solely for the purpose of discussion or taking action on hospital authority trade secrets, as defined in subdivision (d) of Section 3426.1 of the Civil Code, shall be held in closed session. The requirements of making a public report of actions taken in closed session and the vote or abstention of every member present may be limited to a brief general description devoid of the information constituting the trade secret.

(2) The governing board may delete the portion or portions containing trade secrets from any documents that were finally approved in the closed session that are provided to persons who have made the timely or standing request.

(3) Nothing in this section shall be construed as preventing the governing board from meeting in closed session as otherwise provided by law.

(ff) Open sessions of the hospital authority shall constitute official proceedings authorized by law within the meaning of Section 47 of the Civil Code. The privileges set forth in that section with respect to official proceedings shall apply to open sessions of the hospital authority.

(gg) The hospital authority shall be a public agency for purposes of eligibility with respect to grants and other funding and loan guarantee programs. Contributions to the hospital authority shall be tax deductible to the extent permitted by state and federal law. Nonproprietary income of the hospital authority shall be exempt from state income taxation.

(hh) Contracts by and between the hospital authority and the state and contracts by and between the hospital authority and providers of health care, goods, or services may be let on a nonbid basis and shall be exempt from Chapter 2 (commencing with Section 10290) of Part 2 of Division 2 of the Public Contract Code.

(ii) (1) Provisions of the Evidence Code, the Government Code, including the Public Records Act (Chapter 5 (commencing with Section 6250) of Division 7 of Title 1 of the Government Code), the Civil Code, the Business and Professions Code, and other applicable law pertaining to the confidentiality of peer review activities of peer review bodies shall apply to the peer review activities of the hospital authority. Peer review proceedings shall constitute an official proceeding authorized by law within the meaning of Section 47 of the Civil Code and those privileges set forth in that section with respect to official proceedings shall apply to peer review proceedings of the hospital authority. If the hospital authority is required by law or contractual obligation to submit to the state or federal government peer review information or information relevant to the credentialing of a participating provider, that submission shall not constitute a waiver of confidentiality. The laws pertaining to the confidentiality of peer review activities shall be together construed as extending, to the extent permitted by law, the maximum degree of protection of confidentiality.

(2) Notwithstanding any other law, Section 1461 shall apply to hearings on the reports of hospital medical audit or quality assurance committees.

The commissioner shall approve or disapprove the transaction within 60 days after the statement required by subdivision (a) has been filed with the commissioner. The commissioner may disapprove the transaction if the commissioner finds any of the following:

(1) After the change of control the domestic insurer referred to in subdivision (a) could not satisfy the requirements for the issuance of a license to write the line or lines of insurance for which it is presently licensed.

(2) The purchases, exchanges, mergers, or other acquisitions of control would substantially lessen competition in insurance in this state or create a monopoly therein.

(3) The financial condition of an acquiring person might jeopardize the financial stability of the insurer, or prejudice the interests of its policyholders.

(4) The plans or proposals which the acquiring person has to liquidate the insurer, to sell its assets, or to merge it with any person, or to make any other major change in its business or corporate structure or management, are not fair and reasonable to policyholders.

SEC. 139. Section 98.2 of the Labor Code is amended to read:

98.2. (a) Within 10 days after service of notice of an order, decision, or award, the parties may seek review by filing an appeal to the superior court, where the appeal shall be heard *de novo*. A copy of the appeal request shall be served upon the Labor Commissioner by the appellant. For purposes of computing the 10-day period after service, Section 1013 of the Code of Civil Procedure is applicable.

(b) Whenever an employer files an appeal pursuant to this section, the employer shall post an undertaking with the reviewing court in the amount of the order, decision, or award. The undertaking shall consist of an appeal bond issued by a licensed surety or a cash deposit with the court in the amount of the order, decision, or award. The employer shall provide written notification to the other parties and the Labor Commissioner of the posting of the undertaking. The undertaking shall be on the condition that, if any judgment is entered in favor of the employee, the employer shall pay the amount owed pursuant to the judgment, and if the appeal is withdrawn or dismissed without entry of judgment, the employer shall pay the amount owed pursuant to the order, decision, or award of the Labor Commissioner unless the parties have executed a settlement agreement for payment of some other amount, in which case the employer shall pay the amount that the employer is obligated to pay under the terms of the settlement agreement. If the employer fails to pay the amount owed within 10 days of entry of the judgment, dismissal, or withdrawal of the appeal, or the execution of a settlement agreement, a portion of the undertaking equal to the amount owed, or the entire undertaking if the amount owed exceeds the undertaking, is forfeited to the employee.

(c) If the party seeking review by filing an appeal to the superior court is unsuccessful in the appeal, the court shall determine the costs and reasonable attorney's fees incurred by the other parties to the appeal,

and assess that amount as a cost upon the party filing the appeal. An employee is successful if the court awards an amount greater than zero.

(d) If no notice of appeal of the order, decision, or award is filed within the period set forth in subdivision (a), the order, decision, or award shall, in the absence of fraud, be deemed the final order.

(e) The Labor Commissioner shall file, within 10 days of the order becoming final pursuant to subdivision (d), a certified copy of the final order with the clerk of the superior court of the appropriate county unless a settlement has been reached by the parties and approved by the Labor Commissioner. Judgment shall be entered immediately by the court clerk in conformity therewith. The judgment so entered has the same force and effect as, and is subject to all of the provisions of law relating to, a judgment in a civil action, and may be enforced in the same manner as any other judgment of the court in which it is entered. Enforcement of the judgment shall receive court priority.

(f) (1) In order to ensure that judgments are satisfied, the Labor Commissioner may serve upon the judgment debtor, personally or by first-class mail at the last known address of the judgment debtor listed with the division, a form similar to, and requiring the reporting of the same information as, the form approved or adopted by the Judicial Council for purposes of subdivision (a) of Section 116.830 of the Code of Civil Procedure to assist in identifying the nature and location of any assets of the judgment debtor.

(2) The judgment debtor shall complete the form and cause it to be delivered to the division at the address listed on the form within 35 days after the form has been served on the judgment debtor, unless the judgment has been satisfied. Any state agency responsible for procurement shall ensure that the Sweatfree Code of Conduct is available for public review at least 30 calendar days between the dates of receipt and the final award of the contract. The Sweatfree Code of Conduct shall list the requirements that contractors are required to meet, as set forth in subdivision (g).

(2) Upon implementation in the manner described in paragraph (4), every contract entered into by any state agency for the procurement or laundering of apparel, garments or corresponding accessories, or for the procurement of equipment or supplies, shall require that the contractor certify in accordance with the Sweatfree Code of Conduct that no apparel, garments or corresponding accessories, or equipment, materials, or supplies, furnished to the state pursuant to the contract have been laundered or produced, in whole or in part, by sweatshop labor.

(3) The appropriate procurement agency, in consultation with the Director of Industrial Relations, shall employ a phased and targeted approach to implementing the Sweatfree Code of Conduct. Sweatfree Code of Conduct procurement policies involving apparel, garments and

The appropriate agencies shall establish a mechanism for soliciting and reviewing any information indicating violations of the Sweatfree Code of Conduct by prospective or current bidders, contractors, or subcontractors. The Department of Industrial Relations may, without incurring additional expenses, access information from any nonprofit organization, including, but not limited to, the World Bank, that gathers and disseminates data with respect to wages paid throughout the world, to allow the Department of Industrial Relations to determine whether contractors and subcontractors are compensating their employees at a level that enables those employees to live above the applicable poverty level.

(4) All contractors and subcontractors shall comply with the overtime laws and regulations of the country in which their employees are working.

(5) All overtime hours shall be worked voluntarily. Workers shall be compensated for overtime at either (A) the rate of compensation for regular hours of work, or (B) as legally required in the country of manufacture, whichever is greater.

(7) There may be no form of forced labor of any kind, including slave labor, prison labor, indentured labor, or bonded labor, including forced overtime hours.

(8) The work environment shall be safe and healthy and, at a minimum, be in compliance with relevant local, state, and national laws. If residential facilities are provided to workers, those facilities shall be safe and healthy as well.

(9) There may be no discrimination in hiring, salary, benefits, performance evaluation, discipline, promotion, retirement, or dismissal on the basis of age, sex, pregnancy, maternity leave status, marital status, race, nationality, country of origin, ethnic origin, disability, sexual orientation, gender identity, religion, or political opinion.

(10) No worker may be subjected to any physical, sexual, psychological, or verbal harassment or abuse, including corporal punishment, under any circumstances, including, but not limited to, retaliation for exercising his or her right to free speech and assembly.

(11) No worker may be forced to use contraceptives or take pregnancy tests. No worker may be exposed to chemicals, including glues and solvents, that endanger reproductive health.

(12) Contractors and bidders shall list the names and addresses of each subcontractor to be utilized in the performance of the contract, and list each manufacturing or other facility or operation of the contractor or subcontractor for performance of the contract. The list, which shall be maintained and updated to show any changes in subcontractors during the term of the contract, shall provide company names, owners or officers, addresses, telephone numbers, e-mail addresses, and the nature of the business association.

(h) Any person who certifies as true any material matter pursuant to this section that he or she knows to be false is guilty of a misdemeanor.

(i) The provisions of this section, as amended by Chapter 711 of the Statutes of 2003, shall be in addition to any other provisions that authorize the prosecution and enforcement of local labor laws and may not be interpreted to prohibit a local prosecutor from bringing a criminal or civil action against an individual or business that violates the provisions of this section.

CHAPTER 3.5. REPORT AND INFORMATION MANAGEMENT

SEC. 167. Section 353.2 of the Public Utilities Code is amended to read:

353.2. (a) As used in this article, “ultraclean and low-emission distributed generation” means any electric generation technology that meets both of the following criteria:

(1) Commences initial operation between January 1, 2003, and December 31, 2008.

(2) Produces zero emissions during its operation or produces emissions during its operation that are equal to or less than the 2007 State Air Resources Board emission limits for distributed generation, except that technologies operating by combustion must operate in a combined heat and power application with a 60-percent system efficiency on a higher heating value.

(b) In establishing rates and fees, the commission may consider energy efficiency and emissions performance to encourage early compliance with air quality standards established by the State Air Resources Board for ultraclean and low-emission distributed generation.

SEC. 168. Section 379.6 of the Public Utilities Code is amended to read:

379.6. (a) The commission, in consultation with the State Energy Resources Conservation and Development Commission, shall administer, until January 1, 2008, the self-generation incentive program for distributed generation resources originally established pursuant to Chapter 329 of the Statutes of 2000. Except as provided in subdivision (b), the program shall be administered in the same form as it existed on January 1, 2004.

(b) Eligibility for the self-generation incentive program’s level 3 incentive category shall be subject to the following conditions:

(1) Commencing January 1, 2005, all combustion-operated distributed generation projects using fossil fuel shall meet an oxides of nitrogen (NO_x) emissions rate standard of 0.14 pounds per megawatthour.

(2) Commencing January 1, 2007, all combustion-operated distributed generation projects using fossil fuel shall meet a NO_x emissions rate standard of 0.07 pounds per megawatthour and a minimum efficiency

of 60 percent. A minimum efficiency of 60 percent shall be measured as useful energy output divided by fuel input. The efficiency determination shall be based on 100 percent load.

(3) Combined heat and power units that meet the 60-percent efficiency standard may take a credit to meet the applicable NO_x emissions standard of 0.14 pounds per megawatthour or 0.07 pounds per megawatthour. Credit shall be at the rate of one megawatthour for each 3.4 million British thermal units (Btus) of heat recovered.

(4) Notwithstanding paragraphs (1) and (2), a project that does not meet the applicable NO_x emission standard is eligible if it meets both of the following requirements:

(A) The project operates solely on waste gas. The commission shall require a customer that applies for an incentive pursuant to this paragraph to provide an affidavit or other form of proof, that specifies that the project shall be operated solely on waste gas. Incentives awarded pursuant to this paragraph shall be subject to refund and shall be refunded by the recipient to the extent the project does not operate on waste gas. As used in this paragraph, "waste gas" means natural gas that is generated as a byproduct of petroleum production operations and is not eligible for delivery to the utility pipeline system.

(B) The air quality management district or air pollution control district, in issuing a permit to operate the project, determines that operation of the project will produce an onsite net air emissions benefit, compared to permitted onsite emissions if the project does not operate. The commission shall require the customer to secure the permit prior to receiving incentives.

(c) In administering the self-generation incentive program, the commission may adjust the amount of rebates, include other ultraclean and low-emission distributed generation technologies, as defined in Section 353.2, and evaluate other public policy interests, including, but not limited to, ratepayers, and energy efficiency and environmental interests.

SEC. 169. Section 394.25 of the Public Utilities Code is amended to read:

394.25. (a) The commission may enforce the provisions of Sections 2102, 2103, 2104, 2105, 2107, 2108, and 2114 against electric service providers as if those electric service providers were public utilities as defined in these code sections. Notwithstanding the above, nothing in this section grants the commission jurisdiction to regulate electric service providers other than as specifically set forth in this part. Electric service providers shall continue to be subject to the provisions of Sections 2111 and 2112. Upon a finding by the commission's executive director that there is evidence to support a finding that the electric service provider

has committed an act constituting grounds for suspension or revocation of registration as set forth in subdivision (b) of Section 394.25, the commission shall notify the electric service provider in writing and notice an expedited hearing on the suspension or revocation of the electric service provider's registration to be held within 30 days of the notification to the electric service provider of the executive director's finding of evidence to support suspension or revocation of registration. The commission shall, within 45 days after holding the hearing, issue a decision on the suspension or revocation of registration, which shall be based on findings of fact and conclusions of law based on the evidence presented at the hearing. The decision shall include the findings of fact and the conclusions of law relied upon.

(b) An electric service provider may have its registration suspended or revoked, immediately or prospectively, in whole or in part, for any of the following acts:

(1) Making material misrepresentations in the course of soliciting customers, entering into service agreements with those customers, or administering those service agreements.

(2) Dishonesty, fraud, or deceit with the intent to substantially benefit the electric service provider or its employees, agents, or representatives, or to disadvantage retail electricity customers.

(3) Where the commission finds that there is evidence that the electric service provider is not financially or operationally capable of providing the offered electric service.

(4) The misrepresentation of a material fact by an applicant in obtaining a registration pursuant to Section 394.

(c) Pursuant to its authority to revoke or suspend registration, the commission may suspend a registration for a specified period or revoke the registration, or in lieu of suspension or revocation, impose a moratorium on adding or soliciting additional customers. Any suspension or revocation of a registration shall require the electric service provider to cease serving customers within the boundaries of investor-owned electrical corporations, and the affected customers shall be served by the electrical corporation until the time when they may select service from another service provider. Customers shall not be liable for the payment of any early termination fees or other penalties to any electric service provider under the service agreement if the serving electric service provider's registration is suspended or revoked.

(d) The commission shall require any electric service provider whose registration is revoked pursuant to paragraph (4) of subdivision (b) to refund all of the customer credit funds that the electric service provider received from the State Energy Resources Conservation and Development Commission pursuant to subdivision (a) of Section 25744 of the Public

Resources Code. The repayment of these funds shall be in addition to all other penalties and fines appropriately assessed the electric service provider for committing those acts under other provisions of law. All customer credit funds refunded under this subdivision shall be deposited in the Renewable Resource Trust Fund for redistribution by the State Energy Resources Conservation and Development Commission pursuant to Chapter 8.6 (commencing with Section 25740) of Division 15 of the Public Resources Code. This subdivision may not be construed to apply retroactively.

(e) If a customer of an electric service provider or a community choice aggregator is involuntarily returned to service provided by an electrical corporation, any reentry fee imposed on that customer that the commission deems is necessary to avoid imposing costs on other customers of the electrical corporation shall be the obligation of the electric service provider or a community choice aggregator, except in the case of a customer returned due to default in payment or other contractual obligations or because the customer's contract has expired. As a condition of its registration, an electric service provider or a community choice aggregator shall post a bond or demonstrate insurance sufficient to cover those reentry fees. In the event that an electric service provider becomes insolvent and is unable to discharge its obligation to pay reentry fees, the fees shall be allocated to the returning customers.

SEC. 170. Section 2827.10 of the Public Utilities Code is amended to read:

2827.10. (a) As used in this section, the following terms have the following meanings:

(1) "Electrical corporation" means an electrical corporation, as defined in Section 218.

(2) "Eligible fuel cell electrical generating facility" means a facility that includes the following:

(A) Integrated powerplant systems containing a stack, tubular array, or other functionally similar configuration used to electrochemically convert fuel to electric energy.

(B) An inverter and fuel processing system where necessary.

(C) Other plant equipment, including heat recovery equipment, necessary to support the plant's operation or its energy conversion.

(3) "Eligible fuel cell customer-generator" means a customer of an electrical corporation that meets all the following criteria:

(A) Uses a fuel cell electrical generating facility with a capacity of not more than one megawatt that is located on or adjacent to the customer's owned, leased, or rented premises, is interconnected and operates in parallel with the electric grid while the grid is operational or in a grid independent mode when the grid is nonoperational, and is sized

to offset part or all of the eligible fuel cell customer-generator's own electrical requirements.

(B) Is the recipient of local, state, or federal funds, or who self-finances projects designed to encourage the development of eligible fuel cell electrical generating facilities.

(C) Uses technology that meets the definition of an "ultraclean and low-emission distributed generation" in subdivision (a) of Section 353.2.

(4) "Net energy metering" has the same meaning as that term is defined in Section 2827.9.

(b) Every electrical corporation shall, not later than March 1, 2004, file with the commission a standard tariff providing for net energy metering for eligible fuel cell customer-generators, consistent with this section. Every electrical corporation shall make this tariff available to eligible fuel cell customer-generators upon request, on a first-come, first-served basis, until the total cumulative rated generating capacity used by the eligible fuel cell customer-generators equals 45 megawatts within the service territory of the electrical corporation for an electrical corporation with a peak demand above 10,000 megawatts, or equals 22.5 megawatts within the service territory of the electrical corporation for an electrical corporation with a peak demand of 10,000 megawatts or below. The combined statewide cumulative rated generating capacity used by the eligible fuel cell customer-generators in the service territories of all electrical corporations in the state may not exceed 112.5 megawatts.

(c) In determining the eligibility for the cumulative rated generating capacity within an electrical service area, preference shall be given to facilities which, at the time of installation, are located in a community with significant exposure to air contaminants or localized air contaminants, or both, including, but not limited to, communities of minority populations or low-income populations, or both, based on the ambient air quality standards established pursuant to Section 39607 of the Health and Safety Code.

(d) Each net energy metering contract or tariff shall be identical, with respect to rate structure, all retail rate components, and any monthly charges, to the contract or tariff to which the customer would be assigned if the customer was not an eligible fuel cell customer-generator. Any new or additional demand charge, standby charge, customer charge, minimum monthly charge, interconnection charge, or other charge that would increase an eligible fuel cell customer-generator's costs beyond those of other customers in the rate class to which the eligible fuel cell customer-generator would otherwise be assigned are contrary to the intent of the Legislature in enacting Chapter 661 of the Statutes of 2003, and may not form a part of net energy metering tariffs.

(e) The net metering calculation shall be carried out in accordance with Section 2827.9.

(f) This section shall remain in effect only until January 1, 2006, and as of that date is repealed, unless a later enacted statute, that is enacted before January 1, 2006, deletes or extends that date.

SEC. 171. Section 2828 of the Public Utilities Code is amended to read:

2828. (a) As used in this section, the following terms have the following meanings:

(1) "Environmental attributes" associated with the Hetch Hetchy Water and Power solar generation include, but are not limited to, the credits, benefits, emissions reductions, environmental air quality credits, and emissions reduction credits, offsets, and allowances, however entitled, resulting from the avoidance of the emission of any gas, chemical, or other substance attributable to the Hetch Hetchy Water and Power photovoltaic electricity generation facility owned by the City and County of San Francisco.

(2) "HHWP solar generation" means the electricity generated by Hetch Hetchy Water and Power photovoltaic electricity generation facilities owned by the City and County of San Francisco, designated by the City and County of San Francisco pursuant to subdivision (b) and not to exceed five megawatts of peak generation capacity in total.

(3) "Interconnection Agreement" means the 1987 agreement between Pacific Gas and Electric Company and the City and County of San Francisco, as filed with and accepted by the Federal Energy Regulatory Commission (FERC), and as amended from time to time with FERC approval, which provides for rates for transmission, distribution, and sales of supplemental electricity to the City and County of San Francisco. Nothing in this section shall waive or modify the rights of parties under the Interconnection Agreement or the jurisdiction of the FERC over rates set forth in the Interconnection Agreement.

(4) "Appropriate TOU tariff" means the Time-of-Use tariff that would be applicable to the City and County of San Francisco account at the photovoltaic project site if the facility at the site were a Pacific Gas and Electric Company bundled customer, as determined by Pacific Gas and Electric Company.

(b) The City and County of San Francisco may elect to designate specific photovoltaic electricity generation facilities as HHWP solar generation, if all of the following conditions are met:

(1) No single photovoltaic generation project exceeds one megawatt of peak generation capacity.

(2) The photovoltaic project utilizes a meter, or multiple meters, capable of separately measuring electricity flow in both directions. All

meters shall provide “time-of-use” measurement information. If the existing meter at the site of the photovoltaic project is not capable of providing time-of-use information or is not capable of separately measuring total flow of energy in both directions, the City and County of San Francisco is responsible for all expenses involved in purchasing and installing a meter or meters that are both capable of providing time-of-use information and able to separately measure total electricity flow in both directions.

(3) The amount of all electricity delivered to the electric grid by the designated HHWP solar generation is the property of Pacific Gas and Electric Company.

(4) The City and County of San Francisco does not sell electricity delivered to the electric grid from the designated HHWP solar generation to a third party.

(5) Ownership and use of the environmental attributes associated with the electricity delivered to the electric grid by HHWP solar generation shall be determined by the commission in accordance with Article 16 (commencing with Section 399.11) of Chapter 2.3 of Part 1.

(c) For each site of a photovoltaic project that comprises the HHWP solar generation, Pacific Gas and Electric Company shall identify the appropriate TOU tariff for that site. Any electricity exported to the Pacific Gas and Electric Company grid at that site shall, for each time-of-use period, result in a monetary credit to be applied monthly as a credit or offset against the invoice created pursuant to the Interconnection Agreement and shall be valued at the generation component of the appropriate TOU tariff. The commission shall determine if it is appropriate to increase the credit to reflect any additional value derived from the location or the environmental attributes of, the designated HHWP solar generation.

(d) Monthly charges and credit amounts are interim and subject to an accounting true-up, consistent with commission policies and practices. The true-up shall be performed annually or upon the termination, for any reason, of the Interconnection Agreement. The true-up shall accomplish the following:

(1) If the total electricity delivered to the site by Pacific Gas and Electric Company since the previous true-up equals or exceeds the total electricity exported to the grid by the Hetch Hetchy photovoltaic electricity generation facility at the site, the City and County of San Francisco is a net electricity consumer at that site. For any site where the City and County of San Francisco is a net electricity consumer, a credit or offset shall be applied to reduce the obligations of the City and County of San Francisco to an invoice prepared pursuant to the

Interconnection Agreement. If there is no invoiced obligation to be reduced, there is no applicable credit.

(2) If the total electricity delivered to the site by Pacific Gas and Electric Company since the previous true-up is less than the total electricity exported to the grid by the Hetch Hetchy photovoltaic electricity generation facility at the site, the City and County of San Francisco is a net electricity producer at that site. For any site where the City and County of San Francisco is a net electricity producer, the City and County of San Francisco shall receive no credit or offset for the electricity exported to the grid in excess of the electricity delivered to the site from the grid. For any site where the City and County of San Francisco is a net electricity producer, the City and County of San Francisco shall receive a credit or offset up to the amount of electricity delivered to the site from the grid. The credit or offset shall be applied to reduce the obligations of the City and County of San Francisco to an invoice prepared pursuant to the Interconnection Agreement. If there is no invoiced obligation to be reduced, there is no applicable credit or offset. Pacific Gas and Electric Company shall use the last-in, first-out method to determine what electricity delivered to the grid from the site will not earn a credit or offset.

(e) Notwithstanding any other provision of this section, if the City and County of San Francisco engages in retail sales to customers within the service territory of Pacific Gas and Electric Company, as a result of becoming a community choice aggregator, as a result of municipalization, or otherwise, all other provisions of this section shall become inoperative.

(f) Pursuant to this section, the offset to charges under the Interconnection Agreement is the medium to convey credits earned under this section. Nothing in this section shall be construed to affect in any way the rights and obligations of the City and County of San Francisco and Pacific Gas and Electric Company under the Interconnection Agreement.

(g) Pacific Gas and Electric Company shall file an advice letter with the commission, that complies with this section, not later than 10 days after the City and County of San Francisco first designates the specific generation facilities that will comprise HHWP solar generation. The commission, within 30 days of the date of filing of the advice letter, shall approve the advice letter or specify conforming changes to be made by Pacific Gas and Electric Company to be filed in an amended advice letter within 30 days.

(h) The City and County of San Francisco may terminate its election pursuant to subdivisions (b), (c), and (d), upon providing Pacific Gas and Electric Company with a minimum of 60 days' written notice.

SEC. 172. Section 21661.5 of the Public Utilities Code is amended to read:

21661.5. (a) No political subdivision, any of its officers or employees, or any person may submit any application for the construction of a new airport to any local, regional, state, or federal agency unless the plan for construction is first approved by the board of supervisors of the county, or the city council of the city, in which the airport is to be located and unless the plan is submitted to the appropriate commission exercising powers pursuant to Article 3.5 (commencing with Section 21670) of Chapter 4 of Part 1 of Division 9, and acted upon by that commission in accordance with the provisions of that article.

(b) A county board of supervisors or a city council may, pursuant to Section 65100 of the Government Code, delegate its responsibility under this section for the approval of a plan for construction of new helicopter landing and takeoff areas, to the county or city planning agency.

SEC. 173. Section 90300 of the Public Utilities Code is amended to read:

90300. (a) Employees have the right to self-organize, to form, join, or assist labor organizations, to bargain collectively through representatives of their own choosing, and to engage in other concerted activities for the purpose of collective bargaining or other mutual aid or protection. It is declared to be in the public interest that the district not express any preference for one union over another.

(1) (A) Notwithstanding any other provision of this act, if a majority of the employees employed by a district in a unit appropriate for collective bargaining indicate a desire to be represented by a labor organization, then the district, after determining pursuant to subdivision (f) that the labor organization represents the employees in the appropriate unit, shall enter into a written contract with the accredited representative of those employees governing wages, salaries, hours, and working conditions.

(B) (i) If a dispute arises over wages, salaries, hours, or working conditions that is not resolved by negotiations conducted in good faith between the district and the labor organization, then upon the request of either party, the district and the labor organization may submit the dispute to an arbitration board. The decision of a majority of the arbitration board shall be final.

(ii) The arbitration board shall be composed of two representatives of the district, two representatives of the labor organization, and a fifth member to be agreed upon by the representatives of the district and labor organization.

(iii) If the representatives of the district and labor organization are unable to agree on the fifth member, then the names of five persons

experienced in labor arbitration shall be obtained from the California State Mediation and Conciliation Service within the Department of Industrial Relations. The labor organization and the district shall, alternately, strike a name from the list supplied by the California State Mediation and Conciliation Service. The labor organization and the district shall determine by lot who shall first strike a name from the list. After the labor organization and the district have stricken four names, the name remaining shall be designated as the arbitrator. The decision of a majority of the arbitration board shall be final and binding upon the parties.

(iv) The expenses of arbitration shall be borne equally by the parties. Each party shall bear the party's own costs.

(b) If the board and the representatives of the employees do not agree to submit the dispute to an arbitration board as provided in subdivision (a), either party may notify the California State Mediation and Conciliation Service that a dispute exists and that there is no agreement to arbitrate. The California State Mediation and Conciliation Service shall determine whether or not the dispute can be resolved by the parties and, if not, the issues that are the subject of the dispute. After making its determination, the service shall certify its findings to the Governor who shall, within 10 days of receipt of certification, appoint a factfinding commission consisting of three persons. The factfinding commission shall immediately convene and investigate the issues involved in the dispute. The commission shall report to the Governor within 30 days of the date of its creation.

(c) After the creation of the commission and for 30 days after the date the commission made its report to the Governor, the parties to the controversy shall not make any change, except by mutual agreement, in the conditions out of which the dispute arose. Service to the public shall be provided during that time.

(d) A contract or agreement shall not be made, or assumed, with any labor organization, association, group, or individual that denies membership to, or in any manner discriminates against, any employee on any basis listed in subdivision (a) of Section 12940 of the Government Code, as those bases are defined in Sections 12926 and 12926.1 of the Government Code. However, the organization may preclude from membership any individual who advocates the overthrow of the government by force or violence.

(e) The district shall not discriminate with regard to employment against any person on any basis listed in subdivision (a) of Section 12940 of the Government Code, as those bases are defined in Sections 12926 and 12926.1 of the Government Code, except as otherwise provided in Section 12940 of the Government Code.

(f) (1) Any questions regarding whether a labor organization represents a majority of employees or whether the proposed unit is or is not appropriate, shall be submitted to the California State Mediation and Conciliation Service for disposition. The California State Mediation and Conciliation Service shall promptly hold a public hearing after due notice to all interested parties to determine the unit appropriate for the purposes of collective bargaining. In making that determination and in establishing rules and regulations governing petitions and the conduct of hearings and elections, the California State Mediation and Conciliation Service shall be guided by relevant federal law and administrative practice, developed under the Labor-Management Relations Act of 1947 (29 U.S.C. Sec. 141 et seq.).

(2) The California State Mediation and Conciliation Service shall provide for an election to determine the question of representation and shall certify the results to the parties. A certification of a labor organization to represent or act for the employees in any collective bargaining unit shall not be subject to challenge on the grounds that a new substantial question of representation within the collective bargaining unit exists until the lapse of one year from the date of certification or the expiration of any collective bargaining agreement, whichever is later. However, no collective bargaining agreement shall be construed to be a bar to representation proceedings for a period of more than two years.

(g) If the district acquires existing facilities from a publicly or privately owned public utility, either in proceedings by eminent domain or otherwise, the district shall assume and observe all existing labor contracts.

(1) To the extent necessary for operation of facilities, all of the employees of the acquired public utility whose duties pertain to the facilities acquired shall be appointed to comparable positions in the district without examination, subject to all the rights and benefits of this act. Those employees shall be given sick leave, seniority, vacation, and pension credits in accordance with the records and labor agreements of the acquired public utility.

(2) Members and beneficiaries of any pension or retirement system, or other benefits established by the public utility, shall continue to have the rights, privileges, benefits, obligations, and status with respect to the established system. No employee of any acquired public utility may be subject to a reduction in wages, seniority, pension, vacation, or other benefits as a result of the acquisition.

(3) The district may extend the benefits of this section to officers or supervisory employees of the acquired utility.

(h) The district shall not do any of the following:

(1) Acquire any existing system or part of an existing system, whether by purchase, lease, condemnation, or otherwise.

(2) Dispose of or lease any transit system or part of the transit system.

(3) Merge, consolidate, or coordinate any transit system or part of the transit system.

(4) Reduce or limit the lines or service of any existing system or of the district's system unless the district has first made adequate provision for any employees who are or may be displaced. The terms and conditions of that provision shall be a proper subject of collective bargaining.

(i) Notwithstanding any provision of the Government Code, the district may make deductions from the wages and salaries of its employees who authorize the deductions for the following purposes:

(1) Pursuant to a collective bargaining agreement with a duly designated or certified labor organization, for the payment of union dues, fees, or assessments.

(2) For the payment of contributions pursuant to any health and welfare plan, or pension or retirement plan.

(3) For any purpose for which employees of any private employer may authorize deductions.

(j) (1) The obligation of the district to bargain in good faith with a duly designated or certified labor organization and to execute a written collective bargaining agreement with that labor organization covering the wages, hours, and working conditions of the employees represented by that labor organization in an appropriate unit, and to comply with the terms of the collective bargaining agreement, shall not be limited or restricted by any provision of law. The obligation of the district to bargain collectively shall extend to all subjects of collective bargaining that are or may be proper subjects of collective bargaining with a private employer, including retroactive provisions.

(2) Notwithstanding any other provision of law, the district shall make deductions from the wages and salaries of its employees, upon receipt of authorization to make those deductions, for the payment of union dues, fees, or assessments, for the payment of contributions pursuant to any health and welfare plan or pension plan, or for any other purpose for which employees of any private employer may authorize deductions, where those deductions are pursuant to a collective bargaining agreement with a duly designated or certified labor organization.

(k) The district may provide for a retirement system, provided that the adoption, terms, and conditions of any retirement system covering employees of the district represented by a labor organization in accordance with this section shall be pursuant to a collective bargaining agreement between the labor organization and the district.

(l) The district shall take any steps that may be necessary to obtain coverage for the district and its employees under Title II of the Federal Social Security Act (42 U.S.C. Sec. 401 et seq.), and the related provisions of the Federal Insurance Contributions Act (26 U.S.C. Sec. 3101 et seq.).

(m) The district shall take any steps that may be necessary to obtain coverage for the district and its employees under the workers' compensation (Division 4 (commencing with Section 3200) and Division 4.5 (commencing with Section 6100) of the Labor Code), unemployment compensation disability (Part 2 (commencing with Section 2691) of Division 1 of the Unemployment Insurance Code), and unemployment insurance (Part 1 (commencing with Section 100) of Division 1 of the Unemployment Insurance Code) laws of the State of California.

(a) Five members of the Ventura County Board of Supervisors.

(b) One member from each incorporated city within Ventura County who shall be the mayor of the city or a member of its city council. The term of a member under this subdivision terminates when he or she ceases to hold that office or when replaced by the city council.

(c) One citizen member appointed by the Ventura County Board of Supervisors, who shall not be an elected official, but who shall be a resident of Ventura County.

(d) One citizen member appointed by the Ventura County City Selection Committee, who shall not be an elected official, but who shall be a resident of Ventura County.

(e) One nonvoting member appointed by the Governor.

SEC. 175. Section 130630 of the Public Utilities Code is amended to read:

130630. The role of the board as it relates to the MTA is as follows:

(a) The board provides counsel and direction to management and shall not be involved in the day-to-day affairs of the MTA.

(b) Board members do not have individual power or authority over the MTA. That power and decisionmaking authority lie with the full board.

SEC. 176. Section 170042 of the Public Utilities Code is amended to read:

170042. (a) The board may act only by ordinance or resolution for the regulation of the authority and undertaking all acts necessary and convenient for the exercise of the authority's powers.

(b) The authority may adopt and enforce rules and regulations for the administration, maintenance, operation, and use of its facilities and services.

(c) (1) A person who violates a rule, regulation, or ordinance adopted by the board is guilty of a misdemeanor punishable pursuant to Section 19 of the Penal Code, or an infraction under the circumstances set forth in paragraph (1) or (2) of subdivision (d) of Section 17 of the Penal Code.

(2) The authority may employ necessary personnel to enforce this section.

(d) A majority of the membership of the board shall constitute a quorum for the transaction of business.

SEC. 177. Section 69.4 of the Revenue and Taxation Code is amended to read:

69.4. (a) (1) Notwithstanding any other provision of law, pursuant to the authority of subdivision (i) of Section 2 of Article XIII A of the California Constitution, the base year value of qualified contaminated property may be transferred, subject to the conditions and limitations of that subdivision and this section, to a comparable replacement property of equal or lesser value that is located in the same county and is acquired or newly constructed as a replacement for the contaminated property, pursuant to subparagraph (A) of paragraph (1) of that subdivision.

(2) The limitation in paragraph (1) requiring that the qualified contaminated property and the replacement property be located in the same county does not apply in a county in which the county board of supervisors adopts a resolution making the provisions of this section applicable to replacement properties acquired to replace qualified contaminated properties located in another county within this state. The resolution shall specify the date on and after which its provisions are applicable. The specified date may be a date earlier than the date on which the county adopts the ordinance, but no earlier than November 3, 1998.

(b) The replacement property shall be acquired or newly constructed within five years after the original property is sold or otherwise transferred.

(c) (1) Upon the sale or transfer of the original property, the assessor shall determine a new base year value for that property in accordance with subdivision (a) of Section 2 of Article XIII A of the California Constitution and Section 110.1.

(2) This section does not apply unless the sale or transfer of the original property is a change in ownership that does either of the following:

(A) Subjects the original property to reappraisal at its current fair market value in accordance with Section 110.1 or 5803.

(B) Results in a base year value determined in accordance with this section, Section 69, Section 69.3, or Section 69.5 because the property qualifies under this section, Section 69, Section 69.3, or Section 69.5 as a replacement dwelling or property.

(d) Property tax relief under this section is not available for a replacement property if the owner or owners of the original property do either of the following:

(1) Receive property tax relief under Section 74.7.

(2) Sign a claim under Section 63.1 allowing the base year value to stay with the original property.

(e) For purposes of this section:

(1) The “original property” means the qualified contaminated property.

(2) “Equal or lesser value” means the amount of the full cash value of a replacement property that does not exceed one of the following:

(A) One hundred five percent of the amount of the full cash value of the original property, if the replacement property is purchased or newly constructed within the first year following the date of the sale of the original property.

(B) One hundred ten percent of the amount of the full cash value of the original property, if the replacement property is purchased or newly constructed within the second year following the date of the sale of the original property.

(C) One hundred fifteen percent of the amount of the full cash value of the original property, if the replacement property is purchased or newly constructed within the third year following the date of the sale of the original property.

(D) One hundred twenty percent of the amount of the full cash value of the original property, if the replacement property is purchased or newly constructed within the fourth year following the date of the sale of the original property.

(E) One hundred twenty-five percent of the amount of the full cash value of the original property, if the replacement property is purchased or newly constructed within the fifth year following the date of the sale of the original property.

For purposes of this paragraph, if the replacement property is, in part, purchased and, in part, newly constructed, the date the replacement property is “acquired or newly constructed” is the date of acquisition or the date of completion of construction, whichever is later.

(3) The base year value of the original property shall be the base year value of the original property as determined in accordance with Section 110.1, with the inflation factor adjustments permitted by subdivision (f) of Section 110.1. The base year value of the original property shall also include any inflation factor adjustments permitted by subdivision (f) of

Section 110.1 up to the date the replacement property is acquired or newly constructed, regardless of whether the claimant continued to own the original property during this entire period. The base year or years used to compute the base year value of the original property shall be deemed to be the base year or years of any property to which that base year value is transferred pursuant to this section.

(4) "Fair market value of the replacement property" means the full cash value of the replacement property determined in accordance with Section 110.1 as of the date on which that property was acquired or new construction was completed. If the replacement property is, in part, acquired and, in part, newly constructed, "fair market value of the replacement property" means the fair market value of the land and the improvements as of the date of completion.

(5) "Fair market value of the qualified contaminated property" means the full cash value of the qualified contaminated property, as if that property was not contaminated, determined in accordance with Section 110.1, as of the date of its sale or transfer by the claimant.

(6) "Claimant" means any owner of qualified contaminated property claiming the property tax relief provided by this section.

(7) "Comparable replacement property" means a property that is similar in utility and function to the property that it replaces. Property is similar in function and utility if it is, or is intended to be, used in the same manner as the qualified contaminated property.

(f) (1) A claimant is not eligible for the property tax relief provided by this section unless a claim is filed within three years of the date the replacement property was purchased or the new construction of the replacement property was completed.

(2) The claimant shall provide to the assessor the following information:

(A) Proof that the claimant did not participate or acquiesce in any act or omission that rendered the real property uninhabitable or unusable, as applicable, or is related to any individual or entity that committed that act or omission.

(B) Proof that the qualified contaminated property has been designated as a toxic or environmental hazard or as an environmental cleanup site by an agency of the State of California or the federal government.

(3) The State Board of Equalization shall design the form for claiming eligibility.

(g) (1) Upon the timely filing of a claim, the assessor shall adjust the new base year value as of the date the replacement property is acquired or the date the new construction of the replacement property is completed, whichever is later.

(2) Any taxes that were levied on the replacement property prior to the filing of the claim on the basis of the replacement property's new base year value, and any allowable annual adjustments thereto, shall be canceled or refunded to the claimant to the extent that the taxes exceed the amount that would be due when determined on the basis of the adjusted new base year value.

(3) Notwithstanding Section 75.10, Chapter 3.5 (commencing with Section 75) of Part 0.5 of Division 1 shall be utilized for purposes of implementing this subdivision, including adjustments of the new base year value of replacement properties acquired prior to the sale or transfer of the qualified contaminated property.

(h) This section applies only to replacement property that is acquired or newly constructed on or after January 1, 1995.

SEC. 178. Section 214 of the Revenue and Taxation Code is amended to read:

214. (a) Property used exclusively for religious, hospital, scientific, or charitable purposes owned and operated by community chests, funds, foundations, limited liability companies, or corporations organized and operated for religious, hospital, scientific, or charitable purposes is exempt from taxation, including ad valorem taxes to pay the interest and redemption charges on any indebtedness approved by the voters prior to July 1, 1978, or any bonded indebtedness for the acquisition or improvement of real property approved on or after July 1, 1978, by two-thirds of the votes cast by the voters voting on the proposition, if:

(1) The owner is not organized or operated for profit. However, in the case of hospitals, the organization shall not be deemed to be organized or operated for profit if, during the immediately preceding fiscal year, operating revenues, exclusive of gifts, endowments and grants-in-aid, did not exceed operating expenses by an amount equivalent to 10 percent of those operating expenses. As used herein, operating expenses include depreciation based on cost of replacement and amortization of, and interest on, indebtedness.

(2) No part of the net earnings of the owner inures to the benefit of any private shareholder or individual.

(3) The property is used for the actual operation of the exempt activity, and does not exceed an amount of property reasonably necessary to the accomplishment of the exempt purpose.

(A) For the purposes of determining whether the property is used for the actual operation of the exempt activity, consideration shall not be given to use of the property for either or both of the following described activities if that use is occasional:

(i) The owner conducts fundraising activities on the property and the proceeds derived from those activities are not unrelated business taxable

income, as defined in Section 512 of the Internal Revenue Code, of the owner and are used to further the exempt activity of the owner.

(ii) The owner permits any other organization that meets all of the requirements of this subdivision, other than ownership of the property, to conduct fundraising activities on the property and the proceeds derived from those activities are not unrelated business taxable income, as defined in Section 512 of the Internal Revenue Code, of the organization, are not subject to the tax on unrelated business taxable income that is imposed by Section 511 of the Internal Revenue Code, and are used to further the exempt activity of the organization.

(B) For purposes of subparagraph (A):

(i) "Occasional use" means use of the property on an irregular or intermittent basis by the qualifying owner or any other qualifying organization described in clause (ii) of subparagraph (A) that is incidental to the primary activities of the owner or the other organization.

(ii) "Fundraising activities" means both activities involving the direct solicitation of money or other property and the anticipated exchange of goods or services for money between the soliciting organization and the organization or person solicited.

(C) Subparagraph (A) shall have no application in determining whether paragraph (3) has been satisfied unless the owner of the property and any other organization using the property as provided in subparagraph (A) have filed with the assessor a valid organizational clearance certificate issued pursuant to Section 254.6.

(D) For the purposes of determining whether the property is used for the actual operation of the exempt activity, consideration shall not be given to the use of the property for meetings conducted by any other organization if the meetings are incidental to the other organization's primary activities, are not fundraising meetings or activities as defined in subparagraph (B), are held no more than once per week, and the other organization and its use of the property meet all other requirements of paragraphs (1) to (5), inclusive. The owner of the other organization also shall file with the assessor a valid organizational clearance certificate issued pursuant to Section 254.6.

(E) Nothing in subparagraph (A), (B), (C), or (D) shall be construed to either enlarge or restrict the exemption provided for in subdivision (b) of Section 4 and Section 5 of Article XIII of the California Constitution and this section.

(4) The property is not used or operated by the owner or by any other person so as to benefit any officer, trustee, director, shareholder, member, employee, contributor, or bondholder of the owner or operator, or any other person, through the distribution of profits, payment of excessive

(e) The interest that is to be deposited in the Transportation Deferred Investment Fund pursuant to subdivision (b) shall be allocated proportionately to each program element in paragraphs (2) to (5), inclusive, of subdivision (c) of Section 7104, based on the amount that each program did not receive in the 2003-04 fiscal year due to suspension of the transfer pursuant to Section 14557 of the Government Code.

(f) The Legislature finds and declares that continued investment in transportation is essential for the California economy. That investment reduces traffic congestion, assists in economic development, improves the condition of local streets and roads, and provides high-quality public transportation.

(i) Is based on the facts and law that exist at the time the return of tax that includes that tax treatment is filed.

(ii) Relates solely to the taxpayer’s chances of success on the merits of that treatment and does not take into account the possibility that the return will not be audited, that the treatment will not be raised on audit, or that the treatment will be resolved through settlement if it is raised.

(IV) As determined under regulations prescribed by either the Secretary of the Treasury for federal income tax purposes or the Franchise Tax Board, has a continuing financial interest with respect to the transaction.

(iii) For purposes of clause (i), an opinion is disqualified if the opinion meets any of the following conditions:

SEC. 188. Section 20583 of the Revenue and Taxation Code is amended to read:

20583. (a) “Residential dwelling” means a dwelling occupied as the principal place of residence of the claimant, and so much of the land surrounding it as is reasonably necessary for use of the dwelling as a home, owned by the claimant, the claimant and spouse, or by the claimant and either another individual eligible for postponement under this chapter or an individual described in subdivision (a), (b), or (c) of Section 20511 and located in this state. It shall include condominiums and mobilehomes that are assessed as realty for local property tax purposes. It also includes part of a multidwelling or multipurpose building and a part of the land upon which it is built. In the case of a mobilehome not assessed as real property that is located on land owned by the claimant, “residential dwelling” includes the land on which the mobilehome is situated and so much of the land surrounding it as reasonably necessary for use of the mobilehome as a home.

(b) As used in this chapter in reference to ownership interests in residential dwellings, “owned” includes (1) the interest of a vendee in possession under a land sale contract provided that the contract or memorandum thereof is recorded and only from the date of recordation of the contract or memorandum thereof in the office of the county recorder where the residential dwelling is located, (2) the interest of the holder of a life estate provided that the instrument creating the life estate is recorded and only from the date of recordation of the instrument creating the life estate in the office of the county recorder where the residential dwelling is located, but “owned” does not include the interest of the holder of any remainder interest or the holder of a reversionary interest in the residential dwelling, (3) the interest of a joint tenant or a tenant in common in the residential dwelling or the interest of a tenant where title is held in tenancy by the entirety or a community property interest where title is held as community property, and (4) the interest in the residential dwelling in which the title is held in trust, as described in subdivision (d) of Section 62, provided that the Controller determines that the state’s interest is adequately protected.

(c) For purposes of this chapter, the registered owner of a mobilehome shall be deemed to be the owner of the mobilehome.

(d) Except as provided in subdivision (c), and Chapter 3 (commencing with Section 20625), ownership must be evidenced by an instrument duly recorded in the office of the county where the residential dwelling is located.

(e) “Residential dwelling” does not include any of the following:

(1) Any residential dwelling in which the owners do not have an equity of at least 20 percent of the full value of the property as determined for purposes of property taxation or at least 20 percent of the fair market value as determined by the Controller and where the Controller determines that the state’s interest is adequately protected. The 20-percent equity requirement shall be met at the time the claimant or authorized agent files an initial postponement claim and tenders to the tax collector the initial certificate of eligibility described in Sections 20602, 20639.6, and 20640.6.

(2) Any residential dwelling in which the claimant’s interest is held pursuant to a contract of sale or under a life estate, unless the claimant obtains the written consent of the vendor under the contract of sale, or the holder of the reversionary interest upon termination of the life estate, for the postponement of taxes and the creation of a lien on the real property in favor of the state for amounts postponed pursuant to this act.

(3) Any residential dwelling on which the claimant does not receive a secured tax bill.

(4) Any residential dwelling in which the claimant's interest is held as a possessory interest, except as provided in Chapter 3.5 (commencing with Section 20640).

(5) (A) Except as provided in this section, any residential dwelling on which the property taxes, as defined in Section 20584, are delinquent at the time the application for postponement under this chapter is made or on which any other property tax or special assessment imposed by a special district or other tax code area is delinquent at the time the application for postponement under this chapter is made.

(B) Any taxes or assessments described in subparagraph (A) that are delinquent on July 1, 1977, will not disqualify an otherwise eligible dwelling for postponement under this chapter. An application for postponement under this chapter to postpone the payment of property taxes for the 1977-78 fiscal year, shall also constitute an application for the postponement of all those delinquent taxes and assessments, together with any penalties, interest, fees, or other charges resulting from that delinquency and those amounts shall, unless otherwise paid by the claimant, be paid out of the amount appropriated by Section 16100 of the Government Code and shall be added to and become part of the obligation secured by the lien provided by Section 16182 of the Government Code; provided, however, that upon payment of delinquent taxes and assessments for the 1976-77 fiscal year out of the amount appropriated by Section 16100, any delinquent penalties, interest, fees or other charges resulting from the delinquency of those taxes and assessments for the 1976-77 fiscal year shall be canceled.

(C) For the 1978-79 fiscal year and each fiscal year thereafter, any taxes or assessments described in subparagraph (A) that became delinquent after the claimant was 62 and before the claimant first has established a lien pursuant to Section 16182 of the Government Code will not disqualify an otherwise eligible dwelling for postponement under this chapter. An application to postpone taxes for the 1978-79 fiscal year or for any fiscal year thereafter shall also constitute an application for the postponement of all delinquent taxes and assessments, together with any penalties, interest, fees, or other charges resulting from the delinquency and those amounts shall, unless otherwise paid by the claimant, be paid out of the amount appropriated by Section 16100 of the Government Code and shall be added to and become part of the obligation secured by the lien provided by Section 16182 of the Government Code.

(6) All taxes or assessments described in subparagraph (A) of paragraph (5) that are delinquent on the date this bill takes effect will not disqualify an otherwise eligible blind or disabled applicant's dwelling from postponement under this chapter. A blind or disabled citizen's

application for postponement of property taxes will not constitute an application for the postponement of any delinquent taxes and assessments, or any penalties, interest, fees or other charges resulting from delinquency. Delinquent taxes of blind or disabled applicants are not subject to postponement under this chapter.

SEC. 196. Section 5205.5 of the Vehicle Code is amended to read:

5205.5. (a) For the purposes of implementing Section 21655.9, the department shall make available for issuance, for a fee determined by the department to be sufficient to reimburse the department for the actual costs incurred pursuant to this section, distinctive decals, labels, and other identifiers that clearly distinguish the following vehicles from other vehicles:

(1) A vehicle that meets California's super ultra-low emission vehicle (SULEV) standard for exhaust emissions and the federal inherently low-emission vehicle (ILEV) evaporative emission standard, as defined in Part 88 (commencing with Section 88.101-94) of Title 40 of the Code of Federal Regulations.

(2) A vehicle that was produced during the 2004 model year or earlier and meets California ultra-low emission vehicle (ULEV) standard for exhaust emissions and the federal ILEV standard.

(3) A hybrid vehicle or an alternative fuel vehicle that meets California's advanced technology partial zero-emission vehicle (AT PZEV) standard for criteria pollutant emissions and has a 45 miles per gallon or greater fuel economy highway rating.

(4) A hybrid vehicle that was produced during the 2004 model year or earlier and has a 45 miles per gallon or greater fuel economy highway rating, and meets California's ultra-low emission vehicle (ULEV), super ultra-low emission vehicle (SULEV), or partial zero-emission vehicle (PZEV) standards.

(b) Neither an owner of a hybrid vehicle that meets the AT PZEV standard, with the exception of a vehicle that meets the federal ILEV

standard, nor an owner of a hybrid vehicle described in paragraph (4) of subdivision (a), is entitled to a decal, label, or other identifier pursuant to this section unless, and until, the federal government acts to approve the use of high-occupancy vehicle lanes by vehicles of the types identified in paragraph (3) or (4) of subdivision (a), regardless of the number of occupants.

(c) The department shall include a summary of the provisions of this section on each motor vehicle registration renewal notice, or on a separate insert, if space is available and the summary can be included without incurring additional printing or postage costs.

(d) The Department of Transportation shall remove individual high-occupancy vehicle (HOV) lanes, or portions of those lanes, during periods of peak congestion from the access provisions provided in subdivision (a), following a finding by the Department of Transportation as follows:

(1) The lane, or portion thereof, exceeds a level of service C, as discussed in subdivision (b) of Section 65089 of the Government Code.

(2) The operation or projected operation of the vehicles described in subdivision (a) in these lanes, or portions thereof, will significantly increase congestion.

The finding also shall demonstrate the infeasibility of alleviating the congestion by other means, including, but not limited to, reducing the use of the lane by noneligible vehicles, or further increasing vehicle occupancy.

(e) The State Air Resources Board shall publish and maintain a listing of all vehicles eligible for participation in the programs described in this section. The board shall provide that listing to the department.

(f) For purposes of subdivision (a), the Department of the California Highway Patrol and the department, in consultation with the Department of Transportation, shall design and specify the placement of the decal, label, or other identifier on the vehicle. Each decal, label, or other identifier issued for a vehicle shall display a unique number, which number shall be printed on, or affixed to, the vehicle registration.

(g) (1) For purposes of subdivision (a), the department shall issue no more than 75,000 distinctive decals, labels, or other identifiers that clearly distinguish the vehicles specified in paragraphs (3) and (4) of subdivision (a).

(2) The department shall notify the Department of Transportation immediately after the date on which the department has issued 50,000 decals, labels, and other identifiers under this section for the vehicles described in paragraphs (3) and (4) of subdivision (a).

(3) The Department of Transportation shall determine whether significant high-occupancy vehicle lane breakdown has occurred throughout the state, in accordance with the following timeline:

(A) For lanes that are nearing capacity, the Department of Transportation shall make the determination not later than 90 days after the date provided by the department under paragraph (2).

(B) For lanes that are not nearing capacity, the Department of Transportation shall make the determination not later than 180 days after the date provided by the department under paragraph (2).

(4) In making the determination that significant high-occupancy vehicle lane breakdown has occurred, the Department of Transportation shall consider the following factors in the HOV lane:

(A) Reduction in level of service.

(B) Sustained stop-and-go conditions.

(C) Slower than average speed than the adjacent mixed flow lanes.

(D) Consistent increase in travel time.

(5) After making the determinations pursuant to subparagraphs (A) and (B) of paragraph (3), if the Department of Transportation determines that significant high-occupancy vehicle lane breakdown has occurred throughout the state, the Department of Transportation shall immediately notify the department of that determination, and the department, on the date of receiving that notification, shall discontinue issuing the decals, labels, or other identifiers for the vehicles described in paragraphs (3) and (4) of subdivision (a).

(h) If the Metropolitan Transportation Commission, serving as the Bay Area Toll Authority, grants toll-free and reduced-rate passage on toll bridges under its jurisdiction to any vehicle pursuant to Section 30102.5 of the Streets and Highways Code, it shall also grant the same toll-free and reduced-rate passage to a vehicle displaying an identifier issued by the department pursuant to paragraph (1) or (2) of subdivision (a) and to a vehicle displaying a valid identifier issued by the department pursuant to paragraph (3) or (4) of subdivision (a) if either of the following apply:

(1) The vehicle is registered to an address outside of the region identified in Section 66502 of the Government Code.

(2) If the vehicle is registered to an address inside the region, the owner of the vehicle complies with subdivision (i) unless subdivision (j) is applicable.

(i) An owner of a vehicle specified in paragraph (3) or (4) of subdivision (a) whose vehicle is registered to an address in the region identified in Section 66502 of the Government Code and who seeks a vehicle identifier under subdivision (a) shall obtain an account to operate within the automatic vehicle identification system described in Section

27565 of the Streets and Highways Code and shall submit to the department a form, approved by the department and issued by the Bay Area Toll Authority, that contains the vehicle owner's name, the license plate number and vehicle identification number of the vehicle, the vehicle make and year model, and the automatic vehicle identification system account number, as a condition to obtaining a vehicle identifier pursuant to subdivision (a) that allows for the use of that vehicle in high-occupancy vehicle lanes regardless of the number of occupants.

(j) If the automatic vehicle identification system readers on all high-occupancy vehicle lanes on all of the toll bridges identified in subdivision (a) of Section 30910 of the Streets and Highways Code are not fully operational and fully funded with bridge tolls controlled by the Bay Area Toll Authority within 90 days of the federal government approval described in subdivision (b), then subdivision (i) shall not be applicable and both of the following shall apply:

(1) The Metropolitan Transportation Commission, acting as the Bay Area Toll Authority, shall grant toll-free and reduced-rate passage to all vehicles displaying an identifier issued by the department pursuant to subdivision (a).

(2) The department shall not require documentation that the owner of a vehicle registered to an address in the region identified in Section 66502 of the Government Code has obtained an automatic vehicle identification system account as a condition to the issuance of an identifier under subdivision (a).

(k) This section shall remain in effect only until January 1, 2008, and as of that date is repealed, unless a later enacted statute, that is enacted before January 1, 2008, deletes or extends that date.
